

Waterford

Mrs. Jack Hall, Correspondent
Phone OR 3-0261

Mr. and Mrs. Percy Hunt of Watkins Lake will entertain the members of the Good Will Club and their husbands at a 6:30 picnic supper next Tuesday, August 5th.

There were 67 present at the Waterford Community Church and Sunday School picnic held at Cass-Dodge Park last Saturday. A picnic basket supper followed an afternoon of games and fun. A devotional period was held in the early evening.

On Friday, Saturday and Sunday evenings of this week, at 7:30 Jack VanImpe, an accordionist and Bible evangelist will be at Waterford Community Church. He will also be at the Sunday morning service. The King's Disciples are sponsoring him and all are welcome to come and hear him.

Mrs. Carl Enden of Gale Road will entertain the Ladies Auxiliary of the Community Church on August 7th. A picnic dinner will be served at 12:30.

The Adult Bible class of the Community Church will not meet during August.

Mr. and Mrs. L. H. McFarland and Mrs. Irene Trunk spent the weekend in Saranac at the home of Mrs. Louise Friedle, a former neighbor at Williams Lake.

Mr. and Mrs. Clyde Lehman have returned home from a trip to Florida. They went down hoping to find a satisfactory position prior to moving there permanently. The position did not materialize and they have decided to stay in Michigan.

Mr. and Mrs. Wallace Brown have four of Mrs. Brown's nieces from Charlotte, with them this week. They are Sandra Stanke and her twin sisters, Suzanne and Suzette with their cousin, Carol Fisher. The girls will also visit another uncle and aunt, Mr. and Mrs. Floyd Fisher of Drayton Plains.

Virginia and Margaret Studebaker of Andersonville Road left on Saturday for a visit with their grandparents, Mr. and Mrs. Lott Everly of Au Gres, Michigan.

Mr. and Mrs. William M. Wood arrived Saturday from Long Beach, California, for an extended visit with his brother and family, the Percy Woods of Windiate Park.

Mr. and Mrs. J. Thomas Peterson have his parents from Ohio as their guests.

Mr. and Mrs. Alfred Beebe and son, Jim, and Bud Simmons all of VanSyckle Street are vacationing. They spent last Friday with the Robert Materna family at their cabin at Platte Lake.

Mrs. Bertha Saylor is spending

this week in the northern part of the state. Her brother and sister-in-law are with her.

Mr. and Mrs. Robert Berg and two children who have been living in the VanSyckle cottage moved this past weekend to their new home on Harriett Street at Williams Lake.

Mr. and Mrs. Ronald Hardley and family of Bear Lake visited friends in Waterford and vicinity on Sunday. The Hardleys are former Waterford residents.

Mrs. J. Wallace Jacobus who is visiting here from Fredricksburg, Virginia, was a dinner guest of Mrs. Henri Buck on Thursday.

Jim Sutton is home from two years in Japan. His mother, Mrs. James Sutton has been with him in Japan for the past two months and is expected home about August 1st. She is coming by boat, but Jim flew home, thus arriving here quite a little ahead of her.

Mrs. Robert Sievers and sons, David and Danny, arrived Sunday from Evansville, Indiana, to spend a couple of weeks with her parents, Mr. and Mrs. Roy Pammenter.

Seven members of the O. D. O. Club met at the home of Mrs. William Schultz last Wednesday for a pot-luck luncheon and annual election of officers. Mrs. Schultz is the new president with Mrs. Leslie McFarland vice-president. Mrs. P. L. McLaughlin and Mrs. Jack Hall were re-elected for the offices of treasurer and secretary. Cancer pad work was done during the afternoon. Mrs. Agnes Flickinger will entertain the group on August 27th at a picnic at her home.

