Poppy Days Here To Be May 21-22

Bright red poppies in profusion will brighten this area on May 21-22 when the annual observance of Poppy Day will be held. The local American Legion Post and Ladies' Auxiliary will donate their time to sell these memorial flowers to be worn in honor of the war dead.

Sashabaw P. T. A. Installs Officers

The Sashabaw P. T. A., held its last regular meeting for the year on Monday evening, May 11th. Mrs. Byron Clements gave a report on the State P. T. A., Convention held in Grand Rapids.

Notice

There will be a special meeting of the W. S. C. S. of the Methodist Church on Tuesday, May 19th, at 9:30 A. M., at the church. This is a very important meeting and every member is urged to attend.

Blossom Time

BLOSSOM TIME W O If you have any doubts that God can be near, Or this life has a way of being unkind, Just live for a day at this time of the year And walk thru the country when it's blossom time.

—ROBERT C. BEATTIE (All rights reserved)

Athletic Banquet Monday Night

The athletes of the Clarkston High School were honored at a banquet on Monday evening by the Clarkston Rotary Club. This was the thirteenth annual banquet sponsored by this group.

Women Bowlers Get Awards

On Wednesday evening of last week the Howe's Community League of women bowlers closed the season with their sixth annual banquet at Garth's on the Dixie Highway.

Kindergarteners To Enroll

Thursday May 21, 1953 is enrollment day for all beginning Kindergarten students. That it might be more convenient for you this year you may enroll your child any time between 9:00 to 11:00 and 1:00 to 3:00, at your area school.

Annual Meeting In Andersonville

The Andersonville P. T. A., will hold its annual meeting on Monday evening, May 18th, at the school at 7:30 o'clock.

Family Honors 85th Birthday

On Sunday, Mother's Day, at the Waterford Community Activities Building on Williams Lake Road, seventy-five relatives of Mrs. Edwin Campbell (Eita Poole) of 2851 Airport Road, gathered to honor her 85th birthday anniversary.

Roy C. Johnson Home From Korea

A/2c Roy C. Johnson flew home from California on Sunday, the last lap of his trip from Korea where he had been for a year. Roy was with the 90th Bomber Squadron.

Explorer Scouts Feted At Dinner

On Tuesday, May 5th, the Explorer Scouts were guests of the American Legion at a dinner in the Community Building. A very delicious dinner was served, and the Explorers wanted to thank the American Legion and the ladies who prepared the food.

Random Thoughts

FREEDOM — Commercialism and idealism clashed! Should I keep my ducks and geese penned up and reap the monetary benefits of their daily dozen and a half of eggs, or should I let them go to the pond where they belong, and lose some of these profits to the muskrats who like to eat the eggs?

By The Way . . .

Next Monday evening the farmers of the community will entertain the members of the Clarkston Rotary Club. This will take the place of the regular Rotary dinner for the farmers. Herb Baynes says the farmers are as busy in thinking the idea is a good one and William Edgar wants the Rotarians to have the best dinner they ever had.

Clarkston Locals

On Saturday when Dr. and Mrs. Harry B. Yoh were returning from Davisburg, on M-87, a car crashed into them. Fortunately the doctor was not hurt and Mrs. Yoh received a few cuts and bumps which caused her some pain for a few days, and of course there was some shock followed the incident. The car was badly damaged.

Mr. and Mrs. Robert Shelly (Dwyla Giddings) of Flint are the parents of a 7 pound 2 ounce daughter, Deborah Alexis, born May 4th. Mr. and Mrs. Lawrence Giddings are the baby's grandparents.

Fred Mitchell is a patient at Henry Ford Hospital where he was taken last week suffering from a heart ailment.

Mr. and Mrs. Charles Parmeter of Andersonville Road returned home Saturday from a

three weeks vacation trip to Florida.

Mr. and Mrs. Phil Stites and 4 children are now living in their new home on a 60 acre farm on the corner of Maybee and Sashabaw Roads. They moved last week from their former home on Rockcroft.

Mother's Day guests at the Robert Amos home were Mr. and Mrs. Jack McCaffrey and little son, Mike, of Pauline St., and the Don Beedle family of Memphis. The new Beedle baby, Dale Lynn, was christened on Sunday morning at Christ Lutheran Church.

