CLARKSTON, MICHIGAN, THURSDAY, FEBRUARY 7, 1952

Scout Night At P. T. A. Meeting

The program for the Clarkston P. T. A. meeting on Thursday evening, Feb. 14th, will be one of interest to all parents as well as the young people. Every branch of scouting will be represented and will participate in the program. The young people have been busy rehearsing their parts and they hope to be able to present a picture of what scouting means and how it works. They also are preparing to give you a full evening of entertainment.

Refreshments will be served after the program by the 3rd and 4th grade room mothers from the main Clarkston School and the Bailey Lake and Andersonville Schools.

Rotary Club News

Club members were treated to very fine films at the meeting of the Clarkston Rotary Club on Monday. The first film was a picture description of jet propulsion. Most members were surprised to find that "jet" was known centuries ago. Its modern application is to provide greater power and speed with a lighter than conventional combustion engine. The picture was in color and was furnished by the General Motors Corporation.

The dinner committee was composed of Mrs. Robert Osgood, chairman, assisted by Mrs. Sam Miller, Mrs. David Stewart, Mrs. Keith Leak and Mrs. W. H. Stamp.

Coming Events

The Clarkston Home Extension group will meet on Thursday, Feb. 12th, at the Independence Township Community Center at 10:00 A. M. The topic for discussion will be "New Fabrics and Their Uses." There will be a sack luncheon at noon.

Mrs. Bonnie McGirr, chairman of the women's committee, Oakland County chapter of the American Institute of Banking, announces that the fifth annual fashion show will take place March 4th at 8:00 P. M., at the Elks Temple in Pontiac, with fashions from a Pontiac store. Mrs. Doris Penman of the Rochester National Bank has been appointed general chairman. She will announce her committees later.

Bake Sale at the Masonic Temple on Saturday, February 9th, starting at 10:00 A. M.

Which Way Is Best?

When we were young, we had some chores. There always were the usual tasks. And then some time to play.

We had to help to run the home. Assuming our full share. Of duties of the house and barn. And odd jobs everywhere.

When we were young, we never heard Of Boy Scout troops and such. We never saw a movie show, Or heard of music, much.

We didn't know of fancy things. They kept in city stores. The greatest pleasure kids had then Was playing out of doors.

Our lives were free to romp and play. Across the valleys green, Or climb a tree out in the woods, Or fish beside a stream.

We had a chance to think ourselves. Free minutes weren't planned then. By salaried leaders of a group Or educated men.

We had to entertain ourselves. The very best we could. We learned the value of our home. And streams beside a wood.

I wonder if it's better now, Boy's playtime being planned. The leaders giving all the thought. When playtime is at hand.

More Schools In County League

At a special meeting of the Wayne-Oakland County League, held at Milford High School, January 30, 1952, Keego Harbor and Brighton High Schools were admitted to full membership effective as soon as each of the activities can involve themselves in scheduling and regular participation. The League sponsors girls' athletics, boys' athletics, speech and forensics, music, and student council activities. Member schools now include Brighton, Clagenceville, Clarkston, Holly, Keego Harbor, Milford, and Northville. President of the League is Ray E. Barber, principal at Holly, secretary Erwin M. Johnson, principal at Milford.

Get Ready For A Treat This Weekend

The housewives in this district are fortunate in that so many organizations in the area hold sales of home baked goods. This is a real treat when the weekend arrives and you can have such delectable food without having to spend time in the kitchen.

On Saturday, Feb. 9th, starting at 10:00 A. M. the Joseph C. Bird Chapter O. E. S., will hold a bake sale at the Masonic Temple in Clarkston. They will have quite an assortment of baked goods, something to please the taste of every member of your family.

U-M INSTITUTE PROMOTES GREATER TRAFFIC SAFETY

The drive for greater traffic safety among Michigan's teen-age drivers will gain momentum with the beginning of the high school spring term.

For that's when the 40 high school teachers recently trained at the University of Michigan's 18th institute of teacher preparation for driver education will begin teaching their students.

Conclusion of the institute brings to approximately 390 the number of persons teaching or qualified to teach driving at the secondary school level in Michigan. Almost everyone of them was trained at these institutes.

Additions To Library Through Gifts

Interest and enthusiasm widespread throughout our Community toward our Elementary School Library is shown by the recent additions of forty some of the latest in children's books through gift contributions to the library by various families in the community.

Each Wednesday the children in our Main Street School as well as our High School Elementary Grades are given the opportunity of enjoying these and over a thousand more books of the finest in children's literature. The privilege is made possible through the efforts of Mrs. Floyd Hammond assisted by Mrs. Michael Hart, Mrs. Thomas Wilson, Mrs. Walter Barrows, Mrs. Rockwood Jullard, Mrs. Fred Turek, Mrs. Harold Bauer, Mrs. James Glennie, Mrs. Arnold Manth, Mrs. Fred Hancock, Mrs. R. E. Spohn, Mrs. Virgil Campbell, Mrs. F. L. Spooner, Mrs. Edward Thomson, Mrs. Don Beach, Mrs. Jack Jyleen, Mrs. William Dunston, Mrs. Howard Huttenlocher and Mrs. Kenneth Hogg. Each of these mothers give one Wednesday afternoon a month to the Elementary Library and its program and the children look forward to these Wednesdays when they are helped and guided to better reading.

The American Legion Auxiliary is constantly engaged in projects important to veterans, their families and to America. Every member, even if she contributes only her dues, has a part in these and shares the warm feeling of achievement they bring.

Clarkston Local

Last Sunday the Methodist Sunday School recognized the following birthdays: George Denton, 5; Marlene Smith, 6; Beverly Denton, 7; Jim Kregler, 9; John Reynolds, 12.

Drayton Plains

Harlan J. Oakes, 2425 Denby Drive, Drayton Plains, died in Pontiac General Hospital on Wednesday morning after a lengthy illness. As The News goes to press funeral arrangements have not been completed.

Auxiliary Members At District Meeting

Mrs. Herbert Baynes, Mrs. Raymond Jarvis and Mrs. Herbert Beach attended the 17th District American Legion Auxiliary meeting last Friday evening, Feb. 1st at the Chief Pontiac Post building in Pontiac.

Mrs. Margaret Hill, 3rd zone vice-president, gave an informative talk on blood typing. Mrs. Hill is part of a typing team and has approximately 700 hours to her credit since the starting of this phase of the civil defense program. Every adult and child is urged to be typed and this service is free.

An inspiring report was given by Mrs. Bessie Fowler, Americanism chairman, who is blind. Her sincere enthusiasm was very much evident. She summarized what she had read on the infiltration of communism in America.

Mrs. Charlotte Castel, rehabilitation chairman, reported on the work being done in the veterans' hospitals. The wheel chair, cigarette and service basket funds are overdrawn approximately \$5,000, so far this year. There is urgent need for each unit to earn more money and see that these funds are built up. A wheel chair costs \$116.00 and up, depending upon the special equipment needed by the user. A service basket is passed once a week by the auxiliary to the veterans. These baskets contain such necessities as stationery, stamps, candy, shaving essentials and cigarettes. This service costs approximately \$2,000 a month in Michigan. She reported that the boys in the V. A. hospitals are well taken care of by all organizations but the veterans in the contract hospitals are only remembered by the Auxiliary once a month as the Auxiliary has such a limited budget. One TB sanatorium in particular was mentioned where even some of the Auxiliary gifts at Christmas were not delivered until after Christmas and those were the only gifts they received.

