School Band To Play At P. T. A. Meeting, Oct. 11

The Clarkston Firemen are looking forward to seeing you at their Fifth Annual Ball on Saturday evening, October 6th, in the gym at the Clarkston School.

L. D. Hemmingway, general chairman, and his committee have planned and worked for the past few weeks to make this the outstanding event of the fall season. Everything will be in readiness on Saturday evening for your dancing pleasure. The music by Don Smith and his orchestra will be just to your liking and you will be able to have a grand time waiting, fox-trotting, jitter-bugging or doing the rumba, and too, there will be some square dancing. All you are asked to do is to join your friends and neighbors at the school on Saturday evening at 9 and have a good time.

The firemen will give a defense band as a door prize. There will be refreshments.

Brownie News

The Brownies had their first meeting on Monday, October 1st. There are 22 girls registered in Troop 194 and 18 girls in Troop 200.

They finished their meeting out of doors singing, dancing and playing games.

Any new girl wishing to join the Brownies will have to register before November 1st.

Clarkston Local

Mr. and Mrs. B. F. Evans of 6507 Dixie Highway have just returned from an extensive trip through Canada and the New England States.

FRUIT AND GARDEN NOTES

By Willard E. Bosserman
Assistant County Agr'l Agent

WATER EVERGREENS NOW

If everyone remembers that it's lack of soil moisture that winter kills many evergreens, the State will have many more live trees next spring. Evergreens should be watered up until freezing weather. Many evergreens on the lawn receive little water even though it rains a lot, because the hard packed soil lets the water all run away. A good idea is to make small 1" to 2" drilled holes under the tree or mulch with leaves, straw or peat moss. This much also prevents deep freezing. Newly planted stock may need some type of wind screen for exposed sites.

HONEY LOCUST GOOD LAWN TREE

If you are searching for a tree for your lawn, consider the Honey Locust. It is not a new tree but is native to all the midwest and is unexcelled as a lawn tree. A special feature is that leaves appear a little late in the spring and thus allow the grass to get a good start before summer temperatures cut down lawn growth. All summer long the foliage throws only a partial shade on the grass beneath, just enough to keep the ground cool for good grass growth and yet discourage the usual run of broad-leaved weeds. The Honey Locust may be planted in industrial areas since it is very tolerant of smog, smoke and soot. The trees are quite resistant to storm damage.

Mothers and Sons To Banquet Oct. 12

A Mother and Son Banquet will be served at the Clarkston Methodist Church on Friday evening, October 12th, promptly at 7:00 o'clock. The Methodist W. S. C. S. is sponsoring this get-together for the mothers and sons.

The tickets are limited and reservations must be made with any of the Circle chairmen including: Mrs. Edmund Gunter, Mrs. Leland Masters, Mrs. Ralph Kreger, Mrs. William Johnston, Mrs. Russell Colton, Mrs. Gerald O'Dell, Mrs. George Perry and Mrs. William H. Stamp.

The speaker of the evening will be M. D. Hill, vice-president of the Dearborn Motors. Mr. Hill will also show a film "Down the River of No Return".

Ladies' Guild Plans Activities

The General Guild of Our Lady of the Lakes Church will meet in the church hall on October 11th after the Holy Hour. The ladies are reminded that this is the night of the "Penny Parade" and are urged to attend and see the surprise.

St. Elizabeth's Guild will hold a card party and luncheon in the hall at 12:30 noon on October 11th. The public is invited. There will be table and door prizes. Remember the date.

Another dance will be held on October 26th. If you didn't attend the last one you are asked to make a special effort to be at this one. It will be a Halloween Masquerade dance with music by Kirby Millers' orchestra. The public is invited. There will be refreshments and prizes.

Rotary Club News

Guests at the meeting of the Clarkston Rotary Club on Monday included Jack Hamilton of the Ortonville Rotary Club and Dwight Adams of the Pontiac Club.

The program was in charge of A. E. Butters, chairman of the magazine committee and he discussed the Rotarian, the official magazine of Rotary.

On Sunday the 21st day of October Rotarian Reverend Robert M. Atkins will speak in the Methodist Church in Clarkston on a United Nations subject. It was voted that the members would attend to hear this talk.

The dinner committee of the W. S. C. S. who prepared and served the dinner were Mrs. Wm. Johnston, Miss Floss Hubbard, Mrs. Arnold Mann, Mrs. Warren McVittie, Miss Ada Scrase and Mrs. Rance Vliet.

