CLARKSTON, MICHIGAN, THURSDAY, AUGUST 23, 1951

Are You Ready For Labor Day Parade

The people of this vicinity are looking forward to the Rotary Labor Day Parade to be held in Clarkston at 10:00 o'clock on Labor Day morning. Each year the parade is bigger and better because the folks in the area feel that it is much better to have fun in your own neighborhood than to get into traffic on the crowded highways.

This year the grown-ups are invited to get into costumes and join with the young folks to make the parade more interesting and amusing. Now is a good time to plan your costume.

In the parade will be children with their pets, story-book characters, bicycles, tricycles and wagons, horses and ponies, floats, farm implements. It is hoped that there will be a few clowns and of course all this will be led by the local drum and bugle corps.

Bigger Attractions At State Fair

The Michigan State Fair, according to General Manager James D. Friel, is featuring more free entertainment and educational features this year than at any time since the fair was started 102 years ago. It will be held August 31 through September 9 in Detroit.

Once the family has paid the admission fare this year they can visit scores of special events free of charge. Along with the carnival spirit goes the husband and grocer calling contest, tug of war, hog-calling contest, ax and sawing contest, clowns and parade of gay floats each day.

A watermelon eating contest is new this year. The Old Timers Grove will be the scene of the Sheep Shearing contest, where skill and expert timing will vie for honors and prizes.

Beauty Queens from all parts of the State will be assembled in the Music Shell to pass in review for the judges and the loveliest girl from someplace in Michigan will be crowned queen. There will be free outdoor professional shows daily.

Teen-agers can be entertained by the fireworks that will be a nightly feature, high school bands, baton twirling contests, television shows and movies.

Michigan artists will have their oil and water color paintings on display at the clubhouse. The automotive industry will have an exhibition showing all the glory and luxury of new models, the comforts that the public can expect in modern design.

A cooking school, featuring leading dietitians and demonstrators will hold forth in White Hall on the Fairgrounds each afternoon and evening, with prizes for those that attend the school.

The 1951 Michigan State Fair is offering the public more for admission price this year than since it opened in 1849, 102 years ago.

P. T. A. Board Plans Coming Events

Plans for the coming school year were discussed at the first executive board meeting of the Clarkston P. T. A., held last Wednesday evening in the home of Mrs. Walton Robbins.

The first event of the year will be a reception dinner for the faculty and all employees of the Clarkston Community Schools. The dinner will be held on Thursday, September 13, at 6:30 P. M. in the Clarkston High School auditorium. This will be an excellent opportunity for members of the school district to meet and talk with the faculty.

Open house will follow the dinner. Teachers holding classes in other buildings will be assigned rooms in which to greet those who wish to speak with them.

Because of the limited seating space, only 250 tickets will be sold. Plan to get a ticket early. They may be purchased at Walker's Department Store on Main Street, from Mrs. Sam Miller, Mrs. Robert Osgood and Mrs. Walton Robbins. Tickets will go on sale September 4th.

Mr. Fred Turek, a retiring member of the Cub Scout Advisory Board, was present at the meeting to explain the urgent need for help from men and women interested in the younger scouts.

Four men are needed to fill vacancies on the advisory board. At least four new Den mothers and fathers will be required in September. The Cub Scouts have had a successful two years in the Clarkston Schools. The interest shown by the boys, ages 8 to 11 years, has been outstanding.

It would be a real misfortune to have the activity discontinued in the community for lack of adult leadership.

Everyone interested in working with these boys may call Mr. Turek, MA 5-2082, for further information.

Rotary Club News

The Clarkston Rotary Club, on Monday night, listened to talks by Charles H. Lippincott and Charles Rockwell in which they outlined the history of their lives. This theory of Rotary enables the members not only to know each other but to better understand them and their ideals.

Guests included: Art Johnson, Robert J. Kerr, Bill Bawden, James Vandarsall, Jack Wignall and Emery Beadle of the Waterford-Drayton Club; Joe Roura and Larry Quinn of the Highland Park Club; Rufe Smith of the Pontiac Club; J. Binckin of California and former member of the Ortonville Club and Arno Davis of the Ortonville Club; Garnet Poulton had as his guest Reginald Kelly of Indianwood, Ont., and Al Lee presented his guest, Jack Geunon.

