District Governor Visits Rotary

With a toast to the Queen; another toast to the President of the United States and the singing of "God Save the Queen" and "America", the meeting of the Clarkston Rotary Club was called to order, on Monday at the Community Center. The occasion was the visit of the Governor of this District Alan Perry Brander and because he lives in Wallaceburg, Ontario, it gave the meeting an international flavor.

Governor Brander spoke of the friendly feeling that existed between Canada and the United States. To the interest of the members he also explained the great economic expansion now going on in Canada. His address dealt with the ideas and ideals of Rotary International. He was introduced by the President of the local Club, Ed. Rummings.

The Rotary dinners are now being served on large (about 10 feet in diameter) round tables. The Dorcas Circle of the W. S. C. S., was in charge of the dinner.

Dorcas Circle Has Picnic

The Dorcas Circle of the Methodist Woman's Society of Christian Service held their August meeting at the home of Mrs. Howard Sage on N. Holcomb Street. There were fourteen present to enjoy the picnic luncheon and the business meeting that followed.

The devotions were led by Mrs. Garnet Poulton and Mrs. Leland Masters was in charge of the business meeting. Mrs. Floyd Andrews was elected co-chairman; Mrs. William Dunston was named program chairman and Mrs. Garnet Poulton, besides being the devotional leader, will act as flower chairman.

The group discussed the Rotary dinners, the Men's Club dinner on September 18 and the quarterly luncheon at the church on September 3rd when the Dorcas group will be host.

The next regular meeting of the Circle will be in October with Mrs. Floyd Andrews.

Nature's Bountiful Gifts

Two swans with grace and dignity swam down the lake so gracefully last spring; just two.

Dame nature in her way since then. Has given to the pair of them. A family new.

She increased in so short a time their numbers from just two to nine. Without a care.

A naked tree stood there last spring. A place for birds to stop and sing in bracing air.

But it like all the other trees was forced to bring forth blooms and leaves. By nature's call.

Thru propagation fruit was formed. Each limb by luscious fruit adorned. When came the fall.

Enough was grown from one small seed. A multitude of mouths to feed. As days of old.

The miracles of modern day. Are manifest in every way. Like we were told.

With fishes few and loaves of bread. A multitude were told were fed. Long years ago.

Now nature proves that this could be. By birds and bees and bearing tree. These things we know.

Clarkston 4-H'ers Make Good Showing

The members of the Clarkston 4-H Club who exhibited at the County 4-H Fair last week were recognized with many blue ribbons. Ann Spohn received first place and reserve champion on her horse "Melody"; George Mann took 5 firsts on his sheep and first in sheep showmanship; Lee Perry received two firsts on his mare and colt, "Merry Sunshine" and "Missy Star"; Vaun Walton won second place on his Hereford "Tom"; Alan Walton received second on his heifer "Clair" and third on his heifer "Cleo"; Fred Turek won a first and a second on his pony "Monday"; Betty Gardner was awarded one second and a third on her horse "Merry-legs" and second on geese; Larry Moran won a first and a second on his goats "Salt and Pepper".

Others receiving recognition were Don Moran who was awarded a second on his geese, Ann Whiting, third on her ducks; Barbara Bates won a second on her heifer "LaBelle" and Leon Decker received second on his lamb "Governor".

Barbara Bates was also chosen as a member of the Queen's court which was quite an honor.

The Fair last week had such a large attendance that the 4-H'ers found their grounds and facilities a little small to accommodate so many. However, they were proud to see so many interested in their projects.

Local Garden Club Prepares For Show

The local Garden Club is busy making plans for their first Flower, Fruit and Vegetable Show to be held in the building at the rear of Township Community Center on Friday, September 12th.

The rules for the exhibitors are: 1. The number of entries in every class is limited and will be closed in order of registration.

2. Registrations must be made with Mrs. Lloyd Mege, MAple 5-3816 or MA 5-2521 before September 10.

3. Exhibitors must find a substitute if unable to exhibit. Space must not be left empty. No cancellation will be accepted after September 10.

4. All exhibits are to be in place for judging by 10:45 A. M. on September 12 and must not be removed by owner before 9 P. M. the same day.

5. All containers and other property must be marked with the name of exhibitor.

6. The committee cannot assume responsibility for loss or damage.

7. An exhibitor may make one entry only in any one class.

8. An exhibit containing artificial, painted or lacquered material will be disqualified. No wiring of material will be permitted.

9. Exhibitors are asked to mark any unusual plant material used.

10. Two persons may collaborate in staging Section B (1 and 2).

11. Exhibitor must stage her own exhibit, and must have no help while arranging it.

12. Exhibitors may not touch arrangements after placing.

13. The use of plant material on the prohibited list of the Conservation Department shall not be allowed.

14. Stands under containers, and accessories are permitted.

15. Containers will be supplied for exhibition of specimen blooms.

There will be first, second and third place ribbons awarded. In each class provided the requirements of the judging method have been met.

Clarkston Locals

Mr. and Mrs. Keith Kerton are receiving congratulations on the birth of a 6 lb 12 oz son, David Glenn, on Saturday, August 16th, at St. Joseph's Mercy Hospital in Pontiac. Grandparents are Mrs. V. L. Umscheid of Wemago, Kansas and Mr. and Mrs. Glenn Kerton of Clarkston.

Mr. and Mrs. Kenneth Ricks and family of near Lansing visited her parents Mr. and Mrs. Ward Robbins last Sunday.

Mr. and Mrs. L. D. Riley and daughter, Nadine, spent last weekend in Postoria where they attended the homecoming. They had a grand time and enjoyed visiting with their son and daughter-in-law, Mr. and Mrs. George Riley. One of the highlights of the occasion was when Mr. Riley was lucky enough to win the grand prize, a 17 inch television set, which he presented to his son and wife who have just been married a short while.

Good Attendance At School Reunion

The reunion of the pupils and graduates of the "old white" and brick schools on North Main Street, was held in the Community Center, which stands on the former locations, last Saturday, August 16th, with an attendance of over fifty.

A pot-luck dinner was served at one o'clock and as usual the tables were loaded with tempting, home-cooked food.

A short business meeting followed the dinner with Lee M. Clark, chairman, presiding.

Mrs. Irene (VanHorn) Ainsley read the minutes of the 1951 reunion. Letters from graduates who were unable to attend were read. These letters were from: Clarence Vilet, Mrs. Cora (Kler) Fulkerson, Mrs. Clara (Urch) Farrell and Mrs. Estelle (Gibbs) Graham.

