ANNUAL ROTARY PARADE MONDAY TO GET UNDER WAY AT 10:00 A. M.

Have you got your costume, your pet, your float, your music or some entry ready for the big Rotary Labor Day Parade? Everyone, young or old, is urged to participate. Have fun and help make fun and the only way you can do this is to take a part.

As in other years the participants will assemble at Miller Road and Main St., at 9:30 A. M., to be ready to start the march at 10 o'clock. Each year the crowd of onlookers increases because folks come from districts nearby to enjoy the parade they have heard about for weeks before Labor Day. This year will be no exception because the home folks would rather enjoy the day in their own backyards than get on the highway in traffic which will be the heaviest in years.

HOUSEHOLD DISCARDS NEEDED FOR HANDICAPPED

An expanded training program for the handicapped, launched by the Goodwill Industries of Detroit last spring, has gotten off to a gratifying start, with about 100 new employees added to the working force in the last six months.

However, heavier contributions of discarded household articles are necessary if Goodwill is to go ahead with the stepped-up rehabilitation program.

In an effort to stimulate such contributions, a Goodwill truck has been scheduled to pick up discards from homes in this community on Friday, September 7th.

"Materials of every kind are badly needed at the present time if the Goodwill departments are to operate at capacity," declared Mrs. Helen Kopka, who directs the collecting of contributed articles for Goodwill.

"Clothing, including hats and shoes, are always particularly welcome, since the reconditioning of garments is one of the major operations of the Goodwill Workshop and accounts for a substantial part of the operating revenue. Furniture also can be used to particular advantage just now so the articles can be reconditioned for the usual fall upsurge of buying in the 'Goodwill Stores'."

Mrs. Kopka has announced that the Clarkston News has consented to serve as a volunteer for Goodwill in Clarkston. Housewives having articles to turn in are urged to telephone MA 5-4321 so that a pickup can be scheduled on the day the Goodwill truck is in this community. The articles will be picked up at the home of each contributor.

The Goodwill program is providing both employment and job training for about 600 handicapped men and women this year. In carrying on its work of mercy, Goodwill declares: "You save the waste, Goodwill will save the man."

Save your waste paper for the Boy Scout Paper Drive on Saturday, September 8th.

ARE YOU INTERESTED IN PHOTOGRAPHY?

Those who are interested in photography will have the opportunity of joining a Camera Club. This project will be in charge of William Terry, supervisor of recreation in Waterford Township.

This club is for beginners as well as those who have had experience in photography. If you are interested call OR 3-9152 for particulars.

The meetings will be held in the Waterford Township Hall. The date of the first meeting will be announced.

School District Votes Sept. 6th

The electors of the Clarkston Community School District will be asked on September 6th to approve a \$375,000 school building bond issue and a ten mill tax rate increase. Two elementary schools, one in the Clarkston area and one in the outlying district, and an addition to the present high school building are being considered. The proposed ten mill tax increase will be sufficient to service the bond issue, retire the assumed debt of the former Sashabaw School District and provide a Building and Site Fund for present and future capital improvements. As a result of extensive studies, both the Clarkston School Board and the Citizens Committee for a School Building program feel that the combination of bonding and pay-as-you-go will afford the district the best and cheapest financing plan possible. It will provide the necessary school rooms to relieve the present overcrowded conditions and place the district in a sound financial position in the future as the need arises for additional improvements.

Women To Hear Mrs. Carol Hehner

The W. S. C. S., or the Clarkston Methodist Church will hold its quarterly meeting at the church on Wednesday, September 5th. A luncheon will be served at 12:30 with the Martha Circle in charge. The regular business meeting will be conducted in the afternoon by the president, Mrs. Agnes Beardsley. The guest speaker will be Mrs. Carol H. Hehner of Owosso.

Bicyclists Return From Europe

Alethea Rose arrived home from a European trip last Saturday morning. There were twelve in the group she travelled with, all bicyclists. They left Detroit, by train on June 19th, going to Montreal, Que., where they boarded ship and sailed to England. They arrived in Southampton on June 29th and spent a glorious week bicycling to places of interest in London, Winchester, Oxford and other places.

From England they went to France where they spent several days visiting places of note. Once in Europe the group decided to see as much of that continent as possible. They pedaled 623 miles and in some places had to travel by rail. They enjoyed tripping around in Belgium, Germany, Luxembourg, Switzerland and Italy.

