CLARKSTON, MICHIGAN, THURSDAY, JUNE 12, 1952

## CLARKSTON SCHOOL PRESENTS 1952-53 BUDGET

### Dr. Dale D. Welch

Dr. Dale D. Welch will be the Commencement speaker, for the Commencement exercises to be held in the Clarkston High School, June 12, at 8:00 p. m.

Dr. Dale D. Welch of Ann Arbor, Michigan, is widely and favorably known as a speaker, educator and business man. He was born and reared on an Iowa farm, and holds degrees from the University of Dubuque, (A. B.), Cornell University (M. A.) Coe College (LL. D), and the University of Dubuque (D. D.). He taught English and Public Speaking at the University of Dubuque for seven years, was the President of his Alma Mater for eleven years and of Alma College for three years. He was also Business Manager of the Dubuque Medical and Surgical Clinic for eight years, and is now connected with the First of Iowa Corpora-

Dr. Welch will speak on the subject, "Whither Bound".

#### **Mary Circle Has** Noon Luncheon

On Thursday of last week the Mary Circle of the Methodist W. S. C. S., met at the home of Mrs. Glenn Howland. A pot-luck luncheon was enjoyed at noon.

Following the luncheon Mrs. Leland Masters conducted the business meeting which opened with devotions by Mrs. William Sharpe. Election of officers took place with the following being named

to guide the Circle during the ensuing year: co-chairmen, Mrs. Charles Lippincott and Mrs. Warren McVittie; vice-chairman, Mrs. Mrs. F. E. Davies; secretary, Charles Beach; treasurer, Mrs. William Sharpe, Mrs. Gray Robertson will have charge of the

The next meeting of the group will be on Thursday, August 7th with a pot-luck luncheon at 12:30 at the home of Mrs. William Sharpe.

Guests at the home of the Reverend and Mrs. Robert M. Atkins for several days this past weekend were her brother and sister-inlaw, Mr. and Mrs. Clarence F. Shaw of Burlington, Ontario.

#### Graduation

It's but a mark of progress It's just another milestone

God's plan To make life better while we're

here on earth.

A day that gives account of what we're worth

By way of things we've done and what we've learned, And recorded in the books as

marks we've earned. As years go by, a dozen times we'll

A graduation period in each mind

When we'll embark upon adventures new

With change of thought and oc-

cupation too. God has a way of changing things

Exposing greater things than we have found,

And placing in our hands a better

tool

Than man has yet devised within a school.

To those who trust in Him, He will reveal

A way of life, magnificent and real.

Then as we learn to serve with all our might,

The burdens of our tasks some how seem light. Through life our education never

seems to stop. There's always lots of room left

at the top.

Each bump we get while traveling on life's way

Will help us toward graduation

#### **Rotary Club News**

Monday's meeting of the Clarkston Rotary Club marked the 12th visit of "Dick" Norton, of the Detroit Rotary Club. His subject was "Rotary Information" and as he is the chairman of that Committee in the Detroit Rotary Club. he gave the talk given to new members in that club. His talk was like a refresher; course in the meaning of a Rotary Club. Dick is always welcome at Clarkston Club and it is hoped he will visit again in the future.

The speaker next week will be former district governor "Shorty"

A fine dinner was served by a committee of the Martha Circle of which may be applied toward the W. S. C. S., consisting of school fees, books, and supplies. Mrs. Howard Johnson, Mrs. Rob- Among those receiving the scholarert Osgood, Mrs. L. I. Coon, Mrs. ships for 1952-53 is David Lee, Leslie Greene, Mrs. Merle Bennett' son of Mr. and Mrs. Alfred Lee and Mrs. William Johnston.

#### Song Fest By **Junior Choir**

The Sashabaw Presbyterian Junior Choir is retiring for the summer months and will finish their work by giving a summer song fest at the church on Saturday evening, June 21st, at 8 o'clock,

The rostrum will become a garden scene where the young singers, wearing summer pastels, will take their places for the choral numbers. Assisting the group with special numbers will be 9 year old Beverly Wells at the plano; Miss Jeannette Norton at the xylophone and the Reverend George Halk of Clarkston will be heard in a group of songs. Others assisting are: Mrs. Ray Padden of Detroit, Mrs. Vernon Kath, Mrs. Judson Frankenfield, Mrs. Horace Staley and Mrs. T. H

The program will be varied with some old and some new favorites - a bit of the secular, a touch of the sacred and altogether a nice program to listen to.