The financial report was read. Mrs. Iva (Buzard) Miller was appointed chairman for the 1953 reunion.

A program was then presented with Mrs. Esther (Walter) Newlands giving an instructive and educational talk on her recent conducted trip through the countries of Europe. Mrs. Newlands displayed coins, jewelry, leather, Brussels lace, a cameo, a music box, pictures and other souvenirs from the countries visited.

A visiting period followed and everyone left with memories of a very pleasant day.

Among the graduates present were: Guy A. Walter, class of 1892; Mrs. Esther (Walter) Newlands, class of 1895; Ralph Jossman, 1898; Lee M. Clark, 1898; Mrs. Blanche (Addis) Walter, 1901; Mrs. Sara (McMahon) Miller, 1902; Mrs. Ethel (McMahon) Owen, 1903; Mrs. Julia (Smith) Yeager, 1907; Mrs. Irene (VanHorn) Ainsley, 1908; Mrs. Emily (Knox) Beardslee, 1912; Mrs. (Patty) Smith, 1915; Hazen Atkins, 1916; Mrs. Jeanette (Knox) Atkins, 1916; Mrs. Mildred (Crosby) Mann, 1919.

Ice Cream Social Sunday Afternoon

An ice cream social will be held at the R. Lloyd Walker home, 3257 Coventry, Hutton Lake, on Sunday, August 24th, from 4 to 6 P. M. Home made pies, cakes, ice cream and coffee will be served.

This affair is being sponsored by the Ladies Guild of All Saints Episcopal Chapel. The public is invited.

Clarkston Locals

Keith Kerton left on Saturday to spend two weeks in training at Camp Grayling.

Mrs. Jack Chisholm and son, Jack, and Mrs. Hawley Skarritt spent a few days last week in Gladwin with their mother, Mrs. Hawley.

Hermine Belitz of Ionia is visiting her grandmother, Mrs. William Belitz. She has been here two weeks and expects to return to her home on Saturday.

The Gray Robertsons are on an eastern trip. They expect to tour in Quebec, Canada, and the New England States.

Mr. and Mrs. Clayton Emerson and family of Inkster spent the weekend with Mrs. Emerson's parents, Mr. and Mrs. Ward Robbins.

Mrs. Wallace Ridgley and daughter, Carolyn, of Hudson, Mich., are spending a few days this week at the home of Mr. and Mrs. Glenn Kerton. They are enjoying seeing other Clarkston friends.

Miss Ruth Sharpe returned from a short vacation trip on Sunday evening. She and her cousin from Williamston toured Wisconsin and Minnesota going by way of the Straits and the upper peninsula of Michigan.

Mr. and Mrs. Malen Ellsworth and two children are now living in the King home on N. Main Street which they purchased recently. They finished their moving last Saturday and are almost completely settled. They moved from their home on Northfield in Pontiac. Mrs. Ellsworth is a native of Clarkston and a graduate of the Clarkston High School. Before her marriage she was Ruth Belitz.

Mr. and Mrs. Guy A. Walter were a little disturbed last weekend when they heard that their son, Harlan G. Walter of Birmingham, had been in a head-on auto crash near Sault Ste. Marie, Ont. He was on a fishing trip into northern Canada with three other men. There were four seriously injured. However Mr. Walter and one of his companions escaped injury.

Local Teacher Attends Workshop

Among those attending the annual Workshop on Economic Education being held at Michigan State College is Miss Patricia Stites, Clarkston high school teacher.

The workshop, which hears talks by the nation's leading economists, annually attracts more than 50 school teachers from all parts of Michigan. The three-week session is designed to train teachers in the economic structure of American democracy. When they have finished their course at MSC, the teachers will return to their own communities to hold similar workshops on a local level.

The workshop is sponsored by the state department of public instruction; the MSC School of Education and Department of Economics; the Michigan and National Councils on Economic Education.

By The Way . . .

To write a column like this you take a nice white sheet of paper, properly insert it into the typewriter and with a mind just as blank as the paper, you sit and stare at the vacant sheet. Suddenly your mind begins to work with such thoughts as these, 'I've got to get it done! The linotype operator is waiting for this—and I'm tired of waiting! There is just the proper space on the front page for this type so the paper can be locked up and the paper printed for the week! Some old-time brothers used to say—a word to a line—this is one way to fill space when you have nothing to say. You think of trying it, but it is kind of corny. However let's get the day dream of an approaching vacation out of our mind and get to work . . .'

Listening to the speaker at Rotary, on Monday, tell of the many profit making, almost get-rich-quick ventures that are now being carried on in Canada makes one think of California and Alaska in the gold rush days. But sober thinking, aided by words of a Canadian Civil Servant—their word for civil service clerk—you realize most of the successful exploration is being done by large corporations. The days of the pick and shovel are past. It is strictly "Big Business". The next best suggestion is Canadian Stocks. I am not a poor loser but I am a very bad gambler—perhaps I better stick to the newspaper business . . . What's coming up in the next little while? Maybe something interesting in that line of thinking. Well there is the annual State Fair, always bigger and better and somehow always the same. School will open in about two weeks—a rest for the mothers and the youngsters have got to spend some time on getting an education. The annual Rotary Labor Day Parade—a big day for the youngsters and something the older folks thoroughly enjoy—and each year with a new surprise or so. Then Sept. 7th the annual Dixie Saddle Club Horse Show. Always something new and an event that advertises Clarkston to all the "Horse Lovers" in the state. We are thinking also of the Farm and Garden Club show Sept. 12th, a thing of beauty—you should plan to attend . . .

Somehow our hats are off to the folks behind these home talent enterprises—the work that is done beforehand is simply amazing . . . You have to be a dog lover to appreciate this—but the beautiful young lady in the divorce court was given the custody of the family cocker spaniel this week . . . Congratulations to Byron T. Beardslee who recently attained his 83rd birthday. You may try to forget those birthdays for a few years but when you get over 80 they seem to remind one he or she has been around some time and the quest for a few more years grows interesting . . . It is always a good idea to keep one's troubles to himself. Your friends have their own affairs to think of and no time for yours and if you have a decent assortment of enemies they are glad. However, because we want to praise another more than relate our own troubles please read this. Two weeks ago a part on our newspaper press broke. Joe McCall in Holly has the same kind of a press we have and we called to see if he had an extra part. He did—thanks Joe. But he sprung this: Wait a minute Joe Haas wants to speak to you. Joe said, "Say, how would it be if I drove over with that part?" Sure enough, in a few minutes he went home, picked up his wife, Winifred, and delivered the part to this office, giving us a chance to visit with he and his good wife, and doing us a big favor. Thanks Joe Haas and I hope Mrs. Haas enjoyed the ride.

