CLARKSTON, MICHIGAN, THURSDAY, JANUARY 15, 1953

National Funds Help Local Chapters

To help meet its mounting costs of polio patient care, the Oakland County Chapter of the National Foundation for Infantile Paralysis received \$26,850 from national headquarters during 1952, it was announced today by Mrs. N. E. Maytag, campaign director of this year's March of Dimes.

At present, the director declared, the chapter is paying all or part of the costs for 180 patients, 110 of whom were stricken last summer or fall when the nation suffered the worst polio epidemic in its history.

Nation Feels Aftermath

"The position of the Oakland County Chapter," said Mrs. N. E. Maytag, "parallels closely that of the nation as a whole. The 1952 epidemic was a disaster of such vast proportions, that its effects will be felt for years to come.

"Even before the March of Dimes began this year, the National Foundation was compelled to mortgage its financial future to the extent of \$7,000,000, the greatest debt in the organization's history."

The director said the patient care costs of last year's epidemic amounted to at least \$28,000,000 throughout the nation. At the beginning of 1953 she declared, there were 58,000 men, women and children still needing March of Dimes help in their personal battles against polio.

Patient Care Cost High

"All other polio years," she said, "fade when compared with the national tragedy of 1952. For example, the patient-care costs of the severe 1949 epidemic amounted to \$25,000,000 while those of 1950 and 1951 came to \$21,000,000 each. This is money alone. The human burdens and sacrifices cannot be measured."

Clarkston Local

David Lee, son of Mr. and Mrs. Alfred Lee of Clarkston, was on the honor roll for the fall term at Sault Branch of Michigan College of Mining and Technology. A freshman forestry student, Lee holds both the Michigan High School and the Sault Ste. Marie scholarships.

The Stragglers

Back thirty years when I was young
A wondrous thing the Lord had done,
He'd made me free of worldly care
And crowned my head with wavy hair.
This curly mass that I acquired,
My folks and neighbors had inspired,
To utter forth some Ah's and Oh's
In envy for some locks like those.
But I was young and strong and brave
And I just thought I'd let it wave.
I worried not if they felt bad
For lack of all the curls I had.
Then fevers came and scalp grew dry
And wavy locks just waved goodbye.
So I before a mirror stood
And what I saw was far from good.
The light, my hair would penetrate
Revealing there a balding pate.
A few brave stragglers there remain
And they have driven me insane.
I pat them every morn and night
And pray that they are fastened tight.
I've tried to coax some others back
With every trick that's in the pack.
I've followed every friends advice
And never questioned once the price.
The man in television said
If I'd put go upon my head,
Then yank the strands as in despair
That I would grow a crop of hair.
I thought that fellow had a point
So every day I would anoint.
My pate, but pictures taken recently
Show but those stragglers still
with me.

Coming Soon!!! Melody Jones

Tickets go on sale tomorrow, January 16th, for the annual presentation of the senior play. One week from today, Thursday, January 22nd, in the C. H. S. auditorium at 8 o'clock in the evening, the curtain will go up on the play "Melody Jones".

Taking the lead will be Rose Sarvis as Melody Jones and her supporting cast will include: Judy O'Dell as Mrs. Jones; Bill Sutton, Mr. Jones; Terry Brown, Leon Jones; Martha Masters, Meedy's aunt; Carolyn Honchell, 4-H instructor; Danny Curry, admirer of Melody; "Chuck" Robertson, admirer of Melody; Jim Gardner, one of Melody's gang; Tom Bullen, Leon's college friend; Glenna Webster, Melody's cousin; Lottie Sawyer, one of Melody's gang; Sue Shanks, Melody's best friend.

We won't let you in on the plot of the play except to say that it is a comedy and we assure you you won't be disappointed. However we are letting you know the date so that you can reserve next Thursday evening to attend the Clarkston Senior Play.

The Publicity Committee

Sashabaw Church To Serve Supper

The folks in this area will be happy to learn that the ladies of the Sashabaw Church will serve a supper, smorgasbord style, on Saturday evening, January 17th, with serving starting at 5:30. This supper will be served in the new church basement.

As usual the menu will be varied to suit every taste. If you have never attended a smorgasbord supper at the Sashabaw Presbyterian Church then you have really missed an excellent meal. The women in charge are some of the best cooks to be found anywhere.

Give yourself a treat on Saturday evening and dine at the Sashabaw Presbyterian Church.

Martha Circle Has Dessert Luncheon

On Thursday afternoon of last week the Martha Circle of the Methodist W. S. C. S., met at the home of Mrs. H. W. Huttenlocher on Middle Lake Drive. A delicious dessert was served at about 12:30. Mrs. Keith Leak assisted Mrs. Huttenlocher.

The business meeting which followed the dessert was conducted by Mrs. Rolfe Smith. Mrs. L. I. Coon used as her theme for the devotions "It's A Sin To Worry".

The committee for the Rotary dinner on January 12th was named with Mrs. Russell Colton in charge.

Mrs. Merle Bennett continued the study of the Africans and she made the story exceptionally interesting.

Pack Meeting Next Wednesday

The Clarkston Cub Scouts will hold their Pack Meeting at the High School on Wednesday evening, January 21st at 7:30. All parents are urged to attend.

Coming Events

The Methodist Men's Club will meet at the church tonight for dinner at 6:30. Phillip R. Smith will show pictures taken on a fishing trip in McGregor Bay. All men in the community are invited.

Sashabaw News

The Sunday School of the Sashabaw Presbyterian Church will re-convene on Sunday at 10:00 A. M., after a short rest on account of construction work being done.

Clarkston Locals

Friday evening guests of Mr. and Mrs. Eugene Friday were Mr. and Mrs. Edgar Teggerdine of Fenton.

The L. F. R. Bellows home on N. Main Street is being purchased by A. C. Kirby, former owner of the Kirby Packing Co., of Pontiac. Andrew E. Krafek of Dearborn Motors is purchasing the cottage on the lake at the rear of the home. White Bros., realtors of Waterford, are handling the sale.

Localite Gets Rifleman Medal

The Expert Rifleman Medal, second highest award in junior shooting, has gone to Ann Barrows, 16, daughter of Mr. and Mrs. Walter S. Barrows, 6100 Overlook Drive, Clarkston, Michigan, the National Rifle Association announced here today.

In two years of shooting, Miss Barrows has risen through 13 lower rankings to achieve the expert rifleman rating. With one more award, she will be classified as a distinguished rifleman, along with other top junior shooters of the nation.

A senior at Clarkston High School, Miss Barrows is a member of the Blanche Wilson Girl's Rifle Club. Her instructor is Emmett Teefer.

