Wolves Break Losing Streak

The Clarkston Wolves broke their losing streak of four games last Friday night by scalping Holly 59-34. The win gives the Wolves a 4-2 record in the Wayne-Oakland County League. Mike Thayer collected 13 points while Tom Bullen chipped in 12 points for the winners. Wagoner had 9 points for Holly. The Wolves had it pretty easy as they hit from all corners of the floor when they barged ahead to lead at halftime 25-17. From then on it was all Clarkston as they led at the end of the third quarter 42-21. The fourth quarter saw the Wolves outscore Holly 17-13 to end the game with a 59-34 win. All the boys saw action in the game and all gave commendably toward the 6th win in 10 games for the Wolves. Coach Birtas had a good night also as his Junior Varsity walked all over Holly 63-40. It was one of the highest scoring games this year. The previous was a 64-62 win over Holly by the Varsity. Vern Carmean of the Junior Wolves and Roger Voorheis of Holly each contributed 15 points, while Glen Abbott had 13 for the JV's. Our next league game is at home this Friday night, Feb. 6th with Clarenceville. We hope to see all of you at the game.

Family Honors 50th Anniversary

On Monday evening Mr. and Mrs. C. A. Cruse of Northville entertained at a family dinner at their home honoring her parents, Mr. and Mrs. C. E. Cushman on their fiftieth wedding anniversary. The dinner table with its silver appointments, candles and centerpiece of spring flowers added cheer to the party and when the lovely decorated cake was brought in for the dessert there were many "oh's and ah's" because the cake had been decorated especially for this occasion. Mr. and Mrs. Cushman received many pretty gifts and the best wishes of the group. For the occasion the honoree chose a navy blue dress and at her shoulder was a corsage of yellow and gold roses which had been presented to her earlier in the evening when Mr. Cushman received a rose boutonniere. Among the guests were Mr. and Mrs. L. P. Cushman of Ososso and Mr. and Mrs. Lyle V. Cushman and family of Clarkston.

Winter

The winters don't seem the same as they did. Way back when I was a boy. Suffering and pain have gone from their grip. And also most of the joy. The cutting of wood for ravenous stoves. Has gone with the horse and hay. The drying of feet on the old oven door. At the end of a winter's day. The feeding of stock by the lantern light. And frost on the hinge of the doors. While our fingers ached from the handles chill. As we plodded thru the night chores. Then milking time when the streams played a tune. In the pail we held in our knees. And the cows gave a sigh of blessed relief. Then ate 'til they grunted and wheezed. There isn't a team to hook to the sleigh. Or bells to clatter and ring. Nor is there a gang to pile in the box. And ride in the moonlight and sing. We miss the cold rooms with frost on the pane. And pumps that were frozen each night. But also we miss the base burner stove. That cheered up the place with its light.

Clark-Horton Rites Read Last Saturday Couple Honeymoons In Northern Mich.

MR. and MRS. ROBERT R. CLARK

A very pretty wedding took place in the Davisburg Methodist Church last Saturday evening at eight o'clock when Barbara Jean Horton and Robert R. Clark spoke their nuptial vows to the Reverend Marshall Saunders in the presence of two hundred guests. The bride is the daughter of Mr. and Mrs. Edmund Horton of Holly, Michigan, and parents of the bridegroom are Mr. and Mrs. Raymond Clark of 9765 Dixie Highway.

The rites were read by candlelight before an altar bedecked with white gladioli and snapdragons. The pews were marked with white satin ribbon. The bride, given in marriage by her father, was charming in an antique ivory satin gown with fitted bodice, Peter Pan collar and trim of small satin buttons. The full skirt fell into a cathedral train. Her veil of silk illusion was held by a small headpiece of seed pearls and orange blossoms. She carried white roses.

Mrs. Howard Boyns of Kalamazoo, sister of the bridegroom, as matron of honor, wore a ballerina length gown of coral nylon net, and carried Johanna Hill roses and ivy.

The bridesmaids were Mrs. Frank Ronk of Clarkston and Miss Rita Goodwin of Clawson. Their ballerina length dresses were of moss green nylon net and they carried Tailsman roses.

