W. S. C. S. Meets In Community Center

Because of some construction work going on at the Methodist Church last week, the Women's Society of Christian Service met on Wednesday in the dining room of the Community Center Building.

The Mary Circle, with Mrs. Lee Volberding, Mrs. Gray Robertson, Mrs. Jack Jyleen and Mrs. Glen Bomer in charge, served a delicious luncheon at tables which were refreshingly lovely with their white cloths and bowls of spring flowers.

An improvised altar in one corner was beautifully arranged as usual by the devotional chairman, Mrs. Howard Huttenlocher. On it, in silent tribute to our Heavenly Father, a gold cross flanked by lighted candles, stood before a background of green foliage. For the devotional period, Mrs. Huttenlocher read from Frank Lauback's "A Call to Spiritual Advance", concerning what the power of group prayer might do for the United Nations in its attempt to bring peace to the world.

Enlarging on this later in the program, Mrs. R. M. Atkins suggested that the society might do a great deal to forward the cause of world peace — in this manner; and nine A. M. each day was set as the time for all members to pray for our leader, both national and international.

Mrs. Atkins, who had attended World Day of Prayer services at Central Methodist Church in Detroit, and had heard a discussion on the crucial point at which India finds herself today, brought an awareness to the group of how much the saving of democracy there, means to the world. She then read a letter requesting listeners to contribute fifty cents each, in an effort to raise \$100,000 which would go to buy printing presses and material — a necessity if literacy for India is to become a reality, and democracy is to survive in that part of Asia. Not only did members contribute, but the society as a whole, feeling that here at last was a chance to do something concrete about world peace, voted overwhelmingly in favor of sending fifty dollars for this cause.

In response to Mrs. Masters call for reports on childrens work, Mrs. Atkins revealed that there are fifty babies in the church cradle roll. In the absence of Mrs. William Mansfield, secretary of childrens work, Mrs. Huttenlocher read her report, showing clearly the remarkable progress that has been made in the Methodist Sunday School. The present staff includes five officers and twenty teachers; while attendance has increased from an average of seventy-five two years ago, to the present record of 199, attained March 1st.

Following the reading of this report, Mrs. Huttenlocher expressed an opinion shared by all who work in the primary department and watch her conduct their Sunday morning worship services, that her spiritual inspiration, as reflected in these childrens will be a permanent influence for good — to be felt throughout their lives.

On the program for the afternoon, was Mrs. Jack Wignall, who delighted the society, with her vocal rendition of Gruno's "There Is A Green Hill Far Away", to which she played her own piano accompaniment.

Mrs. L. I. Coon then introduced Mrs. Isa Williams, the Flint District Secretary of Christian Social

Following the dinner Mrs. Mae Foote, program coordination chairman, called on Miss Laura Day, legislation chairman, and program chairman for the month, who introduced David C. Pence, president of the State Bar of Michigan.

Mr. Pence, who is well versed on civic and state legislation having served in many capacities, gave an enlightening talk on how a bill is introduced and handled by the legislature. He spoke about what procedure would be in order to amend the state constitution and then very graciously answered any questions.

After the program Mrs. Royal Pazik conducted the business meeting. It was announced that the "Fun Night" for the Club would be at The Hangar Restaurant at the airport on Tuesday evening, March 24th. Miss Day and her committee are planning an extra fine program for the evening.

A card party and fashion show is being sponsored by the City Federation on Wednesday, April 16th, at the Elks Temple in Pontiac. The proceeds will be used for the Kenny Foundation and to purchase chair stools for the crippled children. Tickets are available from Mrs. Everett Reese.

The St. Patrick motif was used to decorate the dinner tables. The places were marked with small green mitt cups with shamrock and pipe handles and on the head table was an attractive, litte, red-headed Irish Miss surrounded by small corsages of white blooms tied with green ribbon.

TREAT YOURSELF

On Saturday evening, March 14, plan to enjoy a good dinner at the Sashabaw Presbyterian Church. As usual this will be one of those excellent, smorgasbord-style dinners served by the ladies of the church, starting at 6:30. There is no set charge but a free-will offering will be taken.