On August 13th they embarked at Naples, Italy and headed for the U. S. A., arriving in New York on August 25th.

The trip was arranged by the American Youth Hostel. Alethea has been on bicycling trips before and has seen a great part of this country as well as Canada. She says she really thinks that the hostel accommodations in Europe were better than in this country. Sleeping quarters were comfortable with most places having innerspring mattresses. The food was good most of the time. The many experiences they encountered were worth a good deal and the group will long remember their European trip.

LEGION TO HAVE DISTRICT MEETING

The annual meeting of the 17th District, American Legion, Department of Michigan, for the purpose of installing the officers of the district for the year 1951-52, will be held in the new Post Home of the Frank Westland Post, 253, corner of Rochester and Twelve Mile Roads at Royal Oak on Friday, September 7th, at 8:30 P. M. This will be an open meeting and will be held jointly with the Ladies' Auxiliary to the American Legion. The public is invited.

On Monday evening, September 3rd at 8:30 a P. T. A. committee will hold a coffee hour at the school for the members of the faculty and the Board of Education.

An open meeting will be held at the Sashabaw School on Thursday evening, August 30th at 7:30 P. M., and another at the Clarkston High School on Tuesday evening, September 4th, at 7:30 for the purpose of discussing the proposed bonding and tax increase which the electors will be asked to approve on September 6th. All school electors are urged to attend at least one of these scheduled meetings.

Twenty Years In Local Bank

Many times the remark has been made that a boy must get away from his home folks in order to receive deserved recognition and "make good". This remark is not always true, or perhaps some might say that there are exceptions to the rule.

This month Robert L. Jones completed his twentieth year with the Clarkston State Bank. He started in, as a very young man, at the bottom of the ladder and through his initiative, his efficiency and his sincerity he has reached the position of vice-president and cashier.

Two weeks ago Mr. and Mrs. Jones entertained the bank group at a picnic, turkey dinner, buffet style, at their home on Robertson Ct. Following the dinner Guy A. Walter, president of the bank, spoke very highly of the work "Bob" had accomplished and commended him for a job well done. Mr. Walter, in behalf of the bank group, presented Mr. Jones with some very fine luggage.

Mr. Jones expressed his thanks, not only for the gift, but for the co-operation he had received from everyone in connection with the Clarkston State Bank.

Ball Team At Lewiston, Sunday

The Ortonville baseball team, including 4 Clarkston players, Lee Kelley, Howard Altman, Bill O'Rourke and Lyle Walker, is travelling north for the Labor Day weekend. On Saturday they will play a twilight game at Rogers City at 5 P. M.; Sunday, Lewiston at 3 P. M. and on Labor Day they will journey to Cheboygan to play at 3 P. M.

Perhaps some of the Clarkstonites going north for the holiday will be interested in seeing the home-towners play ball.

Horse Show By Dixie Saddle Club

At 10:00 a. m., on Sunday, September 9th, a Horse Show will be held, sponsored by the Dixie Saddle Club, on the grounds of Glenn N. Ellis, 9331 Dixie Highway (U. S. 10), corner Bridge Lake Road, near Clarkston. There will be a small general admission. The general admission entitles a rider to participate in one event; there will be a charge for each additional event.

Twenty-five events are scheduled, of which 4 classes are especially for children, to be held in the forenoon.

Some exhibition events are planned which will appeal to everybody: Shetland Ponies, shown in harness; Glenn Ellis' famous stallions; and a Square Dance on horseback.

English classes as well as Western have their special events; trophies and ribbons are the awards for the winners.

This colorful Horse Show is an ideal outing for the whole family. Come and enjoy yourselves!

OPENING SCHEDULE IS ANNOUNCED FOR COMMUNITY SCHOOL DISTRICT

The Clarkston Community Schools have announced the opening schedule for teachers and pupils and from all appearances the program for next week is a full one.

On Monday evening, September 3rd at 8:30 the P. T. A., with Mrs. Walton Robbins, president, in charge, will welcome the faculty at a coffee hour at the Clarkston School. On Tuesday, September 4th, the faculty will meet and on Wednesday, September 5th the students will enroll at 9 A. M. The book store will be open for the convenience of those students who wish to make purchases.

