CLARKSTON, MICHIGAN, THURSDAY, JULY 9, 1953

NUMBER 45

## SCHOOL MEETING AND ELECTION MON., JULY 13

### Crowd In Clarkston For July Fourth

Last Saturday was an ideal day in Clarkston, even to the weather. The air was cool and invigorating and the happy crowd which gathered to celebrate the fact that they lived in America as free people were glad that the village had firefighters civic-minded enough to sponsor such a program.

The streets were lined with parade on-lookers long before ten o'clock in the morning. Camera enthusiasts were ready to get pictures of the little tots in costume, and the older ones too. The parade really gave the day a good start and seemed to build up that "pep" that was lacking in the early hours. Dearborn Farms was well represented in the parade as were the riding clubs.

The water-and field events were amusing and some of the oldsters were as enthusiastic as the young people who participated.

In the evening an extra large crowd gathered at the school grounds for the fireworks and all roads leading to the school were lined with cars. The display of fireworks was larger this year and the clearness of the night added to the beauty.

Following the fireworks the crowd made its way to W. Washington St., where everything was arranged for dancing. Haan's orchestra furnished the music for modern and square dancing and they were quite liberal with their services. Doing the calling were Hal Brown, Frank Ronk, Delmont Walter and Don Beach.

### Clarkston Locals

The Reverend and Mrs. Robert M. Atkins left on Monday for their summer cottage on Muskoka Lake, near Bracebridge, Ontario. They expect to be gone about six weeks.

Mr. and Mrs. Robert Medlyn of N. Holcomb Street were hosts over the weekend at a family gathering. Among the guests were Mrs. Medlyn's three sisters and their husbands and families. They included Mr. and Mrs. William Armstrong and two children and Mr. and Mrs. Walter Edwards and two children, all of Drayton Plains and Mr. and Mrs. William Lowe and son of Clarkston.

### Appreciation

The Council of the Village of Clarkston wishes to commend the local Firefighters for a job well done on the Fourth of July. We join with the citizenry in thanking the firefighters for their generosity and interest they have displayed each year on July Fourth. They have helped make a safe and sane holiday in Clarkston.

Charles A. Rockwell,  
Village President

### Alone

Alone, I'm helpless as can be  
Without Your guidance true,  
Alone, there's nothing much of me  
And little I can do.

Alone, I stumble when I walk  
Uncertain paths I tread;  
There's little meaning when I talk  
If I don't speak for God.

Alone, decisions that I make  
Are never true and wise;  
The dreams I have will always  
break  
And fade before my eyes.

Alone, I'm just a mortal weak,  
As helpless as a child,  
And never gain the goals I seek,  
Though energy runs wild.

### Service Tuesday For Ira A. Jones

Ira A. Jones of 55 N. Holcomb Street passed away on Saturday evening at his home. Mr. Jones suffered a heart attack two years ago and had been confined to his bed most of the time since. He was born October 9, 1876, in Speaker Township, Sanilac County.

In 1903 he and Blanche Smith were married at Brown City and in these fifty years they have resided at Yale, Marlette, Pontiac, Hadley and Clarkston. They have made their home in Clarkston since 1928. If Mr. Jones had lived until September, he and Mrs. Jones would have celebrated their fiftieth wedding anniversary.

For the past number of years Mr. Jones spent the winters in St. Cloud, Florida.

Mr. Jones was a member of Brockway Lodge, No. 316, F. & A. M., of Yale, Michigan; Kimball Camp, No. 51, and the Clarkston Baptist Church. He was a Spanish War Veteran. He served eighteen months with the 17th Infantry in the Philippine Islands.

Surviving him are his wife; one brother, Charlie A. Jones of Pontiac; three sons and three daughters, Mrs. J. H. Rivard (Bernice) of Waterford Township, William W. Jones of Franklin, Edward L. Jones of Port Huron, Mrs. Howard Lord (Evelyn), Mrs. Charles C. Rockwell (Grace) and Robert L. Jones, all of Clarkston; twelve grandchildren; three great grandchildren and several nieces and nephews.

Mr. Jones laid in state at the Sharpe Funeral Home and was taken to the First Baptist Church on Tuesday afternoon where the funeral service was held at two o'clock with the Reverend George Halk officiating. Carrying Mr. Jones in the flag-draped casket to his last resting place in Lakeview cemetery were his three sons and three sons-in-law.

### Clarkston Locals

L. D. Hemingway and daughter Sylvia are vacationing in northern Michigan. They expect to be gone about two weeks.

The Priscilla Circle of the Methodist W. S. C. S. held a picnic luncheon on the parsonage lawn on Wednesday of last week. Mrs. Atkins was the hostess. The group enjoyed a tasty meal and then had a good time visiting.

Word has been received by Mrs. Charles A. Kitchen of Lake Orion of the sudden death of her brother-in-law, Guy Price, of Beverly Hills, California. Just recently Mrs. Myra Welland went to California to spend a few months with her son-in-law and her grandchildren.

### FLYING SAUCERS TO BE UNVEILED AT AIR SHOW

Flying saucers will be shown publicly for the first time by the Army at Wayne-Major Airport in Detroit during the Sixth International Aviation Exposition July 9-12, it was announced today.

The flying saucers—rubber discs four and one-half feet in diameter and 13 inches thick—were developed by the Army Quartermasters Corps. They are new type gasoline containers used in aerial re-supply drops by Army aviation units to keep infantry and armor units rolling.

Unlike other containers used in aerial re-supply, the flying saucers are not lowered to earth by parachute but descend by free fall. Each contains five gallons of gasoline.

