## Legion Auxiliary Elects Officers

When the Ladies' Auxiliary to the Campbell-Richmond Post, American Legion met last week the following officers were elected: president, Mrs. Alvin Kinsey; vice-president, Mrs. Herbert Beach; secretary, Mrs. Raymond Jarvis; treasurer, Mrs. Herbert Baynes; chaplain, Mrs. Elmer Collins; historian, Vivian O'Rourke; sergeant-at-arms, Mrs. William Goulet.

Installation of officers will be held at the Township Community Center on Tuesday evening, September 23rd at 8 o'clock.

## Goodwill Trucks Here Friday

Goodwill Industries' trucks will be in this community on Friday, September 19th, to pick up household discards such as clothing, shoes, hats, books, dishes, toys and small appliances. These items provide the raw materials to operate the Goodwill Workshops where handicapped employees repair and renovate them for sale in one of three Goodwill stores. Receipts from store sales paid the wages of over 540 men and women during 1951.

Household discards literally are turned into time-cards at Goodwill Industries of Detroit. The 31 year old organization which provides training, rehabilitation and employment for physically handicapped men and women, now has the largest payroll in its history. To keep employment at a high level and to provide training and productive jobs for an even larger number of disabled adults, Goodwill Industries is appealing for household discards in greater quantities.

Housewives are invited to support the Goodwill program of rehabilitation and employment and also help themselves by disposing of unwanted articles which would otherwise clutter up closets and other storage spaces while creating confusion and fire hazards.

A local phone call to MA 5-4321 is all that is necessary to arrange for a pick-up by a Goodwill truck and start turning discards into time cards.

## Davisburg News

The Davisburg Boy Scouts met Monday night in the Methodist Church parlors. The meeting was opened with the scout oath and law and salute to the flag. Fifteen boys worked on their tests for scouting advancement with special emphasis on first aid and bandaging.

The Davisburg Cub Scouts met at the home of Mrs. Stanley Clark, den mother, on Tuesday evening. Eight boys were present with Cub Master Stanley Clark.

## Willi's Fourth Week

In his fourth week within our land he found he must obey the rules we have on every hand to govern us each day.

He found the value placed on time and how he must adhere to call to class by school room chime.

Although he thought it queer, he found that we must work and save.

For food and things we need. He found our problems also grave, if we were to succeed.

His stipend came to him this week. And he felt very good. He thought some trousers he must seek.

And that was understood.

He soon found out the cash he had for pants would not suffice.

That trousers were not too bad. But cost an awful price.

He searched for ways to cut expense. As he'd need shirts and coats.

He spent some moments' strained and tense. And then gave up his smokes.

## Newlyweds Travel In Eastern States

The First Methodist Church in Clarkston was the scene of a very pretty wedding last Saturday afternoon at four o'clock when Bettie Jeanette Stauter of Clarkston and Lawrence E. O'Dell of Pontiac spoke their nuptial vows in a double ring ceremony before an altar banked with palms, baskets of white gladioli and lighted with cathedral candelabra. The altar vases were filled with white gladioli.

The Reverend Robert M. Atkins read the rites before about a hundred guests.

The bride is the daughter of Mr. and Mrs. Frank Stauter of Clarkston and Mrs. Edith Lane O'Dell of Ionia is the bridegroom's mother. The bride, escorted to the altar by her father, was gowned in ivory satin and imported Chan-

## Milo Cross Shows Pictures Of Mexico

On Monday evening the Clarkston Rotary Club had a very interesting program. So outstanding that they invited their wives to join them for the evening. A very fine dinner was served at 6:30 by a committee of Rotarians. The tables were attractive with floral centerpieces donated by Louis Jaenichen. Milo J. Cross, president of the Pontiac Rotary, was the speaker of the evening. He was introduced by Robert L. Jones. He told about his trip, with his wife and son, to the Rotary International Convention held in Mexico City last May. Before showing the many interesting pictures he had taken while there he told in brief about Mexico in general, especially the living conditions. The pictures told the rest of the story—some of them were exceptionally colorful.