On Thursday, September 6th there will be an all-day meeting of the faculty and on Friday, September 7th, the school will begin with regular full day sessions.

All elementary children in grades 1 through 6 are to enroll in the school nearest to their home address. In the village of Clarkston the children in grades 1, 2 and 3 are to enroll at the Township Community Building on N. Main St., and grades 4, 5 and 6 at the High School. Grades 7 and 8 residing in Sashabaw district will enroll at the Sashabaw School and all other Junior High and High School students are to enroll at the Clarkston High School. Kindergarten children will enroll at Sashabaw or Clarkston High School, whichever is the closer.

The kindergarten enrollment will be divided into 4 zones. Kindergarten children in zones 1 and 2 will attend school in the morning and zones 3 and 4 in the afternoon. Those kindergarten children that are to be transported in zones 1 and 2 will be home by 12 o'clock noon and those transported in zones 3 and 4 will be picked up beginning at 12:30.

The following schools, Andersonville, Bailey Lake, Clarkston Station, Clarkston Community Building, Hunter, Springfield and Sashabaw, have been renovated and will be put in operation due to the recent annexation and the expected enrollment of approximately 1370 children.

The school district has purchased two additional school buses to expedite the transportation of school children. However, because of present demands on production facilities these buses will not be available for use until some time in October.

There will be changes in the transportation schedules and the probable school that your child will attend after school convenes. These changes will be necessary because of the large enrollment and for the purpose of facilitating the total educational program.

Plans are being formulated relative to the voting on the construction of new buildings. The voting will take place on September 6th.

The following teachers are new members on the Clarkston faculty: Harriett Anderson, Woodrow Barrie, Wanda Bicz, Robert Borsum, Marjorie Croft, Helen Donnelly, Bertha Godfrey, Dolores Gauthier, Hilda Hedden, William Janton, Robert Klingman, Glenn Karsenboom, John Landon, Ina Landon, Mary Anne Lockhart, Faith Mann, Joanne Meyers, Barbara Moen, Richard Paramater and Ruth Sproul.

Library Board Elects Officers

The Elementary School Library Board met at the school on Monday evening. Mrs. Mary Shanks, chairman, conducted the meeting.

Election of officers took place with Mrs. Jack Murton being made chairman to replace Mrs. Shanks who is retiring from the board; Mrs. Thomas H. Wilson was named secretary, replacing Mrs. H. W. Huttenlocher who also retired; Mrs. William Johnston was re-elected treasurer. Mrs. Floyd Hammond will remain as head librarian.

Other members of the board are Mrs. Walter Barrows, Miss Ruth Sharpe, elementary school principal, Leslie Greene, school superintendent and Mrs. Walton Robbins, P. T. A. president.

OXFORD GARDEN CLUB TO HAVE ANNUAL SHOW

The Oxford Garden Club will hold its 17th, Flower Show on Saturday and Sunday, September 8th and 9th, in the High School Auditorium. This show attracts hundreds of visitors from Oakland County and other southeastern Michigan areas. Displays of vegetables and fruit, as well as flowers are shown.

Drive to Oxford and attend this show which is open from 3:00 P. M. to 10:00 P. M. on Saturday and 12:00 noon to 9:00 P. M. on Sunday. Entries and admission free.

FARM MEETING HERE TONIGHT

At a meeting tonight at 8 o'clock in the Independence Township Hall the farmers in this area will hear about farm programs available in the county. Representatives will be present from the Oakland County Agricultural Extension Service, Oakland County Soil Conservation Service and the county offices of the Production Marketing Administration and Farm Credit Corporation.

All farmers are invited to attend the meeting.

The Mary Circle of the W. S. C. S., will sponsor an Apron and Baked Goods Sale at the Township Hall in Clarkston on Saturday, September 8th, starting at 10:00 A. M.

By The Way . . .

