Waterford Man Weds Detroit Girl

The Redeemer Presbyterian Church on West Grand Boulevard in Detroit was the scene of a pretty wedding last Saturday evening at seven o'clock when Josephine Skinner of Detroit and Edward Craft, Jr., of Waterford spoke their nuptial vows to the Reverend Gifford R. Ruby, in the presence of about two hundred and fifty guests.

The bride is the daughter of Mr. and Mrs. E. B. Skinner of Sterling Ave., Detroit and Mr. and Mrs. Edward Craft of Waterford are the parents of the bridegroom.

The double ring rites were read before an altar banked with baskets of white stock, Easter lilies, white snapdragons, palms and candelabra.

The bride given in marriage by her father was petite in white Chantilly lace and nylon net fashioned with a fitted lace bodice with portrait neckline trimmed with seed pearls and long sleeves pointed at the wrists. The tiers of nylon net in the skirt fell into a cathedral train and her full length veil of nylon net was held in place by a tiara of lace, seed pearls and rhinestones. She carried a cascade bouquet of six orchids outlined with lilies-of-the-valley.

The bride's sister, Timmy Sterk of Detroit, was maid of honor and Mrs. Roy Ecklov, Joan Benard and Leah Crossway were bridesmaids. They wore strapless gowns of deep forest green net over apple green tulle. Over their shoulders they wore deep forest green net stoles and their hair headpieces were made of matching net. The maid of honor carried a cascade bouquet of yellow daisies and Talisman roses and the bridesmaid's cascade bouquets were of yellow daisies.

Assisting Mr. Craft as best man was his brother, Harvey Craft of Waterford, and seating the guests were the bridegroom's brother, Kenneth Craft of Clarkston, his cousin, Eric Craft of Farmington and Roy Ecklov of Detroit.

The church organist played the traditional music and also accompanied Miss Violet Williams who sang "I Love You Truly" just before the ceremony and "The Lord's Prayer" towards the close of the service while the bride and groom knelt at the altar.

A reception was held in the church parlors. The refreshment table was centered with white snapdragons. The bride's sister, Mrs. William Peters, presided at the silver service. On a small table was the three tiered wedding cake flanked by white snapdragons and lighted white candles in crystal holders. Around the base of the cake were gardenias. The bride's aunt, Mrs. George Owen, cut the cake and the bride's attendants helped with the serving.

The guest book was in charge of Mrs. Norman Richards, an aunt of the bride.

For her daughter's wedding Mrs. Skinner chose a turquoise lace gown with navy and white accessories. Mrs. Craft wore an orchid marquisette gown with orchid and white accessories. Their corsages were of yellow cymbidium orchids.

Following the reception at the church the newlyweds received many of their relatives and friends at the home of the bride's parents.

The young couple left on a honeymoon trip to Washington, D. C., and New York. For traveling the new Mrs. Craft wore a toast and wine linen suit with white accessories and a corsage of orchids. On their return they will make their home on Oakshire Boulevard in Berkley, Mich.

The Hilltopper

PROM DECORATIONS WERE BREATH-TAKING

Many paragraphs couldn't entirely describe the elaborate decorations used for the Junior-Senior Prom last Friday night.

Entering the auditorium you went through a white trellis externally covered with numerous multi-colored flowers.

The first thing noticeable when inside the gym was a large globe, which, when rotating, showed many white moving stars throughout the entire gym.

The globe hung directly over the center of the gym floor. It was made from cardboard boxes, and was covered with pieces of broken mirror. The hemispheres were marked off by rose colored foil.

Over 1500 stars of all colors, hanging from strings, prevailed over the entire gym.

In the center of the floor was a divided pool, in which one section contained fish and the other turtles, lily pads, seaweed and water flowers stood out of the water. Surrounding the pool was a rock garden, blooming with spring flowers.

Lawn furniture, gave one the impression that summer was around the corner.

A bird bath standing on beautiful green grass, a little white picket fence along the sides, and a large colorful bush added much to the spring motif.

Along one side of the gym was another trellis with climbing morning glories and other flowers. Colorful bushes, trees and flowers predominated the sides and corners.

Across the back stage curtains were the large letters "STAR-DUST", surrounded by many glimmering stars.

The band played on the stage under blue lights.

