

Waterford

Mrs. Jack Hall, Correspondent

Mr. and Mrs. Omer Rensch of Osceola, Indiana, are staying at the Roland Smith home with their granddaughter, Sue, while the Smiths are on a trip to California.

Mr. and Mrs. Robert Amos returned Sunday from a trip through the Smoky Mountains and a visit with relatives and friends in the south.

Members of the VanNorman Lake Bunco Club are attending Chierama tonight at the Music Hall in Detroit.

Mrs. Albert Kray, Mrs. Wallace Brown and Bob Jacober celebrated birthdays on Tuesday. Other birthdays this week included Mrs. James Miller, Mrs. Jack Hall and Willie Ryan.

Elmer (Dutch) Going who suffered a broken leg in a horse racing accident in Detroit five weeks

ago is getting along nicely and is able to be around with the aid of crutches.

Mrs. Harry Smith of St. Louis, Missouri, is visiting her sister, Mrs. Robert Bliss for a few weeks. The many Waterford friends of Howard Burt of Ortonville will be interested to know that he is doing nicely and convalescing at St. Joseph's Mercy Hospital following an appendectomy last week.

Thomas Whitfield is in Moss Memorial Hospital in Boston where he is improving following recent surgery. He is the son of Mrs. George Whitfield of Williams Lake Road.

The State Convention of the Moms organization was held at the Bancroft Hotel in Saginaw from Thursday of last week through Saturday. On Friday a group from the Waterford Moms Unit No. 36 attended. Mrs. Murdo McDonald and Mrs. Lawrence Giddings were the delegates representing the unit. Mrs. James Saylor, Mrs. Henry Mehlberg, and Mrs. Louis Dorman were al-

so present at the meeting. The October meeting of the Waterford Moms was held at the Giddings home with 18 present for the plastic demonstration which followed a short business meeting. Mrs. Robert VanMarter will entertain the group in November.

On Friday, October 23, another in the series of sermons from films "The Prior Claim" in full sound and color will be shown at the Waterford Community Church at 7:30.

The S. O. S. Clubs are co-operating with this program.

The Sunday School of the Waterford Community Church will have its Hallow'en party on the 24th instead of next week on account of special meetings at the church. The time is 7:30 and everyone is to attend in costume.

Esther Banghart has been appointed by the Church Council of the Waterford Community Church as associate sponsor of the King's Disciples. She will work with Mrs. Stephen Phetteplace in this important part of the church program.

DeWees - Crothers

The marriage of Nancy Jane Crothers and Gerald W. DeWees took place Saturday evening in Christ Lutheran Church with the Reverend Arvid Anderson reading the eight o'clock ceremony.

Mr. and Mrs. Erwin Crothers of Lotus Drive are the parents of the bride and the groom's parents are Mr. and Mrs. John DeWees of Pontiac.

For her wedding the bride chose a gown of Chantilly lace and nylon tulle featuring long sleeves, a lace bodice and a cathedral train. A Juliet cap of satin and lace held her veil. She carried a white prayer book surrounded with red roses and centered with a white orchid.

Mrs. Jack Selberg was matron of honor. She wore turquoise velvet with a small matching headpiece and carried a colonial bouquet of yellow and bronze roses and chrysanthemums.

The three bridesmaids, Betty Clark, Janet Crothers and Kathryn Crothers wore similar gowns in gold, navy blue and red, respectively, and carried colonial bouquets.

Judy Perkins, a niece of the bride, was dressed in turquoise velvet and carried a basket of rose petals for her duties as flower girl.

Charles Merz was the ring bearer. Herbert Person was best man and the guests were seated by Jack Howes of Plainwell, James Crothers and William Brode.

The bride's mother wore coffee colored crepe with a corsage of bronze roses and yellow chrysanthemums. Mrs. DeWees chose mauve crepe and her corsage was of yellow roses and bronze chrysanthemums.

Following a reception at the Waterford Community Activities Building the young couple left for a two weeks honeymoon in Miami, Florida. Upon their return they will reside in Drayton Plains.

TRAVEL-ADVENTURE TICKETS ON SALE

Season tickets for the Waterford Township Recreation Board Third Annual Travel-Adventure Series are now on sale at: all Waterford Township School offices, the Township Hall, most of the local drug stores, township clubs, the Community Activities office or send a money order to the Waterford Township Recreation Board, 5640 Williams Lake Rd., Drayton Plains.

SQUARE DANCING

Starting tonight the beginning Square Dance enthusiasts of Wat-

erford Township and vicinity are going to receive professional instruction at the dance class held in the Community Activities Building.

Sponsored by the Waterford Township Recreation Board from 7:30 to 9:30 for the next five Thursday nights the enrollees will receive fundamental and last-advanced instruction in square dancing.