All three attendants wore coronet headpieces of braided net to match their gowns. Frank Ronk of Clarkston assisted Mr. Clark as best man and seating the guests were Stanwood Radey of Clarkston and Major Wilbur Walton of Cuyahoga Falls, Ohio.

Proceeding the ceremony Mr. Howard Boyns of Kalamazoo sang "Because" and during the ceremony he sang "The Lord's Prayer". Mrs. Elmer Mills, aunt of the bride, was his accompanist. For her daughter's wedding Mrs. Horton chose a light blue dress with off-white accessories and a corsage of pink roses. Mrs. Clark wore dusty rose with navy accessories and a corsage of pink roses.

Following the ceremony a reception was held in the church parlors. The bride's table was attractive with a white organdy cloth, pink snapdragons, white carnations and ivy and white candles. Centering the table was a four-tiered wedding cake which was cut and served by Mrs. Joseph Horton and Mrs. Woodrow Horton, aunts of the bride, presided at the silver services.

For traveling to the Upper Peninsula the bride changed to a beige knitted suit with brown accessories. Upon their return they will make their home on the Dixie Highway. The bridegroom is a graduate of the Clarkston High School. The bride graduated from the Holly High School and the Mercy College of Nursing.

Library Workers Meet At Coffee

On January 29th Mrs. C. J. Murton, Chairman of the Clarkston Community Schools Elementary Library Board entertained 25 board members and librarians at a "Coffee" at the elementary school. Coffee was poured by Mrs. Floyd Hammond, Library Staff Director, at a table covered with a black linen cloth and appointed with a red and white flower arrangement. Mrs. Edward Thomson assisted the hostess.

A meeting was held following the coffee. Appreciation was extended to Mrs. Hammond and Mrs. Phillip Smith for their untiring efforts in preparing books for the libraries.

Mrs. Munton said that the relationship of children to books is quite like the old adage of leading the horse to water and that the role of the librarian is that of a friendly adult who has a knowledge of books and seeks to interest each child in one book. The children who are in the group play an important part and the books to which our children are introduced at the outset have very great effect on their future reading.

The mothers of the community are stimulating interest in books among the school children and this interest is being carried through by the excellent work of the teachers, the principals, Mrs. Genevieve Van't Roer, Miss Ruth Sharpe, Mr. W. Barrie and Superintendent Leslie Greene.

Mr. Greene spoke briefly to the group pointing out the goal for many more books and the problems facing the community for the coming year.

The Library Board includes Mrs. Thomas H. Wilson, Mrs. James Glennie, Mrs. Phillip Smith, Mrs. Jack Jyleen, Mrs. Floyd Hammond, Miss Ruth Sharpe, Mrs. G. Van't Roer, Mr. W. Barrie, Mrs. Robert Phillips, Superintendent Leslie Greene and Mrs. C. J. Murton.

Ski High!

Before the rise of the sun Saturday morning, 18 skiers assembled at the home of Mr. Leigh Bonner. Drowsy, sleepy adventurers earnestly loaded skis on car-top carriers, while the "helpless females" exchanged conversation of "who-forgot-what", 8:00 o'clock dawned with a caravan of 3 cars heading hurriedly along M-15. Miss Marilyn Wright led the pack, as passengers Ann Barrows, Bill Sutton, Bud Volberding, Bob Yahnke and Jamie Alexander endeavored to silently subdue the wonderment of this female, hot-rod fan. Closely following, Mike Thayer and company, Barbara DeConinck, Judy Walker, Cheryl Littleton, George Gleason and Lanny Leak found time for local gossip between intervals of cake and potato-chips. Faithfully bringing up the rear drove Mr. Bonner. An added passenger, "Woofy", got much attention from Sue Shanks, Lottie Sawyer, Kathy Stauter, and Pat Tisch, while Mrs. Bonner fed the domesticated carnivore pieces of gingerbread cookies.

On drove the adventurers having the hopes of skiing lessened as big drops of rain pattered on the windshield. But West Branch proved itself, typically northern with snow-flurries and mountainous mounds of snow drifts.