The flying saucers—listed officially as "container, liquid, free fall, five gallon"—were perfected earlier this year and will be shown during the air exposition after extensive tests at Camp Pickett, Va. Free fall drops have been made from altitudes ranging from 100 to 2,000 feet from Army planes flying 120 to 175 miles per hour. Many deliberately have been dropped on concrete surfaces without damage to the container.

Six of the flying saucers will be dropped from about 300 feet at Wayne-Major Airport daily during the show as ground troops engaged in a roaring mock battle are re-supplied from the air by Army aviation units. Others will be on display at the static exhibits.

### Rotary Starts New Year

On Monday evening the Clarkston Rotary Club started its fourteenth year with the newly elected president, Rudolf Schwarze, in charge. Alfred Lee gave the invocation and Allen W. Hawke led the singing with Charles Robinson at the piano.

Following the dinner Herbert Beach gave a financial report showing the club in a favorable financial condition. President Schwarze named the following committees for 1953-54:

CLUB SERVICE: Charles Rockwell, chairman;

Programs: William Burns, Alfred Lee, Richard Morgan, Earl Jones and Lloyd Megee;

Chaplain: Reverend Robert M. Atkins, A. E. Butters and Leslie Greene;

Sergeant-at-Arms: C. H. Lippincott, Russell Colton and Garnet Poulton;

Luncheon Fees: Ira Snader, Herbert Beach and George Lang;

Dinner: A. W. Hawke, C. H. Lippincott and R. M. Parker;

Flower: Richard Morgan, Earl Terry and R. L. Jones;

Publicity: W. H. Stamp, and Ronald Walter;

Music: Charles Robinson, R. L. Jones, Ronald Walter, and Don Stackable;

Fellowship: Herbert Beach, Lloyd Megee, William Burns, Roy Alger, Rev. R. M. Atkins and R. L. Jones;

Attendance: Charles Robinson, Don Stackable, Keith Lowrie and Russell McNeil;

House: William Sharpe, Paul Henry, Fred Beckman and Ed. Davies;

Magazine: Keith Lowrie, A. E. Butters and John L. Carey;

Membership and Classification: Roy Alger, R. L. Jones, Lloyd Megee and Wm. Sharpe;

Rotary Information: Earl Terry, Roy Alger and Ralph Thayer;

COMMUNITY SERVICE: Garnet Poulton, chairman; Ralph Thayer and George Lang;

Rural-Urban: Keith Lowrie, Ed. Davies, and Fred Beckman;

Crippled Children: Ronald Walter, William Burns and Fred Groven;

Youth Program: Ralph Thayer, Harry Yoh, Leslie Greene, and Byron Nolan;

VOCATIONAL SERVICE: Earl Terry, chairman; A. W. Hawke and Fred Groven;

INTERNATIONAL SERVICE: John L. Carey, chairman; Ernest Squier and Guy A. Walter.

The very fine dinner was prepared by members of the Rotary Annns, Mrs. Garnet Poulton, Mrs. Fred Groven and Mrs. Rudolf Schwarze. Assisting with the serving were Elaine Groven and Mary Ann Sprout.

Next week the Clarkston Club will meet with the Lake Orion Rotarians at Indianwood Club. They have been very fortunate in securing as their speaker the Reverend Robert Richards, pastor of the Livonia Methodist Church. This same minister spoke to these same clubs at a Ladies' Night several years ago and his talk was so forceful and his personality so dynamic that many have had the great desire to hear him again. Rev. Richards has spoken to groups in many parts of Michigan and his sincerity along with his humor have fascinated all who have heard him.

It is hoped that every Rotarian will answer roll call next Monday evening.

### Red Cross To Rush Messages

Oakland County Chapter, American Red Cross, can now send a message about a relative's death to a member of the US Army or Air Force as fast as possible—anytime.

"The new authorization came through just recently", Mrs. P. S. Johnson of Pleasant Ridge, county Red Cross home service chairman, said today.

"Formerly, we could only use telegrams and telephones to notify the man of his relative's death if his family had asked leave for him and it had been denied. Otherwise, it had to be sent by mail."

Mrs. Johnson explained that all notifications will contain as much information as possible about the time and cause of death, welfare of the rest of the family and whether or not leave is being requested.

### You Are Invited To Smorgasbord

Another of those good, smorgasbord dinners will be served at the Sashabaw Presbyterian Church, 5331 Maybree Road, on Saturday evening, July 11th. Serving will start at 5:30 o'clock.

The women of the Sashabaw Church are noted for their very fine cooking. They are experts at planning a menu to suit every taste. Their smorgasbord dinners are becoming more and more popular. This Saturday evening's dinner will be no exception.

You are invited to eat with your neighbors and friends at Sashabaw Church on the evening of July 11th. There is no set charge, but a free-will offering will be taken.

### Clarkston Locals

On Sunday Mrs. A. Stemke had callers from California, Royal Oak, and Detroit.

Besides engineering the Fourth of July program in Clarkston the local firefighters were alert to any drowning or fire calls on that day. They were called to Cranberry Lake where an eleven-year-old boy went down in about five feet of water. Other help had the boy gasping when the firefighters arrived on the scene, but they administered oxygen and saw to it that the boy was breathing naturally before Mr. Sharpe arrived with the ambulance to take the child to Goodrich Hospital. The boy suffered from shock, otherwise he was allright.

