CLARKSTON, MICHIGAN, THURSDAY, FEBRUARY 19, 1953

## P. T. A. Observes Scout Night And Founder's Day

On Thursday evening of last week over 300 gathered at the Clarkston High School to observe the Annual Scout Night and at the same time recognize the Founding of the Parent-Teacher Association.

To open the evening William Mansfield led the flag ceremony with a representative from each scout group participating. The regular business meeting followed with Mrs. Robert Phillips presiding.

After the routine of business had been dispensed with Mrs. Phillips introduced the "Scout Leaders and from then on the evening belonged to the Scouts. All branches of scouting was represented and each took a part in the entertainment.

The new Boy Scout Troop 133 of Andersonville was in attendance along with their leader, Stanley Furman and their assistant leader, Glenn Robinson.

The other new scout group that the community is not too well acquainted with as yet is the Explorer Scouts with Herbert Parrott as their leader.

Miss Sharpe's fifth grade won the attendance banner with 28 parents being present.

At the March meeting the election of officers will take place. The nominating committee is composed of Mrs. William Mansfield, Mrs. John Landon and Mrs. Harold Weston.

Everyone is asked to remember the P. T. A.'s Bridge and Style Show to be held on March 20th.

At the close of a very fine evening the third and fourth grade room mothers served delightful refreshments.

## Rotary Club News

Macey Watkins, of Mt. Clemens, the district governor-elect for the coming year was the speaker at Rotary on Monday. He gave an interesting address based on Lincoln and especially his Gettysburg address. The meeting was held at the Community Center on North Main. Rudy Schwarze presided.

The dinner was served by Mrs. W. H. Stamp and her committee consisting of Mrs. William Sharpe, Mrs. Glenn Boner, Mrs. Floyd Lawrence, Miss Ruth Sharpe, Judy O'Dell and Suelien O'Dell.

It is understood that M-15 is the new runway for deer. One has been seen, according to truthful people, all the way from the business center out to U. S. 10.

## As It Is In Heaven

Come let us visualize today  
What life is like in that great  
land  
Where we will journey to, and  
stay  
With tenderness on every hand.

Let's visualize this heavenly state,  
Where life is perfect for us all,  
Where meaning fades from time  
and date  
And weakened souls can never  
fall.

There must be work in such a  
place  
To occupy a busy mind.  
There must be loveliness and  
grace  
To ease the life of human kind.

Forgiveness must be in each heart  
And love must dominate the soul.  
There must be room for song and  
art  
And perfect harmony the goal.

Man's greediness would fuddle  
Where all things have unmeasured  
worth.  
Where things man needs are all  
for free,  
The opposite of life on earth.

To bring to earth such thoughts as  
these  
Would make our daily prayer  
come true,  
Man's strength would come on  
bended knees.  
To build the earth's foundations  
new.

## All-League Concert At Clarkston High

On Wednesday evening, February 25, at 8:00 P. M. in the Clarkston High School Gym, the Wayne-Oakland County League will present the All League Concert Band in a concert designed for a variety of musical tastes.

Clarkston High School's band is well represented in this group out of 9 who competed: Glenna Webster, flute; John Bennett and Janet Sue Willoughby, clarinets; Ann Barrows, alto saxophone; Bill Sutton, trumpet; Earl Graustadt, euphonium; George Gleason, percussion; and Jeanette Norton, marimba.

Included on the program will be Marche Slave-Tschaikovsky; Hungarian Dances-Brahms and Liszt; Americans, We-Filmore; Serenata-Anderson; Two American Folk Songs (Little Liza Jane and Skip to My Lou)-Fred; An American Weekend-Morrissey; and Crimson Polish-Alexander.

Tickets will be available at the door.

## Fish Dinner At Davisburg

The men of the Davisburg Methodist Church are sponsoring the 22nd annual "FISH DINNER" on Friday evening, February 20th. Serving will start at 6:15.

The dinner will be served family style and a free-will offering will be taken. The public is invited.

## Interest Shown in Explorer Scouts

On Jan. 29th, a meeting was held at the Village Hall for Explorer Scouts by Herbert Parrott.

One of the items under discussion is the organization of a cavalry troop. For this group it would be well to get boys interested in this group, who have horses.

Exploring is for all boys fourteen years of age or older (regardless of whether or not they have been a Boy Scout - a registered Scout automatically becomes an explorer on his fourteenth birthday).

The next meeting of the Explorers will be on Thursday, March 12th, at 7:30 P. M. at the Village Hall. Any boy interested in Exploring, and wishing further information may either contact George Lang of Clarkston Motor Sales or Herbert Parrott, at MA 8-8861.

## Farm Bureau Group Meets Wednesday

The Clarkston Farm Bureau Discussion group will meet at the Township Community Center on Wednesday evening, February 25th at 7:00 o'clock. Please bring along your own table service. Mr. and Mrs. William Sharpe and Mr. and Mrs. Floyd Andrews will be the hosts for the evening.

## NEWS AND COMMENT

### CONGRESSMAN GEO. DONDERO

### TAXES ON AUTOMOBILES

Federal gasoline tax collections on gasoline, diesel fuel and lubricating oil totaled \$958,509,749 for calendar year 1952. Total excise tax collections for the same period on automobiles, motorcycles, buses, trucks and trailers, auto parts and accessories, and tires and tubes, were \$1,141,556,164. The combined totals amounted to \$2,100,065,913.