Folks home from the hospitals these last few days include Jim Sutton and Mrs. Joseph Helman from Pontiac General and Mrs. Robert Snyder and Mrs. Pauline Terry from St. Joseph Mercy. All are getting along fine.

Mr. and Mrs. Roy Young of Barnes St., entertained his parents, Mr. and Mrs. Harry Young and other members of their family from Brighton, numbering 20, for dinner on Sunday.

The Waterford Women's Club will meet on Wednesday evening of next week instead of the usual Thursday. Members are asked to keep this date in mind. The change was necessary due to a

dinner for 250 to be served in the C. A. I. building on Thursday by members of the club.

Mrs. Wallace Brown will entertain the Waterford Birthday Club Wednesday noon, May 20th.

The Waterford 500 Club will meet Tuesday evening with Mrs. James Lamberton. The club disbanded for the summer months and this will be the last meeting of the season. The club will attend the evening performance of South Pacific on Tuesday, June 2nd.

John Barling has begun work on a new home he is building on Waterford Drive and Barnes St., in the Barnes subdivision.

Mr. and Mrs. Ray Everett of Clayton St., were hosts on Mother's Day to their parents, Mr. and Mrs. Bruce Everett of Lincoln Heights and Mr. and Mrs. Jack Hall.

Mrs. Charles Topham of Pontiac will entertain the Waterford Moms on Wednesday, May 20th, at her home at 323 East Boulevard South. The time for the meeting is 1:30.

Several nice pieces of shrubbery have been set out in front of the C. A. I. building this past week by members of the Dirt Gardeners Club as their group project this year. These decorative plantings are very effective and add a great deal to the appearance of the building.

Mr. and Mrs. Emerson Mitchell and two children are here from Pennsylvania due to the illness of his father, Fred Mitchell.

The Drayton Plains W. C. T. U. will hold its annual May breakfast at the home of Mrs. Wesley Stevens, 5511 Pine Knob Road, on May 21st at 11:00 A. M. A silver offering will be taken. All members are urged to attend.

The Adult Bible Class of the Waterford Community Church met at the home of Mr. and Mrs. Roy Pammenter on Tuesday evening of last week. There were 16 present. Mrs. Henri Buck and Mrs. Henry Mehlerberg were co-hostesses. Henry Mehlerberg had the lesson and the president, Mrs. William Granger conducted the business meeting. The next meeting will be at the home of Mrs. Peggy Prentiss.

The Ladies Auxiliary of the Waterford Community Church met at the home of Mrs. Wright VanPlew on Thursday of last week. A cooperative luncheon was enjoyed at 12:30. Co-hostesses were Mrs. A. L. Purcell and Mrs. W. K. Powell. Plans were made for a "Come as you are" break-

Caught Red Handed

The time for wildlife to produce its youngsters is fast approaching, a time when conservation officers are faced with a hatful of headaches caused by such "cute" youngsters as this baby raccoon, live-trapped last year at Rose Lake wildlife station. Fawns, bear cubs and baby raccoons all make fine enough pets, but it's strictly against the law to keep them. Conservation officers, charged with keeping wild animals in the wild, are yearly faced with the tough job of preventing people from picking up woodland youngsters and are asking help in the problem. This young coon was given an ear tag and immediately released for later study at the game station.

fast at the church in the near future. The group is starting a summer project to earn the money for the basement flooring. This project will end in the fall with an "Experience Tea".

Friends of Mrs. Fred Tuck are sorry to learn that she is suffering with the mumps.

The Grist Mill

By Ed Alchin
Agricultural Advisor

It's a good time to start paving your waterways with grass while putting in your spring crops. Small, sharp gouges, or gullies, can be smoothed out with ordinary farm equipment -- plowing in and disking.

In fields of small grains, waterways can be seeded to perennial grasses along with the grain crop. Seed a simple mixture -- two or more grasses, or one grass with a companion crop. Legumes usually weaken the soil. Use two or three times the seed ordinarily used for meadow seedings. A mixture of 10 pounds of smooth brome, three pounds of ryegrass, five pounds of Kentucky bluegrass and two pounds of redbud is most popular.