### By The Way . . .

A few weeks ago we mentioned the desire of clubs to build up large balances in the treasury in comparison to the average person's desire to spend his last cent and go into debt. Within the week a reader mentioned that while this might be true of some clubs, his club, a small one, gave a hundred dollars to its favorite charity and then at the end of the club year gave a banquet to their members using the last cent. Then even as we start life, the new officers started with an empty treasury, and like us human beings the club made its money as it went on through the year.

For those who keep track of such things, traffic was not so heavy Sunday evening—not what was expected from the cars going north. But Monday, was very heavy for the usual Monday traffic. A number of times twenty or thirty cars were backed up on M-15 waiting to get to the Dixie . . . Incidentally business was reported as somewhat below the average over the holiday and certainly not what was expected of a long weekend. Bread salesmen and pop and potato chip men reported a disappointing sale of their wares. Why? That is anyone's guess . . . This week marks the passing of another of the older generation—Ira Jones. He was one of many who greeted us when we came to Clarkston over twenty years ago and made us feel welcome. His friendship continued over the years. . . . Reading this week of a merchant who was robbed of a large amount of money reminds us of the saying "It is better to have loved and lost than never to have loved at all". . . . This week Rudolf took over as the new President of the Clarkston Rotary Club. We doubt if any member has been a more loyal member or a harder worker. . . . This week we carry the statement of condition of the Clarkston State Bank (see page 2, this issue). The addition of Roy A. Alger, even as his father, J. H. Alger was before him, as a director appears in the list of officers. . . . Bill Wilson made a good-looking lady in the parade on the Fourth. . . . Incidentally, papers are being given credit for the small number of accidents over the weekend and in our case we pass much of the credit to Foley and Beardlee who ran an adv. on safe driving in last week's issue of The News. . . . This sounds about right; A passing motorist asked one of a group of workmen doing an excavation job "What are you digging for?" "Money" replied the workman. This struck the motorist as funny and he inquired "When do you expect to find it?" "Saturday night" replied the workman.

### Family Honors 60th Anniversary

On Friday of last week Mr. and Mrs. Clarence Drake entertained at a family gathering at their home honoring the 60th wedding anniversary of Mrs. Drake's parents, Mr. and Mrs. Frank Atkins, of 65 Madison Court, Clarkston.

Centering the dinner table was a large wedding cake, beautifully decorated. Garden flowers were used in profusion about the house and seemed to add much to the gaiety of the occasion.

Mr. and Mrs. Atkins received many cards besides gifts including fruit, flowers and personal items.

Mr. and Mrs. Atkins have lived in and near Clarkston for the past forty-six years. They have one son, Dr. Hazen Atkins of Flint; one daughter, Mrs. Clarence Drake of Clarkston, six grandchildren and eight great grandchildren.

Guests at the gathering included Mr. and Mrs. Gene Roll; Patricia Roll and her fiancé, James Henry; Thomas Roll; Mr. and Mrs. Don Roll and son; Mr. and Mrs. Manley Drake and family, Helen Ann and Thomas; Dr. and Mrs. H. S. Atkins, Mr. and Mrs. H. Theriot and children, Edward, Rosemary and Richard; and Mrs. A. Stemke.

### O. E. S. Fair At Davisburg

Austin Chapter, O. E. S. of Davisburg, will have a Fair at the Masonic Temple on Saturday, July 18, starting at 5:00 P. M.

There will be special booths for fancy work, fish pond, Chinese laundry, pop-corn and candy, fortune telling and hand-writing analysis.

There will also be games, cake walks and refreshments.

### Clarkston Locals

The Dorcas Circle of the Methodist W. S. C. S. meets this afternoon at the home of Mrs. William Johnston. There will be a picnic luncheon at 12:30.

Mr. and Mrs. Arthur E. Clark and daughters of Detroit spent the Fourth of July weekend with his parents, Mr. and Mrs. Lee M. Clark. Other Fourth of July dinner guests at the Clark home were their son and daughter-in-law, Mr. and Mrs. Nelson Clark of Maceday Lake.

### Church IN NEWS

#### CLARKSTON METHODIST

Rev. Robert M. Atkins, Pastor

9:45 A. M. Church School. William Mansfield, superintendent. Classes for all ages including an adult class with A. E. Butters, teacher.

Adult Discussion Group led by Carmen DelliQuadri. This group meets in the upstairs room in the new addition.

11:00 A. M. Morning Worship. The guest preacher on Sunday, July 12th, will be Reverend Paul H. Sullivan, recently of the Hawaiian Islands. His sermon subject will be: "Horizons Unlimited".

Youth Fellowship which meets at 7:00 each Sunday evening will be discontinued through the summer months.

#### CLARKSTON BAPTIST

Rev. George Halk, Pastor

10:00 A. M. Sunday School. Wendell Bishop, Superintendent.  
11:00 A. M. Morning Worship.  
6:15 P. M. Young People's Meeting  
7:30 P. M. Evening Service.

#### DAVISBURG METHODIST

Sunday School, 10:00 A. M. Superintendent Charles McCreedy in charge. Classes for all ages.  
Divine Worship, 11:15 A. M. Sermon by the pastor.  
Youth Choir, 6:00 P. M.  
Youth Fellowship, 6:30 P. M.  
Monday, 7:30 P. M. Boy Scouts;  
Tuesday, 7:30 P. M. Cub Scouts  
Saturday, 2:30 P. M. Jr. Choir rehearsal

(continued on page 5)

### Rotary Anns Install Officers

On Wednesday evening of last week the Clarkston Rotary Anns met at Haven Hill Lodge on M-59. Dinner was served at long tables centered with red roses. Guests were the members' husbands and the retiring president of the local Rotary Club, E. D. Rummins and Mrs. Rummins.

