### Date-Nut Pudding in Casserole

A pudding chewy with dates and nuts gets a topping of orangey sauce to please the family that likes its desserts on the sweet side.

There is a pudding to suit every taste, and one that should please just about everybody is a rather rich date-nut topped with either an orange or lemon sauce.

This pudding will please the one who makes it, too, for it's easy to put together. Cutting up the nuts and dates takes the most time, and that isn't much. The dates are easy to cut if you use kitchen shears and dip them into warm water now and then as you snip. If you do not have a 1 1/2 quart casserole, use an 8-inch square pan. Like most puddings, date-nut pudding is at its best served warm with sauce to match. Servings may either be spooned out into a sauce dish, or cut into squares, garnished with walnut or pecan half, and topped with sauce. Either walnuts or pecans are very good in this pudding.

Because it is made with enriched flour, date-nut pudding provides excellent vitamin values for the family, including three B-vitamins, food iron, and food energy. Dates and nuts supply additional nourishment.

#### DATE-NUT PUDDING

1/2 cup sifted enriched flour  
1/2 teaspoon baking powder  
1/2 cup butter or margarine  
1 cup chopped nuts  
1 cup chopped dates  
1/2 teaspoon lemon extract

Sift together flour, baking powder and salt. Add nuts. Mix dates, water and butter or margarine. Beat egg and blend with sugar and flavoring extracts. Add to date mixture. Add flour mixture to date mixture. Pour into greased 8x8 inch pan or greased 1 1/2 quart casserole. Bake in moderate oven (350 degrees F.) about 45 minutes for square pan or about 1 hour for casserole. Serve hot or cold with orange sauce.

#### ORANGE SAUCE

1/2 cup sugar  
1/2 tablespoons cornstarch  
1/2 teaspoon salt  
1 cup water

Combine sugar, cornstarch and salt. Gradually add water and stir until smooth. Cook over low heat until clear and thickened, stirring constantly. Add butter or margarine, rind, extract and juice. Serve warm or cold over date-nut pudding. Makes about 8 servings.

Kinney and boys of Pontiac, where they were joined by Mr. and Mrs. Richard Burch (Joyce Pammenter) of Detroit.

Nancy Lou Giddings is convalescing at her home following a minor operation last week.

Sixteen members of the Spooner-Wentberg family spent Christmas day with Mr. and Mrs. Henry Wenberg and Mr. Spooner. Guests included Mr. and Mrs. John Watchpocket and Ellsworth; Mr. and Mrs. David Mehlerberg and sons of Lapeer; Mr. and Mrs. Fred Tuck and daughters of Rochester, and Robert Mehlerberg of Pontiac.

Mr. and Mrs. August Jacober had a family gathering at their home Christmas afternoon and evening. Their guests were their children and grandchildren from Waterford and Pontiac.

Brownie Troop No. 3 of the Waterford Village school held a Mother and Daughter Christmas Party at the school last week with 23 in attendance. Christmas carols were sung and old Santa appeared with gifts for all. Each mother was presented a gift made by the girls and the leader, Mrs. Louis Hillman, received a beautiful poinsettia plant along with many other lovely gifts. Ice cream

On Thursday, January 4th, the Ladies Auxiliary will meet at the Community Church at 12:30. Mrs. Henry Mehlerberg, Mrs. Bertha Saylor and Mrs. Earl Johnson are on the committee.

The Men's Beacon Club will meet at 6:30 Saturday at the Community church. There will be a special speaker for the evening.

#### THE FOUR BIG "D's" DAWN — DUSK — DARKNESS AND DEATH

"That," Sheriff Hubbell said today, "is the all too familiar pattern of December traffic. This is especially true regarding accidents involving drinking drivers," he continued, pointing out that as the sun goes down such accidents go up.

Records show that 3 out of 4 accidents involving "drinking drivers" occur during the hours of darkness, and mostly between the hours of midnight and 3:00 A. M.

Throughout the State of Michigan law enforcement agencies will endeavor to have uniformed men check bars during the last two hours before closing. The bar owners will cooperate with the program by displaying on each table a card bearing the message "If you are driving — TAKE IT EASY".

"Weekend — The Gay Holiday Spirit — Traffic Accidents, this combination," Sheriff Hubbell said, "go hand in hand during our holiday season".