Bowling League Closes Season

On Wednesday evening of last week the Howe's Lanes Community Bowling League closed the season with a banquet at The Old Mill Tavern in Waterford.

The banquet tables were attractive with a yellow and white color scheme. Arrangements of daffodils centered each table and the places were marked with small yellow place cards prettily trimmed with a daffodil. Yellow covered programs were at each place.

Lee Criswell gave the invocation after which the members, sponsors, and guests enjoyed a delicious dinner.

Following dinner Evelyn Kelley, 1950-51 president, gave a few words of welcome and introduced the toastmaster, Aida Maloney. The sponsors were introduced by Lucille Bates and each took a bow. William H. Stamp was called upon for a few remarks.

The group was then entertained by "Ozzie" Watchpocket who presented several songs in pantomime.

Barbara Howe presented the bowling awards. The team trophy went to Mr. Gardner of Sportsmen's Inn. The individual trophies for the high team went to M. Weber, L. Weber, J. Dickman, J. King and J. Gohl who made up the Sportsmen's Inn team.

Evelyn Kelley introduced the officers for 1951-52 — president, Marion Norgrove; vice president, Madelyn Anderson; secretary, Barbara Howe; treasurer, Evelyn Bartle; sergeant-at-arms, Betty Riksen.

A lovely gift was then presented to Evelyn Kelley who served so efficiently as president last year.

Madelyn Anderson was general chairman of the banquet and was assisted by Marion Norgrove and Opal Johnston. Responsible for the decorations were L. Elliott and E. Fuchs; entertainment, Margaret Weber and all team captains were on the reception committee.

Clarkston was not so lucky. Neither team scored in the first two innings. In the third for Milford, Ganzel singled. Colegrove tripled, scoring Ganzel. Hitchcock also tripled scoring Colegrove. Hitchcock was out at home when he tried to score on a squeeze play.

Clarkston came to life in the fourth. Lambertson was hit by a pitched ball. Vincent singled. Huttenlocher doubled to center, scoring Lambertson. Bullen hit a home run, scoring behind Vincent and Huttenlocher. Jewell flied out and Keelean struck out. Sharrock was safe on an error. He stole second. Bielman, Milford pitcher, got a little careless about keeping runners on base so Sharrock took off for third. Bielman wheeled and threw wildly to third allowing Sharrock to score. Five big runs had been scored and Clarkston went into the lead 5-3.

Milford got back one run in the fourth. Rowe walked. Ganzel was an infield out, but Rowe advanced to second. Rowe reached third on a passed ball and scored on an infield error. Milford tied the score in the sixth. Rowe again walked. Ganzel singled, advancing Rowe. Hitchcock singled, scoring Rowe.

The winning run was scored in the eighth. Colegrove flied out. Hitchcock was safe on Thompson's error. Faust hit to left field. The Clarkston fielder let the ball drop safely and in his attempt to retrieve the ball he fell down allowing what at best was a single go for a triple which scored Hitchcock. This ended the game with Milford winning 6-5.

The Clarkston pitching was not quite up to par. Lambertson worked the first six innings and allowed six hits and walked eight and struck out eight. Rouse worked one and one-third innings. He walked two and gave up one hit. Clarkston was weak with the bat, getting but three hits.

This Thursday Clarkston travels to Holly where they hope to improve their standing.

PURCHASE CLOTHESPINS FROM SENIORS

The seniors are selling luncheon clothespins for a very reasonable price. Six outstanding features — rustproof, unbreakable, double grip, adjustable, may be left on line and last a lifetime, make these the most popular and easiest selling clothespins on the market. Why not be the first in your block to purchase them. Any senior will be glad to come out and give you a demonstration on their use. The person selling the most will receive a plastic table-model radio.

Large Crowd At M & D Banquet

About two hundred and seventy attended the Mother and Daughter Banquet sponsored by the W. S. C. S. of the Methodist Church last Thursday evening at the Clarkston school.

Small potted plants were used to decorate the tables, and an arrangement of snapdragons centered the speakers' table.

The members of the Methodist Men's Club served the delicious dinner.

Mrs. Robert M. Atkins gave the invocation and during the meal Mr. Melvyn Staebler played the organ.

A very fine program followed the dinner. Mrs. Leland Masters, vice-president of the W. S. C. S. introduced the toastmaster, Mrs. Ronald Walter. A toast to the daughters was given by Mrs. Ralph Thayer and her daughter, Patience, responded with a beautiful tribute to mother.

