#### **Give Generously** To United Fund

The United Fund Campaign got favored with good weather.

In giving to this fund the donors are asked to remember that this fund is divided among organizations that mean much to the health and welfare of the community. In days gone by there was hardly a month went by but someone was canvassing for funds. Now one campaign takes care of all of these organizations in need of help. This is the reason that everyone is asked to give generouslywhen you give once, give for all.

Mrs. Robert Waters is campaign chairman in Independence Township. Many have volunteered to help make the canvass. They realize the great need for these funds and they are willing to give, not only their money, but their time. However, in some parts of the township Mrs. Waters was unable to get workers, so if you are not contacted for a donation in the next two weeks, please take it to The Clarkston State Bank where it will be gratefully received.

Those who are helping to make the canvass are: Mrs. William Sharpe, Arthur Rose, Jr., Mrs. Raymond Ruggles, Mrs. Ralph Kreger, Mrs. Lee Volberding, Mrs. Clarkston Locals Arnold Mann, Mr. and Mrs. Stanwood Radoye, Mr. and Mrs. Stanley White, Mr. and Mrs. Edmund Gunter, Mr. and Mrs. Robert Kenny, Mrs. Lee Clark, Mrs. L. #### **Fairy Land**

There's a land where a road winds over a hill.

Where giant young maples stand stalwart and still, Where the elms boy the right-of-way,

And filter the sun on a bright autumn day. There's a beech whose limbs shelt-

er a large plot of ground, Whose leaves have turned yellow with edging of brown.

The ferns have been blackened and look nearly dead Against their gay background of

sumac, flame red. The beauty of nature can never

When it dresses so gaily in reds

and gold, But one must give voice to the beauties we see In the blending of colors in just

an old tree. Down near the lake the birches snow white With bright yellow tresses stand

out in the light. Then just a bit further the lake, azure blue

Is as fresh as a lily just covered Close by the shore line rests a

family of swan And the beach bears the track of doe and her fawn. What more could man ask his

Creator to give, Than the privilege in all of this beauty to live And take to his soul all the

wonders at hand. Thanking God for creating this great fairy land? -ROBERT C. BEATTIE

#### P. T. A. Starts **Membership Drive**

When the Clarkston P. T. A. mel underway this week and the first on Thursday evening of last week part of the week the workers were a Membership Drive was started. Mrs. Warren McVittie is Membership Chairman. The room mothers will make the personal contacts. Mrs. William Powell is chairman of room mothers.

Mrs. L. V. Cushman conducted the business meeting. Mrs. Beryl Blackett was elected secretary. It was voted to raise the dues to 50 tax". It was a very instructive cents.

During the Membership Drive membership trees will start growing in the class rooms at the school. A banner will be awarded the room getting the most leaves on the trees.

The speaker of the evening was Mr. Hempstead a recreational director at the Y. M. C. A. in Pontiac. He told about the work at the Y and said he was pleased to see so many groups from Clarkston attending the swim and gym classes.

Plans are being made for the Annual Library Tea to be held on Nov. 13th.

The first grade mothers served refreshments.

Oakland County stands to benefit under each proposal, gaining added representation and not sharing that representation with Washtenaw County, as at present. Voters have four alternatives in casting their ballots. They can vote "yes" on Proposal No. 2 and "no" on Proposal No. 3; "no" on 2 and "yes" on 3; "no" on both, or, "yes" on both. It is possible that both proposals might pass, A coffee hour will close the in which case a court conflict is foreseen. It is also possible that both proposals will be defeated, in which case the Legislature still is required (but cannot be compelled) to redistrict the state in

"Acceptance or rejection of either of the proposals depends upon an individual's belief", the Citizens Research Council declares. "If he accepts the principle that numbers of people should be the sole basis for allocating representation in both Houses and that possible 'control' should rest where the majority resides, then Proposal No. 2 is available. On the other hand, if a person believes that geographic, social and economic interests plus population should. be considered in determining representation in one House and population in the other and that no one section of the state should be in a position of possibly controlling both houses, then Proposal No. 3 is available".

The Oakland Citizens League through its candidates and issues committee, has taken a stand that Proposal No. 3 is the best of the two plans offered, and is urging "yes" vote on Proposal No. 3 and a "no" vote on Proposal No. 2.

both Houses could rest in one section of the state and it would be possible that legislation would benefit only that area. It is possible that the formula for representation might lead to creation of districts that would preclude carrying out the intent of the plan. Theoretically, 26 percent of the state voters could control both Houses and it might thus be better to set up a unicameral legislature.