Monday, at 10:00 a. m. the Annual Rotary Parade will start from Miller Road and will follow along Main Street to the center of town as usual. Join in the parade and have some fun. At least attend. . . The prettiest flower garden I have seen in some time is in the rear of the Tom Boyns' home on Holcomb Street. We admit not knowing our flowers but the bed seems about four feet deep and at least 40 feet long and is just one mass of beauty. . . Congratulations are due Robert L. Jones who is finishing twenty years with the Clarkston State Bank. We join his many friends in wishing him many more years at this job he is doing so well. . . Starting next week The News sails into its 23rd year of continuous publication. It is said self praise is of not much value and we agree. However the Michigan Press Association quietly made a survey and found out that the Clarkston News had increased its circulation 56% in the last ten years. Our comment on this is that sales do not increase unless the product is pleasing to the purchaser. Some of our subscribers at the present time were among those who subscribed to the charter list to give a paper to Drayton Plains, Waterford and Clarkston. You will notice that we do not say anything about completing anything — the reason being that we said that once before and a friend was surprised to find us still here because we used the word complete.

He was sure we had left town. . . Congratulations are due Lloyd Sibley who has been promoted to top position under the Oakland County Treasurer. . . Incidentally the bowling season is just around the corner and as usual The News will carry the bowling scores of interest. . . The Dixie Saddle Club is completing plans for its annual show to be held Sunday, September 9th. The promotion, as usual, has been under the direction of Brahm Hemming. In doing the printing of necessary items, we have had the pleasure of serving this top-flyte advertising agency executive located in Detroit but living near Davisburg and who is getting a world of fun handling this promotion for the pleasure of it. . . An explanation of relativity: "I might put it this way. If you sat on a hot stove for an minute, it would seem like an hour. But if a beautiful girl sat on your lap for an hour, it would seem only a minute. That, in brief, is relativity." And the disgusting answer is from such nonsense a man like Einstein, makes a living.

Marriage Vows Spoken In Pontiac Last Saturday

MRS. KENNETH HEMPSTEAD

A rose arbor and an embankment of ferns, palms, larkspur and delphiniums and several candelabra formed a beautiful background in the First Baptist Church in Pontiac last Saturday evening at eight o'clock when Beverly Jean McLario, daughter of Mr. and Mrs. Daniel McLario of Detroit, spoke her marriage vows to Kenneth H. Hempstead, son of Mr. and Mrs. Kenneth G. Hempstead of Clarkston. Dr. Henry H. Savage read the double ring rites before about four hundred guests.

The bride given in marriage by her father was petite in a gown of white nylon tulle and imported Chantilly lace with a full skirt adorned with scattered rhinestones. Her fingertip veil of imported illusion was caught under a small tiara. A cascade of Stephanotis, lily of the valley, fleur d'amour, white roses and a white orchid formed the bridal bouquet.

Mrs. Jot Kimsey of Chattanooga, Tenn., was her sister's matron of honor and Juliana Brown, cousin of the bride, Ruth Frevette and Mrs. Roy Anderson were bridesmaids. The attendants wore pastel shades of organza with white overskirts and picture hats trimmed with garlores to match their cascade bouquets.

Jot Kimsey assisted Mr. Hempstead as best man and seating the guests were Daniel E. McLario, Robert Johnson, Owen McGill and Roy Anderson. Other ushers were Frederick Hunt and Harold Smith.

Karen Johnson of Pontiac, cousin of the bridegroom, was a sweet, little flower girl. Her attire duplicated that of the bride and she carried a nosegay, a replica of the bride's bouquet.

Robert Gidley of Pontiac, cousin of the bride, carried the rings on a pretty, white satin pillow. He wore a summer tuxedo, the same as the bridegroom.

Vocalist for the wedding was Nancy Prevette of Pontiac. Her numbers included Greg's "I Love Thee"; "At Dawning" by Cadman and "I Love You So" by Hutchens.

Mrs. McLario, mother of the bride and organist for the occasion, chose a gown of toast-colored lace and Mrs. Hempstead wore aqua chiffon. They both wore orchid corsages.

Immediately following the ceremony a reception was held in the church parlors. The reception table was covered with a white linen cloth and was centered with a five tiered wedding cake topped with a miniature bride and groom. Plates of bell-shaped cookies with silver icing graced the table and at each end of the table was an epergne holding white and pink flowers and white candles.

Assisting with the refreshments were Mrs. Louis Britenstein of Bay City, cousin of the bridegroom; Frances McLario of Detroit, sister of the bride; Gertrude Shelton, Clara Cook, Colleen Beck, and Joyce Barnett, all of Pontiac and Lorraine Barnett of Williams Lake. June Campbell of Pontiac registered the guests. All of the girls wore pastel colored gowns.