Total collections in these categories for the preceding five years were as follows: 1947, \$1,142,677,458; 1948, \$1,279,282,933; 1949, \$1,392,418,115; 1950, \$1,607,954,417; and 1951, \$1,699,774,267. The figures reflect chiefly a continuous substantial increase in the use of American highways, interstate, urban and rural.

It is variously proposed in Congress that federal gas and oil taxes be eliminated, so that states may boost theirs and obtain additional highway funds; that strictly automotive excises be eliminated, to stimulate the automotive industry and hence the nation's entire economy, and that gas and oil taxes should be earmarked by law for the sole purpose of federal highway aid.

But states probably would not increase their oil and gas taxes, while the federal government would lose this income, traditionally intended for highway aid. Eventual elimination of automotive excises undoubtedly is a

(continued on page 6)

## "Senior Saturday" At O'Dell's Drug

"Senior Saturday" at O'Dell's Drug Store—What does this mean? It means that the Seniors of the Clarkston High School will "take over" the soda fountain in the drug store on Saturday, Feb. 21st.

Why?—These young people are trying to earn enough money to take the entire class on a trip to Washington, D. C.

This is a big event in the lives of these seniors. There are those who will go on to schools of higher learning and there are those who will have a chance to encircle the globe before their lives are too far spent, but there will be some of the seniors who will never get a chance to get out of Michigan.

This is the reason that everyone in the community should help to swell the "trip fund" and give each of these young people a chance to make their senior year a memorable one. Mr. O'Dell is certainly doing his part and all in the community have a chance to help on Saturday by patronizing the seniors at the soda fountain in the drug store.

## Rotary Anns Meet Tuesday Evening

The Clarkston Rotary Anns will meet next Tuesday evening at the home of Mrs. Ronald Walter, Mrs. Leslie Greene will be the assisting hostess. The meeting will start at 8:30.

The program for the evening will feature two book reviews. Mrs. O. L. Siegman will review "A Declaration of Faith" by Henry Agar and Mrs. Eugene Cleland will give a brief outline of Helen Hokinson's book "Ladies—God Bless 'Em".

## Clothing Crusade Is Underway

Armloads of shoes and warm clothing mingled with school books today as pupils brought their contributions for needy children to city schools in a Save-The-Children "Bundle Week."

The clothing will be used by the needy children in Korea, in seven war-depleted countries in Europe and the Middle East, and in disadvantaged rural areas of the United States. It is distributed by Save The Children Federation, a child service organization with national headquarters at 80 Eighth Avenue, New York City.

Thousands of letters are sent to the Federation by children and families who receive the clothing. Letters tell what Bundle Week clothing means to these people.

From the director of an orphanage in Romans, France:

"I cannot say how delighted we were in receiving your parcel. You have been inspired by God in sending us these clothes, for we were in great need of them. Try to imagine the pleasure we had in taking out the clothes—the coats, frocks, pull-overs... It meant hours of anxiety and concern fading away. I wish you could hear the shouts of delight. How grateful the children are to all the generous donors. Because you have been so kind, our poor children, will not be cold during the next winter."

From a fourth grade pupil in a school in Korfimi, Greece:

"I am writing you a few words to express my great love for the gifts you sent us. I'm sure God must have helped me because Easter was coming, and I didn't have any shoes to wear to church. I am an orphan and I have six brothers and sisters. I got a pair of woolen trousers, shoes, a sweater and stockings. I was so pleased with the shoes that I even took them to bed with me. Thank you so much."

Overseas, all clothing is given away. In America it has been found a sounder social practice to make a small token charge, when feasible, for families who "don't want charity" but who are nonetheless unable to purchase adequate clothing for their children.

Retailing at SCF sales depots in rural areas is placed on racks, the prices marked. A child's sweater may be priced at 25 or 35 cents. Other prices are similarly low. After allowance has been made for expenses, the proceeds of the sales are used for the further benefit of children in the areas served. Care is taken to see that none is denied clothing for lack of ability to pay.

Families who are on relief and have no money at all for clothes apply to their county welfare officer, who certifies to the amount of clothes they need. The local SCF committee then gives the family a "clothing check" for that value. The family is thus able to visit the SCF salesroom, select the clothing they need, and "purchase" it with this clothing check without having their inability to pay cash displayed publicly.

The Save The Children Federation helps needy children in disadvantaged rural areas of America, on the Navajo and Papago Indian Reservations, and overseas in Austria, Finland, France, Western Germany, Greece, Italy, Korea and Lebanon.

## Prayer Service At Baptist Church

The W. S. C. S., of the Methodist Church and the Women's Society of the Baptist Church will meet for prayer on Friday, Feb. 20th at 2:00 P. M. in the Baptist Church in observance of the World Day of Prayer.

All women of the community are invited to attend. Mrs. Howard Lord will be in charge of the meeting.

## Break-In Occurs In This Area

Sometime Sunday evening the Clarkston High School was broken into. Entry was made by prying up one of the windows on the west side of the building. The door into Mr. Klingman's office was forced by prying at the lock and screws showed where a screwdriver had been used to try and break the combination to the vault.

Nothing else was touched so it is thought that someone had robbery in mind, hence the attack on the vault.

## Clarkston Local

The friends of Mrs. Sam Carson will be pleased to know that she is getting along fine following surgery at St. Joseph's Hospital in Flint on Tuesday of last week. She expected to return to her home the early part of this week.