Another mixture, for high organic soils is 10 pounds of brome, 10 pounds of blue grass and five of domestic rye grass. On droughty sands and on soils that are low in organic matter, use 15 pounds of chewings fescue per acre with a companion, such as domestic rye grass, at a five-pound rate.

Cornfield waterways can be broadcast with three or four bushels of corn per acre this spring, followed by late summer grass seeding in the mulch of the disked-in corn. This corn-cover method also can be used in grain fields this spring to hold steep sloped waterways for late summer grass seeding. Manure and fertilizer will help the seedlings fix a nice paved waterway of grass.

A folder -- "Pave Your Waterway With Grass" -- prepared by the State Soil Conservation Committee, the Michigan State College Cooperative Extension Service, and the U. S. Soil Conservation Service, is available at our office.

CANCER SOCIETY NEEDS OLD SHEETS

Many cancer patients require dressings costing \$40 to \$50 a month, it was revealed today by

Dr. John D. Monroe, Acting Chairman, North Oakland Unit, of the American Cancer Society, in urging Oakland County housewives to turn in their old bed sheets to representatives of the American Cancer Society who will staff booths or counters at Waites in Pontiac this week. The old sheets will be used to make dressings for cancer patients.

"Many families with a cancer victim are unable to afford to lay out this much money every month for dressings on top of other expenses", Dr. Monroe states. "In fact, there have been cases where a family has sacrificed money that should have gone for food in order to purchase dressings."

Through the cooperation of Pacific Mills with the American Cancer Society, donors of old sheets will receive credit certificates which can be used as part payment toward the purchase of new sheets.

"An important part of the American Cancer Society's program of research, education and service is the work volunteers do in making dressings for cancer patients from salvaged white goods", Dr. Monroe stated. "A very large number of these dressings, particularly those that can be made from sheets, are urgently needed. There are presently about 700,000 Americans under treatment for cancer, many of them

using hundreds of dressings monthly.

"The dressings made from old sheets by volunteer groups are distributed free to cancer patients requiring them. More than 11 million dressings were made and distributed last year."

School News

SECOND GRADE NEWS

Last Wednesday afternoon we had a Mother's Day Tea with 29 attending. Martha Torr was mistress of ceremonies...

Carol Weller, Pamela Lovejoy and Judith Powell.

FIFTH GRADE ENTERTAINS

On Thursday afternoon, May 7, the fifth grade entertained their mothers at a Mother's Day Tea with 38 attending...

The following program was introduced by Janyth Tabot:

Welcome - Jackie Powell; Song by Danny Althouse; Comedy act by Eddie Glennie...

Refreshments of cookies and punch were served with Diane Hursfall pouring.

Mrs. Kenneth Hogg was the winner of the centerpiece.

Everyone in our room purchased a Band Booster tag on Friday.

We were very pleased to have so many of our mothers attend our Tea on Thursday.

We are happy to welcome San-

die grow into our room. We now have 48 pupils in our class.

SEVENTH GRADE NEWS

The seventh graders had their first experience in preparing for the carnival, and they surely proved to be good workers.

Plans are underway for a roller skating party which will be held on Tuesday night, May 19, at the rink at Lake Orion.