Brownie News

Last week Brownie Troop No. 194 met at the home of their leader, Mrs. Lang. Mrs. Federspiel was the mother hostess. We enjoyed the snack very much. We worked on a play for the February meeting of the Clarkston P. T. A.

Mary Ann Robbins, Scribe

Luncheon Honors 53rd Anniversary

Devon Gables was the scene of the fifty-third anniversary luncheon of General Richardson chapter, Daughters of the American Revolution. Members and guests were seated at a U-shaped table decorated with bouquets of red and white carnations, chrysanthemums and cedar leaves. Mrs. Louis G. Londick was chairman of the committee on arrangements. She was assisted by Mrs. Elbert M. Wilmo, Mrs. Evi Benjamin, Mrs. Charles N. Ball, Mrs. Harry B. Austin, Mrs. Homer Osmun and Mrs. Orrin Hunkton.

Guests were the state chaplain, Mrs. Frederick J. Dykstra and state director, Mrs. William D. Lent-Koop both of Detroit. Mrs. Melville H. Luttrell of Pontiac, a state director, Mrs. Walter A. Kleiner, regent and Mrs. Dale Miller, vice regent of Picky Hill chapter, Birmingham were on the guests list. Others were Mrs. George W. Tuck, vice regent of Lucinda Hinsdale Stone chapter, Kalamazoo and Mrs. William J. Staus of Pontiac. During the business meeting at which Mrs. Bradley D. Scott, regent, presided, Mrs. Harry F. Going reported that Mrs. Robert Melkie had been accepted as a member. After a short business meeting Mrs. Frank B. Geris, vice regent and program chairman introduced the speaker, Mrs. Ross Hulet. Mrs. Hulet gave readings from the book "Forky Odd" by Mary Barnes. The story of a woman and her fortieth birthday which has been viewed with alarm. Dramatically, Mrs. Ross tells of her attempts to cure herself of being forty and her ultimate discovery that forty is only a number, not a disease.

By The Way...

Everyone is familiar with the Amos and Andy radio counting of money. Goes something like one million, two million, three million. Then they and their small amounts were quoted by the government talks of one, two or three or a lot more billion. We are great believers in the fact that if you talk enough, advertise enough and live in such an atmosphere you get what you want. So now a billion has become as common as a million a few years ago. A Detroit bank is one of 18 banks in the country to have over a billion in assets. If memory serves me right two New York banks have 5 and 6 billion of assets in that order. Percentage wise and considering the size of this community the citizens have cause to feel proud of the Clarkston State Bank whose statement, elsewhere in this paper shows assets of four million two hundred and eighty-six thousand dollars.

If January 15th (income tax time) does not take too much of your time — and if after paying the taxes you have a few cents left, the men of this community have an opportunity to see some pictures of fishing in McGregor Bay. These pictures were taken in the district where Phil Smith goes fishing and are said to be worth seeing. The occasion is the meeting of the Men's Club at the First Methodist Church Thursday, tonight. . . . Word that the trek southward has been started by many in this area starts the Florida sand in your shoes to urge you to drop down for a few weeks even though you know it just can't be done. However, one can dream, can't one. . . . In the branches of one of two trees in our front yard, and they are very small trees, rests a large bird's nest. Although it is completely hidden during the summer it looks so out of place now. Still it is a promise that the birds will soon return. . . . Although the thought of retiring seems to be in the minds of many if their conversations are any criterion, way down deep, one thought persists and that is everyone wants to work to the end of the trip if they express their real thoughts and sooner or later if the conservation lasts long enough, the thought emerges.

Waste Paper To Be Collected

On Saturday, January 24th, local cub scouts will sponsor a waste paper drive. It is a long time since a paper drive was held in this area, so the cubs are looking forward to a large collection.

These young guys find that this is about the only way they have of earning money. With the help of a few adults they can get from house to house and help load the trucks. To help them you are asked to put your bundles of paper at the curb. A bundle of two from every home in the district would make the cubs happy and help them a great deal.

Remember the date, Saturday, January 24th. Start now to get the papers ready.

Mrs. T. S. Boyns Hostess To Circle

The Mary Circle of the Methodist Women's Society of Christian Service met last Thursday afternoon at the home of Mrs. T. S. Boyns on Holcomb St. Mrs. Warren McWhittie, co-chairman, conducted the business meeting which convened at 2 o'clock and was opened with prayer by Mrs. Robert M. Atkins. The theme of the devotions led by Mrs. Gray Robertson was "Hospitality". She read several passages of scripture and gave a short prayer.

The committee for the Rotary dinner on Jan. 19th was named with Mrs. Harry B. Yoh as chairman.

Following the business meeting, Mrs. Yoh continued with the study of the people in Africa. She made the lesson very interesting and allowed short intervals for general discussion. As the industrial life in and near Johannesburg was the main point of the study, Mrs. Yoh brought along a wooden salad set that had been given to her son at Christmas time. This odd looking fork and spoon had grotesque figures as handles and it was explained that the fine woodcutting had been done by the people in this African area. It seems that these wooden forks and spoons are not used for salad but are used about the neck for decoration. Mrs. Yoh had also been on the alert for newspaper articles about Africa and she read these to add to the interest of the lesson.

At the close of the meeting Mrs. Boyns served tea and cake.

Are You Prepared For The Weekend?

Again you have the opportunity to escape the familiar drudgery of Saturday weekend baking. To enable you to stuff the cookie jar with good, tasty cookies and fill the cake box with a cake that will be hungrily appreciated by your whole family, without your even having to spend more than ten minutes at the most, the seniors are again holding a bake sale to fulfill these desires.

The sale will be held in The Village Market on Saturday morning starting at 10 o'clock. There will be enough of the homemade baked goods available for all.

The seniors are indeed very grateful to Mr. Kent, Mr. Lang and Mr. Poole and to Mr. Andrews who was in charge at the old township hall, for making it possible for us to have our bake sales by furnishing us with convenient places to hold the sales. We also express our appreciation to you, the folks who patronized our sales during the old year of '52 and we will do our best to serve your further needs as you wish in '53.

B. & P. W. Club Hears Supervisor

On Tuesday evening the Waterford Township Business and Professional Women's Club held its regular monthly dinner and business meeting at the Old Mill Tavern. Mrs. Charles M. Walter gave the invocation.

Mrs. Royal Pazik, president, before conducting the business meeting, called on Mrs. Ray C. Kingsbury, program chairman for the evening, who introduced Lloyd Anderson, Supervisor of Waterford Township. Mr. Anderson gave a resume of the many projects and ordinances that will be forthcoming in such a fast growing area. He outlined the garbage disposal ordinance that is to come before the Board very soon and explained how the business organizations and other groups within the township could help with any public health and safety measure. Following his talk, Mr. Anderson, very graciously, answered any questions.