## Flower Show A Grand Success

The Flower, Fruit and Vegetable Show sponsored by the Clarkston Branch of the National Farm and Garden Club last Friday was a real success. There were 450 guests registered and as for the exhibitors every space was used. On arriving at the show the guests noticed the pretty flower arrangements at the entrances and the cheerful setting of lawn chairs along the front of the building. An air of friendliness prevailed as the guests were greeted by members of the club. One feature of the show that was quite noticeable was the placing of the exhibits, each had plenty of space and could be viewed from all angles. Another point of interest was the helpful criticism that the judges had written on the place cards.

The judges, expert and accredited, were Mrs. Glen Leland, Farmington, Mrs. George Chesley, Birmingham and Mrs. Teresa McKay of Franklin Hills. Perhaps some of the decisions were difficult to make but these women are so expert and they know the rules of judging so well that they know just what makes a perfect exhibit. The following were the ribbon winners:

## School Band To Get Uniforms

We worked and we waited and worked some more. As you the people of Clarkston must know, the Clarkston High School Band members were out to get new uniforms. Tuesday, September 9, 1952, was the day we were measured for those uniforms. Sixty days from this date our uniforms will be a reality.

Our Mile of Dimes and Pennies, Christmas Concert, Birthday Calendar, Tricks On Parade and May Festival helped us to realize over \$1,100 last school year. Without your cooperation we could not have raised this sum. We lack, however, some \$500 to complete the payment for the uniforms.

Around Thanksgiving we shall present a special concert of "Thanks" to you for your support — we shall be wearing our new uniforms.

In December we shall repeat the "Community Birthday Calendar" to raise the remaining money due on the cost of the uniforms.

Although we will not have our uniforms before November we are going to play for some of the football games and also some of the basketball games. We will do our part to show our football and basketball teams that we are 100% behind them and we shall add our voices and instruments to cheer them on to victory.

We'll be seeing you this fall and you'll be seeing us — later on you will see our new uniforms.

## Obituary

**Elinora M. Granger**  
Death came to Mrs. Elinora M. Granger at her home at 4905 White Lake Road on Saturday, September 13.

Mrs. Granger was born in Brandon Township May 5, 1887, the daughter of Allison and Lunette Allen Fuller. She graduated from the Clarkston High School and on October 24, 1911 she was wed to Chauncey Granger in Windsor, Ontario.

The Grangers lived in Goodrich for 22 years before coming to their present address 8 years ago.

Surviving besides her husband are one son, George of Clarkston; three daughters, Mrs. John DiPietro of Endicott, N. Y., Mrs. James Marshall and Mrs. James Berry of Clarkston and five grandchildren.

The funeral service was held at the Sharpe Funeral Home on Tuesday afternoon at two o'clock with the Reverend George Hall, pastor of the Clarkston First Baptist Church, officiating. Interment was in Lakeview cemetery.

## Dance At C. A. I. Saturday, Sept. 27

The regular dances will start at the Community Activities building, 5640 Williams Lake Road, on Saturday night, Sept. 27th, at 9 o'clock. There will be modern and old-time dancing to music furnished by Gidley's orchestra. The public is invited.

Everyone is asked to notice that the dance has been postponed one week on account of the repair and refinishing work being done on the dance floor.

## LOCALITE REPORTS FOR FOOTBALL

Twenty-three varsity and reserve letter winners from last year's team which had a 7-1 record were among the 50 candidates to report for early football practice at Culver Military Academy, Culver, Indiana.

Included in the group are six Michigan boys, three of whom were on the 1951 squad. They are: Hugh Ryall, Grose Pointe, tackle; John A. McCollan, Saginaw, guard; Dwight I. Pettengill, Clarkston, tackle; Ray B. Steele, Marshall, halfback; David S. Anger, Rochester, tackle; and Charles E. Brooks, Marshall, halfback and co-captain of this year's team.

Mrs. Charles Robinson.  
Yellow Ribbon — Mrs. John Keller.

2. Informal Luncheon Tables  
Blue Ribbon — Mrs. Howard Huttenlocher.

Red Ribbon — Mrs. Elmer Pettengill.

Yellow Ribbon — Mrs. William Dunston and Mrs. Harold Bauer.

