School Band Plays In Music Festival

The Clarkston School Band played at the Music Festival in Ypsilanti last Saturday. The festival is sponsored by the South-eastern Michigan School Band and Orchestra Association. Each band director must be a member of this organization and also of the Michigan School Band and Orchestra Association before a band leader is permitted to enter the festival.

Each band is required to play three numbers including a march and two selections. The Clarkston band played "The Booster March," the required number for class C bands, "The Victorious" by Frang-kiser and "Saskatchewan Over-ture".

Various judges rate each band according to its playing ability, stage deportment and various techniques. Suggestions are written out and presented to the band so that each group may know its strengths and weaknesses.

The class C bands played in the auditorium of Ypsilanti High School and the class B bands played in the Pease auditorium. The judges for the class C bands were Keith Stein from Michigan State College, Larry Teal from Wayne University, and Dr. David Mattem from the University of Michigan. Roy Miller of Detroit was the sight reading judge. After each band had performed the selections they were conducted to a "sight-reading" room where they were asked to play a march and a selection that they had not seen before.

The Clarkston band received a rating of IV. The present band is only about three semesters old. With much more playing experience and individual practice on the part of each student, they are looking forward to an excellent band.

The array of various types of uniforms lent a beautiful color to the festivities in Ypsilanti. There were many combinations of colors: red and blue, blue and gold, black and orange, black and red and red and white.

Bands that received a rating of I are eligible to take part in the All State Band Festival which is held alternately in East Lansing and Ann Arbor.

Women Plan April Dinner

The Woman's Organization of the Sashabaw Church met on Wednesday of last week at the home of Mrs. Wesley Stevens. The regular business meeting was held with Mrs. Glenn Johnson presiding.

Two new members, Mrs. L. Carpenter and Mrs. Frank Vargo, were welcomed, as were two guests, Mrs. Vargo's mother, Mrs. Fy, and Mrs. Joseph Usty. Plans were made for the next dinner to be served on April 14th. Further details will be announced later.

L. C. Megee Named Rotary Governor

When district 222 of Rotary International held its annual conference at Cranbrook School, Bloomfield Hills, last Sunday and Monday, Lloyd C. Megee of Clarkston Rotary Club was unanimously nominated as governor of the district. The election will be confirmed at the Rotary International con-ference at the Rotary International con-

LLOYD C. MEGEE

vention in Atlantic City in May. Lloyd (Skip) will take office July 1st and will serve for one year.

Lloyd is a charter member of the Clarkston Rotary Club and has been one of its most active members in the eleven years of its existence. He is on the staff of the south east division manager of Consumers Power Company.

There were 38 clubs represented at the conference at Cranbrook. On Sunday following registration a supper was served in the dining hall and this was followed by a very fine musical program by the Wallaceburg Killie Band of Wallaceburg, Ontario.

On Monday the usual business sessions took place with the District Governor, Fletcher L. Renton, of Royal Oak, presiding. There was special entertainment for the ladies and in the evening the Rotarians and their wives met for a banquet, at which the Honorable George B. Hartrick, President of the Host Club, the Pontiac Rotary Club, presided.

Among the highlights of the evening program were selections by the MacDowell Male Chorus of Pontiac and an address, "The Larger Programme" by Norman G. Foster, Past Director of Rotary International, and a member of the Ottawa Rotary Club in Ottawa, Ontario.

Following the address of the evening District Governor Fletcher L. Renton introduced the District Governor Nominee and his wife, Mr. and Mrs. Lloyd C. Megee of Clarkston. Mrs. Renton and Mrs. Megee were presented with American Beauty roses.

Girl Scout News

At the Girl Scout meeting on Tuesday four new scouts received their pins. They were Joan Carpenter, Betty Lou Carte, Rose Rader and Sally Norman.

The Girl Scouts will be selling cookies until Friday, March 27th. Ann Lowrie, Scribe

(from last week)

Thirty-five Girl Scouts and four leaders met at the Methodist Church for a party to celebrate the 39th anniversary of Girl Scouting in America. Good eats were served by Miss Sharpe's group. Games and stunts were in charge of Tenderfoot Scouts Sally Bauer, Barbara Rockwell and Frances Hancock.

