

**Waterford**  
 Mrs. Jack Hall, Correspondent  
 Phone OR 3-0261

Mr. and Mrs. Franklin Watkins are receiving congratulations on the birth of a 6 lb 4 oz son, Patrick Franklin, on Friday, August 21, at St. Joseph's Mercy Hospital in Pontiac. Grandparents are Mr.

and Mrs. James Miller of Waterford and Mr. and Mrs. Reuben Watkins of Oxford.

Mr. and Mrs. Edwin Beattie are the parents of an 8 lb 6 oz daughter, Kay Marjorie, born August 17th at Goodrich General Hospital. Grandparents are Mr. and Mrs. John Beattie of Columbiaville and Mrs. Annie Findlay of St. Johns. Mrs. Ida Beattie and Mrs.

Etta Campbell of Waterford are the baby's great grandmothers. The Beatties have two other children, Kim and Kirk.

A radio-telephone call on Sunday evening was received by the Ed Craft family (of the Waterford Hill Greenhouse) from their son, Staff Sergeant G. Harvey Craft who has been in the front lines in Korea for the past year. He was about 150 miles out at sea from San Francisco when he put the call through. He is on his way to a camp in this country and he is looking forward to arriving in Waterford sometime the last of this week.

S 3/c and Mrs. William Barrows (Nancy Brown) and small daughter, Susan, arrived Monday from Portsmouth, Virginia, and are spending some time with their families here before being transferred to another base.

Mr. and Mrs. Donald Beedle and two children are moving back to Waterford this week from Memphis where they have lived this past year. Don is going to teach in the Waterford Village School and they will live at the Emery Beedle home on the Airport Road.

Mr. and Mrs. Lawrence Giddings had all of their children and their families with them for a picnic dinner on Sunday. There were 16 present.

The employees of Jacober's Market gave a surprise party on Tuesday evening at the Percy Wood home honoring one of their clerks, Jerry Calahan, who leaves soon for Miami University in Ohio. Several other friends were present and the group presented Jerry with a lovely gift of luggage. He is the son of the Charles Calahans of Airport Road.

Robert Putnam of Waterford Drive was among the group of young men recently inducted into the service from this locality. Leaving at the same time was Jack Emery, son of Dr. and Mrs. A. W. Emery, of the Dixie Highway.

A pleasant afternoon was spent on Tuesday of last week at the home of Mrs. John Watchpocket when she and her sister, Mrs. Henry Mehlberg, entertained at a Tea for a number of friends in the village. Those attending were Mrs. Anna Powers, Mrs. Roy Blakeslee, Mrs. Albert Mertens, Mrs. Anna Gesch, Mrs. William

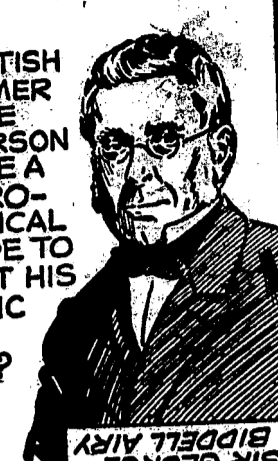

## Seeing is Believing

*Can you name him?*

will be announced later.

The Men's Beacon Club will meet this Saturday at the Community Church. A pot-luck dinner will be served at 6:30. A representative from the Seeing Eye Foundation will be there with his dog "Dauber" to speak on the work of the organization. All men of the community are welcome to attend the dinner and program.

**CHURCHES HAVE ROLE AGAINST RED MENACE**

Whether the world's "little people" receive help from democratic sources or from the communists depends upon the churches, an internationally-known missionary declared at Michigan State College.

Dr. Frank Laubach, speaking at International Council of Community Churches in conference at M.S.C., declared that "We must carry on a war against poverty, disease, illiteracy, and oppression. There is just one organization that can do that—the church."

A missionary to India for many years and originator of the "Each one to teach one" plan to promote literacy in backward nations, Dr. Laubach said churches have "wealth, talents and God—all that is necessary to bring about the greatest hour in history."

"We must carry out what the Reds have only promised," he said. "The church must do the job and community churches can set the example."

**OUTLOOK FOR DAIRYING IS OPTIMISTIC**

The outlook for dairying in Michigan is an optimistic one for the coming year, says a Michigan State College agricultural economist.