Sheriff Hubbell also pleads with the motorist of Oakland County to use every precaution possible during the coming weekend and holiday season. The grand and glorious weekend of relaxation and enjoyment that we look forward to are the most dangerous as 7 out of 10 darkness accidents involving drinking drivers happen on Friday, Saturday and Sunday.

Remember, if you are driving, TAKE IT EASY!

#### SOME SEASONAL DROPS FOR FARM PRODUCTS SEEN

Here's what Michigan farmers can expect during the next month or so in the way of seasonal price trends for several farm products, according to Michigan State College agricultural economists.

Hog prices will decline in December, probably to set the low point of this hog marketing season. Cattle prices will hold steady. Lamb prices will decline from November's record high, but will still be strong compared to lamb prices of previous years.

Dairy product prices will stay at about present levels for the next month or two. The seasonal price decline will be less than normal this winter and spring.

Egg prices in January will average about 5 cents a dozen below December prices, the MSC economists believe. U. S. Grade A large prices paid to grading stations by first receivers in Detroit will likely average 42-47 cents a dozen.

The economists report that the wholesale price index has reached new all-time high, and the general trend is upward. Retail prices will move up in months ahead — with food prices expected to be generally higher. Consumer prices already are at an all-time high.

**The Hilltopper**

Below is a poem which Mr. William Ladd wrote and which appeared in the programs for the Clarkston Station School Christmas program last week. Thanks be to God for the Christmastide  
As the bells ring out through the world so wide.  
Of the baby Jesus' birth so many long years ago  
As that peacelike Bethlehem star set the world aglow.  
The angels proclaimed the message, "Peace on Earth, Good Will To Men."  
Let us hope that this message will sound again and again.

**SIXTH GRADE**

Keith Broddus is planning on visiting his aunt and uncle in Berkley over the holidays.  
Johnny Reynolds will visit his aunt and uncle in Fenton over the holidays.  
The Willoughby family is going to Blissfield, Michigan for Christmas and Janet Sue will remain there through Tuesday.

**SECOND GRADE**

Last weekend 33 of 39 pupils received gold stars on their papers. We made Christmas presents for our parents.  
Friday couldn't come too soon for us because we certainly enjoyed our party.  
We have one new pupil, Phillip Smith, who came from Detroit recently.

**FIRST GRADE**

The first graders were very busy last week preparing for their Christmas party. They enjoyed decorating their room and seem to have many ideas along the artistic line. Miss Sharpe substituted for one day while Mrs. Thackway was ill.

**GENERAL ELEMENTARY NEWS**

All of the rooms contained a beautiful decorated Christmas tree.  
Last Friday a party was held in each room.  
The sixth graders operate the elementary library. Every Wednesday two women come in to check out books. We received 30 new books for the library.

Several students bring money every Tuesday for the banking system and for the past seven weeks the Hunter School has had a 100% banking fund.  
Mrs. Rigley taught the first graders for one day during the absence of Mrs. Thackway.  
Miss Boyd who teaches the third and fourth grades at the Township building on Main Street had the misfortune of contacting measles. During her absence of one week Mrs. Glennie taught on Monday and Tuesday and Miss Sharpe taught Wednesday, Thursday and Friday.

The grade school children are enjoying the hot lunches the seniors serve on Tuesday and Thursday of each week.  
Grades three through six enjoy the music twice weekly under the direction of Mr. Ladd.  
On Wednesday, Thursday and Friday we assembled in the lower hall to sing Christmas carols for five minutes.

The safety patrol boys had a meeting this week. Fred Vess was chosen captain and Raymond Dawley was chosen lieutenant.

**CHRISTMAS ASSEMBLY LAST FRIDAY**

Last Friday morning the grade school pupils enjoyed a Christmas program in the morning as did the high school students and faculty in the afternoon. Participating in the program were: band chorus, Latin, French classes and the 7th graders. The band played several numbers and the chorus sang "Winter Wonderland", "White Christmas" and the first verse

of "Rudolph, the Red-Nosed Reindeer". The seventh grade girls sang the chorus and the second verse. The Latin and French classes sang Christmas carols in Latin and French. Miss Carey, foreign language instructor taught the classes the carols in foreign languages. The 7th grade presented a skit "The Night Before Christmas", with Valerie Hoyt reading the poem while other students depicted characters in the poem. The main characters were Billy Brian as a Christmas tree, Tim Mortimore as one of the children, and Gerald Frick who impersonated "Rudolph, the Red-Nosed Reindeer".

