## C. H. S. BALL TEAM WINS 1 - LOSES 1

### Local 4-H Club Is Reorganized

Many of our youth in this district and many parents will be happy to learn that the local 4-H Club is about to be re-organized. The Clarkston Rotary Club decided to sponsor this worthwhile youth organization and has named George Perry and Ed Rummans chairmen of the project. Mrs. Ralph Walton has consented to be the leader. The first meeting will be held at the Township Community Center on N. Main St. on Wednesday evening, June 6th, at 8 o'clock. Election of officers will take place. Former members and all those interested in livestock are invited to join the group. The club will meet at the Community Center at 8:00 P. M. on the 1st and 3rd Wednesday of each month.

### Rotary Announces Elect Officers

At the meeting of the directors of the Clarkston Rotary Ann on Monday evening at the home of Mrs. Fred Groven the group elected Mrs. William Sharpe as president for the year 1951-52. She will take office July 1st. Other officers elected were: vice president, Mrs. Fred Groven; corresponding secretary, Mrs. Robert M. Atkins; recording secretary, Mrs. Ronald Walter; treasurer, Mrs. A. E. Butters. The other two members of the board of directors are Mrs. Byron Nolan and Mrs. W. H. Stamp.

### In Memory

In memory of those who've gone, We set aside a special day. Our souls to those especially drawn By loving thoughts since they're away. Man, in his blindness, fails to see That there's no end to life of man. That all are in eternity According to the Master's plan. We mourn not for the ones who've passed, For they now live in lighted planes. They've come to their reward at last, And cast aside all aches and pains. On earth is where the shadows fall, Obstructing light from mortal view. The angels sorrow for us all And strive to guide our earth lives through. So we exalt those precious souls Who live in higher planes of life; Whose name God wrote upon His scrolls, And took them from a world of strife. We promise we will not confine Our thoughts for you, to just a day; But, we'll be near you for all time With loving hearts and flowers gay.

### Local Rotarian Made R. I. Officer

Lloyd C. Megee, an executive of the Southeastern Division of the Consumers Power Company, and a resident of Clarkston, Michigan, was elected Governor of the 222nd District of Rotary International, world-wide service club organization, at Rotary's 42nd Annual Convention, which is concluding its sessions in Atlantic City today. He will serve for the fiscal year 1951-52, and will take office July 1st.

Mr. Megee has served ten years as a Trustee of Clarkston. He is a Director of the Michigan Municipal League, the Oakland County Chapter of the American Red Cross, and of the Pontiac Real Estate Board. He is a member and Past President of the Rotary Club of Clarkston.

As a District Governor, he will visit the 38 Rotary Clubs in parts of Michigan and Ontario, Canada, which comprise the 222nd District, to advise club officers on matters pertaining to Rotary service activities and club administration.

The activities of all Rotary Clubs are directed toward the betterment of communities, the promotion of high standards in business and professional life, and the advancement of international understanding, good will and peace. A current Rotary activity of world-wide interest is the Rotary Foundation Fellowship program, which provides grants for one year of study abroad, as ambassadors of good will, to outstanding college graduates. In the five years since this program was established, Rotary Fellowships have been awarded to 284 young men and women from 42 countries and geographical regions, with grants totaling nearly \$750,000.

Frank E. Spain of Birmingham, Alabama, was elected President of Rotary International for 1951-52 at the 42nd Annual Convention of that world-wide service club organization. The convention registration of more than 12,000 represented 7,300 Rotary Clubs with a membership of 347,000 business and professional executives in 83 countries.

Mr. Spain is General Counsel for the Liberty National Life Insurance Company, the Bankers Fire and Marine Insurance Company, the Dinkler Hotels Company, Hotel Tutwiler and several other organizations in Birmingham. He is a member and Past President of the Rotary Club of Birmingham and has served Rotary International as Vice-President, Director, District Governor and as committee chairman and member.

Elected to Rotary's 1951-52 Board of Directors were Arturo Damiron Ricart of Ciudad Trujillo, Dominican Republic; A. E. C. de Groot van Embden of Haarlem, Netherlands; George Ernest Mardene of Hong Kong, Hong Kong; Arthur Mortimer of East Molesey, Surrey, England; Harold T. Thomas of Auckland, New Zealand; Pierre Yvert of Amiens, France; and seven Directors from the United States and Canada.

In the formal convention addresses by Ambassador Warren R. Austin, U. S. Representative to the United Nations; Rotary's President Arthur Lagueux of Quebec City, Canada; U. S. Senator Wallace F. Bennett of Utah, and other outstanding speakers, and in the informal discussion groups, emphasis was given to the many opportunities which Rotarians have in all parts of the world to work for the achievement of one of the principal Rotary goals — the advancement of international understanding, good will and peace.

Rotary's 1952 Convention will be held in Mexico City, Mexico, the week of May 25th.

Mr. Megee spent last week at Lake Placid, N. Y., in conference with the other governor nominees from over 200 districts of Rotary International. He went from Lake Placid, with all of the other governors, to Atlantic City for the convention this week. Mrs. Megee accompanied him on the trip.

### Clarkston Locals

On Sunday Mr. and Mrs. Frank Green were hosts to 38 relatives at their home on Buffalo Street. The group enjoyed a pot-luck dinner at noon. Guests were from Channing, Bay City, Detroit, Milford, Davison, Oxford, Pontiac and Clarkston.

### Seniors Busy Closing School Year

The local seniors, now enjoying a trip to Washington, D. C., with their present class advisor, Miss Marguerite Bennett, and former advisor, Mr. William Ladd, will return early Sunday morning. On Monday they will start three days of class work which will be followed by exams on June 7th and 8th.

Baccalaureate service will be held in the school auditorium on Sunday, June 10th at 8:00 P. M., with the Reverend Robert M. Atkins, of the Clarkston Methodist Church, delivering the sermon. Music will be furnished by Adele Thomas and William Ladd. The commencement exercises will take place Wednesday, June 13th, at 8:00 P. M., in the school auditorium. The principal address will be given by Professor John Lee, Dean of the School of Education at Wayne University. The graduating class will be presented by James Quick, principal of the high school and the diplomas will be awarded by LaVerne Spooner, secretary of the Board of Education.

