

Waterford
 Mrs. Jack Hall, Correspondent
 Phone OR 3-0261

Mr. and Mrs. Lem Van Syckle were dinner guests of Mr. and Mrs. William Edgar on Sunday.

Mrs. Carl Ender has returned to her home on Gale Road following a stay in St. Joseph's Hospital. Mrs. James Saylor is staying at the Ender home.

Mr. and Mrs. John Watchpocket drove to Brighton Sunday where they visited Mr. and Mrs. W. Bradley.

Mr. and Mrs. Roy Pammenter spent the weekend in Grand Ledge with their daughter and family. Mr. and Mrs. Thomas Joseph and Pam.

Mr. and Mrs. Earl Lamberton of Airport Road are in Eustis, Florida, where they will spend the winter months.

The Waterford Woman's Club will meet Thursday, October 18th, at the C. A. I. A. pot-luck supper will begin at 6:30, followed by the business meeting. Sunshine Sisters for the past year will be revealed and new names drawn for the coming year. The Club welcomes new members and a cordial invitation is extended to all women in the community to come and join this group. Work is to begin at once in decorating and furnishing their new club room in the C. A. I. building.

Mrs. Henri Buck returned home Monday from a week's visit with her son and family. Mr. and Mrs. Charles Harris of Roscommon.

Mrs. Stephen Petteplace is slowly recovering from a severe cold which bordered on pneumonia.

The parents of J. Thomas Peterson of Andersonville Road came from Ohio last week to help Mr. Peterson celebrate his birthday on October 1st.

Mrs. Charles Chamberlain of Grand Rapids and Mrs. B. J. Miller of Clarkston were dinner guests at the home of Mrs. Bessie Owen and her mother, Mrs. Frances Chamberlain on Saturday.

Mrs. Minnie Wager, sister of Mrs. Chamberlain, was also a guest at the dinner.

The Good Will Club will meet Thursday, October 18th, at the home of Mrs. Henri Buck. She will be assisted by Mrs. Victor Lindquist and Mrs. George Kimball at the 1 o'clock luncheon.

A group of 25 young people from Christ Lutheran Church are attending a three day Luther League Conference at Rockford, Illinois, this weekend.

A student from Augustana Seminary will be the guest speaker at Christ Lutheran Church Sunday morning. Pastor Anderson will be attending a Pastor's Conference at Rockford, Illinois, over the weekend.

The Book Review group will meet at the home of Mrs. Paul Herbst, at Williams Lake next Monday at 1 o'clock at which time "Kristin Lavrans Datter" by Sigrid Undset will be reviewed by Mrs. William Vann. All interested ladies in the community are invited to attend.

Mrs. Ray Peltier will entertain the Waterford 500 Club at her home on Waterford Road next Monday evening.

Fourteen members of the Adult Bible Class met last week at the home of Mr. and Mrs. Roy Pammenter with Mrs. Henry Mehberg and Mrs. William Granger assisting. The next meeting will be at the parsonage on November 13th. This date is a week later than the regular one due to special meetings to be held at the Waterford Community Church from November 6th through the 11th.

Volunteer help is needed for a few hours each day and on Saturdays to help complete the siding being put on the parsonage of the Community Church. There is still work for many hands.

The Ladies Auxiliary met at the Community Church last Thursday with 24 present. A cooperative luncheon at 12:30 was followed by the business meeting. Plans were made for the November meeting to be held at the home of Mrs. Wallace Brown. Also plans for Christmas were laid for the Meland Home. There is a need for white material for cancer work and the group made 93 pads at this meeting. Mrs. Roy Pammenter and Mrs. Isaac Shook were on the committee to help.

Next Thursday, October 18th, is the regular meeting of the Sunday School Council at 7:30 at the church.

The Hilltopper
 ESSAY CONTEST

Some ambitious students in the 9th through the 12th grades are busy writing essays on "What the Bill of Rights Means to Me". The essays will be entered in a school contest to be held late this month. The contest is being sponsored by the Pontiac Real Estate Board and the National Association of Real Estate Boards. The top three school winners will be presented with prizes and their entries will then be submitted with winning entries from 12 other near-by schools into an inter-school contest. The essay of the first prize winner in the inter-school contest will be entered in the National Contest. National Association of the Real Estate Boards will award the national winner an all-expense 5-day trip to Washington, D. C.

FACULTY INTERVIEWS

This week we interviewed Miss Marjorie Croft, one of the two new seventh grade teachers.

Miss Croft was born in Cass City, Michigan and lived there most of her life with her family. Until his untimely death just a year ago, her father was a leading banker in Cass City. Miss Croft's sister is also a teacher. She has no brothers.

Miss Croft attended Cass City High School where she participated in dramatics and debating, was a member of the assembly planning committee, business manager of the high school paper and received a scholarship to Alma College.