Barton-McKim Rites Read Saturday

Last Saturday evening at seven o'clock Patricia Ann McKim of Clarkston and Richard Barton of Fenton spoke their nuptial vows in a double-ring ceremony at the Clarkston Methodist Church.

Mr. and Mrs. James McKim of Buffalo Street, Clarkston, are the bride's parents and Mrs. Carol Lisek of Fenton is the bridegroom's mother.

The Reverend Robert M. Atkins read the rites before an altar decorated with baskets of white gladioli.

The bride, given in marriage by her father, was smart in a white sharkskin suit with navy trim, a small white hat and navy accessories. She carried a Colonial bouquet of red roses and baby's breath.

Mrs. Harold Kennedy of Clarkston was the bride's only attendant. She wore a navy suit with small white hat and navy accessories. Her corsage was of yellow baby mums and daisies.

Jack Gerling of Detroit assisted Mr. Barton as best man and seating the guests were the bride's brother, John McKim and Nathan Riffle.

Mrs. Adele Thomas played the traditional music and accompanied Mrs. William Mansfield who sang "Because" and "The Lord's Prayer".

Immediately following the ceremony a reception was held at the home of the bride's parents. The refreshment table, trimmed in blue and white, was centered with a three-tiered wedding cake topped with a miniature bride and groom. The bride's grandmother, Mrs. Frank Wagner of Pontiac, cut and served the cake. Mrs. Clair Kelley of Drayton Plains, aunt of the bride and Mrs. McKim poured.

The young couple will make their home at Williams Lake.

Patricia graduated from the Clarkston High School in the class of '52. Richard recently returned from four years of service in Germany.

MICHIGAN BELL GETS NEW PRESIDENT

Clifton W. Phalen, who has been vice-president of the American Telephone and Telegraph Company, is the new president of the Michigan Bell Telephone Company.

Phalen, who has been head of AT&T's Personnel Relations Department, succeeds John A. Greene, who becomes the new president of the Ohio Bell Telephone Company. The changes are effective September 1.

Greene returns to the company where he spent 31 of his 37 years with the Bell Telephone System prior to his election as president of Michigan Bell two years ago.

A native of Washington, D. C., and a graduate of Yale University, Phalen has been an AT & T vice-president since 1948. He has spent his entire business career of 24 years with the Bell System, starting as a lineman with the New York Telephone Company at Syracuse in 1928.

Greene was operating vice-president of the Ohio Bell five years before coming to Michigan Bell in July, 1950. He started his telephone career with the former

New Club Has Dinner Meeting

On Tuesday evening the new Waterford Township Business and Professional Women's Club got off to a good start with a dinner meeting at the Old Mill Tavern with about fifty present.

After a delicious dinner Mrs. Roy Pazik opened the meeting and called for the reading of the minutes of the informal meetings that had been held to work out the organizational plans. The following officers were named: president, Mrs. Roy Pazik; secretary, Mrs. John Landon; treasurer, Mrs. Ray Hoag.

Mrs. Pazik then introduced two special guests, Miss Daisy Jewett of Pontiac, past president of the State Federation of Business and Professional Women's Clubs and Mrs. Homer J. VanHorn, president of the Keego Harbor Club.

Mrs. VanHorn told how pleased the Keego Club was to be able to sponsor the new Waterford Township Club and briefly explained the benefits derived from membership in such an organization.

Miss Jewett addressed the group and related a little of the history of such clubs and mentioned that in the United States there were now 160,000 members of Business and Professional Women's Clubs. The 'National Federation' was formed in 1919 and the International Federation came into being in 1930. The workings of the club were explained in detail and the listeners were given time to ask questions.

Those in attendance were given a chance to become members after which Sonya Zoch read the By-laws which were adopted.

The group will meet on the second Tuesday evening of each month for the business meeting with dinner at 7 at the Old Mill Tavern and on the fourth Tuesday of each month a program or social evening will be held at a place to be announced each month.

The next meeting will be a "get-acquainted" night on Tuesday, August 26th at the home of Mrs. Roy Pazik, 1120 Cass Lake Road with Mrs. Walter, Mrs. Reid and Mrs. Hoag in charge.

The Club is starting with forty members.

Waterford

Colonel and Mrs. Fred Thompson have returned to their home in Waterford after spending the past several years in Europe.

Church

92nd Birthday Honored Sunday

Last Sunday R. F. Townsend was honored at a dinner and gathering at the Garnet Poulton home on Holcomb Street. The occasion was his 92nd birthday. There were forty-six present including fifteen great grandchildren. Mr. Townsend's daughters, Mrs. Ward Robbins and Mrs. Poulton were co-hostesses.

At noon a pot-luck picnic dinner was served on the lawn at the rear of the home, overlooking the mill pond.

Mr. Townsend was remembered with many lovely gifts. He and Mrs. Townsend were happy to spend the lovely afternoon visiting with so many relatives.

The guests were from Midland, Howell, Lansing, Cheboygan, Pontiac, Inkster and Detroit.

Clarkston Brownies Meet Monday

All little girls in Clarkston, 7, 8 and 9 years old, who are interested in being Brownies, are asked to meet at the home of Mrs. L. V. Cushman, 98 N. Holcomb St., on Monday, August 25th, at 2:00 P. M. If unable to attend please call Mrs. Cushman, MA 5-6066.

An appeal is being made for Brownie leaders. These little Brownies need the help of a few adults. If you are interested in leading these little folk please attend the meeting at the Cushman home on Monday afternoon.

Don't worry Brownies, someone will be willing to help you.

Farm Bureau To Have Picnic

The Clarkston Farm Bureau Discussion group will hold a family picnic at the farm of Mr. and Mrs. Harry Bates (Sashabaw Ranch) on Sunday, August 24th, at 1:00 P. M. Mr. and Mrs. Grant Beardslee and Mr. and Mrs. Ralph Walton will be hosts. Hamburger, rolls, coffee, cream and pop will be furnished. Each one attending is asked to provide their own table service and a dish of food to pass.