Beverly Ann Covert, valedictorian and Sylvia Petersen, salutatorian, will each address the commencement audience and the Reverend Gordon H. Harkness, pastor of the First Presbyterian Church in Pontiac officiating. Burial was in the family vault at Lakeview cemetery. Mr. Bellows passed away in Detroit on Monday morning.

He was born in Jackson, Mich., February 11, 1882.

He is survived by his widow and one son, Lewis of Detroit.

### Church News

On Saturday afternoon at 4 o'clock the young people's class of the Sunday School will meet at the home of Mr. and Mrs. Herbert Lissner, 7800 Dixie Highway for a picnic.

(continued on page 5)

### Rotary Club News

Lieutenant Walter Krause of the Special Division of the Pontiac Police Department was the speaker at the Clarkston Rotary Club on Monday at the Community Center, on Monday. He displayed different articles used as occupational instruments and tools of the trade by those who live over on the illegal, or frowned-on-by-society, side of life. It was the first time some had seen the printed forms used in the numbers racket; dice that were loaded and just plain trick dice; a home made needle for taking dope shots; a reefer or cigarette made of marijuana; a jack knife with a four inch blade which opened by pressing a button in the handle. The exhibits were actual articles taken by the special division and hence provided more than the usual amount of interest.

William Wilson was a guest of Richard Morgan.

A fine dinner was served by Mrs. Orlo J. Willoughby assisted by Mrs. T. S. Boyliss, Mrs. Ronald Walter, Mrs. Robert Osgood, Mrs. W. H. Stamp, Miss Phyllis Beardsley and Miss Martha Masters.

The birthdays of the following were recognized at the Methodist Sunday School last Sunday: Carol Klett, Kay Derbyshire, Terry Kelley and Rev. R. M. Atkins.

### Surprise Attraction At Baptist S. School

For the past month, the S. S. Supt. Don Steiner, and his staff of teachers of the Clarkston Baptist Church, have provided a surprise attraction during the S. S. period.

On Sunday, May 27th, Mr. Harry Waggener and his daughter, Cherlie, gave a demonstration with their polo ponies, at the rear of the church. The children, brave enough, were given a ride, much to the enjoyment of all.

Past attractions have been a tape recording of S. S. singing and a 16 mm sound movie "The Flannelgraph" by Mrs. Robert Taylor and a 16mm sound movie "The Toy Soldier". Coming surprises will include a chalk artist, a magician, a marimba and a hymn dramatization by the Y. P. group. Since no announcement will be made in advance, members and friends will want to be in regular attendance, so not to miss any one of these interesting things.

### W. S. C. S. Circles Meet Next Week

The Circles of the Methodist W. S. C. S., will hold their regular meetings on Thursday afternoon, June 7th. The Dorcas will meet at the home of Mrs. Roderick Muma; the Marthas have planned to have a pot-luck picnic luncheon at 12:30 noon, at the home of Mrs. Merle Bennett, 7900 Dixie Highway, with each person furnishing her own table service and a dish of food to pass; the Mary group will have a 12:30 noon co-operative luncheon at the home of Mrs. Harold Bauer, 6111 Middle Lake Road. Those in need of transportation are asked to call Mrs. Edmund Gunter; the Priscillas will have a 12:30 noon pot-luck luncheon at the home of Mrs. Garnet Poulton, 18 N. Holcomb St.

### Junior-Senior Banquet Held

The Junior-Senior banquet, sponsored annually by the Juniors, was held at 7:00 P. M., last Thursday evening in the local school gym.

Guests besides the seniors were the school board members and their wives and the high school faculty.

Everyone appreciated the prompt serving done by several sophomore students. Tables were covered with white crepe paper and purple crepe streamers decorated the sides of each table.

Mr. Wallace Ridgley, school superintendent, gave the invocation. Toastmaster, Fred Groven, introduced the following junior class officers: president, Frank Keelean; vice-president, Dorothy Rembach; secretary, Maxine Sage and treasurer, Carolyn Yoder. The following senior class officers were introduced: president, Patrick Jewell; vice-president, Margie Wilmo; secretary, Beverly Covert and treasurer, Geraldine Lang.

Frank Keelean gave the welcome and Pat Jewell the response. Sylvia Petersen favored the audience with a piano solo.

Sophomores Judy O'Dell and Martha Masters sang "Road of Paradise" and "Beautiful Ohio", accompanied by Mrs. William Watson at the piano.

The senior class will be read by Clark Rouse and Geraldine Lang and the class history was read by Jim Smith and Stephen Huntoon.

Juniors Marie Orr and Mickey Palazzolo read the class prophecy.

The big event of the evening was the presentation of awards by Mr. Ralph (Doc) Thayer, athletic coach, spoke briefly before presenting athletic medals to Clark Rouse and Jim Huttenlocher.

High school principal, Mr. James Quick, presented the student council award to Frank Weyer. The citizenship award was presented to Gail Robertson.

Mr. William Ladd, music director, presented music awards to George Matyila and Robert Rose, both of whom have played in the band for four years.

Speech instructor, Miss Patricia Stites, awarded seniors — Dorothy Ward, Gail Robertson and Jim Huttenlocher; sophomores — Terry Brown and Freshman — Ann Barrows with certificates of merit and forensic keys in recognition of their participation in debates.

The scholarship award was won by Beverly Covert, valedictorian of the 1951 graduating class.

Mr. Ridgley spoke briefly to the group. He stated that "we must expect to be criticized in whatever work we do." "People who don't get criticized aren't doing anything." He told the group that "each of us should have a close friend outside of school to whom we can go for consolation." Mr. Ridgley impressed to the group, that to be happy, you have to find a job which you enjoy doing. "Each of us have abilities of some kind. We should discover those abilities and develop them to their highest standard." "Never let anyone tell us what to do, but listen to advice from others before deciding what occupation to undertake. It is our own lives we have to live and no one can decide what occupation we would enjoy engaging in. In closing Mr. Ridgley expressed his appreciation for the cooperation given by the students; "It has been a pleasure to work with you and I will remember you for many years to come."

Pat Jewell presented Mr. Thayer with a golf bag and Mr. Bonner with a jacket, on behalf of the group, for their appreciation of the time and efforts given to the athletes.

Carolyn Yoder gave the farewell and an evening long to be remembered came to a close.