A turkey dinner, bolstered by vegetables in season and corn on the cob, completely satisfied the members, unless they ate too much and suffered afterwards. The dinner committee, all Rotarians, were the husbands of Mrs. Robert Parker, Mrs. Rudy Schwarze, Mrs. Byron Nolan, Mrs. Al Lee and Mrs. Herbert Beach.

NOTICE

The executive board of the Sashabaw School P. T. A., will meet, Thursday, August 30, at 8:00 P. M., at the home of Mrs. Byron Clements, 4840 Clinton Drive.

News From Washington D. C.

This week the House and Senate Conference Committee has been trying to compose the differences between the House and Senate versions of the Defense Housing and Community Facilities and Services Act of 1951. It was hoped that a Conference Report on the bills might be approved by the House before it enters on a series of three-day recesses, lasting over Labor Day.

In its essence, the legislation is designed to provide first of all that private enterprise shall have full opportunity to build housing needed on short notice, in critical defense areas, as determined by the President, where new or enlarged war plants or government installations of a military nature are established.

To provide this opportunity, residential credit restrictions under the Defense Production Act are relaxed, and federal mortgage insurance aids are made available. But if private enterprise fails within ninety days to take advantage of the opportunity, then Federal agencies are authorized to construct permanent housing, and to create and maintain community facilities and services in connection therewith. This housing would be sold after the war emergency.

4-H Club Has Many Winners

The Clarkston 4-H Club was well represented at the Oakland County 4-H Fair held on the fair grounds in Pontiac last week. This is a livestock club and every member had an exhibit. Much praise is due Mrs. Ralph Walton, local leader, who made many trips each day to the fair grounds to see that all was going well with her young people and to give them all the encouragement she could.

The awards received by the Clarkston group were as follows: Ann Spohn — first place in English Yearling filly class with "Milsey heifer"; second place champion ribbon; Barbara Bates — first place, blue ribbon, on her Guernsey heifer "Aventus"; Vaun Walton — first place and grand champion with Hereford "Tami"; Nadyne Gleason — one first and second on her chickens; Alan Walton — second place ribbon with his Guernsey heifer "Bonnie"; George Mann — five firsts and two grand champions on his Cheviot sheep; Lee Perry — second place with his western horse "Dash" and first in working stock horse class; Pat Tiesch — first place in English model class and third champion with her horse "Hickory Stick"; David Miller — third place with his Holstein heifer "Bonny"; Sonny Leon Decker — second place with his chickens.

The club is very proud of their member, Ann Spohn, who won second in the 4-H Queen contest. Although Ann did not have the honor of being Queen she was quite happy to be a member of the Queen's court.

All of the 4-Hers who received blue ribbons are eligible to attend the 4-H State Show at Michigan State College in East Lansing, August 28 to 31, where there will be many wonderful exhibits and many interesting events for the public.

The local club is very grateful to the Bates family for donating the 4-H posters.

Square Dance Saturday Night

An old-time square dance sponsored by the Merry Mixers Square Dance Club will be held at the Community Activities Building, 5660 Williams Lake Rd., (1 mile west of Dixie Highway), Saturday night, dancing from 9 to 1 with Gordon Paul's orchestra furnishing the music. The public is invited.

Guests included: Art Johnson, Robert J. Kerr, Bill Bawden, James Vandarsall, Jack Wignall and Emery Beadle of the Waterford-Drayton Club; Joe Roura and Larry Quinn of the Highland Park Club; Rufe Smith of the Pontiac Club; J. Firemen Answer Pig Call

The local fire fighters are reminded of their duties a few times each week. Last Sunday evening they were called to the Richardson home on Reese Road, where minor damages resulted.

On Tuesday night the department was alerted again when straw in a truck carrying a load of pigs, going north on Main Street, caught fire. The truck stopped in front of the Masonic Temple and the firefighters were called. However before the department arrived on the scene Hugh Cheseaman killed the blaze with a fire extinguisher.

The truck was driven by a woman from Wolverine, Michigan.

On Tuesday evening the officers of Campbell-Richmond Post, No. 63, of American Legion Clarkston, were installed at a joint ceremony in Oxford.

