CLARKSTON, MICHIGAN, THURSDAY, MAY 15, 1952

League Banquet Closes Season

The Tri-City Bowling League closed its 1951-52 bowling season last Saturday night with a banquet at Mt. View Country Club, where a fine chicken dinner was enjoyed.

Stan Radoye, past president, presided, Fred Hemingway gave out the awards while a guest, William H. Stamp, presented the plaque to the bowler making the best improvement during the year. The winning team was Johnson-Anderson Engineering Company. The winning individual with team high and series high was A. Kinsey.

The Don Pringle Chevrolet team won the single high team score while the Clintonville Grocery won the team series goal. Entertainment was provided by a clever magician and following this act two very pretty technical films were shown. One gave the life of the Sioux Indian from tribal days to the present while the other was a nature film which was very interesting.

President for the coming year is F. Anderson while B. Giroux will act as treasurer and George Keelane will serve as secretary.

GET YOUR POPPY MAY 22-23

Over your heart you place your hand when repeating the Pledge of Allegiance. It's a symbol of loyalty to our flag. Over your heart you wear a Memorial Poppy on Poppy Day — in loyal memory of those who died to keep that flag free. So, get your Poppy from the local American Legion Post and Auxiliary on Thursday or Friday, May 22-23. Wear it proudly. Help keep memory bright!

Children Entertain At Mothers' Tea

"How happy I would be if you would come to our Mothers' Tea!" These were the words that appeared on the little handmade invitations which were received by mothers of children attending the Andersonville Building of the Clarkston Community Schools asking them to come on the afternoon of May 9th for tea.

A program was prepared by the children and planned by their teacher, Miss Barbara Moen. The twenty-five mothers who were able to be present were delighted with the little, handmade place-cards and tea napkins as well as the little program announced by Theresa Ollie.

Ellison Murton welcomed the mothers, after which each child presented his mother with a corsage of violets. Twelve children sang "Mother". James Guiger recited "I Love My Mother" and John Studebaker sang "I Wouldn't Trade the Silver in My Mother's Hair". Tea was served with Carol Saitz pouring at a beautifully appointed table.

Joseph C. Bird Chapter, 294, O. E. S., is sponsoring a card party on Saturday evening, May 17th in the Temple at 8 o'clock. There will be prizes and refreshments. The public is invited.

Local Boys Receive Eagle Scout Badge

On Saturday evening, May 17th, parents and sons and all interested in the work of the Boy Scouts will gather at the Township Community Center at 6:30 for a pot-luck dinner. The dinner will be followed by a Mothers' Court of Honor when mothers will present their boys with scouting awards that they have earned.

One of the highlights of the evening will be the presenting of the Eagle Scout badges to two local boys, Donald Turek and Vaughn Walton. This badge is significant.

DONALD TUREK

Honored of the highest rank in scouting and is awarded by the National Council of Boy Scouts of America.

Donald, who is 15 years old, is the son of Mr. and Mrs. John Turek of 6 E. Church St. He became a Tenderfoot in November, 1948. He received his 2nd class badge in March, 1950 and 1st class in August, 1950. Donald became a Star Scout in December, 1950 and went on to receive his Life Scout rank in August, 1951. Now on Saturday evening he will be honored with the rank of Eagle Scout.

Donald has been a true scout worker, with the scout oath always uppermost in his mind. He has served as Den Chief for the cub pack and scribe and senior patrol leader for the troop. At present he is Junior Assistant Scout Master and Senior Leader for the Explorer Crew. He is a member of the Order of the Arrow. Besides his work in scouting he is active in his school work. He is president of the freshman class at the Clarkston High School and Theresa Ollie.

Ellison Murton welcomed the mothers, after which each child presented his mother with a corsage of violets. Twelve children sang "Mother". James Guiger recited "I Love My Mother" and John Studebaker sang "I Wouldn't Trade the Silver in My Mother's Hair". Tea was served with Carol Saitz pouring at a beautifully appointed table.

Joseph C. Bird Chapter, 294, O. E. S., is sponsoring a card party on Saturday evening, May 17th in the Temple at 8 o'clock. There will be prizes and refreshments. The public is invited.

FAMILY GATHERING ON MOTHER'S DAY

Last Sunday Mr. and Mrs. Richard Bullen were hosts at a family gathering at their home on Robertson Court.

To start the day right the Bullens and their guests attended the morning service at the Clarkston Methodist Church. From there they went to the Bullen home where dinner was served. Mr. and Mrs. Ward Bullen of Mason, Dick's parents, were happy to be here with their five children and ten grandchildren. Included were Mr. and Mrs. Russell Robbins and family, Mr. and Mrs. Sam Cotton and family and Mr. and Mrs. Wayne Bullen and family, all of Mason, Michigan, and Mr. and Mrs. Jack Wignall and family of Clarkston. Other guests were Mr. and Mrs. Charles Robinson and family and Mr. and Mrs. Russell Colton and son, Donald all of Clarkston.

The Joseph C. Bird Chapter, O. E. S., will hold Friendship Night in the Clarkston School auditorium on Friday, May 23rd. Officers from County Chapters will be invited to do the initiatory work.

DIXIE SADDLE CLUB SETS 1952 HORSE SHOW DATE

The Dixie Saddle Club announces the date of Sunday, September 7, 1952 as this year's Horse Show date; raindate is September 14. More exact number and kind of events will be published later; it is sure that both English and Western events, for adults and children, will be featured. The place is as other years, Glenn Ellis' grounds, where the club hopes to erect new buildings, permanent ring fences and other conveniences to participants in the show.

May Festival Friday Evening

The Senior Girls' Glee Club of the Clarkston High School, directed by Miss Ruth Sproul, and the Senior Band under the baton of William H. Janton, will be presented in the Annual May Festival on Friday evening, May 16th, in the school auditorium, starting at 8 o'clock.

The program will be varied to suit every taste for music. The first part of the program will be by the Glee Club. There will be solos, trios, sextettes as well as numbers by the entire club.

The Band has been doing some real practicing in the hopes that they will be able to give you an evening of fine musical entertainment.

The public is urged to attend. Encourage these young musicians and vocalists by packing the auditorium.

is a member of the track team.

Vaun is 17 years old and is the son of Mr. and Mrs. Ralph Walton of 9662 Hadley Road. He, too, has been a faithful worker in the Boy Scouts and he has enjoyed working for the awards he has received since 1947 when he became a Tenderfoot. He received his 2nd class badge in February, 1948 and his 1st class in October, 1948. In October, 1949 he was made a Star Scout and by March, 1950 he had earned the rank of

VAUN WALTON

Life Scout. On Saturday evening his parents, his friends, his Scout Master and the rest of his troop will be proud when he receives the highest scouting rank of Eagle Scout.