Registration is still open for couples of adult age (high school couples included).

Call immediately if you are interested in joining tonight's or next Thursday's class. All who would care to learn to square dance are urged to take advantage of this opportunity and enroll now.

WOMEN'S BALLET

There are 19 registrations, up to date, for the Waterford Township Recreation Board's Women's Ballet Class. Enthusiasm is high as the women are directed through fundamentals of beginning ballet.

These classes are held each Thursday from 1 to 2 P. M. at the C. A. I. Building, 5640 Williams Lake Road.

The classes are designed for the slim-trim effect. All women interested in these classes are invited to call in person or phone the recreation office, OR 3-9152.

More registrations are needed to sustain this class throughout the winter.

Springfield News

Davisburg Boy Scouts were hosts on Monday evening of last week at a Court of Honor at the Davisburg Town Hall. Glenn Robinson, neighborhood commissioner from Clarkston was in charge. Frank Green, district commissioner, also from Clarkston, was present. Second class scouts receiving pins were John Black, Kenneth Carpenter, Lawrence Duckett, Larry Saiz, Edwin Springer and Ronald Young of Troop 133 of Andersonville; Michael Brown, William Campbell, Gary Greenwald, Robert Harms, David Mills and William Milton of Troop 136 of Davisburg. First Class Scouts awarded pins were: Robert Furfurman, Gary Eichbrecht, Dennis Gritzinger and Warren Gritzinger of Troop 133 of Andersonville and Walter Brown, Billy Hasock, Gerald Kinney, Robert Schoenhals, James Sutton and Mickey Ward of Troop 136 of Davisburg. Twen-

ty scouts and leaders received merit badges. Parents were honored with their sons as each boy received his pin. After the ceremony a lunch was served by the women of Davisburg. Two Explorer Scouts, Bob Furman and Freddie Robinson received citizenship and first aid badges. These boys are in Troop 49 of Clarkston which is under the leadership of Herbert Parrott. Bob and Freddie also received their first class pins.

Barry Norman, 9 years old, has been suffering with an ulcerated tooth.

Stanley Furman, and Glenn Robinson spent the last weekend on a weekend camp-out with their boy scouts at the Proud Lake Recreation area near Milford.

Hazel Robinson was one of the members of the Grinnell accordion band that played at the Fall Festival in Leonard on Saturday night.

Mr. and Mrs. Arthur Towne spent Sunday in Ann Arbor visiting her aunt.

Mr. and Mrs. Thornton King and Mr. and Mrs. Floyd Hubble and daughter, Donna, of Ortonville were Sunday visitors at the homes of Mr. and Mrs. Stanley Rader and Mr. and Mrs. Warner Beckman.

Mrs. Fred Gritzinger has been confined to her bed with a dislocated disc in her spine. She is able to be up and around but has to refrain from work.

The cub scouts of den 4 collected waste paper over the weekend and bundled it ready for the next drive. This den now meets on Wednesday evenings at the homes of the boys. There are 3 new cubs in the den—David Knox, William Maule and Charles VanKuren.

Frances Richman was the guest of honor at a bridal shower last Friday evening at the home of Mrs. Johnson. Mrs. Steele assisted. There were 15 present.

Mrs. Frank Huff and Mrs. Charles Carre spent Friday in Dryden, Mich., visiting Mrs. Huff's sister.

Sharon Beckman visited the Physician's Laboratory in Pontiac on Monday for observation.

Mr. and Mrs. Dick Patterson moved to Milford this past week.

The Grist Mill

By Ed Alchin County Agricultural Agent

A lot of fall chores need doing around the dairy farm before cold weather really sets in, says Ed. W. Alchin, Oakland County agricultural agent.

Alchin passes along these reminders from George Parsons, extension dairyman at Michigan State College. They include some of the activities that are going on right now at M. S. C. dairy barns.

Clean the drinking cups. They get filled easily with hay, straw, grain, and small pieces of corn cobs. A cow needs plenty of water.

Take a look at the stanchions. Maybe you need to put in some bolts where baling wire had to suffice during the busy summer.

Wash the windows—especially the inside. Replace the panes that were casualties from the pranks of the grandchildren last summer.

Fix that balky door. Sometimes a hair settles and affects the working of a door. And fix loose boards around the barn.

If the bull pen needs redecorating, it's a lot easier now to dig

holes and drive spikes than it will be during a February gale. Unfrosted the outside of light bulbs—wash off the fly spray and fly specks.

Get a bag of ready-mix cement and seal up rat holes and broken places around the stanchions and walls. Do it before the cows are in all day and all night.

THIS IS MY LIFE by Eddie Fisher

America's most popular young singer tells the dramatic story of his rise to fame and fortune. It's

an inspiring story of a boy whose courage and determination lifted him from the depths of poverty to the heights of success. Read "This Is My Life" by Eddie Fisher, a three-part series starting Sunday in The American Weekly, the magazine distributed with SUNDAY'S CHICAGO AMERICAN.