#### Proposal No. 3-Arguments for and against

Arguments for-The pattern established would give effective representation to the varied groups and interests in the state, as well as population, and no one section would be in a position to control hoth Houses.

Arguments Against—It would give representation to area or geographical units in the Senate, leading to a possible stalemate in legislation. The House would not be on a straight population basis, since, in effect, the moiety clause would be retained. The Senate would not be placed on a true area basis, but rather would be a compromise since some recognition has been given to population.

Underlying the move for reapportionment is the age old probdem of urban versus rural control with, in recent years, a new element of labor control injected, Proposal No. 2 is backed by the C. I. O., the A. F. of L., and other labor groups, The Oakland Citizens League declares interests of minorities must be protected and that Proposal No. 3 would provide equitable representation for all the people.

#### **Met Monday** Mrs. J. F. Campbell

"TO LIVE IS TO DO"

Jessie Field was born in Detroit on August 13th, 1862. She married John R. Campbell in 1887. There were three children. The family spent summers, from 1892, at Maceday Lake where their cottage was built in that year. After the death of both her husband and father in 1916, Mrs. Campbell, never fond of city living, came to live permanently in Glarkston. She brought her mother with her also. Mrs. Field lived until 1932, her 95th year.

Mrs. Campbell, too, lived to see her 90th birthday, and although she was then in a Detroit hospital, it was possible, with much cooperation from the staff and friends, to give her a fine celebration on that day, and to get picture of her sitting up for about the last time.

After the death of her mother and her two sons, Mrs. Campbell stricken with polio this week and interested herself and many others in knitting afghans for the World on Tuesday where the Kenny War I veterans in the Dearborn Hospital. It is well known in Clarkston how the Campbell-Richmond Post of the American Legion here surprised her with a rally and citation in recognition of her work. This was so cleverly planned with an understanding of Mrs. Campbell's aversion to publicity that she did not know she was to be honored.

Even with failing health, and finally hospitalization, Mrs. Campbell always hoped to continue the knitting. Within her last year she spoke of getting other patients to cooperate, as had the Clarkston

#### Waterford. Club **Installs Officers**

On Tuesday evening the Waterford Township Business and Professional Women's Club held its Charter Night at The Old Mill Tavern. There were seventy present including members of the sponsoring club from Keego Harbor, some past and present state officers and club members from Owosso and Greenville, Mich.

NUMBER 7

Following the invocation by Leona Amos and a fine dinner the meeting was opened by Rose Pazik, chairman, who gave a few words of welcome, Ilene VanHorn president of the Keego Harbor Club gave the response and conducted the meeting until the installation of the club president.

The in-coming officers of the new club and the following guests were introduced by Rose Pazik: Helene Rawling, State President; Elizabeth Crozer, State 2nd Vice-President; Helen Gilmore, Chairman of District No. 1; Helen Mc-Namara, Co-chairman of District No. 1; Frances Leaf, State Finance Chairman: Vemba Dunlap, State Board Membership Chairman; May K. Burke, Past State President and present State Organizer: Daisy Jewett, Past State President: and Dr. Ruth E. Wagner, State Chairman of the Cancer Fund.

The installation of officers was quite impressive. Frances Leaf of Keego Harbor, State Finance Chairman, gave helpful suggestions to the members of the new club and administered the members' pledge. Olive Thornberry, Past President of the Keego Harbor Club installed the officers in very pretty floral ceremony.

Group singing was led by Ansil Ault with Mae Foote at the piano. The Keego Harbor Club presented Rose Pazik with a president's pin and a gavel. Vemba Dunlap presented the charter to the new president and wished the club success for this year and the

The Methodist Church is in its third week of the International Attendance Contest. Prizes for bringing the most new members were awarded to Miss Mary Joe Clark, Mrs. D. D. Garner and Miss Marilyn Swift. First prize for the poster contest was won by Mrs. Mildred Swift; second prize to Miss Jean Longton. Mrs. Hattie Walls won the song leaders contest. A parade is planned for this Saturday. Prizes will be given for best appearing horse and rider. best float, best decorated car and bicycle. Other contests to come include jingle writing, chorus writing, and best song leader. The grand contest winner will be chosen on a point score.

Last Saturday thirty-five neighbors and friends arrived at the home of Mr. and Mrs. D. D. Garner armed with saws and axes. They took to the woods; felled, split, cut up, and carried in 25 cords of wood for the winter fire. Dinner was served by the women of the community.