Have you forgotten what sacrifices these boys made for us? If they had forgotten what they were fighting for over there, we could easily be the ones asking for the freedom we so take for granted. Mrs. Castel mentioned that the uppermost program for national defense is: 1st, universal military training and 2nd, civil defense.

How can women, as individuals, help? As the national defense chairman pointed out — it has always been the woman behind the man helping to carry out his plans.

The American Legion Auxiliary is constantly engaged in projects important to veterans, their families and to America. Every member, even if she contributes only her dues, has a part in these and shares the warm feeling of achievement they bring.

Church

Troop Observes Boy Scout Week

In observance of Boy Scout Week the local troop is having a family pot-luck supper at the Community Center on Saturday evening, Feb. 9th, at 6:30. They will also have a window display at Kelley's Hardware which should be of interest to everyone.

The scouts ended the month of January with an ice skating party and weiner roast at Louis Jaenichen's on Sunday, January 27th. They had a grand time.

The wood carving contest ended February 4th and was judged by members of the Rotary Club. The winners were: 1st, Larry Ruggles; 2nd, Jerry Snover; 3rd, Buddy Furman and honorable mention goes to Louis Jaenichen, Jr. and Bob Furman. The prizes will be awarded at the pot-luck supper.

The scoutcraft teaching for February will be First Aid and Signaling.

All the scouts will attend church, in uniform, on Sunday, February 10th.

The friends of Mrs. Robert Rowland will be sorry to learn that she is ill with a virus flu.

Republican Club Annual Banquet

The Oakland County Lincoln Republican Club will hold their Annual Lincoln Banquet at Northwood Inn, Woodward Ave., on Friday evening, February 8, 1952, at 6:30 P. M.

Senator Everett Dirksen of Illinois, will be guest speaker and he will be introduced by Congressman George A. Dondero. The Reverend Father Landry, of Berkley will give the invocation. Mr. Stanton Dondero is President of the Club.

All State and County Officers are expected to attend as well as National Committeeman Arthur Summerfield and Committeewoman, Mrs. Rae C. Hooker.

BLOOD DONORS ARE NEEDED

"Blood donors are the most important single factor in meeting the military and civilian demands for blood collection", emphasizes Mrs. E. L. Bradley of Pontiac, chairman of the blood donor service for the Oakland county chapter of the American Red Cross.

In a report to her committee, Mrs. Bradley released information concerning the Red Cross blood drive to date.

Thirteen blood mobile visits have been made in Oakland County since the middle of October, 1951, according to Mrs. Bradley. During this time, 2,000 pints of blood were collected. Of this total 116 pints of blood, 9 units of pediatric plasma and 75 units of adult plasma have been released to 18 hospitals.

The present schedule includes 24 mobile visits from the present time through May. Each mobile visit requires approximately 35 volunteer workers.

Mrs. Bradley further reports that this month the National Blood program rounds out its fourth year and the American Red Cross faces one of the most difficult tasks ever to confront it — the carrying forward of both a military and civilian blood procurement program.

Since the opening of the first regional center in January 1948, civilian, military and veterans' hospitals have received blood through the Red Cross. At present, 125,000 pints go to these hospitals each month.

During the past fourteen months, Regional Centers and co-operating private blood banks have supplied more than 760,000 pints of blood for military needs. Much of this blood was flown to Korea. Some was used to build up plasma reserve.

Korean combat troops were called up on August 21, 1950. By August 26, 1950, blood through the Red Cross centers was on its way to Korea. Since that date, blood has been sent on regular schedules to Korean Army Hospitals and aid stations.

Collection facilities have been expanding to more than double those of World War II. In case of atomic attack blood is practical — the only remedy for radiation sickness. Assisting the Red Cross in its medical policies and production is a committee of nationally known medical specialists, Dr. John S. Lambie of Birmingham heads the Oakland County Committee.

"But with all this medical and other assistance," says Mrs. Bradley, "collecting blood still depends on only one group of persons — the donors."

"To meet our Oakland County quota of 1300 pints a month, we need about 2000 donors a month," continues Mrs. Bradley. "The job is tough but worthwhile. A wounded man is snatched from death. A young mother is saved from childbirth hemorrhage because blood is available. This will encourage every donor and worker to carry on."

The first four years of the blood program has been difficult. This year it may be more difficult — the quotas may be larger, but with your help the job will be well done."

Obituaries

Ferdinand, Gesch

Ferdinand Gesch, 79, of Drayton Plains died on Saturday, Feb. 2nd, in Pontiac General Hospital. He was born in Macomb County on September 5, 1872, the son of Ferdinand and Louise Gesch.

Mr. Gesch was a carpenter and had made his home in Drayton Plains for the past 50 years.

He is survived by a former wife, Anna Gesch of Waterford; two daughters, Mrs. Iva L. Baker of Clawson and Mrs. Thirza M. Jones of Waterford; three grandchildren and two great grandchildren; four sisters, Mrs. Thomas Lines of Detroit, Mrs. Charles Werth of Flint, Mrs. Joseph Geyman of Birmingham and Mrs. Leslie Alward of Davison.

The funeral service was held on Wednesday afternoon at the Sharpe Funeral Home in Clarkston with the Reverend Arvid Anderson, pastor of Christ Lutheran Church, officiating. Burial was in the Drayton Plains cemetery.

Random Thoughts

FAITH

Sometimes the word faith is taken as a synonym for religion. It is true that religion depends on faith, but faith is a much wider concept, encompasses various and sometimes even opposite beliefs. The one thing they all have in common is adherence to certain opinions, viewpoints, theories, or philosophies without definite rational proof of the truth of these. Sometimes proofs of the truth of certain tenets are offered, only to have them refuted by opposite rational proofs. The very essence of faith is that it does not require rational proof. Only if a certain theory, held on the strength of faith, is presented as being true do we feel that it is necessary to examine the proofs given.

It seems to me quite unnecessary to always oppose as irreconcilable religion and science; the viewpoint of the spiritual and that of the material; that which is experienced through inner intuition and that which can be measured and weighed; quality and quantity. Both "sides" employ faith, although certainly there is more emphasis on the faith element in one than in the other.

The scientist subscribes to one basic faith: that the universe is rational and that with his reason man can penetrate farther, and farther into all that surrounds him. He puts great emphasis on the "given facts" and the disinterested attitude" of the scientist in collecting these facts and arriving at certain conclusions. But he forgets that just a collection and accumulation of facts doesn't mean anything; that he himself starts out by selecting certain facts, in order to have working material with which to prove a certain theory which he has set up as a goal. It is true that he will discard such a theory if the facts refuse to fit in. But he has faith that there is an answer to his problem; a new theory is tried out. I bet that he is as excited at the moment of discovering that the facts do fit in with his theory as a girl going on her first date!

There is faith at the bottom of all our actions — that natural laws can be depended on, that day will follow night, and in spring all vegetation renews itself. Also the faith that there is some sense to our actions, that we do something worthwhile when we work and put forth our best efforts.

Faith has a great healing power for whatever sorrows we may meet; it has a great spurting-on power to inject enthusiasm in our actions; it has a great leveling power when we become too cocky; a balancing power when the rush of everyday active living threatens to engulf us.