## Girl Scout News

The Andersonville Girl Scouts met at the school at 3 o'clock on Tuesday afternoon. We played two games and had a short discussion about selling things for the Fair. We closed our meeting with the "Goodnight Circle".

Patricia Sommers, Scribe

## Brownie News

Brownie Troop 194 met last Wednesday at the home of their leader, Mrs. George Lang. We exchanged Valentines, played games and practiced for the P. T. A. program. Sally Moore served the snack which was milk and chocolate cake and Mrs. Lang had Mrs. Beach furnished ice cream. We had a very nice time.

Joan Mansfield, Scribe

## Many Books Given To Library

During the year 401 books have been added to the Clarkston Community Elementary Library. Forty of these books were presented to the library by individuals in the community through money given at the Annual Library Tea in November.

## Clarkston Girls Beat Ortonville

The Clarkston Girls' Basketball team showed the ability of fine sportsmen by winning over Ortonville Tuesday evening at Ortonville's home floor.

The guards on Clarkston's team, Rose Sarvis, Solvej Peterson, Maxine Wheatley and Charlene Barber managed to hold the Ortonville forwards down to 35 points while the Clarkston forwards tactfully gained one point over the opponent which won the game with a score of 36-35.

The sharpshooting of Lottie Sawyer and the steady hands of Carol Vincent and Mary Dean succeeded in bringing Clarkston out on top.

All the girls are very proud of this win and hope it will encourage the interest in Girls' Basketball and consequently draw more spectators.

This was the first game of the season for the girls and they hope to win all of their games in the future.

A Fellow Player

## F. & S. Banquet At Mt. Bethel

All fathers and sons in the area are invited to a Father and Son Banquet at the Mt. Bethel Church on Wednesday evening, February 25th starting at 7:00 o'clock. The women of the W. S. C. S., will serve the dinner. There will be a short program. A free-will offering will be taken.

## B. P. W. Fun Night Next Tuesday

The Waterford Township Business and Professional Women's Club will hold its "Fun Night" at the Hangar Restaurant at the Airport on Tuesday evening, Feb. 24, at 8:15 o'clock. This will really be an evening of fun and every member is urged to attend. Mrs. Florence Schloss

### Waterford

Mr. Jack Hall, Correspondent  
Phone OR 3-0261

Special services will be held throughout the Lenten Season at Christ Lutheran Church, Airport and Williams Lake Road. The first in the series was held on Ash Wednesday, Feb. 18th, when Holy Communion was celebrated at 10:30 A. M. and 7:30 P. M. The Senior Choir sang the anthem, "O Lamb of God" by Bizet. Rev. Arvid E. Anderson preached the sermon: "The Hill Beyond the Valley".

Each Wednesday evening at 7:30, during Lent, an informal service will be held with special Lenten music. Rev. Anderson will

preach a series of sermons on the "Questions of the Soul in the Light of the Cross". The following is the schedule: Feb. 25 - "If God is Good, why is there Evil?"; March 4 - "Is it wrong to pray?"; March 11 - "Does it help to pray?"; March 18 - "Are disease and misfortune punishment for sin?"; and March 25 - "Does God pardon us without penalty?" The Holy Week services will be announced later. At the 11:00 Sunday Worship services during Lent the sermon themes are: "The Imitation of Christ"; Beginning next Sunday, Feb. 22, the topic will be: "... In His Temptation"; March 1 - "... In His Humility"; March 8, "... In His Devotion to Truth"; March 15 - "... In His Patience"; March 22 - "... When He Met Enemies"; and March 29 - "... When He was Misunderstood". Two choirs will sing at each of the Sunday morning services. The public is cordially invited.

Jack Davidson, En 1/c was home this week on a five day pass from Bristol, R. I., where he is stationed on the Coast Guard Cutter, Spar. His ship was laid up for several days for repairs after battling severe storms on the Atlantic, so he had a few days to come home.

Bob Amos and his two sons, Tim and Ed drove to Rome, Ga., recently to visit a sick brother of Mr. Amos. They had just returned.

### Assume New Ag Roles at MSC

Cheryl Stites was honored at a birthday party last Friday, Feb. 13th. She was five years old on that day and her mother, Mrs. Phil Stites entertained a group of Cheryl's little friends and their mothers during the afternoon. There were 23 guests in all and they had a grand time.

Mrs. Roy Pammenter is home from a two weeks visit in New York State. While away she attended a wedding in Ithaca and a funeral of a cousin of the family in Rochester.

Corporal and Mrs. Jack Selberg (Joyce Amos) are back in Waterford and will make their home, for the present, in Windlate Park. He has been stationed at the Soo and received his discharge this week.

Mrs. Harry Coulthurst remains critically ill at her home following another recent stroke.

Little Bobby Going is in St. Joseph's Mercy Hospital where he has been under observation for the past two weeks.

Mr. and Mrs. Robert Shelley and son, Bobby, from Flint and Mrs. Carl Ender and daughters, Margaret Rose and Becky of Pontiac Lake spent Sunday with their parents, Mr. and Mrs. Lawrence Giddings.

Mr. and Mrs. Fred Weinger, Mr. and Mrs. Warren Gerloch and Rev. and Mrs. E. Smith, all of Lapeer were at the David Mehler home on Sunday evening.

Mr. and Mrs. Jerry Lewis of Windlate Park were called to Manistee last week due to the sudden death of Mrs. Lewis' father, Albert Dahlgren.

Philip Van Piew is on the sick list this week.

Mr. and Mrs. A. L. Adams left for Florida last week where they will visit his folks in Pensacola. They also expect to go to Tampa and other places of interest on the west coast.