At the business meeting, reports of committees were heard and a budget for the remainder of the year was adopted. The president appointed a nominating committee to present a slate of officers at the February meeting. Mrs. R. C. Kingsbury announced that "Fun Night" would be on Tuesday evening, January 27th, at the C. A. I. building at 8 o'clock when a film on "Cancer" will be shown and a question and answer period will be held.

GET YOUR WASTE PAPER READY FOR THE CUBS' DRIVE ON JANUARY 24

Wolves Win Fifth Straight

Clarkston won its first home game last Friday evening, a thrilling 54 to 61 win over Brighton. Ronald Schebor hit for 14 points while Tom Bullen and Bill Dunston had 12 each for the "Wolves". Tom Evenson, 6ft. 3 in., center, for the Brighton "Bulldogs" took scoring honors with 24 points.

It was an exciting game all the way through but the last three minutes were really something. Brighton led 48-47 with 3 minutes left, but a fast bucket by Bill Dunston put Clarkston into the lead to the final gun.

This win moved the Wolves into sole possession of 1st place in the Wayne-Oakland County League with 3 wins and 0 losses.

Our next league game is against Milford here this Friday, Jan. 16. We would like to see the gymnasium packed for the game.

In the Junior Varsity game, Vern Carman had 14 points to take honors for the Junior Wolves with the final score being 48-27. David Barber

Priscillas Meet With Mrs. Lee Clark

Last Thursday afternoon the Priscilla Circle of the Methodist W. S. C. S. met at the home of Mrs. Lee Clark on Holcomb St. Nine members and two guests, Mrs. Blackett and Mrs. Medlyn, enjoyed the planned luncheon. Mrs. Edmund Gunter and Mrs. Arnold Mann assisted Mrs. Clark.

The business meeting was conducted by Mrs. Harold Bauer and Mrs. Ray C. Ainsley was in charge of the devotions.

Mrs. Roy Gundy was named chairman of the Rotary dinner on January 26th.

Jackie Pringle Is Four Years Old

Jackie Pringle, son of Mr. and Mrs. Don Pringle of Dixie Highway, celebrated his 4th birthday on Monday by playing host to the children from the Deer Lake Nursery School. A luncheon was served at noon. Jackie received many lovely gifts.

William H. Wilmot Addresses Rotary

William H. Wilmot of Pontiac was the speaker at the meeting of the Clarkston Rotary Club held Monday at the Independence Community Center. He was introduced by Ronald A. Walter, for many years the local club's representative on the Crippled Children's work in this county. Mr. Wilmot spoke on the good work the Children's Home in Pontiac was doing for the children who came under its care. A large part of the support of this worthy cause comes from the sale of the Easter seals.

Keith White of Ortonville was a guest at the meeting.

Shower Honors Mrs. Cameron Clark

On Monday afternoon the Mary Circle of the Methodist W. S. C. S., honored one of its members, Mrs. Cameron Clark, at a handkerchief shower at the home of Mrs. Robert M. Atkins. Assisting Mrs. Atkins were Mrs. Warren McWhittie and Mrs. Charles Lippincott. Among the guests were several of Mrs. Clark's neighbors.

The occasion was a farewell to Mrs. Clark who left today to make her home in Birmingham.

The handkerchiefs were presented to the honoree in an umbrella.

Refreshments were served from a "beautifully appointed table centered with an arrangement of red and white carnations. Mrs. Leland Masters, president of the W. S. C. S., presided at the silver service.

P. T. A. Council Meets Jan. 20

The Oakland County Council of P. T. A., will hold its regular meeting on Tuesday evening, January 20th, at 8 o'clock at the Donelson School with the Hudson-Covert P. T. A., as co-host.

The speaker of the evening will be Donald Baldwin, superintendent of the Rochester Schools. He is also the Oakland County Council Legislative Chairman. Mr. Baldwin will speak on "Legislation".

Everyone interested in P. T. A., should attend this meeting. A school of instruction on legislation will be held. Music will be furnished by the Waterford consolidated school district. Refreshments will be served.

Everyone interested in P. T. A., should attend this meeting. A school of instruction on legislation will be held. Music will be furnished by the Waterford consolidated school district. Refreshments will be served.

Clarkston Wolves Suffer First Loss

The Clarkston Wolves lost their first game of the season, Tuesday night to their old rival, the Ortonville Blackhaws 53-44. Pete Palsham and Louie Williams each hit for 15 points, while Ronald Schebor and Pete Thompson had 10 each for the "Wolves".

Even though they each scored the same number of points in the 2nd, 3rd and 4th periods, it was during the first period that the Blackhaws outscored them 18 to 9 and Clarkston trailed 32 to 23 at halftime.

Only once during the 3rd period the "Wolves" threatened the "Blackhaws" 9 point lead as they brought it down to six points but couldn't keep up their steam as they went on to lose 53 to 44.

The Clarkston "Wolves" still hold on to first place in the Wayne-Oakland league. Ortonville now has five wins as against no losses and is the only undefeated team in Oakland County.

The Junior Varsity won their 5th game in six starts as Vern Carman paced the Junior Wolves attack with 13 points as they won 39-31. It was the 5th straight loss for the Ortonville Junior Blackhaws.

Eisenhower Urges Nation Support March of Dimes

NEW YORK CITY—President-elect Dwight D. Eisenhower called on the American public to support the 1953 March of Dimes being conducted throughout the nation during all of January.

He joined in the annual appeal after meeting the two Raleigh, N.C., sisters who are pictured on the 1953 March of Dimes poster. They are Patricia, 6, and five-year-old Pamela O'Neil, both of whom were stricken with polio but now are recovered completely.

"It's hard to believe that these are the same little girls whose pictures are on the March of Dimes poster," he noted. "Now they're completely recovered from polio, thanks to the generosity of the American people."

He urged all Americans "to help the others like them by joining the March of Dimes."

Later, he joined the poster girls in making a short film which is being shown by television stations throughout the nation.

This year's March of Dimes follows the all-time record polio epidemic of 1952 in which more than 65,0

Waterford
 Mrs. Jack Hall, Correspondent
 Phone OR 3-0261

Mr. and Mrs. August Jacober expected home this weekend from Wickenburg, Arizona, where they spent 4 weeks with their son, Jack and family. They started for home on Monday.

Mr. and Mrs. Roland Smith of Waterfront Drive will leave Willow Run Airport on Friday morning to fly to Miami for ten days. Mrs. Smith's mother, Mrs. Omer Rench, is here from Osceola, Ind., and will stay with their daughter, Sue, while they are away.

