CLARKSTON, MICHIGAN, THURSDAY, OCTOBER 9, 1952

U. F. Campaign **Starts Monday**

"October 13, 1952, is the opening day of the United Fund Drive for Clarkston and Independence Township, If everyone will contribute, we can reach our quota ed to be playing on the strength of \$3,600,00," said Mrs. Kathleen of their last years victory over Waters, Chairman of the Inde- Holly. pendence Township Drive. "The many organizations to be benefited by this quota of ours are ton fumble in Clarkston's end vital to our health and welfare." Mrs. Waters said. Their work for us and our neighbors - for helpless children, for the sick and handicapped, for the armed forces, for troubled families, for youth in need of guidance - is a shining expression of the concern for boys completely stymied Holly's others that is part of our American way of life. These agencies are lacked scoring punch. For the counting on all of us for our support so that they may continue to punting kept Clarkston's opponserve our community.

They include the American Cancer Society, St. Joseph Mercy Hospital, Boy Scouts, Girl Scouts, Michigan Childrens Aid and the American Red Cross, together with twenty-seven (27) other county wide organizations all offering needed services whenever required by our local community.

Mrs. Waters pointed out, "Many of our Township residents are employed elsewhere and in most cases give where they are employed." "However," she continued, "Unless a portion is given in the community where they reside, it is a hardship on local services:" Mrs. Waters further added, "All of us have a pride in our community and certainly want, for our families and our neighbors, the benefit of the many services offered through the organizations in the United Fund and every resident should give at least a portion in their home community."

The United Fund Campaign in the Township is composed entirely of volunteer workers. Please welcome them at your door and save your time and theirs with a ready response to their plea for your contribution. They are devoting many hours to this most worthy cause and if they are successful it will be the only campaign of the year in which you will be solicited for any of the above mentioned organizations.

However, if the quota is not reached, it will be necessary for the American Red Cross to conduct an individual campaign. —Give To United Fund—

On the Nov. 4 ballotovoters will be asked to decide on which of two methods to re-apportion the state legislature. Proposal No. 2 provides for apportioning the legislature on the basis of population alone; Prposal, No. 3 takes into consideration not only population but geographic, social and economical interests.

Proponents of the proposal to reapportion the legislature on the of the legislature should be on the hasis of "people", not fractions, not

areas, nor special groups. Proposal No. 2, backed by the Michigan Committee for Representative Government and the CIO, provides for a Senate of 33 members and a House of Representatives of 99 members. For senatorial districts the plan calls tober 6. She was born May 30; for dividing the state into 33 districts, as nearly equal as possible in population. But because the population is so much greater then the limits of 184,121 and 222,047 (85% and 115% of ratio of 193,084), the county would be divided into two districts as nearly as possible equal in population. The northern part of the county would become a district of 196,240 people, while the southeastern corner of the county would become district of 199,761 people.

Proposal No. 2 would establish House of Representatives of 99 of the senatorial districts described above would be divided into three Representative districts: Thus, Oakland County would have three such districts, Instead of being an equal division, however, because most of Oakland County's population is concentrated into the made up of the entire western half chase of two adult tickets by the eastern half, the split would be of the county as one district and parents entitles them to a family the eastern half would be divided

Both Proposal No. 2 and Prooosal No. 3 deal with the same problem, but in radically different ways. Both proposals appear to meet major objections to the present reapportionment system, which is inoperative because of refusal of the legislature to do its duty.

If a person accepts the principle that numbers of people should be the sole basis for determining representation in both legislative houses - opposite to the federal constitutional plan — Proposal No. 2 is available. Reapportionment Of Michigan Pictures **Shown October 16**

An unusual opportunity is being made available for all in the Pontiac area to see the exclusive color motion picture "Touring Glorious Michigan", presented by Dennis Glen Cooper nationally known explorer and travel lecturer.

The event will take place Thursday, October 16th at 8 p. m.. at Stevens Hall in Pontiac and is being sponsored as a benefit to supplement the building fund of St. Andrews Episcopal Church, Drayton Plains.

Mr. Cooper has appeared locally on the "Let's take a Holiday" television show and in the "World Adventure series" but this will be the first time that his newest presentation has been shown in this area recently. Among the highlights are scenes

of the colorful Holland Tulip Festival; Port Austin and Pointe Aux Barques; the beautiful Hartwick Pines; majestic Tahquamenon Falls; brand new pictures of primitive Isle Royale; a trip to the lovely "Lake of the Clouds" in the Porcupine Mountains; magnificent Blaney Park Resort; the Big Spring near Manistique; an exciting stay at Mackinac Island: Torch Lake: and never-to-be-forgotten ride in a "dune-scooter" over the enormous sand dunes near Mears. And there is ever so much more! Cooper, a dynamic speaker, follows the lecture closely with an authoritative narrative account which holds the audience completely spellbound.