Sunday guests at the Kenneth Valentine home were Mr. and Mrs. Albert Measles and son, Howard, from Royal Oak.

Mrs. Henri Buck returned Tuesday from Roscommon where she had been with the Charles Harris family. The Harrises have two daughters and a new baby son, Ronald Charles.

Ten members of the Waterford Moms met at the home of Mrs. Will Hunt last Wednesday. Mrs.

Retirement of E. L. Anthony, left, as dean of agriculture at Michigan State College in July will mean well-earned promotions for two other staff members. Dr. Clifford M. Hardin, right, director of the Michigan Agricultural Experiment Station, will become the new dean of the School of Agriculture. Succeeding Hardin as director of the agricultural experiment station will be Dr. Lloyd M. Turk (center) present head of the soil science department. A native of Indiana, Hardin came to Michigan State College in 1944 and did research, teaching and extension work in agricultural economics prior to being named experiment station director and assistant dean in 1949. Turk came to Michigan State from Missouri in 1932 as a member of the soil science department and has headed the department since 1949. All three men are widely known throughout the state. (MSC Photo)

Robert VanMarter had charge of the meeting in the absence of the president, Mrs. Henry Mehler. Plans were made for a dinner to be served in April and the report on the bake sale held last Tuesday was given. Approximately \$21 was made from the sale which was in charge of Mrs. Lawrence Giddings, Mrs. James Saylor and Mrs. Anna Gesch. The March meeting will be at the home of Mrs. Gesch on Airport Road.

David W. Elliott  
David W. Elliott, 75, of 3269

Sashabaw Road, died at his home on Saturday evening following an 8 months illness. He was the father of Mrs. David Mehler with whom he made his home. He came here from Seattle, Washington, last July after he sold his home there due to his ill health.

Mr. Elliott was a great lover of flowers, especially roses, and he derived much pleasure from his flowers and berries at his Seattle home.

Born in England, January 24, 1878, he was the son of the David Elliotts and he married Barbara Ann Foster in that country.

Besides his daughter he is survived by three grandchildren, David Elliott, Edward James and Linda Marie Mehler.

The funeral service and burial were held at the White Chapel Memorial cemetery on Tuesday afternoon with the Reverend James E. Taubee of the Drayton Plains Baptist Church officiating.

The Men's Beacon Club will meet this Saturday evening at the Waterford Community Church. A pot-luck supper will be served at 6:30 followed by a meeting and program.

The O. D. O. Club is sponsoring a demonstration tonight (Thursday), during the meeting of the Waterford Women's Club in their club room at the C. A. I. building.

Interested ladies in the community are invited to attend. Members of the O. D. O. will have charge of the refreshments for the evening.

Twenty-four ladies of the Book Review Group met at the home of Mrs. Paul Herbst on Monday afternoon. A patriotic program, in keeping with the month of February was given. Mrs. O. L. Siegman gave a short review of Henry Agar's book "A Declaration of Faith". "The President's Lady" by Irving Stone was reviewed by Mrs. Ralph Eaton. Half of the collection for the day was sent to the Holland Relief Fund. The March meeting will be held in the library at the Community Activities building.

### MUSICIAN-EVANGELIST AT WATERFORD CHURCH

Reverend Jack Van Impe, talented Gospel musician and evangelist will conduct a one night program at the Waterford Community Church, Friday, Feb. 20, at 7:30 P. M.

Known by many as Jack Van Impe, he has appeared with his famous accordion many times on Detroit television broadcasts, and on youth for Christ programs. His wife, the former Rexella Shelton, will accompany him on the Friday night program, assisting at the piano, and joining in vocal duets.

In addition to the musical program, Rev. Van Impe will present pictures of Belgium, where his father is now serving as a missionary. The couple plans to visit that country this spring to assist in the work there, and the offering of the Waterford service will be dedicated to helping in this missionary trip.

The public is cordially invited to attend this service, which is sponsored by the S. O. S. Club which meets at the church each Friday night.

### FRUIT AND GARDEN NOTES

by Willard E. Bosserman  
Assistant County Agr'l Agent

#### PEACHES

This is the time of year that good fruit growers place their orders for new tree stock. This is a good locality for growing peaches. We have the needed hilly land which affords good air drainage and also water drainage, both of which are essential in a good peach site. Peaches do not thrive on real dry, sandy soil, neither do they grow good on heavy clay soil. Soil which is in between—light sand and clay—should be selected. Peaches should be planted toward the top of the slope—avoid swales and other low spots.

#### VARIETIES

Four Michigan varieties which were developed by Stanley Johnston at the South Haven Experimental Station and which are highly recommended are: Red Haven (which ripens around August 15); Fair Haven (around August 20 to 22); Hale Haven (around August 30)—then a two-weeks vacation—and the Kal Haven (which ripens about 3 or 4 days earlier than the Elberta). These are dessert peaches which are sold

### BLUEBERRIES

There is limited area in Oakland County where blueberries can be grown because of blueberries' exacting soil requirements. Those requirements are—a very acid soil testing between 4.3 and 4.8 and the water table must be quite high, within 20 to 30 inches of the surface and yet they do not like water much higher than this. Blueberries are fairly new as a cultivated crop and, therefore, there is quite a bit of interest in blueberry production. Below are comments on blueberry varieties from the South Haven Experiment Station by Stanley Johnston:

The best standard varieties are— Jersey—this variety has no marked weakness and its vigorous, productive, bush and large berries of good quality all combine to make it an unusually fine variety. Rubel—this variety and Jersey mature at about the same season and Jersey's growing popularity has resulted in fewer Rubel being planted. However, the variety is still useful, especially on soils well supplied with organic matter. Jersey will do better than Rubel on lighter soils. Among Rubel's good points are ease of harvesting; firmness and good shipping ability, and it is one of the best varieties for processing.