Mrs. Masters was happy to welcome into the Society three new members, Mrs. Roy Conrad, Mrs. Fred Dates and Mrs. Ray Van Horn.

An announcement is made of a "White Elephant" sale to be held at the next general Society meeting which will be held at the church on May sixth.

Methodist Bishop To Speak Here

The guest speaker at the meeting of the Methodist Men's Club on Thursday evening, March 19th, at the church, will be Bishop Marshall R. Reed of the Methodist Churches of Michigan.

Bishop Reed spent several months in the Far East and India last year. His message regarding the Communist situation in India is a most brilliant interpretation.

The dinner will be served at 6:30. As this will be ladies' night a large gathering is expected so be sure to make your reservations with Richard A. Carlson, MAple 5-7635.

Former Prosecutor Speaks To B. P. W.

On Tuesday evening the Waterford Township Business and Professional Women's Club held its regular monthly dinner meeting at the Old Mill Tavern. Mrs. R. B. Munro gave the invocation.

Following the dinner Mrs. Mae Foote, program coordination chairman, called on Miss Laura Day, legislation chairman, and program chairman for the month, who introduced David C. Pence, president of the State Bar of Michigan.

Mr. Pence, who is well versed on civic and state legislation having served in many capacities, gave an enlightening talk on how a bill is introduced and handled by the legislature. He spoke about what procedure would be in order to amend the state constitution and then very graciously answered all questions.

After the program Mrs. Royal Paik conducted the business meeting. It was announced that the "Fun Night" for the Club would be at The Hangar Restaurant at the airport on Tuesday evening, March 24th. Miss Day and her committee are planning an extra fine program for the evening.

A card party and fashion show is being sponsored by the City Federation on Wednesday, April 15th, at the Elks Temple in Pontiac. The proceeds will be used for the Kenny Foundation and to purchase chair hoists for the crippled children. Tickets are available from Mrs. Everett Reese.

The St. Patrick motif was used to decorate the dinner tables. The places were marked with small green mint cups with shamrock and pipe handles and on the head table was an attractive, litte, red-headed Irish Miss surrounded by small corsages of white blooms tied with green ribbon.

TREAT YOURSELF

On Saturday evening, March 14, plan to enjoy a good dinner at the Sashabaw Presbyterian Church. As usual this will be one of those excellent, smorgasbord-style dinners served by the ladies of the church, starting at 5:30. There is no set charge but a free-will offering will be taken.

Mr. and Mrs. Garnet Poulton have returned to their home on Holcomb St., after enjoying a few weeks of the Florida sunshine.

Clarkston P. T. A. Plans Party

The Clarkston P. T. A., is busy planning a benefit card party and fashion show to take place on Friday evening, March 20th, at 7:30, in the school gymnasium.

The Bloomfield Fashion Show will display the spring styles in dresses, suits, coats and accessories for women. Organ music will be furnished by Mel Staebler. There will be table and door prizes. Refreshments will be served.

You are asked to furnish your own card table and cards. Get your tickets at Phillips Gun and Rod Shop or phone MA 5-7441 or MA 5-7241.

Sashabaw P. T. A. Elects Officers

The Sashabaw P. T. A. held its regular meeting on Monday evening, March 9, with 90 present. Accordion students from a Pontiac music house entertained with several fine numbers.

Election of officers took place with Mrs. E. Dennis being re-elected president. Other officers elected are: Mrs. Montreuil, re-elected secretary; Mr. Montreuil, father vice-president; Mrs. H. Houlding, teacher vice-president; Mrs. T. Frechette, treasurer.

Mr. Hodges, scout master of Troop 105, requested more fathers to volunteer for offices in the scout troop.

Mrs. Crawford's room won the parent attendance award and the first grade room mothers served refreshments.

Newlyweds Honored Last Saturday

Last Saturday evening Mr. and Mrs. O. C. Adams of Maybree Road entertained at an "open house" honoring their son, John, and his bride. There were 51 guests present.