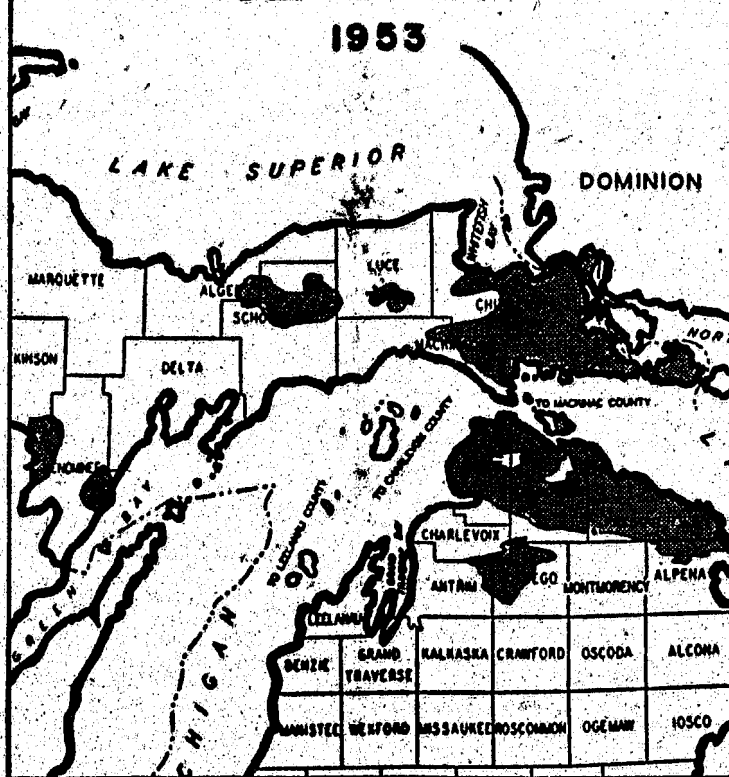

The English classes are beginning a unit in literature after having spent much time in learning how to diagram sentences.

In science classes the students are studying about why we need different kinds of foods.

MSC TO PROVIDE COUNSELING CLINICS

Michigan State College's fifth annual series of counseling clinics for high school students will be held from June through early

PREDICTION FOREST TENT CATERPILLAR DEFOLIATION 1953

The forest tent caterpillar is going to be active soon in the areas shown by dark shading in the above map. Last year, the crawlers chewed their way through forest lands in about the same area.

September on the M. S. C. campus. The counseling service is designed to help three classifications of high school students.

Each building, containing 12 apartments, will cost approximately \$100,000, according to Philip J. May, college treasurer.

Eventually, the college hopes to build about 40 of these buildings to replace the trailer village which will be eliminated by next April.

Each unit will include a living room, study alcove, bedroom, bath, closet space and efficiency kitchen. Kitchens will have built-in stoves and refrigerators.

Construction is hoped to be completed in time for occupancy next fall, May said. Funds for the three buildings have been accumulating in the married student housing account.

APARTMENTS SCHEDULED IN MSC HOUSING PLANS

WATCH FOR "HDA" SIGNS WHEN TRAVELING THIS SUMMER

Eye-catching green and gold signs reading "HDA" - Health Department Approved, will dot Michigan's roadsides this summer serving as guideposts to the traveler seeking resort accommodations that are clean and safe.

The signs are being given to resorts which comply with standards of sanitation recommended by the Michigan Department of Health.

Travelers can be assured that resorts displaying the signs provide safe drinking water, clean toilets, clean and well-ventilated buildings, windows and doors that are adequately screened to keep out flies and mosquitoes, and safeguards for protection against common hazards.

Approved resorts also provide enough floor space to prevent overcrowding, windows to furnish sufficient natural light, safe disposal of garbage and other wastes, beaches free from hazardous sewage pollution or contamination and clean, safe bathing areas free from rocks and holes.

The "HDA" signs are issued to summer resort hotels, cabin camps, cabin courts, motels, tourist courts or groups of three or more cottage units rented for periods of two weeks or less throughout the resort season.

Local health departments will inspect resorts in their areas to determine whether or not they meet the standards required for approval. In areas not served by a local health department, limited

assistance can be obtained from the state health department in getting establishments approved. When a new resort is being planned or when changes of the water supply or sewage disposal system are to be made at an existing resort, the plans for such work should be submitted for approval to the health department having jurisdiction.

No doubt about it... Chevrolet trucks must be the best buy!

This year—for the 12th straight production year—truck users are buying more Chevrolet trucks than any other make. That couldn't be true unless Chevrolet trucks offered more of what you want.

Already, 1953's official sales figures tell a remarkable story of clear-cut and decisive preference for Chevrolet trucks. But, this is not surprising, for truck users everywhere are discovering how far ahead of all others Chevrolet trucks really are.

They are discovering things like the tremendous new power in advanced Load-master engines in heavy-duty models... the remarkable gasoline economy... the extra ruggedness and strength of heavier, more rigid frame construction.

GROWERS URGED TO SUPPLY WHEAT DATA

Wheat growers were urged today to have necessary information available when community committees will call on them soon. Their help is urgently needed to bring farm-program records up to date, in preparation for

possible acreage allotments and marketing quotas on the 1954 wheat crop.