The Grist Mill

by Ed Klein
County Agricultural Agent

Last week the Oakland County 4-H and Agricultural Fair brought to a climax the summer work in 4-H Club work for the past year in Oakland County. To be sure some of the projects and activities carried on for the summer work will be finished later at other events, but the fair is the event that climaxes the year's work.

As we were around the grounds assisting here and there with the activities at the fair, we could not help but notice the wonderful spirit of cooperation of leaders and members of the Extension Service. It leads one to think about the wonders of what can be done in this great country of ours, 4-H Club work typifies America and its opportunity for developing leadership, leaders who give their time and energies and spend considerable amounts of money working to develop youngsters along the direction that means even better leadership, and greater opportunity in the future.

We in Extension work in Oakland County are proud to be associated with an organization and an institution, Michigan State College, who promotes and develops educational programs whose objectives are accomplished through better education and individual development.

Saddle Club Plans Third Annual Show

The Dixie Saddle Club is completing plans for the third annual Horse Show to be held on Sunday, September 9th, starting at 10:00 A. M., at the Glenn Ellis Farm, 9331 Dixie Highway.

There will be 25 events in which some of the best and most popular horses in Michigan will compete. The events will be so varied that the program will be interesting from first to last. There will also be events for juniors so that the young people will have a chance to exhibit their riding skill.

The judges will be Ed Fallon and Jay Cox; Harry J. Booker will be the announcer and George Perry and Ardie Grubaugh will act as ringmasters.

Keep the date in mind and plan to attend.

Clarkston Locals

Miss Ruth Sharpe is attending the Conservation School at Higgins Lake. Her trip is sponsored by the Clarkston Farm and Garden Club.

Mr. and Mrs. Mallory Stickney and daughter, Honor, have returned from a most enjoyable trip. They followed the shore line of Lake Huron, through Ontario to Sault Ste Marie and Manitoulin Islands and along the shore in Michigan. They were in Alpena on Saturday when ambulances arrived with injured from the Greyhound-beer truck accident. They passed the scene of the accident in a very short time after it had occurred.

Waterford

Mr. and Mrs. Clyde Lehman and Mrs. Della Neal are home from their second trip to Florida in the last two months. They visited their daughter and her husband in Norfolk enroute.

Mr. and Mrs. Harry Harrop spent the week-end in Cleveland with their son and daughter-in-law Mr. and Mrs. Lawrence Harrop.

Mr. and Mrs. Bruce Witherpoon and Mary have returned from a vacation trip to Washington, D. C.

Mr. and Mrs. August Jacober who are spending the summer at their cabin at Comins spent a few days last week in Waterford.

Mrs. Jess Berg, Mrs. Floyd Wallace, Mrs. Murdo McDonald, and Mrs. Robert VanMarter, all Waterford MOMS, spent Wednesday visiting Percy Jones Hospital where they took late magazines and books to the disabled veterans.

Mr. and Mrs. Jack McCaffrey left Sunday for a trip to Washington, D. C., and a tour of the eastern states. Upon their return they will live in the Lumbly apartments on Waterford Road.

Philip Van Plew celebrated his 9th birthday on August 16th. He had a birthday party with the usual fun and refreshments and gifts. His grandfather and grandmother Robinson from Chicago presented him with a lovely new bicycle. Mr. and Mrs. Robinson who have been visiting at the Van Plews for some time returned home Monday.

Mr. and Mrs. Lawrence Giddings visited relatives at Barton City over the weekend.

Mrs. Victor Lindquist and Kurt and Mrs. Henri Buck have gone east to meet Mr. Lindquist who has been at Columbia University this summer. They were in James-town over the weekend where Bud and Mary sang at an Uncle's Church on Sunday.

Mrs. Agnes Flickinger will entertain the O. D. C. Club next Wednesday, August 22. A picnic lunch will be held at noon.

About 60 ladies attended the Hard Times Breakfast given by the MOMS last Thursday at the Community House. The proceeds from the affair are used to help them in their good deeds to our disabled veterans and \$95.00 was cleared at the breakfast. This Friday, August 24th, is Tag Day. Buy a tag and help a veteran.

The Men's Beacon Club of the Waterford Community Church will have a picnic supper at the home of Mr. and Mrs. Lawrence Giddings this Saturday beginning at 8:30.

