## Tuition Student Policy Announced By Board

A policy of discontinuing the enrollment of tuition students at the Clarkston Community Schools was approved by the Board of Education at a special meeting June 12, 1951. Effective at once tuition students will be enrolled at Clarkston in grades ten, eleven and twelve only. Beginning one year later, grades eleven and twelve only will be admitted. Two years later, tuition students in the twelfth grade will be permitted to graduate, and no other students will be enrolled.

Notice of the board's action is being sent to the neighboring school districts.

Enrollment of students within the Clarkston Community Schools exceeds the available buildings and facilities. To meet this problem new school buildings are being planned, and will be built. The school building program will include the areas annexed to the Clarkston district at this time.

The Bailey Lake district will vote on the annexation proposal on Tuesday evening, June 18th at 8 o'clock at the school building, Springfield District No. 6 will vote on the annexation at their regular meeting on Saturday evening, June 16th, at 8 o'clock at the schoolhouse.

### BULLOCK REUNION

The Bullock family reunion was held on Sun. at the home of Mr. and Mrs. Harry C. Bates, "Sasha-baw Ranch". There were about 50 present to enjoy a pot-luck dinner served on the beautiful lawn. The afternoon was spent visiting and taking pictures.

The occasion honored Mr. and Mrs. Clarence Wetherill of Dayton, Ohio. Mrs. Wetherill had not seen the rest of her family for quite a number of years.

Among the out-of-town guests were Dr. and Mrs. Alex Seelye of Lansing, Mr. and Mrs. LaVern Seelye and family of Detroit, Mr. and Mrs. Dillman Seelye and family of Pontiac, Rev. and Mrs. Mother Bullock and family of Goodrich, Mr. and Mrs. George Reinke and family of Detroit and Mr. and Mrs. Wetherill and family of Dayton, Ohio.

Mr. and Mrs. Charles Alexander of Ortonville, Calif., will arrive in Clarkston this weekend to visit with Mr. and Mrs. Basil Taylor and daughter and other relatives in this area.

The Daily Vacation Bible School starts in the Methodist Church School on Monday, June 25th and will continue through July 7th. Classes in all departments will start at 9:00 A. M. There will be no afternoon classes. Registration will take place on Monday, June 25th.

The following program was given at the Baptist Church on Sunday, childrens day.

Plano and accordion duet by Frederick and Hazel Robinson; vocal duet "It is no secret what God can do", Caroline and Donna Ruggles, accompanied by Laura Ruggles; "Climb, climb up sunshine mountain", sung by Dianne, Beth, and Jimmie Steiner.

## Goyette - Terry Rites Read At The Methodist Church

The altar of the Clarkston Methodist Church was bedecked with palms, white peonies, syringa and candelabra last Saturday evening at eight o'clock when Norma Grace Terry, daughter of Mr. and Mrs. Earl Terry of Clarkston and Corporal Harold A. Goyette, son of Mr. and Mrs. Arthur Goyette of Pontiac, spoke their nup-

MR. and MRS. HAROLD A. GOYETTE

cial vows. The Reverend Robert M. Atkins read the double ring rites. The bride, given in marriage by her father, was gowned in dotted, white organza over taffeta. The gown made by Norma's mother was fashioned with a shirred fitted bodice, a high neckline with lace edging, the

long sleeves edged with lace were pointed at the wrists and the full skirt fell into a cathedral train. Her fingertip veil of illusion was held by a band of lilacs-of-the-valley. Her jewelry was an opal necklace and matching earrings. She carried a white bible topped with white roses centered with an orchid.

HeLEN Dean of Clarkston as maid of honor wore a ballerina length gown of white nylon net over orchid taffeta styled with a strapless bodice and full skirt, and a short cape of the white net made with a mandarin collar.

The gardens to be visited are those of Mrs. Arnold Barrett and Mrs. John Keller. The last garden on the tour will be that of Mrs. Thomas Wilson on Clement Road where tea will be served by Mrs. Wilson. Mrs. L. A. Volberding and Mrs. H. W. Huttenlocher will be assisting hostesses.