Ed. Krem, vice-president of the Waterford Township Camera Guild and one of the judges of the Township Recreation Board Autumn Photo Contest, offers the following hints to contest entrants:

In every photo contest there are few photographs which are outstanding and others which do not last week when he hit a steel post It is because the maker of the winning picture followed the rules, both of the contest and the rules of good pictorial photography, A few photographers have natural ability to see a good picture while others have to acquire it by study and practice. Most of us are in the

atter class. Here are a few simple rules of photography which make the difference between a snap shot and a winner: A picture should have a pleasing arrangement of interesting subject matter, As this contest is scenic your arrangement can be either from your viewpoint or the pattern of the arrangement, which can be triangular, diagonal, curves or masses.

There should be a center of interest. Somewhere in the picture there should be an object or place that holds more interest than other parts of the picture, attention should be directed to it by means of leading lines, framing, etc. Avoid anything which would dis-

tract from your center of interest. There should be some of the atmosphere and mood in the picture which was present at the time it was made.

Plan your pictures, don't hope for a lucky shot because they are few and far between.

The rules of the contest are very easy to follow. The photos must be pictures of autumn scenes. landscapes, waterscapes, or street and road scenes taken in Waterford Township between September 15 and November 15, 1952. You do not have to be a resident of Waterford Township to enter.

Each print entered must have the entrant's name, address, group and class, date taken and the lo cale on the back of each print to facilitate handling and judging. Prints should be mailed or delivered to the Recreation Office, C. A. I. Building, 5640 Williams Lake Road, Drayton Plains, before No-

## TAXPAYERS: HOW MUCH MORE CAN YOUR BUDGET STAND?

Working men and women of Oakland County, before you vote, consider this:

Out of every 40 hours you work, you can only keep 27 hours pay. All you earn in the other 13 hours goes to the taxocrats in Washington. That's right. One dollar out of every three you earn now goes for TAXES. You work all of January, February, March and April just to earn enough to pay the Democrats' tax bill!

The big bite comes out of your pay, but there are hidden taxes, too. Twelve cents on a pack of cigarettes! \$600 on a new small car! Thirty cents on a pound of hamburger!

#### FAMILIES ARE GOING BROKE

The Bureau of Labor Statistics, a Democrat government agency, admits that the average city family had to spend \$400 more than they earned in 1950-and the situation is far worse in '52. You know it! No wonder you can hardly live from one paycheck to the next. No wonder you are going into debt, or using up your savings!

#### DEMOCRATS WILL RAISE TAXES EVEN MORE!

And listen; If the Democrats stay in power, it won't be long before half your pay will be seized for the Democrats' squandering. It won't be long either before hamburger will be \$1.00 a pound, cigarettes 30¢ a pack.

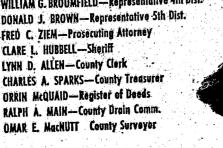

Let's sweep out the taxocrats before it's too late. Let's reduce taxes! Let's elect Republicans who will get the dollar back to where it's worth something. Let' sweep it clean!

#### SEVENTH GRADE NEWS

At this time there are one hundred in the ranks of seventh graders. Miss Davison, Miss Croft and Mr. Miller are the three home-

oom teachers. The results of a recent class election found Barbara Rockwell at the helm as president; Ann Lowrie as vice-president; Nancy Knox as treasurer and Mary Lynn Muma as secretary. Russell Soffredine, Rea Watterworth and Peggy Jarrett represent the group

at student council meetings. Now that the students have become adjusted to one another, to the building and to their teachers they are really getting underway in their subjects, Interest in seience has been great, as is shown by the specimens the students have brought. Mr. Miller is guardian of a fleet of turtles; Miss Davison has harbored chickens, rabbits, etc, in her closet; and Miss Croft has been hostess to garter snakes, salamanders, pigeons, etc. The units on animals and plants have kept everyone-busy.

In geography class the students have been studying units on Britain, France and Germany.

Miss Davison has kept her math students occupied by reviewing fundamentals and studying frac-

tions, graphs, and decimals. English class has meant reviewng parts of speech, oral speeches, writing stories and some concentrated work in improving spelling and writing. The students, after six weeks' tests are completed, are going to begin a unit on manners.

#### CLARKSTON SPEAKERS

Pat Tisch and Rosie Sarvis presented dramatic readings before a group of speech teachers on Friday, October 10, at the Central Y. W. C. A. building in Detroit. The occasion was the annual speech section meeting of Region 6 of the M. E. A. A panel of three udges composed of Dr. B. J. Knittel of Michigan State College, Bette Adams of University of Michigan and Merle Smith of Highland Park High School evaluated the presentations and then discussed the question "How shall we judge dramatic reading contests?" Each member of the audiencs also evaluated the girls' presentations. All agreed that both Rosie and Pat had done a fine job.