Dottie Lou Jehle, daughter of Mr. and Mrs. Charles Jehle, is ill with measles and chicken-pox.

The Lester Patton family of Williams Lake will leave the last of the week for Ft. Myers, Florida. They will spend the rest of the winter there where they are building a new home.

Mr. and Mrs. Ray Everett are now living in their new home on Clayton Road in the Hamtoon Lake Subdivision.

Mr. and Mrs. C. A. Menge of Fargo, N. Dakota, are here with the Reverend and Mrs. Arvid E. Anderson. They are Mrs. Anderson's parents.

Clyde Lehman narrowly escaped a serious accident last Thursday morning when the roads were so icy. He was driving his truck south on the Airport Road when the signals at the track started flashing. Due to the ice he was unable to stop and skidded on to the tracks and the motor stalled. He got out and with the aid of two gravel truck drivers they tried to push the truck off of the track but were unable to do so. All they could do was to stand back and watch the train hit it. The engineer saw the stalled truck and tried to stop his train but due to the slippery tracks he was unable to stop. Needless to say the truck was badly damaged but they were thankful no one was injured.

Story of Michigan's Pioneer Doctors Revealed by Wayne U. Historian

Wayne University medical students Richard D. Ceconi, of Iron Mountain (left) and Clark Herrington of Bad Axe inspect a chest of early surgical instruments on display in the health exhibit of the Detroit Historical Museum.

Only two hundred years ago spider webs, crab's eyes, and moss from human skulls were remedies prescribed by physicians.

These are among the facts revealed by Mrs. Fanny J. Anderson in her book, *Doctors Under Three Flags*, a recent publication of the Wayne University Press at Wayne University, Detroit. Mrs. Anderson is a member of the staff of the Wayne Medical Library. Through the story of medical and social problems faced by pioneer Detroiters for 136 years, she provides an account of the early physician in Michigan.

At first the only doctors in Michigan were army surgeons, but with the establishment of a stable government civilian doctors appeared.

In the Michigan backwoods physicians were apt to be called on for any emergency from dressing arrow wounds to treating malaria. They never had enough medicines on hand; their chances of being paid were so slim that they usually had to carry on some side business.

Since doctors could not always be reached, families in the frontier regions had to learn to rely upon themselves in times of sickness. Many of the favorite remedies were brewed in the kitchen. From such ingredients as peppermint water,

growing talk on floral arrangements before the Waterford Mothers Group when they met last Thursday at the C. A. I. building. She had several floral arrangements with her which she gave away before leaving. A pot-luck dinner preceded the meeting.

Courses in adult education again are being offered at the township high school, the second semester beginning January 27. Sessions will be held from 7 to 9:30 each Tuesday evening for 10 weeks. If sufficient interest is manifested the following courses will be offered: Art, elementary typing, a course for expectant parents, speech, dramatics (play production), shop, shorthand transcription and elementary sewing. Advanced sewing will be offered Thursday evenings. Preliminary registration will be held at the high school from 7 to 9:30 P. M., January 22.

 When one has a true understanding of Life, he is able to overcome much fear. This is brought out in the Lesson-Sermon entitled "Life" to be read in all Christian Science Churches on Sunday, January 18.
 The Golden Text is from Psalms (18:5, 11): "The Lord is the portion of mine inheritance and of my cup; thou maintainest my lot. . . Thou wilt shew me the path of life."

Among the Bible citations is this passage, (Job 33:4): "The Spirit of God hath made me, and the breath of the Almighty hath given me life."
 Correlative passages from Science and Health with Key to the Scriptures" by Mary Baker Eddy include: "Whatever reflects Mind, Life, Truth, and Love, is spiritually conceived and brought forth; but the statement that man is conceived and evolved both spiritually and materially, or by both God and man, contradicts this eternal truth." (P. 303)

Look for a special souvenir section for Ike's Inauguration! Sunday in The American Weekly, distributed with your Chicago Herald-American, see a remarkable ten-in-one painting that shows the high points of Ike's career. . . a family portrait of the Eisenhowers. . . and a cover photo of Ike and Mamie. Don't miss Sunday's Chicago Herald-American.

Word has been received here of the death of Mrs. Frank King (Maude Lowens) of Poughkeepsie, N. Y., on January 5th. Mrs. King was a former Waterford girl and her husband is a brother of Percy, Irving, George and the late Will King of this village.

Mrs. Lyle F. Smith of Mishawaka, Indiana, spent several days last week with her son and family, the Roland Smiths.

Verne Witherspoon is a patient at St. Joseph's Mercy Hospital. His father, Gus Witherspoon, is in the same hospital where he has been for some time due to a heart condition.

The Book Review Group will meet on Monday afternoon at the home of Mrs. O. L. Siegman, 2832 Orange Grove, instead of at the Sutton home as previously announced. Mrs. John Naz will give the review of "God's Grades and Scholars" by Ceram. The time is one o'clock and all interested ladies in the community are invited to attend.

The Waterford Birthday Club will meet at the home of Mrs. Arthur Armstead on Wednesday, January 21st. There will be a pot-luck luncheon at noon.

The Adult Bible Class of the Waterford Community Church met last Tuesday evening at the home of Mr. and Mrs. Henry Mehlberg. During the business meeting, conducted by Mrs. William Granger, the members voted to contribute money to the Ladies Auxiliary to be used for flowers and gifts for the sick. The February meeting will be at the home of Mr. and Mrs. Al Kray.

The Ladies Auxiliary of the Community Church met Thursday with Mrs. Roy Pammenter. Due to the very bad weather there

were only 8 ladies present. A contest was started to earn money for Christmas work this year. Mrs. Lawrence Giddings and Mrs. Arthur Davis are captains of the contest. Mrs. William Weix will have the February meeting.

Tonight, Thursday, the Teachers Training Class will meet at the Waterford Community Church at 7:30.

Mrs. Ruby Dunstan gave a very

School News

4TH GRADE — Miss Baehand

We saw two strip films about Mexico. In reading we have had several stories about Mexico. Everyone is trying to improve his spelling. Our highest score has been 32. On the final test we hope to do even better than this.

5TH GRADE — Miss Sharpe

We have several covered wagons on display in our room which the students made for a history project.

We are planning a radio quiz program for Friday morning. We are inviting the sixth grade students to participate in the program.

In geography we have been learning to place the states and their capitals on outline maps.

6TH GRADE NEWS

We have started to study Brazil. We made pictures of life on the Amazon River.

In English we have been studying subjects and predicates. We have been finding them in sentences.