O. E. S. Chapter Elects Officers

Joseph C. Bird Chapter 204, O. E. S. held the annual meeting and election of officers on Monday night at the Masonic Temple.

Cooperative dinner for 75 members and guests preceded the business meeting presided over by Mrs. Lloyd Sibley. Annual reports were read and the worthy matron turned the election of officers over to Donald Harris, worthy patron. Mrs. Roy Conrad was elected worthy matron for the ensuing year; Roy Conrad, worthy patron; Mrs. Howard Johnson, associate matron; Mrs. Donald Harris, conductress; Mrs. Arvil Williams, associate conductress; Mrs. William Studt, secretary and Wilma Doebler, treasurer. Mrs. Conrad has appointed the following officers: Mrs. William Kelley, Adah; Mrs. Edmund Bunyan, Ruth; Mrs. Byron Nolan, Esther; Mrs. Leslie McFarland, Martha; Mrs. Lloyd Smith, Electa; Mrs. Archie Hunt, marshal; Mrs. Orvil Campbell, assisting marshal; Mrs. Emil Grischow, chaplain; Mrs. John Harvey, organist; Mrs. Floyd Nelsey, soloist; Mrs. Clark Easley, warder; Donald Harris, sentinel.

Members of the Bible degree team are: Mrs. A. L. Adams, Mrs. Marvel McClanahan, Mrs. Marvin Roberts, Mrs. Leona McNally and Mrs. Oscar Reame. Mrs. Herbert Parrott and Mrs. Ernest Paine are flag bearers.

Mrs. Conrad has asked Mrs. L. O. Kern to be her installing officer, assisted by Mrs. Elmer Goling, Mrs. Stanley Craft, Mrs. Carlos Richardson, Mrs. Meta McIlroy, Mrs. Grace Garter, Mrs. O. C. Adams.

Public installation of officers will be held on Friday night, October 19, at 8 P. M., in the Clarkston High School auditorium. Practice for installation will be held on Sunday afternoon, October 14, at 3 P. M., at the school.

Mrs. Conrad also announced the annual bazaar of the chapter would be held on November 9th. Dinner will be served to the public beginning at 5 P. M.

The Grist Mill

by Ed Zichin
County Agricultural Agent

ARTIFICIAL BREEDERS OPEN HOUSE

Thursday, October 11, will be a big day at the Michigan Artificial Breeders' barn at Michigan State College, East Lansing. An open house is being held for members and non-members of artificial breeders associations throughout the State.

A full day's program starts at 10:00 a. m. and finishes at about 3:30 or 4:00 in the afternoon. New building, new laboratory facilities, the story of collection and sending out of semen, and of special interest, an exhibit and demonstration on the Michigan Artificial Breeders Cooperative sponsored shy-breeding research program, will be observed by those attending.

We hope that as many farmers in Oakland County as possible will attend this very worthwhile affair. Directors of the three associations serving Oakland County urge all members of their associations to attend this event.

A number of directors will be going and taking along a carload of farmers with them. If you haven't a way to get to Lansing, contact one of the directors, who are:

Association No. 1 — Richard Mackenroth, Rt. 2, Brighton; George Campbell, Rt. 2, Walled Lake; Lloyd Croft, 50403 Pontiac Trail; Wikom; Donald Hines, South Lyon; Bernard Carver, South Lyon; F. Lyman Joslin, South Lyon; John Canfield, New Hudson; Kenneth Rucker, Wikom.

Association No. 2 — Norris Walls, Rt. 1, Davidsburg; Earl Voorheis, Davidsburg; Russell Maybee, Rt. 1, Clarkston; George Miller, Rt. 1, Clarkston; Walter Welberry, Rt. 1, Milford; Clare Voorheis, Davidsburg; Earl Warner, Rt. 2, Milford; William Edgar, Clarkston.

Association No. 3 — Gerald Hawkins, Romeo; Keith Middleton, Rt. 2, Lake Orion; Herman Weigold, Leonard; Clarence Porritt, Rt. 1, Pontiac; O. L. McNeal, Rt. 1, Lake Orion; B. J. Powers, Rt. 1, Pontiac; George Virostek, Rt. 1, Pontiac; Howard Wilson, Rochester.

Fair and Carnival In Full Swing

The free fair and fall carnival at the Com. Activities Building on Williams Lake Road, just off of the Dixie Highway, is in full swing. Here you will find many types of entertainment for children as well as adults and many very interesting exhibits.