A note from the Garden Club reads:

"We wish to express our sincere thanks to the following groups who participated in the show: Brownies, Girl Scouts, Cub Scouts, Oak Hill 4-H Club, Seymour Lake 4-H Club, Waterford Home Extension Group and Seymour Lake Home Extension Group. We appreciated the interest shown by the many individuals who also participated and the following who helped to make our First Show a success: Lewis Bros. Market, McNeil's Nursery, Dixie Floral, Don Pringle, Inc., Lakeview Cemetery Association, Champion Corrugated Paper Co., and The Clarkston News.

## NOTICE

For the second time in 23 years the subscription price of The Clarkston News must be raised. Paper cost is at its all time high and everything else that goes into the publishing of a paper has risen accordingly. Starting October 1st, the subscription price will be \$2.00 per year. During this month you can subscribe or renew for the old price of \$1.50.

## Square Dancing On Horse Back

Your reporter pulled a boner last week. In writing up the winners in the Dixie Saddle Club's Horse Show I forgot to mention the beautiful exhibition ten members of the club put on by executing a Square Dance on Horse Back. And this event alone would have been worth the price of admission for that day.

Preceded by two youngsters, Allen Vance and Inez Holcomb, on horse back carrying the flag and the Dixie Saddle Club colors, the four pairs came into the ring and took their places in couples. They were: Harry Waggener and Joyce Spooner, Frank Minton and Leone McDonald, Ardie and Connie Grubbaugh, Stony and Jean Nelson.

With the music sending out its cheerful strains and Harold Vance "calling", the couples went through an intricate square dance pattern. The horses cantered keeping time with the rhythm of the music, and the riders wound and twisted around each other in perfect alignment and synchronization. This particular square dance called for very close riding, and one couldn't help but marvel at the skill with which the horses were put through their paces.

Each of the horses carried an identical serepe behind the saddle and with the red and black shirts of the club the whole made a colorful spectacle.

Many evenings of practice at Harry Waggener's farm and in the club's ring accounted for the smooth performance. If these riders continue to learn a new dance every year, the Square Dancers will soon have a program which they will could put on at the Michigan State Fair and other occasions.

## The Hilltopper

Mr. Terry Thomas and Mrs. Marian Wepler have been added to the staff to fill the vacancies caused by the resignations of Miss Claire Jacobs and Mrs. Faith Mann.

## School Enrollment

A new 60 passenger bus has been added to the fleet. The school is now operating 10 units and transporting 1,014 children.

Among the students who have returned to their college studies are: Charles Lippincott and D. I. Pettengill who have returned to Culver Military Academy and Spenceley Butters to Alma College.

David Lee is starting his first year at the Sault Branch of Michigan Tech. at Sault Ste Marie and Dallas Winslow is enrolled for his first year at Culver Military Academy. The U. of M. and M. S. C. students will be getting started next week.

A job after graduation. Fourth — several types of office machines have been provided to give student practice in operating the various types of modern office equipment.

To make this expanded program possible, it was necessary to provide much new equipment for the students. Thirty new typewriters have been purchased, and thirty new typing desks are on the way. In the office machine line, two new calculators, a ten key adding machine, and a dictaphone are being provided for the student's use.

The teachers in the commercial department are: Mr. Heimbarger, who teaches typing and office skills; Miss Thompson, who teaches shorthand, typing and commercial math; and Mr. Carlson, who teaches the general business course.

All the Clarkston schools will serve hot lunches this winter. The Sashabaw Cafeteria has been in operation since the beginning of the school term. The manufacturers and distributors state that the kitchens in the Andersonville and Clarkston schools will be completed by the first of November.

Last year the complete lunch, including milk cost 30c. The cost of foods and their preparation are higher this year and it is believed that we will have to raise the price to 35c.

The kitchens are supplemented by the Federal Government at the rate of 5c per type A lunch and 1c per type C lunch.

## Parents Hear About Youth Driving

The Clarkston P. T. A. held its first meeting for this season on Thursday evening of last week with 66 present. The meeting opened with the Cub Scouts presenting the flag and community singing led by Mr. Janton with Miss Larrow at the piano.