MERRY MIXERS SPONSOR SECOND SQUARE DANCE

The Merry Mixers Square Dance Club is sponsoring their second of ten old-time square dances at the Community Activities Building, 5640 Williams Lake Rd., Saturday night. Dancing will be from 9 to 1. The music will be furnished by Ralph Haan's orchestra. The public is invited. All the club members are donating their time and the proceeds go into improvements for the building.

MRS. HAROLD BAUER HOSTESS TO CIRCLE

On Thursday afternoon of last week the Mary Circle of the Methodist W. S. C. S., met at the home of Mrs. Harold Bauer. A pot-luck luncheon was enjoyed at 12:30.

At the meeting following the luncheon Mrs. R. C. Ainsley had charge of the devotions. The following officers were elected: vice president, Mrs. Max Souby; secretary, Mrs. Harold Bauer; treasurer, Mrs. Ward Robbins; flower chairman, Mrs. Lee Clark; devotional chairman, Mrs. R. C. Ainsley. Mrs. Leland Masters and Mrs. Edmund Gunter are co-chairmen of the Circle.

Mrs. Rolfe Smith was welcomed as a new member. Names of secret pals for the new year were drawn. The committee for the June Rotary dinner was named.

The group presented a farewell gift, a crystal snack tray, to Mrs. Wallace Ridgely.

Home for the summer are Miss Ethelyn Smith from Columbia Bible college, Columbia, S. C., and Raymond Garrison from Bob Jones University, Greenville, S. C.

During the past few weeks the bride was feted at several lovely affairs; one of them was a personal shower held on Wednesday evening of last week at the home of Mrs. Stephen Holda in Pontiac when Norma received many beautiful gifts.

## Missionaries Visit Baptist Church

Mr. and Mrs. Vern Franklin, missionaries at large in the United States, were guest speakers at the Baptist church, Wednesday night.

Unlike most evangelists, they hold only one meeting in a church. The remainder of their time is spent in juvenile homes, jails and missions. During the past six months, Mr. and Mrs. Franklin have traveled 10,000 miles and spoken to an estimated 12,000 people, besides the personal work done in institutions. The Spanish speaking people of the south west, Mexicans and Indians of New Mexico, Oklahoma and Arizona, claim most of their time.

The need is great, they said, both material and spiritual. Conditions are unbelievable until one has witnessed them. The amount of money the Indians receive from the Government is not sufficient for their food, leaving nothing for the other requisites of life. Those in Oklahoma are somewhat better off, because oil wells have brought income to some, but those in other states are poverty stricken. They have a desperate need for clothing. The Indian has a religion of his own, making it difficult to reach him with the Gospel of Christ.

"In the mission in Phoenix," Mr. Franklin stated, "One hundred men are fed daily. These fall into three classes: a transitory group of young men, mostly cotton pickers; others who are ill and have sought health in the west, but unable to make a living have drifted into the mission. Then there are the regular 'down and outers' found in any work of this type. This mission is run by a Methodist woman who has given her life to this work."

Unable to speak Spanish himself, Mr. Franklin has devised a unique type of illustrated sermon, that eliminates much of the need for an interpreter. As an illustration of this, he talked for a few minutes on the Christian's Armor. As he stated the various points of warfare as set forth in Ephesians, Chap. 6, he dressed himself in realistic medieval armor.

"Oklahoma," Mr. Franklin said, "offers an opportunity for preaching the Gospel not available in other states. Christian workers and teachers are welcomed in all schools, especially those back in the hills. When a worker comes to the door, books are laid aside and lessons forgotten, while the children listen to the gospel."

Mrs. Franklin sang a song loved by the Indians, "I Know That I've Been Born Again."

They left on Thursday, for Grand Rapids, where they were to speak in the Mel Trotter Mission, one of the most famous missions in the United States.

## STUDENTS PRESENTED

Last Friday evening the piano students of Mrs. Charles S. Matthews were presented in recital at her studio on E. Church Street. Because the young men who have been studying with Mrs. Matthews for some time are now in the service of the country and several of the advanced students were ill the program was a little shorter than usual. However, those who attended were quite pleased with the work of the young artists.

Appearing in the recital were: Lorraine Rioux, Patience Thayer, Laura Ruggles, Joan Hilton, Pat Lowery, Solvej Petersen, Barbara Rockwell, Sharon Glennie, Maxwell sisters and Sylvia Petersen.