The purpose of the presentation is to institute a growing fund with which, eventually, the choir hopes to purchase an electronic organ for the church.

A free-will offering will be taken. All are invited.

#### Mrs. Philip Smith **Hostess To Circle**

On Thursday afternoon of last week Mrs. Philip Smith opened her home on Cranberry Lake Road to the Priscilla Circle of the Woman's Society of Christian Service of the Methodist Church, Cohostesses were Mrs. Carl Irish, Mrs. Ralph Kreger and Mrs.

There were twenty-one present to enjoy the planned luncheon, the Western Michigan College at Kalamiable hospitality of Mrs. Smith and the beautiful view from the Grosse Pointe High School and large picture windows in her home which is nestled among the trees on a hill overlooking the lake. Mrs. R. C. Ainsley gave the

invocation. Mrs. George Perry conducted Michigan College at Kalamazoo. Mrs. George Perry conducted the business meeting which was Lincoln Consolidated High School opened with prayer by Mrs. W. H. Stamp. During the meeting Betty Swindell — Graduate of Mrs. Harold Bauer and Mrs. Winnetka High School. Attended Percy Lowery were elected the University of Chicago, North- co-chairmen of the group for 1952-53. Others elected were Mrs. Lee Clark, vice chairman; Mrs. Philip Smith, secretary and Mrs. Edmund Gunter, treasurer. Mrs. Ray C. Ainsley and Mrs. Carl Irish will be in charge of the devotions for the year, and Mrs. Agnes Beardsley will be the flow-

er chairman. Meeting places for the year were arranged; Rotary dinner committees, and chairmen for the Men's Club dinners were named and the Circle members were very much enthused with the interest that was shown at this first meet-

The next meeting of the group will be on Thursday, August 7th, when a picnic will be held at the home of Mrs. Frank Stauter on N. Main Street.

#### Obituary

Mrs. Emma C. McGrath

Mrs. Emma C. McGrath, 75 passed away early Tuesday morning in St. Joseph's Mercy Hospital, where she had been taken following a fall in the home of her daughter, Mrs. Job A. Thomas, 6588 Maple Drive. She was born in Tilbury, Ontario, March 17,

She is survived by one son Wilfred McGrath of Bay City; 4 Births daughters, Mrs. Winifred Wade, Mrs. Anna Mae Thomas and Mrs. Dorothy Clark, all of Clarkston and Mrs. Mary M. Peterson of Lake Orion; 22 grandchilden and 2 great grandchildren.

I. week for two hours, 10 to 12, are also a couple of spots to rent MONDAYS-trombones, horns, to merchants wishing to have a display, Contact Don White at TUESDAYS—clarinets, flutes once if you wish to have one

#### **Martha Circle Elects Officers**

co-hostesses.

The Martha Circle of the Methodist Woman's Society of Christian Service met last Thursday at the home of Mrs. Guy Littleson on S. Main St. A planned luncheon was served at 12:30. Mrs. Keith Leak and Mrs. Jack Storm were

Following the luncheon Mrs. William Johnston conducted the business meeting which was opened with The Lord's Prayer said in unison. Election of officers was held with Mrs. Rolfe Smith and Mrs. R. W. Osgood being named co-chairmen. Mrs. Merle Bennett was elected vice-chairman; Mrs. Sam Miller, secretary and Mrs. Leslie Greene, treasurer. Mrs. L. I. Coon will have charge of the

devotions for the next year. The next meeting of the group will be a picnic on Wednesday, be announced later.

The Sashabaw School held its annual picnic on Tuesday, June 10th, from 9 A. M. until 2 P. M. on the old school grounds. The crowd enjoyed games, races and picnic lunch.

The winners in the races were: beginners, 1st and 2nd grades running race, David Roy and Janet Spangler; wheelbarrow race, David Roy and Jerry Powell.

3rd; 4th and 5th grades; wheelbarrow race - boys, Dick Roy and Larry Petty; girls, Charlene Wilson and Charelne Dortch; three legged race - boys, John Gobel and Barth Paladino; girls, Sandra Swanson and Rosalie Lippert; centipede race - girls, Karen Lunsford, Carolyn Hook, Rosalie Lippert and Sandra Swanson; 11:00 A. M. Morning Worship. boys, Basil Caverly, Barth Pala-Sermon Subject: "The Father of dino, John Gobel and Jimmy The Faithful."