Vaun has served as Den Chief for cub pack 49 and also as Senior Assistant Scout Master for the past year. He is a student in the tenth grade at the Clarkston High School.

Both boys have been and are very active in promoting scouting in this community.

The public is invited to attend the pot-luck dinner and ceremony on Saturday evening.

Robert Olson Weds In New Mexico

Word has been received here of the marriage of Sergeant Robert L. Olson, son of Mrs. Florence Olson of Albuquerque, formerly of Clarkston, to Inez Procter, daughter of Mr. and Mrs. Leonard Procter of Lampasas, Texas.

The wedding took place at the First Avenue Baptist Church in Albuquerque with the Reverend L. M. Walker officiating.

The only attendants were Mr. and Mrs. Frank Sportell.

The newlyweds will live in Albuquerque to be close to the Sandia Air Base where Bob is stationed.

General Guild Plans Activities

General Guild of Our Lady of the Lakes Church met Wednesday evening, May 7, in the parish hall with Mrs. Milton Harrington conducting the business meeting.

Plans were made for a bake sale, June 1, after the masses in the hall. Mrs. Arthur Zettie is chairman.

Cancer pads will be made on the third Wednesday of every month from 10:00 A. M. to 2 P. M. in the hall.

Next meeting will be June 4.

Clarkston Local

Mrs. Louis F. Walter and Mrs. David Newland returned to their homes in Clarkston last Friday from St. Petersburg and Delray Beach, Fla. They drove home by way of the Great Smokies and made many side-trips. The weather was ideal and they say that the new green and the gorgeous blooms on the mountain sides were breathtaking. They were a little disappointed to arrive in Michigan and find such cool, miserable weather.

Library Board Report For 1951-52

Three meetings of the Elementary Library Board of Clarkston Community Schools have been held during the year, September 12th, February 8th, and May 6th.

Volunteer librarians for the year have been the following: Mrs. Thomas H. Wilson, Mrs. Howard Huttenlocher, Mrs. Harold Bauer, Mrs. Michael Hart, Mrs. Virgil Campbell, Mrs. Rockwood Bullard, Mrs. James Glennie, Mrs. Arnold Mann, Mrs. Fred Hancock, Mrs. R. E. Spohn, Mrs. Jack Jyleen, Mrs. Edward Thomson, Mrs. Vern Spooner, Mrs. William Dunston, Mrs. Fred Turek, Mrs. Edmund Gunter, Mrs. Don Beach, Mrs. Floyd Hammond, Mrs. Philip Smith, Mrs. Ralph Kreger, Mrs. Walter Barrows, Mrs. Kenneth Hogg.

Certainly these names indicate the widespread and enthusiastic interest in the Library as a definite contribution to the daily life of the elementary child.

Mrs. Thomas Wilson is to be complimented on her invitational selection of such an excellent group devoting one afternoon a week to our library for the entire year. Assisting these staff librarians were thirty-one sixth grade girls who have taken daily responsibility for the care of the library and its properties.

Mrs. Sylvia Donay and Miss Joan Myers have been most helpful in instructing these girls in Library acumen. Miss Ruth Sharpe and Mrs. Floyd Hammond are to be proud of their part in this work too.

Girl Scouts under direction of Mrs. R. Ruggles prepared seasonal library exhibits and grade room teachers directed preparation of unit work exhibits which were displayed in our library.

During the year, 150 new books were added to our shelves, making the total number 1313. Some of these books were gift selections.

At a principal-teacher conference a list of books were suggested and those books were purchased by our Board of Education to be used in gaining factual information by history, geography and music classes. This conference gesture by Miss Ruth Sharpe has brought added teacher-pupil interest in our library.

In November, in recognition of National Book Week, the annual Library Silver Tea was held. Mrs. Howard Huttenlocher acted as chairman. Fifth and sixth grade pupils of Mrs. Sylvia Donay's room presented the program which was followed by a Book Fair directed by Mrs. Thomas Boothby of The Old Farm Shoppe. Our board members personally issued written invitations to two hundred women of the Community. One hundred and two were present and over eighty dollars was added to our fund. The work of Mrs. Wilson, Mrs. Jack Jyleen and Mrs. Huttenlocher on this tea is to be commended as a distinct contribution to its success.

On February eighth a Coffee was held at the library at which time Mr. Leslie Greene, Superintendent of Schools, and a member of our board, presented plans for our library in the new elementary building. These plans were brought about through a conference between Mr. Greene and Mrs. Mary Shanks, first chairwoman of our board, and with Mrs. Howard Huttenlocher, originator and organizer of the Clarkston Elementary Library, back in 1943. At that meeting it was voted to prepare a Memorial picture to Ruth Allen Vliet, using some Memorial Fund money. Upon moving into new building some other fitting Memorial to Mrs. Vliet will be prepared. Mrs. Fred Turek, a librarian, assisted in plans for this meeting.

Eleven articles of publicity have been printed in The Clarkston News through the cooperation and interest of Mrs. William Stamp of the News. Two articles have appeared in the Pontiac paper.

Mrs. Floyd Hammond with the assistance of Mrs. Arnold Mann, Mrs. Ralph Kreger, Mrs. Walter Barrows, Mrs. Edmund Gunter, Mrs. Jack Jyleen and Mrs. Harold Bauer have catalogued, filed and kept in repair our books. The recreation room of Mrs. Walter Barrows has saved us considerable monies and is most helpful contribution to our success.

Mrs. William Johnson as treasurer has kept for us a specific definite accounting. Our balance on hand on May sixth is \$134.00. That money is to be used for incidental operating supplies, new books designated as gift books and for an additional memorial to Mrs. Vliet.

Our Clarkston Community

Saddle Club Starts Building Project

On Wednesday, May 7, the Dixie Saddle Club held its monthly meeting at the Clarkston Community Building. The meat of the business at hand was a report of the Building Committee and discussion of plans in connection with erecting buildings, fence for showing, etc., on Glenn Ellis' property for the use of the annual Horse Show and other club activities.