Larry Stelmach

SEVENTH GRADE

Once again the classes are in full swing. Most of the students and their teachers reported that their vacations were surely enjoyed.

We are sorry to hear that Carol Ann Jantz has yellow jaundice and will be confined to her bed for several weeks.

The geography classes have been studying Japan and China, and recently saw movies depicting life in those countries.

Grammar is in the spotlight in English classes. The students have been studying sentences and their parts. Transitive and intransitive verbs are becoming familiar sights.

In science class we have been studying materials and how one material can be changed into another.

FARM SAFETY 6TH ANNUAL SET AT MSC

Two novel demonstrations will be on the sixth annual Michigan Rural Safety Council program during Farmers' Week at Michigan State College. Milton Grinnell, editor of The Michigan Farmer magazine and MRSC president, will preside at the meeting and election at 1:30 p. m., Tuesday, January 27, in Room 107-D Agricultural Engineering Building, MSC. David G. Stenicke, MSC safety specialist and MRSC secretary, will report.

Ten members of the college's Agricultural Education Club, directed by Walter Schroeder, will put on a safety demonstration covering common farm hazards. Data gathered by Farm Bureau groups on accidents involving Michigan farm people in 1952 will be presented in a skit by members of the Ingham County Farm Bureau.

SUGARY REPORT

Eleven Michigan counties rate among the top 100 in the United States in sugar beet production, both in acreage and tons of production. They are Tuscola — 11th in acreage and 20th in production; Sanilac, 188 and 32; Saginaw, 19 and 30; Huron, 22 and 25; Bay, 25 and 35; Gratiot, 40 and 58; Clinton, 54 and 77; Lenawee, 62 and 63; St. Clair, 66 and 88; Monroe, 70 and 83; and Midland, 85 and 99. Figures are from the U. S. census.

Research Backed by Polio Fund

Recent successes in the search for an effective, safe and permanent preventive of paralytic polio, have intensified the need for March of Dimes funds to explore and exploit the findings, according to Basil O'Connor, president of the National Foundation for Infantile Paralysis.

"Certainly the discoveries concerning gamma globulin did not mean the end to polio problems," Mr. O'Connor said. "While they solved some problems, they also created many new ones."

The two main findings, Mr. O'Connor said, were that (1) gamma globulin provides marked protection of a temporary nature against paralytic polio and (2) it may modify the severity of polio during the late stages of the incubation period of the disease, even though it may not prevent the disease completely if given after the infection has taken place.

Limitations Cited
Mr. O'Connor cited three important limitations to the use of gamma globulin.

1—It gives only temporary protection. Thus the search for a permanent vaccine must continue.

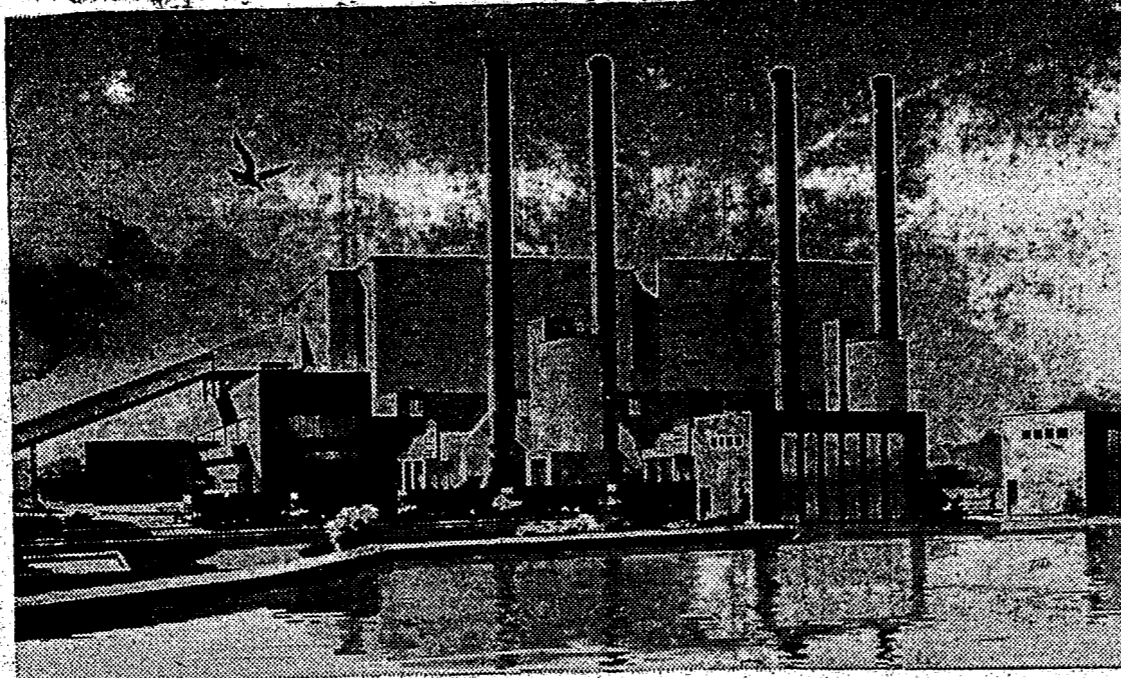

2—GG is in very short supply. Techniques for increasing supply for reasonable use must be developed.

3—Gamma globulin research is incomplete. It must still be determined, for example, if GG will permit the mild, inapparent form of polio infection that leads to an active long-lasting immunity.

Large sums of March of Dimes money must be invested before solutions to the above problems are found, Mr. O'Connor pointed out.

May 'Smother' Epidemics
"Our scientists insist that all we can reasonably hope for at this point," he said, "is that gamma globulin may be used in attempting to 'smother' polio epidemics in hard-hit areas. The final answer will still have to be a safe and effective vaccine that will provide relatively long-lasting immunity. Efforts to produce such a vaccine for widespread human use are being hopefully pursued."

Scientific research programs sponsored by the National Foundation are financed entirely by the March of Dimes. This annual appeal is now on and will be continued until Jan. 31.

ST. CLAIR - DETROIT EDISON'S ANNIVERSARY POWER PLANT

EDISON MARKS 50 YEARS OF ELECTRIC SERVICE

The Detroit Edison Company founded in 1903, has completed its first fifty years of electric service to the people of southeastern Michigan.

Opening event in observance of the company's Golden Anniversary will be a half-hour television show scheduled for 8:30 Thursday night, January 15, on WWJ-TV (Channel 4). The theme of the program will be the history and future of the company and the strategic area it serves.

LOCAL PARTY PLANNED

On Friday, January 16, residents of the Pontiac area will be welcomed at a birthday cake-cutting ceremony at Edison's Pontiac office.