### Rotary Clubs Dine At Botsford Inn

On Thursday evening of last week the Waterford-Drayton Rotary Club held a Ladies' Night at Botsford Inn. The Clarkston Club and their ladies were invited to attend. It was really a gala night when these two clubs met as one big happy family for a delicious chicken dinner and an evening of entertainment. Distinguished guests were District Governor Fletcher Renton of Royal Oak and Past District Governor Joe Brady and Mrs. Brady of Howell. Erwin Greer, president of the Waterford-Drayton Club, was the toastmaster.

Following the dinner the group went to the dance hall on the second floor where they enjoyed a mock wedding. Rotarian Don Weaver officiated at the amusing ceremony and the wedding party consisted of Mrs. Charles Rockwell, bride; Rotarian Carlos Richardson, bridegroom; Mrs. Ronald Walter, Mrs. William Thomas, Mrs. Don Weaver, Mrs. Don Stackable and Mrs. Herbert VanWelt were bridesmaids. Each lady in the wedding group received a beautiful orchid.

The remainder of the evening was spent dancing to the music furnished by Kirby Milleur's orchestra.

### Merry Mixers Plan Dances

The Merry Mixers Square Dance Club is sponsoring a series of 10 square dances at the Community Activities building, 5640 Williams Lake Road, starting Saturday, June 2nd and running every other Saturday night after that.

The dancing will be from 9 until 1 o'clock with Ralph Haan's orchestra and Gordon Paul's orchestra furnishing the music.

This is the dance club's project contributing to the building program of the community's recreation center, Community Activities, Inc.

### Clarkston Locals

Louis Walter, 3 1/2 year old son of Mr. and Mrs. Manley Walter underwent a tonsilectomy at St. Joseph's Mercy Hospital in Pontiac on Monday. He is recovering nicely.

### Community Activities

**FRIDAY — June 1st**  
8:00 P. M. — Community Party.

**SATURDAY — June 2nd**  
9:00 P. M. — Merry Mixers Square Dance. Open to the public.

1:30 P. M. — Tea sponsored by Book Review group.

**TUESDAY — JUNE 5th**  
12:00 Noon — Rotary Luncheon.

6:30 P. M. — Exchange Club

**WEDNESDAY — June 6th**  
7:30 P. M. — Youth Night

8:00 P. M. — Board of Directors

### NOTICE

The Sunny Beach Property Owners' Association is holding its annual, opening dance on June 2nd, starting at 9:00 P. M., at the Sunny Beach Clubhouse at Walters Lake. The public is invited.

### Clarkston Wins Over Holly 10 - 3

Although there was quite a margin of runs at the end of the game it was very close throughout.

Clarkston jumped into an early lead when Younger singled and got to second on an error. Huttenlocher singled him home. Holly scored one in the third. Bentley doubled and got to third on an error from where he scored on another error. Clarkston scored two in their half of the third. Younger doubled and scored when an error was made on Huttenlocher's grounder. Hutt later scored on a passed ball by the catcher.

In the fourth Holly tied the score at three all. Beebe and Grimlich both scored as a result of one hit, three errors and a passed ball. These were the final runs scored by Holly.

Clarkston did not score in the fourth or fifth and went into the last half of the sixth with score still tied. Jewell struck out. Keelean walked and Sharrock struck out. Younger got his third hit of the day and Huttenlocher walked. This filled the bases with two out. Lambertson came through with a clean single to center scoring two big runs. However this was followed by Thompson's single and Trim's walk. Vincent and Bullen each connected for singles. Altogether seven runs came in and all after two were out.

Lambertson was the winning pitcher. He struck out 10 and walked three. Holly got four hits. Beebe was the losing pitcher. He struck out 8, walked seven, hit a batter and gave up ten hits. Each team committed four errors.

### Clarkston Loses Important Game to Milford 9 - 6

Clarkston needed this game to stay in the running for the Wayne-Oakland League Championship. Milford had hitting, plus some costly Clarkston errors was too much for the local boys to overcome.

Milford started with a vengeance. In the first inning Todd walked. Hitchcock tripled. Foust singled. Willis singled. After all the smoke cleared Milford had three runs. They were still hot in the second when Bielman doubled. Ganzel singled. Todd singled. An infield error was followed by Foust's single. This all totaled up to two more runs.

In the third Clarkston made its only bid to win the game. Sharrock singled. Younger was safe on an error. Huttenlocher walked. Lambertson singled. Hagyard and Trim both walked. By this time two runs had scored and the bases were still loaded. At this point Bullen hit an infield fly and was automatically out. The Milford catcher dropped the ball and believed a force play was in order so he threw to the pitcher who covered home. The Clarkston runner on third also believed he was forced but ran in and crossed the plate without being tagged. As there was no force he was safe. Vincent and Rouse both singled. Altogether Clarkston made six runs and took a one run lead.

Milford came back however and scored two in the fifth and two more in the sixth to sew up the contest. Milford now leads the league by two full games.

Rouse struck out seven and walked seven. Milford however got 12 hits to Clarkston's five. Clarkston made six errors while Milford made four.

The Merry Mixers Square Dance Club held a barn dance last Friday evening, May 25th, 1951 at Hal Brown's in Clarkston. 28 couples danced to calling of guest callers from the Merry Mixers Club. The Merry Mixers are sponsoring a Square Dance June 2, 1951 at 9:00 P. M., at the Community Activities Building in Waterford for the purpose of putting an acoustic ceiling in the Merry Mixers Room.

**RAILCAR'S MILLIONTH MILE.** In ceremonies held in Detroit to commemorate 1,000,000 miles of operation of the diesel-powered railcar operated by the Grand Trunk Western between the city and Fort Huron, Joseph Wilhelm (right), general chairman of the Brotherhood of Locomotive Engineers, assists Donald Gordon, C.M.G., chairman and president of the Canadian National Railways, of which the Grand Trunk Western is a subsidiary, in affixing a plaque presented by 12 railroad labor organizations to mark the performance record of the railcar. This railcar, one of the first of its kind, was built in 1925, and the experience gained through its operation led to the development of the huge, maintenance diesel locomotives which are now in common use on the railroads of both the United States and Canada.

Barbara Jean Tuck of Rochester visited her grandparents, the Henry Mehlsbergs over the weekend.