Experiences Told By Missionary to China

Miss Helen Moose of Crookston, Minn., missionary to China was guest speaker at the mid-week service at the Baptist church last Wednesday. Miss Moose was the companion of Louise Marqueling, who is supported by the Baptist Church. Miss Marqueling is now working in Japan.

Miss Moose's topic was "In everything give thanks." In relating the events of their trip down the Yangtzi River from their station in Chengtu, with 200 other missionaries, she said they some times found it difficult to find something for which to be thankful for trials were many.

It was necessary to travel 5th class, so they did not have the conveniences afforded other passengers. At times this was a blessing rather than a hindrance. When they were given the lower deck for their living quarters, they enjoyed the beauty of the scenery not visible to those inside. Although it was winter they were comfortable.

At Chung King, they were met by the police and escorted to the Inn. This was a very small place and the quarters were crowded, but they passed the time telling stories and playing games with the children, who could not go out of doors.

"Rooms in Chinese Inns are very bare," Miss Moose related. "The beds are similar to tables. The bedding is placed on top. The food consisted mostly of rice."

The trip was made in 3 stages, each time on a different ship. Once it was necessary to wait in little boats, bobbing in the middle of the river, for 3 1/2 hours before they were assigned a place on board. When it seemed there would be no room for 6th class passengers, and the ship began to move away, an officer came to tell them there was room in the hold.

Although it was very dark and uncomfortable, they were thankful to be on their way.

The space was small and very crowded. They spread their blankets on the floor side-by-side. During the night water leaked through the ceiling from a faulty pump on the deck above, making it necessary to hang a rubber sheet from the rafters to drain the water into pans.

One day the ship grounded on a sand bar. The passengers were ordered off. It floated free, docking 4 miles down shore.

The missionaries were thankful to reach Hong Kong safely.

Miss Moose showed colored slides of the mission work in China. The pictures of Miss Marqueling were of special interest to the church members.

On Thursday afternoon, Mrs. Herbert Lissner entertained the ladies in honor of Miss Moose. At this time the women learned more of the needs of their missionary.

Miss Moose left on Friday, accompanied by Rev. and Mrs. Halk, to attend the Mid-mission Conference in Hazel Park.

The entire community is cordially invited as well as all horse show contestants.

Bernard Bays will act as clown for the children's amusement, assisted by Mrs. Clair Rasmussen. Lloyd L. Wallace, Regional Commander of Region 6 will act as announcer for all events.

A first aid tent will be operated on the grounds by Registered Nurse, Mrs. Bernice Maun.

Red Cross Starts Home Nursing

The Oakland County Chapter American Red Cross is offering classes in Home Nursing in cooperation with Civil Defense. These classes offered free of charge and may be completed in 14 hours.

Mrs. Paul Henson co-chairman of Home Nursing for the Northern Oakland and Pontiac area says that "the classes may be taught mornings, afternoons or evenings, depending on the wishes of the class, the instructor and the facilities available." Home Care of the Sick teaches how to take care of the sick at home, how to follow the doctor's orders, how to make and use improvised equipment.

"In the emergency those trained will be useful in casualty clearing stations and emergency shelters. One lesson is devoted to atomic nursing," Mrs. Henson says. The Red Cross needs more Home Nursing instructors. At the present time there are only 34 authorized instructors in the entire county. "We will give instructor training free to anyone who meets national requirements, nurses, teachers, those with teaching experience, or community leadership can be authorized."

Lewis C. Jarrendt, Director of Civil Defense in Oakland County is asking each local Civil Defense director to appoint a potential Home Nursing instructor. "The aim is to have a qualified Home Nursing instructor in every Civil Defense division," says Jarrendt.

Those interested in taking the Home Nursing instructor training are asked to call Mrs. Paul L. Henson, 144 State St., Pontiac FE 4-6018 or FE 4-2632, co-chairman of Home Nursing. At 8:00 P. M. on August 30, at the Pontiac YWCA on Franklin Blvd., Mrs. Henson is calling a meeting of currently authorized instructors and those who want the training. Plans will be made to organize classes in September. Coke and coffee will be served following the meeting.