All Girl Scouts are to go to Cranbrook on Saturday, March 17th, at 8:00 A. M.

The girls will pick up rummage for the sale on March 21st after school.

Former Resident Died Monday

Judd Skarritt, 61, passed away early Monday morning at his home at 47 Park St., Oxford, after an illness of six years.

He was born in Drayton Plains, Waterford Township, on December 23, 1889, the son of Jesse and Cora Judd Skarritt. He spent his boyhood days in New Hudson and came to Clarkston when a young man. He was wed to Idell McMahon in Pontiac on September 5, 1913.

He made his home in Clarkston until 1942 when they went to Oxford. He was a millwright at the Pontiac Motor Division of General Motors until his health failed six years ago. He was a member of Cedar Lodge, No. 60, F. & A. M., and the Joseph C. Bird Chapter, O. E. S., and he attended the Clarkston Methodist Church.

Mr. Skarritt made friends wherever he happened to be because of his friendly disposition and his smiling countenance. He loved company and these past few years while he has been confined to his bed most of the time he enjoyed visiting with his friends and always tried to be cheerful in spite of pain and the discomfort of being shut in.

He is survived by his widow; two sons, Hawley of Clarkston and Kenneth of Oxford; his mother, Mrs. Cora Skarritt of Pontiac and three brothers, Clyde of Highland Park, John Kimball of Clarkston and Roy of White Lake.

The funeral service was held at the Sharpe Funeral Home in Clarkston on Wednesday afternoon at two o'clock with the Reverend Robert M. Atkins officiating. Interment was in Lakeview cemetery.

Permit Needed For Grass Fire

According to the Conservation Department of Michigan a permit is needed to start a grass fire. Anyone starting a grass fire without this permit will be punished. In this area permits may be secured from Fire Chief Don Beach or from Floyd Andrews, Township Supervisor.

Each year many of these unnecessary fires cause much fire department expense, besides damage to property and wild life. If you start one of these fires without a permit you will be held responsible for all costs and damage.

Chairman Reports On Polio Campaign

The 1951 March of Dimes reflected an increased spirit of cooperation in Oakland County, according to Mrs. Farmer E. Davies, chairman of the campaign for Clarkston. "Our community has contributed \$95.22 through individuals, organizations, business, and industry to the county total of \$24,493.07. Last year the final campaign total was \$19,311.00. The third successive year of high polio incidence has made people aware of the increased need for funds to carry on the work of The National Foundation for Infantile Paralysis. The residents of Clarkston by giving to the 1951 March of Dimes have not only given aid to those children, men, and women who have been stricken by polio, but hope for the children of the future. The National Foundation's intensive research program is aimed at the elimination of polio. Polio will always be an uncontrollable disease."

The Rotary Anns who prepared and served the dinner included Mrs. A. E. Butters, chairman, Mrs. R. M. Atkins, Mrs. R. L. Jones, Mrs. W. Ridgley and Mrs. P. Henry.

The Brownies and their leaders are grateful to the Rotary Anns for the delicious dinner. They feel that their sponsor is really interested in them.

Local Teacher Honored Tuesday

On Tuesday evening of this week the second grade room of the Clarkston School was entertained at the Jyleen home honoring Mrs. Robert Morse, the second grade teacher.

Mrs. Morse will leave on April 2nd for California to join her husband whose work was transferred to the west a few weeks ago.

The group had a good time playing games. They presented Mrs. Morse with a gift and expressed their regrets at her having to leave Clarkston.

Local Students Enjoy Skating Party

On Monday, March 19th about 130 6th, 7th, and 8th grade students from the local school had a roller skating party at the Pontiac Rolladium. Sylvia Hemingway was chairman of the affair, and on behalf of the 7th grade, invited the other students. Everyone had a fine time roller skating, including guest Janice Roberts of Cass City, a Clarkston student last year, and Mr. Smith, Mr. and Mrs. Carlson, Miss Murphy, Miss Sutes and Mr. Staehler. Sylvia's father, Mr. L. D. Hemingway, and bus driver, Burt Willis, also skated. Sherman Lowery did a fine job of driving one of the buses, but we'll have to wait until next time to see him on a pair of skates. All of the students hope that the next party will be very soon.