FIRST CHURCH OF CHRIST, SCIENTIST

71 S. Washington, Oxford
Sunday School 10:30 A. M.
Sunday Service 10:30 A. M.
Wednesday Evening Service 8:00
Reading Room at rear of Church, open Wednesday from 2 to 4 and 7 to 8 P. M.

Everyone desires to have what is called a keen mind. In the Lesson-Sermon under the subject "Mind", to be read in all Christian Science churches on Sunday, August 24th, it will be shown how one may have a true understanding of Mind.

The Golden Text is from Psalms (67:4): "Let the people praise thee, O God; let all the people praise thee. O let the nations be glad and sing for joy: for thou shalt judge the people righteously, and govern the nations upon earth."

Among the Bible citations is this passage, (Isa. 40:29): "Hast thou not known? hast thou not heard, that the everlasting God, the Lord, the Creator of the ends of the earth, fainteth not, neither is weary? there is no searching of his understanding."

Correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include: "A limitless Mind cannot proceed from physical limitations. Finiteness cannot present the idea or the vastness of infinity." (p. 266)

'Indians' at State Fair

Among the free entertainment events at the 1952 Michigan State Fair, August 29 through September 7, will be a program of Indian Ceremonial Dances to be presented by the Hecla Wacipi Indian Society of the Boy Scouts of America. Here is shown Jim Wilson in the Buffalo Dance. He is a Michigan State College student.

Waterford

Mrs. Jack Hall, Correspondent
Phone OR 3-0261
Mrs. Lawrence Giddings will write the Waterford news for this paper for the next two weeks due to Mrs. Hall being away on a vacation trip to Council Bluffs, Iowa, where she is visiting her sister and children.

person Air Field are visiting his parents, Mr. and Mrs. James Pemberton this week.
Mrs. George King is recovering from a broken shoulder suffered in a fall in her yard about three weeks ago.
Mr. and Mrs. Wellington Stoltenberg (Joan Clark) are the parents of a 7 1/2 pound son, Richard E., born August 6th at St. Joseph's Hospital.
Mrs. Clara Galbraith and Mrs. Agnes Flickinger enjoyed a few

days in northern Michigan last week. They also visited Mr. and Mrs. Richard Cole (Lucy Shepherd) at Whittemore, Michigan.
The James Lamberton family returned home on Sunday night after spending two weeks at their cabin at Atlanta.
Mrs. Agnes Flickinger is spending a few days this week with her son, Jack in Berkley.
Mrs. Walter Hood and Mrs. William Tallenger are patients in St. Joseph's Mercy Hospital where both underwent operations last week.
Mr. and Mrs. Robert Amos took their son to Fort Custer on Sunday for his final week in the service. Tim will be home for good on Monday of next week and he and Gordon Brown of Drayton Plains will leave soon for a trip through the South.
Mr. and Mrs. Wiley Ryan and children, Joan, Rita and Ivan, of Galatia, Illinois, have been spending the past week at the W. K. Ryan home. They came to attend the wedding of Bill Ryan and Marilyn Grafmiller last Saturday evening. Joan was one of the attendants.

NURSES RESPOND TO RED CROSS APPEAL TO SERVE IN CRITICAL POLIO AREAS

ST. LOUIS, MO.—Answering the Red Cross' urgent appeal for 100 graduate nurses for immediate assignment, as polo soared to 2290 new cases last week, nurses Helen and Catherine Lukachuk, sisters of Farmington, Mo., receive their plane tickets from Miss Adelle Brielmater, (right), St. Louis Chapter nursing official, as they leave for Orange, Tex. They picked the polio ward there from six possible assignments when they learned one doctor and a nurse, the sole trained medical help, have been splitting 24 hour daily shifts to care for patients. The father of one from Farmington comes in daily to relieve them so they can eat. "Let me have that tough one," Helen decided, and her younger sister Catherine agreed. All available registered nurses who can be spared are being asked to contact their local Red Cross chapters for assignment to critical polio areas

with flesh-colored roses and yellow streamers.
Little Karen Horn as flower girl wore a yellow dress fashioned like the honor attendant's and she carried a basket of assorted flowers. Jerry Ryan, the groom's young brother, carried the rings on a white satin pillow.
Dean Grafmiller, brother of the bride, was best man. Seating the guests were Ronald Correll, Donald Campbell, Dick and Dale Ryan, brothers of the groom.
During the ceremony Mrs. Jerry Outland sang "I Love You Truly" and "Always" accompanied by Mrs. Cameron Coventry at the piano.
Mrs. Grafmiller wore a pale blue embroidered street length dress with pink accessories. Her corsage was of yellow roses. Mrs. Ryan chose a dusty pink lace dress with navy accessories and her corsage was of pink roses.
A reception was held in the Waterford Community House. Three grandmothers of the couple were present. They were Mrs. A. H. Correl of Little River, Kansas; Mrs. Nora Grafmiller and Mrs. Edwood Simmons of Pontiac, The Groom's great grandmother, Mrs. Clem Horne of Walled Lake was unable to be present. Mrs. Simmons and Mrs. Correll served the punch.
For her wedding trip through the Eastern States the bride wore a pink linen dress with an overskirt of pink lace. Her accessories were white and she wore her wedding corsage of roses and carnations. Upon their return they will reside in their new home at 680 Second Street in Pontiac.

Chapel met last week at the home of Reverend and Mrs. Waldo Hunt. Plans were made for an ice cream social to be held this Sunday at the home of R. Lloyd Walker, 3257 Coventry, Huntton Lake, from 4 to 6 P. M. Home made pies, cakes, ice cream and coffee will be served and the public is invited. Future activities for the Guild include a rummage sale to be held at Stevens Hall in Pontiac, beginning at 10:00 A. M. on October 3rd. The Guild will also sponsor a smorgasbord supper on October 23rd at the Drayton Plains School. The next meeting will be held at the Finley Rhodes in Clarkston on August 28th, beginning with a picnic at noon.
Mrs. Agnes Flickinger will entertain the O. D. O. Club at her home on August 27th. A picnic luncheon will be served at noon followed by cancer pad work.
Karmen Kay Beckous will celebrate her 8th birthday on Sunday.
(continued on page 5)
RYAN-GRAFFMILLER
In a candlelight ceremony performed at seven o'clock last Saturday evening in the Waterford Community Church, Marilyn Joanne Grafmiller became the bride of Bill Bryoe Ryan.
The Reverend Wright VanPlew read the double ring rites in the presence of 175 guests. White gladioli and palms decorated the altar.
The bride is the daughter of Mr. and Mrs. Gale Grafmiller of Windiate Park and the W. K. Ryans of Andersonville Road are the parents of the bridegroom.
Marilyn's bridal gown was of white slipper satin featuring a cathedral train and the sleeves were pointed at the wrist and were trimmed with tiny satin buttons. The double-cuffed collar presented an "off-shoulder effect" accented by illusion net at the neckline. A tiara of lace and seed pearls held her lace trimmed, finger-tip veil. She carried white roses and carnations on a white Bible.
Joan Ryan, a cousin of the groom from Galatia, Illinois, was maid of honor. Her dress was of coral taffeta faille featuring a v-neck, scalloped front and nylon tulle accordion pleats in the front of the skirt. A matching flower head piece completed her costume. She carried white gladioli centered with coral roses and coral streamers.
Bridesmaids were Marilyn Shadwell of Pontiac and Gail Rockefeller of Detroit. They wore peacock blue dresses identical to the honor maid's. Their bouquets were of yellow gladioli centered