Following a delicious dinner the president, Mrs. Robert M. Atkins called upon Mrs. Earl Terry who installed the following officers: president, Mrs. Russell Colton; vice-president, Mrs. A. W. Hawke; recording secretary, Mrs. Robert L. Jones; treasurer, Mrs. Fred Groven; corresponding secretary, Mrs. Earl Terry; trustees, Mrs. Garnet Poulton and Mrs. Rudolf Schwarze. As each officer was installed she received a red rosebud.

Mrs. Charles Rockwell then presented Mrs. Atkins with a gift from the club in appreciation for her very fine work during her year as president.

After the installing of officers Charles Robinson showed three films which were all very interesting. As it was a very warm evening the one film on "winter sports" tended to have a cooling effect. The second film was amusing as well as interesting—"the gay nineties" took the group back to the old mode of transportation, old fashioned clothes, including the bathing suits and the days of the one-step, two-step and turkey trot. The third film took the Rotary Anns and their guests on a hike along a trail in the Porcupine Mountain in Michigan's upper peninsula.

The Michigan State College animal husbandry department is cooperating with the state breeders association, the American Aberdeen Angus Association and the Aberdeen Angus Journal in staging the event.

But for the part Oakland County Chapter, American Red Cross takes in the "Christmas on the High Seas" program for servicemen, there are about three months' worth of shopping days left.

Mrs. Murray Ashbaugh of Pontiac, new production chairman, announced that packages be mailed to reach their destinations abroad by December 1 this year—instead of by December 25.

"This will move up our deadline on receiving and mailing packages to about October 20", she said.

"Each of the packages should contain at least three small items like a clip-pencil, photo folder, billfold, pencil-type flashlight, pocket-size book, key ring, bottle opener, cigarette case, tobacco pouch, ball-point pen or candy in airtight cellophane", she said.

The Red Cross, Mrs. Ashbaugh emphasized, urgently needs the help of local people and organizations in supplying and packing the gift boxes for servicemen who will find themselves somewhere at sea on Christmas morning.

### Think Of Christmas On The High Seas

Christmas is still six months away.

But for the part Oakland County Chapter, American Red Cross takes in the "Christmas on the High Seas" program for servicemen, there are about three months' worth of shopping days left.

Mrs. Murray Ashbaugh of Pontiac, new production chairman, announced that packages be mailed to reach their destinations abroad by December 1 this year—instead of by December 25.

"This will move up our deadline on receiving and mailing packages to about October 20", she said.

"Each of the packages should contain at least three small items like a clip-pencil, photo folder, billfold, pencil-type flashlight, pocket-size book, key ring, bottle opener, cigarette case, tobacco pouch, ball-point pen or candy in airtight cellophane", she said.

The Red Cross, Mrs. Ashbaugh emphasized, urgently needs the help of local people and organizations in supplying and packing the gift boxes for servicemen who will find themselves somewhere at sea on Christmas morning.

#### SUMMER SESSION AT MSC

A total of 3,523 students are attending classes in six-week and nine week sessions at Michigan State College's 40th annual Summer School.

A total of 2,290 men and 1,233 women registered for the two sessions, according to M. S. C. Registrar R. S. Linton. Late registrations are expected to boost the total summer enrollment to approximately 3,700.

#### AT MSC

In the number of employees, automobile manufacturing leads with 466,000. Retailing is second with 303,000. Close behind is the motor transport industry with 290,000.

If we take the very conservative estimate of only five cents per mile average operating cost, excluding wages of the drivers, we get a figure of \$450 millions a year that the motor transport industry pays into the economy of Michigan.

### Marine's Mighty Mite Takes the Air

The Mighty Mite, the Marine Corps' new light weight utility vehicle is a truly land, sea and air truck. The versatile little vehicle can travel 55 mph on land, 2 1/2 mph on water by means of a unique flotation gear, and carried easily by helicopter because of its light weight. It will be exhibited in action at the International Aviation Exposition, celebrating the 50th Anniversary of powered flight, at the Detroit-Wayne Major Airport on July 9, 10, 11 and 12. Tickets for the show are on sale at all airports throughout Michigan.

The voters in the Clarkston Community School District are reminded that the Annual School Election will take place at the Village Hall on Monday, July 13. The polls will be open between 8:00 A. M. and 6:00 P. M. So far the only announced candidate for the school board is Jack Murton who is seeking re-election.

The Annual Meeting will be held in the High School Auditorium on Monday evening at 8:00 P. M.

If you have children in any school in the district then you should be interested in what goes on at the annual meeting. There was a time when School District No. 3 Frl. was quite small and the school business went accordingly, but now the district is large and should be considered "big business". The attendance at the annual meeting should grow with the schools.

### Government Forum Scheduled At MSC

The eighth annual forum on state and local government will be held at Michigan State College July 6-24, sponsored by M. S. C. and nine other Michigan colleges, universities and agencies.

Fifteen panel discussions are scheduled. Participants will include Gov. G. Mennen Williams, D. Hale Brake, chairman of the Institute of Local Government and State Treasurer, and more than 50 other representatives of state and local governments in Michigan.

Purpose of the annual forum is to give students and lay persons especially interested in government a broad view of the major functions and problems of state and local government in Michigan, according to Prof. LeRoy Ferguson of the M. S. C. department of political science who is forum chairman.

Purpose of the annual forum is to give students and lay persons especially interested in government a broad view of the major functions and problems of state and local government in Michigan, according to Prof. LeRoy Ferguson of the M. S. C. department of political science who is forum chairman.