The Charles Maxwell family spent Sunday in Grand Rapids where they visited their daughter, Pat and Esther Banghart. The girls are students at the Grand Rapids School of Bible and Music.

Mr. L. J. Walter of Miami, Fla., and his daughter Clara, Walter, of Detroit visited E. D. Spooner on Sunday. Mr. Walter is on his way to Cimarron Ranch at Peekskill, N. Y., where he will spend the summer with his son and family.

Mrs. Agnes Flickinger has moved back to Waterford from Berkeley. She is now living in one of the new Schell log cabins just off the Dixie Highway on the lake.

Mr. and Mrs. Carl Hernandez of Los Angeles, California, were guests this last week of the Jack Halls. They were enroute to New York and Nova Scotia on a three months trip. Mrs. Hernandez and Mrs. Hall are first cousins and had not seen each other for 34 years.

Mrs. Thomas J. Peterson of Andersonville Road and Mrs. Joseph Amy of Pontiac were hostesses at a baby shower honoring Mrs. Marilyn Beach of Clayton Street. The event was held Friday evening at the Peterson home with 24 guests present from Detroit, Royal Oak, Pontiac, Walling Lake and Waterford. Little pink bootie mint cups marked the places at the tables from which

the refreshments were served, following games and opening the many gifts.

Mr. and Mrs. Roy Everett (Virginia Hall) returned home Monday from their honeymoon trip to Washington, D. C., and the east.

The students of the township schools will have Wednesday, Memorial Day, off this week. With the exception of the senior class all other students will attend school four days this week.

Tim Amos of Camp McCoy, Wisconsin, spent the week-end at his home. He just missed seeing his brother Ed who had been home last week from Norfolk, Va.

Nancy Elaine Brown and William A. Barron Jr., were married Friday evening at 7 o'clock in the Chapel at the Navy Base in Washington, D. C. Nancy is the daughter of Wallace Brown of Northrup Street and Mr. and Mrs. William A. Barron of Harding St., are the parents of the groom. The young couple will live in Washington.

The last meeting this season of the Book Review Group will be in the form of a tea to be held next Monday afternoon at the Community Activities building. The tea will begin at 1:30 and all ladies in the community are cordially invited.

The Waterford MOMS will hold a picnic on Wednesday, June 13th, at the home of Mrs. Murdo McDonald. Keep this date in mind and plan to attend.

Twenty-three ladies attended the luncheon last Wednesday given by the O. D. O. Club. Following the luncheon the afternoon was spent in games with many prizes going to the lucky ones. Mrs. James Stiles will entertain the club on June 27th.

Mrs. Russell Maybee entertained the Good Will Club last Thursday at her home on Maybee Road. Eight members and three guests were present at the 1 o'clock luncheon. She was assisted by Mrs. Lyman Girst and Mrs. Percy Hunt. The next meeting is to be June 28th at the home of Mrs. Oscar Virgin. Mrs. Harold Wormley and Mrs. George Marshall were guests.

The Men's Beacon Club of the Waterford Community Church met last Saturday night with 19 members present. The pastor, Rev. Wright Van Plew, had charge of the meeting due to the absence of the president, Charles Jehle. Election of officers took place with the following results: Charles Maxwell, president; W. K. Powell, vice-president, and Stephen Phastplace, secretary-treasurer. Wallace Brown, Frank Schultz and W. K. Powell were in charge of the dinner and program.

The Building Fund banks for the Waterford Community Church are due next Sunday.

Mrs. William King left Friday to visit her son-in-law and daughter, Mr. and Mrs. Harold Wormley of Hudson.

EXCHANGE CLUB PRESENTS ITS FIRST TALENT SHOW

The first annual talent show sponsored by the Drayton Plains Exchange Club was held at the township high school Friday evening. Yvonne Mitchell, vocalist, received the first prize of fifty dollars. Yvonne is the daughter of Mr. and Mrs. Lawrence J. Mitchell of 4026 Farmer Street in Drayton Plains. Her accompanist was Mrs. Roy Lamme.

Gary Montgomery, son of Mr. and Mrs. Thomas Montgomery of 695 Cameron in Pontiac, took the second prize of thirty dollars. His father was his accompanist. Gary was a vocalist.

Little six year old Sharon Frick, daughter of Mr. and Mrs. Elmer Frick of Maceday Lake Road, Clarkston, took the twenty dollar third prize with her singing. Mrs. Larmee accompanied Sharon. Fifteen persons took part in the event.

PASTOR AND WIFE FETE YOUTH CONFIRMANTS

The newly confirmed youth of Christ Lutheran Church were guests of the Rev. and Mrs. Arvid E. Anderson Thursday evening for a picnic supper, at the parsonage. The program for the evening included recreation as well as a meeting. Plans were made to organize a junior Luther League with Mr. and Mrs. John Rigg as counselors. Election of officers will be included in the next meeting to be held on June 10th.

The Pastor conducted devotions and a discussion was very interesting.

HIGH SCHOOL STUDENTS PRESENT "OUR TOWN"

The students of the township high school put on an exceptionally fine play, "Our Town" in the high school auditorium Saturday evening. Thirty young people took part as well as their director Alfred Hinckley who made a fine narrator as well as taking one part in the play.

There was humor as well as a serious part in the play which gave the spectators a good deal to think about. The play had a background of over fifty years ago and was very well done without the necessity of prompting as a result of much conscientious rehearsal on the part of the players.

ROTARY CLUB HAS LADIES' NIGHT

Annual Ladies' Night for the Waterford-Drayton Rotary Club was held at Boisford Inn, Farmington, Thursday evening with seventy-five persons attending.

Norman Roth was in charge of the program which followed the delicious dinner. A mock wedding was very amusing and had Mrs. Charles Rockwell as bride, Carlos Richardson the groom, and the ceremony was performed by Donald Weaver.

District Governor Fletcher Renon was present and gave a few

timely remarks. Past district governor Joe Brady was also a guest.

Square dancing and round dancing was enjoyed by many. Plans have been made to have "competitors night" this year instead of the usual "farmers night" inasmuch as there are so few farmers in this vicinity. This event will be on June 11th.

WINNERS NAMED IN ANNUAL SPELLING BEE

The third annual spelling bee in the township school system was held in the past few weeks and was officially concluded on Thursday, May 24th. The winners are Joan McKinnon third grader from the Williams Lake School; Judy Hruska, fourth grader in the Hudson-Covert School; Frances Goff, fifth grader from the Drayton Plains school and Margaret Studebaker, a sixth grader from the Waterford village school.