A very fine evening of visiting was enjoyed and refreshments were served from a white linen covered table centered with a three tiered wedding cake flanked by white candles in crystal holders.

The newlyweds received many beautiful gifts.

Guests were from Flint, Fenton, Holly, Oxford, Ortonville, Pontiac and Clarkston.

ELAINE GROVEN IS TEN YEARS OLD

Last Saturday Elaine Groven entertained ten of her young friends at a birthday party at her home. The occasion was in celebration of Elaine's tenth birthday which had occurred on the previous Wednesday.

The group had a good time playing games and presenting the honoree with many lovely gifts. Refreshments were served at a table graced with a three layer birthday cake. At each place was a unique favor, a small shell dish filled with nuts. Over the table were pastel colored streamers.

Guests included Tom and Jim Kreger, Elaine and Valerie Parrish, Ronnie Walter, George Robinson, Paula Parker, Diane Hursfall and Judy Bishop.

Scouts Hold Court Of Honor

On Tuesday evening the Dixie Area Boy Scouts held a Court of Honor at the Township Community Center.

The highlight of the evening was the awarding of the Eagle Scout badges to Larry Ruggles and Richard Snover. This is the highest rank in scouting. Larry Ruggles is the son of Mr. and Mrs. Raymond Ruggles. He will be 16 years old on April 12th. He became a scout on January

1953.

March Is Red Cross Month

\$178,369.00 is needed by your Oakland County Chapter of the American Red Cross to complete its 1953 quota.

Last fall the local committee for the United Fund, headed by Mrs. Kathleen Waters, included in their drive, what was then, a sufficient amount to provide for the quota of Independence Township and the Village of Clarkston. However, this year, more than ever before, the Red Cross needs your assistance. The Office of Defense Mobilization has asked the Red Cross to collect and process into GAMMA GLOBULIN, 2,000,000 pints of blood for the treatment of polio, in addition to the 5,000,000 pints for home and overseas use. While it will not prevent polio, it has demonstrated its effectiveness in reducing its paralytic effects. Processing the GAMMA GLOBULIN will cost the Red Cross \$7,000,000. This means we need to raise approximately \$400,000 more to meet our cost of this increased quota.

A committee has been formed, headed by William Burns, with Fred Groven, Byron Nolan, Bud Hawk, Bob Jones, Lloyd Megee, Garnet Poulton, Roy Alger, E. D. Rummings, Charles Rockwell and W. H. Stamp, to raise this additional sum.

Perhaps this year you might look at your contribution this way! By donating to the Red Cross you are a big part of Americans doing for their fellowmen. You were there when the need arose. You were at the flood-disasters, tornadoes and explosions because you helped buy food and clothing — the letter the Gray Lady wrote for the soldier in the hospital you helped write because of your contribution. In Korea, you gave blood — you furnished funds. In Water Safety programs, in filling gift boxes for soldiers, and in the Nursing Services, you were there — because you gave.

Those of you who have already contributed through the campaign last fall might like to make an additional donation and certainly residents who were not contacted last fall will surely want the privilege of being a part of this great movement.

Donations of cash, or your check, may be handed to any member of the committee or left with Bob Jones at the Clarkston State Bank.

There will be no door to door campaign. The committee hopes for a spontaneous giving on the part of those who have not yet contributed, plus those who would wish to further help this very worthy cause.

Other awards went to second class — Aaron Daniel, Glenn Hutchinson and James Snover of Troop 49 and to Harry Dwire and Wesley Silingerland of Troop 134; first class — John Studd of Troop 120 and to Thomas Davies, Duane Dwire and David Lynch of Troop 134; merit badges — Larry Powell and Ray Van Horn of Troop 49, Richard Young and Ronald Mastick of Troop 120 and Thomas Davies of Troop 134; apprentice explorer — Oliver Avery and Gerald Rowe of Troop 134.

Ken Jones performed the special ceremony for the awarding of the Eagle Rank. Larry Powell favored the assembly with music on his accordion and pictures of the Jamboree at Valley Forge in 1950 proved very interesting.