#### NEWS AND COMMENT

##### CONGRESSMAN GEO. DONDERO BILL MAY END INTERLOCHEN BROADCAST CONTROVERSY

Congressman George A. Dondero has introduced in Congress a bill designed to make possible through legal action an ending of the controversy between Caesar Petrillo, of the American Federation of Musicians, and Joseph E. Maddy, of the National Music Camp at Interlochen, Michigan, over the right of music student's to broadcast non-commercial concerts without union interference.

Nearly eight years ago, Congressman Dondero said, plans were made by the National Music Camp, which is affiliated with the University of Michigan, to broadcast concerts by the student orchestra. Petrillo intervened with a demand that the music camp authorities hire a "standby" orchestra of professional musicians. Owing to the wording of the Federal Communications Act, Petrillo thus was able to prevent the amateur broadcasts.

Various attempts were made over the years, Congressman Dondero said, to bring about an agreement between Petrillo and Maddy, the latter professor of music at the University of Michigan. Other attempts were made to amend the Federal Communications Act but so potent was the union influence that nothing was done. Recently, however, continued study of ways and means for amending the act constitutionally and with fairness to all concerned developed a series of proposed amendments. Congressman Dondero said this week he believes these amendments, as embodied in his bill, are likely to meet with the approval of Congress.

The amendments, Congressman Dondero pointed out, would serve to bring the union out from behind the barricade of provisions now included in the Federal Communications Act, the Norris-LaGuardia Act, the Clayton Act and various other federal statutes. Thus the union could be hauled into federal court for a decision concerning whether the public interest is served by actions calculated to bar young Americans from the air-waves.

It seems probable that no committee action on the bill to amend the Federal Communications Act in behalf of the amateur musicians can be taken before the first of next year, Congressman Dondero expressed the opinion that it is quite possible that next summer amateur broadcasts by National Music Camp students at the time of the Interlochen Music Festival may be heard.

### Waterford

Mrs. Jack Hall, Correspondent  
Phone OR 3-0261

Mr. and Mrs. Jack McCaffrey (Josephine Morris) are announcing the birth of a six pound fourteen ounce daughter, Judith Jo, on July 3rd at St. Joseph's Mercy Hospital. Grandparents are Mr. and Mrs. Phillip Morris of Pontiac and Mr. and Mrs. Robert Amos of Waterford.

Mrs. Arthur Haynes has returned home from Pontiac General Hospital where she has been a patient this past month.

Sheila Amos arrived in Waterford Saturday from Kentucky and Texas where she has been for several months. She will spend

the summer with her folks, the Wallace Browns.

Mr. and Mrs. Earl Wilcox and granddaughter, Carmen Kay Beckous, are spending this week at their cabin at Atlanta.

Mr. and Mrs. Jack Hall went to Royal Oak on the 4th and were guests of Mr. and Mrs. Roman Lieber who were entertaining several friends at a picnic honoring Mrs. Ruth Strohscheen who flew from Tucson, Arizona, last week.

Little Kathy Sue Eshleman is confined to her home with the measles.

Mrs. Clyde Lehman, who has been ill at her home, entered St. Joseph's Mercy Hospital in Pontiac this week for a week of treatment.

Mr. and Mrs. Roland Smith entertained several guests from Pontiac and Flint on Sunday at a lawn party at their home on Waterfront Drive on VanNorman Lake.

Mr. and Mrs. Ellis Studebaker went to Au Gres on Friday and returned home Monday. Their daughter, Virginia, has been spending some time with her grandparents in that town and they drove up to bring her home.

Mrs. Sara Lou Voliva and little son, Kev, came from Ottawa, Illinois, on Saturday to spend some time with her parents, Mr. and Mrs. Clyde Lehman.

Mr. and Mrs. Ainsworth Wyckoff and son, Ross, of the Airport Road, visited his parents in Sheridan, Michigan, over the weekend.

The members of the Waterford Women's Club have been invited to a ceramic demonstration by Mrs. Beth Thomas on next Thursday evening. The affair will be held at the Thomas home on Hayden Court and will take the place of the regular monthly meeting of the club. Hostesses for the evening will be Mrs. Myrtle Grafmiller, Mrs. Chloe Correll and Mrs. Verle Myers. The club ladies have worked hard to have the kitchen at the C. A. I., "spic and span" before the annual Fair next week. The new ceiling and the fluorescent lights are in and the painting throughout the room has been completed. Bright curtains have been hung and a new 11 cubic foot refrigerator was delivered last week. The latest addition to the equipment is an electric French fryer, the gift of Mrs. Irene Trunck, one of the members. The club ladies will serve meals

### Bales of Hay Go Underground As Farmer Makes Silage New Way

Photo by New Holland

"If you want to store that surplus grass this year, you might try baled silage. This Massachusetts farmer bales his green hay (top photo) and buries it in a trench silo (lower photo). When he uncovers it this Spring he reported no measurable spoilage. Each layer of the twine-baled bales is packed tight and a preservative, such as dried molasses, can be added if the grass is particularly green."

the three days during the Fair.

The engagement of Shirley F. Gesch and William T. Withner of Omaha, Nebraska, was recently announced at a party held in Miami, Florida. Shirley is the daughter of Mr. and Mrs. Louis Hillman of Waterloo Road and the prospective groom is the son of Mr. and Mrs. Edward H. Withner of Miami. The couple will be married in the fall.