Registry Service for your Wedding Gifts

We take great pride in the announcement of our new Bridal Registry Service. This new customer service is so designed that Brides-to-be may register their preferences in china, glass and silver in our Bridal Registry Book.

By indicating her choices, the Bride will help her friends who want to select wedding gifts that will fit into her new home. It will also help to avoid embarrassing duplications and "white elephant" wedding gifts.

If you are planning to be married soon, stop in and take advantage of the Bridal Registry Service. Or, if you're choosing a wedding gift, ask to see the Bridal Registration Book for the Bride's preferences. There's no obligation, of course.

CARNIVAL AIR PREVAILS AT A & P THIS WEEKEND

A carnival air will prevail this weekend at A & P Food Store new super market at 4724 Dixie Highway in Drayton Plains.

Contests and demonstrations have been arranged for Friday and Saturday shoppers at the attractive store which opened Tuesday to mark A & P's return to Drayton Plains after a 15-year absence.

Several thousand men and women attended a preview showing of the area's most modern super market at an "open-house" party Monday night. Orchids and refreshments including ice cream and lemonade were served.

Shoppers this weekend will have an opportunity to participate in contests for a handsome \$11-jewel wrist watch and 12 baskets containing a varied assortment of famed Ann Page foods.

Ice cream will be given to the first 1500 customers Friday and "small prizes" will go to the first 1100 customers Saturday. Samples of Philip Morris cigarettes also will be distributed Friday.

First-day shoppers at the one-stop food center were particularly enthused with the big self-service

meat department. Meat items are packaged daily in special, low-temperature rooms on the store premises.

Each item is trimmed, weighed and price tagged before being displayed in the latest-type refrigerated meat cases. The new meat department setup saves time for the housewife and enables her to obtain exactly the cut and weight that suits her requirements.

"Installation of self-service meat departments like this one in Drayton Plains is meeting with wide consumer approval," said J. A. O'Donnell, vice president of A & P's Detroit Unit which serves this area. "Customers find the new system afford them a wide selection of top quality meats."

"Incidentally, I should like, at this time, to thank residents of Drayton Plains, Clarkston, Waterford and this entire area for the fine way in which they have received this new store. It is most encouraging. We shall do all we can to merit their patronage."

PROTECT YOUR CHILD AGAINST WHOOPING COUGH

★ World-wide in its distribution, whooping cough is endemic in large cities, becoming epidemic on a large scale every two to four years. The seriousness of pertussis, especially in young children, is evidenced by the mortality rate—about 26 percent in infants less than one year old.

Children should be vaccinated during the first year of life. Do not wait for an epidemic. It takes several weeks after vaccination for the body to produce antibodies. Ask your physician now about protection from whooping cough for your baby.

We carry fresh stocks of vaccine under refrigeration at all times.

FERTILIZER SUPPLY TIGHT FOR 1952
 Michigan farmers are again facing a tight fertilizer situation for the coming year. The supply of superphosphate is short because of the shortage of sulfuric acid. Suggestions for meeting the situation came this week from Michigan State College soil scientists. The first thing to do is to take soil samples and have them tested now ahead of the winter rush.

"HOOT" CLEANS UP AT THE PLATE

Cooking's ELECTRIC in the Evers' kitchen!

"Like my electric range? I love it," says attractive Mrs. Evers. "It's clean, cool and cooks divinely."
 "Now you're on Nancy's favorite subject," puts in Hoot. "And mine... especially when you talk about the deep well cooker."
 "Hoot's always after me to use the deep well cooker. It is wonderful for things like soup, stew and overnight dishes. The heat's so even and perfectly adjustable. Really, I couldn't do without my electric range."

Everyone who's tried electric cooking will agree with Hoot and Nancy Evers. It's incomparable. But find out for yourself. Visit your appliance dealer now.

HOOT'S SOUP SUPREME!
OXTAIL SOUP
 2 oxtails
 6 cups brown stock
 (made with rump soup bones)
 2 links smoked Polish sausage
 1/2 cup turnips
 1 tsp. lemon juice
 1/2 cup onion
 1/2 cup celery (small pieces)
 1/2 tsp. salt
 Few grains cayenne
 1 tsp. Worcestershire sauce

Cut oxtails in small pieces, wash, drain, sprinkle with salt and pepper, dredge with flour, and fry in butter for 10 minutes. Add to stock, simmer in deep well cooker for 2 or 3 hours or until tender. Strain soup. Remove meat from bone and add to soup, add sausage, cut in 2-inch lengths, add to soup; add vegetables and simmer until vegetables are tender. Add seasonings. Serves 8 to 12.