Extension Specialist Dale E. Butz predicts that dairying is likely to be favorable relative to other enterprises.

"Support prices probably will be lowered next winter," he points out, "but this will not make too much difference in price, since increased demand due to the population increase will nearly

absorb the milk equivalent of products purchased by the government this year."

Admitting that the longer-time outlook for dairying is "colored" by the introduction of filled milk products, Butz believes the change there will not be as drastic as some have predicted.

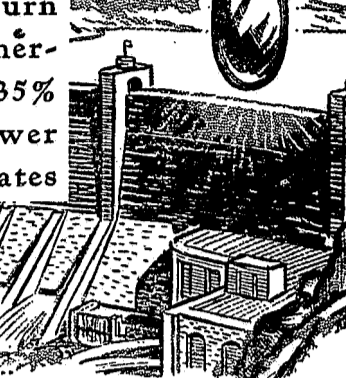

He suggests that the increased fluid sales and the selling of non-fat dry milk will more than offset losses in outlets for fat.

There will be a gradual shift in values placed on fat and non-fat solids with the latter taking the greater share of milk price. This, Butz notes, will come with education and promotion as consumers realize the value of milk.

Butz looks for more emphasis to be placed on evening out the seasonal milk flow through pricing schemes and other means. Federal and state orders will be extended to nearly all fluid milk markets. Quality gradually will be raised so that nearly all milk is of bottling quality. And, Butz adds, the shift from farm-separated cream to the delivery of whole milk will continue.

"For the producer with an adequate size business, good management, good cows and proper equipment," concludes Butz, "the future is always bright. The producer with only three or four cows, inadequate equipment and high costs is in for a rough time."

Hunt, Mrs. L. V. VanSycle, and Mrs. Arthur Davis. Visiting and television and lovely refreshments were enjoyed and each guest was presented with a corsage made by Mrs. Watchpocket.

Mr. and Mrs. Harry Coulthurst flew home from California last week after spending two months there with their daughters and families. They went west in June to be present at the graduation of a granddaughter. Mrs. Coulthurst is confined to a wheel chair following several strokes, but she made the trip quite comfortably, flying both ways.

Mrs. William Jacober has been called back to Mountain Iron, Minnesota, where her father, E. C. Saar is seriously ill.

Mrs. W. P. Crowe of Williams Lake Road is convalescing at her home following major surgery two weeks ago in St. Joseph's Mercy Hospital.

Victor (Bud) Lindquist underwent a spinal operation on Monday in St. Joseph's Mercy Hospital.

Mr. and Mrs. Elmer Davis and Mr. and Mrs. Alton Goll have returned home from a two weeks camping trip in northern Michigan and the upper peninsula.

Mr. and Mrs. Joseph Helman and son, Dick, are home from a vacation trip in New York State and Canada. They visited Niagara Falls and then went on to the Adirondack Mountains where they went up White Fall Mountain, stopped at the North Pole and Au-Sable Chasms. They then drove to Oshawa, Ontario, where Mr. Helman visited the grave of his father which he had been unable to locate previously. They returned home on Friday night.

Mr. and Mrs. Henry Mehlberg observed their 37th wedding anniversary on Saturday. On Sunday they drove to Leonard where they

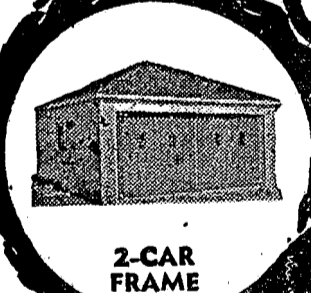

had their first home and where Mr. Mehlberg was a former superintendent of the school.

The Adult Bible Class of the Waterford Community Church will meet at the Wallace Brown home on Tuesday, September 1st at 7:30 P. M.