Soft recorded music was played during the reception and in charge of Bonnie Curry and Jimmy Brown, cousin of the bride, and both of Pontiac.

Ralph Pardee, who with his wife is in charge of the youth

Prospective Bride Being Feted

On Wednesday evening of last week Mrs. Elmer Pettengill and Mrs. Wayne Longair entertained at a miscellaneous shower at the Pettengill home honoring Joan Johnston who will become the bride of PFC Roy C. Johnson on September 15th.

Twenty-one guests, enjoyed the evening making a scrap book entitled "When Joanie Drops Her 'T'". When completed the book was not only amusing but very interesting and will be put among Joan's treasures. The group then presented their honored guest with many lovely gifts.

At the close of a delightful evening refreshments were served. A large cake decorated with wedding bells graced the table. Mrs. William Johnston, mother of the honoree, presided at the silver service and Mrs. Howard Johnson, mother of the prospective bridegroom, cut and served the cake.

On Monday evening Miss Phyllis Beardsley and Mrs. Orlo Wilmoughy honored Joan at a linen shower at the Beardsley home on E. Church St.

During the evening the group had a good time playing an appropriate game of skill with Mrs. Arthur Keeley winning the first prize and Mrs. Ada Mills receiving the booby prize. Bingo was also part of the diversion for the evening. All of the prizes were presented to the honoree.

The main feature of the evening was the presenting of the many lovely gifts to Joan. This was followed by the serving of dainty refreshments.

Among the guests were: Mrs. William Johnston, Mrs. Howard Johnson, Mrs. Charles Cross, Miss Velma Cross, Mrs. Edmund Gunter, Mrs. Ann Althouse, Mrs. Wald Dean, Mrs. Clark Souley, Mrs. Ada Mills, Mrs. Joim Alander, Miss Ada Scraze, Mrs. Arthur Keeley, Mrs. Herbert Souley, Mrs. D. B. Mortimore, Mrs. Ray Clark, Mrs. Edward Lee Porritt and Mrs. Agnes Beardsley.

The September meeting of the Clarkston Farm and Garden Club will be held at the home of Mrs. Arnold Barrett on Monday, September 10th. Mrs. Arthur Rose will be co-hostess. Miss Ruth Sharpe who attended the Conservation School at Higgins Lake will give a report on the week's work.

work at the First Baptist Church in Pontiac, offered a prayer just before the refreshments were served.

Entertaining at the reception were Mr. and Mrs. John McLario of Milwaukee, Wisconsin, cousins of the bride. Mrs. McLario played a beautiful, piano selection and Mr. McLario presented a short, amusing skit on the troubles of a newly married man making his first grocery shopping trip.

When the young couple left for a three-weeks tour of the west the new Mrs. Hempstead was wearing a navy crepe suit with velvet trim, white accessories and the orchid from her bridal bouquet.

Out-of-town guests were from Chattanooga, Tenn.; Milwaukee, Wisconsin; Chicago, Illinois and northern Michigan.

The groom is a graduate of the Clarkston High School and Wayne University where he will attend law school this fall. The bride also attended Wayne University.

Reception At School Thursday, Sept. 13

Members of the Clarkston P. T. A., are rapidly completing arrangements for the reception dinner to introduce all the employees of the Clarkston Community Schools. The dinner and open house will be held in the Clarkston High School auditorium on Thursday, September 13 at 6:30 P. M.

Among those taking part in the informal program will be Keith Leak, president of the Board of Education; Leslie Greene, superintendent of schools; Robert Klingman, principal of the high school; Miss Ruth Sharpe, principal of the Clarkston elementary schools; and Woodrow Barrie, principal of the Sashabaw elementary school. Rev. George Halk, pastor of the Clarkston Baptist church, and Rev. Robert M. Atkins, pastor of the Clarkston Methodist church, will also participate in the program.

Committees for the dinner include: Mrs. Walton Robbins, general chairman; Mrs. Robert Osgood, menu; Mrs. Michael Hart, program; Mrs. Sam Miller, tickets and publicity; Mrs. Ronald Weber, Mrs. Raymond Ruggles, Mrs. Harold Bauer, Mrs. Lawrence Wellman and Mrs. James Glennie, invitations and escorts; Mrs. Richard Snover, Mrs. William Powell and Mrs. Roland Allen, tables and decorations; Mrs. L. V. Cushman, corsages and buttonholes. Mrs. James Moore will be in charge of the dining room.