The American Way
The words "Michigan" and "fishing" are practically synonymous at this time of the year. And after a day's fishing, it's the "American Way" to enjoy a glass of cool, refreshing Michigan brewed beer.
For beer belongs... to pleasant living, to good fellowship, to sensible moderation. And our right to enjoy it, this too, belongs... to our own American heritage of personal freedom. Beer Belongs... Enjoy It

New "Early Red" raspberry
lengthens season, boosts yield
A new red raspberry variety, named "Early Red," has been developed at Michigan State College's South Haven Experiment Station, after 20 years of breeding and testing. The "Early Red" starts producing berries early in the season when the crop is small and prices are usually higher. Plants are upright, tall, vigorous, hardy and very productive. The berries have good flavor and a long ripening season. They withstand canning without crumbling and freeze as well as Latham raspberries. For more information, call your County Agricultural Agent.
"Daddy Longlegs" guards the nation
This curious-looking device is a "thermistor" It's a speck of metallic oxide imbedded in a glass bead half the size of a grain of rice (or smaller!). The bead thermistor controls and measures the flow of electric current in radar sets used to guard the nation's defenses. It's also used in telephone equipment. Developed by Bell Telephone Laboratories and made by Western Electric Company, the bead thermistor is an example of the precision accuracy which has helped give America the finest telephone service in the world.
MICHIGAN BELL TELEPHONE COMPANY

COMMISSIONER STRESSES HIGHWAY SAFETY

State Highway Commissioner Charles M. Ziegler today made a second appeal to all motorists to cooperate with the State Safety Commission's safety campaign "Don't Cross the Yellow Line" and "Keep in Line, Don't Cut In".

"The trouble with passing," Commissioner Ziegler said, "is that on many two-lane highways and on many city streets you have to get on the wrong side of the roadway to do it. You may be

facing on-coming traffic and not be able to get back to the right side in time.

"In some places," he continued, "a hill or a curve will make it impossible for you to see on-coming traffic. At such places the State Highway Department has placed yellow lines. These are 'signs of life'. The life they save may be your own. So don't cross the yellow line."

Pointing to the disastrous effect of a head-on collision, the Commissioner listed other things to watch out for when attempting

1. Don't pass at an intersection because a cross traffic vehicle or a pedestrian may be hidden by the car you are trying to pass.
2. Watch out for a car about to leave a filling station.
3. Be wary of a car parked on the shoulder which may pull out and interfere with the car you are trying to pass.
4. Look out for a pedestrian walking on the shoulder who may step out on the pavement and cause the car ahead to move over in front of you.
5. Beware of the slow moving vehicle or farm tractor which may turn in front of you.
6. Look for that "hidden car" behind you that may try to pass you just as you pull out to pass the car ahead of you.

THREE MABC BULLS AWARDED TOP HONOR

Three more Holstein bulls at the Michigan Artificial Breeders Cooperative at East Lansing recently were named Silver Medal Production Sires, according to A. C. Baltzer, MSC extension dairyman.

The honor, given by the Holstein-Friesian Association of America, is based on superior milk production of the bull's daughters as compared to their dams. The medal marks them as outstanding sires of the breed.

The bulls are Lakefield Fobes Piebe, whose 23 qualifying daughters produced 482 pounds of butterfat topped their dams' production by 84 pounds; Creston Rag Apple Ambassador, whose 26 qualifying daughters produced an average of 462 pounds of butterfat to top the production of their mothers by 28 pounds of fat; and Silverlea Bud Master, with 11 qualifying daughters with an average production of 587 pounds of fat, which is 76 pounds better than the production of their dams.

livestock by careless loading and hauling is costly and can be avoided, says Charles J. Little, MSC extension livestock specialist.

Marketing time and show time are two dangerous periods. Even though some animals are insured, the loss is still great. Here are some suggestions that Little says will help reduce livestock handling losses.

Remove nails, wire, splinters and broken boards from hauling racks. Use a smooth loading chute that is not too steep. Bed trucks with sand or other material that will keep the animals from slipping.

Partition loads of animals of different sizes to prevent injury to the smaller ones. Load slowly to prevent crowding against sharp corners and to avoid excitement. Little warns against beating animals into the truck, since this will bruise animals.

KOREAN WAR EQUIPMENT AT STATE FAIR

Captured Korean war equipment will be demonstrated by a forty-man U. S. Marine Corps combat team on Veteran's Day, September 8th, at the Michigan State Fair. There will also be a show of hand-to-hand combat tactics.

Generous cash awards for winners in Band, Drum and Bugle and Drill Team competition have been provided. These events are attracting many post units from veteran organizations throughout the State, according to James M. Hore, State Fair manager.

The world famous Jackson Zouaves of the Richard Smith Post in Jackson will appear for exhibition drills in their dazzling formations and routines. They are not eligible to enter competition.

Drill and musical units from

the women's military organizations, the WAVES, WACS, WAFFS and women of the Marines will share the spotlight with units from the Essex Scottish Pipes Band and Regimental Drill platoon.

Solemn and impressive Memorial Services will take place at 5 P. M. before the Veteran Memorial Shaft on the Fairgrounds. Michigan can boast of the only Memorial of its kind in the country. It is composed of special stones from all over the world

and the 286th Stone, a gift of the State Department Amvets of Lansing, will be dedicated this year. Every veteran with proper

credentials is admitted free on Veteran's Day. The State Fair opens August 29 and continues through September 7th.