PRISCILLAS MEET WITH MRS. GUNDRY

Clarkston.

The Priscilla Circle of the Methodist W. S. C. S., met on Thursday, October 2nd at the home of Mrs. Roy Gundry. A planned luncheon was served at 2:30 to 26 members and guests. Assisting the hostess were Mrs. Orrie Adams, Mrs. Percy Lowery and Mrs. R. L. Thornburg. Mrs. Andrew Sanford was welcomed to

membership. The business meeting led by Mrs. Lowery was opened with devotions by Mrs. Carl Irish. Announcement was made of the Fall Assembly of the W. S. C. S., to be held at Central Methodist Church in Flint on October 17th from 9:00 A. M. to 2:30 P. M. Anyone wishing to attend the meeting and luncheon should make reservations with Mrs. Leland Masters by October 14th.

The Circle will sponsor two prayer service gatherings on October 28th at the home of Mrs. O. J. Willoughby and Mrs. L. F. Walter from 10:00 to 10:30 A. M. Everyone interested will be welcome at either service.

Mrs. Lee M. Clark continued the lesson with a very interesting resentation of the opening chapters of the study book "Africans

On Safari". The next regular meeting will be postponed until November 13th when Mrs. L. F. Walter will be hostess at a pot-luck luncheon.

Rotarians Hear County Agent

Edmund Alchin, County Agri-cultural Agent was the speaker at the Rotary meeting on Monday. He stressed the farmer's side of the prices paid for farm produce and the amount of money the farmer had invested in his business. One interesting thing that stood out in his talk was the fact that, in the not too distant future, the United States would be importing food stuffs unless dress and brown accessories and there was a change in the num-

ber of farmers leaving farms. By mistake the fact that John L. Carey became a member of Rotary last week, was omitted from the news.

A fine dinner was served by Mrs. Floyd Andrews, assisted by Mrs. Garnet Poulton, Mrs. Glenn Howland, Floss Hubbard, Mrs. Richard Carlson, Mrs. H. Kieft and Mrs. William Dunston.

The speaker for the meeting next Monday will be Senator George N. Higgins. His topic will oe "Michigan Taxes."

BPW CLUB SPONSORS PARTY

On Thursday evening of last veek the Waterford Township Business and Professional Women's Club held a card party in the C. A. I. building on Williams Lake Road. There were approximately 45 tables in play during the evening and all seemed to have good time.

The table prizes for the women were earrings made by the General Chairman of the party, Gracia Weiland. There were many door prizes and the recipients were all quite happy with their gifts. To close the evening refresh-

ments were served. -United Fund Needs Your Help-Sashabaw School

The teachers of the Sashabaw School are planning a series of parent-teacher conferences, the purpose of which is to renew acquaintances and to meet the many new parents of the area. We believe that it is also important for the parents to understand our aims, policies, and also our problems. We feel that it is necessary for parents and teachers to work together in order to give the children the education they deserve. We sincerely hope that every parent will find time to meet the teachers at one of these meetings.

Is there a sure remedy for every kind of disease? That question is answered in the Lesson-Sermon to be read in all Christian Science churches on Sunday October 12, under the title "Are Sin, Disease and Death Real?"

The Golden Text is from Psalms (103:2-5); "Bless the Lord O my soul, and forget not all his benefits: who forgiveth all thine iniquities; who healeth all thy diseases; who redeemeth thy life from destruction."

Among the Bible citations is this passage, (Ps. 107:13): "they cried unto the Lord in their trouble, and he saved them out of their distresses,"

Correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include: "Lurking error, lust, envy, revenge, malice, or hate will perpetuate or even create the belief in disease. Errors of all sorts tend in this direction. Your true course is to destroy the foe, and leave the field to God, Life, Truth and Love, remembering that God and His ideas alone are real and harmonious." (P. 419)

portant milestone in its long his-

Last week Protestant churches throughout the world received the new King James version of the Bible, on which a committee of theologians and biblical scholars had worked fifteen years. In the same week the Catholic churches saw the first portion of what will be a new translation of the Scriptures, the first by and for American Catholics.

Translation of the Bible into modern tongues has been an end-Jess task. While the original authors of the Bible no doubt were divinely guided, they wrote nevertheless in their own ancient languages, which in some degree had fallen into oblivion by the time modern translations were

attempted. Biblical scholars only recently found the precise meaning of many words in the original Scriptures. Many others still remain unknown Errors by earlier translators have been discovered. And meanwhile a good many English words do not mean now what they meant a century or two ago, when translators completed the first King James version of the Bible.