Brahm Hemsing spoke for the Building Committee, composed of Russell Blackett, Sidney Maynard, Paul and Doris Weber. Mr. Hemsing had prepared line drawings showing the "lay" of the land, and the proposed sites for the showing, judges' stand, and refreshment stand. Drawings of each individual project, made to scale, were also handed around so that members could visualize the appearance of the various buildings. Mr. Blackett then came forward with an estimate of the cost of materials for each of these projects. He ended with a "pep" talk to have every member of the club who can handle a hammer, saw, or paintbrush come out on the days that club workbees will be organized.

Mrs. Perry, president, appointed the same building committee to extend its services to include the planning and supervision of the actual building of the proposed installations. A lively discussion followed as to the probability of getting metered electricity on the field, the possibility of having the Dearborn Motor Co.'s tractors dig the post holes for the show ring fence, the use of an old well close to the fence of the field in question, and the advisability of opening up a gate at the Bridge Lake Road side of the field.

The coming trailride on May 18 at the invitation of Mr. and Mrs. Royce Carey at Lapeer was then discussed. It is to be a pot-luck affair, and most members will have to find trunks to transport their horses. Many have already made arrangements and if the weather is turning out alright, this promises to be an enjoyable day.

A final reminder of the coming club's work bee; the dates; Saturday, May 17, at 1 o'clock; Saturday, May 24, at 1 o'clock; Saturday, May 27, at 1 o'clock. Everybody is requested to show up with his ambition, muscles and carpenter tools, if possible; the women are to come with pot-luck supper to keep up the strength, perseverance and good spirits of the menfolk! Hard work, but also a good time is in store for the club's members, with the rewarding result as the goal: new, neat and permanent show ring fence and stands for general all-around use and pleasure and especially suitable for the Horse Show held annually.

Mr. and Mrs. Paul Weber were hosts of the evening meeting; doughnuts and coffee vanished as fast as they were served.

Rotary Club News

The meeting of the Clarkston Rotary Club was held at the Community Center on Monday. The program was in charge of Mrs. Rachel Andersen, of Ann Arbor, who is in charge of part of the program for exchange students. She brought three German boys and one German girl. All five spoke. Mrs. Andersen explained how the program had worked out and the students explained life in Germany compared to the States and many other interesting questions of life in Germany were answered. Rudolf Schwarze complimented the students in their native tongue at the close of their program.

The dinner committee was in charge of Mrs. Leland Master, Mrs. Edmund Gunter, Mrs. Charles Robinson, Mrs. Elmer Pettengill, Miss Wilma Doebler and Miss Phyllis Beardsley.

Schools Elementary Library is for the use of every elementary child in our Community Schools and of the 900 Elementary children some 724 have taken out at least one book. These children have been given the opportunity and privilege of entering a library, of selecting a book, either by themselves, or with the gracious assistance of one of our volunteer librarians.

Each book will be found on the accredited list from the Children's Library, University of Michigan as well as on that list of the American Library Association, carefully and discerningly chosen to meet the requirements of our children.

Our board is indeed proud of the library, modern in emphasis on child development and traditional in its thoroughness, designed to help our children grow in knowledge and understanding.

Jeannette Lowrie Murton, Chairman

W. S. C. S. Elects And Installs Officers

The Clarkston Methodist W. S. C. S. was honored last Wednesday to have Mrs. Floyd Gaut, W. S. C. S., District President, present for the annual meeting and installation of officers. Before the luncheon served by the Martha Circle, Mrs. Gaut and Mrs. Agnes Beardsley, retiring president, were each presented with an orchid.

During the devotional period, presided over by Mrs. Carl Irish, a memorial service was conducted by Mrs. Robert Atkins for the following women: Mrs. Edith Comstock, Mrs. Mary B. King, Mrs. Elizabeth Rockwell, Mrs. Mary E. Green, Mrs. Hattie Demond, Mrs. Gertrude Stewart, Mrs. Sarah Lowery and Mrs. Elizabeth Skinner.

Elected to office for the following year were: Mrs. Leland Masters, president; Mrs. Glenn Howland, vice-president; Mrs. Guy Littleton, recording secretary; Miss Wilma Doebler, treasurer; Mrs. Orlo Willoughby, promotion secretary; Mrs. Howard Huttenlocher, secretary of spiritual life; Mrs. L. I. Coon, secretary of supplies; Mrs. Thomas Boyns, secretary of youth work; Mrs. Charles Robinson, secretary of status of women; and Mrs. William Mansfield, secretary of children's work. The above named were then installed in office at an impressive ceremony presided over by the District President, Mrs. Gaut, who called forth the new officers, administered the oath of office and, prayerfully discharged them to their new duties.

The following were named by the nominating chairman, Mrs. Lee Clark, to serve on committees for the ensuing year. The first named to be chairman, the group Nominating committee: Mrs. Agnes Beardsley, Mrs. Lee Clark, and Mrs. Louis F. Walter; program committee, Mrs. Glenn Howland, Mrs. Robert Atkins, Mrs. Charles Robinson, Mrs. L. I. Coon and Mrs. Ralph Kreger; wedding committee, Mrs. Phyllis Beardsley and Mrs. Lloyd Sibley; finance committee, Mrs. Wilma Doebler, Mrs. Charles Robinson, Mrs. Roy Gundry, Mrs. David Stewart, Mrs. Garnet Poulton, flower committee, Mrs. Arnold Mann and Miss Ada Scarce; Mrs. Agnes Beardsley, retiring president, thanked the society for the privilege of having served it the past two years and turned the meeting over to the new president, Mrs. Masters. Mrs. Masters' took service of the society for their confidence in placing her in the office of president, and stated that with God's help and the prayers of the women of the society, she looked forward to a good year for the W. S. C. S. She then called upon Mrs. Robert Atkins to present a gift to the retiring president. Mrs. Atkins expressed the gratitude of the society for Mrs. Beardsley's fine work and cooperation while in office, and pinned over her heart, a gold, "past president's pin, engraved with her name and years of service. Mrs. Beardsley responded graciously.

Names were drawn for new Circle members, by the present Circle officers, who were asked to call meetings of all members of the new Circles on June 5th. New Circle chairmen and officers will be named on that day. The meeting places will be announced later.