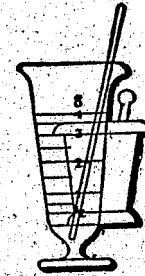

Unceasing War on a World of Killers

★ Leeuwenhoek, in 1683, was the first to disturb the privacy of the teeming bustle of the unseen world. The "wretched wee beasties" cavorting innocently under his lens were later indicted and convicted by Koch and Pasteur. Unbeknownst to Leeuwenhoek, he had discovered a vicious and unseen world of killers, now known as bacteria, or germs.

The span of time between Leeuwenhoek and Pasteur was almost 200 years. Only an average lifetime has passed since Pasteur's experiments, during which practically all we know about disease and its treatment has been discovered. Our knowledge is expanding at an ever-increasing rate. The pharmacist works with the physician in bringing newer and better medication into the sickroom.

GMC TRUCKS

GASOLINE 1/2 TO 30 TONS
DIESEL 2 1/2 TO 35 TONS

Your key to greater hauling profits.

PAYLOAD

-1195 extra pounds of it!

-to cut your costs, increase your profits!

GMC engineering brings you this great new Model 470 highway tractor that hauls up to 1,195 pounds more cargo than any other vehicle in the 45,000 gross weight class.

Here are the reasons why. It will pay you to study them carefully.

Sensational new engine. Model 470 is powered by GMC's new 145 h.p. valve-in-head "302" engine—the most powerful gasoline engine for its weight in truck history.

Maximum power-to-weight ratio. The "302" engine weighs as much as 500 pounds less than other engines of comparable power, due to new high efficiency design.

Highest compression—7.2 to 1—excels any other standard gasoline truck engine, accelerates faster. Delivers full power at an easy-stroking 3,200 r.p.m.

More ton-miles per gallon—less dead weight in engine and chassis means more profit in every mile.

Highest payload capacity—upwards of one-half ton greater than any other tractor of the same GCW rating.

Price—the biggest surprise of all. Compare the price you have to pay for this pace-setting GMC against the field. Nowhere else will so little buy so much in a 3- to 4 1/2-ton tractor.

Why not come in and see for yourself?

Lighten farm chores
with the help of this Edison team

Farm Service Advisor **Home Service Advisor** **Lighting Advisor**

Always ready to help you! Edison advisors give practical suggestions on wiring and lighting for all farm buildings and equipment. There is no extra charge or obligation.

Barn, Barnyard, Poultry House, Milk House, Hay Mow, Workshop and Home ★ All farm work is easier when you can see what you're doing

- ★ Better lighting in the barn gets more work done faster.
- ★ Better lighting in the barnyard lengthens the workday.
- ★ Better lighting in the home speeds kitchen tasks and meal preparation... adds to beauty and comfort.
- ★ Better lighting in the poultry house increases egg production.
- ★ Better lighting in the milk house means cleaner utensils and greater convenience.
- ★ Better lighting means greater safety wherever you use it.

For advice on farm lighting, call any Edison office.

DETROIT EDISON
Good wiring is always important. So always ask your Farm Service Advisor for his recommendations.

BEST YIELDING WHEAT VARIETIES NAMED FOR STATE

Farmers will soon be planting about 1,500,000 acres of wheat, about three-fourths of it being soft white winter wheat and the rest soft red winter wheat.

H. M. Brown and S. C. Hildebrand, Michigan State College farm crops authorities, have studied research results and talked with farmers to prepare recommendations on best varieties to plant.

Michigan has two outstanding white wheat varieties—Yorkwin and Cornell 595. Yield and test weights of the two are about the same, and both good. Yorkwin is slightly more winter hardy and has a more plump berry. Cornell 595 has a stiffer straw and a higher degree of resistance to loose smut.

Vigo, Thorne and Seneca are all highly recommended red wheat varieties. They yield about the

same, according to yield tests. All three have satisfactory winter hardiness and straw.

Vigo has slight advantages in test weight and observation indicates it may be more susceptible to mildew. Vigo and Thorne are well known, having been produced in Michigan for three years or more. Seneca is a newcomer, being developed in Ohio and produced in Michigan for the first time this season.

So far as a choice between red and white wheats is concerned, Brown and Hildebrand say it's largely a matter of growing what most farmers in your community grow. That will help to avoid mixture of the two types at the local elevator.

GRASS SILAGE TIP

Here's a tip for dairymen who complain that their dairy cows won't eat grass silage. George Parsons, Michigan State College extension dairyman, says that this is not unusual—in fact, the college has the same problem with its dairy herd.

He advises farmers to feed about five pounds of dry hay along with the grass silage. This will help sharpen their appetite for it.

TIPS ON FREEZING GIVEN HOMEMAKERS

Freezing does not improve foods. But through freezing a greater amount of original flavor and color can be retained than through any other method of preservation, according to Dr. Pauline Paul of the Michigan State College foods and nutrition department.

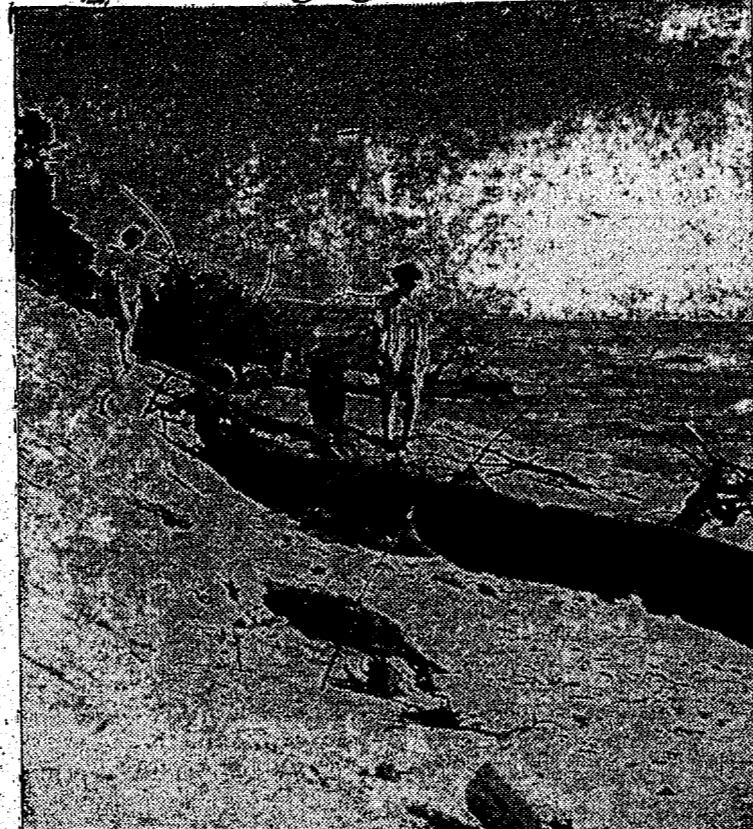

Original food value is well retained by freezing, too. And it is interesting to note that greater loss of vitamins and minerals comes from careless handling than from frozen storage, Dr. Paul advised.