Food Sense—Not Nonsense

Want to Fish for It?

Not too many generations ago, the minute amount of iodine needed by the body was hard to obtain. Man had to fish the deep seas and oceans to get his iodine, but now with the advent of iodized table salt, he just tips the salt shaker. The relationship between eating products of the sea—such as seaweed and seafoods—and good health was known to our medieval ancestors.

In the home, claiming the lives of 61. There is, however, considerable speculation as to this as a cause of death. Studies indicate that many babies thought to have died of suffocation may actually have died of illness, signs of which had gone unnoticed in the days preceding death.

Choking from food, putting beans or marbles up the nose, or other instances of breathing in or swallowing of objects causing obstruction or suffocation claimed 47 lives.

Fires and explosions—mostly fires—claimed the lives of 46 youngsters of preschool age; 18 met death from burns from hot substances, such as steam and boiling liquids; 76 were killed in motor vehicle accidents—47 as passengers, 29 as pedestrians; 33 were drowned; 19 died as a result of falls and 13 from accidental poisoning.

Prevention of accidents to preschool aged youngsters is largely the responsibility of parents, but "over-protection" is not the answer. Teaching the youngster to protect himself should begin during the earliest years. The need for such early training is proved by the fact that accidents lead as a cause of death among boys and girls between 5 - 14 years of age.

1. Watch the baby for signs of deviation from normal behavior and call a physician at the earliest suspicion of sickness. Many deaths attributed to "suffocation" are later found to be due to unrecognized illness. Early diagnosis and care by a physician could prevent many of these deaths.

the youngster at home alone and unprotected. Keep matches out of the reach of children and keep poisons and medicines in locked cabinets. 3. Turn the handles of kitchen pots toward the back of the stove out of the reach of children. 4. Watch the child every instant at the beach and swimming pool. Teach him the rules of water safety. 5. Impress upon him during these early years that fires burn him, falls hurt him, poisons make him sick and sharp tools, such as knives and scissors can cut him. Make accident prevention a part of his daily training, and set a good example by doing things safely yourself.

SALUTE

More than 2,000,000 Girl Scouts will take part in the national celebration of Girl Scout Week Oct. 25 - Oct. 31, to highlight the major features of their troop activities—homemaking, citizenship training, health and safety, international friendship, arts and crafts, and the out-of-doors.

**Red Cross News**

An all-time record of 2,438 pints of blood flowed from the veins of Oakland County donors into well-known American Red Cross "blood bottles" in September.

And blood program leaders of Oakland County Chapter, American Red Cross, credited the General Motors Blood Bank project at Pontiac Motor Division with 1,899 pints of the record-shattering total.

But Dr. Ernest E. Bauer of Hazel Park, chapter blood chairman, emphasized that the flow of blood must keep on in community blood banks.

"We will soon have 30,000 employees of the three General Motors plants in Pontiac and their families drawing on blood reserves that they themselves have built," he said. "We will need a constant continuous flow of blood donors into our bloodmobile operations to carry this program."

Dr. Bauer expressed his deep gratitude to Pontiac Motor for pioneering industrial blood collections. The bloodmobile, still at Pontiac Motor, will move to General Motors Truck and Coach Division in February for similar operations, he said, and later to Fisher Body.

The record September total topped by 500 pints the next biggest month in chapter history.

Former record of 1,906 pints was set in May, 1953. Other outstanding months were January and February of 1952, with 1,429 and 1,211 pints respectively.

**Suds Preserve Sweater Beauty**

The beauty of the classic sweater lies in its smooth fit and its appealing color—or its snowy whiteness. And the best way to preserve that beauty is by sudsing it often.

For wool, it's lukewarm soapsuds—two washings—and lukewarm rinsing. Cup the sweater in the hands and squeeze the suds through; never twist or wring it. Rub extra suds into soiled spots, using a soapy soft brush or well-lathered fingers on bindings and ribbed areas. Blot out excess moisture by rolling in a towel. To hasten drying, you may first spread the sweater between two towels and roll it with a rolling pin—or wrap it in a towel and put it loosely through the washing machine wringer.

An easy blocking method is to use a homemade cardboard drying frame—tracing the sweater outline on the cardboard while the sweater is dry. Then cut the cardboard frame into three pieces—two sleeves and the body—and slide them in. Lay the sweater flat to dry, away from direct heat.

Nylon, Orlon, Dacron, and cotton sweaters can take hotter suds, need no drying frames. Just shape them gently with the hands while they're damp. They'll spring right back to their original shape and fit.