Promising new varieties are—Berkley—the bush is vigorous and grows much like Jersey. Berkley matures a week before Jersey and are large and of attractive light blue color. Flavor is mild. The fruit processes very well. Unless the variety shows weaknesses in future plantings so far unobserved, it should be of considerable value to Michigan Growers. Earliblue—just released by the U. S. Dept. of Agriculture. Berries are large, medium blue, firm and of good quality. Plants will be very scarce for some time.

### CHRISTINE JORGENSEN DESCRIBES EMOTIONAL PROBLEMS

Read the revealing human document all America is talking about! In The American Weekly, with this Sunday's issue of Detroit Sunday Times, Christine Jorgensen, the woman who was once a man, tells in "The Story of My Life", about emotional problems that plagued her adolescent years. Get Sunday's Detroit Times.

## School News

**Grade II — Mrs. Burley**  
We have read many stories this week about Lincoln and Washington. Some of the stories were very funny. Others were sad. In art class we made pictures of these two great men. We had a Valentine Party last

**4th Grade News**  
Delores DeNise, Michael Bates, Ronnie Webster and Gary Young have been neither absent nor tardy the first semester. Our room sponsored the popcorn sale this week.

**5th Grade — Miss Sharpe**  
Last Friday afternoon we had our Valentine Party. We want to thank our room mothers for the refreshments. We are very happy to be able to display the P. T. A. Attendance Banner this month. We are glad that so many of our parents were able to attend the P. T. A. meeting last week. We hope to see you all there again next month. We are making a large map of the United States in history. We are showing all the important happenings in the development of our country since the year 1492.

**SIXTH GRADE**  
Friday, February 10, the Sixth Grade had a Puppet Show and Tea for the mothers. Three plays were given, one of which was written by Susan Johnson. We had a play about the American flag. We were to thank the girls for making cookies and Miss Swindel for helping make the puppets, and directing the play. Thursday we gave it to the other grades. Everyone enjoyed it. Every Friday, Mrs. Dell-Quadrone gives us square dancing lessons. We all enjoy them. Friday we had a nice Valentine Party and we want to thank our room mothers for it.  
Susan Johnson

RED WING POTTERY

### LANTERNS

Lanterns is a delightful interpretation of a perennial favorite. This beautiful hand painted design with a soft yellow background is on the popular square shape. You will be pleased with the bold, rich, glowing colors and contemporary design. Lanterns appeals equally to lovers of modern and those with a somewhat more conservative taste.

Iris, Zinnia, Lotus, Lexington, Magnolia, Morning Glory, Lanterns, Chrysanthemums, Blossom Time, Fruit.

**Grade 6 — Mrs. Wepler**  
We have used a patriotic theme in decorating our bulletin board. In the center is a large flag which we all helped to make. We each made silhouettes of Lincoln and Washington and also brought many other pictures for our display. Two girls decorated a box for our valentines. We are looking forward to our Valentine party on Friday.

**Seventh Grade**  
The seventh graders have survived Valentines Day after an exchange of sweet Valentines and glances. On Wednesday we have had our talent show to choose the best acts for the all-school show. First place winner was Lillian Spencer, who sang, "Why Don't You Believe Me?" The tumblers, Larry Raffler, Earl Cohoon, Roger Dubats and James Carmean won second place. The seventh graders may now boast of their cheerleaders, Mary Lynn Muma, Gail Weston, Judy Dickerson, Barbara Rockwell and Judy Weaver and they ably led cheers at the junior high game. They also are going to cheer the faculty players to victory on Thursday night. Carol Ann Jantz, who has been ill several weeks has returned to school. James Overmeyer and

### The Grist Mill

By Ed Alchin, County Agricultural Agent

Oakland County dairy farms number among the 79 in the State who made outstanding production records with their dairy cattle. In fact Lakeland Farms of Clarkston, topped the State with a five-year butterfat average with Registered Holsteins of 548 lbs. of fat. This is indeed exceptional when you think that this record was made on an average of 46 cows milked. Coming in 11th out of 73, the Walter Oliver Farm of Pontiac was still in the 500 lb. class having a five-year average of 504.9 lbs. butterfat on their herd of 16 registered and grade Holsteins. Hy-Up Farms of Birmingham, the only other farm from Oakland County to come in this select group, averaged 484.3 lbs. butterfat with their herd of registered Holsteins averaging to milk 43 cows per day. These three Oakland County farms are now members of the highly exclusive "400 lb. butterfat club". Michigan State College Dairy Department, using D.H.I.A. records, tabulate the production records for dairy herds in the State to determine the membership of the 400 lb. butterfat club. In order for members to rate among the "400" they must have had a herd average of 400 lbs. of butterfat or more each year for the past five years.

**COMING EVENTS**  
Two events coming up in March should be of great interest to all farmers in the county. At present plans are being made to hold a Soils-Crops Institute and a Livestock Feeders Institute during that month. This would be the first attempt, other than local group meetings, at putting on these kind of events in Oakland County and we hope that you will keep your eye out for an announcement of actual dates and times. Tentatively, the dates of March 11 has been picked for the Soils-Crops Institute, and March 25 for the Livestock Institute.