At Alma Miss Croft majored in French and English, was a member of the Student Council of the Kappa Kappa Sorority, the French Club and was vice-president of her junior class. She graduated cum laude and received a Bachelor of Arts Degree.

Miss Croft has had 8 years of teaching experience at Comstock, Michigan. There she taught French and English, was for five years a class advisor, assisted in Forensics and was sponsor of the Senior Annual.

During the past summer she just "loafed" at home. She says her favorite hobby is cooking.

At Clarkston High School Miss Croft is teaching seventh grade arithmetic, spelling, and English Class. She edits the Junior High School News for the Hilltopper and is co-sponsor of the Seventh grade.

Misses Marguerite Bennett and Arlene Coe are Miss Croft's apartment mates here in Clarkston. Miss Croft tells me that she likes the town and the people she has met thus far, and that she is anxious to meet and become friends with more Clarkstonites.

JUNIOR NEWS

The Juniors were a little disappointed when they learned that they had lost to the Seniors in the Magazine drive. They did pretty well though and class sponsor, Art Heimburger is thoroughly satisfied with the results. The class treasury was increased by over \$350.00 minus of course the \$10 which they had to pay the Seniors.

Co-chairmen of the drive were Judy O'Dell and Terry Brown. High salesmen of the Junior class were Rose Sarvis who sold \$101 worth, Kathy Stauter who sold \$65.50, and Jim Gardiner whose sales amounted to \$61.00.

SENIOR NEWS

Rehearsals for the Senior Play, "The Perfect Idiot", have begun. The cast includes six veterans from the senior play of last year. They are Bill Ward, Arlene Erick, Mary Lou Althouse, Frank Weyer, Fred Groven and Carolyn Yoder. Newcomers to the acting field are Leonard Roefke, Delphine Parrish, Jack Devine, Mary Ellen Curry, Frank Keelean, Laura Link, Dick Latta, Russell Hubbard and Barbara Harris. Members of the cast are still trying to decide who the "Perfect Idiot" is.

Magazine sales were completed on Monday. For two weeks, the Juniors and Seniors have been

competing to see who could make the greatest amount of sales. When the money was counted, the Seniors happily discovered that they had exceeded the Juniors by about \$100. This meant that they had won a \$10.00 wager from the Juniors and naturally every \$10.00 brings the class trip just that much closer.

Co-chairmen of the drive for the Senior Class were Carolyn Yoder and Mickey Palazzola. High salesmen in the Senior class were Mary Ellen Curry, Laura Link and Maxine Sage.

TYPING

Typing classes are just the "hunt and pick" stage with several first year students typing as fast as twenty-four words a minute. Typing to musical records has relieved some of the nervousness and tension, but Patsy Tisch just "can't" make her fingers go that slow.

BAND NEWS

Tuesday evening the band took part in the pep rally at the school. The drummers marched downtown with the snake dancers and met the rest of the band back at the school where they played several numbers.

Friday afternoon the band again played at the pep session, and then later Friday evening traveled to Holly and played during the Clarkston-Holly football game.

On Saturday, October 13, the band is going to East Lansing to watch the Michigan State-Marquette football game.

SPEECH CLASS

Members of both speech classes have been participating in group discussions concerning different phases of the topic "Should all Americans be drafted for essential service in time of war?"

This topic has been chosen by the Michigan Forensic Association as the official discussion question for inter-school discussion meetings. Clarkston plans to attend one of these meetings on October 24, at Northville. Six students from each of the five league schools; Clarkston, Northville, Holly, Milford and Clarencville, will participate in panel discussions concerning the question of conscription.

Ford leads the V-8 parade

"3 more makers have switched to V-8's in the past three years alone!"

"It's the same type of engine powering America's most expensive cars!"

"4 out of 5 V-8's are Ford V-8's!"

With the lowest priced V-8 of all!

Yes, Ford's V-8 is America's lowest priced V-8, priced hundreds less than most makes of Sixes. Yet it's the same type of engine you find in America's highest priced cars!

With the savingest V-8 in America!

Ford's V-8 (like Ford's Six) has the Automatic Mileage Maker to bring you more "go" for less money than any other car in America!

With the only V-8 in the low-price field!

Ford alone offers you V-8 power in the low-price field. No other manufacturer can match Ford's 19 years' experience building nearly 12 million V-8's!

ELEMENTARY NEWS

Grades 3-6 enjoyed seeing the puppet show "Peppy Saves Paul Bunyan" on Friday.

Mr. Barrie and Miss Sharpe attended the Oakland County Instructional Consultant's Group meeting at Birmingham on Tuesday October 2nd.

SEVENTH GRADE

The past series of Indian summer days made it rather difficult for the seventh graders to work at top capacity, but nevertheless, they were busy.

