At noon a delectable dinner was served to the 3500 attending the convention. The place was the Sherwood Hotel, of which one of the principal speakers, Mr. Harold Harney is proprietor. The members were amazed at the prompt efficient service rendered to so many, and enjoyed the exquisite taste of the food.

Following the dinner a concatenation of speeches concerning "Problems of Today's Youth" were given in Euclid Hall by Roy Van Dyke, a vocational teacher; Aaron Blitz, a lawyer; Harold Harney, proprietor of Sherwood Hotel, and Dr. E. K. Lakley, a psychologist.

ANN ARBOR MEETINGS

ATTRACT LOCAL TEACHER On Friday, April 27th, Miss Patricia Stites went to Ann Arbor to attend the meetings of the Forensic Association and the Michigan Speech Association, and to watch the annual high school

championship debate. At the forensic meetings numrous suggestions were made for improving the organization of next year's speech contest. One suggestion of particular interest to the Clarkston students is that for the debate contests, all participating high schools would be divided into two groups, one of Class A and B schools and the other of Class C and D schools. A state champion team would then be chosen in each division. Another suggestion pertaining to the spring forensic contests was that a 5th division of speeches be added. This would be a division in humorous read-

★ Too many people are influenced by stories concerning "intestinal cleanliness" or "stimulating the flow of bile." Many cases of simple constipation do not require a laxative at all, but only a minor change in diet and habit. The habitual use of cathartics is dangerous.

Such misuse is often followed by chronic ill health. Strong laxatives are particularly dangerous when taken to relieve abdominal distress. The source of the pain should always be accurately determined by your physician. The safe procedure is to consult him. If a laxative is needed, he will prescribe a safe preparation with proper instructions for dosage. Then bring your prescrip-