**MACHINERY DEALERS**  
Congratulations to machinery dealers in this district for their interest in soil conservation work. At the recent meeting held at Waterford Community Activities Building, all machinery dealers in Oakland County and surrounding area participated in a discussion and heard discussions on soil conservation and its importance to American agriculture. Such interest in farm affairs on the part of people serving farmers is of great benefit to the future of agriculture. This makes a two-way proposition, where those serving agriculture understand their problems and their needs, and the farmers can more readily help themselves to adjust to changing conditions.

**USE NITROGEN ON WHEAT**  
Last fall's dry weather gave wheat on many farms a big set back for cover, germination and good growth. Some fields of wheat may have to be re-seeded and put into another crop next spring because of the very poor stands. Others with fair stands but poor growth will find nitrogen fertilizer applications as a top-dressing in late March or early April even more beneficial than usual. If you have not been using nitrogen and have a good stand of wheat with poor growth, but looks like it has some possibilities, next spring, by all means, plan on top-dressing with nitrogen at the rate of about 20 lbs. of actual nitrogen to the acre. This would be 100 lbs. of 20 percent, or 70 lbs. of 33 percent nitrogen. The big problem will be to get adequate supplies of nitrogen. Order now for future delivery or even have it delivered soon and you will be far more sure of getting what you want. Only in cases where you top-dressed with manure or plowed down a good stand of legume or wheat will you find nitrogen of little or no benefit. If you have top-dressed with manure or plowed down a legume and the growth is poor, wheat will respond and get a head start where nitrogen is applied.

**ONE-QUARTER DAY'S ENERGY IN BREAKFAST**  
A good breakfast menu could be compared with a piece of rubber—stretch it any way, but it should go back to a basic pattern, according to Michigan State College foods and nutrition specialists. The basic breakfast pattern must include fruit, cereal, milk and

bread with an egg substituted once or twice a week for the cereal. One-quarter of your food energy each day should come from an adequate breakfast. The specific nutrients you get from breakfast are iron and Vitamin A from the egg and butter or margarine you use on muffins or toast made from enriched bread, Vitamin C is available in citrus or tomato juice and calcium and Vitamin B you get from cereals and enriched bread. Protein is available in the eggs, and milk, the M. S. C. nutritionists advise. A suggested breakfast menu that will provide your family with the necessary food elements should include: four to six ounces

of fresh or frozen orange juice or a half of a grapefruit, a bowl of hot oatmeal with whole milk or light cream, toast with butter or margarine, a glass of milk and a cup of coffee as you wish. The basic pattern can be varied in many ways. Use cold whole grain cereal rather than hot, eat raisins sometimes; get protein from a small serving of meat; use tomato juice rather than citrus juice if you wish.

# 1953 Chevrolet Advance-Design Trucks are more truck for the money!

4 powerful reasons why you get more of what you want

- more engine power
- more staying power
- more braking power
- more economy

Advanced Loadmaster engine—standard on 5000, 6000 Series and forward-control models, optional on 4000 Series heavy-duty trucks. Heavier, stronger, more durable frames increase rigidity, add to ruggedness and stamina of 1953 Chevrolet trucks. Trucks up to 4000 Series heavy-duty models have "Torque-Action" brakes. Series 4000 and above use "Torque-Action" brakes in front, "Twint-Action" in rear. New stamina plus extra gasoline economy in heavy-duty models with Loadmaster engine, reduces hauling costs per ton-mile.

(Continuation of standard equipment and trim illustrated if dependent on availability of material.)

MORE CHEVROLET TRUCKS IN USE THAN ANY OTHER MAKE!

McGill,

Officials of the newly formed Michigan 4-H Club Foundation look happily at the first contribution to the fund to expand the 4-H Club program in Michigan which was presented by four Michigan racing associations. It was a check for \$25,000, the first of ten annual installments of a like amount to total \$250,000. Officials of the foundation are, left to right: F. H. Coward, Lapeer banker and treasurer; George A. Haggerty, Detroit attorney; Clarkston State College and secretary. The foundation hopes to raise more than two million dollars to expand the 4-H Club program in many ways. Initial goals include funds to build a 4-H Club Center in northern Michigan to provide camping facilities; promotion of 4-H Club programs for urban boys and girls and an exchange of living experiences between rural and urban youth in Michigan.

Pontiac, in said County, on the 19th day of January A. D. 1953. Present, Hon. ARTHUR E. MOORE, Judge of Probate.

ORDER APPOINTING TIME FOR HEARING CLAIMS Notice is hereby given and it is hereby ordered that the time and place for hearing on claims against the above estate shall be the 13th day of April 1953, at nine o'clock in the forenoon at the Probate Court in the Court House in the City of Pontiac, Michigan.

The Bible has much to say about Mind. The understanding of God as the real source of all intelligence is explained in the Lesson-Sermon to be read Sunday, February 22, in all Christian Science churches under the subject of "Mind".  
The Golden Text is from Psalms (147:5): "Great is our Lord, and of great power; his understanding is infinite."  
Among the Bible citations is this passage, (Rom. 8:5,6): "For they that are after the flesh; but they that are after the Spirit the things of the Spirit. For to be carnally minded is death; but to be spiritually minded is life and peace."  
Correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include: "The expression mortal mind is really a solecism, for Mind is immortal, and Truth pierces the error of mortality as a sunbeam penetrates the cloud." (P. 210)

for their flag. On Saturday Bobbie Furman, Freddie Robinson, Mr. Glenn Robinson and Mr. Stanley Furman spent the day loading scrap iron that had been donated to the scouts by T. J. Foley. The proceeds from the sale of the iron amounted to \$89. This enabled the scouts to register the troop, purchase the American and troop flags, the poles, carriers and tassels. They also bought a small first-aid kit and then put the rest of the money into their treasury.