The winners from the high school were Ruth Willis from the seventh grade; Marilyn Hughes from the eighth grade; Nancy Farmiloe from the ninth grade; Jean Schlunt from the tenth grade; Patricia Garner from the eleventh grade and Jean Campbell from the twelfth grade.

Instead of an oral spell down the children wrote the words with good penmanship being a part of the contest.

POLIO POINTERS GIVEN AT P. T. A. MEETING

Martina Johnson, of the Health department, was the speaker for the last meeting of the Parent-Teachers Association at the village school for this school year held Thursday evening. She warned parents not to allow children to get over tired from play or work or to swim too long or lie around in wet clothing because of the dangers of polio. She told that flies and mosquitoes help to spread the disease. Miss Johnson also recommended a good diet for the summer and said that it was as necessary as in winter and that milk is much better for everyone than the usual summer drinks used.

Mrs. Ina Kent announced that there will be a track meet for the fifth and sixth grades on June first and that there will be a music festival at the high school stadium on June fifth with the 1300 pupils from the township fourth, fifth, and sixth grades. Ada McDonald's room won the parent attendance prize.

HIGH SCHOOL SENIORS HAVE BUSY TIME

This is a big week for the seniors of the Township High School. Early Wednesday morning they left by bus for a hotel at Portage Lake near Marquette for the annual senior outing. This site is very near Lake Michigan.

An interesting program has been arranged which will include recreational and educational periods. Helen Bulla, assistant principal and class sponsor, will be with the group as well as several other teachers. They will return home Sunday.

The annual Senior Prom was held May 19th at the school with four hundred in attendance. The beautiful decorations carried out the theme of "Over the Rainbow". Skip Day was observed last Tuesday. There is no school at all this week for the Seniors.

CHURCH MEN GATHER FOR DINNER-MEETING

Fifteen men of Christ Lutheran Church met at the home of George Carter Friday evening for a steak dinner and business meeting. Leo Erickson led the devotions. A discussion was held with the future

Michigan 4-H Girl to Austria

Miss Kathryn Louise Stencel, 21, Ionia, receives a check from State 4-H Club Leader A. G. Kettunen to cover her expenses to Austria this summer. The oldest of 11 children of Mr. and Mrs. John Stencel, Ionia farmers, will be the Michigan delegate in the 1951 International Farm Youth Exchange program. She will work on a farm with farm families in Austria for three months. Dean Allen, Sparta (left) and Russell Mawby, Grand Rapids, Michigan IFYE delegates in 1950 and 1948, watch the procedure with fond memories of living with German and English families through the program. All three of the young people are students at Michigan State College. Miss Stencel has had eight years of 4-H Club work and has been a junior leader. She will leave in mid-June with 51 other delegates from 28 states. Michigan farm groups and individuals provided funds for her expenses. (MSC Photo)

plans for a Brotherhood in the Church was the main topic. The Church Board of Deacons will be the planning committee for the programs until a Brotherhood is officially organized. Another meeting will be held at the Howard Peterson home on June 14th to which all men of the church are invited.

Springfield News

Mrs. Stanley Furman Correspondent

The Cub Scouts went on a hike last Saturday. They caught a big snapping turtle and had fun lugging the thing back home. When they returned they enjoyed a weenie roast.

Helen Black was in Brown City on Saturday evening where she was bridesmaid at a wedding.

Junior Foster, Bill and Don Carle and Bruce Jarvis left on Monday evening to spend the week in Hico, W. Va. Mr. and Mrs. Charles Carle and daughter, Joyce, left on Tuesday evening to spend a day or two there.

Mrs. Lillian Hutchinson of Davisburg is spending a few days with her son-in-law and daughter, Mr. and Mrs. Stanley Furman and family.

Joe Steele has his pick-up fixed and he is now dragging his garden.

Howard Beckman had seven stitches removed from the cut in his leg last Thursday.

Mr. and Mrs. Tom Furman spent Thursday evening visiting at the home of Mr. and Mrs. Arthur Wallace.

Accidents seemed to be the order of the day last Saturday. Tim Ridgeway ran a nail in his hand while working on a construction job; Mrs. John Snyder was hurrying to get into the car and knocked herself unconscious by hitting her head on the top of the car door; John Snyder was walking alongside of Gritzinger's power mower when a stone flew out at the side of the machine, hitting him on the shin bone and knocking him down.

Raymond Ruggles took a car load of Explorer Scouts to Selridge Field last Saturday. They arrived there about two in the afternoon and had an interesting

time until 7 P. M. They were escorted around the field by the personnel. They visited, the operating tower; they examined many types of planes and then returned to the mess hall for lunch. After lunch they were shown 4 movies on airplanes.  
Glenn Horne is now working full time at his store.  
Fred Gritzinger is kept very busy these days mowing the neighbors' lawns with his new power mower.

## GENERAL ELEMENTARY NEWS

The fifth and sixth grades of the Ford School and the fifth grade of the local school went to the Greenfield Village Museum last Thursday.

Mrs. Orlo Willoughby substituted for Miss Maxine Bachand's third grade class and Miss Ruth Sharpe substituted for Miss Anna Galley's fifth grade class on Friday of last week. Both teachers were enjoying their courtesy day at that time.

## KINDERGARTEN

We are sorry that Judy Geiger is leaving our afternoon class. She moved to Texas Monday.

We learned a new song about the butterfly.

By Anne Goode

In hard water areas, to get clothes really clean, rinse water as well as wash water needs a softening agent. Soap combines with hard water minerals and forms a scum which clings to clothes. Enough soap is carried on the clothes into the rinsing water to form this scum.

Top delicate fruit salads with rich, flavorful dressings, like 3/4 cup real mayonnaise mixed with 1/2 cup French dressing and 1/4 cup crumbled Roquefort or Blue cheese.

Spring cleaning? Then don't forget that one of the chores should include laundering linens which are seldom-used. This prevents yellowing.

Ever savor the lusciousness of spring peas with mushrooms? Have peas cooked as usual. Meanwhile, sauté sliced mushrooms in vitaminized margarine and just before serving stir them into drained peas.