In arithmetic, the students have been working with all kinds of fractions and soon will begin decimal fraction.

Both sections of the seventh graders have been receiving sentence structure for English class and have been practicing writing sentences. Even the weekly spelling words were written in sentences. In their spare moments the students are reading books from their own library and are preparing for their book reports.

Geography class was enlivened Thursday by an examination closing out chapter 2. This brought an end to the pupils work on the early colonial establishments in the New World by the Spanish, Portuguese, French, and English. Friday, as all Seventh graders know, is current events day. That is the day they bring in clippings from local newspapers. Each pupil recites on his or her news item. Discussion follows the recitation if there are any questions. When everyone has recited, the class is open for discussion on current events important to all of us.

The General Science course will find the second chapter being finished the middle of the week ending October 12th.

NINTH GRADE NEWS

Final arrangements are being made for the hayride which is to be held Friday night. All of the ninth graders are looking forward to the party and are hoping that the weather will be nice.

After having spent the past few weeks, grammar review the students in Miss Crofts class have begun a unit on manners or everyday etiquette. One of the projects has consisted of "buzz sessions", in which small groups discuss various topics and then report their

opinions to the rest of the class. Manners at home, at school, and public have been discussed in class as well as the correct way to make introductions, ways to improve conversations, and dating etiquette.

SHORTHAND

This years shorthand class is the largest ever to take the subject at Clarkston High School. There are twenty-seven students, including three boys. The class is advancing rapidly and has demonstrated a great deal of ability.

BOOKKEEPING

Debits and credits, assets and liabilities are the first comprehensive test in part, and the fog is beginning to lift. Three students achieved perfect papers: Elmor Allison, Gordon Bailey, and Cherrie Littleton. This is the first time on record that anyone has succeeded in scoring a perfect paper in this test.

DEBATE CLUB

A debate club is being formed at Clarkston High School this year. A number of students met last Thursday noon and again on Monday to formulate plans for the coming season.

The club will meet regularly twice a week during the noon hour with Miss Siles as its advisor.

The purpose of the club is to enable all ninth to 12th grade students who are interested in debating to learn about and have practice in debate. Varsity de-

baters who will meet other schools in Forensic competition will be chosen from the debate club.

BAILEY LAKE

We are having our heating systems in both rooms rearranged so as to receive a greater amount of heat in our wash rooms and lavatories.

Our telephone has been installed. The 4th, 5th, and 6th grade room has a very nice collection of shells, thanks to Betty Buzzell and Gary Ash.

We had four new students join our ranks this week: Phyllis Davis in the 6th grade, Robert Davis in the 4th, Sharon Davis in the 3rd, and Deanna Davis in the 2nd.

We are all happy about the fact that we have a music teacher this year. We are going to try and make Miss Sprout feel happy that she is our music teacher.

The "picture man" came this week and we all smiled our prettiest.

The kindergarten children are happy to have Ricky Thomson back at school and to know that his daddy is home from the hospital.

We read a story about September Mishrooms and had fun illustrating it for our board.

This is Fire Prevention Week and we are planning a trip to our Clarkston Fire Station.

Karl Sprague celebrated his fifth birthday Monday.

FIRST AND SECOND GRADE

Marlene and David Smith cele-

brated their birthdays this week. Miss Bridges went to Hartford, Connecticut to get her grandmother, Mrs. Glennie was here in her place.

We are reading the story about the Shy Little Horse.

What's the fastest-growing line of trucks in America?

LOOK around you — in cities, on farms, at terminals and loading docks—wherever goods are moved on wheels.

More and more, the pay load's packed on a GMC.

YOU see those letters on medium and heavy Diesels, the most economical workers in their field. For GMC means first in Diesel power. You see gasoline-powered GMC's front-running the highways of America—pace-setting delivery of the necessities of peace and war.

You see nimble bantamweights of the family — the highest-powered 1/2- to 2-tonners made —outpulling, outhauling every other truck in their class.

EVER wonder why GMC is gaining a greater percentage of the industry than any other truck-maker?

Ask the truck drivers themselves. See the confident way they talk of the power plants, the broad-shouldered chassis — the way a GMC handles.

Ask about the tons they've hauled, the miles they've logged — the nip-and-tuck schedules they've licked time and again.

Ask these cost-wary haulers why they've made GMC the fastest-growing fleet in the land.

They'll tell you it's because GMC is the finest motor truck made.

If you'll come in, we'll show you why we think they're right.