**RIDGEWAY - HINE**  
Mr. and Mrs. Charles Hine of Davisburg announce the marriage of their daughter, Carol, to Wayne (Tim) Ridgeway, son of Mr. and Mrs. Vern Ridgeway of Clarkston, on February 9th.  
The nuptial vows were spoken to the Reverend Eldon Mudge, in his home on Sashabaw Road.  
Attendants for the couple were Carol Mudge and Raymond Cooper.

For the present the newlyweds will reside with her parents on the Dixie Highway.

**YOUNG FOLKS ACTIVE AT ST. ANDREWS CHURCH**

With nearly 50 young folks and parents present the winter Epiphany Season of Young People's activities was brought to a successful close at St. Andrew's Episcopal Chapel meeting in the C. A. I. Bldg., 5640 Williams Lake Road, last Sunday night.  
The occasion was the return visit by the Young People's Group from Christ Church, Henrietta (near Jackson under the leadership of Mr. and Mrs. Alfred Salsbury, Lay-Minister in charge. Two weeks previously young folk from St. Andrews Church, Drayton Plains, had travelled out to Henrietta to see this century old church (one of the oldest west of the Allegheny Mountains) where they enjoyed a fine program of games, refreshments and a religious picture depicting the conversion of St. Paul.  
On Sunday February 8th, 18 of them travelling in a school bus returned the visit and were entertained by the following program: A tour through All Saints Church in Pontiac, seeing the wonderful new stained glass windows etc., at 4:45. They stopped to see the "Operation Theater Conversion" where St. Andrews men are converting the former Drayton theater to use as a church and parish activities building.  
At 5:15 both groups assembled at the C. A. I. Building for folk dancing and recreation. Refreshments were served by a committee of our mothers. An exciting sound film giving the life history of an African boy rescued from Witch Doctor practices, converted and trained as a medical minister to his own people, was shown. This was followed by a presentation of aims for National Youth Sunday (April 26th) in the Episcopal Church. Misses Joan Hilton and Carol Martin described and read extracts from the report on the National Youth Project which this year is to help build a Boys Dormitory for a Boys School at Alesjandra, Mexico.  
The meeting closed with a brief service led by Rev. W. R. Hunt.  
Young folks at St. Andrews are contemplating an active program of studies and projects during the Lenten Season. Meetings are held on alternate Sunday nights at 8 P. M. at the C. A. I. Building. Mr. and Mrs. Bruce Martin, Youth Counsellors, would be glad to talk with parents who might wish to enroll youth from 11 to 20 years of age in this activity.

By Anne Goods

If you like rice, you'll love this! Heat 3/4 cup margarine in a skillet till bubbly; add 1 1/2 cup rice, stir constantly till it turns yellow. Add a chopped onion and cook till rice is golden brown. Add 1 1/2 cup boiling bouillon and continue cooking over medium heat. When liquid has evaporated, add more in small amounts. Cook 20 minutes or until done. This recipe serves 6.

Always thought that water should be dabbed on any clothing spot and quickly! But I learned my lesson the other day when I spilled sauce on a print. My cleaner told me it was the wrong thing to do and cautioned me to leave the spot and let him take care of it. Frequently "home methods" set the stain and then there's nothing a cleaner can do at all.

Isn't it depressing how shoes begin to look this time of year? But you know if you give suedes a good polishing, then steaming they look amazingly wonderful. And, of course, a good wax-paste or liquid polish is a "must" for salt skin or other leather shoes. Seems to me there's nothing better looking than a well polished shoe.

Some of the prettiest Spring hats have a picture book look. Some are large and some are small — it's the lace, chiffon or satin folds that give the felt and straws such lady-like air.

**Mrs. Stanley Furman**  
Correspondent

Mrs. Harold Jarvis is confined to her bed with illness.

Stanley Furman has made a knof board for the new Andersonville Boy Scout Troop. He also made two boards, one for the scout oath and one for the laws.

Maxine Ridgeway spent a few days last week in Goodrich Hospital under observation.

Mrs. Ralph Watson entertained the 50 - 50 Club with Mrs. Warner Beckman winning first prize, a shadow-box; Mrs. Fred Gritzinger won a figurine for second prize and Mrs. Ralph Watson received a pair of figurines for the booby prize. The door prize, a figurine, went to Mrs. Stanley Furman.

The next party will be at the home of Mrs. Warner Beckman. Gerald VanKuren leaves for army training on February 26th.

Reverend George Halk conducts a Good News Club for the younger children in the neighborhood each Wednesday at the home of Mr. and Mrs. Israel Selby. Last week they studied the book of Exodus and this week they will start the book of Proverbs.

Helen Robinson has been called back to work at Boucard's Greenhouse.

Jackie Vess, Frankie Richmond, Robert VanKuren, Johnny Beckman, Sammy Miller, and Freddie Gritzinger of cub den 4 participated in the P. T. A., program at the Clarkston High School last Thursday evening.