It is good to stop and contemplate, feel the rest, know the strength, taste the power of faith. It is through faith that we keep our sanity, that we hang on although all seems lost, that we can enjoy living again and see it whole although it seemed to have been broken into a thousand pieces before.

It was faith which pulled our youngest girl through a severe sickness when she was only eight years old; she never gave up, always looked ahead to the next step to be taken. It is faith when a mother, herself weak and just recuperating from an illness, finds she has all the strength necessary to take care of her children when they become sick. Sometimes faith comes to us as a "second wind", after we have despaired of ever winning the race.

I don't know what physical changes take place in our body when we become inspired by faith, what glands pour forth what secretions. But what matters is that we do find a source of extraordinary strength when needed, a store of enduring patience on which to draw. We know both the invigorating enthusiasm which carries us upward and the true humility which leaves us grateful.

—Louise Hemming

Legion Auxiliary Plans Supper

The local American Legion Ladies' Auxiliary is planning to hold a Pillsbury Pancake Supper at the Independence Township Community Center on Tuesday evening, March 4th. Further details will be announced later.

On Saturday, February 23rd, from 10:45 to 11:00 A. M., an Americanism program will be heard on radio station WCAR. Everyone is asked to listen to this program and then drop a card to WCAR saying whether you think the program is worth continuing.

Spenceley Butters, son of Mr. and Mrs. A. E. Butters, of 37 Church St., has been elected recording secretary of The Zeta Sigma Fraternity.

Alfred W. Hutchinson

Alfred William Hutchinson, 61, of 4149 Quillen St., Drayton Plains, died in Pontiac General Hospital on Sunday. He was born in Livonia Township and had lived in this county for 18 years. He was a section foreman with the Grand Trunk railroad.

He is survived by his widow, Ina; three daughters, Mrs. Marguerite Pelkey and Mrs. Iona Nice, both of Waterford Township and Mrs. Irene Peavey of Davisburg, and one brother, Fred of Grand Rapids.

The funeral service was held Wednesday afternoon at the Community Presbyterian Church in Drayton Plains with the Reverend Walter Teuwissen, Jr., officiating. Burial was in the Davisburg cemetery.

NEW UTILITY PLAN IS READY

Many husbands find genuine satisfaction in making some piece of household furniture. Often the boys in the family enjoy this, too. So now is the time, homemakers — if you have a handyman in your home! Miss Olevia Meyer, extension specialist in home management at Michigan State College, invites you to learn more about her utility table.

"If you do not have a convenient kitchen — this utility table can go a long way toward your problem of lack of space — at the sink, the stove, or at your refrigerator."

Because the table top is made of plywood or plastic, it is easy to clean. Ballbearing casters make it roll easily as you push

(continued on page 6)

depends on only one group of persons — the donors."

"To meet our Oakland County quota of 1300 pints a month, we need about 2000 donors a month," continues Mrs. Bradley. "The job is tough but worthwhile. A wounded man is snatched from death. A young mother is saved from childbirth hemorrhage because blood is available. This will encourage every donor and worker to carry on."

Merry Mixers Elect Officers

On January 25th the Merry Mixers Square Dance Club met at the Community Activities building on Williams Lake Road and held election of officers. Bill Leslie was named president and his corps of officers will include: vice-president, Hal Brown; secretary, Mrs. George Sweazy; treasurer, Mrs. Robert Dika and board members, Bruce Allen and Bruce Martin.

The following committee chairmen were appointed: membership, Mrs. Gordon Heaton; decoration, Mrs. Rod Topham and Mrs. Jack Topham; program, Bruce Allen; work, Bruce Martin.

The next club dance will be on Friday evening, Feb. 8th, at the C. A. I. building.

WHY MICHIGAN CIVIL DEFENSE?

"Civil Defense is a way of living which we in Michigan must adopt and maintain as long as the threat of communistic aggression exists in the world.

"Civil Defense is pre-planned, organized, civilian protection of life, property, and essential production against the effect of enemy attack which may come at any time, without warning and without precedent."

These statements, Brig. Gen. Lester J. Maitland, State Civil Defense Director made today in pointing up for Michigan people the answers to the question, "Why Civil Defense?"

"This country as leader of the free nations of the world has a potential if not an actual enemy in any nation or group of nations which seeks to spread communism throughout the world," the General said.

"The enemy has weapons of modern warfare — atomic, high explosive, incendiary, biological, chemical, psychological and fifth column. He has hundreds of long range aircraft capable of carrying these weapons to our shores. We cannot stop all the aircraft he sends against us. As many as seven out of ten of his planes can get through our radar and defending forces.

"Michigan's industrial potential which makes it the arsenal of democracy and its waterways which transport products essential to industry throughout the free world, make this state a likely target for enemy attack. World War III may well start with multiple attack on Michigan's industries and locks," General Maitland said.

"It can come just like Pearl Harbor," he added.

"Whether or not it starts with sneak attack, any new war will not be fought on battlefields, but it will hit industry, locks, shipping, homes, schools, parks, fields, and forests. Civilians and soldiers will be exposed to equal dangers," the General said.

"Our armed forces will be completely occupied in pushing the enemy back from our shores and carrying the fight to enemy territory. Michigan civilians must, therefore, be ready to save their own and their neighbor's life and property, to restore our cities and factories and maintain the production essential to keep this nation in the fight.

"The success of civil defense in Michigan has international significance," the State Director contends. "The ability of Michigan to survive repeated attacks and maintain power essential to continued industrial production may mean the survival not only of the United States, but of the whole free world."

W. S. C. S. CIRCLES

The Dorcas Circle of the Methodist W. S. C. S., will meet at the home of Mrs. Robert Atkins on Thursday afternoon, Feb. 7th. A dessert will be served at one o'clock.

The Martha Circle will meet on Thursday, Feb. 7th, at the home of Mrs. Warren McVittie for a planned luncheon at 12:30 noon. The members are asked to read chapters 3 to 8 in the Book of Acts in preparation for the study period and are reminded to take their bibles to the meeting.

The Mary group will meet at the home of Mrs. Leland Masters, 6551 Maple Drive, on Thursday, February 7th, for a cooperative luncheon at 12:30 noon.

The Priscillas will meet on Thursday evening at 7:30 at the home of Mrs. W. H. Stamp.

Annual Father and Son Banquet sponsored by the Brotherhood group of Christ Lutheran Church to be held Friday, February 15th. Tickets may be obtained from George Carter and George Wiley and are obtainable now.

Mrs. Wright Van Plew and son David have returned from Chicago where Mrs. Van Plew had been caring for her sister-in-law, Mrs. Harold Van Plew, who recently underwent an operation.

The Gospel Fellowship Class of the Waterford Community Church is honoring Rena Lowery with a miscellaneous shower Tuesday evening, February 12th, at 7:30 at the church. An invitation is extended to all of her church friends.

Mrs. John Bozek Jr., of Waterford Drive is convalescing at her home following a recent operation at St. Joseph's Hospital.

Mrs. Joseph Helman will entertain the Waterford 500 Club next Tuesday evening at her home on Van Dyke Street.

Little Larry Smith, young son of Mr. and Mrs. Charles Smith (Beverly Wilcox) of Hatfield Drive returned home Monday after a stay in the hospital where he underwent an operation.