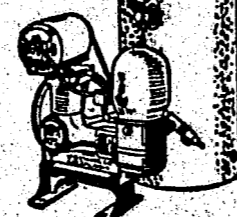

Household cement often leaves an unsightly mess on one's fingers and along the edges of mended cracks. It can be safely and expertly removed with nail polish remover.

## DEMING WATER SYSTEMS

SAVE MONEY

HOME ECONOMICS

PRESENT FASHION SHOW

Fifty-five of the ninety-six girls enrolled in the home economics classes of the local school participated in the fashion show which was presented last Wednesday evening in the school gym.

The different classes had prepared skits as an introduction to their part in the program. The girls modeled clothes they had made in clothing classes and as home projects. The following girls participated: Ruth Berry, Adeline Clark, Shirley Devine, LaVerne Dunlop, Norma Jenks, Grace Jewell, Joyce Jewell, Janie LeVigne, Pat McKim, Carol Mudge, Alice Rembach, Etta Smith, Yvonne Collins, Maxine Wheatly, Carol Willis, Joan Dark, Arlene Gaynor, Joan Hilton, Carolyn Kerton, Virginia Kimmey, Ann Letson, Wilma Miney, Lorraine Rioux, Nancy Thayer, Judy Walker, Sheila Weaver, Barbara Bates, Mary Jane Beardsley, Carol Dennis, Jeanette Frick, Gwen Herald, Dawn Marks, Hazel Robinson, Betty Root, Eva Under-

wood, Gail Wilds, Gerry Lang, Joyce Spooner, Gail Oswald, Arizona Brewer, Barbara Caverly, Jo Ann Chatfield, Elsie Crahston, Betty Eslinger, Della Jennings, Barbara McClelland, Charlotte Milligan, Jackie Momony, Margaret Napierski, Jeanette Norton, Pat O'Mara, Sally Porritt, Lottie Sawyer, Donna Shotts and Beverly Speer.

The girls served refreshments that they had prepared in the afternoon.

Special thanks go to Maxine Wheatly, Ann Letson, Carolyn Kerton, Sheila Weaver, Elsie Cranston and Jeanette Norton for furnishing the flowers and to Erwin Berry, Keith Broddus and Ted Donay who had charge of the stage properties.

Miss Margaret White, the home economics teacher deserves much credit for the time and work she spent to make the program a success.

VACATION TIPS

Are you planning a vacation? Then you should see the Vacation Issue of Michigan Public

FOR THE BEST MODERN & OLD TIME

For All Occasions HAAN'S ORCHESTRA Phone Orlando 3-6287 Large P. A. System

Health, magazine published by the state health department.

The magazine tells you why you should take a vacation, how to plan for vacation fun, and how to take care of your health while vacationing.

A "hay fever map", and suggestions for beach safety and sun safety are included.

It tells you what to look out for when you are renting a cottage or getting your cottage ready for the summer. It has suggestions on selecting a resort, trailer camp or restaurant, and tells how your health is protected when you

travel on common carriers such as trains, boats and planes.

There's an article on eating out of doors by Alice H. Smith, Chief Nutritionist of the Michigan Department of Health, and another from the Michigan Tourist Council on vacationing in Michigan.

You can get a copy of the Vacation Issue or a year's subscription to the magazine by writing to the Michigan Department of Health, Lansing 4, Michigan.

VEGETABLE GARDENS PAY OFF

The chances are that there will be no acute food shortage right away but one never knows what's in store. Even if there is to be no short supply of eatables, a

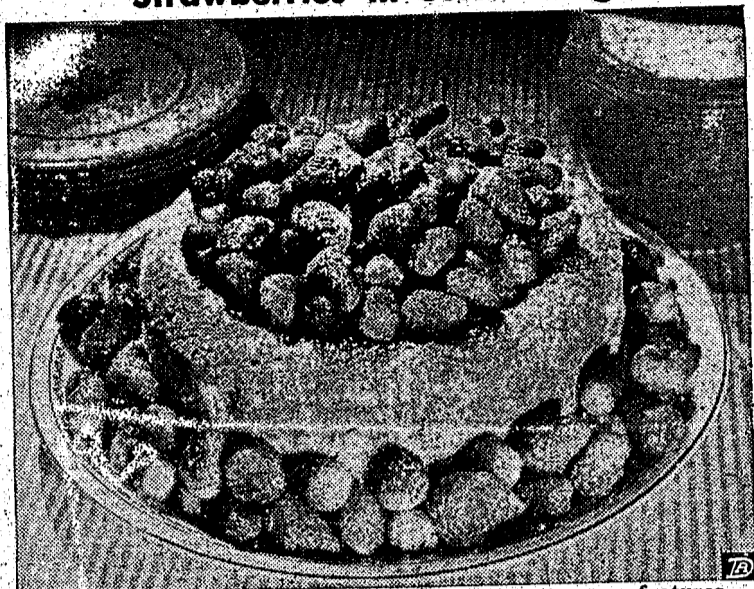

home vegetable garden is desirable from many viewpoints. For instance, where else can you get vegetables fresher than from your own garden? Sweet corn especially is at its best when eaten as soon as possible after picking.

If you come under the classification "sort of overweight", there is only one better exercise than gardening; that is, shaking your head when offered a second helping of food.

Then, there is the savings you make in your food bill on fresh vegetables. This point is questioned by some people, but if properly attended, a vegetable garden saves many dollars.

Remember that vegetables are "heavy feeders" and like soils well supplied with organic matter. Organic matter can be supplied by adding manures, leaves, old hay or compost.

Strawberries in Scone Ring

It's a great day for the family when the dessert course features sugared strawberries heaped high in shortcake scone ring. Pour thick cream over individual servings.

When it's strawberry time, there's nothing like a shortcake to make your family happy.

Buy fluffy unfrosted cake from your baker's to make this national favorite, or make quick biscuit or scone shortcake. A scone dough is handled just like biscuit dough. In the scone, sugar and eggs have been added for extra richness. Today's handsome scone ring is made from a "drop" scone batter. After stirring liquid into flour mixture until flour is moistened, spread batter in 9-inch ring mold. The ring mold provides a pretty shell for the plump, red berries.

If you do not have a ring mold, bake batter in round cake pan, then split and serve shortcake style. Use the scone batter as a shortcake base for other fruits or berries in season.