Sylvia Hemingway an 8th grader was Santa Claus. A funny incident occurred in the afternoon presentation when the 8 reindeer and Rudolph broke loose from Santa unintentionally and Santa had to jump up from the sleigh and pull open the drawn curtains to say "Merry Christmas to all, and to all a Good Night!"

Thus another assembly proved to be a success, and it is hoped that an Easter assembly will be presented to contrast with the Thanksgiving and Christmas assemblies.

**HOME ECONOMICS**

Miss White and several of her homemaking students decorated the home economics room with gay decorations last week.  
The first years girls made and served refreshments to the faculty.  
Two new Frigidaire stoves, a

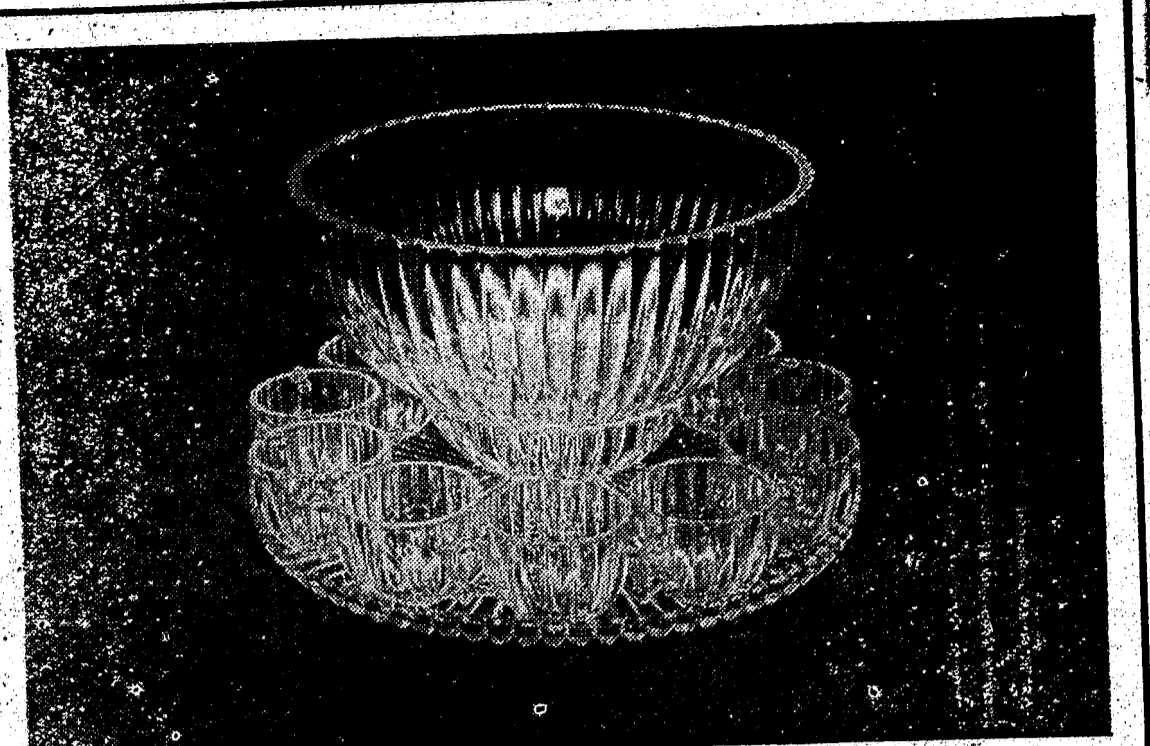

**BAND NOTES**

The high school band is progressing quite rapidly under the direction of Mr. William Ladd. The membership now consists of 30. We gained one new member, Richard Johnston who plays the euphonium. We lost one member, Paul Cenkovich who played B flat Clarinet. Paul moved to Detroit.