Miner. 6th, 7th and 8th grades: three legged , race - boys, Arthur Le- ing service. . Blanc and Gerald Scarborough; girls, Joyce Filhart and Gertrude Napierski. The tug-of-war was won by the boys and the running broad jump, 13% ft went to Michael Paladino.

The necktie relay and the sit and run relay races provided a lot of fun for the women:

The men were also in the spotlight for a time when they participated in an amusing relay. The two teams that tied in this race were: Marian Sherrill, Eddie Rodreguez, Ray Norton and G. Barrie, J. Vargo and J. Landon.

The all-school running race was won by Basil Caverly.

After the picnic lunch and the free ice cream furnished by the P. T. A., a ball game betwwen the school faculty and the parents caused much excitement. The faculty downed the parents by a score of 18-5.

Monday, June 16th, the annual past matrons' and past patrons' banquet will be held in the Clarkston Masonic Temple. Dinner will be served at 6:45 P. M. Today, Thursday, June 12th, is the last day for reservations. Phone Mrs. Howard Johnson, MA 5-4831. All Otto Johannson of Brooklyn and members of the local O.E. S. Mr. and Mrs. Elmer C: Shaw of chapter, their husbands and wives, Clarkston, Sgt Shaw is now serv- are invited to attend. A program will follow the dinner.

### Saturday, June 14

The ladies of the Sashabaw Presbyterian Church will serve a smorgasbord at the Sashabaw School on Saturday evening, June | Michigan Public Service Commiss-14th, starting at 5:30 o'clock.

"Again the great number of requests have prevailed in favor of this type of dinner. The baked and cold cuts, served with hot cheeses are always popular.

Plenty of milk, donated by Lake Orion Dairy, takes care of the thirst of the small fry; and there is always an abundance of business service and private steaming coffee for the adults. Or branch exchange trunk lines will course the home made desserts, both pies and cakes, are in favor with the men folk. And remember the virtue of the smorgasbord is the privilege to return to the table as long as the appetite is rampant and the food holds out.

As usual there will be no set charge but a free-will offering will be taken and will go into the church building fund. Everyone is invited.

#### Smorgasbord To Be Increase Granted Michigan Bell

The increase in telephone rates granted the Michigan Bell Telephone Company last week by the ion will effect only rural residence lines and business service here.

The monthly increase for rural residence subscribers in the local fish, variety salads, baked ham exchange will amount to 75 cents in less than three cents a day, rolls and Swedish breads and Thère is no change in other classes of residence service here. One-party and two-party busi-

ness telephones here will be increased 75 cents a month. Rural be increased \$1.00.

Under the rate revision order. local calls from pay stations will be 10 cents. It is expected that about 30 days will be required to convert all of the company's dial coin box telephones to 10cent operation in the outstate area. Commenting on the increase in rates granted the company, W. Calvin Patterson, vice president

of Michigan Bell, said: "Not only is the increase inadequate to assure good telephone service in the future, but the delay in getting it has denied the owners of the business a return on their investment that cannot be recovered." Patterson pointed out that less than half the ordered rate increase will remain with a picnic at their home on White the company. More than half of it, he said, will go to the Federal Government in taxes.

Referring to a recent \$7,000,000 wage boost to employees, and an increase in state and Federal taxes 3½ times what they were in 1940 Patterson stated: "The price of most everything else has gone up the price of telephone service. week, Michigan Bell revenues will have risen only 27 per cent from rate\_increases since 1940 while the overall cost of living has gone up 89 per cent."

Twenty-five members of the Cheery Chum Group enjoyed a picnic supper last Friday at the home of Mrs. Jack Hall. Following the supper the group went indoors for the business meeting and games. A hard times party is planned for September 26th meeting at the home of Mrs. Murdo McDonald, Mrs. James Pembleton was named chairman for the fall party. Mrs. Louis Dorman Sr., Mrs. Fred Tuck, Mrs. Rudy Boss and Mrs. Marcella Medlin were on the committee to assist Mrs.