You'll be pleased with the high nutritional value of shortcake desserts. Enriched flour in biscuit or scone supplies essential B-vitamins and food iron, the eggs, milk and fruit topping other important food values. Use enriched flour in home baking and look for the label "enriched" on all breads you buy at your baker's.

STRAWBERRIES IN SCONE RING

1 1/2 cups sifted enriched flour, 4 1/2 teaspoons baking powder, 1 1/2 teaspoons salt, 4 1/2 teaspoons sugar. Sugar for strawberries.

Sift together flour, baking powder, salt and sugar. Cut or rub in shortening. Beat eggs. Add milk to beaten eggs and add all to flour mixture, stirring only until flour is moistened. Pour batter into greased 9-inch ring mold. Bake in moderately hot oven (400°F.) 20 to 25 minutes. When baked, unmold and fill center with sugared crushed strawberries. Garnish top and sides with whole berries. Makes 1 9-inch ring.

WHAT IS A PHARMACIST?

The function of the pharmacist is distinct and set apart from that of the physician. As pharmacists, we are trained and skilled in the art of compounding and dispensing medicine. We are not qualified to diagnose your ills nor to prescribe the proper medication. Waste and suffering commonly result from experimenting with various forms of self-medication.

Go to your physician first. After a careful examination he will tell you whether or not medicine will help. If he gives you a prescription, bring it to us for expert compounding. You will find our facilities and service adequate to every need.

From where I sit... by Joe Marsh

Just "Can't Get Over" Easy's Fence

Few years ago, Easy Roberts took a lot of kidding when he planted that hedge of Multiflora roses along his property line. Folks said he was getting pretty high-falutin'.

But today plenty of people who laughed at the idea slow down when they drive by Easy's place—just to look at those roses. Most beautiful sight you ever saw.

Practical, too! The hedge is a good four foot high now, and at least five foot thick—even a shoot couldn't get through that prickly mass of shrubbery. Best of all, it

cost less than ordinary fencing. (Might be well worth your while looking into.)

From where I sit, there's no sense in looking down on something just because it's different from what we like. For instance, some people think ice-cold lemonade's the best "cooler-offer" on a hot day. Some of us would rather have a glass of beer. The important thing is not to "hedge ourselves in" against other people's ideas and preferences.

Joe Marsh

PROTECTION

The desire for Protection provides the motive for men joining together in a common cause. It inspired the establishment of our Free Government.

Throughout the ages mankind has been seeking protection—for self, for loved ones, for the right to live as the Creator intended man to live.

The desire for Protection inspired the establishment of the Michigan Milk Producers' Association thirty-five years ago—protection for worried dairy farmers and the public which is so dependent upon them.

Through their organization, members of the M.M.P.A. have built a solid foundation for Michigan's Great Dairy Industry. Sixteen thousand of them working together as a unit provide millions of city dwellers with a constant supply of the most vital of all food products—pure, fresh milk—every day in the year, at an equitable price.

Through their cooperative activity every member also is protected—he knows he has a market for all the milk he produces with prompt payment guaranteed and at the price which the quality of his product justifies.

Such cooperative effort provides the utmost of protection for all concerned—it is in large measure responsible for the month of June being proclaimed throughout the land as DAIRY MONTH in recognition of the dairy industry's great contribution to the health and happiness of all Americans.

That the evils which confront  
mankind to-day are the result of  
mesmeric influences just as they  
were in Bible times is brought  
out in the Lesson-Sermon under  
the topic "Ancient and Modern  
Necromancy, alias Mesmerism and  
Hypnotism, Denounced" to be  
read Sunday, June 3.  
The Golden Text is from Rom-  
ans (16:19, 20): "I would have  
you wise unto that which is good,  
and simple concerning evil. And  
the God of peace shall bruise  
Satan under your feet shortly."  
Among the Bible citations is  
this passage, (Isa. 8:19): "And  
when they shall say unto you,  
Seek unto them that have fam-  
iliar spirits, and unto wizards  
that peep, and that mutter: should  
not a people seek unto their God?  
for the living to the dead?"  
Correlative passages from "Sci-  
ence and Health with Key to the  
Scriptures" by Mary Baker Eddy,  
include: "Animal magnetism has  
no scientific foundation, for God  
governs all that is read, harmo-  
nious, and eternal, and His power  
is neither animal nor human."

**MEMO  
To Mrs.  
Housewife**

**NATIONAL PRESS BUILDING,  
WASHINGTON, D. C.**  
By Anne Goode

May through August is the time  
of year the oyster pulls in his "R"  
sign and hangs up "Breeding. Don't  
touch." And you better not or you'll  
be very sick.

\*\*\*  
If gloves for the bridesmaids or  
spring proms present a problem,  
then look into the possibilities of  
dyeing them to match. All purpose  
dyes not only come in 29 shades but  
chameleon-like they can be mixed  
and combined to make many other  
colors.

\*\*\*  
Strawberries should be washed  
before they're hulled. Otherwise,  
their delicious juices will be wasted.

\*\*\*  
It's time to drag out the brown  
and white spectator shoes for sum-  
mer and while you're at it remem-  
ber to put the ol' shinola on the  
brown part first. Then if any of the  
white drops on it, you can wipe it  
off the waxy base easily.

\*\*\*  
A "don't" for keeping your hus-  
band — never criticize him in the  
presence of others, 'cause nothing  
is more humiliating. Even if he  
says, "He don't" with every bite at  
the Joneses dinner, wait till you're  
alone before you mention it.

**Producers to Hold Open House at New Imlay City Milk Plant**

Exterior of the new main plant of the Michigan Milk Producers Association at Imlay City.