The American Way

The words "Michigan" and "fishing" are practically synonymous at this time of the year. And after a day's fishing, it's the "American Way" to enjoy a glass of cool, refreshing Michigan brewed beer.

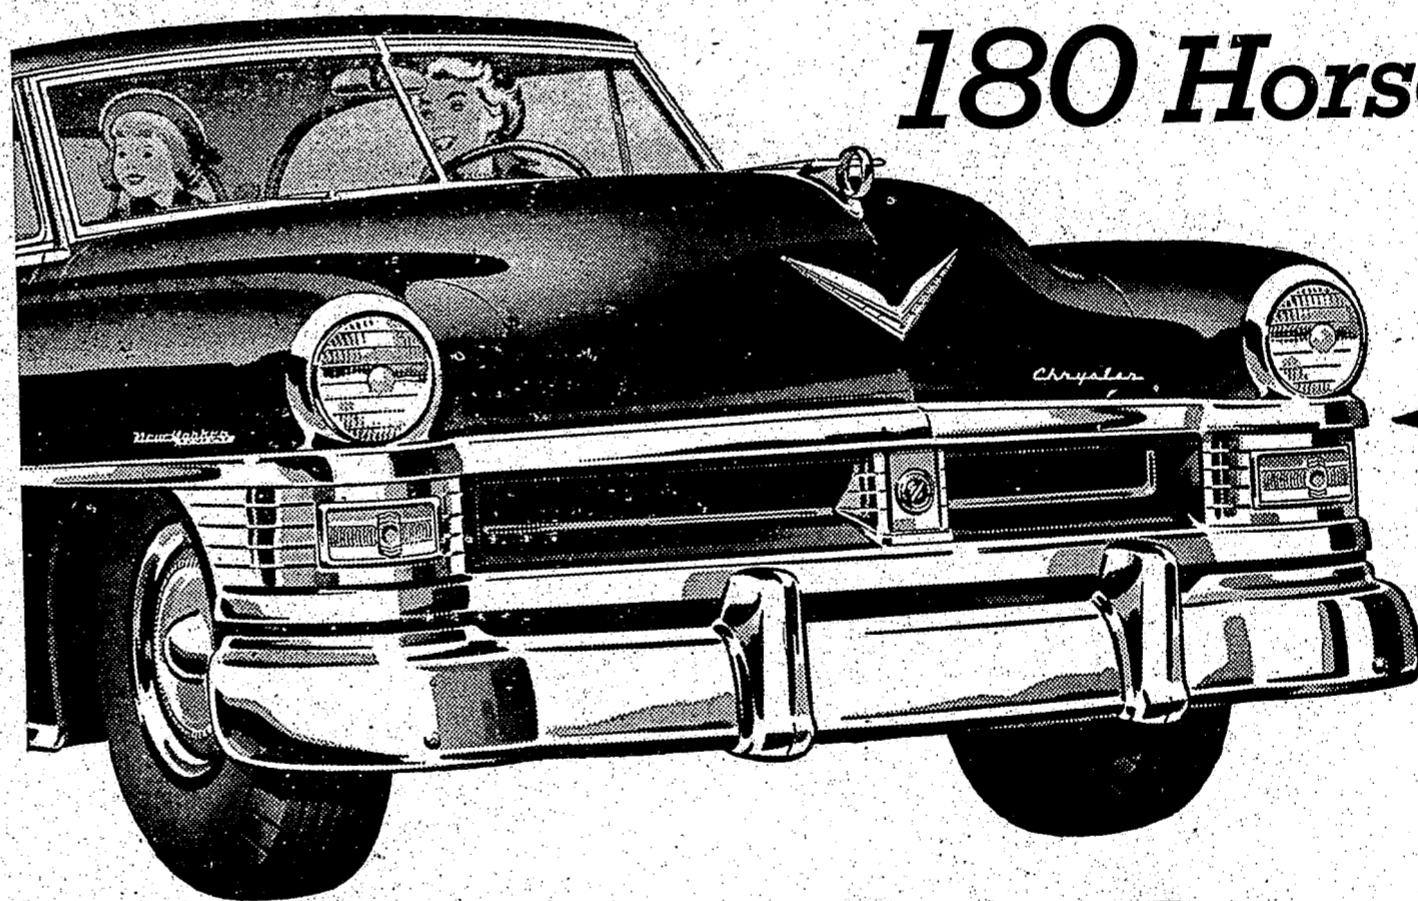

For beer belongs... to pleasant living, to good fellowship, to sensible moderation. And our right to enjoy it, this too, belongs... to our own American heritage of personal freedom. Beer Belongs... Enjoy It

180 Horsepower!

Until you drive it you'll never know what

Chrysler FirePower V-8

does for you!

YOU'VE HEARD THE TALK about Chrysler's revolutionary new V-8 FirePower engine... with its 180 horsepower, its amazing smoothness and acceleration...

NOW COME DRIVE THE REASON for all this excitement. Here is the most revolutionary advance in American motor car engine design in 27 years!

HERE'S 180 HORSEPOWER... a full 20 horsepower more than that of the next most powerful American passenger car engine!

A NEW KIND OF HIGH COMPRESSION... the first Hemispherical Combustion Chamber in an

American car engine actually puts to work more of the energy contained in the fuel than other engines.

HERE'S EXCITING PERFORMANCE... responsiveness, acceleration, smoothness, which no other passenger car engine built in this country can equal today. And you can have it with FirePower even on non-premium grade gasoline.

HERE'S THE SAFETY OF POWER-IN-RESERVE greater than you've ever had at your command - a new high in the instant responsiveness which is the very essence of safety on today's highways!

YOU'LL LIKE CHRYSLER'S POWER BRAKING, TOO... smoother, gentler, swifter stops at any speed than you've ever known. At the touch of your toe, power from the engine helps put on the brakes... reduces foot pressure by as much as two-thirds!

AND HYDRAGUIDE... THE NEW POWER STEERING! It makes driving a car a brand new experience. At your touch on the wheel, hydraulic power provides four-fifths of the steering energy. Even at a standstill, you can turn the wheels with your thumb and one finger! A great safety feature.

COME DRIVE IT... ONLY A RIDE CAN SHOW YOU WHAT ONLY A CHRYSLER GIVES!

News From Washington D. C.