Word has been received from Mid-Missions, that Miss Louise Marquelling, missionary to China from the Baptist Church, has arrived safely in Japan to begin work there. Miss Marquelling has been very fortunate in being allowed to leave China, as she was stationed inland. She made a long, perilous journey through enemy territory to reach Hong Kong.

## Rotarians To Have District Assembly

On Monday, June 18, there will be a District Assembly of the 222nd District of Rotary International held at the Township Community Center in Clarkston. The host club will be the Rotary Club of Clarkston.

The meeting will start at 9:00 A. M., when registration will take place. The in-coming presidents and secretaries of the clubs in the district will hear many fine talks and discussions at this assembly. Among those on the program are: Loy Sutherland, first president of the Lake Orion Club; District Governor-elect Lloyd (Slip) Mege of Clarkston; Charles R. Miller, Past District Governor; Rev. Harold R. Sullivan of the Clinton Club; Arthur S. Fitzgerald, Vice President of Rotary International in 1941-42, Past District Governor and Past President of the Windsor Club; Clarence F. Barck, secretary of Mt. Clemens Club; Edgar F. Down, Past District Governor; Victor F. Ulrich, President of Birmingham Club; Fletcher L. Renton, District Governor; D. H. Norton, Chairman of Rotary Information Committee, Detroit Club; Joseph V. Brady, Past District Governor; Ernest H. Chappelle of Ypsilanti Club; and Mark Rose of VanDyke Club.

A luncheon will be served at noon. The Clarkston 4-H Club had its first meeting on Wednesday evening of last week with 12 members present. The following officers were elected: president, Ann Spohn; vice president, Vaun Walton; secretary-treasurer, George Mann.

The next meeting will be held at Independence Township Community Center at 8:00 P. M., on Wednesday, June 20th. After the regular business meeting and discussion a 4-H movie will be shown.

BACCALAUREATE SERVICE  
On Sunday evening a large crowd attended the baccalaureate for the 51 graduates held in the school auditorium.

Adele Thomas presided at the organ and the choir of the Methodist Church led the singing and also sang the anthem "O God Our Help in Ages Past". The Reverend George Halk and the Reverend Robert M. Atkins had charge of the service. Rev. Atkins addressed the seniors on the theme "I'll Take the High Road".

During the morning service at the Baptist Church, the following children were dedicated to the Lord: Pamela, Herbert and Edith, children of Mr. and Mrs. Herbert Beach; and William, Charles and Sandra, children of Mr. and Mrs. Gus Afieldt.

## Local Man Weds In Kansas

A very pretty wedding took place in The Blessed Sacrament Church in Wichita, Kansas on June 2nd when Lorraine Barbara Mersman, daughter of Mr. and Mrs. Chris T. Mersman of Wichita, and Vern C. Schmidt, son of Mr. and Mrs. Carl F. Schmidt of Clarkston exchanged their wedding vows. Reverend T. J. O'Sullivan officiated before an altar banked with fern and gladiol.

Preceding the ceremony Charles Stanley sang "The Lord's Prayer" and "Ave Maria". Ida Whitcomb presided at the organ. During the ceremony Mr. Stanley sang "Because" and "Yours My Heart Alone".

The bride was charming in a ballerina gown of white Spanish lace over satin with a double skirt of fine tulle. Satin piping followed the deep v-shaped waistline and long lace sleeves came to points over the hands. Her headpiece was a small hat of forget-me-nots with a shoulder length veil. She carried a white orchid on a white bible from which fell streamers of forget-me-nots.

Mrs. Elverna Popen of Elgin, Ill., was her sister's attendant. Her ballerina length gown of orchid pink also had a double skirt of fine tulle over taffeta. Her headpiece, made by the bride, matched her dress. She carried a colonial bouquet of yellow carnations.

Assisting the bridegroom as best man was Roy Freeman of Wichita, Kansas. The guests were seated by Virgil Mersman, brother of the bride and Albert Stickney.

For the wedding the bride's mother wore navy blue crepe and Mrs. Schmidt was in flowered crepe. Both wore white gardenia corsages.

The reception was held in the Moose Club in Wichita where a buffet luncheon was served. Mrs. Albert Stickney served the cake and Mrs. James Hagwood was in charge of the guest register.