Mrs. E. L. Spooner and daughter, Mrs. Ardie Grubaugh, sang two appropriate duets and Mrs. Grubaugh sang "Little Mother Of Mine". Mrs. A. E. Butters played the piano accompaniment.

The highlight of the evening, especially for the children, was a puppet show presented by Mrs. Belle Wade of Farmington. Mrs. Wade had made the puppets and designed the elaborate costumes that they wore. She has had a good deal of experience in this artistry and is kept quite busy entertaining the children in the schools in Detroit and surrounding territory.

Mrs. Smith, Fred Hancock's grandmother, and Mrs. Myra Wieland were each presented with flowering geraniums. They were the oldest mothers present. The youngest mother, Mrs. John Ronk, received a flowering begonia. The cut flowers that had adorned the speakers' table were presented to Mrs. Agnes Beardsley, president of the W. S. C. S.

The program closed with a prayer by Mrs. Atkins, after which many of the children went to the platform to see the puppets at close range.

May Fair A Grand Success

The Sashabaw School May Fair, sponsored by the P. T. A., and held Saturday evening, May 6th, at the school, was a great success.

Over 600 people attended the Fair. Every booth and attraction did a landslide business.

A carnival atmosphere prevailed with the costumed members of the "Gay Nineties Revue" milling with the crowd between shows.

The main event of the evening was the presentation of a "Gay Nineties Revue", organized and directed by Mrs. Paul Cornell and Arlene Coe. The auditorium was packed for the 2 performances.

A feature of the Revue was the harmonizing "Kingsmen Quartette", composed of George Rose, Harold Bomgardner, Lester Hart and Marshall McGuire. The minstrels and the ladies and gentlemen of the Nineties, the can-can girls and the leg swinging group of bathing beauty papas, all gay in their colorful costumes, gave an outstanding performance.

After the final show, Arlene Coe was presented a bouquet of roses on behalf of the P. T. A. and members of the cast.

Mrs. Gerald Urick was general chairman.

Saddle Club Has Interesting Meeting

On May 2nd the Dixie Saddle Club held its monthly meeting at the Clarkston Community Building. Some new members were welcomed, then Mrs. George Perry, president, enumerated various points to be discussed and voted upon. It seemed advisable to have a corresponding secretary to lighten the load of the elected secretary, Mrs. Leone McDonald. It was decided that the president should appoint a suitable person for that job, and that Mrs. McDonald's function would be that of recording secretary.

Mrs. Perry had appointed Mrs. Ferris Holcomb as historian of the club so that a record consisting of pictures, write-ups, etc., would be kept in a scrapbook.

Mrs. Glen Ellis was appointed flower committee chairman, and Mrs. Brahms Hensing publicity chairman.

Mrs. Perry confessed to having spent some of the club's money, a small token of appreciation of the club for its former officers. Dainty cups and novel cigarette lighters were handed out with a few well-chosen words to the various former officers. These cups and lighters had to be given back again at the end of the meeting. They were to be engraved, thus enhancing the personal value of these gifts.

Mrs. Perry then called upon Harry Waggoner to bring out a report on the activities of the Executive Committee. The Executive Committee would also be the Horse Show Committee. Keith White was appointed as additional member of the Show Committee.

Frank Minton laid out a program for the forthcoming months in which various couples were assigned as the "entertainment committee" or host and hostess for a particular month. A certain sum of money could be used to defray expenses incidental to this "entertainment", and couples could swap months with each other if they so desired.

Mrs. Ardie Grubaugh had been appointed to take care of the entertainment of the evening, and at the insistence of Mrs. Perry she consented to sing some songs.

The Club lost a beloved and active member through the sudden and early death of Jim Alexander. At the last meeting he had been elected as the new treasurer. A short period of silence, with bowed heads, was observed as a symbol of the members' sorrow. Then Connie Grubaugh sang, very appropriately and with much feeling, the beautiful Lord's Prayer.

A gayer note was struck when Connie brought in a white frosted and decorated cake in honor of Mr. and Mrs. George Perry's wedding anniversary. All joined in the "Happy Wedding Anniversary" song to the tune of the familiar "Happy Birthday to you". Then Mrs. Grubaugh treated the members to two favorites in the classical-popular style: "Because" and "Through the Years." Cups were filled with steaming, fragrant coffee, and the "wedding anniversary" cake was cut up and enjoyed by all.