The following six officers were elected recently. They will also be the committee to meet for planning special activities besides the regular activities throughout the year. George Mantyla, president; Robert Rose, vice-president; Elden Mudge, secretary; Glenna Webster, treasurer; Evelyn McCrum, librarian; Cherie Littleton, assistant librarian.

On the evening of December 23rd the Springfield School enjoyed a Christmas party at the school. There were about 140 in attendance to see a play "Santa Claus Had The Measles" presented by some of the pupils. The singing of Christmas carols by the group was led by Rev. Mr. Taulbee's Sunday School class. Reverend Taulbee was among the guests.

At the close of the evening Santa arrived and gave gifts to the little folks.

Mrs. John Watson, teacher at the school, was responsible for the very pleasant evening.

Don Ridgeway spent a 3 day leave from Camp McCoy, Wisconsin at home with his parents, Mr. and Mrs. Vern Ridgeway of Clarridge Road. Don left for the army a week ago Friday.

The friends of Mrs. Vern Jarvis will be sorry to learn that she has been ill at her home.

Ellen Jarvis spent the weekend at the Harlan Thayer home on Holcomb St., in Clarkston.

Mrs. Frank Huff received word last Sunday that her sister, Mrs. Ruth Strasburg, had passed away in Lapeer.

Mr. and Mrs. Robert Crosby have moved from their home on Clarridge Road to Grand Blanc.

Mr. and Mrs. Noel Eastridge of Cherrywood Road have moved into their new home.

Ella Mae Steele is getting along very nicely after having her tonsils removed.

Mr. and Mrs. John Snyder spent the weekend in Badwin, Michigan, with his mother.

Mr. and Mrs. Albert Smith and family of Bridge Lake Road are enjoying their new television set.

Mrs. Fred Gritzinger returned to the hospital on Wednesday to undergo surgery.

Mrs. Gordon Black of Clarridge Road spent Friday in Lapeer on business.

Mrs. Ralph Watson of Clarridge Road entertained the 50-50 Club on Wednesday evening of last week at the home of Mrs. Stanley Furman at a Christmas dinner and party. Besides playing 50-50 the group had a good time exchanging gifts. Prizes were won by: door prize, a vase, went to Mrs. Black; 1st prize, a shoe bag, to Mrs. Frank Huff; 2nd, an apron, to Mrs. H. A. Lane and the booby prize, a red piggy bank went to Mrs. Charles Carte. The next party will be with Mrs. George Anderson in Pontiac on January 10th.

Mr. and Mrs. Gilbert Smith and family have moved into the house formerly occupied by the Emery Cartes.

Dennis Gritzinger received his year pin at the cub pack meeting in Clarkston on Wednesday evening of last week. The rest of the den will get their pins at the next pack meeting. Each of the cub scouts repaired an old toy and wrapped it and it was sent in the Christmas box to the Juvenile Home.

Mr. and Mrs. Jack Jantz have moved into their home after repairing following the fire that damaged their house and destroyed some of the furniture.

Mr. and Mrs. Frank Richmond have a new 7 lb son, Glenn Daniel.

Fred Miller has returned to the TB Sanitorium for an indefinite period. He may undergo an operation after the holidays.

Mrs. Fred Miller is having trouble with imbedded wisdom teeth. She expects to have them removed today.

**IN THE STILL OF THE NIGHT**  
**A MAN DIED -**

He had worked late—he was tired—thoughtlessly he walked to the right along the darkened highway. Beyond the turn of the road were the lights of home.

Speeding through the early darkness, a driver urged his car along, hugging the edge of the road. A dim shape, a sudden sickening jolt—and the terrorized driver, his car careening, sped on—around the curve, past the lighted cottage beside the road. And in the still of the night, a man died.

These are the ingredients of accidents and death at night. Often the victim contributes to his own death by not walking to the left, facing traffic. But far too many pay with their lives for the reckless driving of the hit-and-run car coward. To him self-preservation is more urgent than the saving of a life.

To his kind let this be a warning. Of all highway and traffic violators, the hit-and-run driver fares worst. Sooner or later, his crime leads to prison and disgrace.

The highways shall be cleared of these auto highwaymen

 "Christian Science" will be the subject of the Lesson-Sermon in all Christian Science churches throughout the world on Sunday, December 31st.