The Waterford Birthday Club will meet with Mrs. Albert Dryden next Wednesday, June 18th. . This Saturday, June 14th, is the

day for the Good News Club picnic at Dodge Park No. 4. Cars will leave the Waterford Community Church at 11 o'clock, returning at 4:00. In case of rain the picnic will be postponed

"The Waterford Women's Club will meet next Thursday at 7:30 instead of the regular time. There will be a Stanley demonstration and all members are urged to be present and bring a guest.

At the recent election the results were as follows; Bond Issue-787 yes, 441 no; Tax Limitation -768 yes, 470 no. James Donaldson, unopposed, was re-elected trustee. The school population is be-

ween 5900 - 6000 this year as compared with 5358 last year; 4912 the year before and 4606 in 1949. Between 400 ar are expected to enter the schools this year.

The steady increase in enroll-

Patricia Powell, 18-year-old Ionia Farm girl and 4-H Club member, is crowned as Michigan's Queen of Dairying in ceremonies opening June Dairy Month. Dr. Earl Weaver, head of the dairy department at Michigan State College and member of the panel of five judges selecting from seven the regional winners, did the honors. Daughter of Mr. and Mrs. Stanley Powell, well-known Ionia county leaders in State Grange and Farm Bureau affairs, Patricia will graduate from Ionia High School this year and enter Michigan State College this fall. She will represent Michigan's three-quarter billion dollar industry throughout the next year at many affairs and reign as queen of June Dairy Month. (MSC Photo)

ment is amazing. In 1948 there were 42 graduates; in 1949 - 62; in 1950 - 98; in 1951 - 128 and in

The Ladies Auxiliary of the Waterford Community Church met last week at the home of Mrs. Frank Schultz: Twenty-three adults and nine children enjoyed the planned picnic luncheon held in the yard.

Patty Maxwell was the guest speaker and told of her work for the coming year at Rehoboth Mountains Mission at Portsmouth, Kentucky. She leaves this week to begin her work. Patty told of the need at the Meland Home among the children there. The Auxiliary sends clothing to this home and 4 boxes were sent last

Mrs. Henry Mehlberg, president conducted the business meeting. Fifteen dollars was voted to be given to the Board of Trustees for the building fund.

Other officers include 1st vice vice president, Mrs. Wright Van-Plew who is Devotional Chairman: 3rd vice president, (social chairman), Mrs. Wallace Brown; recording secretary, Mrs. Carl Enden; assistant secretary, Mrs. Lawrence Giddings; corr. secretary, Mrs. Thomas Corbin; treasurer, Mrs. William Weix.

#### SORRY HE TOOK GAS FROM STATE 13 YEARS AGO

A man now living in Belleville, Ill., and who worked as an NYA janitor at the Michigan State Police post at Erie 13 years ago has offered to "straighten up" with the State for three gallons of gasoline he took at that time.

In a letter sent to East Lansing headquarters, he explained that in 1939 he was an NYA employe assigned to the Erie post to do janitor work and odd jobs. On one | Month and so proclaimed by Goyoccasion he took three gallons of ernor Williams, in the opinion of gasoline from the pump used to service patrol cars.

He recalled that Sergeant Berdine LaPointe was in command of the post, LaPointe died January 25, 1947, and was then in command of the Cheboygan post. "A few weeks ago", the former custodian said, "I gave my heart and life to God, and am now living a Christian life. God has forgiven me all my past sins but I do want

my fellow man. to forgive me . . . . . "

#### JUNE CELEBRATED AS DAIRY MONTH

That the lives of every man, vomen and child in Michigan depend in some measure upon the state's great dairy industry, is ample reason for the month of June being celebrated as Dairy Lewis W. Morley, public relations director of the Michigan Milk Producers Association and chairman of the Michigan June Dairy Month Committee.

"Every American family is a part of the dairy industry", declared Mr. Morley, "at least in the role of a customer and here in Michigan it is said that one out ness and particularly in our state's of every eight families depends agriculture for dairy cows not upon the dairy industry for its to straighten up for my past with livelihood. I feel that I am making no over-statement in saying that "I do want the State of Michigan milk producing, hen considered from every aspec is Michigan's

In replying to his letter, Comm- most vital business with all due ssioner Joseph H. Childs assured respect to our great automotive him that by this time he is for- and other manufacturing enterprises.