Mr. and Mrs. James Lamberton spent the weekend at their cabin near Atlanta.

Aaron Deskins, a student at Bowling Green, Ohio, spent the weekend with the Robert Amos family. Mr. Deskins, friend of Jack McCaffrey, was just released from the Marine Air Reserve after

spending eighteen months at Camp Pendleton, California. Mrs. J. Thomas Peterson will have charge of the story hour Saturday morning in the library at the C. A. I. building. She will illustrate with a Flannel Board and her stories will be "Rumpelstilzkin" and a humorous one "Homer Finds the Scent". The time is 10 o'clock and all children through the 6th grade are invited to attend.

Mrs. William Schmidt, a teacher at Four Towns School, has been granted a leave of absence until September in order to be home with their young son Rickey.

The regular meeting of the Church Boards, the council, trustees and Mission Board, will be held at the Waterford Church on Thursday, February 21, at 7:30. The engagement and approaching marriage of Patricia Shook to Robert Coventry is being announced by Mr. and Mrs. Isaac Shook of Waterford. The wedding will take place on February 18th. Robert is the son of Mr. and Mrs. Cameron Coventry of Airport Road.

VALENTINE DINNER AT C. A. I. BUILDING

Take your wife and her prettiest apron and dine with her Valentine's Night, Thursday, February 14, at Community Activities Building. Every man attending must wear the apron and serve his lady before sitting down to dine with her.

This Valentine dinner is being served by the C. A. I. Men's Club in honor of the active members of the C. A. I. Women's Club, all of whom will be guests of honor. The tickets are available and reservations close Tuesday noon, February 12.

All proceeds of this dinner will be given by the Men's Club to the Women's Club to help outfit their new ladies' lounge at Community Activities Building.

Russell Caughell of Silver Lake will be the chef and his kitchen crew will be composed of Men's Club members - potato peelers, salad makers, meat carvers, and dish washers.

The 42 active members of the Women's Club have been sent complimentary tickets, reminding each to be sure to lay out her hubby's prettiest apron to wear while he waits on her for a change. These ladies will be seated at the head table and they will be otherwise honored, the Men's Club announces.

Music has been arranged and other entertainment also will be provided. The menu will include Valentine ice cream, and the big dining hall is being decorated in colorful keeping with Valentine's Day.

CAI CALENDAR

Sashabaw School

MISS COE'S 4th GRADE

We have just finished a unit on lumbering and the study of the monarch butterfly.

MRS. BECK'S 3rd GRADE

Michael Bates and Carl Kleinstuber have a perfect attendance record for the first semester.

The 3rd grade boys in Mrs. Beck's room and Mrs. Draker's room enjoyed a game of softball the week of Jan 14th.

MRS. HOLDING'S 1st GRADE

We have completed a study of the Eskimo. We now plan to study the life of Abraham Lincoln, George Washington and St. Valentine.

MRS. CRAK FORD'S 2nd GRADE

Recently we finished a unit about our friends, the postman and the post office. 32 children and Mrs. Crawford visited the Pontiac Post Office.

We have collected postmarks from different states and stamps from foreign countries.

We wrote a "thankyou" letter to the guide at the post office and a "get well" letter to Mrs. Wellmar when she was in the hospital.

MRS. HEDDEN'S 5th GRADE

Some of us had our pictures re-taken last week. The photographer also made a group picture of our class. We will each receive one. In our class treasury we have \$29.14. This money has been made on 3 candy sales. We plan to use the money when we go on a trip in the spring.

We would like to thank all of the mothers who have been so generous in making candy for the sales.

Our music teacher, Miss Sproul, is teaching us several songs to be sung at the next P. T. A. meeting. Alice Antilla is also going to entertain at this meeting with a piano solo.

MR. LANDON'S 8th GRADE

Joyce Filhart has returned to school this week after a week's illness.

Jack Smith will need a seeing eye dog if his poison sunnack doesn't get better soon.

Sashabaw News

The Brownie troops 224 and 225 are having a Mother and Daughter Tea at the school on Thursday, Feb. 14th at 3:30 P. M.

The Clinton Valley Cub Scout Pack Valentine party will be Thursday evening, Feb. 14th, at the school at 7:30.

John Vookoehnen and Larry Spencer have been appointed to take Eugene Keech's place as secretary-treasurer of the cub pack. Marvin Cascaddan has also been added to the pack committee.

Mr. and Mrs. Eugene Keech have sold their home and will move to Pontiac in the near future.

Mrs. James Rogers has returned home from several weeks stay in General Hospital.

Mrs. Vernon Kath was pleasantly surprised by a visit from her sister, Mrs. J. O. Bullock and her brother, Herbert Cummings of Bellaire, Michigan.

Springfield News

Mrs. Stanley Furman Correspondent

Pvt Don Ridgeway is home from Camp McCoy, Wisconsin, to spend a few days leave with his parents, Mr. and Mrs. Verne Ridgeway.

Mrs. Andy Hinson has recovered from the chicken pox and now all of her children have them.

The mothers of the boy scouts will be glad that the boys have finished their carving project.

The Boy Scout Banquet will be held on Saturday evening at the Independence Township Community Center.

Mr. and Mrs. Stanley Rader spent Sunday in Ortonville at the home of Mr. and Mrs. Floyd Hubble.

The cubscouts of den 4 decided last Thursday evening to send Kenneth Carte a gift from the den. Kenneth has gone to Hico, W. Va.

Donald, 1 1/2 year old son of Mr. and Mrs. Carl Kinkle, has been ill with pneumonia.

Sam and David Miller and Jack

Jantz were in Atlanta, Mich., last week and they brought back a load of fence posts.

Mr. and Mrs. Oliver Baur of Hillman, Mich., are spending a few days at the home of Mr. and Mrs. Raymond Baur.

Mr. and Mrs. Bob Stellar of Metamora spent the weekend with Mr. and Mrs. Arthur Towne.

Mr. and Mrs. George Ivey, formerly of Pontiac, are living in the Ralph Watson trailer.

Richard Snover, scout master, Herbert Parrott, assistant scout master, and all of the patrol leaders attended a green bar meeting at the home of Mr. and Mrs. Stanley Furman last Friday evening.

Mr. and Mrs. Werner Beckman spent Sunday with Mr. and Mrs. Floyd Hubble in Ortonville.

June Anne Rader is having an interesting time these days watching her small parakeet grow.

Brenda Jean Gabbard celebrated her third birthday on Wednesday.

Mrs. Charles Carte will celebrate her birthday today (Thursday).

Mr. and Mrs. Clarence Miller of Williamston spent Sunday at the home of Mr. and Mrs. Frank Huff.

Mr. and Mrs. Stacey Furman and sons, Bob and Buddy, and Bill Carte attended the wrestling matches at the arena in Flint on Saturday evening.

Mrs. Bob Garman of Detroit spent several days of last week at the home of her parents, Mr. and Mrs. Verne Jarvis.

Myron Strasburg has returned to Camp Custer after spending a 30 day leave with Mr. and Mrs. Frank Huff.

LEO'S VALENTINE TO LARAINE

Leo Durocher, fiery manager of the New York Giants, underwent a startling change of character last summer. He made friends with sportswriters and fans. He started treating umpires like human beings. What happened to "The Lip"? He says, "Everything I have I owe to Laraine's loving guidance - including the 1951 pennant!"