The Michigan Milk Producers  
Association will hold open house  
at its new Imlay City manufac-  
turing plant and receiving station  
on Saturday and Sunday, June 9  
and 10 from 10 A. M. to 4 P. M.,  
each day. Opportunity will be  
afforded to the 10,000 farmer  
members of the organization who  
supply the Detroit milk market as  
well as their friends and the pub-  
lic to inspect the most modern and  
sanitary milk plant in Michigan.  
Building of the new plant, which  
is located on three acres of ground  
at the south end of Imlay City,  
adjoining Highway M53, completes  
the post-war modernization plans  
authorized by the membership.  
Its construction was an extra-  
ordinary feat, for the new struc-  
ture was erected around the old  
frame building, and operations  
were continued on the usual basis  
all during the construction period  
of about 12 months. A large por-  
tion of the work was done by  
association employees under the  
direction of officials of the organi-  
zation.  
Plans for the open house in-  
clude tours of the plant under the  
direction of state and local officials  
of the association who will explain  
the operation of the diversified  
machines and processes. Residents  
of Imlay City are planning decora-  
tions and welcoming festivities.  
Refreshments will be served  
by the Association in the storage  
room of the main building, after  
which visitors will have an oppor-  
tunity of inspecting the adjoining  
recently constructed maintenance  
garage.  
While some of the modern equip-  
ment from the old building has  
been retained, the new plant in-  
cludes in its facilities many new  
machines for performing opera-  
tions never before attempted by

Partial view of the fully equipped laboratory.

the M.M.P.A. Two spray dryers  
with capacity to handle 800,000  
pounds of milk daily and convert  
it into non-fat high quality milk  
powder have been added to the  
former roller process equipment  
which is capable of producing  
75,000 pounds of commercial grade  
milk powder daily. This added  
capacity is deemed ample to  
handle any excess of milk pro-  
duced by members during the  
height of the flush season.  
Other new facilities of the plant  
include three cream pasteurizers,  
four large separators, two vacuum  
pans for condensing milk prepara-  
tory to drying, eight refrigerated  
holding tanks for 40,000 gallons  
of fluid milk, a cold room of  
16,000 cubic feet capacity, power  
lift trucks, six high pressure  
boilers, three ice making machines  
and receiving and shipping run-  
ways within the plant. On the

**Red Cross News**  
 Judge George B. Hartrick, Fund Campaign Chairman for the Red Cross in Oakland County announces that the fund drive results are \$3,000 short of the \$112,575 quota set for the chapter. All persons who were not contacted for contributions or feel that they may give more are urged to send money to the Red Cross office at 53 1/2 W. Huron St., in Pontiac. There will be no more soliciting.

Mrs. Bennett says that the Red Cross urgently needs more funds to provide for servicemen in Korea and to procure blood for military and civil uses and for civil defense work.  
 Dr. Robert W. Kelso of Pleasant Ridge, Oakland County Chapter Red Cross chairman, urges anyone interested in first aid instruction to contact the office as soon as possible. This will enable the Red Cross to schedule instructor-trainer classes which will be available during the summer beginning June 18th. The classes will be set up to meet in the morning and evening.

Home economics, still the best college course for preparing a good for successful family living, also offers today's young woman a variety of challenging and profitable careers.  
 Demand for trained personnel in most of these career fields far exceeds the supply, according to Dean Marie Dye of the Michigan State College School of Home Economics.  
 Four career fields offering many opportunities are shown above. (Upper left) Dietitians probably are needed most urgently. In a national emergency, dietetics becomes an even more important field. (Upper right) Researchers in foods and nutrition are necessary to carry out scientific investigation of what we eat and how it affects us. (Lower left) One of the most exciting, and most difficult, is re-tailing. This job takes a lot of stamina in addition to college training. (Lower right) Dressmaking, fabric testing and clothing are fields which help clothe the nation.

Present world conditions call for high farm production under longtime farm management practices that include grasses and legumes in rotation with other crops.  
 Casters on heavy furniture will cut into all types of smooth surface floor coverings. Michigan State College home economists say that furniture with pointed legs should be placed in wide-bottomed plastic, glass, metal, or rubber "shoes".  
 If you want your wax candles to burn more slowly and last a longer time, try chilling them thoroughly in the refrigerator.

Mrs. Virginia Rise, R. N., of Waterford Township, has just returned from Grand Rapids where she has been for the past week taking training to become an instructor-trainer in home nursing for the Red Cross. Mrs. Rise, along with Mrs. Irl Williams, will be available in Oakland County to train instructors for home nursing classes.

Members of the new Oakland County Red Cross Executive Committee will meet June 6th at the Waldron Hotel at noon.

Mrs. Mark Garlick of Lake Orion, chairman of R. C. Nurses Aides, and vice-chairman Mrs. Ralph Schowalter of Berkeley and Mrs. E. E. Rothman of Birmingham, announce that there are still vacancies in the new nurses' aides class. Interested persons should contact the Red Cross by calling LI 2-6700 or FE 4-3575 for a personal interview. The new class will begin Saturday morning, June 9th, at St. Joseph Mercy hospital in Pontiac.

**4-H Horse Field Day**  
 The annual Southeastern Horse Field Day will be held on June 2nd starting at 10:00 a. m., and running through 4:00 p. m. It will be held at Springbrook Farm which is the first farm west of Northville on Eight mile road.  
 The morning program will be an educational program for 4-H Club members. Harry Moxley and Byron Good, livestock experts from Michigan State College and Nevels Pearson, assistant state 4-H leader will point out characteristics of each breed shown. Professional horse breeders from southeastern Michigan will show different light horse breeds in the halter.  
 The afternoon will see 4-H Club members competing in four classes — western pleasure, work, parade, and English pleasure.  
 Jim Rooker, former 4-H member from Saginaw County, will cut cattle. He will ride a Michigan State College Arabian horse.  
 Don't use the same towels over and over again. Like people, they need rest. If you allow them to dry out thoroughly in the linen closet between laundering and re-use, they'll last longer.  
 If you stir eggs that are to be hard boiled while they are cooking, the yolks will be better centered — making them more attractive for slicing and stuffing.

**The Locker Plant Does It Best**  
**PROCESSING**  
 Cutting, grinding, boning and trimming of meat can best be done by the locker plant which has the equipment, the experienced help, and the "know-how" to do the work economically, and expertly — without waste.  
**WRAPPING**  
 Proper packaging of foods for freezing is all-important. The locker plant uses the correct moisture-vaporproof wrappings and applies them with the latest methods.  
**SHARP-FREEZING**  
 It is essential that foods for storage in a locker or home freezer be quick-frozen at sub-zero temperatures. We have refrigeration equipment capable of freezing huge quantities of foods.  
**ZERO STORAGE**  
 All frozen foods should be kept at a constant zero temperature. The zero service we offer is the cheapest refrigeration in the world . . . a frozen food locker at the cost of a daily newspaper!