Clarkston Locals

Mr. and Mrs. Howard Johnson, Roger Johnson, and Joan Johnson went to New York state last weekend where they visited with Roy Johnson who is stationed at Sampson Air Base, Geneva, N. Y. He expects to be moved to a different base very soon and was unable to get home enroute, consequently he was more than happy to see the folks from home.

GOODWILL INDUSTRIES EXTENDS INVITATION TO 30th ANNIVERSARY

Goodwill Industries of Detroit, which has done an outstanding service to handicapped men and women of southeastern Michigan, is observing its Thirtieth Anniversary during the week of April 9th.

Goodwill depends upon discarded household articles for carrying on its rehabilitation program since the refinishing of these articles provides both the employment and job training needed by handicapped adults. After being reconditioned, these articles are then sold in three Goodwill stores in Detroit.

Last year over 525 handicapped adults were given jobs or training at the Goodwill Workshop at 6522 Brush Street, Detroit, for which they received nearly \$400,000 in wages, according to Harold H. McKinnon, Executive Secretary of Goodwill. This community has contributed heavily by way of discarded articles during the past several years and has played an important part in the Goodwill Program, Mr. McKinnon declared.

"Because your community has shown such an interest in our program through its splendid support and contributions of discarded household articles," Mr. McKinnon said, "we are extending a special invitation to your community to participate in our 30th Anniversary Celebration during the week of April 9th: Thursday, April 12th, has been set aside as Out-of-Town Day. It is our hope that representatives of more than 100 suburban and nearby communities will be our guests. Refreshments will be served visitors and they will also be taken on a tour of the Goodwill Workshop so that they may see at first hand the operations being carried on in behalf of the handicapped men and women. A special invitation is extended to church groups, the men's luncheon clubs, the women's social clubs and the Chamber of Commerce."

The celebration will get under way on Monday, April 9th, with an Open House and an exhibit of handcrafted articles made by handicapped men and women. The exhibit will be open to the public without charge throughout the week and may be seen daily from 10:00 a. m. to 6 p. m. and until

9:00 P. M., on Tuesday and Friday evenings.

Tuesday evening there will be a homecoming and buffet lunch for several hundred former employees and their families. The women's groups will be special guests on Wednesday and a smorgasbord dinner on Friday evening will provide a climax for the celebration. At that dinner several hundred civic and industrial leaders will

be guests of Goodwill Industries. A special award to a handicapped individual will be made by Governor Williams. The closing day,

Saturday, has been set aside for Boy Scouts, Girl Scouts and youth groups.

BIRTHDAYS THIS WEEK

March 19th — Evelyn McCrum;
March 20th — Elsie Cranston,
Ethel Ogg and Francis Chaffee;
March 24th — Maxine Sage.

GENERAL NEWS

Miss Marguerite Bennett and William Ladd were chosen by the seniors as the two sponsors to accompany them on their trip to Washington in May.
100 new chairs have arrived. They were purchased from the Beckley-Cardy Company, Chicago, Illinois.

COMING EVENTS

March 23-26th — Easter recess
April 5th — Junior play.
April 13th — School carnival.
April 27th — Junior-Senior Prom.

BAND PERFORMS AT TWO ASSEMBLIES

Last Thursday afternoon students in grades 7-12 assembled in the auditorium to hear the band rehearse for the festival in which they participated last Saturday at Ypsilanti. They played the Boosters March by Klein, Saskatchewan Overture by Holmes and Victorious Overture by Frankliser.

A number which they had never seen. The Cardinal Overture was placed before them as their test number in sight reading.
The same procedure was followed on Friday morning when they performed before the grade school students. Additional numbers played on Friday were Royal Purple and Across the Field.

SEVERAL STUDENTS TO ATTEND CONFERENCE

Several high school students will attend the fourth annual YW-YMCA conference at the Pontiac YMCA on Monday, March 26th. The conference will begin at 9:00 A. M., and continue until 5:00 P. M. Miles De Pagter will be the main speaker. A dance will be held there in the evening.