This appeal follows a recent announcement by Secretary of Agriculture Ezra Taft Benson that the U. S. Department of Agriculture would immediately start the preliminary work necessary in case production and marketing controls are required for the next wheat crop.

According to Walter R. Cook, chairman of the County FMA Committee, certain information from farmers is absolutely necessary in order to do a sound administrative job of setting equitable acreage allotments for individual farms. Farm allotments will be determined by the County FMA Committee, with the assistance of the community committees.

Data needed includes the farm's wheat acreage and production

data for the years 1951, 1952, and 1953; the legal description of the land, and other pertinent information. If the farmer operates a rented farm, he should be able to supply such additional information as the name and address of the owner.

Mr. Cook emphasizes that the final decision has not yet been made as to whether acreage allotments or marketing quotas will be used for the 1954 crop of wheat. That decision will be made later, when more is known about the supply and prospective demand situations. However, the indicated wheat supply is such that production controls will probably be necessary, as directed by law.

Proclamation of a national wheat acreage allotment is mandatory unless dispensed with by the Secretary because of a national emergency or a material increase in exports. Proclamation of quotas is mandatory when supplies reach a certain point specified in the legislation, except under emergency conditions.

An early start on the necessary advance work is particularly urgent, Mr. Cook explained, because the decision and proclamation must be made not later than July 1 for marketing quotas and July 15 for acreage allotments without quotas. If quotas are proclaimed, a national referendum among growers must be held by July 25.

In requesting farmer's cooperation in supplying the needed information, Mr. Cook said that the county office should have all the data by June 10, 1953, if at all possible.

Oakland County has an estimated 1100 farms growing wheat. There are an estimated 2.1 million wheat farms in the United States.

Acreage allotments were last used for the 1951 crop of wheat, but were discontinued before the end of the marketing year. Wheat marketing quotas have been used only twice, for the 1941 and 1942 crops.

Ginger Jellied Salads Are Tempting

Springtime is salad time. From now on, through the warm weather months, it will take light food, attractive in appearance, to tempt the appetites of your family.

Sparkling molded salads have eye-appeal, so stimulating to jaded appetites. When pale dry ginger ale is used as the liquid in which to dissolve the gelatin, salads have an extra sparkle and extremely refreshing flavor. These salads can be served often without becoming monotonous since there are many combinations of fruits and vegetables that may be used. Here is one, using tuna fish as its main ingredient, that is delicious. If apples are not available, you might substitute drained pineapple tid-bits, or celery.

Ginger Jellied Tuna Salad

- 2 envelopes unflavored gelatin
- 1/2 cup cold water
- 2 cups hot pale dry ginger ale
- 1/4 teaspoon salt
- 1 tablespoon lemon juice
- 1 7-oz. can tuna, drained and flaked
- 1/2 cup diced, peeled apples
- 1/2 cup broken walnut meats

Sprinkle gelatin on cold water. Dissolve in hot pale dry ginger ale. Add salt and lemon juice. Chill until consistency of unbeaten egg white. Fold in tuna, apples and walnuts. Spoon into large mold which has been rinsed in cold water. Chill until set. Unmold on chicory. Makes 6 to 8 servings.

above estate are further notified and ordered to prove their claims at said hearing and prior to said hearing to file written claim thereto with this Court and with the fiduciary of this estate, under oath, containing sufficient detail reasonably to inform the fiduciary of the nature and amount of the claim.

CHARLIE WARNER Phone FE deral 2-2318 Mention this adv. for bonus gift.

EXTENSION SERVICE NEWS WEED KILLERS

Many lawns at this time of the year take on a golden color because of the many dandelions. A person traveling through the State from another country, where they do not have dandelions, might consider this a beautiful scene; such as we would if traveling in Europe and viewed their poppy fields, which to them are weeds.

To most of us, dandelions in the lawn are weeds which we wish to get rid of. One method is to chop them out. This is all right if you wish the tops for dandelion greens, however; this method only multiplies your troubles because when you cut off one dandelion several will grow from its broken root. A more sure method is to spray the dandelion with a weed killer, such as 2, 4-D. This is absorbed into the plant by the leaves and kills the entire plant, thus no new plant can come up from the root.