The fair started on Wednesday evening and will continue through Sunday evening. Tonight and Friday the programs will open at 8:00 P. M. On Saturday the show will begin at noon and on Sunday exhibits and amusements will open at 2:00 P. M.

One good feature of the fair is the serving of food in the dining room by the Woman's Club.

Riding Club Ready For Horse Show

The Michigan Rangers Club is busy this week getting everything in readiness for the annual Horse Show on Sunday, October 7. This full day's program will take place at Tip Top Farm, 8665 Dixie Highway, and will start at 11:00 A. M.

Participating in the Grand Entry and the sixteen big events will be juniors as well as adults with some of the finest horses in Michigan and the nearby states.

Refreshments will be available on the grounds so that you will be able to attend the program right from the start. In case of rain the show will take place the following Sunday.

Garden Club Visits Bird Sanctuary

The Clarkston Farm and Garden Club visited the Jack Miner Bird Sanctuary on Monday, October 1st. It was a beautiful day and although a little early in the season all were delighted with the trip.

The cars arrived about three o'clock, shortly after about four different flocks of geese circled and landed in the sanctuary where small lakes have been dredged. Jasper Miner, the youngest son of the late Jack Miner, talked about the various ducks and geese and their migratory habits. He also told of the experiences with banding, feeding and caring for the birds during migration by his late father and his three sons over a period of nearly fifty years.

Birds which remain all year were fed and then the wild geese numbering about 800 were viewed from an observatory stand next to the sanctuary. It was indeed a beautiful sight which can be enjoyed by everyone from now until the last of November at the Jack Miner Sanctuary, close to Kingsville, Ontario, about 55 miles from the Ambassador bridge.

Later in the month and all through November there will be thousands instead of hundreds of birds. The best time to arrive at the sanctuary is about three o'clock in the afternoon. A clear day should be chosen for the trip. It is free and open to the public every day but Sunday. On Sunday people can remain in their cars and see the geese as they land in the fields next to the road, but the lake area is closed.

Fifty thousand ducks and forty thousand geese have been banded, over the years, and on each band is the date, Jack Miner's name and address and a Bible quotation. Thousands of bands have been returned from many sections of North and South America since 1908. Such research has helped greatly in the conservation and preservation of the Canadian geese and ducks. It has helped in missionary work in Alaska and elsewhere. This work is carried on by the Miner family, the Canadian government, the province of Ontario and by donations from the public. It is a rare privilege that all can enjoy and help with.

Guests of the club for the day were: Mrs. Virgil E. Campbell, Mrs. Kenneth Hogg, Jr., Mrs. Gerald O'Dell, Mrs. David Stewart, Mrs. Rolfe Smith and Mrs. Mary Russell.

Clarkston Local

Evelyn M. McCrum is a student at Cleary College in Ypsilanti. Besides being busy with her studies Evelyn finds time to work part time as a proof reader in the editorial department of the Ypsilanti Daily Press. Evelyn graduated from the Clarkston High School last June.

Waterford

The Senior Girl Scout Troop, No. 102, held its second meeting last Saturday, Sept. 29, at the C. A. I. building. The girls then hiked to the fish hatchery in Drayton Plains. While eating lunch the group planned a week-end camping trip and other activities for the coming month. The girls are also planning to have a booth at the C. A. I. Fair. They will work there from Wednesday until Sunday.

YOU DON'T WORRY SO MUCH WHEN YOU PLAY

It's easy to worry.

Always there is the international situation; and prices are high.

It's hard to buy what you want even if you have the money.

And even if the Dodgers are ahead today, they may be behind tomorrow.

It's easy to worry.

You worry more because of what's inside you than what's outside.

It's easier to change what's inside.

The easiest way to change what's inside is to play.

Play tennis, softball, golf.

Skate, swim, lie in the sun.

Just give the good old body a chance.

Relax.

Give your inner spirit a chance to tune up.

Let your digestion come back.

Give yourself a chance to laugh.

You may be able to make it.

The world situation has not changed.

The Dodgers are just as uncertain.

The humidity is just as high.

But somehow you have stopped worrying.

Just because you let yourself go and played.

As you were made to do.

As you like to do.

As your friends like to have you do.

Waterford Township Recreation Department

Legion Plans Armistice Dance

The Legion Auxiliary to Campbell Richmond Post, American Legion, met on Tuesday evening at the home of Mrs. Raymond Jarvis. Mrs. Robert Rowland was the assisting hostess.