In considering what products to freeze, a good rule of thumb is that fruits and vegetables which are usually canned will freeze satisfactorily. Meats, poultry, fish and eggs may also be preserved by freezing. There are exceptions, of course—foods eaten raw like lettuce, celery, onions, cucumbers and radishes do not freeze well. Tomatoes and pears are not practical freezing contents, nor are high-starch content foods such as potatoes, rice and macaroni.

In general, freeze only the best, firm, well-ripened fruits and fresh tender vegetables. Meats must be high in quality and handled properly from the time of slaughtering to freezing, Dr. Paul warned.

Field and tree-ripened fruits have the richest color and flavor for frozen storage. The fruit should be firm-ripe and freshly picked. In sorting and washing the fruit, take care to prevent bruising. Drain well after washing and pack in moisture-vapor-proof containers, dry or with sugar or sirup, depending upon the fruit. Sugar and sirup help preserve color and flavor, as well as prolong the storage time of the fruit.

Changing Shoreline

Bathers frequenting Lake Michigan beach areas, such as this one south of Holland, are learning firsthand of the story which began making newspaper headlines early this year. Unusually high water, whipped by wind and wave action, has caused erosion damage along other Great Lakes too. The spectacle of uprooted trees and brush and a changing shoreline seems to be lasting more rather than fewer visitors to the Great Lakes scene. At least conservation department park managers are reporting larger crowds than last year.

For more information, ask for the Michigan State College bulletin "Freezing Foods for Michigan Homes". Your home demonstration agent has copies.

Red Cross News

An urgent appeal went out from thousands of American Red Cross chapter headquarters today for registered nurses to help fight polio in stricken areas across the nation.

Mrs. Leroy Vandever of nursing services for Oakland Bloomfield Hills, chairman of County Red Cross chapter, emphasized that the need is critical. "There has been a sudden surge of polio in several states," she said. "A total of 1,666 men, women and children were stricken with infantile paralysis during the week ending July 26. That's almost twice as many as the 989 new cases reported during the corresponding week of 1951."

Mrs. Vandever explained the Red Cross is recruiting nurses at the request of the National Foundation for Infantile Paralysis, which meets the cost of treatment for polio when families cannot afford it.

Nurses signing up for the emergency duty will be asked to serve at least two months. The National Foundation will pay nurses' transportation to their points of duty, provide room and board, and pay a salary of \$275 a month.

All nurses interested are asked to contact the local chapter headquarters at Federal 4-3575 or Lincoln 2-8700.

All men and women in or near Pontiac who can possibly give blood next week were urged today to sign up for the American Red Cross "Bloodmobile" visit there August 25.

Blood program leaders of Oakland County Chapter, American Red Cross, in appealing to suburban residents as well as Pontiac people, pointed out collections are "dangerously low."

"Due mostly to vacations, our blood donations have fallen 'way down,'" Mrs. John D. Monroe of Pontiac, blood chairman for the county chapter, said today.

"We just haven't enough donors to schedule two bloodmobile visits to Pontiac in August. There'll be just one—Monday, August 25, from 2 to 8 P. M. at the Elk's Temple at 114 Orchard Lake Ave., in Pontiac."

Mrs. N. E. Durocher, Pontiac blood donor recruitment chairman, added that the armed forces and patients in civilian hospitals are using blood almost as fast as it is collected.

Mrs. Durocher said that Bald-

win Rubber local 125, under leadership of John M. Fitzgerald, welfare chairman, and Engel Greenberg, blood committee, is recruiting donors for Monday's blood "clinic". The union is trying to establish a blood credit bank for members, their families and other designated people.

"The Armed Forces and civilian hospitals desperately need blood, your blood," she said. "If you can possibly come to the Elk's Temple Monday, then call the Red Cross office, Federal 4-3575, for an appointment today."

away to most American servicemen and their families.

But for the American Red Cross a happy Christmas for servicemen starts in August.

Mrs. J. C. Walker of Pontiac, chairman of service groups for Oakland County Red Cross Chapter, announced this week that the U. S. Defense Department has again asked Red Cross to furnish Christmas gifts for servicemen overseas this December 25.

"It would be just impossible for this chapter to send out the hundreds of gifts that leave here every Christmas with just Red Cross funds alone," Mrs. Walker said. "We need the help of every volunteer and every club and organization in this county to do it—and do it well!"

Mrs. Walker appealed to clubs to assume responsibility for a certain number of the gift packages—which average around \$2.50 in cost—and report to chapter offices at Federal 4-3575 or Lincoln 2-8700.

"We have to know well in advance, so we can notify the Defense Department how many packages we can provide," Mrs. Walker said. "They usually are made up of six items—things like washcloths, pocket-size books, wallets, candy, gum, cigarettes, small games, decks of cards, oil-skin pouches—small things, but really useful to servicemen."

"We've got to start now if we're going to make Christmas happy for our boys overseas—and those who will be on the high seas this December 25th."

From where I sit... by Joe Marsh

Attention Ladies!

Cakes lined up—each with a number. Judges looking, breaking off pieces, tasting. The winner? Number 4—a cake with a wonderful, glossy chocolate frosting.

This was at the Women's Club last night. Then Duke Thomas stepped up—his cake was Number 4! Seems his missus was laid up, so Duke took over—and won!

Here's Duke's prize-winning frosting recipe:

Melt 3 squares unwaxed chocolate in double boiler. Reserve from heat, add 1/2 cup sifted confectioner's sugar and 2 1/2 cups hot water and blend. Add 3 egg yolks, one at a time, beating well after each. Add 4 lbs. butter, beating thoroughly after each. Fill and frost 8-inch, 2-layer cake.

From where I sit, we all have different abilities and tastes... and these differences are sometimes surprising. Duke bakes prize-winning cakes. My wife, for example, can beat most any man at checkers. Same when it comes to beverages—you may like coffee or tea while I prefer a refreshing glass of beer. But let's not have any "half-baked" ideas that people are all the same—or should be.