"National .recognition of June as Dairy Month started 16 years ago with the industry putting forth special efforts to acquaint the public with the great nutritional value of its products as well as the progress made in protecting the health of consumers by sanitary and efficient handling

of the most perishable of all foods. "Michigan led the nation in adopting a state-wide pasteurization law and through research work at Michigan State College and modern methods adopted by farmers and processors of milk today enjoys an enviable reputation as an outstanding dairying state. During June we hope to bring home to all of our people the importance of the dairy busionly provide one quarter of all our food requirements but protect our future by playing a major part in conserving the soil of the state's splendid farms.

"June Dairy Month is far more han recognition of an important industry, but rather a tribute by all of the people to one of nature's greatest gifts which does so much to provide for our enjoyment and happiness."

#### FOOD CARE MEANS MORE NUTRITION

Those few fleeting hours after fresh garden produce is picked are worth prolonging. If you select carefully and then care for the vegetables and fruits correctly you will be rewarded with flavorful. nutritious products, Louise Kelley of the Michigan State College foods and putrition department declared.

Be sure to examine fresh produce carefully before you buy, she urged. Fresh, crisp, whole products are what you want to look for, and when you find them she warned against overstocking. Long storage cuts down on flavor and food value of such seasonal foods as asparagus, peas, greens, rhubarb and strawberries. So buy only amounts you can use imm-

When you do have to store fresh garden vegetables and fruits be sure to keep them as much like they came from the garden as you can. Peas can be shelled shortly before they are to be cooked, but don't allow unshelled or shelled peas to stand at room temperature. Always refrigerate peas until just before cooking time, Miss Kelley warned

Asparagus and greens can be trimmed a little early, but keep covered and in the refrigerator. Rhubarb, too, should be refrigerated. Strawberries, on the other hand, lose flavor if they are too cold, so plan to keep them at room temperature before serving, Miss Kelley suggested.

The MSC specialists offered tips on cooking these on-the market products. She recommends cooking fresh peas as rapidly as possible and until they are just tender, but not mushy and over Asparagus should be cooked washed in cold water after tough stalk ends have been cut off. Aside from buttered asparagus, Miss Kelley suggested saving some of the tender tips for salads combined with hard-cooked eggs or cu-

nitrogen, Longnecker says. Experimental work done at the Michigan Agricultural Experiment Station by MSC soil scientists indicates that where the extra nitrogen is needed, two pounds of elemental or actual nitrogen will produce an extra bushel of corn. Forty pounds of actual mitrogen to the acre appears to be the most profitable amount to

apply. This amount would be fur-

nished by 200 pounds of ammon-

ium sulfate or 125 pounds of am-

monium nitrate per acre. . In addition to the extra bushels, the protein content of the grain is likely to be increased by one or two percent -- that is, from a low of seven and one-half percent up to eight and one-half or even nine percent.

Demonstration areas of corn in various parts of Michigan which were side-dressed during July last year with 200 pounds of ammonium sulfate resulted in greener leaves and stalks, larger ears and better yield, and more resistance to frost injury.

#### EXTENSION SERVICE NEWS by Mrs. Josephine Lawyer Home Demonstration Agent

#### LIGHTING WORKSHOPS COMPLETED

The Detroit Edison Home Service Advisers of the Pontiac and Birmingham offices in co-operation with Mrs. Josephine Lawyer, Oakland County Home Demonstration Agent, have completed two lighting workshops for home demonstration group leaders. The Home Service Advisers conducting the lighting workshops were Jean Hardy and Nancy Wenzel of Pontiac and Belle Hannigan, Lucille

### CRABGRASS

Here's a low-cost and simple way to rid your lawn of crab-

Add one ounce of pure chlordane to a quart of water-white grade of kerosene for each 275 square feet of lawn space you want to treat. With a sprayer that squirts a fine spray, apply to the

Dr. B. H. Grigsby, Michigan State College researcher, says you can spray any time you see the crabgrass' -- whether it is young grasses.

or mature.

And while you are eliminating the crabgrass, you also get rid of the grubs and ants. And since moles and skunks sometimes dig in your lawn to get grubs, you may get rid of possible damage from this source.