The new King James version and it is to be supposed the uncompleted Catholic translation, will be found much easier' to understand than were the previous versions. Archaic expressions have been replaced with modern words and phrases. Many seemingly obscure passages have been clari-

Even the Lord's Prayer has been shortened in the King James revision, to conform with the ending found in the oldest Greek translations of manuscripts so old that they had long since fallen into dust. The words deleted were as follows: ". . . for Thine is the Kingdom, the power and the glory, forever."

In spite of all the changes, how ever, it is pointed out by Dean Luther Weigle, chairman of the committee which revised the King James version, traditionalists need have no fear that the modernized Bible is anything short of the

That trout planting in sultable lakes does pay off is demonstrated by J. A. "Jack" Kratage and his 10-year-old son Robert. The Detroiters did not catch these choice rainbows in one of the noted upstate trout streams but in southeastern Michigan . . . in Oakland county's Union lake. Including the five-pound fish caught by Robert, the two-day catch of the Kratages totaled 15 trout, none under 12-inches. Four trout are not shown. The conservation department has planted legalsize (seven-inch) trout in Union lake for several years and stocks similar cool, deep lakes which have sufficient oxygen in summer and few predatory northern pike. A few precautions can save Michigan farmers from serious osses from shipping fever in cattle, according to Dr. Glen Reed extension veterinarian at Michigan State College.

Shipping fever not only affects the cattle Michigan farmers purchase but frequently infects cattle already on the farm, Terrific losses by death and loss of weight result every fall, Dr. Reed says,

Stinking wheat smut, severe in

some Michigan fields the past few

years, can be traced to great ex-

tent to untreated or improperly

treated seed, reports Edward A.

Andrews, extension specialist in

plant pathology at Michigan State

Spores that cause stinking smut

or bunt, are on the surface of

seeds and easy to kill with a

number of organic mercury

fungicides, he advises. Elevators

and seed houses can obtain several

chemicals in dust or liquid form

for dusting or slurry treatments.

Those found very effective in

Michigan Agricultural Experi-

ment Station tests include Ceresan

M, Aagrano, Mercuran AL and

Panogen. Growers should specify

one of them, Andrews points out.

structions on making a home seed AVOID SMUT: treater are available from county USE CERTIFIED, agricultural agents. TREATED SEED

At least one seed product sold in Michigan does not control disease fungi on wheat and barley seed, warns Andrews. Growers should not take chances.

Loose smut, unlike stinking smut, cannot be controlled with seed surface treatment but needs hot water treatment, best handled by foundation seed lots, according to Andrews. The plant pathologist urges growers to buy certified seed more often to avoid excessive losses from loose smut.

ADVICE ABOUT KEEPING WELL

* "The man who thinks to conserve his health by uselessness and ease does not differ from him who guards his eyes by not seeing, and his voice by not speaking. . . . Least of all is it to be assumed that laziness is healthful, if it destroys what health aims at; and it is not true that inactive people are more healthy."

This excerpt from Plutarch's essay Advice About Keeping Well, written over 2,000 years ago, might have been written yesterday. Had medicine and pharmacy been as well developed then as they are today, we are certain ho would have stressed the value of a periodic physical examination by a qualified physician. By the same reasoning, it is wise to take your prescription to a registered pharmacist for expert compounding. We are prescription.

Comies and Skaters Combine Talent for Olympic Spectacle

The Christian News, Christian, Middigen

Detroit Olympia will blossom into a segment of the romantic West Skating Vanities of 1953.

The Vanities, with a cast of the world's outstanding skaters, will open

with a Tuesday night performance and continue through Sunday, Oct. 26. Its 200 talented performers, headlined by the funsters Ole Olsen and Chic Johnson, whirl, whiz and glide through a breathtaking program which takes

its tempo from a glittering opening number.

Against a background of ranch houses, corrals and Western scenery,
Nancy Lee Parker and Peggy Wallace, both former national figure skating champions, lead the entire colorfully-garbed company through fast moving rhythm. The Dude Ranch Round-up serves to introduce the celebrated. Broadway comedian. Olsen and Johnson and their merrymaking horde. The Vanities, recently arrived from European successes, will make its 11th annual appearance at the Detroit Olympia. Besides the 8:30 p.m. nightly performances there will be a matinee on Sunday, Oct. 26, at 2:30 p.m. Tickets may be ordered by mail or purchased at the Olympia boxoffice.