The Golden Text (John 16:13) is: "When he, the Spirit of truth, is come, he will guide you into all truth; for he shall not speak of himself; but whatsoever he shall hear, that shall he speak; and he will shew you things to come."

Among the Bible citations is this passage, (John 14:12): "Verily, verily, I say unto you, He that believeth on me, the works that

I do shall he do also; and greater works than these shall he do; because I go unto my Father."  
 Correlative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, include the following (p. 146): "Divine Science derives its sanction from the Bible, and the divine origin of Science is demonstrated through the holy influence of Truth in healing sickness and sin."

### "For Once, Be Every Care Forgot..."

GET the scene for happiness—home-stay, if you please! Light up a fire on the hearth, bring in a bowl of apples and nuts, brew a potful of fragrant, steaming coffee. Then just sit back and enjoy the howling of the winter's wind outside.

A cup of coffee in front of a fireplace is probably the simplest form of hospitality there is, but it's sure one of the nicest. It's nice, flavored, deep-colored, hot and good. There are a lot of long winter evenings just ahead. What better time to stop for a moment and make sure that the coffee you brew is coffee at its best?

No matter what kind of coffee maker you use, here are a few worthwhile tips that will always stand you in good stead. First of all, start by choosing the proper grade of coffee for your coffee maker. If you use more than one kind of coffee maker, it's likely you will need more than one grind of coffee. And try to purchase not more than a week's supply of coffee at a time. Coffee loses much of its flavor if it has been exposed to the air for longer than that.

The brewing process begins with scrubbed and shining coffee pot. A simple rinsing of your coffee maker is not enough to remove the oils which coat the inside after each use. You will find it takes soap or detergent and a bit of elbow grease to clean it thoroughly.

The commonest error in coffee making is a tendency to skim on the amount of coffee used. The use of not enough coffee is wasteful, not economical, for the real proof of economy lies in the finished product. If your coffee is weak or tasteless, then you have wasted not only the coffee itself but your time and effort.

Here are the proportions recommended by the Pan-American Coffee Bureau: One Standard Coffee Measure (or its equivalent, two level measuring tablespoons) of coffee to each three-quarters of a measuring cup of fresh, cold water. These amounts make one serving and apply to all kinds of coffee makers.

Timing is important, too, particularly if you use a vacuum-type coffee maker or a percolator. Percolator coffee should be "perked" gently not more than six to eight minutes after it begins to show color. For vacuum coffee, keep it ever low heat for about three minutes after the water has risen to the upper bowl.

Accurate measure, careful timing, a clean coffee pot and the proper grind of coffee—these are the basic elements of every good cup of coffee. Try them out and you will see.

## TV NEWSREEL

by Wait Samuel

If there's anything new in the world... or in the entire Universe for that matter... you can be sure that Television has its eye on it. The recent total eclipse of the moon was brought to TV audiences. And it looks as though there's a lot more entertainment and education coming from the astronomical direction. TV will in the near future be pointing toward the heavens, exploring the galaxies through powerful telescopes. You may see spots before your eyes, but they'll be sun-spots. And if you want to explore the mysteries of the moon, visit Mars: take a trip to Venus, all you have to do is turn the dial. Astronomically speaking that'll get you clear out of this world.

Science fiction is having a big run on television. Before long the space ships and other planets will be as real as cars on the street to TV audiences. There are certainly no limits on imagination...

A television set in your home is a mighty important thing these days. You get the very best in television when you choose from our complete stocks. The new 1950 ADMIRAL has everything... and we have ADMIRAL So select now... and insist on the best service. SAMUEL'S APPLIANCE AND ELECTRIC CO., 627 and 629 Broadway. Phone Holly 2530. adv.

## THE LEAST YOU CAN DO

★ The early Greek physicians believed that it was not possible for a man to enjoy perfect health unless he carefully organized his life to accomplish this single objective. This meant the meticulous ordering of each day. Proper nutrition, exercise, and rest were perfectly balanced. Physical constitution, age, and even the seasons of the year were considered.

For a man of affairs, such a regimen is out of the question. When your work is done, you play and exercise when you can. But this little you can do. See your family physician at least once a year. Follow his advice. In case medication is required, we are prepared to serve you, promptly and economically.