St. Joseph's Mercy Hospital called on the Red Cross for 103 pints of blood in September; and

Pontiac General received 85. Local patients in hospitals in areas outside Oakland County took another 128 pints, with the other county hospitals averaging about nine pints each.

Remainder of the blood was used by the armed forces or for making gamma globulin, useful in minimizing the paralysis of polio; and for serum albumen, used for treating shock; and other purposes.

6 important reasons why every woman needs an ELECTRIC CLOTHES DRYER

Handsome and trim (most models are table-high) an electric clothes dryer is the hardest-working appliance you can own. Here are some of the ways it saves you work . . .

No washday drudgery. No lugging baskets of heavy, wet clothes.	No weather worries. You always have perfect drying weather.	Completely automatic. Load it, set it, forget it! It's as easy as that.
Dry blankets, pillows—96% of all washables, including miracle fabrics.	Hygienically clean clothes. They tumble dry in pure, clean air.	Soft, fluffy, sweet-smelling clothes. Wash dries wrinkle-free.

See your favorite appliance dealer for the full story. Ask him to demonstrate the joys of an electric dryer. He has the particular model that will meet your family's needs.

# DOLLAR FOR DOLLAR YOU CAN'T BEAT A PONTIAC!

## It's the RIGHT CAR!

You're looking at the car that's proved the right car for hundreds of thousands of people like you because it fills their needs so perfectly. For beauty, Pontiac offers the Silver Streak distinction that is recognized and admired everywhere. For all-around performance, you can't match the power and stamina of Pontiac's rugged, high-compression engines at anywhere near the price. And Pontiac's dependability and long-lived economy are a matter of record. For important value extras, Pontiac's your car!

## It's the RIGHT PRICE!

Dollars-and-cents decide the issue for most all of us in making major purchases. But the price of a Pontiac will never sway you from buying the right car, for the price is right, too! Pontiac engineers discovered long ago that—for very, very few extra dollars in price—they could offer a great deal of extra quality. As a result, Pontiac—big, beautiful, luxurious, fine-performing Pontiac—is actually one of America's lowest-priced cars. Come in and see how easy it is to own!

## It's the RIGHT TIME!

Your present car will never be more valuable as a trade-in than it is today! So don't wait a week, a month or a season to start enjoying all the pleasures of Pontiac ownership. Come in now and discover Pontiac's real extra value—that "Dollar for Dollar you can't beat a Pontiac" never meant more than it does today!

**Remember YOUR HOME NEWSPAPER**

All matters handled through the Probate Court require a certain amount of legal publication in one of the county papers. Foreclosing a mortgage entails publication of the foreclosure notice in a county paper.

Either the probate court officers or your attorney will have your legal publication carried in The Clarkston News if you request it.

We solicit the privilege of carrying such legal publications. This form of advertising is valuable to us. When you support us in this way we are able to give you a better paper each week.

What is the state of man in the world to come is explained in the Lesson-Sermon to be read in all Christian Science churches on Sunday, October 25, under the subject "Probation After Death."

Among the Bible citations is this passage, (John 8:12): "Then spake Jesus again unto them, saying, I am the light of the world: he that followeth me shall not walk in darkness, but shall have the light of life."

Food Firm Reports Ad Volume Increase

Newspaper advertising has come a long way since the turn of the century. Above, a 1953 model miss, Joni Gamble, admires a typical Kroger advertisement of more than 50 years ago. Then, B. H. Kroger, founder of the retail food company, used a small block of space in a Cincinnati newspaper to tell customers about his "fine coffees, teas, and spices." Today, in contrast, the company's 71st fall sales event, now in progress, will be backed by nearly 20 million lines of newspaper advertising in the 7,000 issues surrounding pretty Joni. In case you're wondering, all those ads at once would fill a super-size 10,000-page newspaper. A regular user of newspaper advertising for more than 50 years, Kroger spent approximately six million dollars for newspaper advertising last year, according to William J. Sanning, advertising manager.

For Sale - practically new w, blond dining room suite and washing machine. Ph. MA ple 5-7472. 7p2

## THE LOCKER PLANT DOES IT BEST

### PROCESSING

Cutting, grinding, boning and trimming of meat can best be done by the locker plant which has the equipment, the experienced help, and the "know-how" to do the work economically, and expertly — without waste.

### WRAPPING

Proper packaging of foods for freezing is all-important. The locker plant uses the correct moisture-vaporproof wrappings and applies them with the latest methods.

### SHARP-FREEZING

It is essential that foods for storage in a locker or a home freezer be quick frozen at sub-zero temperatures. We have refrigeration equipment capable of freezing huge quantities of foods.

### ZERO STORAGE

All frozen foods should be kept at a constant zero temperature. The zero service we offer is the cheapest refrigeration in the world. . . a frozen food locker at the cost of a daily newspaper.