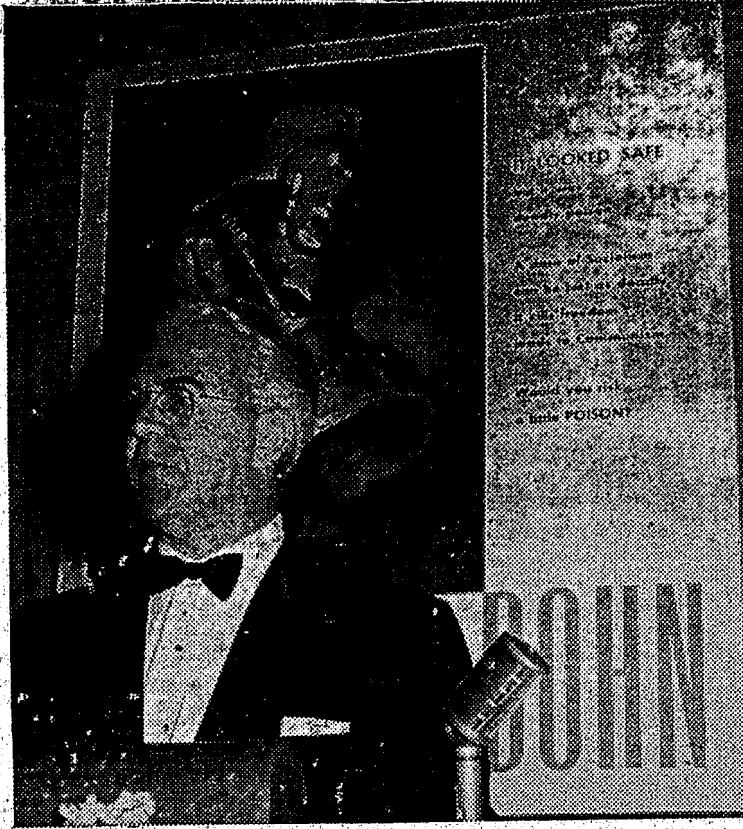

The Waterford Woman's Club turned \$199.35 over to the C. A. I. treasurer at their meeting last Thursday. The amount was cleared by the club when they served meals and lunches the three days of the recent C. A. I. Fair. Mrs. William Schultz had charge of the meals and kitchen on Friday; Mrs. L. H. McFarland took over for Saturday and on Sunday Mrs. Herman Streeter was in charge. Plans were made for three dinners to be served by the club in the near future. The first one will be on September 9th for the Auxiliary to the Metropolitan Club of the state. About 300 hunters are expected for a dinner on September 15th and on October 1st there will be a dinner for 500 recently retired men from General Motors.

Mrs. Otto Duguid Mrs. Earl Schwalm, Mrs. P. L. McLaughlin and Mrs. Alice Tindall were hostesses for the evening.

The Annual Waterford School Reunion is scheduled for Saturday August 9th, at the village school. A co-operative dinner will be enjoyed at one o'clock and those attending are asked to bring their own table service, sandwiches and a dish of food to pass. Fred Van-Atta, president of the reunion, sends this message: "All of the other Waterford School kids would like to see you even though you might not care much about seeing them, so we urge that you attend this year and renew your acquaintance. It will help you and help them. We will be looking for you."

A fine program is being planned and more details will follow next week.

Legion Convention Speaker

S. D. DenUyl, president of Bohn Aluminum and Brass Corp. will be the featured speaker at the state American Legion convention in Grand Rapids Aug. 7-10. Mr. DenUyl will speak before the annual convention banquet at the Panlind Hotel Aug. 9. Long noted as an outstanding American patriot, Mr. DenUyl, through his firm has spearheaded a million dollar advertising program directed against Communism via the means of printed advertisements and television. A number of citations have been awarded to Bohn and its president for the vigorous Americanism campaign. Thomas Roussel, Dearborn, state commander of the organization will preside during the convolve.

AUTOMATIC WASHERS FOR RURAL AREAS

Rural housewives who have been eyeing automatic washers wistfully may want to know water and pressure requirements before they take the big step of purchasing one.

Lucile Ketchum, Michigan State College home management specialist, reports that the water requirements of the washers range from a total of 26 to 52 gallons

per load with minimum pressures of from 15 to 25 pounds.

Whether an automatic washer will use more water than has previously been used with a conventional washer depends on existing washing practices in the home, Miss Ketchum said. An average four loads weekly would require from 84 to 208 gallons depending upon the type of automatic washer. If the homemaker has made a practice of changing water in

"ACCENT ON YOUTH" WITH JACK VAN IMPE

The King's Disciples Youth Group of Waterford Community Church is sponsoring three days of special meetings with Jack Van Impe, outstanding accordionist and Bible evangelist, August 1st through August 3rd, Friday

JACK VAN IMPE

through Sunday. Meetings will be held each evening at 7:30 at the church, located on Andersonville Road near U.S. 10. Everyone is welcome to attend.

Any who have seen Jack on television will certainly want to meet him in person. He will also be playing and speaking at the Sunday morning worship service at 11:00 o'clock.

washer and tubs in a conventional machine, she has probably used 90 to 100 gallons weekly.

Miss Ketchum, who reports the findings of extensive research at the Ohio Experiment Station, says that a sufficient hot water supply is important in the performance of the automatic washer. The number of gallons of hot water used ranges from 16 to 35 gallons. A 30-gallon hot water heater could supply sufficient hot water for only one or two loads. However, Miss Ketchum suggests that if a homemaker would wash one or two loads on different days during the week, a 30-gallon hot water heater would suffice. Otherwise a 50 or 75-gallon heater would be the best.