Caution must be exercised in using 2, 4-D in that none of the material drifts on ornamentals or other flowers as they will become damaged. Sprayers that are used for spraying 2,4-D should not be used for spraying insecticides on vegetables, as it is very difficult to get all of the material out of the sprayer and it takes so little to do damage to susceptible crops, such as tomatoes and grapes.

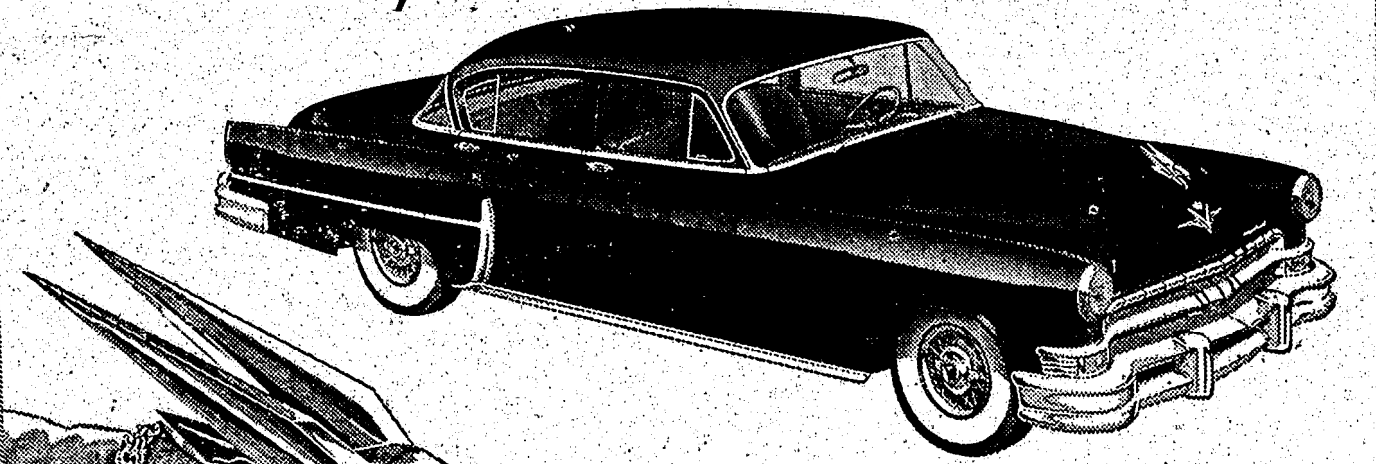

This is the best time of the year to apply weed control because the plants are growing vigorously and are at their most tender stage and will kill more easily than at any other time.

HOW TO DISCOVER FOR YOURSELF... THE FINEST CAR AMERICA HAS YET PRODUCED

- 1. Look for Power. Not just "horsepower"... but actual drive power. Here, in the Imperial, is a new kind of power found nowhere else except in some Continental sports cars. We invite you to try its absolute mastery.
2. Look for Control. Not just imitations of today's big advances in driving safety... but the original Full-time Power Steering and Power Brakes. Here, in the Imperial, you ride, steer, and stop in new ways that keep you safer on the road. We invite you to try this remarkable new car control!
3. Look for Luxury. Not just the glitter and gloss... but the innate taste and distinction which results from careful hand-crafting. Here, in Imperial, is a fineness of decor leading Americans seem to favor. We invite you to experience this new kind of leadership!

NURSES PREPARE TO COMBAT POLIO

Preparedness for Polio will be the keynote of a county nursing institute which opened May 12 at St. Joseph Mercy hospital in Pontiac. All registered nurses are urged to participate in this program which is co-sponsored by the hospital and the Oakland county chapter of the National Foundation for Infantile Paralysis.

Possibility of another peak polio season has spurred plans for this institute according to Pierre Delmontier, of Farmington, newly named chairman of the county chapter. During 1952 the heaviest epidemic was recorded with 57,000 cases in the United States. In Oakland county 336 children, men and women were stricken.

greatly overtaxing facilities and personnel trained in polio care. The institute is designed to bolster the ranks of locally trained nurses and will cover a three week period with sessions Tuesdays and Thursdays from 7 to 9 p. m. Nurses may register by calling the National Foundation office, Federal 2-3361 or St. Joseph Mercy hospital, Nursing office, Federal 4-3511.