The following will be the roll for each Circle: DORCAS: Mrs. Howard Klett, Mrs. William Hampshire, Mrs. Kenneth Johnson, Mrs. Floyd Andrews, Miss Floss Hubbard, Mrs. Nelsona Urlick, Mrs. L. D. Riley, Mrs. Charles Torr, Mrs. William Beitz, Mrs. Garnet Poulton, Mrs. J. D. Powell, Mrs. Ada Mills, Mrs. Adele Thomas, Mrs. Richard Carlson, Mrs. Donald Stackable, Mrs. Arthur Rose, Mrs. Arthur Rose Jr., Miss Aletha Rose, Mrs. William Johnston, Mrs. Ward Robbins, Mrs. Gerald O'Dell, Mrs. Albert Lawson, Mrs. George Lawson, Miss Joyce Lawson, Mrs. Howard Sage, Mrs. William E. Dunston, Mrs. Earl Terry, Mrs. Joseph Seeterlin, Mrs. Richard Bullen, Mrs. Guy Hart, Mrs. Roy Addis, Mrs. F. L. Spooner, Mrs. Albert Kent, Mrs. Elmer Pettengill.

MARTHA CIRCLE: Mrs. Frank Jewell, Mrs. F. C. Hancock, Mrs. R. E. Spohn, Mrs. Merle F. Bennett, Mrs. Joseph Hubbard, Mrs. George Peiry, Mrs. R. C. Ainsley, Mrs. Charles Robinson, Mrs. Rolfe Smith, Mrs. Floyd Lawrence, Mrs. Guy Littleton, Mrs. Ralph Walton, Mrs. George E. Marshall, Mrs. Leslie Greene, Mrs. Keith Leak, Mrs. Frank Russell, Mrs. R. T. Vliet, Mrs. Howard Johnson, Mrs. Russell Colton, Mrs. R. W. Osgood, Mrs. Marguerite Miller, Mrs. Sam Miller, Mrs. Charles Lanning, Mrs. A. E. Butters, Mrs. Oscar Virgin, Mrs. Milan Vliet, Mrs. Max Soubby, Mrs. W. J. Fielding, Mrs. R. Clark, Mrs. Clark Lynn, Mrs.

Next Monday will be a red letter day for local Rotarians when they hear Dr. Robert S. Drews, internationally famous Psychiatrist and a Professor at Wayne University, at the regular meeting of the club, to which their wives are invited.

Dr. Drews is an excellent speaker with a complete command of his subject. His humor is new and thought-provoking.

It will be a talk that will be remembered by local Rotarians for many years to come.

This will be easily, the top program of the year and all Rotarians will want to have their wives present with them.

Psychologically, the effect is a sobering one. The blow will make us stop hard and short, and cause us to re-examine our aims, our resources, our own strength in dealing with adverse situations. We shake our head, and open our eyes wide. What was veiled by the rosy mist of optimism induced by success, becomes clearer in outline, sharper in details. And the road ahead, over which before we seemed to travel with wings on our feet, shows up for what it was all along: a bumpy road with hazards and curves, and turn-about, and with rocks on which to stub our toes.

This sobering experience is painful while we suffer it, but beneficial to our self if we accept it as a bitter medicine to be swallowed and assimilated.

We feel humbled. The cocky air has given way to a fear-edged uncertainty about ourselves. This too has to be conquered, and we should not stay in awe of adversity. We may be slapped down, but we must lift our head again, get up, take our courage in our hands, and venture forward again. This time we aim to keep our feet on the ground, estimate our resources carefully, and set our sights on a goal close enough to be capable of realization, far enough to satisfy our ambition.

We may not surge forward as rapidly as under the flush of our former successes, but we'll be a better person for having known the adversity.

—Louise Hemsing

Rotary To Hear Noted Psychiatrist

Next Monday will be a red letter day for local Rotarians when they hear Dr. Robert S. Drews, internationally famous Psychiatrist and a Professor at Wayne University, at the regular meeting of the club, to which their wives are invited.

Dr. Drews is an excellent speaker with a complete command of his subject. His humor is new and thought-provoking.

It will be a talk that will be remembered by local Rotarians for many years to come.

This will be easily, the top program of the year and all Rotarians will want to have their wives present with them.

Random Thoughts

ADVERSITY — Success is like an intoxicant; it spurs us on to greater efforts, makes us dream of further goals, sharpens the ambition, and saves our ego. When we undertake a rather difficult task, especially if its nature is unknown to our former experience, and we succeed in this undertaking, we are probably modest enough to ascribe some of our success to "beginner's luck".

But if success follows success, we begin to get a notion that maybe after all, we have been pretty good in dealing with the situation. And it won't be long, and we pride ourselves, silently, on our good judgment, our insight, our knowledge, our work.

Then is the time that some adversity should come along, and "slap us down." It really doesn't matter to what we can attribute this adversity; it may be a string of circumstances, seemingly conspiring to bring on the failure; or it actually may be due to our overreaching ourselves in our headlong attempt at more enterprises.

Psychologically, the effect is a sobering one. The blow will make us stop hard and short, and cause us to re-examine our aims, our resources, our own strength in dealing with adverse situations. We shake our head, and open our eyes wide. What was veiled by the rosy mist of optimism induced by success, becomes clearer in outline, sharper in details. And the road ahead, over which before we seemed to travel with wings on our feet, shows up for what it was all along: a bumpy road with hazards and curves, and turn-about, and with rocks on which to stub our toes.

This sobering experience is painful while we suffer it, but beneficial to our self if we accept it as a bitter medicine to be swallowed and assimilated.

We feel humbled. The cocky air has given way to a fear-edged uncertainty about ourselves. This too has to be conquered, and we should not stay in awe of adversity. We may be slapped down, but we must lift our head again, get up, take our courage in our hands, and venture forward again. This time we aim to keep our feet on the ground, estimate our resources carefully, and set our sights on a goal close enough to be capable of realization, far enough to satisfy our ambition.

We may not surge forward as rapidly as under the flush of our former successes, but we'll be a better person for having known the adversity.

Clarkston Loses One And Wins One

In a league contest against Milford Clarkston lost 3 to 2. In the first inning Clarkston loaded the bases with no one out, but managed to push in but one run. Keelane walked, Thompson grounded to the infield, but both runners were safe when the throw was too late to get Keelane. Younger singled, loading the bases, Bullen grounded to the infield and Keelane was forced at home. Thayer struck out. The Milford second baseman booted Vincent's grounder with Thompson scoring. Dunston grounded out pitcher to first. Milford scored two runs in the third. Rowe, first batter up, was given a free trip around bases. He was walked and reached second, third and home on wild pitches. Ganzel followed with a home run.

Clarkston scored one in the third to tie the score. Vincent walked and stole second. He reached third on a wild pitch and scored when the second baseman fumbled. Dunston's grounder. Colegrove broke up the game in the seventh when he hit a home run. Clarkston was unable to score in their half of the seventh. Each team collected three hits but Milford had two home runs. McDermott struck out 10 and walked 2 while Ellett, the winning pitcher, struck out 9 and walked 4. Colegrove was the batting star, getting a home run and a single in three trips to the plate.