EASY ON THE SPEED
Sheriff Hubbell, is reminding motorists that although speed control is being stressed during the current traffic safety campaign in Michigan, the dangers of driving too fast are present all year around. Motorists should think of the effects of excessive speed before—not after they step on the gas.

"Many drivers," Sheriff Hubbell stated, "fail to realize just how destructive fast-driving is."

"For instance, a car that strikes a solid object at 60 miles per hour hits with the same impact as if it were driven off the top of a ten-story building."

"No one would think of driving off of the top of a building, but many actually risk doing the equivalent of that when they get out on the highway and tear loose."

"A look at a wrecked car will show the destructive power of speed, but smashed fenders, ripped tops, bent frames and shattered

Patients Should Have
Ethics, Too

★ A physician is a busy man. Day and night he is ready to give succor to those in need of his care. Let us be fair. Do not telephone him at mealtimes just because you know he can be reached. And do not call him at night, unless absolutely necessary. Confine your calls to his office hours as much as you can. That is what office hours are for.

Keep your appointments promptly, or notify him in advance that it is impossible for you to do so. In short, treat him as you would wish to be treated were you the physician. A sympathetic appreciation of his problems greatly enhances the help he can give.

Call on us for competent prescription service.

Mrs. Stanley Furman
Correspondent

Maxine Ridgeway was taken to Goodrich Hospital last Thursday for treatment.

Mrs. Tony Pele is a patient in Goodrich Hospital.

Bob and Buddy Furman and Freddie Robinson went to Boy Scout Camp Agawam on Sunday. They will be there for six days.

Mr. and Mrs. Bob Tarran and daughter of Detroit spent Wednesday visiting Mr. and Mrs. Verne Jarvis.

Mrs. Mat Armstrong of Dunnville, Ontario and Mr. and Mrs. D. J. McIntosh of Sarnia, Ontario, spent Thursday with their sister, Mrs. Verne Jarvis. They returned to Canada on Friday.

Mrs. Margaret Allison of Highland Park spent the weekend visiting her daughter, Mrs. Charles Adams.

Mr. and Mrs. Myron Strasburg of Postoria have moved their trailer to the grounds at the Frank Huff home. Mrs. Frank Huff is their aunt.

Fifteen helped Beverly Selby celebrate her birthday on Tuesday. They held a picnic at Pontiac Lake.

Mr. and Mrs. Stanley Rader and family and Mr. and Mrs. Warner Beckman and family were among the 75 who attended the Hubble reunion on Sunday at Wildwood Park.

Norman Rader returned home this week after spending a week in Ortonville with his grandparents, Mr. and Mrs. Norman Hubble.

Elsie Cranston of Fenton spent last week visiting with June Rader.

Fred Ward of Drayton Plains is spending several days at the home of Mr. and Mrs. Howard Sprague.

Mr. and Mrs. Fred Miller have returned home from a trip to northern Michigan. They toured the whole peninsula and visited all places of interest.

The trophy dash at Chief Pontiac Speedway on Sunday was won by Joe Puertas in car 68. First in car 70 came in first in the first heat. The second heat went to Chuck Messar in car 333. The third heat was won by Furney in car 62 and the fourth heat went to Poquette in car 7-11. Bill Scarborough was outstanding by coming in first in the Australian Pursuit and also in the special race. Bill Gabbard in car 92 was the winner in the Hooligan and the Feature Race, the most exciting of the afternoon, was won by Joe Doyle in car 20.

OAKLAND COUNTY
EXTENSION SERVICE NEWS

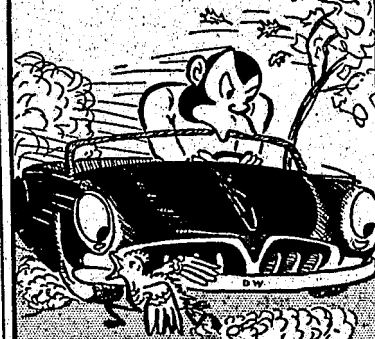

by Mrs. Josephine Lawyer
Home Demonstration Agent

PLAN FOR THE
CANNING SEASON

Careful preparation for canning is vital. Mrs. Josephine Lawyer, county home demonstration agent, reminded homemakers today.

In the first place check and wash jars and lids—use only perfect ones because cracks, chips or dents will prevent airtight seals. Using jars and tops from the same

OTTO HAZARD

SPEEDERS WHO DON'T
KNOW THE MEANING OF SLOW
WILL LEAVE THEIR WIDOWS
TO COLLECT THE DOUGH!

manufacturer may help to insure a tight seal, she said.