Stowing the gear at a most comfortable Motel, La Hacienda, skiing at Ogemaw Hills became the point of destination. Wet snow made the slopes extremely fast and the novices, which included all the females of the crew, were fortunate in the abundance of warm clothing not only for warmth but also for extra padding.

A bruising day came to a sliding close at 5:00 and all parties agreed that a warm dinner was in demand. Being in the category of "sight-seers" a browse around West Branch was inevitable. Two of the novices, Pat Tisch and Lottie Sawyer, not feeling up to any sort of extravaganza, found the Luxuriant beds of the Motel quite restful to the weary.

In the bright tingly Sunday morning, the skiers again made another journey to Ogemaw Hills. Mr. Bonner proving his dexterity with skis on the treacherous Sialom Bowl and a few daring males of the party ventured to attempt the "Bone Crusher". The art of snow-plow turns and keeping the slopes clean of excess snow became the skills of others. One of the more accomplished skiers, George Gleason, entered a timed competitive race and zoomed across the finish line in fourth place while fellow Clarkstonites cheered with priggish spirit.

But all good things must end and the undehating at Ogemaw Hills was no exception. All aches and pains accepted for, the journey homeward proceeded, but the pleasant memories will never be erased. A dark damp attic may store the skis but it cannot the recollection.

Clothing Crusade For Needy People

Clarkston Community Schools will take part in the state-wide Save-The-Children "Bundle Week" drive to collect used clothing for needy children.

The drive, which is part of the Eleventh Annual Children's Clothing Crusade, will take place here on February 16th and will last for 6 days.

Three million pounds of wearable clothing have been set as the national goal. Last year in the Tenth National Children's Clothing Crusade, nearly four million pupils collected a total 2,161,638 pounds of clothing, approximately five million garments.

"We cannot stress too much the desperate need for clothing that exists among children in this country and overseas."

"I am sure all or the citizens will want to lend a helping hand. Bundle Week provides a practical and effective means of clothing collection, and at the same time, teaches youth in our schools to share with the less fortunate. Participation in the National Children's Clothing Crusade will help foster a sense of brotherhood and lay a foundation for international good-will."

Clothing collected by the Federation is used to aid needy children and families in Korea, in war-depleted countries of Europe and the Middle East, and in disadvantaged rural areas of the United States.

More than five million Korean men, women and children are homeless refugees in their own country. At the request of United States Government authorities, the Save The Children Federation continues to send warm clothing and shoes to these victims of Communist aggression.

In many countries of Europe the scars of war have not yet healed. Save The Children Federation representatives in Europe report that clothing needs are particularly acute in many areas of Italy, and in Greece, where villagers who fled Communist aggression have returned to their native homes only to find them in ruins.

In the United States clothing is distributed in low-income rural areas of eight Southern and Midwestern States and on the Navajo and Papago Indian Reservations. If it were not for the Bundle Week collections, thousands of these rural children would not be able to attend school because of the lack of adequate clothing.

Wearable clothing of all types, in babies, children's and adult sizes; blankets, sheets and other bedding; and low-heeled shoes are especially needed.

A large number of shipping bags have been ordered from the Federation, and leaflets will be given to all children in the school system to take home during the week, stating the purpose of the drive and asking the cooperation of parents.

Mrs. Harry Womnest of Andersonville Road left on Friday for a visit with her aunt in the state of Oregon.

Mr. and Mrs. William Schmidt and children, Ricky and Sandra, spent the weekend in Kalamazoo with her folks. They went to bid goodbye to a sister who is leaving to make her home in California.

Mrs. Ralph Frazer left on Wednesday for a ten day visit with friends in Savannah, Ga.

Mr. and Mrs. Richard Burch of Tawas City are the parents of a daughter, Beverly Jeanne, born January 25th. Mrs. Burch is the former Joyce Pammenter of Waterford.

Mr. and Mrs. William Clement, Jr., and daughter, Nancie, of Rochester had dinner with her parents, Mr. and Mrs. Lyman Girst on Thursday night. Mr. and Mrs. Henry Mehberg and Mr. and Mrs. Alton Goll were dinner guests also.

Mrs. Roy Pammenter, accompanied by Mrs. Dorothy Mays of Pontiac, are visiting in Port Byron, N. Y. While there they will attend the wedding of a cousin.