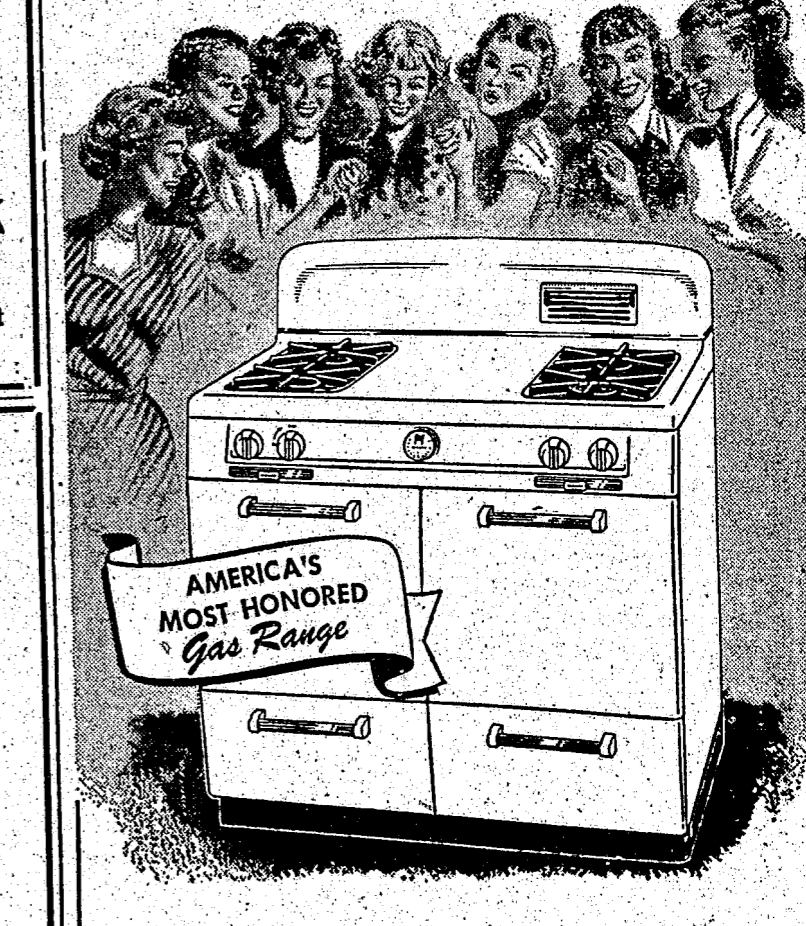

Read "Leo's Valentine to Laraine", Durocher's heartwarming tribute to his wife, in the Sunday, February 10 issue of the American Weekly.

The Hilltopper

CLARKSTON GIRLS WIN

Last Wednesday, January 30, 1952 our peppy girls basketball team beat a Pontiac High team 28-8. Ann Spohn led our forwards as high point girl. Congratulations are also in order for our guards who really kept down the Pontiac team's score. On Wednesday, Feb. 6th, the girls will play Holly here at Clarkston. The game will be at 3:45.

LEAGUE MEETING HELD AT MILFORD

A general meeting of the Wayne-Oakland League was held at Milford on last Wednesday evening, January 30. Representatives from Roosevelt High School at Keego Harbor and from Brighton High School were present to apply for admission into the League. The Board of Control voted to admit both schools, and so our league now has seven members consisting of Holly, Clarenceville, Milford, Clarkston, Keego Harbor, and Brighton.

DEBATE TOURNAMENT AT HOLLY

On Thursday, January 31, the third debate tournament was held in the Wayne-Oakland League. In the afternoon round Clarkston's negative team, Delphine Marshall and Pat Tisoh were defeated by Northville in a very close decision. The judge for this debate was Thurman Hassis of Lansing Sexton High School. He remarked that this was one of the most interesting debates on the topic of conscription that he had heard, and he had judged twenty debates so far this season. In the evening contest Clarkston's affirmative team, Mickey Palazzola and Terry Brown also were defeated by Northville debaters. This debate was judged by Dr. Bernard Knittle of Michigan State College. Although Clarkston lost both contests, debate coach, Patricia Sities

was greatly pleased with the fine showing our debaters made against the far more experienced Northville students. Except for Terry, Clarkston's contestants are first year debaters. In fact, Pat Tisoh had debated only once previous to the Northville contest. The Northville students however, have had from two to four years experience, and are excellent debaters.

The last league debate tournament will be held at Clarenceville on February 6.

SEVENTH GRADE NEWS

During the past week the seventh graders have been investigating various vocations in conjunction with their arithmetic work which is entitled "Ways of Earning a Living". Each student wrote an article about the occupation he or she might choose in the future. Among those most frequently mentioned by the boys were: farmer, mechanic, truck driver, rancher, policeman, doctor and a service man. Teaching, nursing, and secretarial work were the most popular choices of the girls. At present in arithmetic class the students are studying bar and line graphs.

Besides weekly spelling tests the seventh graders are busy in English class studying the parts of speech and principal parts of verbs. They have completed several exercises in their grammar workbooks, and now some time is being devoted to literature.

The second semester of the 7th graders' dopping geography for Michigan History. The Michigan History course is a combination history and geography unit. The history receives most of the attention early in the year and the geography will be emphasized in the spring.

The General Science work last week dealt with soil formation. The students previously had studied the formation of rocks; therefore, they were ready to understand how soil was a result of weathering upon the rocks. Tuesday a test on Chapter V Soil Formation will be held.

We are proud of the seventh grade clan who had courage to participate in the talent show on Friday. This experience should eliminate some of the stage fright, accompanied by knocking knees, in the future.

This week is one of special importance, as seventh grade boys are opponents of the eighth graders at the basketball game Tuesday Night. The players who hope to bring us fame are: George Lang, Douglas Alexander, Fred Vess,

Carl Carpenter, John Holsler, Donald Alexander, Raymond Dawley, Bill Froling, Johnny Reynolds, and Robert Rader. Spurring the team to victory will be cheerleaders Sharon Glennie, Suellen O'Dell, Shirley Jenks, Carol Harmon, Janet Sue Willoughby, and Pat Thayer.

DRIVER TRAINING COURSE ADDED TO CURRICULUM

The Board of Education at its last regular meeting voted unanimously for the addition of a driver training course to the school curriculum for the fall semester of 1952.

Surveys throughout the United States point definitely toward a decrease in the number of accidents due to teen age drivers where driver training has been given.

Highways are becoming more and more heavily traveled. Automobiles have increased speed. The number of accidents have been increasing rapidly, until in the year of 1951, we had in the state of Michigan approximately 1600 fatalities and 478,750 casualty accidents. The following chart illustrates the increase in teen age fatalities in Michigan in 1946 as compared to 1950.

Age	No. of teen agers in fatal accidents	1946	1950
15 and under		11	14
16 - 17		59	40
18 - 19		89	114

Because the young people must be confronted by the necessity of traveling by automobile and become a part of the hazardous conditions upon the highways, it is fitting that the public schools provide the necessary training to make them as safe a driver as is possible.

The course will not only apply the practice of safe driving principles, but provides a rather thorough understanding of the mechanism and care of automobiles.

It is the purpose of this course that children as they become of age to apply for a drivers license

may enroll. The final examination will be given in cooperation with the Oakland County Sheriff's Department. The students will be given individual driving tests, and if they pass it satisfactorily they will be issued a drivers license.