The new president, Mrs. Herbert Beach, conducted the business meeting and appointed the standing committees for the year. Plans were discussed for an Armistice Dance to be held at the Township Community Center on N. Main St., on November 10. Raymond Jarvis will be general chairman of the dance and Mrs. Robert Rowland will be co-chairman.

During the meeting the group busied themselves sewing cancer pads. At the close of the meeting delightful refreshments were served.

Horsemen Rode The Trail

It sometimes doesn't pay to listen too closely to the Weatherman. That's what members of the Dixie Saddle Club found out, as the weather turned out "fair-and-warmer" after all for their trail ride through the Ortonville State Recreation Area last Sunday. That's one of the most scenic spots in the county. It provided many miles of wonderful

Waterford

Mrs. Jack Hall, Correspondent

Mr. and Mrs. Donald Beedle moved to Memphis, Michigan, over the weekend, Don is teaching there this year in the High School.

Mrs. Ruth Strohschein of Tucson, Arizona, visited Mr. and Mrs. Jack Hall on Monday.

Mr. and Mrs. Fred Allyn of Rockcroft Street gave a dinner Saturday evening honoring Dick Dean who is leaving for the service. Guests were his family and his fiancée.

Dr. and Mrs. A. W. Emery and Marian and Jack attended the Michigan-Michigan State game on Saturday. Marian is a student at State and Jack came from his college in Mt. Pleasant.

About 20 friends called at the home of Mr. and Mrs. George Dean on Maceday Lake Sunday afternoon when they held "open house" in honor of their son Dick who left this Wednesday for service with the Coast Guard. Dick has been in charge of Dean's Appliance Company located with the Waterford Hardware. He left Willow Run on Wednesday morning to fly to Cleveland and will be sent out from there.

Mr. and Mrs. Jack McCaffrey are moving this week into the apartment in the Beedle home recently vacated by the Don Beedles.

Mrs. William Poland and daughter Donna spent Sunday with Mrs. Henri Buck.

Mrs. Francis Chamberlain observed her 88th birthday on Tuesday.

Mr. and Mrs. Lyman Girst Jr. are on a trip to Miami and Cuba. Their children Candy and Jackie are staying with their grandparents while they are away.

Mrs. Edward Reiner is in St. Josephs Hospital. Her room is No. 117 for those wishing to send her cards.

Mrs. Isabelle Pratt of Detroit visited the Henry Mehlbergs over the weekend.

Mrs. Henri Buck will entertain the Waterford MOMS next Wednesday, October 10th, at 2 o'clock.

Thursday, October 11th, will be Church Workers Night at the Waterford Church at 7:30.

Next Sunday the Building Fund Banks are due at the Waterford Church.

Eight members and one guest of the Good Will Club met with Mrs. Oscar Virgin last Thursday morning for breakfast at 10 o'clock. Plans were made for the October meeting to be held at the home of Mr. Henri Buck and Mrs. Victor Lindquist, with Mrs. George Kimball, assisting.

CLARKSTON TEACHERS CLUB

The Teachers Club met after school on Thursday to make plans for the coming year.

Last year's president Art Heimbarger acted as chairman and introduced Art Coter, teacher at Rochester High School, who explained the proposed reorganization of the Oakland County M. E. A. District.

The teachers then discussed the type of meetings to be held during this year and finally voted to have monthly social gatherings.

New officers elected were: Mrs. Margaret Brunner, who was chosen president; Lee Bonner, vice-president, and Arlene Cole, secretary-treasurer.

FOREIGN STUDENT VISITS HOME EXTENSION CLASS

September 20 was an important day for the home extension leaders who attended the Christmas Work Shop in Milford, Michigan. Ingeborg Timmler visited the class that day. Ingeborg is a German scholarship student who arrived in Michigan July 25 to study the work of home extension groups in the State of Michigan. During the last two years, the extension women of Michigan have contributed to a scholarship fund for a student in home economics from Germany. The women of Oakland County had a chance to see this student this week. Miss Timmler is 27 years of age and the eldest of three children. She has a brother, 23 years of age, and a sister, 13.

Last Sunday was Family Day at the Waterford Community Church and many former members and friends from away came for the services and Fellowship Dinner. Among those who were welcomed back were Mr. and Mrs. Arnold Hardley and family from Mesick, Mr. and Mrs. Robert Hardley from Grand Rapids and the Les Dingman family from Grand Rapids. Rev. and Mrs. R. M. Traver and Miss Gladys Brandize of Pontiac also spent the day here. 85 enjoyed the dinner at noon.