Monday, under very unsuitable baseball weather, Clarkston took the measure of Lake Orion by the score 6 - 5. Orion missed a good opportunity to score in the first when they got three hits, but all three were left stranded when Landrum flied out to first and Schriber grounded out. They picked up one in the second when Bell tripled and Martin singled him home. Clarkston broke into the scoring in the second. Thayer was safe on an error and stole second. Bullen walked as did McDermott, filling the bases. Keelane singled, driving in Thayer and Bullen. Keelane was out going to second on the play.

Orion scored three big tallies in the third. McCaughauna tripled. Clarkston's left fielder dropped Weidon's fly, McCaughauna scoring. Weidon tried to steal home, but was thrown out at the plate. Blanz walked and Landrum singled. Bell then got his second hit of the day and drove in two more runs. Clarkston made their rally in the sixth. Younger opened with a double. Thompson grounded out. Trim was safe on an error. Younger going to third, Thayer singled with Younger scoring. Thayer singled. Trim was forced at third on Bullen's grounder. Hagyard, batting for Huttenlocher, singled. Thayer and Bullen scoring. McDermott was safe on an error which permitted Hagyard to reach third from where he scored when a throw got by the catcher. McDermott struck out ten and walked two to get credit for the win. Younger got a double and a single to lead the Clarkston batters.

Get your reservations in early for the Mother and Daughter Banquet at the New Hope Bible Church on Thursday, June 5th. There is no set charge but a free will offering will be taken.

Mother

A Mother is all that is good and is pure; She is courage with strength and will to endure; She is faithful and true to her family and friends; Her will to serve God in her way never ends.

A Mother is kindness and love at its best; She's always found ready to face any test; She's tolerance and patience all done up in one; With serious hard labor accented with fun.

Our Mothers don't ask any favors or pay; Just God's recognition at end of day; The unions don't figure the hours she spends As the eventide falls and she irons and mends.

A Mother has love so imbued in her heart That misfortunes of others tear her apart; She helps those she loves in the things they do best; And lives in their glory of gaining success.

Sure God must have given each mother a share Of perfection of heaven to hold in her care, And give out to others as need would arise Thru the smiles on her lips and tears in her eyes.

The Hilltopper

SPEECH NEWS

Clarkston Community Schools last week received a Plaque for Excellence in Debating for 1951-1952 from the Detroit Press. The plaque will be hung in the lower hall near the trophy cabinet. To our knowledge this is the first such trophy which has been won by Clarkston debaters, and we are very proud of the members of the debate squad who earned this award for their school. They were Ann Spohn, Terry Brown, Mickey Palazzolo, Pat Tisch and Fred Groven. We hope that next year's debaters do as fine a job.

HOME ECONOMICS

Attention, everyone! If you want to know the latest styles, lines, and fabrics of the fashion world, come to the Clarkston High School auditorium May 22, at 2:00 p. m.

The girls of the eighth through twelfth grades will feature the garments they have made this year. There are jumpers, cotton swirl skirts, gabardine, wool and pique features. The girls will "accessorize" them so that you can see how the garments can be dressed up.

Miss Beach, the Home Ec. teacher, and the students invite everyone to the show and reception which follows. Don't worry about a baby sitter, bring the little ones with you.

NATIONAL PRESS BUILDING WASHINGTON, D. C.
By Anne Goode

Cellophane tape is a marvelous kitchen accessory. Lots of uses for it! Use it to mend small tears on cook books, aprons, food covers, etc. Recipe cards will last longer when edged with it. Easy, too, to tape shelf paper in place.

Before you refresh your summer curtains with a tint bath, remember to launder them first to remove all spots, mend them, if necessary, and choose an all-purpose dye which is guaranteed to work on all types of fabrics—synthetic or not.

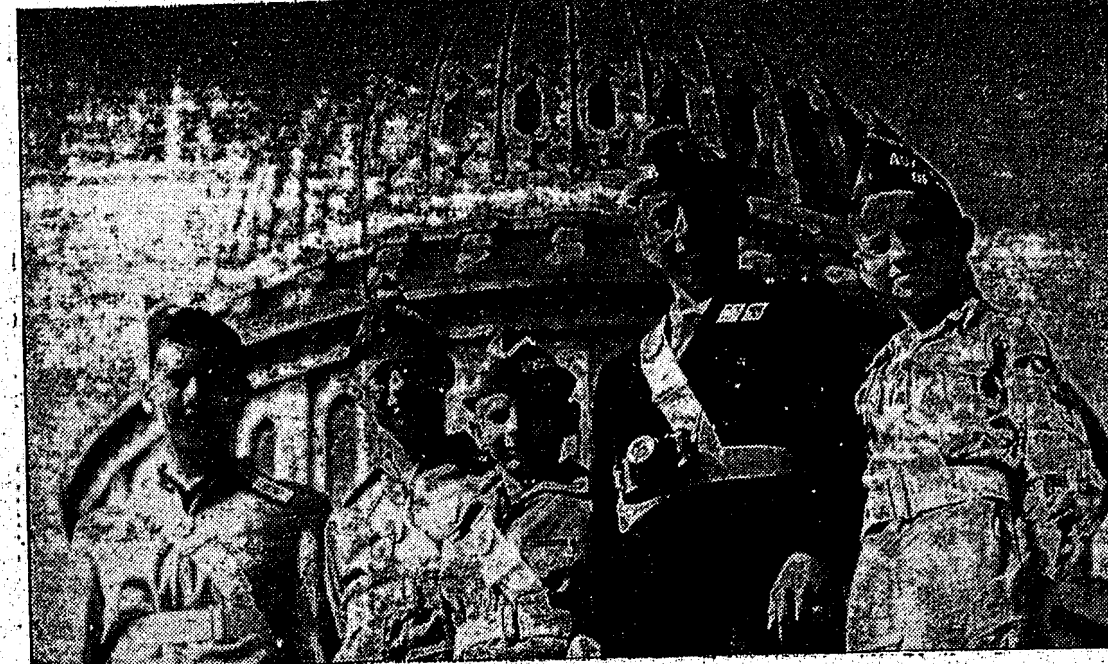

Crisp up salad greens after washing by wrapping in a clean cloth. Or if imported—a bigger hit than ever in the fashion field this Spring and summer.

There's a good reason for storing eggs with the large ends up—it keeps the yolks centered. Incidentally, have you seen those handy plastic containers especially designed for refrigerating eggs?