The Ladies Auxiliary of the Community Church will meet on the regular date, September 3rd, at 12:30, but the place of meeting

NEWS-LINERS BRING RESULTS

# Keeps its value better than any other car!

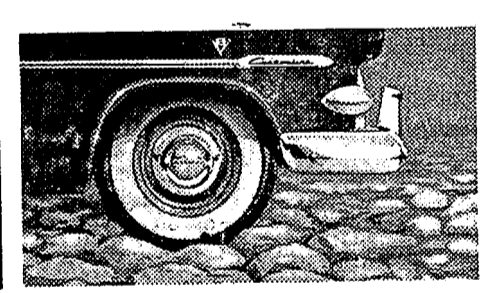

Used car dealers report that Fords return more of their original cost than any other car—and there are 41 reasons why:

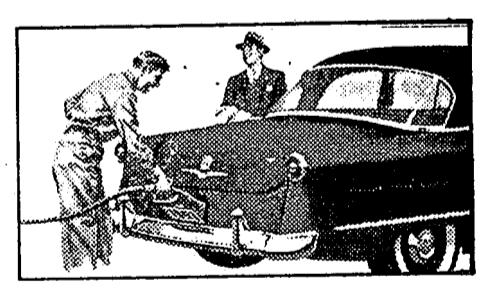

**Take power.** Ford's two high-compression engines are real leaders in their class. Ford's the only car in the low-price field to offer you the smooth power of a V-8 engine. And no other car in any field has so modern a Six.

**Take build.** Ford's one-piece Crestmark body gives you style-setting beauty with rugged "built" underneath. Where many other cars are bolted, Fords are welded hull-tight to keep out rust-causing weather and dirt.

**Take ride.** Ford's wonderful, new ride reduces front end road shock up to 80%. And Ford's new, more responsive spring and shock absorber action gives you the comfortable easy ride you want without gas-eating extra weight.

**Take savings.** Ford's economy-minded Automatic Power Pilot saves you money on every gallon of gas. It automatically adjusts carburetion, ignition and combustion to make every drop of gas ("regular" at that) work its heart out.

The swing is to

#### MSC HOTEL TRAINING TO BEGIN 24th YEAR

East Lansing—Michigan State College's training program—the second oldest in the nation—will begin its second quarter-century of service this fall with the largest student enrollment in its history.

An expected 200 freshmen, almost twice the number who entered in the fall of 1952, will make up about one-half the entire student body of the M. S. C. division of hotel, restaurant and general institutional management.

Today, 600 graduates of the program, conducted in M.S.C.'s unique Kellogg Center, hold positions as managers of hotels, clubs, hospitals, restaurants, industrial food services and allied businesses.

#### MSC TO LAUNCH ALCOHOL STUDY

A new approach toward solving the problem of alcoholism will be undertaken during the coming year under the direction of a Michigan State College professor.

A few years ago, the click of a cell lock marked the end of a policeman's responsibility to an alcoholic legal offender. But that is not so today, according to Robert H. Scott, associate professor of police administration at M.S.C.

"At a time when alcoholism is generally considered to be a disease," he said, "we must remember that the offender can be arrested, but not the disease."

With the aid of students, fellow Michigan State instructors and a \$2,000 grant from the State Board of Alcoholism, Scott will conduct research into the problem.

Police estimate that, apart from traffic offenses, about 50 per cent of their cases stem from the drinking problem, Scott said. The troublemaker may be a chronic drinker, an otherwise good citizen who periodically gets drunk, or a "social drinker" who takes a little too much.

"Obviously these three types do not have the same problems," Scott said. "A police official must have a good working knowledge of alcoholism if he is to recommend treatment. Rarely is a police department in a position to treat the alcoholic, but they can refer him to agencies that can help him.

YOU CAN EAT BETTER

Edison Home Service Advisor, left, shows Mrs. Desmond Walters the latest technique in wrapping foods for freezing. The Walters' 20-cubic-foot freezer is always well-stocked with good things to eat.

the year round

with an ELECTRIC farm freezer

Mr. and Mrs. Desmond Walters farm about 90 acres in St. Clair County. They are general farmers with a milking herd of 12 cows. They also keep 200 to 500 laying hens, and raise 500 broilers a year.

The Walters keep their farm freezer packed with meats, fruits and vegetables, either home-grown or purchased. Mrs. Walters says she doesn't know how they would get along without it. She finds freezing easier than canning, and loves the convenience of always having tasty food at her finger tips.

You, too, can enjoy better meals and extra convenience the year round with a farm freezer. For full information see your Edison Home Service Advisor.