Experience throughout the country makes it evident that driver training is only satisfactory when taken before the student has come little if any driving. Children having had some previous driving experience are prone to dismiss any further teaching because as they say, "We already KNOW how to drive". (?)

The Grist Mill

by Ed Jichin
County Agricultural Agent

A lot of folks attended the Michigan State College Farmers' Week last week from around Oakland county. Everyone I talked with seemed to be enjoying themselves immensely.

Now for a little report on what your county agent found interesting during Farmers' Week. Probably of greatest interest was the grassland farming economics meeting put on by the Agricultural Economics Department, with Everett Ellwood, John Doniph, Karl Vary, Ray Hozard and a couple of farmers, one doing grassland farming and the other not doing grassland farming.

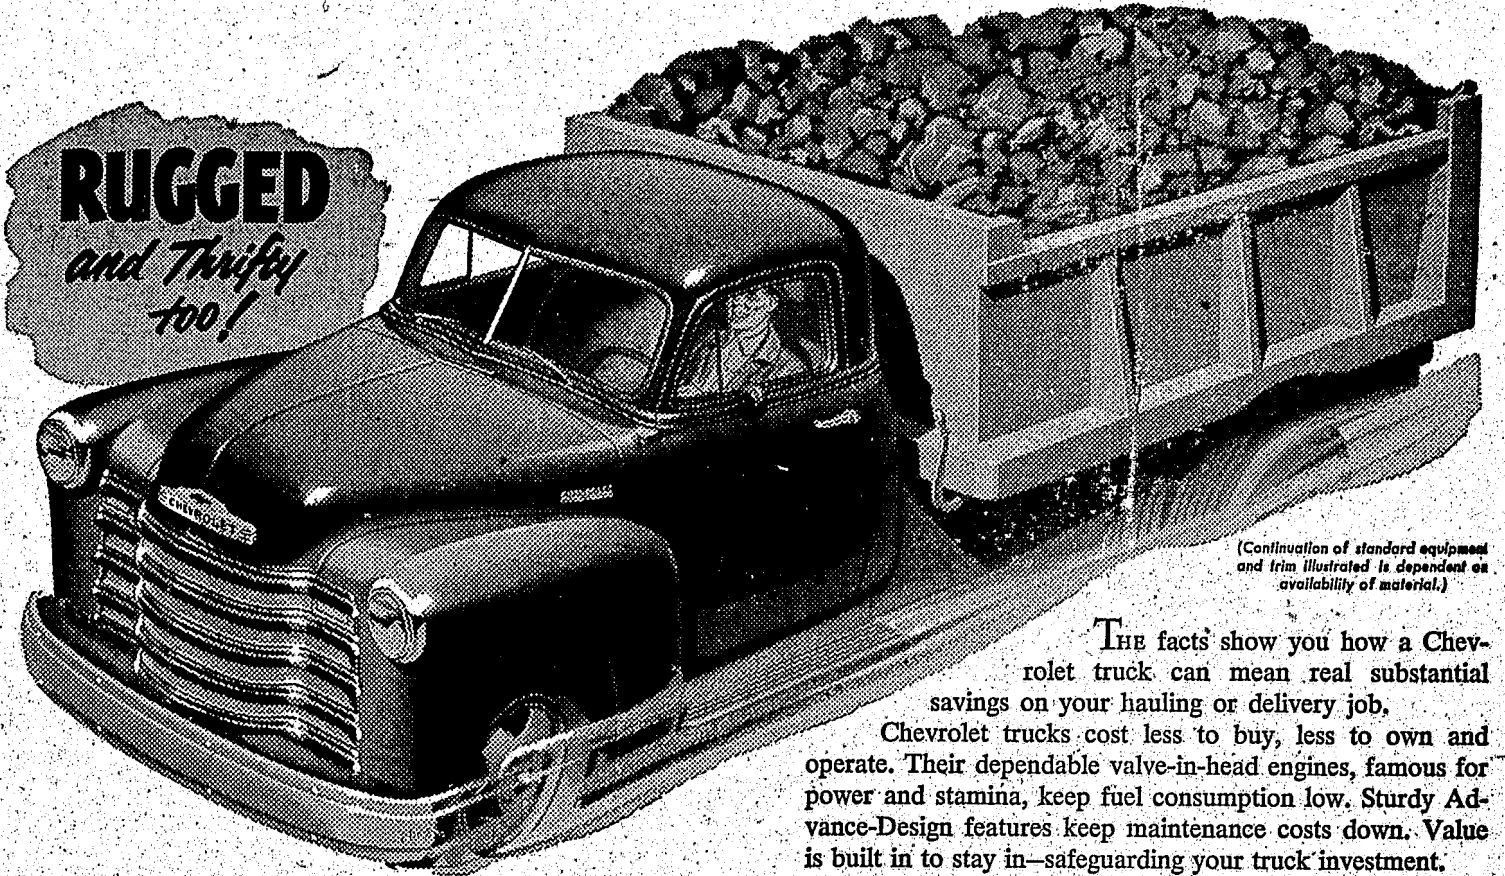

The whole economics of grassland farming boiled down to five main points that should be considered by farmers when determining the amount of grass on his farm: 1 - The type of soil and the lay of the land on the farm.

2 - The amount of capital available for investment and increased livestock and machinery. 3 - The amount of labor available. 4 - The size of the farm operation. 5 - The farmer's own personal likes and dislikes.

High points in the discussion of these main problems were the way that grass is used on the farm and repeatedly it was pointed out that if we were going to have grass it must be utilized to make a profit. There was, of course, a definite increase in investment in livestock, a slight increase in investment in machinery and greater labor requirements, all of which are variable, depending upon the amount of capital that a farmer feels he can invest, and how wisely he uses his management abilities.

Let's get down to the Solid Facts!

Chevrolet Trucks Can Save You Money
All Along the Line

(Continuation of standard equipment and trim illustrated is dependent on availability of material.)

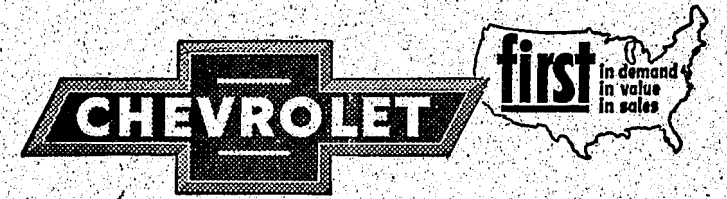

The facts show you how a Chevrolet truck can mean real substantial savings on your hauling or delivery job. Chevrolet trucks cost less to buy, less to own and operate. Their dependable valve-in-head engines, famous for power and stamina, keep fuel consumption low. Sturdy Advance-Design features keep maintenance costs down. Value is built in to stay in—safeguarding your truck investment. All over America there are more Chevrolet trucks in use than any other make. Come in and talk over your truck needs.

Fact No. 1—More Truck for Less Money

Fact No. 2—Rock-Bottom Operating Costs

Fact No. 3—Engineered and Built for Your Loads

Fact No. 4—Lower, Slower Depreciation

other than Sunday, a legal holiday, the day of any regular or special election or primary election, and the days intervening between the 30th day preceding any such election or primary election and the day of said election or primary election, receive for registration the name of any legal voter in said village not already registered who may Apply To Me Personally for such registration.