A taste of Spring is a salad made of cottage cheese and diced pineapple, served on crackling lettuce and topped with this scrumptious real mayonnaise dressing: combine 1/2 cup real mayonnaise, 2 teaspoons confectioner's sugar and 1/2 cup fresh strawberries, hulled and crushed.

Lace-nylon, silk and cotton, domestic and imported—is a bigger hit than ever in the fashion field this Spring and summer.

NEWS LINERS BRING RESULTS

Seeing the sights in their Capital was ample reward to these young Michigan AAA safety patrolers for long hours spent guarding school corners. They were among 101 Michigan school patrol leaders taken on a four-day all-expense trip to Washington, D. C., by the Automobile Club of Michigan from Thursday through Sunday, May 8-11. From left to right they are: Larry Soltysiak, St. Michael School, Pinconning; Curtis Kausch, Emmanuel Lutheran School, Sebewaing; Gordon J. Vrooman, Jonesville County Grade School; Kent R. See, Clarkston Community School; and Lewis N. Wilson, Harbor Beach Community Grade School.

ANNUAL MEETING HELD AT CRANBROOK

At the annual meeting of the Oakland County Chapter of the National Foundation for Infantile Paralysis, at Christ Church Cranbrook, Carl W. Donelson of Pontiac was re-elected Chairman for the ensuing year. Other officers elected are: 1st vice-chairman, Ernest Goldsworthy, Ferndale; 2nd vice-chairman, Peire Delmontier, Farmington; treasurer, Howard O. Powers, Pontiac; ass't treasurer, Mrs. Herbert R. Abrams, Wixom; secretary, Roy Dorris, Pontiac.

New directors appointed for 3 years are: Mrs. Erwin Bell, Royal Oak; Mrs. Howard Riemann, Birmingham; Marlon E. Spaulding, Ferndale and Elbert M. Wilnot, Pontiac.

The annual report of the chapter's services to county polio patients showed a total of \$32,570.21 of financial aid given to 118 cases. Disbursements were for hospitalization, hot-packing, nursing care, medical services, physiotherapy treatments, and orthopaedic appliances.

A total of \$60,776.33 was reported as contributed by Oakland County residents in the 1952 March of Dimes. March of Dimes contributions provide patient care, research, and professional education.

Dr. Robert J. Mason of Birmingham, chairman of the chapter's medical advisory committee, addressed the 60 directors and volunteers at the meeting on "Problems of Polio". Dr. Mason stressed the vast amount of research which has been financed by the March of Dimes. Also the need that research continue, as it is through the laboratories that the control of polio will be accomplished.

Special polio guests at the dinner and meeting were Stanley Maslonik, son of Mr. and Mrs. Theodore Maslonik of 2139 Jones Rd., Waterford Township, a polio patient of 1951, and Mrs. Louis Glumm, of Lanco Ct., Drayton Plains, a polio patient of 1950. Mrs. Glumm who received 3 months of convalescent care at the Georgia Warm Springs Foundation in 1951, demonstrated the

OAKLAND COUNTY EXTENSION SERVICE NEWS

by Mrs. Josephine Lawyer Home Demonstration Agent

Laundry Tips

It makes a big difference how many pieces you put in your automatic washer. And the assortment is important, too.

Mrs. Josephine Lawyer, county home demonstration agent, reports the findings of home economists at Ohio State College. The Ohio researchers found, after washing 20,000 pounds of soiled clothes, that for all automatic washers a 7 1/2 to 8 pound load gives a better job of washing. You might well weigh your washing until you know by experience what makes an 8 pound load.

A combination of large and small pieces is the most practical and satisfactory assortment for a family washing. Small items in a single load wash well, but a load of all sheets gives trouble, so put in some smaller pieces with the sheets and everything will move freely in the washer.

Mrs. Lawyer suggested the following typical assortment: two sheets, two pillow slips, two bath-towels, two men's white shirts, two luncheon cloths and about a pound of tea towels or other small items. The Ohio workers found, that in a typical family wash, there would be two such loads, then a third load of dresses and undergarments, and finally a load of colored or badly-soiled items that have to be washed sep-

PROGRAM AVAILABLE AT U. OF MICHIGAN

Students who plan to enter the University of Michigan's School of Business Administration when they become juniors now can enroll in a new prebusiness curriculum in the University's College of Literature, Science and the Arts.

The new program, effective this fall, provides similar advantages for business administration students which now are available to entering freshmen who plan to take law, medicine or dentistry. Actual instruction in the School of Business Administration does not begin until the student has successfully completed 60 hours of work, approximately two years of study. But the new curriculum makes it possible for the pre-business student to keep in close touch with the school while actually enrolled in the literary college. He will take much the same courses as other literary college students except that he is required to take economics and is not required to take foreign languages.

Counseling of such students will be carried on by members of the School of Business Administration faculty. Admission requirements to the prebusiness program will be the same as for any other literary college student except that two years in mathematics are required.

Inquiries concerning the new program should be sent to the University's director of admissions, Clyde Vroman.

HIGH SCHOOL PRESS GROUP WILL MEET AT U-M ON MAY 16

Covering a speech and writing the story against a deadline will provide a real taste of newspaper reporting for some of the 1,400 high school students attending the silver anniversary convention of the Michigan Interscholastic Press Association at the University of Michigan on Friday, May 16.

Start of the morning session has been delayed until 10:30 a. m. to hear General Douglas McArthur who will speak from the steps of the Rackham Building at 10 a. m.

Then the high school journalists will be welcomed by Harlan Hatcher, University president.

A keynote address by Prof. Wesley A. Maurer, chairman of the Department of Journalism will follow. This will be the speech to be reported by one representative from each of the 80 or more schools with a 1:30 P. M. deadline to be met. Winner of the news-writing contest will receive a portable typewriter from the University chapter of Sigma Delta Chi.