Tickets will go on sale September 4 at Walter's Department Store on Main Street in Clarkston.

The Deer Lake Farm Pre-school at 7900 Dixie Highway, starts its third year next Tuesday, September 4. A kindergarten program is being included this year for the first time. Mrs. Arthur Rose Jr., is the school's director and teacher and Miss Alethea Rose is her assistant.

A Better Way

We think of peace, with war talk in our midst. We pray for good as deeds take on a twist. Unlike the things that we have seen before, Demands and pressures hover near our door.

We look abroad with hope held in each heart. Each one we feel would gladly play his part. If he could know there'd ever be an end To bickerings with enemy and friend.

We listen to each word that's being said. We recognize the peril wrapped in red. And then both hate and fear creep in the soul To make our living bitter, sad and cold.

We see great preparations being made To harness all our factories and trade. To fight a war with force and deadly speed, If ever comes the day for such a need.

We gird ourselves impatiently and wait For bombs to drop upon a world of hate. Suspicion reigns supreme across the lands As men of greed draw out their bloody plans.

Twice in our lives we've seen such fighting done, Two bloody wars that no one really won. Men and science took things in their hands Excluding God from all their earthly plans.

Perhaps the time is closely drawing nigh. When we should give another thought a try. Perhaps for some there'll be a brighter day When God and love will find a better way.

Hazel Nut Design

It should be of interest to all of you and information that can be passed on to your customers that the Museum of Modern Art in New York has selected our Hazelnut pattern as a part of a Home Furnishings Show that will be exhibited all over Europe and then throughout the United States. The information that has come to us is to the effect that this was the only domestic pattern which, in the opinion of the judges, was truly representative of modern art sufficiently to be included.

It is also the first time that an American dinnerware pattern has been sent to Europe for such a display.

**THE HEART OF THE
DRUG STORE**

★ Rooted deep in the recesses of time is the modern drug store. Through 4,000 years of recorded history the dispenser of drugs has stood high in the esteem of the community. As the sciences of medicine and merchandising have advanced, the outward form of the ancient apothecary shop has changed. But service to the sick is still the very heart of our business. Our complete stock of pharmaceuticals is the best that the markets of the world afford. When illness strikes and your doctor prescribes, we will consider it a privilege to serve you.

**Science invades the silo

Michigan weather, especially in the upper peninsula, hinders the making of good quality field-cured hay. Tests conducted by Michigan State College's Agricultural Experiment Station measured the range of feeding values possible in hays put up at different periods during the haying season, using three curing methods: early hay crop silage, mid-season barn-dried hay and late field-cured hay. Michigan farmers who find it difficult to cure hay in the field will be interested to learn that more milk was produced on hay crop silage than on either field-cured or barn-dried hay. Further information on curing and storing forage is available by calling, writing or visiting your County Agricultural Agent.

You can tell by the teller

You may not have noticed them all, but there are twelve different operations the teller in the telephone Business Office performs in receiving your money and receipting your bill for service. From the arrangement of her "tools" to the filing of your stub, every step of this seemingly simple transaction is planned with efficiency and courtesy in mind. This is another example of how Michigan Bell tries to provide its customers with good service at low cost.

Clarkston School Building Program

1. Why Build new Buildings? Present building, including rural schools will not house all of the increasing enrollment.
2. What is capacity of present school? 514 total capacity.
3. What is the elementary enrollment now? 887.
4. What will be the Elementary Enrollment by 1956? 985.
5. What is present High School enrollment? 481.
6. What will be the High School enrollment by 1956? 544.
7. How many rooms are available now, including rural schools? 38.
8. How many rooms are necessary to adequately house the students? 57.
9. What type rooms will they be? (1) the equivalent of two K-6 units (2) an addition on present High School.
10. Why Vote for a bond issue? (1) the money necessary for needed building cannot be raised by pay as you go. (2) You will seriously and permanently handicap your child if buildings are not begun immediately.
11. Why vote for a pay as you go? The committee and the School Board wish to make the total overall cost as small as possible. A pay as you go combined with a bond issue will reduce the cost to you.
12. Why the 1 mill debt tax? We received the Sashabaw School by annexation. There remains a small debt on the new building. It belongs to the total district now and it is our obligation to pay off the small balance.
13. Why build schools outside of Clarkston village? (1) It reduces transportation costs. (2) It puts the school closer to the children. (3) It reduces the hazards of crossing main trunklines.
14. Where will the two elementary schools be built? (1) One on the acquired site in Clarkston. (2) one probably west of the Dixie.