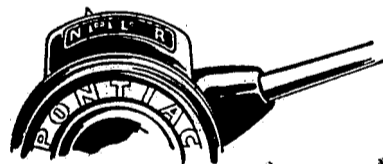

Good wiring is always important. So always ask your Farm Service Advisor for his recommendations.

# FINEST OF FEATURES AT LOWEST COST!

Dual-Range Hydra-Matic Drive

Pontiac's wonderful Dual-Range Hydra-Matic gives you both eager pep and alertness in traffic and smooth, quiet, gas-saving cruising on the open road. And it's the same time-proved automatic drive you find in the most expensive cars in America!

122" Wheelbase

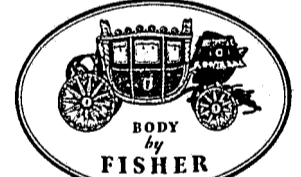

Pontiac is a big car—in fact no car so big is priced so low. This extra size gives you more room and contributes greatly to Pontiac's smooth, relaxing, road-hugging ride—a ride that gives you a wonderful feeling of solid security wherever you go.

Power Steering

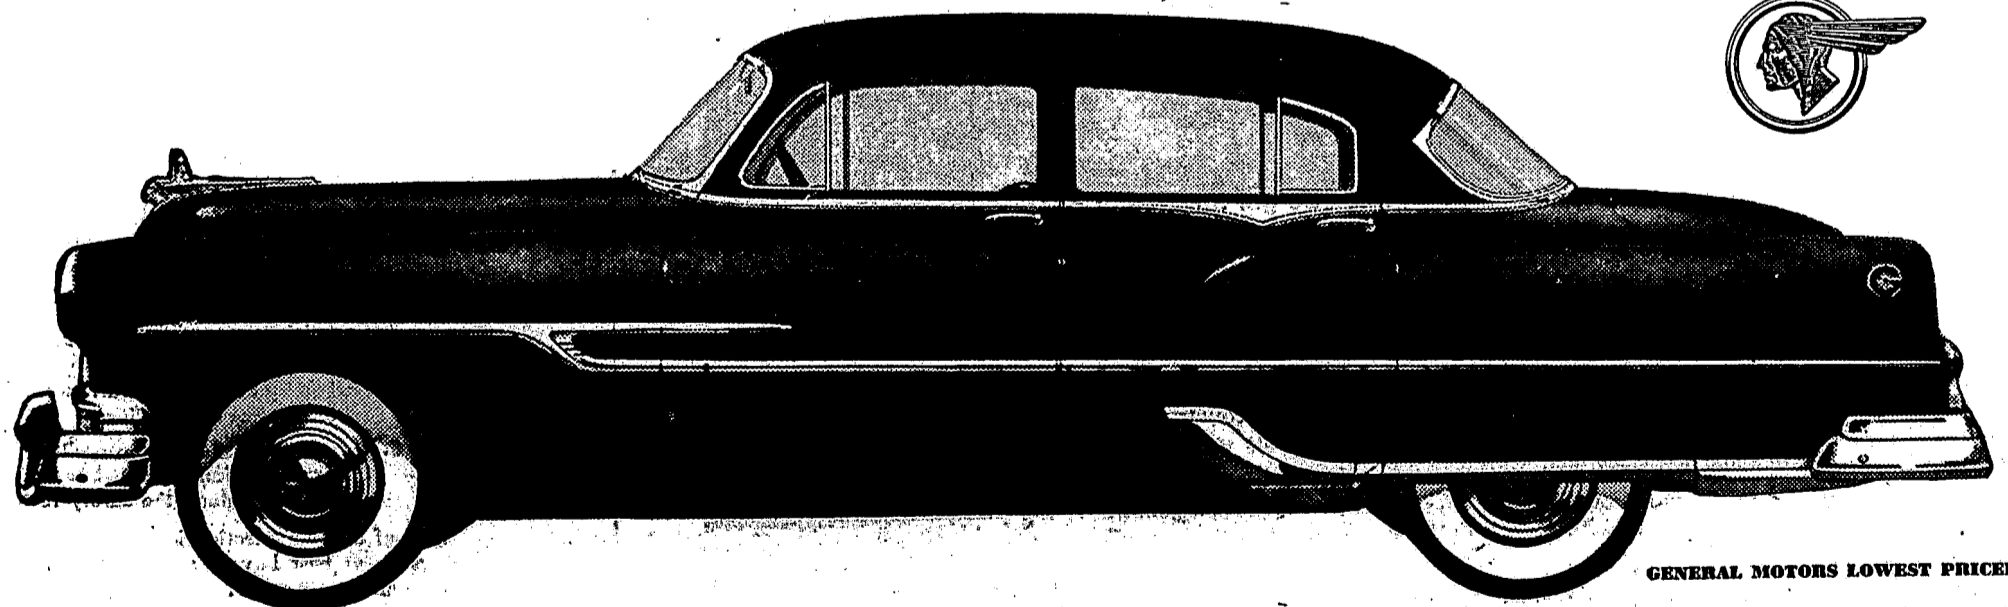

Pontiac's Power Steering\* takes over almost all the work of turning and parking and provides driving as effortless as modern engineering can make it. It's the same type of power steering you get in the finest cars. \*Optional at extra cost.

Body by Fisher

Inside Pontiac's big, roomy body you'll find luxury and comfort far beyond its modest price, with interiors finished with the same fine attention to detail as America's costliest cars.

GENERAL MOTORS LOWEST PRICED EIGHT

Put yourself in the driver's seat of a Pontiac and immediately some very wonderful things happen. First, you find yourself in command of a big, high-compression engine that responds so eagerly you know there's power to spare. You control this big 122-inch wheelbase beauty with almost no effort. But only after you've

driven it for many thousands of miles do you realize that Pontiac's outstanding point of extra value is its famed dependability, long life and amazingly low operating and maintenance cost. And this great Pontiac quality is proved beyond question by its accepted high resale value. Come in and get the facts.

Dollar for Dollar you can't beat a

Far more  
miles per gallon  
on the trips YOU take!