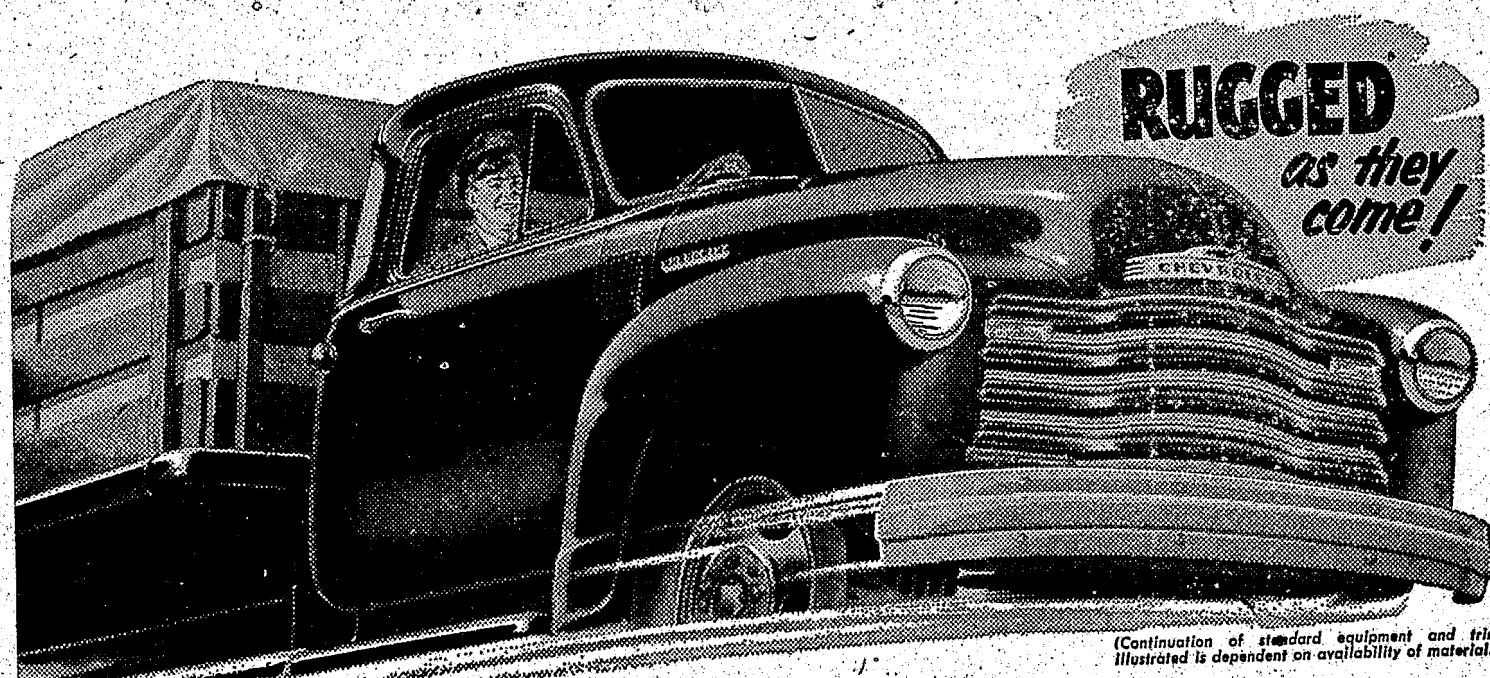

Discussion groups and clinics are on the afternoon program, with campus tours and the Michigan-Indiana baseball game scheduled after 3:30 p. m.

From where I sit... by Joe Marsh
As a Matter of Fact...
Out of all the newspaper and magazine columns I read, the ones I enjoy most are those that pack in a whole lot of facts—unrelated facts, but each one an interesting bit of information in itself. These columns go something like this: "Did you know that humpback whales are addicted to snoring? That bees have been bred with red, brown, and buff-color eyes? "Did you know that lead can be converted to gold—at a cost of \$1,000,000 an ounce? That a 555-pound fat girl went on a diet and lost 401 pounds in 12 months? That a chrysanthemum has been developed that smells like a violet?" From where I sit, maybe I'm a kind of "Johnny-one-note." My own columns always seem to revolve around one idea—a plea for us to make sure we respect the other fellow's rights—like the right to vote for your own choice or the right to enjoy a glass of beer now and then. I may not be in style, but I believe my one fact is worth repeating—and remembering!
Joe Marsh

You're money ahead when you buy on these PLAIN HARD FACTS

CHEVROLET
Stack up what you get for what you pay... and join the nation's largest group of truck users by choosing Chevrolet.
By far the biggest number of truck users today are Chevrolet owners... and for good hard-headed reasons. Because what they get is this:
Low Cost—in purchase price and in upkeep. A truck that gets the job done. A truck that's rugged, long lasting.
Take a look at the four facts below... and see why you, too, will be money ahead with a Chevrolet truck. Come in and see us about it!

FACT NO. 1 Save money on purchase price. Stack up a Chevrolet truck against any other truck with comparable specifications. You'll find the Chevrolet truck lists for less.

FACT NO. 2 Save money on operating costs. Hundreds of thousands of truck users have proved to their own satisfaction that Chevrolet costs the least of all to own and maintain.

FACT NO. 3 Save money on job efficiency. Chevrolet trucks are factory-matched to your payload requirements. You don't buy "too much or too little truck."

FACT NO. 4 Save money on low depreciation. Records show that Chevrolet trucks traditionally bring more money than resale than any other make which costs about the same new.

Air Tour Planned
The Oakland County Soil Conservation District Directors, in cooperation with the Michigan Fly-

ing Farmers, have planned another air tour this year. June 5 is the date (June 6 in case of bad weather). Allen's Airport is the place. The airport is located on Silverbell Road, one mile west of M-24. Northeast Oakland County will be the area covered.

Fourteen points of interest will be covered in the area. Some non-farm points will be observed, as well as farms having soil conservation practices established.

Over 100 farmers attended the tour in 1951 held in northwest Oakland County, and were most pleased that they had taken the flight. This year's affair will be no less interesting, with points of interest emphasizing diversions, terrace systems, tree planting, open drainage and tile drainage, strip cropping and sod water ways.

The flight will leave Allen's Airport, cover one-quarter of Pontiac, Goodison, Orion, Lakeville, Oxford, Oakwood, Ortonville and back to Allen's Airport. Many farms not listed as points of interest will be flown over in the area. Licensed commercial pilots will do the flying of four-place planes and the flights will be scheduled so that farmers need not stay more than an hour to be able to make the flight.

Tickets are available through any of the Soil Conservation District Directors, our office, or Bob

Koons at the Soil Conservation District Office. The District Directors are: Ray Wheeler, Davidsburg; Keith Middleton, Lake Orion; Harold Mitchell, Grand Blanc, and Earl Brail, Lake Orion. The Extension Office phone is FEderal 4-2564 and the Conservation Office phone is FEderal 4-7901.

More next week.

FRUIT AND GARDEN NOTES

by Willard E. Bosserman
Assistant County Agr'l Agent

Last June as strawberries began to ripen, some dried up, others fell off. This condition was caused by strawberry weevil which starts to work early in the spring; they are out now.