For traveling the new Mrs. Schmidt wore a lotus green suit with natural tan accessories. The young couple will be at home at 1839 Greenwood Ave., Wichita, Kansas.

Among the out-of-town guests, besides many from Kansas towns, were Mr. and Mrs. Carl Schmidt and daughter Joyce of Clarkston, Michigan.

The bride attended the Garnett school in Kansas and is now employed as a metallurgical technician. Mr. Schmidt attended the Plymouth High School in Plymouth, Michigan, and the Wayne University in Detroit. He is also employed as a metallurgical technician in Wichita.

## LOCALITE HONORED

Last Friday evening Mrs. Basil Taylor entertained at a pink and blue shower at the Rudolf Schwarze home honoring Mrs. Schwarze's sister, Mrs. Rex Fenstermaker.

The group played 50-50 and then presented the honoree with many pretty gifts.

Refreshments were served from a table where a pink and blue color scheme was used. Over the table was suspended a sprinkling can and centering the table was a pretty arrangement of spring garden flowers.

The guests included besides Mrs. Fenstermaker's mother, Mrs. William Hagle and her sister, Mrs. Schwarze, Mrs. William O'Rourke, Mrs. Lee Kelley, Mrs. Lester Howe, Mrs. William Allen, Mrs. Alton Secord, Mrs. Byron Nolan, Mrs. Grace Garter, Mrs. Frank Ronk, Mrs. Roderick Muma, Mrs. Donald Smith, and from Pontiac were Mrs. Malen Ellsworth and Mrs. George Keyser.

## COUNTY COUNCIL TO HOLD WORKSHOP

The Oakland County Council of Parent-Teacher Associations is holding an all day workshop meeting on Wednesday, June 20th at Avon Park, Rochester. Registration is at 10:00 A. M. At 10:30 Mrs. Stewart Schweizer, director of district 1, will talk about "The White House Conference for Children" and will suggest means of incorporating the information in P. T. A. programs.

Luncheon will be pot-luck with each one furnishing their own table service. Coffee and rolls will be furnished by the Council.

The afternoon period will be devoted to conferences for officers and chairmen.

## ANNUAL FIELD DAY

The Southern Michigan Hereford Breeders' Association will hold its annual Field Day starting at 10:00 A. M., on Saturday, June 23rd at Stony Acres Farm, 3 miles east of South Lyons on the Ten Mile Road. This occasion is being held for the benefit of the 4-H boys and girls and the F. F. A.

There will be junior and senior judging, movies and free refreshments. The public is cordially invited to attend.

For further information call Edw. Whipple at MA 5-5566.

## 1951 Graduates Visit Washington

By Evelyn Mae McCrum  
May 30th will be the date long to be remembered by the senior class of 1951.

For the past four years we spent many hours working on class projects to earn the necessary money for a five day trip, and through the co-operation of underclassmen, the faculty and the community we were able to take the anxiously awaited trip.

Forty-seven seniors, accompanied by two advisors, Miss Marguerite Bennett and Mr. William Ladd, left the school at 2:30 P. M. Memorial Day, in buses driven by Frank Green and Bert Willis.

We arrived at Detroit's Michigan Central Depot, where we were met by our guide for the trip, Mr. Marshall, who is a representative of the Baltimore & Ohio Railroad.

At 5:00 P. M. we were aboard the train for a fourteen hour ride to Washington, D. C.

Arriving in Washington at 7:50 A. M., we were divided into two groups and were taken by chartered buses to the New Colonial Hotel — our place of residence while in Washington.

The morning was open for any activity we wished to do.

(to be continued next week)

Folks will be glad to hear that Ira Jones who was stricken with a heart ailment last Saturday morning is gaining a little strength and as the paper goes to press (Wednesday) a consultation is being held as to whether he is in a condition to leave St. Joseph Mercy Hospital and go to the home of his son in Port Huron, where he will be able to rest and not have many visitors. When Mr. Jones was stricken last Saturday morning the doctor called for the resuscitator which is available at the Clarkston Fire Hall. With the aid of the resuscitator it was possible to get him to the hospital where he was put in an oxygen tent. It is believed now that the resuscitator really saved his life.