On long trips, short trips, all trips, you get far greater gas mileage out of a '53 Chevrolet. It offers important savings in everyday driving over everyday roads!

Out to the golf course. Off for a week-end of fishing. Half across the country on a full-scale vacation. Wherever you go—however you drive—you're going to get there on a lot less gasoline in a fine new Chevrolet.

The truth is, this year's Chevrolet owners are enjoying the most important gain in economy in Chevrolet history. Plus more power. Faster acceleration. More "steam" for the steep hills.

That's the beauty of Chevrolet's two great high-compression engines—the new 115-h.p. "Blue-Flame" engine in Powerglide® models, and the advanced 108-h.p. "Thrifty-King" engine in gearshift models. They squeeze much more out of regular gasoline—more miles, more pleasure.

Along with this greater gas mileage, you get lower over-all upkeep costs. And Chevrolet is the lowest-priced line in its field. Drop in—and let us show you how you'll be better off in every way with a 1953 Chevrolet!

\*Combination of Powerglide automatic transmission and 115-h.p. "Blue-Flame" engine optional on "Two-Ten" and Bel Air models at extra cost.

Springfield News

Bob and Buddy Furman spent the weekend near Grayling with their uncle and aunt, Mr. and Mrs. Charles Hutchinson. Mr. and Mrs. Warner Beckman announce the birth of an 8 lb 1 oz daughter, Andre Marie, on Thursday, August 20th, at Pontiac General Hospital. Mr. and Mrs. Stanley Rader attended her father's 65th birthday party at the Hubble home in Ortonville on Sunday. Mrs. Gordon Black was taken to St. Joseph's Mercy Hospital last Saturday for observation. Georgie Fenton of Holly is spending a few days visiting Buddy Furman. Mrs. Frank Huff, Mrs. Charles Carte and Mrs. Gladys Taylor spent Monday visiting in and around Lapeer. Mr. and Mrs. Stanley Furman took a little trip into Ontario on Sunday. They went by way of the Blue Water bridge at Pt. Huron and returned by way of the tunnel at Detroit.