Last Friday was a big day for the Home Extension Clubs of Oakland County. In observing National Home Demonstration Week about 300 women met at the Independence Township Community Center in Clarkston to meet Miss Helen Rodgers, Regional Home Economist from the Wheat Flour Institute in Chicago, and to see her make quick breads.

Mrs. Maurice Young was chairman of the program. Mrs. Walter Brown led the group singing. Mrs. Josephine Lawyer, Oakland County Home Demonstration Agent, introduced Miss Rodgers. Her pleasing personality and her immaculate, yellow uniform with a perky, little, green handkerchief peeking out of the blouse pocket attracted everyone present. In about an hour's time Miss Rodgers made cheese biscuits, sugar plum muffins, a cinnamon blossom coffee cake, whirlygig rolls and made refrigerator rolls in the shape of bow knots, rosettes and twists. She explained each step in the making and told what and what not to do.

After the demonstration Mrs. Young and Mrs. Dora Looney, program vice chairman gave out the door prizes. These prizes consisted of the baked goods and several kitchen utensils.

When the Girls' Novice Individual group lined up for competition on Sunday, Ann Barrows, daughter of Mr. and Mrs. W. S. Barrows of Clarkston, took her place. Ann walked away with a gold medal. Babe's Drinking Place

Paul Bunyan was a mighty man with muscled back and sinewed hand. He and his trusty Ox, "Old Babe" All through the north new landscapes made. Paul scratched his head and tried to think of fit place for Old Babe to drink. For such an Ox, that Paul held dear. The water must be cold and clear. One morning with his shovel on strong. Paul marked a trough out deep and long. He'd planned to dig it three miles wide. And throw the dirt on either side. He thought to dig it true and deep. He'd have to go 200 feet. Now in his work Paul grew intent. And first he knew his day was spent. Paul's men, concerned with setting sun. That back to camp he didn't come. Set out with torches in the night. To see if Paul was still all right. At 200 feet Paul didn't stop. He dug the length to 18 miles. And threw up dirt in hulking piles. The torches glowed upon the shore. Held by a thousand men or more. Next winter came the famed blue snow. With all its beauty emerald glow. It melted neath the summer sun. And in Paul's trough commenced to run. Now here at last, Babe drank his fill. From waters blue and clear and chill. And that's how Torch Lake came to be. A beauty spot for all to see.

IMPERIAL CANDLEWICK

hand painted dinnerware

California Ivy

By Poppo Trail

CANDLEWICK is an American made, hand-crafted crystal table-ware, designed to add beauty and gracious charm to your dining-table. It is clear, brilliant, light in weight, almost delicate in appearance, yet amazingly sturdy and durable for day-in, day-out dining. Candlewick's round the edge, always visible design was inspired by the hand-tufting needlework so greatly loved by our pioneer women. The idea of applied design in needlework, combined with skill in handcrafting glass produced a pattern of inimitable simplicity. A pattern so versatile it is compatible with any period of decoration... Provincial, Regency, Victorian, Modern. We are proud to offer this complete, open-stock line of Candlewick... America's most wanted table-crystal, hand-crafted at the Imperial Glass Corporation, Bellaire, Ohio, U. S. A. This beautiful crystal available at new low prices.

As you walk into the school between 9:45 and 12:00 noon, there is one thing that is immediately

noticed — the tempting smell of delicious food cooking in the home ec. room. The tenth, eleventh and twelfth grade students may be credited for that, as they are planning, preparing and serving dinners.

Other news from the home ec. department is a style show to be presented by grades 8-12, at a date to be announced later.

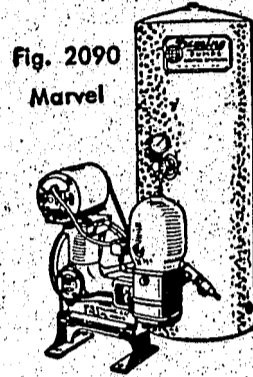

The eighth grade girls are making cotton skirts.

Ninth grade students are busy completing skirts, blouses and pajamas.