The insect is a small, black or reddish brown snout-beetle, which appears just as the strawberry buds begin to open. The injury is caused mainly by the adult females which puncture the unopened buds and then almost sever the stalk some distance below the injured bud. This causes the bud to wilt, dry up and fall to the ground. Dusting the vines with 3 or 5 percent DDT just as the beetles begin to damage the buds has been found to be one of the most effective means of control. Rotenone dusts are effective against this insect. Clean cultivation will also aid in their control.

Legal Notice

RONALD A. WALTER—Attorney
5 South Main St., Clarkston, Michigan

STATE OF MICHIGAN—The Probate Court for the County of Oakland. At a session of said Court, held at the Court House in the City of Pontiac, in said County on the 12th day of May A. D., 1952.

PRESENT: Hon. Arthur E. Moore, Judge of Probate.
In the Matter of the Estate of William H. Miller, Deceased.
Rose L. Hillier having filed in said Court a petition praying that the administration of said estate be granted to Ronald A. Walter or to some other suitable person.

It is Ordered, That the 9th day of June A. D. 1952 at nine o'clock in the forenoon, at the Court House in the City of Pontiac, Michigan, be and is hereby appointed as the time and place for hearing said petition.

It is Further Ordered, That public notice thereof be given by publication of a copy of this order once each week for three successive weeks previous to said day of hearing, in the The Clarkston News, a newspaper printed and circulated in said county, and that notice be given to the heirs-at-law named in the petition for administration filed in this cause by personal service of a copy of this order, or by serving the same by registered mail with return receipts demanded, addressed to their respective last known addresses, as shown by said petition.

ARTHUR E. MOORE, Judge of Probate.
RONALD A. WALTER, Attorney for the Estate, 5 S. Main St., Clarkston, Michigan May 15, 22, 29; June 5

bate Court for the County of Oakland. In The Matter of The Estate of Myrtle A. Bailey Deceased.

At a session of said Court, held at the Probate Court in the City of Pontiac, in said County, on the 14th day of April A. D. 1952.

PRESENT: Hon. ARTHUR E. MOORE, Judge of Probate.
ORDER APPOINTING TIME FOR HEARING CLAIMS

Notice is hereby given and it is hereby ordered that the time and place for hearing on claims against the above estate shall be the 7th day of July 1952, at nine o'clock in the forenoon at the Probate Court in the Court House of the City of Pontiac, Michigan.

All creditors or claimants against the above estate are further notified and ordered to prove their claims at said hearing and prior to said hearing to file written claim therefor, with this Court and with the fiduciary of this estate, under oath, containing sufficient detail reasonably to inform the fiduciary of the nature and amount of the claim.

HEADACHE
Nature's Semaphore

★ The causes of headache are multitudinous. It is, perhaps, the most common ailment of man. Many headaches are simple, and respond to simple home treatment. It should be remembered that headache is a symptom, and not a disease. It is nature's semaphore, signaling that the track is not clear. If headaches persist or recur, see your physician at once. If medication is needed, we are equipped to fill your prescription promptly and accurately.

STATE OF MICHIGAN — The Pro-

Here's GMC's great new engine for 2½-ton trucks

-delivers more power from less weight than anything on the road today!

NEW "302" HIGH-COMPRESSION 145 H.P. VALVE-IN-HEAD SIX-CYLINDER GASOLINE TRUCK ENGINE

Compression Ratio	7.2 to 1
Max. Gross H.P.	145 @ 3600 rpm
Net Brake H.P.	130 @ 3200 rpm
Engine Weight (dry)	545 lbs.
Bore	4 inches
Stroke	4 inches

This new GMC "302" valve-in-head engine excels any other gasoline truck unit of equal power in high-mileage, low-cost performance—for these basic reasons:

Highest Compression Ratio of any standard gasoline truck engine ever built—accelerates faster, delivers higher sustained power output.

Develops 23% More Horsepower—from regular fuel—than its famous "work horse" predecessor.

Maximum Power-to-Weight Ratio—weighs only 3½ pounds per horsepower—as much as 500 pounds less than other engines of equal power—due to new high-efficiency design.

More Ton-Miles Per Gallon—less dead weight with higher efficiency means more pay load, more profit in every mile with new "302"-powered GMC 2½ and 3 ton models.

That the real man is immortal is shown in the Lesson-Sermon entitled "Mortals and Immortals" to be read in all Christian Science churches on Sunday, May 18.

Correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include: "Man in the likeness of God as revealed in Science cannot help being immortal." (p. 81)

SPECIAL MEETING OF CLARKSTON VILLAGE COUNCIL HELD APRIL 30, 1952

Meeting called for the purpose of discussing the necessity of making repairs to village streets.

Meeting called to order by President Charles Rockwell.

Moved by Megee, "That the President be authorized to enter into an agreement with the Ann Arbor Construction Co., to resurface Waldon Rd., to replace drive-ways on Main Street which were damaged, removed or altered due to sidewalk construction and to make the necessary repairs to the blacktop on village streets."

Motion seconded by Jones. Roll: Jones, Megee, O'Roark, Stewart, Thayer - present. Butters - absent.

Moved by Megee, "That the President be authorized to enter into an agreement with the Ann Arbor Construction Co., to resurface Waldon Rd., to replace drive-ways on Main Street which were damaged, removed or altered due to sidewalk construction and to make the necessary repairs to the blacktop on village streets."

Motion seconded by Jones. Roll: Jones, Megee, O'Roark, Stewart, Thayer - yea. Motion carried.

Moved by O'Roark, "That the meeting be adjourned." Motion seconded by Thayer. Motion carried.

Russell Colton - Village Clerk

MAple 5-4341 Clarkston

Get the most for your money The following four ways

PROCESSING. All cutting, boning, trimming and grinding of all meat is best done at our locker plant, which has the equipment and experience to do your work economically and expertly — without waste.

WRAPPING. Proper wrapping is all-important. We wrap your food with approved, correct moisture-vaporproof wrappings for storing in your locker or home unit.

CONTAINERS. Always get your containers for frozen food at the locker plant — where you also can get the right kind of information for their proper use.

SHARP FREEZING. This rapid freezing at temperatures far below zero is the basis of correct food freezing, and our special sharp freeze room is the only place with temperatures low enough to freeze quantities of food rapidly before ice crystals get a chance to form. Any large quantity of food should be frozen in a sharp freezer.