Mary had a little Lamb,
 And as they went to school;
 They walked to the **LEFT**—
 Instead of the right,
 For that's the **SAFETY RULE**.

Even Mary's lamb can learn that easy safety rule! Best rule of all—for school children and everyone else—is: *Don't* walk on the highway. But if you must, then walk to the left, facing oncoming cars. Your chances of avoiding accident are three times better when you observe this rule.

Use special care at night and when roads are slippery. Even at moderate driving speeds, motorists often can't see pedestrians in time to stop. At 40 miles an hour, a safe stopping distance may be as much as 164 feet—much more at higher speeds.

When you walk on the highway, your life is your lookout. So—look out!

A Good Job Well Done

After half a century of work and planning, every farm in the area served by Edison has dependable, low-cost electric service available.

In addition, Edison is always seeking new ways of serving its farm customers: through research and engineering, teamwork with Michigan State College, County Agricultural Agents, community development groups and farm youth organizations.

Throughout the state and nation, investor-owned companies like Edison are providing farm families with the same type of dependable electric service to help them maintain their splendid food production record. There is no need for the federal government to spend your tax money to build more government-owned power projects or to enlarge present ones. It's a good job—well done.

 That Christ Jesus came in fulfillment of prophecy is clearly brought out in the Lesson-Sermon to be read in all Christian Science churches on Sunday, September 2.

The Golden Text is from John (8:19): "The Son can do nothing of himself, but what he seeth the Father do."
 Among the Bible citations is this passage, (Jer. 23:5): "Behold, the days come, saith the Lord, that I will raise unto David a righteous Branch, and a King shall reign and prosper, and shall execute judgment and justice in the earth."
 Correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include: "The advent of Jesus of Nazareth marked the first century of the Christian era, but the Christ is without beginning of years or end of days." (P. 333)

SAVE UP TO 30% ON FOOD BILLS
 with the Amazing New **2-in-1 Coolerator FREEZ-R-ATOR**

Delicious foods for 1000 meals — always right at your finger tips — all bought at bargain prices. That's the actual experience of families who own the amazing new Coolerator Freez-R-ators. They save up to 30% on food bills because they buy for months ahead when prices are lowest. They shop once a month and save hundreds of hours every year. They bake when they feel like it and store cakes, pies and other good things for months ahead.
 The big Coolerator Freez-R-ator not only stores nearly 600 lbs. of frozen food, but it also gives you a second or extra refrigerator. Only the Coolerator Freez-R-ator stores large quantities of both fresh and frozen foods in a single cabinet. See a demonstration at our store today.

IT'S A BIG "FAMILY-SIZE" FREEZER
 That safely stores nearly 600 pounds of frozen food. Instantly adjustable to quick freeze at 10 degrees below zero or to economically store at zero. Hermetically sealed unit never requires oiling. Operates for a few cents a day. Dependability backed by 5-Year Warranty on mechanism. Contents of Freezer Section protected by 5-Year, \$200 Food Protection Plan.

PLUS AN EXTRA BUILT-IN REFRIGERATOR
 Which provides ideal temperature and humidity for storing large quantities of fresh fruits and vegetables till you're ready to freeze or serve them. Chills a whole case of beverages at one time — provides ample space for a big watermelon or a turkey — ideal for left-overs. Also defrosts frozen foods under controlled temperature to save the flavor. Supplements your regular refrigerator in many ways.

Your Old Appliance May Make The Down Payment.