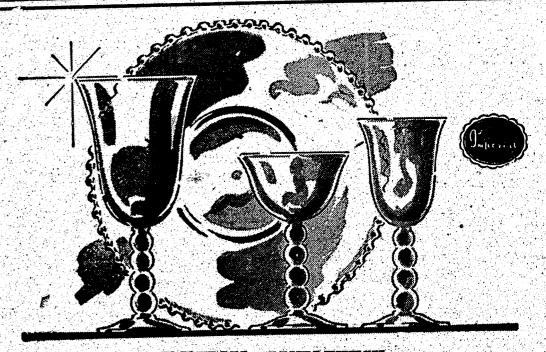

Water-white grade of kerosene is the high quality kind sold at filling stations for use in oil stoves. Chlordane is sometimes sold in 50 percent solution. That means that you'll have to use two ounces to a quart of kerosene.

Dr. Grigsby has found this potion will give a rapid kill to crabgrass without injury to lawn dust from the springs, try putting

"I WAS STALIN'S NURSÉ"

Arkadi Syobodin served as Joseph Stalin's personal nurse. Svobodin, escaped from Russia, provides the first detailed account of the Red Dictator's intimate life to reach the Western World. Read "I Was Stalin's Nurse", starting in this Sunday's (June 15) issue of NEW Color Grayure American Weekly, exclusively with The Detroit Sunday Times.

Use a moistened dish mop to get inside the coils of bed springs, suggest Michigan State College home economists. To catch the moistened newspapers underneath.

#### HAND-CRAFTED

#### IMPERIAL CANDLEWICK

TABLE CRYSTAL

CANDLEWICK is an American made, hand-crafted crystal table-ware designed to add beauty and gracious charm to your dining-table. It is clear, brilliant, light in weight, almost delicate in appearance, yet amazingly sturdy and durable for day-in, day-out dining. Candlewick's 'round the edge, always visible design was inspired by the hand-tufting needlework so greatly loved by our pioneer women. The idea of applied design in needlework, combined with skill in hand crafting glass produced a pattern of inimitable simplicity. A pattern so versatile it is compatible with any period of decoration ... Provincial, Regency, Victorian, Modern, We are proud to offer this complete, open stock line of Candlewick . . . America's most wanted table-crystal, hand-crafted at the Imperial Glass Corporation, Bellaire, Ohio, U. S. A. This beautiful crystal available at new low prices.

keep their eyes peeled for boys NEWS AND COMMENT FROM POTATO SHORTAGE

> White potatoes were off the market completely in Washington last week, while sweet potatoes of doubtful quality sold at prices per pound which made them average about twelve cents apiece. But this week or next, it is said, new potatoes will be in plentiful supply in all parts of

the country. There is a reason, of course, for this potato shortage, coming so soon after the time the government was spending millions for them in order to dye them blue or burn them with kerosene. The reason 'lles' in bureaucratic mismanagement. It illustrates the harmful results of giving government bureaus too much power over agriculture or any other

segment of the national economy. For a number of years prior to 1950 the government supported potato prices. Farmers thus were encouraged greatly to expand their potato acreage. Improvements in potato cultivation added the over-supply. In eight years the government paid out \$542 million for potatoes under the farm price support program. In a total of \$64.4 million was paid" for 102,000,000 surplus

bushels. Then in 1950 potato price sup-ports were removed. By this means taxpayers were saved a sizeable chunk of money. But far-mers began reducing their potato acreage. In 1950 they put in only about 1,379,000 acres, compared with a ten-year average of 2,564,000 acres. In 1950 the acreage was but slightly larger, and crops were poor Last-March they put in 1,739,000 acres. These are

the potatoes soon to reach market As potato supplies decreased during 1950-51, potato prices naturally began to edge upward slightly, even though unsupported. But potato prices nevertheless remained low, because so many potatoes were left over from past years. Furthermore, prices had been reduced between 1946 and 1950 by drastic reductions in price supports ordered by the Department of Agriculture,

Last December the department determined that potato prices had reached parity, whereas in 1950 they stood at fifty-three percent of parity, and in 1951 at seventythree percent. Parity, it should be noted, is the name of a formula by which farm prices theoretically are maintained at levels keeping farmers on economic equality with the average of people in all other productive occupations.