The business meeting was conducted by Mrs. Robert McCall, P. T. A. President. As a new secretary is to be elected in October the nominating committee composed of Mrs. Cushman, Mr. Carlson and Mrs. Osgood was asked to act until this vacancy is filled. It was decided to vote to raise dues at the next meeting.

Mrs. Cushman then introduced Mr. Thayer who talked on "Driver Training in the High School". He stressed the need for such a course. Each year the number of fatalities and injuries is larger than the preceding year. The 10-25 year old group has a record nine times as bad as the 45-50 year old group. Most of this group has just finished school or are still there. This is the proper time to teach them. They should not only be taught the mechanical manipulations of the car, but also the proper attitudes that make for courteous drivers. Studies show that where students have had driver training the accident rate has been reduced 50 per cent.

Students meet three times a week for class room instruction and drive at least twice each week. The course lasts for one semester and gives 1/2 credit.

Several pieces of testing equipment were demonstrated and an invitation was given for the people in the audience to try them afterwards.

The car to be used in the course will be a Pontiac furnished by Edw. Whipple, automobile dealer, and the Pontiac Motor Car Co. There is no cost of the purchase of the car to the school district.

Mr. Thayer concluded his talk with a showing of the picture, "Teach Them To Drive". This picture was sponsored by the American Legion.

To close the evening the kindergarten room mothers served refreshments at a table decorated with miniature cars and a beautiful floral arrangement.

## Clarkston Locals

Mrs. William Howland (Helen McMullen) who was expecting her first child in November was rushed to Pontiac General Hospital on Friday night of last week in a serious condition. A daughter, 4 lbs 1 oz was born Saturday, September 13th, and was placed in an incubator. The mother's condition is improving and the baby is coming along as well as can be expected. Mr. and Mrs. Howland have named the wee girl, Chariss Joanne.

Among the students who have returned to their college studies are: Charles Lippincott and D. I. Pettengill who have returned to Culver Military Academy and Spenceley Butters to Alma College.

David Lee is starting his first year at the Sault Branch of Michigan Tech. at Sault Ste Marie and Dallas Winslow is enrolled for his first year at Culver Military Academy. The U. of M. and M. S. C. students will be getting started next week.

## School Enrollment Keeps Growing

A survey was conducted by the Board of Education in 1949. Every effort was made to procure the most accurate results possible. Leo Heenan's office of Architecture was consulted. The Detroit Edison Company provided the school with its projected graphs regarding population trends. Census books were consulted and County surveys were used, etc.

The study of the previous ten years indicated an increase of approximately 23% in the school population. On the basis of this percentage increase our enrollment in the elementary grades should have been 784 in 1952. Our elementary enrollment, however, is 1,003 or we have had an increase of over 30% more than the best surveys predicted 3 years ago.

In 1949 the High School enrollment (7-12) was predicted to be 444 in 1952 and it is now 482. The kindergarten enrollment is larger by 40 pupils than the census figures showed in May of 1952.

The growth in our schools is larger than predicted, because people are moving into our district more rapidly than heretofore was even imagined. New houses are being constructed throughout our area. Another salient fact is that the number of babies born in Michigan in 1952 was 90,209; in 1952 - 170,500 or we have twice as many births each year as we had 30 years ago.

## Coming Events

On Friday evening, September 19th, starting at 6:30, a cafeteria supper will be served at the Davisburg Methodist Church. The ladies of the church are in charge. The public is invited.

The Waterford Township Business and Professional Women's Club will have their "fun night" at the home of the vice-president, Mrs. Charles G. Reid, 6874 Longworth, Maceady Lake, on Tuesday evening, September 23rd. Those not sure how to get to the Reid home are asked to meet at the corner of Airport and Williams Lake Road at 7:30 o'clock.

The Clarkston Community Farm Bureau Group will meet at the home of Mr. and Mrs. Fred Beckman on Jackson Blvd at White Lake on Wednesday evening, Sept. 24th at 8 o'clock. Those attending are asked to furnish their own table service.

The Clarkston Farm and Garden Club is getting plans made for their annual rummage sale on October 10-11.