Joe Marsh

Waterford

Mr. and Mrs. Henry Mehlberg are now living in their home on Monroe Street in Drayton Plains. The John Watchpockets are occupying the Spooner-Mehlberg home on the Airport Road.

The Waterford Woman's Club will meet tonight (Thursday) at the C. A. I. building. Plans will be made and committees appointed for the dinners to be served by the club next month. Each member is to bring a "white elephant" to the meeting. Hostesses will be Mrs. Lester McFarland, Mrs. Carol Kaines, Mrs. Edna McDonald and Mrs. Anna Gesch.

The Waterford Birthday Club met Wednesday at the home of Mrs. Clifford Wood at Williams Lake. Mrs. Lester McFarland was welcomed as a new member, taking the place vacated by Mrs. Harry Harrup who recently moved to Florida. Mrs. Carrie Gavert, mother of Mrs. Wood, who is visiting here from Alberta, Canada, was a guest. The September meeting will be at the home of Mrs. James Stites.

Mrs. Earl Rader returned home from Goodrich Hospital last Wednesday. She is confined to her bed and has her leg in a cast. Mr. and Mrs. Jack Jantz of Atlanta are visiting in the neighborhood this week. Mrs. Gordon Black returned to her home from St. Joseph's Mercy Hospital in Pontiac on Saturday. She is able to be up and around, but she will have to take it easy for a while.

icipating will have an opportunity to win a special award, a pistol, offered by State Police Commissioner Joseph A. Childs.

The annual shoot is open to all police and sheriff's departments in Michigan and class of competition is determined by the size of the department. A special match for chiefs and sheriffs will again be featured.

The State Police will hold their annual departmental match on the Jackson range, September 9, when a three-man team from each of the eight State Police districts and East Lansing headquarters compete for the Fletcher trophy. The officer receiving the high score in this match will be awarded the superintendent's trophy. There will also be a commissioner's award.

Preceding the departmental match, separate contests will be held in each district and at department headquarters.

ANNUAL STATE POLICE SHOOT SEPTEMBER 10

The fifteenth annual Michigan police shoot will be held on the Jackson police department's 60-target pistol range September 10. The shoot is sponsored by the Michigan State Police in cooperation with the Michigan Association of Chiefs of Police and the Michigan Sheriff's Association. The Governor's perpetual trophy will again be awarded to the winning team in each of four classes of competition. Plaques for permanent possession also will be given to the teams. The State Police will provide other team and individual awards in the various events. All officers partic-

NEWS and COMMENT FROM CONGRESSMAN **GEORGE A. DONDERO**

PRICE CONTROVERSY

Nobody in official Washington, it would seem, agrees with anyone else concerning the probable course of living costs during the remainder of the year. Price Sta-

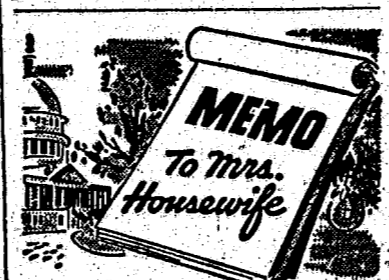

bilizer Ellis Arnall says they will continue upward at an accelerated pace, but his immediate superior, Economic Stabilizer Roger L. Putnam joins with Secretary of Agriculture Charles F. Brannan and

Secretary of Commerce Charles Sawyer in saying Arnall's statement is substantially untrue. Surveys conducted by news associations, as well as the Agriculture and Commerce Departments, indicate that over-all food production by American farms this year will be the third largest in the nation's history. Prices of fresh and processed fruits and vegetables, decontrolled by Congress a few weeks ago, are tending downward as the new crops come to market.

Drouth conditions in the South and the New England States have hurt forage crops, necessary for livestock production. Farmers in the South are now complaining that heavy rains which broke the drouth are damaging the cotton crop. The Agriculture Department, however, says that farmers in the southern states still have time this year to produce late crops of forage grains, hay and alfalfa.

It all adds up to a temporarily serious crop situation in a few areas and an over-all crop situation highly favorable with respect to food supplies this year and next. For example, with an almost unprecedented wheat crop in sight, the Commodity Credit

Corporation expects to have at least \$1 billion tied up in price support purchases before the end of the year. Packing houses are glutted with live stock and low-

NATIONAL PRESS BUILDING WASHINGTON, D. C.

By Anne Goode

French furniture designers are reviving wicker, but not in the lacy designs we knew years ago. The new wicker furniture is streamlined and in the simplest designs.

Summer vegetables are at their peak now. A large chop plate attractively arranged with several vegetables gives family and guests an opportunity to select those they prefer.

Have you ever tried substituting real mayonnaise for the regular shortening in baking powder biscuits, using the same amount? So easy to mix and makes delicious biscuits, too.

Now they've designed an "opera umbrella." Measures only 24 inches long and can be easily tucked under the arm, a seat at the theater or a chair in a restaurant.

A delightful way to serve cucumbers is to broil them, first cutting them crosswise in about one-inch rounds. Dot with vitaminized margarine, season with salt and pepper. Serve plain or with a rich cheese sauce.

If lingerie "yellows" and eventually most white nylon slips and nighties will, that it in delicate pastels with all-purpose dye.

The best way to preserve the fine delicate sharp edges of kitchen knives is to keep them in a wall of drawer rack.

or meat prices may be expected, even though the drouth may cut next year's supply somewhat.

With all these things in view, it may be suspected that the current disagreements over prices and hence living costs have a lot of politics mixed up in them. Why else would the President want to call a special session of Congress this fall to consider possible further means of curbing price inflation, while leaders in his administration and his political party, almost to a man, oppose a special session? Inflation has become a political issue.

The progressive rise in prices, it seems to me is not due to commodity shortages, of which there are virtually none. Price inflation is caused by excessive government spending beyond the government's income, and the consequent addition of billions of dollars to the money supply—more and more money available to compete for goods and services offered in American markets.

WAR OUTLOOK DARKENS

It is now announced that truce prospects in Korea have become so dark that a tremendous build-up of American air forces in that area has been ordered. Fighter and fighter-bomber planes hitherto earmarked for Western Europe are being channeled into the Far East. Possibly, it is said, many warplanes will be transferred from Europe to Korea.

The highest Army authorities say that the communists are capable today of mounting a tremendous offensive in Korea. An offensive, in fact, with which nothing that went before can be compared.