The annual picnic for Christ Lutheran Church will be held this coming Sunday at the Waterford Center School under the beautiful trees there. A church service will begin at 10:30 and the pot-luck dinner and afternoon of fun will follow. Each family is to bring a dish of food to pass, according to the size of the family, their own bread and butter and table service. Families with children in Sunday School are also invited.

The Annual C. A. I. Fair is all set to start on Friday of next week and run through Sunday night, July 17th, 18th and 19th. This will be held in the C. A. I. building and on the grounds at 5640 Williams Lake Road. There will be all kinds of attractions for young and old for the three days with a merry-go-round and ferris wheel adding to the fun.

Meals will be served in the dining hall by members of the Women's Club all three days.

Sunday evening will see the crowning of the Queen of the Fair. Much interest is being shown in this contest and lovely prizes, as well as a week at ElRancho in northern Michigan for two people will be awarded the winner.

The Fair will close with a brilliant display of fireworks.

Everyone is urged to visit the Fair, have a good time, meet your friends and neighbors and help a worthy cause.

### GMC PICNIC AT WALLED LAKE PARK

Fire brigades fighting actual fires and a special hobby show will be features of the annual family picnic for employees of the GMC Truck and Coach Division to be held at Walled Lake Park on July 18.

While the youngsters indulge in 13 thrilling free rides at the amusement park and work on 30,000 individual servings of ice cream, the parents will watch GMC's 12 volunteer fire brigades swing into action in a competition expected to be both exciting and colorful.

The hobby show, another new event for the annual outing, will have approximately 50 employees exhibiting a variety of hobbies ranging from birds (pheasants, parakeets) to model trains and

"Frogman" diving equipment. A sports program will include a girls softball game in the morning and a regular National Industrial Fast ball League game in the afternoon between the World Champion Briggs team of Detroit and the GMC Truck and Coach team.

Last event in a fun packed day will be the drawing for 50 prizes topped by the Grand Prize, a 1953

Pontiac Catalina with Hydraulic drive, power steering and all the extras. Other prizes include six television sets, a Frigidaire refrigerator, electric range and automatic washing machine. Traditional picnic games, music and clowns will add to the merriment.

FASCINATING! TRUE! Here's the strangest story you

have ever read—"THREE WOMEN IN ONE BODY". Three names . . . three personalities. . . three women—all in one body. Here is the amazing story behind one of the most baffling medical cases of our time. Starts Sunday in The American Weekly, the magazine distributed with SUNDAY'S CHICAGO AMERICAN.

NEWS LINERS BRING RESULTS

## The only convertible that outsells Ford!

WHAT IS IT that makes Ford's Sunliner America's best seller? Is it its high-compression V-8 power? (No other convertible in Ford's field has this kind of engine.) Is it the fine craftsmanship of its Crestmark Body? (No body in its field can match Ford's choice of exterior and interior color combinations.) Is it its new spring and shock absorber action which makes even roughest roads feel smooth? (The Sunliner's springs are tailored to its

weight.) Is it the choice of Fordomatic, Overdrive or Conventional you get? (You won't find such a choice in any other car in Ford's field.)

No, it's not just any one of these things that make Ford America's largest-selling convertible. It's all 41 of Ford's "Worth More" features . . . features which folks know make Ford worth more when they buy it, worth more when they sell it.

F.D.A.F.

Test Drive America's No. 1 Convertible! Ford Sunliner!

HOW MY TELEPHONE HELPED IN AN EMERGENCY  
MRS. SARA B. RIEGLER  
KALAMAZOO, MICHIGAN

AS MIDNIGHT STRUCK...

WE'LL HELP YOU...

OPERATOR...

OPERATOR PANSY LEE HENSLEY ANSWERED...

"TO INCH MY WAY TO THE TELEPHONE WAS MY ONLY CHANCE TO GET HELP... I TOLD THE OPERATOR WHAT HAPPENED, GAVE HER MY SON LEON'S NUMBER TO CALL!"

MOTHER!

MOTHER?

"AFTER I SPOKE TO LEON, HE CALLED THE DOCTOR, LEFT FOR MY HOUSE AT ONCE."

"THAT SWEET OPERATOR CALLED BACK, ASKED IF I NEEDED ANYTHING, KEPT TALKING TO COMFORT ME."

"LEON CAME VERY QUICKLY AND THE DOCTOR CAME A FEW MINUTES LATER."

"MOTHER? I'LL CALL THE DOCTOR... AND I'LL BE RIGHT OVER."

"ARE YOU ALL RIGHT?"

"YES, I FEEL A LITTLE BETTER..."

MRS. FRY CALLED MRS. RIEGLER BACK FROM THE TELEPHONE OFFICE.

BUT MRS. RIEGLER COLLAPSED AGAIN JUST BEFORE HER SON ARRIVED...

MRS. HENSLEY PUT THE CALL THROUGH, ALERTED SENIOR OPERATOR ELEANOR FRY...

WHEN YOU THINK OF ALL THE CALLS YOU MAKE AND RECEIVE...AND HOW LITTLE EACH CALL COSTS...YOU REALIZE THAT YOUR TELEPHONE IS ONE OF YOUR BIGGEST BARGAINS...WORTH A LOT MORE THAN IT COSTS.

**The Grist Mill**

by Ed Alchin,  
County Agricultural Agent

Little damage has been incurred by most farmers in Oakland County due to storms of recent weeks. Up to this writing some fields of wheat have been damaged slightly by wind and heavy rain. However, this damage has been confined to low spots in the field.