Robert VanKuren was honored at a Cub Scout birthday party on Monday evening. He was presented with a flashlight from the den. The cubs worked on the place-cards for their banquet on Wednesday evening.

Mr. and Mrs. Harold Jarvis have moved into the former Emery Carte house.  
Carol Ann Jantz is allowed to return to school now after having an attack of yellow-jaundice.  
Dan Jones has returned home from Deaborn Hospital and will return for a check-up in a month.  
Former residents, Mr. and Mrs. George Anderson of Pontiac are the proud parents of a 4 lb 9 oz daughter, Marian Sue, born at St. Joseph's Mercy Hospital in Pontiac on Tuesday, February 10th.  
Mr. and Mrs. Warner Beckman spent Sunday at the home of Mr. and Mrs. Arnold Ireland in Ortonville.  
Mr. and Mrs. Charles Carte were dinner guests last Thursday evening at the home of Mr. and Mrs. William Tarbuno in Lake Orion.  
Six-year old Louis Hinson is confined to his bed with illness. Friday the 13th proved to be a bad-luck day for Bill Carte. One of the back fenders on his new car was damaged while it was in a parking lot.  
Boy Scout Troop 133 has registered 14 boys and they will all receive "Boy's Life" for a year and the troop will receive an award

**ALTER LENGTH OF CURTAINS, CHANGE DECOR**

In dead of winter a homemaker's thoughts often turn to spring cleaning and refurbishing. If that is the case and you have new curtains in mind, Mary Shipley of the textiles, clothing and related art staff at Michigan State College has some suggestions.

Curtains can help give the right feeling to a particular room, she points out. If your living room, for example, is a formal one, then you need to treat your windows in a very different way from the woman who has casual, informal decor.

Miss Shipley emphasizes that curtain or drapery length is one of the most important factors. There are three possible choices to help carry out the feeling of your room.

The first choice is to have the curtains end just at the window sill or perhaps a quarter of an inch past. This length has some disadvantages, Miss Shipley advises, for the city home where dirt collects on sills. But this short length will give the right ex-

**MEMO To Mrs. Housewife**

NATIONAL PRESS BUILDING WASHINGTON, D. C.

By Anne Goode

Well, January white sales are over and many of us have piled our linen closets high with pretty new sheets, pillow cases and towels. Now, just a word of advice about caring for linens: Remember to reverse sheets and put the wide hem on the bottom frequently, also to rotate sheets.

Don't use pillow cases as laundry bags—strain them too much. And, don't let damp articles remain with dry sheets and towels in the hamper as this causes mildew. Do mend snags and tears before laundering.

Guests love a choice of spreads for their hamburgers. Here are three. One: Mix 1/2 cup vitaminized margarine with 4 teaspoons mustard-with-horseradish. Two: Mix 1/2 cup margarine with 4 teaspoons anchovy paste. Three: Mix 1/2 cup margarine with 1 teaspoon onion.

Looks as though the men are going to outdo the girls with their own fabric line. Just read a story the other day about suit cloths having a "dimensional look" with a "nub-by touch."

Nice to serve with tomato juice or soup are crackers topped with a real mayonnaise, then broiled until puffy and golden brown. Add chopped onion, parsley or chives for flavor variations. Decorate with pimiento "hatchets" for Washington's birthday.

**SEVENTEEN-YEAR LOCUST MENACE TO FRUIT PLANTING**

Fruit growers with memories running back seventeen years should consider whether or not the periodical Cicada was a problem in their neighborhood before making extensive plantings of fruit tree stock in 1953. The periodical Cicada, sometimes known as the Seventeen-Year Locust, is due to emerge in great numbers this year and may severely damage newly planted fruit trees. In locations where the insect was not a problem seventeen years ago, it is unlikely that it will be troublesome in the same locality this year. This pest was a serious menace to many ornamental and fruit tree plantings in 1936 in many localities in Southeastern Michigan. In such localities it is advisable to delay fruit tree plantings until 1954.

**Cherry Pie Rates High With Men**

All men like pie and a favorite with most of them is cherry pie. Of course, they like plenty of fruit in their pies and they want the juice thickened just right. The old problem of thickening the juice is no problem at all to the woman who has learned the quick trick of thickening with quick-cooking tapioca. She knows, too, that her pies are prettier, taste better and are easier to make, when she simply mixes the tapioca with the sugar and fruit and pours it into the pie shell. It's as easy as that.

Below is a recipe for delicious cherry pie made this quick and easy way. And if you would like a free leaflet in color giving recipes for other popular fruit pies made with both fresh and canned fruits, just write Frances Barton, 250 Park Avenue, 14-2, New York, N. Y.

**Crisscross Cherry Pie**

2 1/2 to 3 tablespoons quick-cooking tapioca	1/2 cup cherry juice
1 cup sugar	Pastry for two-crust 9-inch pie
1/2 teaspoon salt	1 tablespoon butter
4 cups (2 No. 2 cans) drained pitted red sour cherries, water-packed	

Combine tapioca, sugar, salt, cherries and juice. Line a 9-inch pie pan with half of the pastry, rolled 1/4 inch thick. Roll remaining pastry 1/4 inch thick and cut into 1/2 inch strips. Fill pie shell with cherry mixture and dot with butter. Adjust pastry strips in lattice across top of pie. Flute rim with fingers. Bake in hot oven (425°F.) 45 minutes, or until syrup boils with heavy bubbles that do not burst. \*Cherries packed in syrup may be used. Decrease sugar to 1/2 cup.