LARRY RUGGLES

THE MAGIC OF TODAY'S SCIENCE AND ENGINEERING has thrilled millions who have attended General Electric's stage show, "House of Magic." After each act the demonstrator unravels the magic and shows how these unusual scientific developments may be applied to everyday living.

Next Wednesday night is "Science Night" at Clarkston High school students and faculty have been busily working to make this one of the year's outstanding school events.

Parents and the general public are invited and those who attend are promised an unusual and interesting evening's entertainment — all centered around modern science. Admission is free. A large turnout is expected, however, tickets have been printed to make certain that all attending will be assured of a seat.

Tickets may be obtained from O'Dell's Drug Store or by calling the school. Those planning to attend are advised to get their tickets early.

Beginning at 8 P. M. the "Science Night" show will consist of Demonstrations, models and exhibits on science subjects. These have been planned and built by the school's science students, and students will be present to explain their working and the principles they illustrate.

There will be a 1-act play with an all-student cast. In keeping with the evening's theme, the play is a fun-poking farce with Science as the subject.

Pre-show music will be provided by the School Band. Climax of the evening will be the "House of Magic." During this part of the evening's program

Families and friends of Christ Lutheran Church are invited to meet at the church next Sunday evening for a smorgasbord supper (no charge) and a program to follow. The program will include a film, "Lead On, O Eternal King". A free-will offering will be taken for the benefit of the American Missions.

Mrs. Frank Schultz returned home last week from 4 weeks spent in Florida. Enroute she stopped in Peaksville, Tenn., at the home of Rev. and Mrs. Chas. Shock.

Mrs. Corum Atkins is a patient

in St. Joseph's Mercy Hospital where she recently underwent surgery.

Mr. and Mrs. A. L. Adams who recently returned from Florida report a visit at the home of Mr. and Mrs. Harry Harrup in Palmetto. The Harrups left Waterford last May to make their home in the south. They are well and happy and busy and really sold on Florida.

Mr. and Mrs. Richard Esser, Jr., and baby, Catherine Marie, were here from East Lansing to spend the week-end with her parents, Mr. and Mrs. Al Kray.

Mrs. Wright Van Plew and son David left Sunday evening for Chicago to be with her parents, the Charles Robinsons, for two

weeks. Little Bobby Going, small son of Mr. and Mrs. Robert Going, is home after spending four weeks in St. Joseph's Hospital. Since his return home he has been ill with bronchitis and now is recovering from that. His little sister, Peggy, also has been ill, but is better now.

Ed Lamberton had the misfortune to receive an eye injury last week when a stone thrown up by a passing car hit him in the eye. He is in St. Joseph's Mercy Hospital and is coming along nicely although it was thought for a day or so that his sight might have been impaired by the accident.

Frank Weyer, formerly of Waterford, who recently moved to Pontiac, has left for Geneva, New York, to begin his basic training at Sampson Air Force Base. He is the son of Mr. and Mrs. Stanford Weyer.

Mrs. John Picha of Waterford Drive has been called to Sault Ste. Marie due to the illness of her mother.

Mrs. Ada Campbell had a birthday party at her home last Saturday for her son, Tommy, who was 8 years old.

Tomorrow night (Friday) is the date of the Cheery Chum revealing party at the home of Mrs. Lawrence Giddings. A pot-luck supper beginning at 6:30 will be followed by the business meeting and program. Members attending are asked to bring their own table service, a passing-dish, and not to forget their Cheery Chum gift. Mrs. Roy Pammeter is chairman for the party and will be assisted by Mrs. A. L. Purcell, Mrs. Carl Ender, Mrs. David Mehler, Mrs. Murdo McDonald, Mrs. Loyal Lumby and Mrs. Floyd Fullerton.

Last Thursday afternoon Mrs. J. R. Blakeslee, Mrs. Henry Mehler, Mrs. Lyman Girst and Mrs. Victor Lindquist visited Mrs. J. R. Maybee at her home and presented her with a lovely pin from

the Good Will Club members. This gift was in appreciation of the work of Mrs. Maybee who has been president of the club for 10 years.