From where I sit... by Joe Marsh

Our Bank Says "Help Yourself"

People around here need lots of small change these days - what with candy, gum, cigarette and soft drink machines... pay phones... and those penny sales taxes. Used to put a strain on our bank. Changing money took up a lot of time. Then the Chief Teller Happy Wilson, read about another bank using a "help yourself" change system. The directors decided to see if it would work here. They set out some big shallow bowls full of nickels, dimes and pennies with a sign saying "MAKE YOUR OWN CHANGE." Works fine, too. At the end of the day the totals are never more than a couple of cents under-or over-the right amount. From where I sit, folks everywhere are pretty much alike, although they may seem different. Farmers and city folks, Republicans and Democrats, those who enjoy a glass of beer occasionally-and those who prefer something else-we all usually try to live up to the trust others have in us.

Joe Marsh

Easiest wheel you ever turned!

Safest wheel you ever held!

Come try it yourself . . .

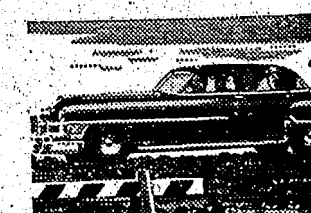

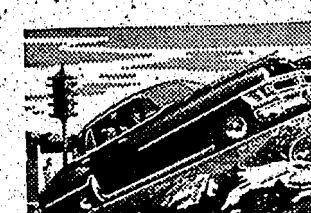

Chrysler's new Hydraguide Power Steering!

Chrysler this year introduces the first power steering ever offered on an American passenger car. Many owners tell us it is the greatest advance in car driving since the self-starter! To a person who hasn't tried it, it is actually impossible to describe what a difference it makes. Driving becomes a new and wonderful experience. At your touch on the wheel, hydraulic power instantly provides four-fifths of the energy needed to steer the car. Gone is all sense of tug, strain, tension. In its place you find a wonderful sense of absolute front wheel control with almost no effort on your part. Hydraguide is regular equipment on Crown Imperials, optional at extra cost on other 8-cylinder models. Whatever car you're driving now, we invite you to . . .

Come TRY Chrysler Hydraguide . . . First power steering ever offered on an American passenger car!

Come TRY Chrysler FirePower . . . 180 Horsepower, finest and most powerful passenger car engine on America's highways today!

Come TRY Chrysler Power Braking . . . Power from the engine helps apply the brakes . . . cuts foot pressure required as much as two-thirds!

NEW EASE! No more whirling or twisting, tugging and straining. The littlest lady you know can actually park the biggest Chrysler with her thumb and one finger on the wheel . . . drive all day with new freedom from arm-and-shoulder fatigue!

NEW CONTROL! Hydraguide gives your hands on the wheel a new feeling of complete command at any speed. In city traffic . . . on awkward driveways . . . in snug-fitting garage entrances . . . you never feel such steering control in any car before!

NEW SAFETY! Even off the road onto a soft shoulder, Hydraguide helps keep your car steady and true with almost no effort . . . takes the jolt and strain out of driving in ruts, snow, or sand . . . makes steering many times safer than ever before!

CLARKSTON MOTOR SALES
32 S. Main Street Clarkston

What are the thoughts of a child who experiences the anguish of a broken home? In The American Weekly, the great color magazine distributed with Sunday's Chicago Herald-American, read "Mine Is Only Half a Home". Here for the first time, is a story telling how the children, the chief sufferers, feel and react towards their divorced parents. Don't miss this heart-rending story Sunday in The Chicago Herald-American's great color magazine!

FLAMING ADVICE. Seeking new ideas for the more than 2,000,000 meals served on the diners of America's largest railway system, H. B. Parr, general manager of the sleeping and dining car department, Canadian National Railways, Montreal, visits the famed Pump Room of Chicago, noted for the exotic and unusual dishes served to the visiting celebrities and notable Chicagoans who make it their dining headquarters. Mr. Parr listens with interest as Chef Guido Mori explains the room's traditional flaming sword service of roast chicken and shankling dinners, held aloft by the smartly uniformed waiter.

NATIONAL PRESS BUILDING WASHINGTON, D. C. By Anne Goode

To keep that lovely fluff affect on chenille bedspreads, hang them inside out after washing so that as they dry, the chenille trim rubs against itself.

Someone has said that high heels were invented by a woman who was kissed on the forehead. We'll add a sequel to the story: she has been teetering on rundown heels ever since and forgets to put the oil sh-nola on them. Hope that's not you.

When there's sandpapering on your list of chores, tack a piece of the sandpaper over a small block of wood and use it like a scrubbing brush. You'll do a more efficient job this way, plus save your nails and hands.

Bright scarfs make wonderful pick-me-ups, especially in mid-winter when clothes are apt to seem monotonous. Keep them gay and colorful — with all-purpose dyes. These will rejuvenate both silk as well as rayon and nylon materials.

You'll have no trouble persuading Junior to eat his hot cereal in the morning if you add some raisins and chopped dates to it. Alternate them: raisins one day, dates the next. Makes eating cereal more fun and it's nutritious, too.