A surprise birthday dinner honoring Leslie H. McFarland was given Sunday by his children at the McFarland home on Hatcher Road. Those attending were his

son and family, the Frank McFarlands, and his daughter's family, the Jack Goshens. Mr. McFarland celebrated his 70th birthday on Friday.

Mr. and Mrs. Howard Burt of Ortonville and Allyn Coventry of Waterford went to Battle Creek on Sunday to see Barry Burt who was inducted into the army last week. He will leave Camp Custer within the next few days for basic training in another location. The Burts are former Waterford residents and have many friends here.

Friends of Mrs. Ida Hayden will be sorry to learn that she is not very well. Mrs. Hayden lived next to the Waterford Church for many years but now is in Detroit with her daughter, Mrs. Clarence Hayes. She will observe her 92nd birthday on February 20th and for those wishing to write to her or send her a card, her address is: 18116 Melrose, Detroit 19. She loves to hear from her Waterford friends and enjoys a card or letter very much.

Donald Helman and Leonard Roebke, Jr., have enlisted in the Army Air Corps and left Tuesday morning for Seneca Falls, N. Y., where they will begin their basic training.

Ed Amos surprised his family on Saturday morning when he arrived home for a 20 day leave from his base in Norfolk, Va. He has been stationed in Florida for several weeks.

Mr. and Mrs. Alton Goll, Mr. and Mrs. Lyman Girst and the Henry Mehbergs attended the program given by the Women's Glee Club of Wheaton College at the First Baptist Church in Pontiac on Sunday evening. Elaine Burt, daughter of the Howard Burts who formerly lived in Waterford, was one of the 37 girls in the Glee Club. The program featured soloists, violinists, and trios along with group singing with Mrs. Mignon Bollman MacKenzie as director of the Club.

The Waterford Moms will hold a Bake Sale next Tuesday, February 10th, at the Drayton Recreation beginning about noon. Mrs. Lawrence Giddings is the chairman with Mrs. James Saylor and Mrs. Charles Richards assisting her.

The regular meeting of the Moms will be Wednesday, Feb. 11, at the home of Mrs. William Hunt on the Dixie Highway. This is an afternoon meeting at the usual time.

Spring may seem a long way off but the maple syrup season may sneak up on the "sugar bush" owner who is having too long a winter nap, cautions Lester E. Bell, extension forester at Michigan State College.

"Sap weather" could start the last week of February and it's not too soon now to get ready—to order the needed supplies. Be ready for the first sap run, because it is higher in sugar content and makes the top-quality syrup, urges Bell. U. S. weather men will be combing their Michigan and national networks in East Lansing to shoot the "sap weather" information out over the college radio station, WKAR, as soon as possible.

WATCH COSTS IN BEEKEEPING

The beekeeping business isn't all honey, and according to Jack Deyell, care should be used to keep costs at a minimum and efficiency at a maximum. Deyell is editor of the magazine, "Gleanings in Bee Culture" and a former beekeeper. He spoke at Michigan State College's Farmers' Week last week. Deyell cautioned against establishing too many outlying-aparies.

"The only justification for the establishment of one or more out-aparies is to take advantage of good, available bee pasture and avoid overstocking the home apary," he said. The amount of surplus honey secured at the out-aparies must pay enough more than aparies at home to take care of the increased cost of maintaining them.

Mr. and Mrs. Raymond Hutchinson and daughter of Holly, Mrs. Lillian Hutchinson and Harold of Davisburg and Tommy Furman of Ferndale were Sunday guests at the Stanley Furman home.

The newly organized Boy Scout Troop No. 133 of Andersonville is getting underway. The scoutmaster is Stanley Furman with Glenn Robinson as assistant. The scout committee includes Terry Thomas, Ward Carpenter, Don Menzies, Israel Selby and Fred Miller. The troop meets on Monday evenings at the Andersonville School.

U. S. DIRECTOR OF EXTENSION EX-MSC MAN

C. M. Ferguson, recently named as director of extension work in the U. S. Department of Agriculture in Washington, formerly served in the poultry department at Michigan State College and was a poultry extension specialist.