## Clarkston Locals

Mr. and Mrs. Frank Russell have purchased the Stan Evans home at 8110 S. Main St., (M-15) and moved into it a little over a week ago. The Stan Evans family has moved to Findlay, Ohio.

Those whose birthdays were recognized in the Methodist Sunday School last Sunday morning include: John Parrott, Philip Smith, David Sanford and Lawrence McNeil.

Harry C. Bates, along with three other men, left on Monday for New York and on Wednesday sailed for Europe. These four men took an automobile along with them and it is their intention to tour the battlefields of World War I. Mrs. Bates expects to join Mr. Bates in Paris on October 10th. She sails on a Holland-American liner from New York. She expects to be gone a month.

Lois Baynes, a graduate of the Clarkston High School, has just completed her three years nurse's training at Harper Hospital in Detroit. She thinks her last three years have been really worthwhile and she enjoys her work a great deal. She is on duty now at Harper Hospital.

Congratulations are in order for George Mann, son of Mr. and Mrs. Arnold Mann. George exhibited his Cheviot sheep at the 4-H State Fair in East Lansing and was awarded 4 firsts, 1 second and 2 champions. He then exhibited at the Junior 4-H Show at the State Fair in Detroit and won 4 firsts, 1 second and 2 champions.

Mrs. Eugene Cleland will have the October meeting. The book chosen for the day will be "The Forty Days of Musa Dagh" by Franz Werfel. A short resume of "The Dark Moment" will also be given and an invitation to attend is extended to all of the ladies in the community who are interested.

THORNTON-SKINNER

Marjorie Mae Skinner and Leon Thornton were married Saturday afternoon, September 6th, in Christ Lutheran Church, by the Reverend Arvid E. Anderson.

Mr. and Mrs. Orval Anderson of Waterford Road are the bride's parents and the groom is the son of Richard Thornton of Terre Haute, Indiana.

For her wedding the bride wore an ice-blue floor length silk gown with matching gauntlets and tulle. Her bouquet was of white gladiolus.

Mrs. Donald Anderson, sister-in-law of the bride, was her only attendant. Her dress was of pastel pink with matching gauntlets and hat and she carried orchid gladiolus.

Louis Barry was best man with Daniel Barry and Richard Barry serving as ushers.

For her daughters wedding Mrs. Anderson chose a blue lace dress with matching accessories and her corsage was of yellow roses.

Immediately following the ceremony a reception was held at the Mountain View Country Club. Upon their return from a wedding trip to Terre Haute the young couple will reside at Elizabeth Lake.

FOOTBALL CLINIC

The Waterford Township Re-

creation Football clinic will start this Saturday, Sept. 20, between 1 and 3 P. M. This clinic will be held at the Waterford Township High School football field for boys in the 6th and 7th grades. All football skills will be taught and there will not be any strenuous body contact work which might result in an injury.

Players will not need any special equipment or pads—just wear old pants, a sweat shirt and either tennis or football shoes.

This program will be coached by Byron Merritt and William Terry assisted by members of the varsity football team.

NEWS and COMMENT FROM CONGRESSMAN GEORGE A. DONDERO

## HOME BUILDING RECORD

Home building is expected to hit the million mark this year for the third consecutive time, and perhaps by December 31 the total will be greater than for any single year in the nation's history. This probably will be attributed to the fact that mortgage credit controls will end this fall. Nevertheless, prospective home buyers cannot hope to find it much easier to finance a new home than it has been in recent months. According to Treasury officials, the "money market" will be

"tight" and mortgage money lenders will continue to ask sound terms and interest rates at about present levels. The continued tightness of the investment markets is attributed to the vast industrial plant expansion in recent months, entailing the sale of nearly \$3 billion in securities, during April, May, and June. While many leaders in the construction industry think the peak of home building has been reached, they do not expect the decline in home building to be sharp. Housing needs of the American

people seem well on the way toward substantial fulfillment.