The evening service had several lovely musical numbers by the Senior and Junior Choirs and

lovely musical numbers by the Senior and Junior Choirs and

The Hilltopper

This year the band is starting something new. Even though we don't have uniforms we are going to play for the football games. The first time we play will be at Holly, October 5, 1951. From then on you will see the band at every home game and possibly some games away.

The band has played at two pep sessions and we hope to continue to do this. A short concert is being planned for October 11, 1951 for the P. T. A. This is for the purpose of starting a band booster organization which is badly needed.

Mr. Janton is using a point system in band so that the students who want good grades can earn them. One way to earn extra points is to hold office in the band. At this time most of the offices are filled. The officers are as follows: Manager, Paul Wilmut; Ass't. Manager, Hugh Allen; Librarian, Edna Shelton; Band and contract Secretary, Ann Barrows. The students like this plan and are really working so that they will get good grades and be a member of the Honor Group, the governing body of the band.

SCHOOL PAPER

"Copies of a school newspaper will soon be appearing every two weeks," says coach Borsum. He and a group of ambitious students are busy making plans for production of the paper, to be called "the Chatterbox".

Mary Ellen Curry has been named as Senior editor, and she will be assisted by Bill Sutton. Sports editor will be Gene Younger, with Terry Brown assisting. Reporters covering school activities are Rosie Sarvis and John Curry, while Martha Masters and Judy O'Dell will cover social activities.

CHEER LEADERS

A number of girls tried out to be cheerleaders for Clarkston Community School this year. All of the girls did such an excellent job that a committee which included teachers, Miss Donnelly, Mr. Janton, Miss Stites, and Mr. Heimbarger, and Student Council members, had a very difficult

job choosing the six senior and the six junior cheerleaders. The girls named include: Sue Shanks, Mary Lou Althous, Rosie Sarvis, Sally Porritt, Carolyn Yoder, and Carolyn Honchell on the Senior team, and Mary Dean, Laura Jauggles, Shirley Devine, Joyce McMullen, Ruth Ann Althous and Jean Porritt on the Junior team.

The cheerleaders have done a fine job thus far this year under the guidance of Miss Helen Donnelly.

They are planning to gain some added experience on October 6, when they attend the Annual Cheerleaders Conference at Ann Arbor. There they will participate in the half-time activities at the Michigan-Stanford football game.

CLARKSTON'S FACULTY

A number of new teachers have been added to the Clarkston faculty this year. So that you may become acquainted with the new members and better acquainted with the old members, we shall present a short biography about one teacher for each of the ensuing weeks. Our first interview was with Miss Helen Donnelly, new director of Girl's Physical Education. She was born on a farm in Allen, Michigan, one of six children.

Helen graduated from Allen High School as Valedictorian of her class, played on the basketball team, was a member of the Student Council and of the Campfire Girls. She then went on to college at Ypsilanti State Normal College where she received a Bachelor of Science Degree. While in college she was a member of the Sigma Nu Phi Sorority, of the Women's Recreation Association and worked in a dormitory cafeteria.

Teaching probably comes naturally to Helen since her mother and one other sister are teachers, also.

Helen's first teaching assignment was at Negaunee, Michigan, where she spent two years as Director of Girl's Physical Education. During the past summer she worked as a playground director with Dearborn Township.

Here at Clarkston her duties include teaching five girls physical education classes, a 10th grade English class and coaching the cheer leaders. She hopes to organize a Girl's Athletic Association at Clarkston and also soon will be busy coaching girl's basketball.

The Hilltopper
KINDERGARTEN NEWS
 Last Thursday Mrs. Murton took the Kindergarten children on a tour of the school. The children were shown where Mr. Greene's office, Miss Sharpe's office, and the elementary library are. Reading tests are being given to the elementary children by Miss Sharpe in grades 2 through 6.
 On Friday morning grades 3 through 6 enjoyed seeing a movie, which is distributed by the Zoological Park Commission at Royal Oak, on the animals of North America, South America, Asia and Africa.

THIRD and FOURTH GRADE
 The fourth grade has been working on a transportation unit. Cynthia Anderson was chairman of a committee that arranged a bulletin board. Those on her committee were Gary Eichbecht, Gail Evans, and Fred Longacre. Everyone contributed a picture and wrote a paragraph about it.