LORRAINE RIOUX SPELLING CHAMPION

One and one-half hours was the required time for the school spelling contest last Friday in which Lorraine Rioux was proclaimed winner. Lorraine, daughter of Mr. and Mrs. Harold Rioux, of Davisburg road, defeated Lawrence McNeil, son of Mr. and Mrs. Russell McNeil of Dixie Highway on the word capillarity. Both are eighth graders. Lorraine will compete with other school winners at the district contest to be held in Holly at a later date.

ELEMENTARY NEWS

David Lisner was elected captain and Joe Gardener was elected lieutenant at a meeting of safety patrol last week.

Miss Sharpe treated the safety patrol boys with Easter candy on Tuesday of this week.
The elementary library board held a meeting at 4:00 P. M. last Thursday in the library.

The meeting which was scheduled on Tuesday of this week for the purpose of discussing geography text books, has been postponed until March 29th.

KINDERGARTEN

We are enjoying our new set of vari-a blocks.
Our attendance was somewhat diminished last week, as several of the pupils were ill with the flu.

We are making Easter decorations for our room and baskets for our Easter party.
We are happy that the honor banking plaque has been hanging in our room for several weeks.

FIFTH GRADE

We are hoping all the instruments for the junior band will arrive this week so we can start organizing the band.

SIXTH GRADE

We received two cards from Sharon Glennie who has gone to California for one month with her mother and grandmother. She reports that she is having a wonderful time.

David Black, who has been hospitalized in General Hospital with pneumonia, is now at home and is progressing quite nicely. We hope he will be back with us soon.

FORD SCHOOL NEWS

The first grade made an Easter frieze.
As part of their Indian study, the second grade made a frieze of an Indian village.

One half of the second graders have maintained perfect scores on their spelling tests since January.

Tree Trunk Girdling Produces Earlier Northern Spy Apple Crop

Northern Spy apple trees don't usually bear fruit until they are 12 to 18 years old. However, in tests conducted by the Michigan State College Agricultural Experiment Station, trees were made to produce sizable crops when only 9 years old. The tree trunks were girdled by removing a strip of bark one-eighth-inch wide, 12 inches above ground level. The cut was made to the depth of the wood, completely encircling the trunk. The girdling wounds were then coated with grafting compound. Trees girdled in late May of their eighth year produced fruit the ninth year. While subsequent girdling did not produce as great yields, girdled trees were far ahead of ungirdled trees by the time the latter began to produce fruit. Full information about girdling to produce apple crops more efficiently can be obtained by calling or writing your County Agricultural Agent.

Power augers increase efficiency...

Digging a hole for a telephone pole used to take a long time. Today Michigan Bell does this job more quickly and more efficiently with power-driven augers which can dig a pole hole in a couple of minutes. This is another example of the way Michigan Bell provides more and better telephone service to farmers at a reasonable cost.

THE HUMAN BODY IS MORE COMPLEX THAN AN AUTOMOBILE
 ★ You wouldn't take your car to a garage and refuse to tell the mechanic what was wrong. The mechanic would have every right to doubt your sanity. Yet people frequently refuse to tell the physician of their ailments. They are anxious to have an "unbiased opinion."
 You can save time and expense by being frank with your physician. To do a competent job of diagnosis he needs the history of your symptoms. The human body is far more complex than an automobile. For the best results give him all the facts.
 All we need is the physician's prescription. We are competent to compound it exactly as he specifies.