District manager H. J. Keith will be host at the cake-cutting ceremony, slated for 11:00 A. M. Visitors will be served with cake and coffee from 10:00 A. M. to 5:00 P. M.

WILL PUBLISH HISTORY

Edison's fifty-year history, now being written by Prof. Raymond Miller of Wayne University for publication later in 1953, is a chronicle of the kind of dramatic progress and growth that has characterized the development of southeastern Michigan during the past half-century. For example:

In 1903, Detroit Edison started with some 6,000 customers in a community of about 300,000. Now it serves nearly three and three-quarters million people—more

than half the population of the state.

In 1903, less than 200 persons worked for the company. Now it employs nearly 12,000.

In 1903, Edison's service area was limited to the central Detroit metropolitan district. Now electricity is available to every home, store, farm, and factory in the company's 7,600-square-mile area which stretches east from the Canadian border to near Lansing, and south from Pointe aux Barques at the tip of Michigan's Thumb to near the Ohio state line.

FIFTH PLANT TO OPEN IN '53

Fifty years ago, the company's electric generating capacity was about 4,900 kilowatts. Today, its four steam electric plants at Trenton, Delray, Conners Creek and Marysville are capable of carrying a load of about 1,900,000 kilowatts or more than 2,500,000 horsepower. And a highlight of Edison's anniversary year will be the starting, next August, of the first turbine-generator at the company's new St. Clair Power Plant.

Now under construction between St. Clair and Marine City, this new plant will eventually bring the total system generation up to 3,350,000 horsepower—doubling the company's pre-World War II generating capability.

ANNIVERSARY SCHOLARSHIPS OFFERED

In another observance of the 50th anniversary, Edison will offer 50 scholarships at various colleges of the state. The scholarships, val-

ued at \$200 each, will be open to students in the high schools of southeastern Michigan.

Among other special company activities is the preparation of an illustrated historical booklet which will be distributed to shareholders, employees and others in the parallel growth of Detroit Edison and the key Michigan area the company serves.

NEWS LINERS BRING RESULTS

Results of the 1953 contest will include a homemaking teacher, a 4-H club agent and a home service advisor from one of the utility companies. The first place winner in the county will receive a free trip to the state contest at Grand Rapids February 9 and 10. The second and third place county winners will receive prizes from the local utility companies. This contest is a national contest and in the state of Michigan \$175 scholarship is awarded the state winner by the Cherry Growers and Processors of Michigan.

OAKLAND COUNTY EXTENSION SERVICE NEWS

by Mrs. Josephine Lawyer Home Demonstration Agent

CHERRY PIE CONTEST

Homemaking teachers in Oakland County are busily conducting local Cherry Pie Contests. Two 15 year old girls from each high school and one 4-H club member from each 4-H club is eligible to be entered in the county contest scheduled for January 24. The county contest will be held at the Consumer Power Auditorium, 28 W. Lawrence St., Pontiac, beginning at 9:00 A. M. The Consumers Power Company, The Detroit Edison Company and the homemaking teachers are cooperating with the Oakland County Extension Service in conducting this contest. Contestants should get their entries to the Oakland County Extension Office by January 17 in order for the committee to make better plans for the county contest.

Judges for the 1953 contest will include a homemaking teacher, a 4-H club agent and a home service advisor from one of the utility companies. The first place winner in the county will receive a free trip to the state contest at Grand Rapids February 9 and 10. The second and third place county winners will receive prizes from the local utility companies. This contest is a national contest and in the state of Michigan \$175 scholarship is awarded the state winner by the Cherry Growers and Processors of Michigan.

Anyone interested in the Cherry Pie Contest may receive information by calling the Oakland County Extension Office, Federal 4-2565.

FARMER'S WEEK PLANNED

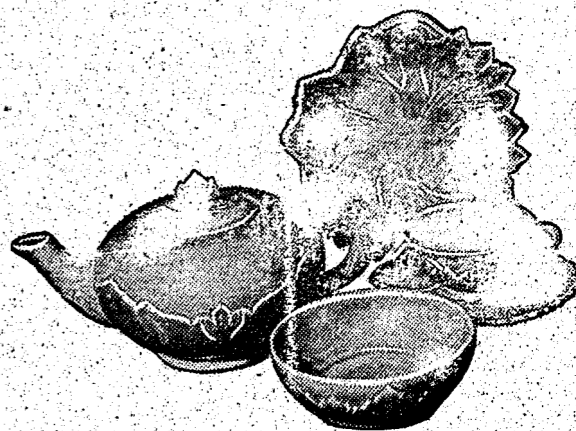

Many farm people in Oakland County will be interested in Farmer's Week scheduled at Michigan State College the last week in January. Mrs. Josephine Lawyer, home demonstration agent, announces the women will have separate programs, January 27, 28, and 29.

The women's program will be held in the auditorium of the home economics building and begin at 10 a. m., closing around 3:30 p. m. Some of the talks for women have fascinating titles: "Philosophy Through Your Hat", "Are Family Values Changing?", "Do You Know What Your Food

Money Buys?", and there will also be talks on Finland and Holland. A full day of talks about new fabrics and how to treat them will be given by a representative of the American Institute of Cleaners and Dyers. If you are interested in knowing more about the program, feel free to call the Oakland County Extension Office Federal 4-2565.

A SPECIAL SOUVENIR SECTION FOR YOU!

The American Weekly presents to its readers a special souvenir section for Ike's inauguration with exclusive color portraits of important scenes of Ike's life from birth to Presidency. Get The American Weekly with this Sunday's issue of The Detroit Sunday Times for your special souvenir section.

Woodfield Leaf

This distinctive line of tableware is supplementary to the regular line of the well-known Steubenville fine earthenware. It adds brilliant color notes to the table in salad sets, tea sets or individual coffee and sandwich service and can be mixed or matched in beautiful arrangements to satisfy the particular taste.

Every item is available in any one of the four colors: Dove Grey, Jungle Green, Salmon Pink or Golden Fawn.

GOOD RESULTS IN CRAIG OATS

Farmers who are laying long-range plans including extensive oat seeding in 1954 will have a new Michigan-tested variety to use — Craig oats — a cross between Victoria, Richland and Ithacan varieties in New York State.

Dr. Kenneth Frey of Michigan State College farm crops department reports that, in three years of Michigan Agricultural Experiment Station tests, Craig oats out-yielded Clinton oats several bushels per acre. Craig oats will be grown for certification this year and seed will be ready in 1954.

Craig oats resist loose and covered smut, crown rust includ-

ing Race 45 and some races of stem rust. It has a white grain color, runs medium to light test weight, matures about five days later than Clinton and has a short stalk.