Potato farmers hoped this year. with prices near parity, to make up for the poor prices they had been forced to accept in former years. But at this point the Office of Price Stabilization stepped in and imposed a ceiling on potato prices. Potato farmers feel, per-

### Women's Clubs Win \$25,000

That's a \$10,000 smile Mrs. Herman Dunfee of the Chagrin Falls, O., Junior Woman's Club is giving Joseph B. Hall, president of the Kroger Co. Announcement of her club's selection as national first place winner in a \$25,000 prize "Build Freedom With Youth" contest sponsored by Kroger and the General Federation of Women's Clubs was made at the Federation's national convention in

In addition to the top prize of \$10,000, awards of \$3,000 went to the Federated Women's Clubs of Clarkston, Wash., and \$2,000 to the Fulton Civic Club of Fulton, Miss., for outstanding community improvement work in cooperation with teen-agers during the past year. Winning clubs in 48 states, Alaska, and the District of Columbia also received \$200 awards.

crats who know little and care ess about farm problems.

All of this explains why the ootato shortage has been severe and of long duration. Potatoes from southern states, which ordinarily have reached market by this time, were left longer in the ground. Farmers simply concluded that by letting the potatoes grow a little larger, and thus by having more bushels of potatoes to sell, they could make up for lower returns per bushel under price ceilings. Nobody loses by this in the end. More and better potatoes will result.

BORIC ACID IS DANGEROUS DRUG, SAYS UM DOCTOR

Boric acid is a dangerous drug of little value, states a University of Michigan physician.

Too many persons think boric acid is something mild simply because it's used as an eye wash,

From where I sit ... by Joe Marsh

"Good Neighbor Policy" that's his business. But if it's not

Remember one time when I told about the old loose-stone wall that separated Easy Roberts' property from Handy Peterson's?

That was when they decided they really didn't need the wall between them in the first place - so they simply stopped repairing it.

Now I hear where a fellow, who bought the old Johnson place, wants to buy all those stones. It seems he needed on his property.

From where I sit, if that fellow wants to build himself a stone wall,

really serving any useful purpose he may sooner or later discover \_just like Handy and Easy did withat he'd be just as well off without one. Even some old-fashioned walls of prejudice are disappearinglike those that would deny a person's right to a friendly glass of beer now and then. Most Americans are learning that "walls" can get in the way of the persons infigures a stone wall is just what's a side as well'as the persons outside.

: "Joe Marsh

No doubt about it—people who buy new cars today are interested in power. Power for performance! Power for safety! Power for comfort and driving ease! That's why Oldsmobile's new Super "88"—with more horsepower per

dollar than any other car on the market-is such an outstanding motor car value. There's 160 high-compression horsepower in that new "Rocket" Engine. And along with all this power . . . a line-up of new features that can't. be found in any other car near the price: GM Hydraulic Steering\* . . . Hydra-Matic Super Drive\* . . . new Stabilized Chassis . . . plus Oldsmobile's revolutionary new Autronic-Eye. Call us today make a date with the

#### Mrs. Beck's 3rd Grade

In September 1951 we had 17 boys and 14 girls enrolled. To this, during the school year, were added 3 boys and 1 girl. In the course of the year 1 girl and 1 closing a most happy and enjoyable year with 33 students. Carl Kleinsteuber has missed only one day of school this year.

Mrs. Heddin's 5th Grade

The highlight of our school year was our trip to Bob-lo. We had candy sales and sold garden seeds to finance the trip. We had a train ride from Pontiac to Detroit and while we were in Detroit before the boat left we made a tour of Vernor's Ginger Ale plant and enjoyed a nice, tall glass of Vernor's. We had a lovely boat trip and enjoyed dancing on deck. We had fun on the rides at Boblo. We had a picnic lunch and we returned to Detroit on the 4 o'clock boat in time to ride the train back to Pontiac where we were met by the school bus. Our chaperones included our teacher, Mrs. Heddin, Mr. and Mrs. Barrie, Mrs. Bates, Mrs. Frankenfield, Mrs. Staley, Mrs. Brewer, Mrs. Hogan, Mrs. Pappi, Mrs. Minter and Mrs. Young.

Ruth Ann Carmean received a pen and pencil set for selling the most seeds and Dick Wellman was awarded the second prize.

The last P. T. A. meeting of the school year was held at the Sashabaw School on Thursday evening, June 5th, A short program was presented. A group of 6th grade boys recited the poem "Prayers of Steel". A group of 6th grade girls sang "April Showers". Virginia

### DON'T LET YOUR WIFE DISCOVER THIS TOO LATE!

Women by the thousands are discovering in the beautiful Chrysler Saratoga the easiest "big car" of all to handle ... the most generously comfortable to ride in ... and the most instantly responsive to their command.