Mrs. Henry Mehler recently received a package of old pictures of Waterford, dating way back. She got them from a cousin, Mrs. C. G. Swain in California. Mrs. Swain was the former Marjorie Crane who lived on the old Van-Norman farm (Waterford Hill). Mrs. VanNorman and Mrs. Harvey Spooner, grandmother of Mrs. Mehler, were sisters and these old pictures are affording a great deal of pleasure to the viewers. Recently enjoying an evening with the Mehlers were Mr. and Mrs. Lyman Girst, who took Mr. and Mrs. Lem VanSlyke along with them. To them the pictures were most interesting and the old landmarks and scenes were familiar.

Twelve members of the Adult Bible class of the Waterford Community Church met at the parsonage last Tuesday evening. Mrs. William Granger had charge of the business meeting with Henry Mehler giving the lesson. They voted to help with the flowers for the church for Easter. The time and place of the April meeting will be announced later. The meeting will not be at the regular time due to the special meetings at the church the first week in April. Mrs. Isaac Shook assisted the hostess.

The Ladies Auxiliary met on Thursday at 12:30 for a pot-luck luncheon and meeting at the home of Mrs. Lawrence Giddings. The 15 ladies present completed 147 cancer pads during the afternoon. Mrs. James Saylor will have the April meeting at which time the ladies will turn in the money they have accumulated toward the new flooring in the church basement. Mrs. Myrtle Biggs will be co-hostess and devotions will be in charge of Mrs. Frank Schultz.

The Waterford Book Review Group will meet at the C. A. I. building, in the library, on Monday, March 16th, at one o'clock. Two of the best known novels of Willkie Collins, "The Moonstone" and "The Woman in White" will be reviewed by Mrs. Louise Davis. Light refreshments served in the dining hall will follow the meeting. All interested ladies in the community are welcome.

The Reverend George Garver from the Ascension Lutheran Church in Pontiac gave a Lenten talk to the Ladies Guild of Christ Lutheran Church on Wednesday of last week. About 20 ladies from the Pontiac church were also guests for the pot-luck dinner and service.

This Saturday evening the King's Disciples of the Waterford Community Church will hold their annual semi-formal banquet. The guest speaker will be Elmer Bauhahn of the Grand Rapids School of the Bible and Music. Along with Mr. Bauhahn will be the trio, Mary French, Joanne O'Donnell and Shirley Boyett. The accompanist will be Barbara Seidelman. These young people are talented students from this well-known school in Grand Rapids. The banquet starts at 6:30 and all young people 14 years of age through High School are welcome. These young people will participate in the Sunday Church services.

On Saturday evening, March 14, the Christ Couriers monthly social meeting will be held at the home of Earl Hotchkiss on the Williams Lake Rd.

soever God doeth, it shall be for ever; nothing can be put to it, nor anything taken from it."

Among the Bible citations is this passage, (1 Chron. 29:12, 13): "Both riches and honor come from thee, and thou reignest over all; and in thine hand is power and might; and in thine hand it is to make great, and to give strength unto all. Now therefore, our God, we thank thee, and praise thy glorious name."

Correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy, include: "There is nothing in Spirit out of which matter could be made, for, as the Bible declares, without the Logos, the Aeon or Word of God, (was not anything made that was made)." (P. 335)

NO BIG FLOW OF BEEF SET FROM CANADA
Michigan State College agri-

cultural economists doubt there will be any great influx of Canadian beef and cattle now the border is open again. The ban of the past year — imposed after outbreak of hoof-and-mouth disease in Canada — was lifted Sunday, March 1.

No great surplus of cattle or beef is backed up in Canada, explains Robert C. Kramer, M. S. C. agricultural economist, and "the prices in Canada are about the same as ours. With the import duty added, Canadian shippers have little incentive to send cattle and beef into the U. S., where domestic market supply is very high at present.

No more New Zealand beef is expected, according to Harold Riley, M. S. C. agricultural economist, because that shipping was a temporary arrangement while Canadian beef and cattle were banned.