(continued from page one)
It seemed to me that the bill, as passed by the House, provides some safeguards against the ambitions of socialist-bureaucrats in the administration to use the war emergency as a means of further socializing the home-building industry. If the Senate conferees agree to the House version of the bill, and the Senate concurs, the legislation may serve to further

defense mobilization without undue disruption of the nation's economy. I was especially glad that the House acted to limit Federal activities in creating and maintaining community facilities and services to such as customarily are created and maintained by all communities through local government action.

As passed by the Senate, the facilities and services provisions were open-end provisions in effect. By the Senate provisions, the

Federal Government would have the power to take over and operate even such things as banks, filling stations, stores, and other privately owned ventures, even though the Government had not

paid for their establishment. Let me point out, however, that the House bill does provide for Government operation of hospitals, libraries, recreational facilities, and day-care centers, in addition to waterworks, sewers, sewage disposal plants, police and fire protection, hospitals, libraries, and recreation, I believe, should remain firmly in the hands of local governments, even in a war emergency such as we have now.

DAY PLANNED FOR BROILER RAISERS

Plans are under way for the first Michigan Broiler Day scheduled to be held at Michigan State College, September 12. The

program will be of interest to poultrymen of the state, according to Carl G. Card, head of the college department of poultry husbandry.

Speaking on various phases of broiler production will be L. A. Wilhelm, of Purdue University; Max Miller, Detroit, Dwight Ballard, a broiler producer near Lansing, and Edmund S. Talucci of A. K. Zinn and Company, Battle Creek, along with several college staff members.

A broiler project has been conducted at the college for the past few weeks and the broilers will be dressed the week before for a special exhibit. A barbecue will be a feature on the afternoon's schedule.