Legal Notices

WILLIAM H. STAMP, Attorney,
Clarkston, Michigan
69,275

STATE OF MICHIGAN — The Probate Court for the County of Oakland, In The Matter Of The Estate Of Lillian Chaffee, Deceased.

At a session of said court, held at the Court House in the City of Pontiac, in said County, on the 9th day of January A. D. 1953.

Present, Hon. ARTHUR E. MOORE, Judge of Probate.

Frank M. Chaffee, administrator of said estate having filed in said Court his final account and petition praying for the examination and allowance thereof, determination of the heirs of said deceased, assignment of the

Residue of said estate, and the discharge of said administrator.

It is Ordered, that the 9th day of February A. D. 1953 at nine o'clock in the forenoon, at said Probate Court in the Court House in the City of Pontiac Michigan, be and is hereby appointed as the time and place for hearing said petition;

It is Further Ordered, that public notice thereof be given by publication of a copy of this order, once each week, for three successive weeks previous to said day of hearing, in the Clarkston News a newspaper printed and circulated in said County, and that notice be given to the heirs-at-law named in the petition for administration filed in this cause, and to creditors whose claims have been allowed but not fully paid, by personal service of a copy of this order, or by serving the same by registered mail with return receipts demanded, addressed to their respective last known addresses as shown by the files and records in this cause.

ARTHUR E. MOORE, Judge of Probate

WILLIAM H. STAMP, Attorney,
Clarkston, Michigan

Forester At Work

The pulpwood industry, long important in Michigan's economy, is currently weathering a slump in production. Good logging weather last winter enabled mills to stockpile considerable pulp, so that little cutting is having to be done at present. Here conservation department forester Bernard McTiver scales the volume of pulp cut on state land in an upper peninsula woodlot. Cuttings on state lands are leased to commercial companies and part of the forester's job is to keep close check on such operations.

HOMER G. GERUE
Attorney for Mortgagee, 503 Community National Bank Building, Pontiac 14, Michigan.

MORTGAGE SALE

DEFAULT having been made for more than thirty days in the conditions of a certain mortgage made by Edward L. Brown and Gladys Ann Brown, his wife of Lake Orion, Michigan, Oakland County, Michigan, Mortgages, to National Discount Corporation, an Indiana Corporation, Mortgagee, dated the fifth day of September A. D. 1952, and recorded in the office of the Register of Deeds for the County of Oakland and State of Michigan, on the fifth day of September A. D. 1952 in Liber 2908 Oakland County Register of Deeds Records on pages 389 to 392 inclusive, on which mortgage there is claimed to be due at the date of this notice, for principal and interest, the sum of Six Thousand Four Hundred Ninety-Eight and 17/100 (\$6,498.17) Dollars, and an attorney's fee of Seventy-Five (\$75.00) dollars, as provided for in said mortgage, and no suit or proceedings at law or in equity having been instituted to recover the moneys secured by said mortgage, or any part thereof.

NOTICE IS HEREBY GIVEN, that by virtue of the power of sale contained in said mortgage, and the statute in such case made and provided, on Monday the 23rd day of March A. D. 1953, at 10:00 o'clock in the forenoon, Eastern Standard Time, the undersigned will at the Saginaw Street entrance of the Court House in the City of Pontiac, Michigan, (that being the place where the Circuit Court for the County of Oakland is held), sell at public auction, to the highest bidder, the premises described as follows to-wit:

Lot 141 of University Subdivision of the Village of Orion of part of Section 11, Town 4 North, Range 10 East, according to the plat thereof as recorded in Liber 4 of Plats, on page 33, Oakland County Records. Also part of University Subdivision of the Village of Orion according to the plat thereof as recorded in Liber 4 of Plats on page 33, Oakland County Records, described as beginning at the Southeast corner of Lot 142, as originally platted, thence running South 89 degrees 50' East and along the Northern line of Lot 129, 30 feet; thence Southwesterly 33.54 feet to a point on the Easterly line of Lot 141 as originally platted; thence Northerly along said Easterly line 15 feet to the place of beginning.

Also a permanent right of ingress and egress over the following described land to-wit: A piece of land in the Northwest quarter of Section 11, Township of Orion (Now Village of Orion), Oakland County, Michigan, and being part of discontinued road lying Easterly of Lot 142, University Subdivision of the Village of Orion, and part of Lot 139, University Subdivision of the Village of Orion and described as follows: Commencing at the Southeast corner of Lot 142 running thence South 89 degrees 50' East and along the Southerly line of Lot 139, 97 feet to point on Westerly side of South Bellevue Road; thence Northerly along Westerly line of said road 16 feet; thence North 89 degrees 50' West 64 feet; thence Northwesterly 40 feet to the Northeast corner of Lot 142; thence Southerly along the Easterly line of Lot 142, 40 feet to the place of beginning.

MORTGAGE SALE

DEFAULT having been made for more than thirty days in the terms and conditions of a certain mortgage made by Edward L. Brown and Gladys Ann Brown, his wife of Lake Orion, Michigan, Oakland County, Michigan, Mortgages, to Hutchinson Trailer Sales Company, a Michigan corporation, Mortgagee, dated the 29th day of July, A. D. 1952, and recorded in the office

of the Register of Deeds for the County of Oakland and State of Michigan on the 29th day of July, A. D. 1952 in Liber 2894, Oakland County Register of Deeds Records on pages 127 to 129 inclusive, on which mortgage there is claimed to be due at the date of this notice, for principal and interest the sum of Thirteen Thousand Nine Hundred Seventy-Three and 10/100 (\$13,973.10) dollars, and an attorney's fee of Seventy-Five (\$75.00) dollars, as provided for in said mortgage. No suit or proceedings at law or in equity having been instituted to recover the moneys secured by said mortgage or any part thereof.

NOTICE IS HEREBY GIVEN, that by virtue of the power of sale contained in said mortgage, and the statute in such case made and provided, on Monday the 2nd day of March, A. D. 1953, at 10:00 o'clock in the forenoon, Eastern Standard Time, the undersigned will at the easterly or Saginaw Street entrance of the Court House in the City of Pontiac, Oakland County, Michigan, (that being the place where the Circuit Court for the County of Oakland is held), sell at public auction, to the highest bidder, the premises described as follows to-wit:

From where I sit ... by Joe Marsh

Pretty "Foxy" Terrier

Talking about dogs the other night—and Sandy Johnson topped everything off with a tall story about his fox terrier, "Boscum."

According to Sandy, "Comes bird season and that dog won't stir if I take down my rifle. Same if it's deer season and I go for my shotgun—he won't move, but he's scratching at the door if I so much as look at my rifle!"