The tremendous size of the federal payroll has been getting a lot of attention in this election-year. Latest figures show that just about 2,600,000 persons now earn their livelihoods as government employees. The federal payroll currently is running at something over \$9.5 billion annually. Additional employees have been placed on the payrolls in the government departments at the rate of over 1,000 per month since January of this year. During the month of June, 1952, there were added to the federal payroll 2,278 persons, exclusive of the National Military Establishment.

In this connection it is interesting to note that the federal deficit for the present fiscal year of government is now estimated at approximately \$10 billion. Thus it appears that Uncle Sam will have to borrow all of the money collected in taxes for military purposes and to pay for such things as interest on the \$262 billion public debt. This is one of the principal causes of inflation.

Speaking of inflation leads to this observation that turkeys for Thanksgiving and Christmas will cost more than ever before, this year, owing to the price support program announced by Secretary of Agriculture Charles Brannan. At the same time, the Reconstruction Finance Corporation has announced that it has made a number of large loans recently to finance the production of more turkeys.

Here is a reminder for servicemen and servicewomen, Congress enacted a law allowing mustering-out pay for anyone, below the rank of major or lieutenant-commander, who has been discharged from the Army, Navy, Marines, or Coast Guard since June 26, 1950. This applies whether the individual has served outside the United States or not.

But this mustering-out pay must be applied for. Otherwise it will not be paid. Those servicemen and servicewomen who are eligible, and who have not yet applied, should consult the nearest office of their own branch of the Armed Services.

## OAKLAND COUNTY EXTENSION SERVICE NEWS

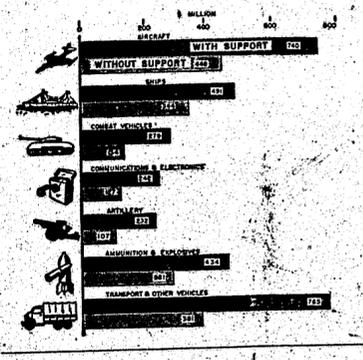

by Mrs. Josephine Lawyer Home Demonstration Agent

### CARE OF MILDEWED FABRICS

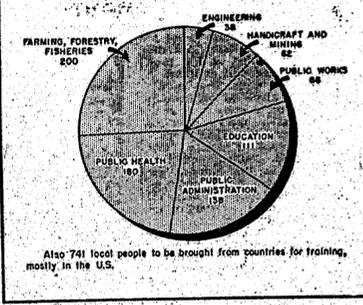

Mildew has struck in many Michigan homes this summer and Mrs. Josephine Lawyer, county home demonstration agent, offers some tips on care of mildewed fabrics. First of all, she said, is to remove mildew spots as soon as they are discovered and before the mold growth has a chance to weaken or rot the material. Take off any surface growth by brushing out of doors to prevent scattering the spores in the house. Then sun and air the fabrics thoroughly. Mrs. Lawyer advised to treat mildew spots by whatever method is suitable for the material in question. Dry clean fabrics that cannot be washed or sponged with water. Wash at once with soap and water any fresh mildew stains on washable clothing or household articles. Rinse well and dry them

in the sun. If any stain remains, moisten with lemon juice and salt, and spread in the sun to bleach. Then rinse thoroughly, and dry. Use this treatment with care on colored goods.

Sodium perborate is another safe bleach to use on washable cloth, Mrs. Lawyer said. But take care to test colored material before using a bleach on it, she warned. For old mildew stains dip in a chlorine bleach for no longer than a minute if the material is undyed cotton, linen or rayon. Then dip in weak vinegar solution (two tablespoons to a cup of water). Finally rinse in water. Take care never to use a chlorine bleach on silk or wool.

## FRUIT AND GARDEN NOTES

by Willard E. Bosserman Assistant County Agr'l Agent

### FROST PROTECTION

From now on one can expect we will have a killing frost for frost most any time. Oftentimes one or two nites, then have a week or more of good growing weather. Tomatoes, cucumbers, squash and corn will be killed by a severe frost. These crops can be saved if the temperature doesn't go down below 28 degrees by leaving the sprinkler on all nite, or during the time of critical temperatures. Even cold water gives up enough heat to keep the plants from freezing or being damaged by frost. You can take advantage of the additional good growing weather. Another trick to get more tomatoes is to wrap each green tomato with paper, put them in a cool moist storage and use them as they ripen. Some have reported using ripe tomatoes from this method as late as Christmas.