If you have noticed that rubber jar rings tend to flavor your preserved food, Mrs. Lawyer recommends scrubbing the rings with a brush in hot, soapy water. For each dozen rings use one tablespoon of baking soda to a quart of cold water, bring to the boiling point and boil for ten minutes. Then rinse the rings well.

Any big, clean vessel will do for a boiling-water-bath canner if it is deep enough—and depth is an important consideration, Mrs. Lawyer cautioned. There must be an inch or two of water above the tops of the jars and a little extra space for boiling. Of course, there must be a rack to keep the jars from touching bottom, and a cover.

A steam-pressure canner—for safe operation—must be thoroughly clean before starting the canning season. Clean the pet-cock and safety-valve openings by drawing a string or narrow strip of cloth through them. Do this at beginning of canning season and often during the season.

The United States Department of Agriculture recommends using a boiling-water bath for fruits, tomatoes and pickled vegetables. Mrs. Lawyer reported. These acid foods process safely in boiling water, the USDA contends. For corn, beans and other common vegetables (except tomatoes) use a steam-pressure canner, since to process these foods safely in a reasonable time takes a temperature higher than that of boiling water.

The latest Canning Bulletins can be obtained free of charge by writing Mrs. Josephine Lawyer, Oakland County Home Demonstration Agent, 1260 West Boulevard, Pontiac.

NURSES NEEDED
FOR POLIO SEASON

The American Red Cross has issued an urgent call for registered nurses to serve during the polio season. Incidence of the disease so far this year is running 58 percent above the same period last year.

according to statistics released by the National Foundation for Infantile Paralysis.

"The demand for more nurses is particularly great in Iowa and Texas," according to Kay Fitzpatrick, Red Cross director of Nursing Services for the Midwestern Area. Most of the available nurses will be needed before the epidemic is over, she said.

"It is not our intention to drain nurses from other duty in which they are vitally needed," Miss Fitzpatrick said. She added that inactive registered nurses were particularly being sought.

Nurses recruited by the Red Cross are requested to serve for a minimum two-month period. Their salaries are paid by the National Foundation for Infantile Paralysis.

The Red Cross recruits nurses at the request of NFIP, the organization which provides expert polio care for all and meets the cost of treatment when family finances are inadequate. The Foundation will pay the cost of transportation to places of assignment and will provide maintenance in addition to salary while the nurse is serving in polio work. Foundation figures show a total of 4,176 cases of polio in the United States since March. This compares with 2,644 last year.

NO SHIRT-TAIL
RIDER—

FRED M.
ALGER

Fred M. Alger

Alger became an enthusiastic Eisenhower for president supporter more than a year ago, when the two met and talked over the country's needs, seeing eye to eye.

Alger was the first state official, and the only candidate for governor to endorse Eisenhower. He was criticized for doing so. It wasn't good politics. Good politics dictated that he ride the fence. He wouldn't because he believes the people should know where a candidate for office stands.

The Eisenhower-Alger combination is a natural. Both are agreed that the Nation's defense comes first. Both have proven themselves good and able administrators, Ike in the European zone, Alger as an efficient, economy-minded, three-term Secretary of State.

Both are full-time veterans of World War II.

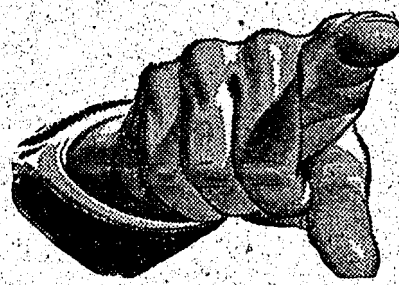

Both have records bespeaking unalterable hatred of dictatorship, Ike in arming the western world against Stalinist aggression; Alger as leader of the movement which ended machine rule of the Republican Party of Michigan.

They understand each other. It's a pair that can't be beat.

For Michigan and the nation, it's

LOCKERS ARE FOR CITY FOLKS TOO!

Locker Plant

You don't have to raise your own meat, fruits, vegetables, and poultry to live better for less the locker way.

We'll be glad to sell you wholesale cuts of meat on money-saving wholesale prices. And you can buy frozen fruits and vegetables from us in bulk lots at budget-stretching prices the year round.

Come in and select the beef, pork, and other meat you need for the next several months. Let us cut it to your family size, package it scientifically, freeze it at a b-r-r temperature, and put it in your locker.

Most families save up to \$5 a week by living the locker way. Drop in soon—and let's talk it over.