SEVENTH GRADE NEWS
 The sixty-seven seventh graders are divided into two groups this year. Mr. Miller has both groups for science and geography and Miss Croft has each group for arithmetic, spelling, reading, and language.
 It has been a busy year so far getting used to the subjects and teachers. An election was held with the following students holding office:
 President, David Lissner; Vice-President, Charlotte Benac; Secretary, George Lang; Treasurer, Joe Gardner; Student Council Representatives, Onalee Morgan and Gary Stallard.
 Many seventh graders have joined the junior high chorus and several are in the junior band.
 In arithmetic the group has spent time reviewing fundamentals. A unit on measures has just been completed. Now fractions and mental computations are being studied.
 The English class has done various things including oral speeches, written stories, and class discussions. The groups have read a few stories and now are working on grammar. A day or two a week has been devoted to spelling.

Many students have brought books in order to form a library in our room.
SEVENTH GRADE GEOGRAPHY
 The 7th grade has finished their introductory chapter on the earth and its place in the solar system. The earth's position in relation to the other planets traveling around the sun has received the most emphasis. A little speculation has taken place on the possibility of life on our nearest neighbor Mars. In studying the second unit the 7th graders have been acquainting themselves with the travels and explorations of the Spanish adventurers.

SEVENTH GRADE GENERAL SCIENCE
 In General Science, water has kept the attention of the 7th graders. The three different forms of water and the water cycle have been the most important phases studied. Of course, evaporation and condensation have also been studied in order to make the water cycle understandable.
 Water at work has been under observation in the classroom the past week. With the second unit almost over the pupils are laying the foundation for unit three in order to understand how water has helped to shape the earth.

EIGHTH GRADE
 The eighth grade weiner roast was held Sept. 13th. It was held on the Ford property overlooking Deer Lake. Most everyone attended including the eighth grade sponsors, Mr. Smith and Mr. Carlson. Mrs. Carlson and daughter Marie also attended. Everyone had a good time. Games were played, and after dark everyone had fun catching and examining the many glow-worms that were found under the leaves. The usual number of romances were in evidence.
 Bill Shanks and Della Gieger, Ruth Ann Althouse and Polly Crowley were on a diet so they couldn't eat hot dogs. They had tuna fish sandwiches, onions, and chocolate milk. Diet did you say? After the weiner roast everyone went to the youth canteen.
 Mr. Smith has several projects lined up for the year; the first will be the printing of a Colonial Newspaper, a project designed for English and History classes. In History the 8th grade has been using the "20 questions program" as a basis for identifying historical characters. Everyone seems to enjoy these sessions.
 The 8th grade will lose its tallest girl when Paula Terry moves to Walled Lake sometime this fall.

TENTH GRADE NEWS
 The sophomores elected the following students as their class officers: President, Mary Dean; Vice-President, Barbara DeConnick; Secretary, Lorraine Scarborough; Treasurer, George Mann. Miss Hamilton is the class sponsor.

SPEECH CLASS
 Three very interesting panel discussions were held in the speech classes last week. In the morning class the topic for discussion was "Should Athletes Be Given Monetary Aid in College?" Mary Lou Althouse did an able job as chairman while Carolyn Blackett, John Curry, Warren Haggard, Frank Keelean, Maxine Sage and Sally Stageman acted as the panel.
 In the afternoon class two discussions were held. Norman Behnke, Fred Groven, Cliff McDermott, Ann Spohn, Pat Tisch and Gene Younger participated in the first one with Ginny Demski acting as chairman. "Money For Athletes" was the topic of discussion concerned.
 The second discussion concerned the drafting of women. Co-chairmen were Sue Shanks and Paul Cenkovitch. Bill Longton, Joyce McIlrath, Ethal Murphy, Leonard Roebke, and Bill Ward were panel members.

JUNIOR NEWS
 The Juniors elected as their class officers the following students: President, Dan Curry; Vice-President, Sally Porritt; Secretary, Ginny Demski; and Treasurer, Rick Huttenlocher. Class sponsor is Art Heimburger.
 The Juniors are already earning money for their class trip. In conjunction with the Seniors they have been selling magazines. Already they have earned three hundred dollars. Each member is expected to earn a quota of \$12.00 for which he will receive one point. Each student will have to earn a certain number of points in order to be able to go on the Senior trip.
 John Bennett heads the committee handling the point system, while Lela Jones, Sandra Wampfler, and Hubert Allen are also serving on the committee.