Minnie Bradshaw  
Death came to Minnie Bradshaw on Wednesday morning at Maple Manor. She was born Sept. 2, 1867, in Tuscola County. For the past five years she has made her home in Clarkston with her niece, Mrs. Norman Davison. She was a member of the First Baptist Church in Pontiac.

Survivors include one sister, Mrs. Grace Bond of Clarkston; one brother, Burr Bradshaw of Cass City; and several nieces and nephews.

The funeral service will be held at the Sharpe Funeral Home on Saturday afternoon at one o'clock. Burial will be in the cemetery at Cass City.

Another step in life for those who strive to fill the places left by those retired, it will take youth, fresh, vibrant and alive to gain the end that man has most desired.

There's work unfinished by the molders of today; Their hands unsteady fail to shape a form, Time won't permit their masterpiece in clay.

Their tools are all outdated, bent and worn. Some flaws were found by critics in models they had labored on with pain, But passing years have robbed them of their power

And there is little more that they can gain.

The call is great for young and steady hands to finish work that we must lay aside, To carry out our crude unfinished plans

And create that which they can view with pride.

To graduates we send a modest prayer That tools and clay with which they have to mold, The love of God will keep in good repair.

When sculptors new fill places left by old.

Last Friday was Senior Class Day at Clarkston High School. Led by the band, the seniors, dressed in their caps and gowns, marched up and down the halls, after which they took designated seats in the gym for the special program attended by the faculty and underclassmen. The band, directed by William Ladd played several selections: James Quick, high school principal, presented letters to the girls who played on the basketball team last winter, and also several honor awards; William Ladd presented letter awards and certificates to senior band members. The senior class will, prophecy and class history were read, after which humorous miniature gifts were presented to the seniors, each being accompanied by a poem. The band climaxed the program with "Washington and Lee Swing" and "Auld Lang Syne".

# POWER- PACKED

**-and then some!**

There are a lot of reasons you can expect a new GMC to keep hauling a lot longer than any other truck you can buy.

First is the fact of horsepower. Whether it's a gasoline-powered 1/2- to 2-tonner with horsepower unbeaten in its class, or one of the new heavy-duty Diesels—you can't beat a GMC for "go"!

But the extra value you find in these great trucks doesn't end at the power plant.

There's the smooth GMC Synchro-Mesh Transmission linked to a sharp-shooting drive line, pouring every ounce of power back to the rugged rear axle.

And the solid way horsepower becomes wheel-action—you know there's extra depth of truck performance engineered right down through a GMC's broad-shouldered frame!

And standing guard over these long-time trucks are husky brakes with more area than most—the surest, easiest steering ever devised to direct a pay load home—all controlled from a spacious "Six-Footer" Cab that's Weatherscaled for a lifetime.

GMC's are made in the widest variety of engine-body-chassis combinations to meet any trucking need. And the prices? No better buy anywhere! Come see for yourself.

"Made to Match the Weather"  
IN THE GREAT LAKES REGION

Yes, the weather makes a difference in the lasting quality of house paint and Luxall is especially formulated for this ever-changing climate. The white lead, zinc oxide, titanium pigment and linseed oil in it are all 100% PURE. Spreads evenly, "hides" readily, is self-cleaning and dries smooth and hard. For both interior or exterior wood, metal, brick, stucco or masonry in 14 attractive colors. Outside White and Sash Black.

### Luxall Trim Colors

Bright, gleaming colors that won't fade even under the most severe conditions of exposure. Spreads on evenly and dries fast to a hard, dust-free, enamelized surface. Excellent for all exterior surfaces, shutters, blinds, trellises, store fronts, garden and beach furniture.

### Luxall One-Coat Flat Wall Finish

It primes! It seals! It covers! All on the first coat. Dries quickly and will not raise the grain of wood. Covers practically any surface; even wallpaper. Can be restored to original freshness simply by washing. Available in 10 beautiful colors.

Map and Plan of Proposed School District Annexation

(Heavy lines indicate present district; light lines denote proposed annexations.)

New school buildings are being planned for the Clarkston Community School District (a Rural Agricultural School District).

The School Building Committee and the Board of Education have endorsed the proposal that neighboring primary school districts be invited to join the Clarkston Community Schools in developing the school buildings and facilities needed by our combined districts.

1. The Clarkston Board of Education favors the building of elementary schools in neighborhood areas where there are enough children to warrant a school.