GIRLS SOFTBALL TEAM LOSES TWO GAMES

The first softball game played this season was with Bloomfield Hills on April 26th. They defeated the local team by a score of 9-0. The second home game was played with Fraser-Cody on May 1st. They defeated us by a score of 28-24.

CLARKSTON TAKES SECOND PLACE IN TRACK MEET

Clarkston took second in the triangular track meet last Wednesday afternoon, losing to Holly 49 1/2 to 48 points. Bloomfield took 37 1/2 points. Clarkston's loss was due to the lack of depth for they took six first places as compared with Holly's four and Bloomfield's three. A blank in the half-mile relay seemed to be the deciding factor. The next home game will be May 16th with Waterford.

Button, button and the call goes through

Push buttons simplify a lot of jobs in this electric age.

Ten little push buttons now help Long Distance telephone operators handle more calls more quickly.

A customer gives the operator the out-of-town number. She swiftly presses several buttons, which correspond to the letters and numbers on a telephone dial, and the call goes straight through to the distant telephone.

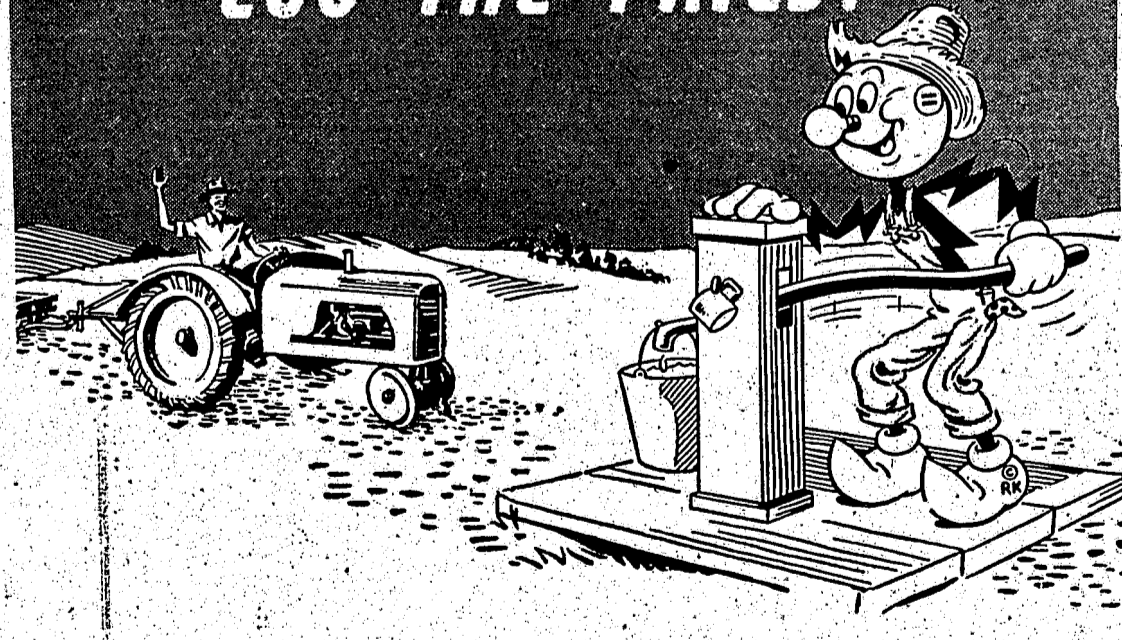

That's the way it works in Detroit and a number of cities throughout the country. In many other places, including more than a dozen Michigan exchanges, telephone operators speed Long Distance calls by dialing direct to many points with regular dials.

Named "operator toll dialing," this new development is already used on 1 1/2 million Long Distance calls daily and is steadily being expanded. Every minute it saves is important right now as the nation turns to the telephone to hurry our defenses.

To help speed your Long Distance call, please give the operator the out-of-town telephone number. Telephone lines are busy with national defense

under the topic "Adam and Fallen
Man".

one shall many be made right-

D. A. R. Chapter

(continued from page 1)

The highlight of the Congress
was the appearance in Constitu-
tion Hall of General Douglas Mac-
Arthur, his wife and son, Arthur.
General MacArthur addressed the
4,000 Daughters of whom Mrs.

Mrs. Luttrell reported that there
are 170,000 D. A. R., members,
and 11,000 Junior American Citiz-

Children of the American Revolu-

triotic organization in our coun-
try, dating back to 1895.