day evening. Mrs. Fred Gritzinger entertained the 50-50 Club on Tuesday evening. Mrs. Charles Carte won first prize, hand painted picture plates; Mrs. Shagney won 2nd prize, ice cube trays; Mrs. Patterson received the booby prize, a Miracle potato peeler and the door prize, a plastic ketchup dispenser, went to Mrs. Martin. Billy Black was in St. Joseph's Mercy Hospital for a few days suffering with a kidney infection and pleurisy. Gilbert Jarvis has been ill for a few days with the flu. Mr. and Mrs. Thornton King and Mr. Floyd Hubble spent Saturday and Sunday helping Mr. and Mrs. Earl Rader complete their new garage. Jack Lane is home on furlough visiting his parents, Mr. and Mrs. Howard Lane. Mr. and Mrs. Earl Rader celebrated their 19th wedding anniversary on August 15th and Mr. and Mrs. Stanley Furman celebrated their 18th wedding anniversary on August 16th. Home economists at Michigan State College report that potato salad doesn't freeze satisfactorily. The potatoes become mushy when frozen—and the salad dressing separates.

ALL APPLES IN 1953 CROP WILL BE USED The latest estimates on the size of the apple crop in Michigan this year indicate that all of it will be harvested and used, according to G. N. Motts, extension marketing specialist at Michigan State College. The Michigan Cooperative Crop Reporting Service August forecast indicates 8,094,000 bushels—nearly 5 per cent below the July estimate. Marketing statistics since 1941, says Motts, show that considerable quantities of Michigan apples have been left unharvested when the state crop exceeded 8 million bushels by any substantial amount. The reduction in the August estimate, explains Motts, is an approximate measure of the amount of apples that would have been left unharvested if the eight and one-half million bushels had been produced. The 1953 apple crop, adds Motts, will be used about like this: Five and one-fourth to five and one-half million bushels to processors and the balance used on farms. The 1953 Michigan grape crop is now forecast at 43,000 tons, or

DESCRIBES FIGHT FOR CAPTIVE CHILDREN Starting in The American Weekly with August 30 Detroit Sunday Times, read "Our Fight For Our Captive Children", by Lygia Georgescu. She tells how her husband, like her a naturalized American, exposed a vicious Communist plot to force them to betray their adopted country in exchange for the freedom of their hostage children. 3,000 tons more than in the July report. Such a crop, Motts notes, would equal the 1950 grape crop in the state and would be 31 per cent above the 10-year average. This situation, the economist says, highlights the efforts of south-western Michigan grape growers in the past two seasons to increase the proportion of the crop sold as fresh fruit. In recent years about one-fifth of the states crop has been sold fresh while the balance has been processed. To vary the bigger and better hamburgers you're making while the beef supply is plentiful, Michigan State College food specialists suggest different spreads for the buns or bread slices. Try a spread of softened butter or margarine seasoned with onion or garlic salt, and horseradish or prepared mustard. FLEETWOOD Chain Saws Only \$239.50 Write or Phone O. F. ## Wrestling At Pontiac Speedway

The first of a series of open air wrestling shows will be staged

STAN HOLLECK

Friday night at Pontiac Speedway, 3 miles west of the Airport on M-

59. Johnny Silvi, himself a well known wrestler, is matchmaker for the series.

Stan Holleck, fast becoming one of the country's top mat stars, will meet Ferenz Siksay in the main event, 1 hour limit for 2 of 3 falls to win. The semi-windup will be between Bert Ruby and Johnny Gates, both widely known throughout this area.

Opening bout, at 8:30, will be between two midgets, Little Karl Kruger takes on Fuzzy Cupid, whom wrestling fans say knows nothing about love. Cupid, weighing 98 pounds and standing 40 inches "high", is regarded as one of the "worst bad men" of the wrestling ring.

## POLIO PROGRAM

as a temporary preventive of paralytic polio, is in critically short supply, Mr. Pierre Delmontier of Farmington, chapter chairman, reported that:

"Polio probably will present much the same problems this summer as in the recent past."

"Fortunately", he added, "we are all so much more aware of polio symptoms these days that we

can count on early diagnosis and prompt treatment, and many cases will be 'suspect' or non-paralytic ones which often can be diagnosed and treated just as well in their own homes as in hospitals."

"No one can foretell the actual number of new cases that will be added to the patient lists of our own chapter", Mr. Delmontier said, "but the National Foundation will not fall any child or adult who needs help."

A financial report presented to the executive board showed that as of August-1 the chapter had paid out \$26,699.30 in March of Dimes funds in aid for 113 prior years' cases.

Further information about polio can be obtained by contacting the chapter office, 461 Elizabeth Lake Road, Pontiac.