The last day for General Registration does not apply to persons who vote under the Absent Voters' Law. (See Registration by Affidavit.)

Notice is hereby given that I will be at 154 W. Church St. Sat., Feb. 9, 1952

THE THIRTIETH DAY PRECEDING SAID ELECTION, AND Mon., Feb. 11, 1952

As provided by Sec. 10, Chapter 1, Part 2a, Michigan Election Law — 1951 Revision.

Sec. 10. In every township, city and village the clerk shall be at his office, or in some other convenient place therein which place shall be designated by the township, city or village clerk, as the case may be, between the hours of 8 o'clock a. m. and 8 o'clock p. m., on the 30th day preceding any election or primary election in such township, city or village, unless such 30th day shall fall on a Saturday, Sunday, or legal holiday in which event registration shall be accepted during the next full working day. Provided, that in case the 30th day falls on Sunday or a legal holiday, he shall be at such place on the first preceding day which is not a Sunday or a legal holiday. In any township, city, or village in which the clerk does not maintain regular daily office hours, the township board or the legislative body of such city or village may require that the clerk of such township, city or village shall be at his office or other designated place for the purpose of receiving applications for registration, on such other days as it shall designate prior to the last day for registration, not exceeding 5 days in all.

Notice is hereby further given that I will be at 154 W. Church St., Wednesday, February 6, 1952, from 8 o'clock A. M., to 5 o'clock P. M.; Thursday, February 7, 1952, from 8 o'clock A. M., to 5 o'clock P. M.; Friday, February 8, 1952, from 8 o'clock A. M., to 5 o'clock P. M. The name of no person but an ACTUAL Resident of the precinct at the time of said registration, and entitled under the Constitution, if remaining such resident, to vote at the next election, shall be entered in the registration book.

"The inspectors of election at any election or primary election in this state, or in any district, county, township, city or village thereof, shall not receive the vote of any person whose name is not registered in the registration book of the precinct in which he offers to vote."

All the provisions relative to registration in Township and Cities shall apply and be in force as to registration in Villages. Dated this 28th day of Jan. A. D., 1952. Russell Colton, Clerk of said Village

LEGAL NOTICES
ESTES & COONEY, Attorneys, 812 Pontiac State Bank Building, Pontiac, Michigan
MORTGAGE SALE
DEFAULT having been made for more than thirty days in the terms and conditions of a certain mortgage made by Oren Frick and Flossie Mae Frick, his wife, of Ortonville, Oakland County, Michigan, Mortgagees, to Harry E. Fenske and Minnie H. Fenske, his wife, Mortgagees dated the 2nd day of August, A. D. 1947, and recorded in the office of the Register of Deeds for the County of Oakland and State of Michigan, on the 15th day of November, A. D. 1947, in Liber 2185 Oakland County Register of Deeds Records on pages 159 and 160, on which mortgage there is claimed to be due, at the date of this notice, for principal and interest the sum of One Thousand Nine Hundred and 50/100 (\$1,912.50) dollars, and an attorney's fee of Fifty (\$50.00) dollars, as provided for in said mortgage, the said or proceeds in said mortgage, the said or proceeds instituted to recover the moneys secured by said mortgage or any part thereof.

NOTICE IS HEREBY GIVEN, that by virtue of the power of sale contained in said mortgage, and the statute in such made and in force at law or in equity having been instituted to recover the moneys secured by said mortgage or any part thereof, the undersigned will at the eastern or Saginaw Street entrance of the Court House in the City of Pontiac, Oakland County, Michigan, (that being the place where the Circuit Court for the County of Oakland is held), sell the premises described in said mortgage, or so much thereof as may be necessary to pay the amount so as aforesaid due on said mortgage, with seven per cent interest, and all other legal costs, charges and expenses, including the sums which may be paid by the undersigned, necessary to protect his interest in the premises, which said premises are described as follows: Lot 2, certain piece or parcel of land situate in the Village of Ortonville, in the County of Oakland, the State of Michigan and described as follows: To-wit: 53 of Assessors' Replat of Original Plat, part of Sections 7 and 18, Town 5 North, Range 2 East, according to plat thereof recorded in the County of Oakland on page 25, Oakland County Records.

PRESENT: Hon. ARTHUR E. MOORE, Judge of Probate. In the Matter of the Estate of Sarah Lowery, Deceased.

Percy B. Lowery having filed a petition praying that an instrument filed in said Court be admitted to Probate as the last will and testament of said deceased, and that administration of said estate be granted to the petitioner, the executor named in said Will, or to some other suitable person.

It is Ordered, that the 18th day of February, A. D. 1952 at 9 o'clock in the forenoon, at said Probate Office, is hereby appointed for hearing said petition.

It is Further Ordered, That public notice thereof be given by publication of a copy hereof, once each week, for three successive weeks previous to said day of hearing, in the Clarkston News a newspaper printed and circulated in said County, and that prominent cause a copy of this notice be served personally or by registered mail, return receipt demanded, to each

of heirs of said deceased, assignment of residue of said estate, and for discharge of said administrator.

It is Ordered, that the 25th day of February, A. D. 1952 at nine o'clock in the forenoon, at said Probate Court in the Court House in the City of Pontiac, Michigan, be and is hereby appointed as the time and place for hearing said petition.

It is Further Ordered, that public notice thereof be given by publication of a copy of this order, once each week for three successive weeks previous to said day of hearing in The Clarkston News a newspaper printed and circulated in said County.

ARTHUR E. MOORE, Judge of Probate. RONALD A. WALTER, Attorney, 5 South Main Street, Clarkston, Michigan. Jan. 31; Feb. 6, 13, 20

NOW GET UP TO 6.9% MORE HOT WATER AT NO EXTRA COST!

Get the WHITE ELECTRIC WATER HEATER WITH THE SENSATIONAL WATER-HOTTER

People who own a White are lucky! They have really HOT water, not warm water... and they get MORE of it... always. That's because White has the "WATER-HOTTER" — an internal baffle designed to keep the incoming cold water from mixing with the hot water. Yet a White costs nothing extra for current or for the heater itself! Why accept less than White gives you?

10-YEAR WARRANTY Ten years from now and every day between, your White is guaranteed; we've never known a White to wear out! You'll have HOT water and MORE of it at NO extra cost! Better see this great heater now!

BARGAIN! Come In! IT'S A PLEASURE TO SHOW YOU THE WONDERFUL WHITE!

Seek Men who Inspire Trust and Esteem

Four thousand years ago, practitioners of the healing arts were impelled to organize in order to shield the public from the impostures of quacks and charlatans. Similar organizations have been carried along the current of history to the present day. Today the great national associations of physicians, pharmacists, dentists, and nurses work separately and harmoniously to keep educational standards high, the impostors out. You cannot exercise too great care in securing the advice of those whose ethical concepts inspire trust and esteem. When ill, consult a registered Doctor of Medicine. If medication is needed, bring your prescription to us.

Drayton Drug Store E. G. GREER, Prop. Drayton Plains, Michigan

Any way you figure it... ELECTRIC WATER HEATERS are finest for family use

Costs only pennies a day to operate on special water heater rate. Try it. You'll like it. No soot! No smoke! No fuel! Put it in the kitchen if you wish. Clean as can be. Finest hot water service that money can buy... just install and forget it... for years and years. No charge for installation in most residences. Go electric... there's a wonderful difference!