Ferguson, who has been director of the extension program in Ohio, started his agricultural career in 1921 on the Michigan Extension staff and for many years was in charge of the Michigan Egg Laying Contest. He was on the M. S. C. staff until 1928.

The new federal extension director will succeed M. L. Wilson, who will continue to serve the U.

Department of Agriculture in an advisory capacity on extension programs in the nation and the world.

VISITING DEAN LAUDS STATE FOR PROGRESS

Future of the livestock industry, already second largest in the nation, and expanding to feed the booming populations of America and the world, depends upon such plans as those being studied for an Animal Industries building at Michigan State College. This view was presented during Farmers' Week at the college by Dean-Emeritus H. H. Kildee of the Iowa State College agriculture division.

Tipping his hat to M. S. C.—oldest of the land-grant agricultural institutions—Dr. Kildee expressed hope the Michigan Legislature would see a need for the building.

"Surely the descendants and successors of the far-sighted citizens who created the first college of agriculture in the United States will provide the physical facil-

ities that are of such great economic, nutritional and health significance," said the nationally-known livestock authority and judge.

With conventional draperies and glass curtains the light admitted through a window may be cut by as much as a third, warn Michigan State College home economists. Solve the light-cutting problem by extending the draperies over the wall, rather than the window, they suggest.

1951: RESOLUTION ON SUPPORT OF EDUCATIONAL INSTITUTIONS

(Resolution of the National Association of Manufacturers)
"Essential to the perpetuation of the American way of life is a system of education which includes both privately and publicly supported schools, colleges and universities. The privately supported institutions are in a critical financial plight. The public institutions, state and local, are likewise having serious financial difficulties.

"Industry recognizes the essential contributions made by these institutions to the development of leadership to manage its increasingly complex operations, the contributions in both pure and applied scientific research, the investigations and study of pertinent phases of our life, and the development of social and civic competence of our citizenry.

"Business enterprises must find a way to support the whole educational program effectively, regularly and now. In the light of the situation which faces American education, the Educational Advisory Committee of the National Association of Manufacturers recommends that the Board of Directors of the Association officially recognize this situation and use its influence to urge the membership of the National Association of Manufacturers:

- 1. To continue its efforts to secure adequate local, state and private support for a sound program of elementary and secondary education for all American youth.
- 2. To exert every effort to make available to higher education the supplementary private financial support essential to meet the educational needs of our youth, American industry and the nation. This private support may be in the form of:

"a. Endowments, grants-in-aid, buildings and such other items as may be determined.
"b. Assistance to qualified and worthy individuals to continue their educational careers through programs of scholarship awards and other grants for education.
"c. Utilization so far as possible of the facilities, faculty and staff of colleges and universities to carry on research in pure, applied and social science and in all other areas which will prove beneficial not only to industry but to American life.
"d. Assistance to demonstrably sound organizations whose funds are raised for and disbursed to urgently-needed fields of specialized education."

Certainly with the leadership and assistance of many such organizations as the National Manufacturers Association the parents in Michigan can be hopeful of adequate support to release Michigan Schools from their present financial dilemma.

Certainly in a State with the prosperity that Michigan now boasts there is no place for insufficient or inadequately supported schools.

FIFTH GRADE

We are learning how to add fractions and we enjoy it a lot. The following pupils were neither absent nor tardy during the first semester: Fayann Burley, Richard Mansfield, Billy Powers, Frank Strothers, and Janyth Tebo.

Miss Sharpe has taught us to do the "Virginia Reel" and how to square dance.

In history we are studying the Civil War. Miss Sharpe is reading us the book "Uncle Tom's Cabin". We are enjoying it very much.

This week Shanna Stewart and Georgia Robinson put on a puppet show for the whole elementary school which was enjoyed by everyone.

We have enjoyed having Mrs. Forsythe as a visitor in our school for the last week and a half. She has gotten to know nearly everyone's name in the fifth grade.

We are making puppets and a stage in art and we hope to have it so we can put on a puppet show soon for the other classes.