One day, Sandy decided to fool him. He took down both his shotgun and his rifle — and swish, Boscum was on his way! So Sandy put the guns back and took out his fishing rod. He went outside and there was Boscum—digging like crazy for worms!

From where I sit, a dog that can outguess humans is as rare as a human that can outguess other humans. For instance, I like a glass of beer with lunch but I wouldn't think of pouring you one without first asking. Everybody has preferences—and it's finding out what they are and respecting them that keeps freedom from "going to the dogs."

MSC DISPLAY FOR PRODUCE A special display of produce-handling equipment will be set

up by the departments of agricultural engineering and horticulture for the vegetable growers meetings during Farmers' Week, January 28-31, at Michigan State College.

This display, in addition to the regular farm machinery display, will be in Agricultural Engineering Building Rooms 105-106.

Vegetable graders, washers, waxers, brushers, tying machines and other produce-packaging equipment will be included. Some of the equipment will be operated for inspection.

INSEMINATOR SETS RECORD IN LIVINGSTON

Use of facilities increased more than three times in the past seven years as 300 Howell-Liverville area farmers in the Livingston-Northwest Artificial Breeders Association helped their insemination-manager to a new record in 1952.

From 606 "first services" to cows in 1945, Tom Lound raised his sights up to 2,009 "first services" in the year ending November 30, 1952. In the final month, November — the score was 323 "first services", 82 repeats for "second services" and 45 additional calls to a total of 450 cows inseminated.

Floors laid, sanded, and finished, 20 years experience, own power. Leonard's Floor Service, Phone MA 5-7104. 48tkc

The record was reported by Livingston County Agricultural Agent Charles R. Kaufman to A. C. Baltzer, Michigan State College extension dairyman and secretary-treasurer of the Michigan Artificial Breeders Cooperative.

The program, in which the MSC Cooperative Extension Service takes an active part, originates on the college campus, where the bulls are housed. The extensive array of bull barns and facilities to bring the best sire strains to Michigan dairymen has grown, through profits of the cooperative, from a single facility to four. Tours of the MABC facilities will be a part of Farmers' Week programs January 26 through 31.

In handling the 2,009 cases in a year, Lound had a "non-return" percentage of about 60 percent, and was aided by complete cooperation within the ABA group. His wife handled the telephone messages from the 300 farmers, and monthly ABA meetings were called to discuss progress. Officers are President L. D. Dickerson of Howell and Secretary-Treasurer George Wilkinson of Fowler.

Two reserve inseminators aiding Lound during November were Harold Eason of Howell RD 4 and Walter Maleitzke of Fowlerville.

FRUIT AND GARDEN NOTES

by Willard E. Bosserman Assistant County Agr'l Agent

VEGETABLE VARIETIES

For you vegetable growers who raise some of your own plants, it is not too early to start ordering seed.

Most of the earliest plants are started around the middle of February. Those plants started early are broccoli, cabbage, celery, head lettuce and onion.

Some varieties to consider for these crops are: Broccoli (Italian Green Sprouting and DeCiccio); Cabbage (Yellows-resistant varieties should be grown if Yellows disease occurs on the land. However, the susceptible varieties are higher yielding and are preferred if no Yellows is present. A Yellows susceptible variety is Golden Acre and other earliest varieties of Yellows susceptible are Copenhagen, Ferry's Round Dutch and Bonanza. Some Yellows-resistant varieties are Wisconsin Golden Acre, Resistant Detroit, Marion Market and Racine Market); Onions (to be grown for plants) are Ebenezer (yellow), Southport Yellow Globe, Silverskin or White Portugal (white) and Utah Sweet Spanish.

EGG-WASHING POOR PRACTICE

Washing eggs is a poor practice unless absolutely necessary, says J. M. Moore, extension poultryman at Michigan State College. It is better to sell a clean washed egg, he explains, than a dirty egg — but it is much better to sell a clean unwashed egg. Management will help in this.

Warning poultry raisers against indiscriminate egg-washing, Moore refers to a report by the U. S. Department of Agriculture on egg-washing procedures and equipment in 31 commercial plants in seven states.

They found that about 10 percent of all eggs gathered from the nest were soiled or stained, and noted that washed eggs do not store as satisfactorily, as a rule, as the naturally-clean eggs. This held true with both natural and oil-sprayed eggs.

Poultrymen seeking detail of the study may obtain it by writing for "A Study of the Washing and Storage of Dirty Shell Eggs" to the Office of Information Services, PMA, U. S. Department of Agriculture, Washington 25, D. C.

GROPS, SOILS BIG FEATURES ON MSC LIST
(continued from page 1)

them on Tuesday, Wednesday and Thursday of this 38th annual Farmer's Week in East Lansing, January 26 to 30.

Headliner on the program is the style revue slated for Thursday afternoon. Nearly 50 Michigan State College coeds will model costumes they have designed and made in their home economics classes.

All meetings for women this year will be held in the main auditorium on the MSC campus.

"Philosophy through Your Hat" is the title of talk to be given by Mrs. Fern C. White of Kansas City, Mo. Mrs. White will speak Thursday morning about a philosophy of life dramatized and ill-

ustrated with hats.

Another important speaker will be Dr. Pauline P. Knapp, director of the Merrill-Palmer school in Detroit. Dr. Knapp will speak on the subject, "Are Family Values Changing?"

An international favor for women at Farmers' Week this year will come from two illustrated talks — one on Holland and another on Finland. Arne G. Kettunen, state 4-H Club leader who spent last summer in Europe, will talk on his native Finland. Evelyn Zwemer, a member of the MSC home economics staff, will talk about Dutch homes from her experience studying a year in The Hague.

New fabrics and blends will be talked over by Dr. Dorothy Lyle in a special program on the care of textiles.

means the earth will be lit between the sun and moon. Such an eclipse happens about every six months.

According to Miss Hazel M. Losh, associate professor of astronomy at the University of Michigan, the first part of the eclipse will not be favorable for observation because the moon will first contact the shadow at 4:54 p. m., before the moon rises.

It will take more than an hour for the moon to go completely into the shadow. The middle of the eclipse is timed for 6:47 p. m., while 7:30 p. m., is when the moon will begin to leave the shadow.

The moon still will be visible throughout the event, however, for sunlight which filters through the earth's atmosphere will cause it to shine with a dull reddish light.

Miss Losh also indicates that on the evening of January 17 in the southwest sky, Venus will pass above Mars at a distance less than one-half the apparent diameter of the moon away, and on the next night the crescent moon will pass very close above both planets.

These two planets, bright and so close together in the sky, will