Mickey Palazzola introduced speakers Fred Groven, Sue Shanks and Tom Bullen. They nominated Frank Weyer, John Bennett and Terry Brown for the very important job. Principal Robert Klingman then spoke briefly. He explained that the student elected to fill the position this year must not only carry out the regular duties of a Student Council President, but must also represent Clarkston at Saturday meetings of the Wayne-Oakland League.
 On Friday the election was held and the students in the 7th through the 12th grades chose Frank Weyer. The other members of the council had been elected earlier in the class elections. They are as follows: 7th grade, Onalee Morgan and Gary Stallard; 8th grade, Kay Robinson and LeRoy Volberding; 9th grade, Vern Carmean and Virgie Ray; 10th grade, Eileen Jones and Jon McIntyre; 11th grade, Tom Bullen and Sue Shanks; 12th grade, Mickey Palazzola and Fred Groven.

SENIOR NEWS
 Senior class officers this year are: President, Frank Keelean; Vice-President, Fred Groven; Secretary, Maxine Sage; Treasurer, Carolyn Yoder. Mr. Bonner is class advisor.
 The Seniors have been working on a magazine drive to earn money for their graduation trip.
 Try-outs for the Senior Play were held last week. The play, "The Perfect Idiot" will be presented at the Clarkston High School on December 6, and will be directed by Art Heimburger.

STUDENT COUNCIL
 On Thursday afternoon at a special assembly, nomination speeches were delivered for this year's Student Council President.

HAND-CRAFTED IMPERIAL CANDLEWICK TABLE CRYSTAL
 CANDLEWICK is an American made, hand-crafted crystal table-ware, designed to add beauty and gracious charm to your dining-table. It is clear, brilliant, light in weight, almost delicate in appearance, yet amazingly sturdy and durable for day-in, day-out dining. Candlewick's round the edge, always visible design was inspired by the hand-tufting needlework so greatly loved by our pioneer women. The idea of applied design in needlework, combined with skill in hand crafting glass produced a pattern of immitable simplicity. A pattern so versatile it is compatible with any period of decoration... Provincial, Regency, Victorian, Modern. We are proud to offer this complete, open stock line of Candlewick... America's most wanted table-crystal, hand-crafted at the Imperial Glass Corporation, Bellaire, Ohio, U. S. A. This beautiful crystal available at new, low prices.

HERE IT IS... in a Class By Itself... the NEW FERGUSON "30"

Look at it... Get that feeling of weight and traction... size and power. Here's a tractor that will meet more of your needs more of the time than any other tractor you could buy. No other tractor ever produced has better torque characteristic (lugging power). It will pull you through the toughest soil without slowing or stalling. It will keep on going where other tractors quit.

A Host of Great Engineering Advancements Including:
 A great new engine that develops over 20% more power.
 A new air-fuel system that results in longer engine life.
 Bigger, heavier gearing to give longer rear-end life.

tended a scout meeting at the Richard Snover home on Sunday evening. They made plans for future activities. A First Aid training class for scout leaders will be held every Monday evening for the next 10 weeks at the C. A. I. building in Waterford with Otis Allen as instructor. Junior Beckman took a spill while riding his motor-bike. He hit some loose gravel and turned over. Sharon Beckman is having quite a time keeping track of a family of small kittens. She has to make the rounds in the neighborhood every little while.

A false fire alarm brought the Clarkston fire truck to the Gritzinger home on Monday. No one knows who turned in the alarm. The William Maul family moved from Cherrywood Road last week to a home on the Dixie Highway. Mr. Taulbee is now using the old church bus to transport the young people to church and Sunday School. A number of the children attended a church party at Drayton Plains last Friday evening. Mary Abaire of Pontiac won the championship Powder Puff derby at Chief Pontiac Speedway

on Sun. She is the mother of 6 children. It was her first attempt to drive a racing car. She won the first heat and Joanne Deo of Clarkston won the second heat. However in the finals Mrs. Abaire was the winner. Ed Gengervich of Orion brought a car that was out of control to a stop after he guided it past the judge's stand. Evidently the driver of the car had "blacked out". The trophy dash was won by King Mrs. Stoney Classman presented the trophy. Portello won the first heat. The second heat was won by Dick Price and second place went to Vern Worth. Leiland Ferree came in third. The 3rd heat went to Mike Jenkinson with Joey Fair coming in second. The 4th heat was won by Bob Moore in car 69 with Bob Turner coming 2nd. The Australian Pursuit was won by Portello with Bill Scarborough coming second. The semi-final of 16 laps with 31 cars entered was won by Ragatz of Waterford, with Jenkinson coming second. The retainer wall was damaged and cars were strewn all along the course. The feature event of 25 laps with 18 cars went to Dewey with Portello coming second.