**MARKETING QUOTAS FOR WHEAT**

Recent announcements make it quite definite that there will be acreage allotments with subsequent marketing quotas for the 1954 wheat crop. Surpluses of wheat have been created by exceptionally good crops over the past few years, along with a loss of foreign market outlets which

have brought about a necessity for the application of these controls. What it actually means is that based on past acreages of wheat grown, a percentage of the average acreage will be deducted to limit the number of acres planted and marketed if wheat is to be supported at 90% of parity. If there are no controls then parity support prices will be 50%. There will be an opportunity for farmers to vote on this program later.

**POLIO PRECAUTIONS OUTLINED BY MEDIC AT U-M HOSPITAL**

Although a few simple precautions are suggested to keep children safe from polio, parents are urged not to become hysterical and thus overly restrict their youngsters' activities.

Russell Hartzler, Clarksville, Michigan State CROP Director (second from right), is seen above participating in dedication exercises for one carload of surplus powdered milk to be moved with Michigan CROP contributions to overseas church relief distribution points.

The photograph was taken June 23 at a Milwaukee, Wisconsin, wharf. With Mr. Hartzler are from left to right: Dr. Wynn G. Fairfield, executive director of Church World Service (CROP's parent agency), Bishop William C. Martin, president of the National Council of the Churches of Christ in the U.S.A. (of which CWS is a department), and John Herbert Davis, president of the US Commodity Credit Corporation. On the right is the Rev. John D. Metzler of Elkhart, Indiana, national director of CROP. The Commodity Credit Corporation has released a total of 90 million pounds surplus milk to all accredited voluntary foreign relief agencies. The CWS portion, 14,500,000 pounds, will be moved to ocean ports with funds contributed to CROP.

Danger is greatest if there is a lot of polio in the community, says Dr. David G. Dickinson, medical director of the Respirator Center at University Hospital. No month or time of day is most dangerous, because the disease does not follow a pattern of this kind, he states.

Three measures for avoiding polio are recommended by the National Foundation for Infantile Paralysis:

1. Don't let children become exhausted, and make sure that they get plenty of rest.
2. Severe chilling, such as blue-ness from swimming for a long period of time, should be prevented.
3. Public places like wading pools and carnivals should be avoided. "It is not a good idea to expose children to new playmates every day", Dr. Dickinson said, "but it is foolish to keep them away from their own circle of friends."

The early signs of polio are non-specific, and it is often impossible to diagnose the disease definitely in its early stages, he declared.

Sore throat, fever, headache, and sick stomach are all part of the symptoms of patients later found to have polio. These are also the symptoms of many other diseases, he pointed out, and the only really useful thing to do is put a child to bed for any kind of sickness and call a doctor.

**You get more out of a GMC**  
—because GMC builds more in!

**GMC HYDRA-MATIC TRUCKS**

ONLY LIGHT-DUTY GMC's for '53 have them—these super-features that pay off in lower running costs and longer life—no matter how hard you use a truck.

GMC builds in Dual-Range Truck Hydra-Matic.\* You get 3 engine-saving, fuel-saving speeds for traffic — 4 for the open road. No clutch repairs or replacement. Your engine and drive line are protected from strain. Quicker take-off after every stop.

GMC builds in a 105 H.P. engine with 8.0 to 1 compression. You get as much as 19% more power than other six-cylinder lightweights. You get crisper response—extra

punch—and better mileage—all from regular gasoline.

GMC builds in: bigger self-energizing brakes—a roomy "Six-Footer" cab—Synchro-Mesh transmission—recirculating ball-bearing steering action—double-acting shock absorbers—a 45-amp. generator.

What's more, you get all this at a price that makes GMC the greatest buy in the light-duty field. Come on in and make us prove it!

\*Standard equipment on Package Delivery model; optional at moderate extra cost on all others.

**Pontiac**  
GENERAL MOTORS LOWEST PRICED EIGHT

It's very easy to see why Pontiac stands alone in its ability to match features and quality with the finest cars—yet at a price so low that it's within the means of any new-car buyer.

First—look at its beauty. Pontiac's distinctive styling is instantly recognized and universally admired.

Next—check Pontiac's performance by driving it yourself. You'll learn that under the hood there's more power than

you'll ever likely need. You'll find that Pontiac is easy to handle, that it takes the roughest going in stride with amazing road-hugging comfort.

But Pontiac's final proof of value is in its unsurpassed reputation for long life, dependability and economy of operation.

Why not come in and spend a few minutes getting the entire Pontiac story? That's all it will take to make you a Pontiac owner.

**IRONING OF NEW FABRICS MADE EASIER**

Ironing day is not what it was before the advent of man-made fibers. It is easier and quicker. Florence Rann, extension clothing specialist at Michigan State College, suggests ironing is easier now because homemakers merely iron to smooth the new man-made

fabrics. Almost no pressure on the iron is needed and a slow, deliberate motion with a low-temperature iron. The weight of the iron will smooth out any wrinkles. Acetate always requires ironing but nylon, dacron and orlon may need no ironing. If they do, the new method of slow, easy, cool pressing is all that is needed. Since man-made fibers dry very quickly you may sprinkle garments so they are evenly damp. Or you may prefer to iron the garment before it is completely dry.

Ironing on the wrong side protects the surface and keeps the fabric looking new for a longer time. But when you want to touch up pockets, collars on the right side, Miss Rann suggests you use a dry press cloth about the weight of muslin. This will prevent any glaze or shine on these new man-made fibers. Long sleeved blouses of acetate are less worry for the modern

homemaker. For the final touch she hangs the blouse on a hanger in the air—and presto—the steam left in the fabric will take out the wrinkles as the fabric dries. No more concern about that shine caused by over-ironing the gathers at the cuff.