FORD WINS AGAIN!
V-8 TAKES FIRST PLACE IN CLASS "A"
1951 MOBILGAS ECONOMY RUN
 Both Ford V-8 and SIX Deliver more than 25.9 miles per gallon
 Gruelling 840-mile test proves Ford Economy
 Again this year... it's high honors for Ford! In the most important economy trial for American stock model cars... the famous annual Mobilgas Economy Run... A Ford 100-h.p. V-8 equipped with Overdrive took first place competing against all cars in its price class, making 54,587 ton-miles per gallon* and 25.994 miles per gallon. And its companion in quality, the new Ford SIX with Overdrive, was right up there with the winner. In fact, both cars averaged better than 25.9 miles per gallon.
 Traditional Ford economy, for the second straight year, has been proved in open competition. Proved on the tough 840-mile grind from Los Angeles to the Grand Canyon... a course that included city traffic, below-sea-level desert heat and 7,000-foot mountain passes. Ford's Automatic Mileage Maker, standard equipment on all Ford V-8's and SIXES, contributed to this great achievement by squeezing the last mile out of every drop of gasoline.
 Why not "Test Drive" the new Ford at your neighborhood Ford Dealer's? There's no better way to be convinced that "You can pay more but you can't buy better!"
 *The AAA Contest Board determines the winner by a "ton-mile per gallon" formula to insure equal chance for all cars in each class regardless of size and weight. Ton-miles per gallon equals the car weight (including passengers) in tons, multiplied by number of miles traveled, divided by number of gallons of gasoline consumed.

 WITH AN **ELECTRIC RANGE!**
 "Automatic cooking on our modern Electric Range makes every meal a treat," says Mrs. Alan Ladd. "A treat to eat and to prepare. Alan and I often wonder how we ever managed without it."
 You, too, can enjoy modern electric cooking. It saves money, time and trouble. Stop in and find out how!
HAMBURGER RODEO
 Alan Ladd's specialty
 1 1/2 pounds hamburger
 1 teaspoon salt
 3 tablespoons flour
 1/2 cup fat
 1/2 cup chopped onion
 1 garlic clove
 2 teaspoons chili powder
 No. 2 can (2 1/2 cups) tomatoes
 No. 2 can kidney beans
 6 sandwichters
 2 tablespoons butter or margarine
 Sprinkle hamburger with salt and flour; cook with onion and garlic in hot fat until brown, stirring occasionally. Add chili powder, tomatoes and water. Simmer 15 minutes. Remove garlic. Add beans, cook 20 minutes, or until slightly thickened. Split frankfurters, brown in butter or margarine. Split rolls, toast. On serving plates place 2 halves of toasted roll, topped with 2 halves of frankfurter. Cover generously with sauce. Yield: 6 servings.

9:45 A. M. Song Service.
Sunday School 10:00 A. M.
11:00 A. M. Morning Worship. The pastor will bring a special Easter message. There will be a reception of new members and the baptism of infants.
If you have no other church affiliations you are invited to join in the services at the Sashabaw Presbyterian Church — a growing church in a growing community.

FIRST CHURCH OF CHRIST, SCIENTIST
71 S. Washington, Oxford
Sunday School 10:30 A. M.
Sunday Service 10:30 A. M.
Wednesday Evening Service 8:00 P. M.
Reading Room at rear of Church, open Wednesday from 2 to 4 and 7 to 8 P. M.

"Matter" will be the subject of the Lesson-Sermon in all Christian Science churches throughout the world on Sunday, March 25th. The Golden Text (Psalms 81:9, 10) is: "There shall no strange god be in thee; neither shalt thou worship any strange god. I am the Lord thy God, which brought thee out of the land of Egypt."
Among the Bible citations is this passage, (Matt. 6:20, 21): "... lay up for yourselves treasures in heaven, neither moth nor rust doth corrupt, and where thieves do not break through nor steal: For where your treasure is, there will your heart be also."
Correlative passages to be read from the Christian Science textbook "Science and Health with Key to the Scriptures" by Mary Baker Eddy, include the following (p. 346): "We cannot serve both God and mammon at the same time; but is not this what frail mortals are trying to do?"

Appreciation

We wish to express our sincere appreciation to the neighbors and friends for the many beautiful floral offerings and cards, acts of kindness and comforting words spoken in the recent death of James Francis McCrum. Our special thanks to Dr. Rockwood W. Bullard, second floor staff of Pontiac General Hospital, Reverend Edwin Dodi, members of Independent Order of the Foresters, Mr. and Mrs. Arnold Matthews and the members of the Domestic Science club.
 His wife, sons, brothers and sisters; grandchildren; nieces and nephews.

NOTICE