This weather station was set up in the conservation department's experimental deer plot at Cusino wildlife experiment station in the upper peninsula to study the effects of winter's cold on deer. One of the most important questions information from this station may help answer is how much food a deer needs to remain alive in cold weather. Game Biologist Robert Van Etten of the Cusino station here checks one of the devices that records changes in temperature.

 The administration in the state police with the object of police and the sheriff's cooperation.
 The resolution was supported unanimously, with the exception that State Police Commissioner Joseph A. Childs refrained from voting because his department is involved and he is also a member of the safety committee. He said he proposed to cooperate to the fullest extent with whatever decision that may be made by the legislature.
 The committee acted upon several other legislative matters as follows:
 Endorsed a house bill requiring judges to report to the secretary of state all traffic cases in which the privilege to drive is suspended as a part of probation, but recommended that this be extended to include probate judges, who handle the cases of juveniles.
 Endorsed a house bill which would permit probate judges to waive jurisdiction in the cases of minors under 17 who are charged with misdemeanor traffic violations. This would be intended for the more serious offenses.
 Endorsed a senate bill which would make parents responsible up to the extent of \$300, including court costs and expense of suit, for any vandalism or damage done by their children under 18 years of age to property, public or private.
 Proposed re-introduction of a bill providing that police and sheriffs report sex perversion cases to the State Police so that they would be a central state file for references when sex offenses occur.
 Opposed a senate bill which would legalize the sale of liquor beginning at 3 o'clock Sunday afternoon. The committee felt that such licensing would be inappropriate on the Sabbath.

 The Company filed a petition January 28 asking such authority. A hearing before the Commission was held February 16.
 The 20,000 customers to be connected for space heating service will be chosen on a priority basis determined by the chronological order in which applications are or have been received from waiting lists containing the names of about 40,000 applicants.
 Consumers officials said the Company will send a letter to each of the 40,000 applicants for space heating service within the next few days asking if they still wish to obtain gas heating service. Those who reply, within three

Soil Testing Caravan
 The Oakland County Extension Service in cooperation with the Production and Marketing Office, will tour the county on the following dates, testing soils for lime. This test is required for lime payment under the A. C. P. program. We suggest you bring your samples to the place nearest you.
 March 12, Davisburg, 10:00 to 12:00 A. M. at the Springfield Township Hall, Holly, 1:30 to 3:30 P. M. at the Peace-Hamilton Elevator.
 March 17, Goodison, 10:00 to 12:00 A. M. at the Oakland Township Hall, Oxford, 1:30 to 3:30 P. M. at the Oxford Cooperative Elevator.
 March 18, Ortonville, 10:00 to 12:00 A. M. at the Brandon Township Hall, Clarkston, 1:30 to 3:30 P. M. at the room back of the Community Bldg.

March 20, Mitchell, 10:00 to 12:00 A. M. at the Old-Farmers-Wixom Elevator, 1:30 to 3:30 P. M. at the Oxford Cooperative Elevator.
 There will be no change for this service. Prepare the soil as follows:
 1. Take a representative sample from each field; take it from several different spots and mix. One-half teacupful is sufficient for each sample to be tested.
 2. Sample only those fields that you intend applying lime to this year. We will not have time to test each field.
 3. Be sure your soil is air dried, so they should be taken several days before they are to be tested and placed in a room in the house where they will dry out.
 4. Any clean container will do. Do not use envelopes. A waxed carton is good.
 5. If you had your field tested within the last two years and it showed a need for lime, but you did not apply it since that test, another test will not be required.

PRUNING PEACH TREES
 How long will it take to prune your peach trees? This is an important question for you to ask yourself. First, it is better to wait until the tree starts to grow or just before it starts to grow, to prune. If you have just a few trees, you can wait until after the first of April to prune, however, if you have three or four weeks of work to do in pruning the peaches, it is a good idea to get started now. The reason we wait until late as possible to prune is because peach tree canker grows and spreads during the dormant season. The shorter the time between pruning and when growth starts, the less time canker has to enter wounds.
 Another reason for delaying pruning is to see if we will have cold enough weather to injure the buds. A check on peach tree fruit buds made February 4 in Farmington township showed them to be 100% alive. I think that will be general pretty much throughout the county because we have had a mild winter. Unless we have some severe cold between now and April, this prospect will continue.