IT ALL ADDS UP... the finest WATER HEATER you can buy

The understanding that Spirit is God is emphasized in the Lesson-Sermon for Sunday, February 10, to be read in all Christian Science churches under the subject "Spirit-It".
The Golden Text is from Psalms (143:10): "Teach me to do thy will; for thou art my God; thy spirit is good; lead me into the land of uprightness."
Among the Bible citations is this passage, (Ps. 139:17): "How precious also are thy thoughts unto me, O God! how great is the sum of them!"
Correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include: "Spirit being God, there is but one Spirit, for there can be no infinite and therefore one God." (p. 334)

FISH SPEARING SEASON THROUGH FEBRUARY
Fish spearing season, which has proceeded a few big ones, continues through February 29.
Largest fish reported by conservation department field men is a 110-pound sturgeon hauled from Mullett lake. Record is a 310-pounder caught on the Lake Michigan shore north of Benton Harbor in 1943. The giant had a deep gash near the tail, probably the result of being struck by a boat propeller.

Biggest of the current season is a 56-pound muskellunge reported speared in Clam Lake, Antrim county. Top muskie of record in recent years is a 62-pound one caught in Lake St. Clair in 1950.
Besides these two species, spearing through the ice is legal on inland waters including designated trout waters for taking northern pike, whitefish, lake trout, carp, suckers, mullet, sheepshead, redhorse, smelt, cisco, pilotfish, catfish, bullheads, dogfish and garpike.
No spearing is permitted in Houghton, Otsego or Brevort lakes. There are no catch or size limits on mentioned species, except as

follows: five northern pike, 14-inch minimum size; seven whitefish; two sturgeon for season, 42-inch minimum; muskellunge, 30-inch minimum; and two lake trout.
FRUIT AND GARDEN NOTES
by Willard E. Bossman, Assistant County Agr. Agent
TOP WORKING FRUIT TREES
Last week we discussed selecting scions for top working fruit trees. Possibly I got the cart before the horse because this week I shall discuss, "Why Graft?"
One reason for grafting is to change the top of an undesirable variety or a worthless seedling to some preferred variety. This type of grafting is practiced by nurseries because many fruits do not produce trees of value from seedlings, so desirable stock is grafted onto seedlings.

Secondly, grafting is used to introduce varieties for pollination purposes where there is only one variety of a fruit that is self-unfruitful. Many of the sweet cherries fall in this category.
Thirdly, to overcome varietal weaknesses, as susceptibility to disease and winter cold, by top working the desired varieties on certain disease resistant, hardy stock.

Fourth, and in which home fruit gardeners are interested, is grafting several varieties on one tree.

All kinds of upholstering done by Alvin Grate, phone MA ple 5-3187.

10 MISTAKES GRANDPARENTS MAKE
A list of 10 major complaints psychologists, educators, social workers and parents have against today's older generation appears in an interesting and informative article, "Mistakes Grandparents Make", in this Sunday's issue of The American Weekly, exclusively with The Detroit Sunday Times. All parents, and grandparents, also, are urged to read the important message.

Brighten up that basic black number. Embroider a black velvet cummerbund in bright colors. A cummerbund, you know, is a wide belt in front that tapers off in the back. A jeweled pin or gold medallion pinned to a black ribbon, which slips over the belt, adds waistline interest, too.

Good buys in pork indicate that lots of little pigs are going to market. The shoulder, a most economical cut, is positively delicious fixed like this. Make a stuffing of dry bread crumbs, raisins, chopped apple and onion, salt and melted vitaminized margarine. Fill shoulder; roll. Tie up and bake in a slow oven till pork is well done.

Have you ever filled baked apples with cranberry sauce or orange marmalade? Mighty good!

BEFORE YOU INVEST IN ANY FINE CAR... COME DRIVE THIS CHRYSLER V-8 ENGINE!
HEART OF FIREPOWER: This hemispheric combustion chamber, with large, well-cooled valves right in the dome, is the basic reason FirePower outperforms all previous engines, even on non-premium fuel.
WHETHER you plan to buy a Chrysler or not, we cordially invite you to drive this revolutionary Chrysler FirePower V-8 engine. Only FirePower performance can possibly tell you what it is like. We want you to have that experience. The FirePower engine is a basic new design so advanced it can meet rising performance needs for years to come. Today it delivers 180 horsepower, even on non-premium fuel, and when desirable with simple changes in manifolding, compression, and carburetion the horsepower can be raised to 250... or over 300, as in the experimental Chrysler K-310 car. Naturally, others will imitate this Chrysler achievement, at least in part. We honestly believe that the FirePower engine will outperform any other car in America... and we invite you to learn the new standard in engine performance Chrysler has set by driving it yourself.

NEW UTILITY PLAN IS READY

(continued from page one)

it from one room to another to help you in your food preparation or ironing. You will especially enjoy the sliding lapboard, 25 inches from the floor, which allows you to sit while you work in your kitchen. And don't be concerned about the table running away. Miss Meyer designed casters which lock. Two of the table legs have these locks which make them stationary. There is a drawer in one end, too. This is a convenient storage place for your everyday silver, napkins, and table mats. And if you like to entertain, this table will help you. It is useful in the sick room at a convalescent's bedside. Better investigate it now and learn the whole story. Write today for your free copy of Extension Folder T-163, which gives you a brief illustrated story of the wonders of this convenience which can be made at home. As

you open the folder you see the drawings, the working plans, and models. Send your request to the Oakland County Extension Office, 1280 West Boulevard, Pontiac.

Waxed candles that have been thoroughly chilled in the refrigerator will burn more slowly, thus lasting a longer time, according to Michigan State College home economics extension specialists.

A sheet of plastic fastened to the wall behind the stove will keep your kitchen looking cleaner. Grease often splatters on this wall area, but plastic can be wiped clean in a jiffy.

Card Of Thanks

We cannot adequately express our deep appreciation to all who have been so kind and thoughtful during our daughter, Jacqueline's illness, while she was in the hospital and since she has been home. The cheery messages brought by cards, flowers and gifts helped to brighten what would have been gloomy days in the hospital. We especially thank Miss Boyd, Jacqueline's school teacher, who has been so kind, cooperative and understanding.

J. D. and Marie Powell

Card Of Thanks

My grateful thanks are extended to my friends and neighbors for their thoughtfulness while I was in the hospital and since I have been convalescing at my home. The cards, flowers and calls helped to shorten and brighten the days in the hospital, and made me realize that friends contribute much towards making life worth living.

The Locker Plant Does It Best

PROCESSING
Cutting, grinding, honing and trimming of meat can best be done by the locker plant which has the equipment, the experienced help, and the "know-how" to do the work economically, and expertly — without waste.

WRAPPING
Proper packaging of foods for freezing is all-important. The locker plant uses the correct moisture-vaporproof wrappings and applies them with the latest methods.

SHARP-FREEZING
It is essential that foods for storage in a locker or home freezer be quick-frozen at sub-zero temperatures. We have refrigeration equipment capable of freezing huge quantities of foods.

ZERO STORAGE
All frozen foods should be kept at a constant zero temperature. The zero service we offer is the cheapest refrigeration in the world... a frozen food locker at the cost of a daily newspaper!