### SOIL CONDITIONERS

Latest information available from research and experiment stations have this to say about soil conditioners. Some soil conditioners can be of great help and service to the gardener or those who want to establish a lawn or flower beds on heavy clay soil. If used improperly or on the wrong kind of soil it can be a waste of money. First of all, soil conditioners are only good on soils containing clay, sandy and sandy loam soils generally will not be helped by the addition of a soil conditioner. The depth at which to treat may be determined by the job you are doing. For example, establishing a turf might require only a shallow treatment, whereas a garden or flower bed would require a deep treatment. A word of precaution — buy your materials from a reputable dealer who knows the value and function of soil conditioners and can give you proper instructions as to how to use them. In summary, some soil conditioners are good for clay and

## The Grist Mill

By Ed Alchin County Agricultural Agent

It's corn picking time within the next couple of weeks and it's time for farmers to take stock of the safety problem that goes with corn harvesting. Every year in Oakland County and throughout the State of Michigan, several reports are read and heard of farmers who are crippled from careless handling of their corn pickers and choppers. This machinery is very dangerous if not used with the necessary safety precautions. Here are some suggestions that are "musts" if you are to follow a safe operating program:

1. Do not attempt to clean out dislodged material or make adjustments while equipment is running.
2. Keep all safety guards in place whenever equipment is running.
3. Do not operate corn harvesting machinery with torn, ravelled or loose clothing.
4. Do not attempt to make adjustments of moving machinery with gloves on.
5. Be especially careful during the latter part of the day when you are tired and your reactions are not as quick.

Follow these precautions and live a lot longer without having to be crippled or maimed because you are in too big a hurry to bother to do the job in a safe manner. An attempt to save an extra few seconds or minutes may result in the loss of time, money, health or life. Let's not have one report of a major accident in Oakland County this year.

## STAR ATTRACTIONS HERALD APPROACH OF FALL WEATHER

Venus is coming, folks! Watch for her.

After an absence of a year, Venus is again emerging as the "evening star" and may be seen near the western horizon in the early twilight, setting about an hour after the sun, according to Miss Hazel M. Losh, associate professor of astronomy at the University of Michigan. This brightest of planets is continually increasing its distance from the sun in the sky, moving farther and farther east, Prof. Losh says. Consequently, it may be more easily seen throughout the fall months as it appears higher and higher in the evening's western sky.

The astronomer indicates fall will actually arrive September 22 at 9:24 p. m. That's the time the sun reaches the autumnal equinox and crosses the equator, bringing spring to those south of it. The sun reaches an altitude of about 50 degrees at noon in September, but decreases to less than 25 degrees by December. These oblique rays of the sun and its shorter daily path account for the colder weather.

The constellation of Pegasus, the Winged Horse, is well placed for observation in the east this month. Rising around sunset and well above the horizon after dark, it chief interest lies in "The Great Square" or "Big Diamond". It is one of the stellar landmarks, Miss Losh indicates, being about 15 degrees on a side and composed of fairly bright stars.

## CALL ATTENTION TO NEW LAWS ON AIR GUNS, PHONES

The Michigan State Police are calling attention to two amendments of state laws, effective Thursday, September 18, one add-

ing gas or air guns to the definition of firearms and the other regulating the emergency use of party telephone lines. The amendment to the firearms law adds gas or air guns, but not the so-called BB gun, to the definition of firearms. This means that the purchaser of such a gun must be a citizen of the State of Michigan for at least six months and 21 years of age or older. Such guns also must be registered and permits obtained to carry them, the latter being issued or rejected by the county concealed weapon licensing board.

The amendment to the penal code covering telephones makes it a misdemeanor to refuse to yield or surrender the use of a party line in order to permit the reporting of a fire or summoning police, medical or other aid in cases of emergency. The amendment also provides that telephone directories must carry a notice explaining the offense. Failure to yield party lines in the past has resulted in some tragic consequences.