ing to file written claim therefor, with this Court and with the fiduciary of this estate, under oath, containing sufficient detail reasonably to inform the fiduciary of the nature and amount of the claim. "A Hale Cobbler Is a Better Man Than a Sick King" Through the years many wise men have emphasized the true richness of glowing, vibrant health. No one has summarized the almost universal recognition of the value of health better than Bickerstaff, who said, "A hale cobbler is a better man than a sick king." The chief job of the physician and the pharmacist is to keep you well. To this end both are educated, equipped, and dedicated in purpose. As pharmacists, we are better prepared than ever before to serve the health needs of this community. We invite you to inspect our modern prescription laboratory. Drayton Drug Store E. G. GREER, Prop. Drayton Plains, Michigan

Important Notice To Those Who Wish To Heat With Gas

Consumers Power Company has been granted permission by the Michigan Public Service Commission and the Petroleum Administration for Defense to supply gas to 10,000 additional gas house-heating or other space-heating customers. These 10,000 additional customers will be apportioned fairly among the many cities and villages in which this company supplies gas service. We want to give everyone an equal opportunity to obtain gas heating service. Accordingly, application blanks will be mailed to every gas customer of the company who is not now using gas for heating purposes. If you are not a Consumers gas customer at present but live within our gas service area and wish gas heating service, please drop in at the nearest Consumers Office or, if this is not practical, call us by telephone and ask for an application form. If you are a Consumers gas customer now, your application blank has been mailed to you. All applications must be in our hands or in the mail by October 8th. If the number of applicants in any area exceeds the number of additional gas heating customers approved for that area, those to receive gas heating service will be selected by lot. Only persons who are able to complete the installation of gas heating equipment within a reasonable time and who live in areas where local gas distribution facilities are adequate to serve them can be considered for gas heating service at this time. To avoid tying up your money in equipment you may not be able to use, please refrain from buying any gas space-heating equipment until an approved application is returned to you by the company. Then see your dealer. Service can be supplied only to heating equipment approved by the American Gas Association Testing Laboratory or other nationally recognized inspection board or laboratory.

MEMO To Mrs. Housewife

NATIONAL PRESS BUILDING WASHINGTON, D. C.
By Anne Goode

Not a bad idea to check over winter blankets to see if they need new bindings, repairs or cleaning in case you didn't give them the once-over when putting them away in the Spring.

If there isn't an Isaac Walton in your family and your fish is store-bought, wash it in lemon juice and water before cooking. This whitens the flesh, also minimizes the fish odor.

For a maximum of flavor for fish — mix melted vitaminized margarine and lemon juice and baste either broiled or baked fish. The addition of chopped parsley or olives makes it even tastier.

According to the fashion experts, stockings for evening wear are becoming darker. But have never a care if you've got a big supply of light-colored ones. Mix a tint bath of navy blue, brown or black all-purpose dye and dip the light ones till they reach the shade you like. Remember that colors are darker when wet, so be guided in your tinting accordingly.

Does your bread get stale before you can use it up? Then put it in the refrigerator. Keeps a long time there.

TEACHERS INSTITUTE IN DETROIT OCT. 18 - 19

More than 5,100 educators are expected to attend the annual Michigan Education Association Region Six Conference in Detroit October 18 and 19 where they will hear Andrew D. Holt, former National Education Association president, H. R. Baukhage, dean of Washington radio commentators and foreign correspondent, and other nationally-famous speakers.

Conference headquarters will be in Parlor L, Masonic Temple. Teachers will see the latest in textbooks and teaching aids at the commercial exhibits in the supper rooms of Masonic Temple.

Andrew D. Holt, administrative assistant to the president of the University of Tennessee and a droll and able speaker on educational matters, will give the principal address on the first general program Thursday morning in the auditorium of the Masonic Temple. His topic will be: "Selling our Schools to Their Owners". Lee M. Thurston, state superintendent of public instruction, will speak on "The Michigan We Want". The Rt. Rev. Richard S. Emrich, bishop of the Michigan Episcopal diocese, will give the invocation. The Ferndale Lincoln High School Band, directed by Richard Strang, will present a half-hour of band music before the program.

H. R. Baukhage, distinguished news analyst, will address the closing general meeting Friday afternoon in the Consistory Cathedral of the Masonic Temple. His talk, "Washington X-Ray", will be an authoritative commentary on world and national developments. In his talk, Russell H. Wilson, M. E. A. president, will review for the educators the M. E. A.'s "One Hundred Years of Service".