Lloyd C. Megee left on Wednesday morning for Mackinac Island where he will attend the 53rd Annual Michigan Municipal League Convention. Because Mr. Megee who is a trustee, is a member of the Nominations Committee it was imperative that he be at the Grand Hotel in time for the Board of Trustees meeting on Wednesday night. He will also serve as chairman of the panel session on Friday afternoon for

the officials of the small municipalities on the general subject of "How Would You Do It?" The annual banquet will be held on Friday night with John Coleman, president of the Burroughs Adding Machine Company delivering the address. The trustees wives will be honored guests at the banquet. Mrs. Megee and her mother, Mrs. Lida Weigel, accompanied Mr. Megee to the island.

Born to Mr. and Mrs. Robert A. VanDeusen of Boulder, Colo., a 7 lb 12 oz son, Robert A. Jr., on Monday, August 20th. Mrs. VanDeusen is the former Charlotte Sue Miller. They have a two year old daughter, Sarah Bradley VanDeusen. Mr. and Mrs. Bradley Miller of Clarkston are the maternal grandparents.

\$375,000 in principal amount to defray a part of the cost of erecting and furnishing two new elementary school buildings and an addition to the existing high school building, and acquiring a site for one of said new school buildings, and for the purpose of establishing a reserve for the payment of said principal and interest, with the provision that if in any year of such increase for the above purposes under the terms of the bond contract, then any surplus taxing power may be used to raise money for the building and site fund?

The following is for the purpose of levying 1 mill for payment of \$45,000 Sashabaw School debt: (c) Shall the limitation on the total amount of taxes which may be assessed each year against property in the Clarkston Community School District, for all purposes except taxes for the payment of interest and principal on obligations incurred prior to December 8, 1932, be increased as provided in Section 21 of Article X of the Constitution of Michigan, for a period of twenty (20) years from 1951 to 1970, both inclusive, by 1/10th of 1% (\$1.00 per \$1,000) of the assessed valuation as equalized, for the purpose of paying principal and interest on Forty-five Thousand Dollars (\$45,000) of outstanding bonds, dated June 1, 1949, issued by School District No. 1 of the Township of Independence, (now a part of the Clarkston Community School District), with the provision that if in any year it shall not be necessary to levy all of such increase for the payment of said bonds then any surplus taxing power may be used to raise money for the building and site fund?

The following (d) and (e) is for the purpose of creating a building and site sinking fund and levying a 3 mill tax therefor:

(d) Shall the limitation on the total amount of taxes which may be assessed each year against property in the Clarkston Community School District, County of Oakland, State of Michigan, for all purposes except taxes for the payment of interest and principal on obligations incurred prior to December 8, 1932, be increased as provided in Section 21 of Article X of the Constitution of Michigan, for a period of twenty (20) years from 1951 to 1970, both inclusive, by 3/10ths of 1% (\$3.00 per \$1,000) of the assessed valuation as equalized, for the purpose of raising money for a building and site sinking fund?

(e) Shall the Clarkston Community School District, County of Oakland, State of Michigan, levy three (3) mills to create a sinking fund for the purpose of constructing or repairing school buildings and acquiring sites therefor, for a period of twenty (20) years?

NOTICE IS FURTHER GIVEN, that the polls for said meeting will be open from 12:00 o'clock Noon, to 8:00 o'clock P. M., Eastern Standard Time.

NOTICE IS FURTHER GIVEN, that the Board of Education of said school district has estimated that Three Hundred Seventy-five Thousand Dollars (\$375,000) is the amount of money necessary to be borrowed for the project for which said bonds are to be issued.

The following statement has been received from the County Treasurer as to previously voted increases in the total tax rate limitation affecting taxable property in the school district, to-wit:

Table with columns: Local Increase, Voted Unit, Years Increase, Effective. Rows include School District No. 1 of the Township of Independence, Township of Independence, and Charles A. Sparks, Oakland County Treasurer.

This notice is given by order of the Board of Education of said school district. WALTER T. ROBBINS, Secretary of the Board of Education of said school district. Dated: August 29, 1951.

The Clarkston State Bank employees and guests attended the ball game in Detroit on Monday evening following a dinner at The Old Mill Tavern in Waterford. Mr. and Mrs. Orlo J. Willoughby and family returned on Saturday from a week's vacation in

the east. They visited Mr. Willoughby's cousins in Trenton, N. J., and with that as headquarters they made short trips to places of interest nearby. Mr. and Mrs. Willoughby spent a short time in New York City. They had a grand time and had ideal weather.