Grass Roots Foreign Ambassadors

Getting a global point of view are these four Michigan young people who have tentative assignments will spend the summer in Turkey, Italy, Germany, and Belgium. The International Farm Youth Exchange delegates, seated at left is Jerry Davis of Vassar, Tuscola county, who will spend four months exchanging ideas with farm families in Germany. Joan Pierce of Jerome in Hillsdale county will go to Belgium and Luxembourg. Stand-

ing at left is Melvin Thompson of Ravenna in Muskegon county who will spend the summer in Turkey. Keith Brown of Jonesville, Hillsdale county, is slated to go to Italy. All four are students at Michigan State College, East Lansing. They are or have been outstanding 4-H Club members. Their trips this summer are sponsored by the National 4-H Club Foundation, a non-government agency.

DORMANT SPRAY

It is important that a dormant spray to control peach leaf curl be put on some time before the buds break and growth starts in the spring. This dormant can be either an 8-8-100 Bordeaux, 1/2% Etgelol, or lime sulphur, 5 gallons per 100 gallons. A dormant spray of Bordeaux and a compatible proprietary dormant oil applied in the spring will control scale, mites and leaf curl in one application.

APRIL NEARS, ADVICE GIVEN ON RAINCOATS

April-shower weather requires a good raincoat; so a home economist at Michigan State College recommends you give a little thought to what kind of raincoat you buy.
 Gestel Winakor of the textiles, clothing and related art department at M. S. C., points out that there are two kinds of raincoats—a water proof and water repellent. A waterproof coat protects against prolonged, heavy rain but it is

non-porous and very hot to wear. Plastic or fabric coated with plastic or rubber are waterproof types.

Water repellent raincoats will protect against short exposure to showers, Miss Winakor advises. For most persons, they are practical, because they are porous and comfortable. In buying a water repellent coat, check the label to see if it is durable to washing or dry cleaning or if the coat must be treated each time.

Look for a closely woven, smooth fabric because it will shed water better. Look, too, for a coat that has double fabric on the shoulders where rain hits hardest. Children's raincoats should be bright colored to show up on dark days, Miss Winakor urges. Easy-to-work buttons that close the coat high and low to keep out rain are an advantage. A hat or hood that is water-shedding is advisable.

Look for a conservative cut in a raincoat, Miss Winakor suggests. A raincoat that flaps in the wind, and drags on the floor of the bus

or car is not practical. And get an amply cut raincoat so suits can be worn underneath comfortably.

VETERINARIANS PLAN RITUALS FOR M.S.C. UNIT

The new veterinary medicine building at Michigan State College—Ward Giltner Hall—will

be dedicated on Thursday, March 19. Plans for the program were announced this week by Dr. Chester F. Clark, dean of the School of Veterinary Medicine. The formal dedication program will begin at 3:30 p. m., following the annual meeting of the Michigan Artificial Breeders Cooperative, which will bring dairymen from most counties of Michigan to the M. Dr. Morris F. Lamoreaux, Grand Rapids practicing veterinarian and president of the Michigan State Veterinary Medical Association, will preside at the brief ceremonies. A member of the state legislature will present the \$2,400,000 structure, made possible by legislative appropriations. Acceptance remarks will be made by several college representatives. A tour of the building will follow.

Dr. Harold Macy, dean of the institute of agriculture and veterinary sciences at the University of Minnesota, will speak at a dinner at 6:30 p. m., March 19 at the M. S. C. Union.

On Sunday, March 22, the building will be open at 3 p. m. for inspection by faculty members and residents in the central Michigan area. Staff members plan another professional meeting for visiting veterinarians the following week, March 23 and 24; to finish a week of programs commemorating use of the new facility.

Housed in the veterinary building are the departments of anatomy, animal pathology, bacteriol-