Right now the fifth graders have been drawing and painting different scenes about Africa. Larry Morgan has made a scene something like a jungle with elephants, tigers, monkeys and other animals.

by Jackie Powell

THIRD GRADE

The third graders have been studying various types of farm communities. On our back bulletin board we have pictures of things we would find on a farm. We always have a grocery store where we're practicing making change.

SECOND GRADE—Mrs. Landon
In arithmetic class we are keeping a weather calendar for the month of February. We each have an individual calendar in our workbook and a large one for the room. We use symbols to show that days are sunny, cloudy, rainy or snowy.

We each made our own arithmetic cards to help us learn our addition and subtraction combinations better.

SASHABAW SCHOOL
The students and teachers of Sashabaw School wish to thank Phelps Electric of Drayton Plains for installing a television receiver in our auditorium, so that we might watch the Inaugural proceedings on January 20. This is an experience we will long remember and cherish.

Thanks again for your interest in our educational program.
G. W. Barrie, principal

KINDERGARTEN

Jack Passage and Joyce Stokes celebrated their sixth birthdays recently.

We saw a nice cowboy movie last week so now we are working on a cowboy unit, learning what the cowboy wears, what he does,

and how he helps us. Cowboy books are being made with pictures drawn and colored about his life.

Many children have been absent with chickenpox, measles and flu. We hope they hurry back.

FOURTH GRADE—Mrs. Rowley

Reviews in all subjects are in full swing and mid-year examinations will start next week.

Our room joined with Miss Coles room in a musical program which was sponsored by the children. Songs, piano solos, accordion solos and tonettes were enjoyed by everyone.

The 20th we were invited to the main building to watch the inauguration of President Eisenhower on television. This was very interesting and we were very grateful for the opportunity of seeing it.

We would enjoy a call or a visit from any of our parents.

SECOND GRADE—I. Houlding

Those who have been neither absent nor tardy for the semester are: Don Boyd, Richard Kleinstenber, Patricia Lunsford and Michael Vargo.

FIRST GRADE—Mrs. Draker

Mr. Barrie visited our room on Wednesday morning. We like to have visitors.

There has been a frequent visitor in our room that we don't like—a little chickenpox germ. Eleven of us have had chickenpox since our Christmas vacation.

We are starting in our "At Play" reader. It is fun to read about Bob and Nancy.

CHERRY-PIE CONTEST COMPLETED

The Oakland County Cherry Pie Contest was held Saturday, Jan. 24th. Fourteen girls over 16 years of age competed in the contest.

Jane Wiggins of Rochester, was first place winner for 1953. Jane is 16 years of age and is a member of the Rochester 4-H Variety Club. The recipe is as follows:

PASTRY:
1 teaspoon salt added to 2 cups sifted cake and pastry flour. Sift again. 2/3 cup vegetable shortening. Cut in until mixture resembles peas in size of particles. 3 to 4 tablespoons ice water. Add one tablespoon at a time. Mix well. Roll pastry on lightly floured board. This makes two crusts for a 9 inch pie and a small tart.

CHERRY FILLING:
2 1/2 cups drained sour cherries to which have been added: 1/4 cup brown sugar, 3/4 cup white sugar, 1 teaspoon lemon juice, 1/16 teaspoon allspice. Let stand while preparing

rest of filling.

2/3 cup cherry juice, 3 tablespoons cornstarch. Cook over medium heat, stirring until smooth and clear. Add 1 teaspoon butter and stir to blend well. Combine two mixtures, mix well and let cool while making pastry. Pour filling into pastry crust. Cover with full or criss-cross top crust. Bake in pre-heated 450-degree oven for 10 minutes. Finish baking at 350 degrees for 25 or 30 minutes.

The second place winner was Judy Vanderhoof from Milford who is a member of the Think and Do 4-H Club. Third place winner was Joanne Larson from Pontiac who attends Pontiac Senior High School.

The first place winner receives a free trip to the State Cherry Pie Contest February 9 and 10. This trip is sponsored by the Growers and Processors of Cherries in Michigan. The winner of the state contest will receive \$175.00 scholarship and a free trip to the national contest in Chicago on February 20. The second place county winner, Judy Vanderhoof, received a corn popper as a gift from the Detroit Edison Company in Pontiac. The third place winner received a hurricane lamp as a gift from the Consumers Power Gas Company of Pontiac. Both the Detroit Edison Co., and the Consumer's Power Co., have co-operated each year with the County Cherry Pie Contest. Others assisting with the county contest included the co-operative extension service, the homemaking teachers, and the 4-H Club leaders.