## FOR HIGHER RETURN FATTEN HOGS EARLY

Hogs approaching market weights should be self fed a balanced ration on good pasture, advises Harry F. Moxley, extension specialist in animal husbandry at MISC. Rapid gains are important to early marketing, before the market is glutted and prices break in mid-October or earlier.

## SELL OLD HENS TO CUT DISEASE

Sell old hens in the fall to cut disease in the pullet flock, recommend poultry specialists at M SC.

Mixed flocks have more avian tuberculosis than young flocks, research has shown. If old hens are sold before pullets go off range, poultrymen will have a chance to clean and disinfect laying houses thoroughly. It's also a good time to do the necessary rat-proofing work for the winter, they note, adding that rats spread disease in poultry.

County agricultural agents can offer complete details on laying house preparations.

**GREEN MANURES AID SOIL, STOP EROSION LOSSES**  
Value of good grass-legume rotation mixtures for soil improvement often is overlooked because they do not bring immediate returns, reports Leonard J. Braams, Michigan State College extension soil conservationist.  
They are the key, however, to most soil conservation practices, he advises. Sod crops add home grown organic matter as well as nitrogen, reduce erosion losses, improve soil structure, increase water intake and increase soil productivity, the specialist points out.

**PROTECT YOUR CHILD AGAINST WHOOPING COUGH**

★ World-wide in its distribution, whooping cough is endemic in large cities, becoming epidemic on a large scale every two to four years. The seriousness of pertussis, especially in young children, is evidenced by the mortality rate—about 26 percent in infants less than one year old.  
Children should be vaccinated during the first year of life. Do not wait for an epidemic. It takes several weeks after vaccination for the body to produce antibodies. Ask your physician now about protection from whooping cough for your baby.  
We carry fresh stocks of vaccine under refrigeration at all times.

The Golden Text is from Jeremiah (3:23): "Truly in vain is salvation hoped for from the hills, and from the multitude of mountains: truly in the Lord our God is the salvation of Israel."

Among the Bible citations is this passage, (Gal. 6:7): "Be not deceived: God is not mocked; for whatsoever a man soweth, that shall he also reap."

Correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include: "Mortal belief must lose all satisfaction in error and sin in order to part with them." (p.286)

and leaflets with lesson material and other interest material for the children each week.

Church members who have accepted teaching, assisting or other duties in addition to Mr. Landon and Mrs. W. R. Hunt include, Mrs. Richard Morgan, Mrs. Richard Lowrie, Mrs. Louise Cook and Mrs. Robert Giroux, Nursery Class. Kindergarten — Miss Lois Hahn and Miss Judith Whitaker. First Grade — Miss Catherine Donnelly. Second Grade — Mrs. Ralph Pascoe. Third Grade — Mrs. J. B. Landon. Fourth Grade — Mrs. Raymond Dobson. Other teachers and assistants are being secured for the 5th and 6th Grade Classes.

The older classes will be enrolled in the Church School but will remain in the entire church service because the majority of them will also attend the Confirmation Class to be conducted by Rev. W. R. Hunt on Saturday afternoons at 2 P. M. at the C. A. I. Bldg. Mr. Hunt will preach a series of sermons "Eight Strands of The Apostles' Faith" in connection with the confirmation classes being conducted both for youth and adults.

The adult confirmation class will be held on Wednesday nights at 7:15 P. M. to 8:30 P. M. at the C. A. I. Bldg.

Both groups are expected to attend the Sunday morning services and sermons as well. Any children in the community not enrolled in other Sunday

Schools are most cordially welcome to attend the Episcopal Church School regardless of family religious affiliations, if their parents so choose. Youth Group of the Episcopal Church will meet Sunday September 21st, at the home of Mr. and Mrs. J. D. Boardman 4413 Forest, for another popular 'cook-out' at 5:00 P. M.

**S & W Electronically Roasted Coffee**

The coffee that is so uniform in flavor. Each bean is roasted by an Electronic process which gives it the same amount of heat to each bean. Don't use a tablespoon full, just a teaspoon full to each cup of Hot Water, allow it to simmer for 6 minutes. Once you try it you will say that it is coffee like mother used to make.  
Priced special this week to introduce it into more homes.