That's why we say to you . . . and your wife . . . "Come in and see for yourselves what the Saratoga does for you." And do it now, before you decide on any car . . . not later, when you may regret not having all the things you can have in a Saratogal

Yes, it is a big car with big car power . . . a breath-taking 180 H.P. performer (the most revolutionary V-8 engine in 25 years) that answers to the touch of your toe with delightful gusto. And it doesn't call for premium fuel, either!

Does your wife think there's too much car here to handle? ... let her try its Power Steering that does 4/5 of all the steering work and gives five times greater control on the road and when parking!

Is she safety-minded? Chrysler Power Brakes give her quicker, safer stops . . . with up to two thirds less foot pressure. She'll appreciate Chrysler's Safety-Cushion dash panel. And in case of a blowout, she'll have the assurance of Safety-Rim wheels that won't "throw" a tire.

How about comfort? Come, both of you, for a ridel . . . feel how those amazing Oriflow shock absorbers "liquidate" even the worst road bumps. Chair-high seats plus big, big windows let even the tiniest little lady see out properly. Doors open wide . . . and she can keep her hat on!

Here, in short, is the car beautifully designed for men and women. The liveliest, best handling car in America. The car you'll both be glad you saw first. Why not stop in today?

NOTE: Power Steering standard on Crown Imperial Available, extra, on any new Chrysler.

Don't miss "I Was Stalin's Nurse", the first detailed account of Stalin's intimate life to reach the Western World, in the New American Weekly, with Sunday's Herald-American!

its defense. They declare that potatoes are a valuable source of iron and thiamine (vitamin B1). As a guide to the housewife, Department nutritionists have compiled a list of readily available foods and the amounts needed to

supply these important elements, The following are equal in food value to 14 cup or two heaping. tablespoons of mashed potatoes: two slices of enriched white bread or two slices of whole wheat bread; one cup of enriched cooked hominy; three cups of cooked macaroni; two cups of cooked rice; one biscuit, 21/2 inches in diameter, made with enriched flour; or one waffle, 5% inches in diameter, made with enriched

To provide the same nutritional value as the potato, macaroni or rice would have to be eaten in such large quantities that the nutritionists suggest they be prepared or served in combination with outher foods.

If you use macaroni, which is short in B1, you might use pork or a salad of prunes stuffed with peanut butter to provide this needed vitamin.

If you use rice, be sure you black or fill dirt. Bob Streling, have a good source of iron, such as liver, to go along with it. You might plan a menu featuring creole liver and rice or a combination dish of rice, eggs and

Other good substitutes include biscuit crust made with enriched flour for meat pies, or creamed fish or creamed meat dishes on biscuits made with enriched flour. Beans, while rich in food value, are usually considered to be main dish and a substitute for

meat rather than for potatoes. If there's any doubt about whether your meals are adequate and you want to check, send for the publication "Check Up on

#### MSC SUMMER SCHOOL WILL OPEN JUNE 23

. About 4,500 students will enroll June 23 for the 39th annual Summer School at Michigan State College.

Students will register June 23 for a six-week session through August 1, and a nine-week session through August 22, according to Dean Emeritus S. E. Crowe, director of the M. S. C. Summer School.

All departments of the college will be in full operation for the nine-week session, and, in order to allow students to carry a maximum load of academic courses. neither military science nor physical education will be required during the summer term.

Seventeen special credit workshops will also be offered during the summer in addition to regular summer course offerings. Highlight of the workshops sessions will be the second annual television workshop June 23 - Aug. 1

That we may ever look to God for protection from all evil is emphasized in the Lesson-Sermon entitled "God the Preserver of Man" to be read in all Christian Science Churches on Sunday. June 15<u>.</u>

The Golden Text is from Psalms (91:1): "He that dwelleth in the secret place of the most High shall abide under the shadow of the Almighty".
Among the Bible citations is

this passage, (Ps. 105:1): "O give thanks unto the Lord; call upon his name: make known his deeds among the people."

Correlative passages from Science and Health with Key to the Scriptures" by Mary Baker Eddy include: "Discerning the rights of man, we cannot fail to foresee the doom of all oppression. Slavery is not the legitimate state of man. God made man free." (p. 227)