**WILT DISEASE DANGEROUS TO OAK SURVIVAL**

Oak wilt disease has placed the mighty oak tree in serious danger in Michigan.

That's the warning from Forrest Strong of the Michigan State College botany and plant pathology department. The disease was first recognized in Illinois, Iowa and Wisconsin in 1929, and since that time more than 50 per cent of the oak trees in many woodlands in those states have been destroyed. The disease is not that prevalent in Michigan, however. Strong believes that better ways

of controlling oak wilt will be found, but he now advises owners to cut down infected trees as soon as they are found in a woodland. The saw logs should be removed at once and piled in a dry, sunny location. They also can be taken to the mill and sawed at once into lumber. Once a tree is infected by the oak wilt fungus, warns Strong, it dies, usually in a short time. He suggests calling the local county agent when oak wilt is suspected.

**STORAGE OF CROPS MEANS MORE PROFIT**

Farm storage of crops is going to be more important than ever this year, especially for wheat and corn, according to Clarence Prentice, a Michigan State College agricultural economist.

A large carry-over of both crops from last year means, he warns, that farmers who don't store their grain are going to be at a price disadvantage. He is urging farmers to put as much of their wheat storage facilities as possible into condition yet this year.

Prentice advises that corn often sells for 25 to 50 cents a bushel higher a few months after the harvest season. And if a farmer can prepare his wheat storages this year, he may be eligible for the Michigan price support averaging \$2.21 a bushel.

The agricultural economist adds that good corn storage will allow the farmer to resell his 1952 loan corn, earning a storage payment of 13 cents a bushel.

On all these points of comparison... **Chevrolet's farther ahead than ever!**

... IN NEW AND ADVANCED STYLING—The new long, low, sleek lines of the 1953 Chevrolet set new standards of beauty in the low-price field. Here you will see careful detailing and a richness of appointments always before found only in much costlier cars.

... IN HIGH-POWERED PERFORMANCE—The most powerful engine in the low-price field! The entirely new 115-h.p. "Blue-Flame" engine in combination with new Powerglide\* brings you new high-compression power and a wonderful gain in economy, too. In gearshift models you will find the advanced high-compression 108-h.p. "Thrill-King" engine.

... IN SMOOTH, SIMPLE AUTOMATIC DRIVING—Expect faster getaway with Powerglide's new automatic starting and passing range . . . and new economy, too. Chevrolet's new Power Steering\* takes over 80 per cent of the work of steering, makes parking unbelievably easy.

... IN ECONOMY AND VALUE—Now, you'll get many more miles out of every gallon of gasoline. You'll save on over-all operation and upkeep, too. Yet Chevrolet remains the lowest-priced line in the low-price field.

... IN AMERICA'S FAVOR—Again this year—as in every single postwar year—more people are buying Chevrolets than any other car. In fact, latest official registration figures show that Chevrolet is over 25% ahead of the second-place car. Nearly 2 million more people now drive Chevrolets than any other make.

\*Optional at extra cost. Combination of Powerglide automatic transmission and 115-h.p. "Blue-Flame" engine available on "Two-Ten" and Bel Air models only. Power Steering available on all models.

#### TRACTOR'S AIR CLEANER NEEDS DAILY SERVICE

A tractor working in the field should have its air cleaner serviced daily, advises a Michigan State College agricultural engineer.

Walter M. Carleton says the dirt and dust-filled oil in the cleaner should be drained and replaced with clean oil. The wire mesh portion of the cleaner, however, needs cleaning only about

once a year. In extremely dusty work, he suggests, an air-sock extension or a pre-cleaner is almost a necessity.

Carleton reports that an efficient oil bath air cleaner can remove 98 to 99 per cent of the dust from the air that goes into the tractor engine. A tractor uses about 10,000 gallons of air for each gallon of gas.

To make a sugar sirup for sweetening fruit you are canning, boil sugar and water or fruit juice for five minutes and remove the scum, advise Michigan State College home economists. A heavy sirup can be made by using a cup of sugar with one cup of water or

### Air Force's New Supersonic Wonder

The F-84F Thunderstreak is the Air Force's first swept-wing fighter-bomber. It succeeds the Korean battle-tested Thunderjet and is capable of flying 710 miles an hour and it far exceeds 1,000 mile-combat radius. This latest weapon of our air offense will be seen, together with numerous other planes of the Navy, Army, Air Force and Marine Corps at the 1953 International Aviation Exposition at the Wayne-Detroit Airport in Detroit on July 9-10-11-12, marking the Golden Jubilee of 50 Years of Aviation Progress.

juice. A medium sirup recipe calls for a cup of sugar with two cups of water or juice and a light sirup will come from three cups of fluid with one cup of sugar.

### Put your Ford in "Trip-top" shape

"Travelize" your Ford now!  
You'll save time and money.

• A vacation trip is one time when you want your Ford in the pink. Travel-wise owners make sure by having their Fords "Travelized." And not at the last minute, either! A week or so before their trip, they get the all-round check-up which their Ford Dealer is so well equipped to perform. Then they know they're driving away in a car which has been given a

real "travel-check" by Ford mechanics who have at their disposal the advantages of factory-approved methods and Genuine Ford Parts. Try this "Travelizing" idea on your own Ford. Let your Ford Dealer go over it point by point, with special attention to the eight under-hood items displayed below. You'll say the peace of mind alone was worth the little time and money it cost you.