Earlier during the program Mrs. Bea Olmstead, President of the Michigan Speech Association presented a speech on "What shall we teach in a beginning High

School class in speech?" The chairman of the section meeting was Miss Patricia Stites of the Clarkston High School faculty. Next year's chairman will be William Taylor of Oxford with Miss Stites and Dick Wirth of Warren High School assisting him in planning the program.

#### SECOND GRADE NEWS

Seeing a white breasted nuthatch run down a shag bark hickory, head first, was one of the most exciting sights seen by us on our field trip last Tuesday afternoon from 2:00 to 3:00.

We have been studying trees and especially those found in the hedgerows bordering the school grounds. The trip was a climax to identify leaf and bark patterns. The shag bark hickory was the easiest to identify by bark, Three different kinds of oak were seen as well as lots of choke cherry

and Highland cedars. Pinnochio is one of our favorite stories. After it was read to us we made apple and potato puppets of the little boy and dramatized the parts we liked best in the story.

FIFTH GRADE NEWS

We had an exhibit in the dis-play case of "Products Grown and Raised Near Clarkston". Last Wednesday we enjoyed the Columbus play that the sixth

grade gave. We have been dramatizing some of our stories in reading. Last

week we gave the play "Josie's Home Run" for the sixth grade. If you had gone by our school a week ago Thursday you would have seen the fifth and sixth graders busy picking up stones on the school ground.

Drive It Yourself!

There's only one way you can truly know the greatness and exciting performance of the 1952 Pontiac. Come in today and put this grand performer through its paces. You'll love it!

If you want to learn how much fun it is to drive, get behind the wheel of a Dual-Range\* You'll think every street and road you drive on

has been improved, every bottle-neck opened, every hill made lower and easier-that's what a Dual-Range Pontiac does for you.

In Traffic Range you can feel the eagerness, the pep and the authority of Pontiac's great high-compression engine. On the open road, Cruising Range takes over, reduces engine revolutions as much as 30 per cent-for more go on less gas!

There are many other good things you should know about this wonderful car: It's the lowest-priced straight-eight in America, the lowest-priced car with Hydra-Matic Drive and it's built to last 100,000 miles.

Get all the facts and figures-it's so easy to give yourself the joy of owning a Pontiac.

> American Red Cross and Civil defense volunteers and registered nurses can learn this Wednesday (October 15) exactly what to expect if an air raid or other disaster strikes Oakland County. Key roles that such volunteers will play will be defailed at a county-wide meeting at 7:45 P. M. in Longfellow School, Royal Oak, Helen Flanagan of St. Louis, director of disaster nursing in the Midwestern Area, American Red Cross, will be the main speaker. The evening session which will emphasize the need for registered nurses in disaster work is open to anyone interested in community service. The session will follow an afternoon meeting at Oakland County Health Center in Royal Oak for county civil defense officials, American Red Cross leaders and other key disaster people, Mrs. Herminio Rodriguez, Jr., of Royal Oak, nurse recruitment chairman for Oakland County Red Cross is general chairman of the meet-

Dr. John S. Lambie of Birmingham, medical coordinator for Oakland County Civil Defense, will introduce Miss Flanagan at the afternoon session. Mrs. Mildred Bennett: executive secretary of the county Red Cross chapter will present Miss Flanagan in the evening. "We hope everyone realizes how important these meetings are", Mrs. Rodriguez said. "In case of air raid, bad storm or other disaster which kills and wounds people and leaves them homeless, thousands of lives lie in the hands of first aiders, nurses, civil defense workers and other volunteers".

The evening meeting will take up problems of operating mass shelters for homeless refugees; types of nursing services needed in disaster; and community plann-

" This is part of our regular disaster training program", Mrs. Rodriguez said. "There's only one way we can really prepare for the type of disaster we are apt to have today. That is to have trained corps of volunteers on call, standing ready all the time, knowing what to expect — and exactly what to do". The meetings are sponsored by Oakland County Chapter, American Red Cross.

# WHAT IS A DRUG STORE?

★ The drug store is but one unit in a complex pattern of businesses and professions, all of which serve the needs of the community. But it is unique in that pharmacy is both a business and a profession.

A business built on service to the sick cannot be restricted to usual "business hours." The need for medicine and sickroom supplies is usually immediate and urgent. In times of widespread illness the twenty-four-hour day seems all too short. We are ready, day or night, to serve the pharmaceutical needs of the community.