Judges for the contest were: Mrs. Ruby Brewer, Homemaking teacher at Washington Junior High School in Pontiac; Phyllis Leith, Home Service Advisor from Consumer's Power Company and James Lawson, 4-H Club Agent of Monroe County.

NORTHVILLE BEATS CLARKSTON 54 - 37

The Clarkston Wolves lost to Northville on Friday night Jan. 23 by a score of 54 - 37. The loss dropped Clarkston to third place in the league standings. Somers of the Mustangs took scoring honors with 18 points, while for the Wolves the points were pretty well distributed as Bill Dunston had only six points and teammates Chuck Robertson and Mike Thayer had five points each.

The Northville Mustangs had an easy time as they rolled up a score of 25 - 17 at halftime. During the third quarter they outshot the Wolves 16 to 8 as they went on to win 54 - 37.

The Junior Wolves had better luck as they won their game 52 - 47. Gordon Campbell hit for 14 points and Larry Leak had 11. It is their seventh win as against two losses.

SIXTH GRADE

We are going to elect new class officers for this semester. In arithmetic we are learning to multiply fractions. Friday we expect Mrs. Delliguadri to come and teach us to dance.

The understanding of Spirit is important to every one who worships God. How to worship Him "in spirit and in truth" is brought out in the Lesson-Sermon entitled "Spirit" to be read in all Christian Science Churches on Sunday, February 8.

The Golden Text is from John (4:24): "God is a Spirit and they that worship him must worship him in spirit and in truth."
Among the Bible citations is this passage, (1 John 4:13): "Hereby know we that we dwell in him; and he in us, because he hath given us of his Spirit."

Correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy, include "There is nothing in Spirit out of which matter could be made." (P. 335)

TAKE IT EASY WITH THE SNOW SHOVEL
Take it easy with the snow shovel—especially if you're over 40 and not used to outdoor work. In fact, it's a good idea to avoid all strenuous outdoor physical activity during the cold weather if you're not used to it, the Michigan Department of Health advises.

Cold weather in itself causes the heart to speed up in order to keep the body warm. This, plus the added exertion of outdoor physical activity, can be damaging to the borderline heart, particularly in the person of middle age or older.

Walking in the winter requires more effort than in the summer. The winter pedestrian is burdened with heavier clothing—overcoat, rubbers or galoshes. Bracing against the wind, walking tensely to avoid slipping, driving tensely on icy roads, wading through deep snow, all tend to speed up heart action.

If you go in for winter sports such as skating, skiing, hunting, ice fishing and the like, don't overdo. Plan to do these things in moderation.

If you get winded quickly, it's a sign you have gone more than you should. Stop what you are doing and rest awhile.

Get the youngsters to shovel the drive and clean the walks. If you do it yourself, take your time.

Winter in Michigan

Such jumps as this are not recommended for amateurs, but these two youngsters know their skiing well enough to run the expert's slopes at Porcupine Mountains state park. All across Michigan's snowy slopes these winter days, such scenes as this are being enacted with the winter sports season now in full swing. The conservation department operates ski runs and tows only in the Porcupine, but encourages such sport in other state parks. Private groups are in charge of operations at Highland recreation area and at Grayling, and other places in the state.

BLACK RASPBERRIES
One disadvantage of the black raspberry is its susceptibility to anthracnose.
Some growers are growing "Black Caps" with good success in keeping out anthracnose by following some good management practices.
First thing would be to start with a variety that is more resistant to anthracnose. Some such varieties are Evans, Dundee, and New Logan. Our old stand-by Cumberland is the most susceptible to anthracnose.
Second - when setting out a new plantation, it is necessary to

set disease-free plants. When setting your own plants be sure to cut off the "handles". The handle is the part of the old cane that remains with the root of the new plant. This handle is cut as the new shoot appears soon after setting out. If you leave a slight de-