This workshop on nursing care of the poliomyelitis patient includes lectures, demonstrations and practice. All types of polio will be reviewed, also physical therapy and orthopedic care. Training will be given in administering packs, use of the chest and collar respirators, tank, rocking bed, hot pack machines and other mechanical aids.

Lecturing on anatomy, polio and related specialized topics will be Dr. Harold R. Roehm, Dr. Robert J. Mason, Dr. A. F. Cafai, Dr. E. E. Hammonds, Dr. Frederick N. Adams and Dr. Robert J. Banow, Dr. F. B. House of Ann Arbor is consulting physiatrist. All are members of the county polio committee.

Nursing instructors, headed by Miss Marie Hickey, include Miss Barbara Kemp, Miss Dorothy Williams, Mrs. Margaret Simpson and Mrs. Patricia Debits. Physical therapist Jeanne Ryskamp also will assist. All are members of the hospital staff where arrangements were completed through cooperation of Sister M. Philippa.

Nurses taking the course are under no obligation, however, upon completion of the training would be qualified to care for polio cases in any institution. Expense of the course is covered by the "March of Dimes" fund as a community service.

Edward P. Smith has been named to the chapter board of directors representing Waterford Township.

Card Of Thanks

My sincere thanks are extended to all those who remembered me with cards, flowers and other kindnesses while I was in the hospital and since I have been convalescing at home. Special thanks go to the Reverend Arvid Anderson and to the Ladies' Guild of Christ Lutheran Church.

Mrs. Frank Adams

News Liners

The Explorer Scouts are in need of some kind of trailer which they can make into a chuck wagon. Perhaps some generous soul in the district has such a trailer he'd like to get rid of. If so please call MA 5-6861. 37p

For Sale—roll-away bed, 40 inches wide, complete, good condition, \$18.95. 10,003 Dixie Hwy near Davisburg Road, MA 5-5608. 37c

Oh, Oh - Here's ole' icy fingers. It takes good gasoline, the proper oil to keep a motor running in top shape — to make it "purr". For lubrication and car washing too... see us.

The LAWN-BOY by **RAM**

EASIER QUICKER NEATER

With 18 inch cut first "Grass Spray" discharge 2 cycle engine weight—only 25 pounds

All over the country people are talking about the LAWN-BOY by R P M... tomorrow's lawn mower... today. And no wonder!

Featherweight all aluminum alloy construction
Simple construction... no gears, belts or chains
Cute foot high grass or leaf

high grass with ease
Takes as close as 1/8 inch... saves hours of trimming
Grass Spray... full cutting power—even spread of clippings
Safety plus... no exposed cutting blades
Won't scalp or dig into uneven lawn surfaces

TRY IT... YOU'LL BUY IT!

\$95.00

MARKERS GO TO CENTENNIAL FARMS

Announcement has just been made by Donald E. Adams, President of the Oakland County Historical Society, that a special presentation of centennial farm markers will be made by the Michigan Historical Commission to five Oakland County families at the annual meeting of the Oakland County Pioneer and Historical Society. The society is holding a luncheon meeting at the Fellowship Hall of Grace Lutheran Church in Pontiac on Wednesday, May 20, 1953 at 12:15 P. M. Speaker for the annual event will be Maurice Cole of Ferndale who will discuss Oakland County History as revealed through his stamp collecting activities and the resulting research into the history of early Oakland County post offices.

Two years ago the Michigan Historical Commission presented farm markers to more than twenty Oakland County families. Since that time five additional families have qualified for markers. Included are: Harry S. and Florence M. Beaumont, 3500 Duck Lake Road, Milford, Michigan; LaRue and Floy Bogart, 50747 12 Mile Road, Wixom; Mrs. Vera M. Hooker, 10600 Highland Road, Milford; Bert and Maud Wardlow, 1716 Wardlow Road, Rte. 2, Milford; John Lessiter, 542 Baldwin Road, Lake Orion, Michigan.

To qualify a family must have resided on the same farm for one hundred years or more. Presentation of markers to the five additional families will be made on behalf of the Michigan Historical Commission by Mrs. Donald E. Adams, President of the Commission.

Anyone interested in attending the meeting may make reservations through Mrs. H. F. Going, 214 W. Pike Street, Pontiac, phone FE 2-6087.