2. An improved and enlarged high school will be centrally located at Clarkston.

3. The building program is being planned at this time. All school areas will be represented on the Building Committees.

4. Clarkston Community School District has the cash on hand to pay present school debt.

5. Equalized valuation of Clarkston Community School District is \$4,793,063.00.

6. Equalized valuation of the PROPOSED ENLARGED AREA would be \$7,793,109.00.

7. Present operating millage for the entire area would be 8.60 mills.

8. Proposed building program millage is 10.00 mills.

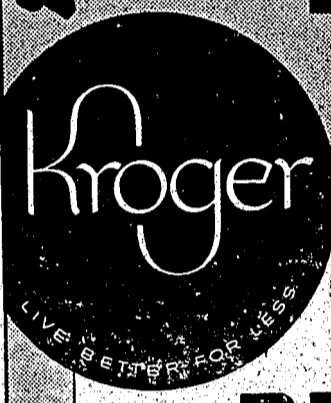

BOARD OF EDUCATION RESOLUTION — JUNE 6, 1951. A motion by Mr. Spooner seconded by Mr. Weber that the policy of the present Clarkston School Board in regard to possible

new annexation areas shall be favorable. That the building of elementary schools in the outlying areas based on population needs and the centralization of high school facilities, adjacent to the Village of Clarkston. The Board of Education also favors the representation of at least 2 members from each of the annexed areas on the Citizens Planning Committee for a school building program.

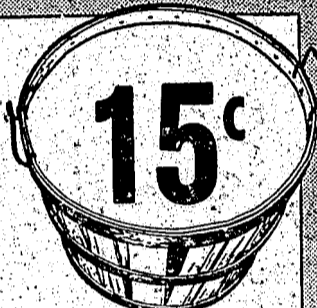

The districts being considered are Fair, Springfield, Andersonville, Sashabaw and Bailey Lake. It is presently planned to get this program under way immediately and it is reasonable to assume that some of these additional school facilities will be ready by the fall of September, 1952.

It is further requested that each of these school districts go through the necessary procedure so that the present Clarkston School Board will know the desires of the various school districts regarding annexation on or before July 9, 1951.

Here's 180 Horsepower... on regular grade gas—Now!

NEW YORKER NEWPORT

It's always interesting to hear about future-looking experiments with new super engines to run on new super-octane fuels...someday.

But it's even more interesting to hear today's real life, on-the-highway talk about Chrysler's new super-performing FirePower engine. FirePower takes any regular grade gas you care to buy... and adds its own

180 HORSEPOWER Here's the new Hemispherical Combustion Chamber that's the heart of Chrysler FirePower. Its new, designed-in "mechanical octanes" make regular grade gas do what best premium grades can't do in any other engine you can drive today!

new mechanical octanes to the power-giving octanes of the gasoline itself. The result is 180 horsepower performance such as no other passenger car built in the U.S. today can equal.

If you haven't driven Chrysler FirePower yet, your Chrysler dealer invites you to do so now. It's the most revolutionary engine in 27 years. It offers highway satisfaction and safety such as you've never known.

And it's a sounder engine other ways than any other on the road. Its new design keeps it almost completely carbon-free. It is smooth and quiet... but also rugged

and strong and free from need for great attention and repair.

Now remember that this same new Chrysler offers you the new Hydraguide power steering\*... plus the amazing new rough-road stability of Oriflow shock absorbers... plus Water-Proof Ignition, and Vacuum-Ease Chrysler Cyclebonded super-brakes... then come see what we mean when we say the car of your tomorrow is right here for you to drive today, and for years to come!

24 HOUR SERVICE

**HAVE YOU HEARD!**  
The good news is travelling fast... more and more thrifty farmers and townpeople of this community are learning the true economy of the Locker Way of Living.

The Locker Way of Living is the age-old practice of home curing, smoking, canning, cold-packing, and preserving brought up to date. By eliminating waste and all unnecessary steps in food distribution, it provides fine food at prices everyone can afford.

It's the economical way of living too... whether you raise your own meat or buy it at wholesale at the locker plant. Government and college authorities show the average family of 4 can save from \$75 to \$150 a year by using lockers! In these days of high living costs, that's important.

Visit our modern plant now and let us tell you more about the good news of the locker way of living.
