CLARKSTON, MICHIGAN, THURSDAY, JANUARY 7, 1954

Time To Help **March Of Dimes**

A direct appeal to residents of Clankston was made today by Mrs. N. E. Maytag as sne nelped laund the annual warch of Dimes campaign for funds for polio care and research. Mrs. Maytag stated she hoped Charkston would double last year's contribution of \$438.38.

This year the National Foundafor Infantile Paralysis will need \$26,500,000 to buy gamma globulin, which temporarily protects dhildren against paralytic polio, and to finance field trials of a possible vaccine. This amount is in addition to the vast sum needed to finance its continuing programs of patient aid, scientific research and professional education.

The Oakland County chapter paid out a total of \$60,000 in caring for 227 polio patients during 1953. New 3-D test tube cannisters have been placed in local business place to collect dimes and dollars during the campaign.

If I Had My Way -

If I had my way The athars of the world would be so arranged

That thusbands and wives would not be estranged:

No quarrels unifounded would tear

them apant and none would experience a sadness of heart.

If I had my way.

No orphans by law would wander the street

In search for some food or a warm place to sleep: They never would know the tur-

moil and fear That comes by not having both parents real near.

If I had my way. The aged would have a good home

of their own Where they could have friends or

be all alone; And gathered about them, the

things they like best To give them some pleasure or give them some rest.

If I had my way. The world would quit sparring for power and flame And all thought of haitred would go down in shame:

Our love would be shot at the

enemies' flanks And thoughts of destruction would thin from their ranks.

If I had my way. All men would awaken and

suddenly feel That the power of God is true and

soul flits away Is ours for the taking, here, now

and today. -ROBERT C. BEATTIE (All rights reserved)

Rotary Hears "Stock" Talk

Whether one owns a number of shares of stock listed on the New York Stock Exchange, or just wishes he did, it is interesting to hear a salesman from a stock broker's offlice tell about stocks, bonds, financial affairs, and of course taxes. This was the program of the Clarkston Rotary Cllub at its meeting on Monday. The talk was given by Raymond J. Laude of the brokerage firm of Goodbody & Co., of Detroit.

His prediction was that 1954 vould be a good year, perhaps not the peak like 1953, but still ery good.

Robert L. Jones, who had secured the speaker, did the introduc-

The talk was of such interest that many felt the time allotted was too short.

Tired Of Turkey? Want A Change?

Give yourself and your family treat next Saturday evening. Attend the smorgasbord dinner at the Sashabaw Presbytenian Church. 5331 Maybee Rd. The women of the church have planned a varied menu. Serving will start at 5:30

There is no set change for this dinner, but a firee-will offering will be taken.

The public is invited.

Obituary

MRS. ELIZA THURLOW MOSS

On Tueday of last week Mrs. Eliza Thurlow Moss, 88, passed away at the home of her daughter, Mrs. A. E. Hawke, 42 W. Washington, Clarkston, Mrs. Moss had been ailing for some time.

Surviving besides Mrs. Hawke, are one son, John O. Moss of Toronto, Ontario; three other daughters, Mrs. Ruby Hopkins of Connecticut, and Mrs. Winifred Payton and Mrs. Millie Lasslett of South Lyon; 12 grandchildren and 26 great grandchildren.

The funeral service was held in South Lyon on December 31st and burial was in Little Lake cemetery in Peterborough, Ontario.

W. S. C. S. Circles Plan Meetings

The Martha Circle of the Methodist W. S. C. S. meets this afternoon at the home of Mrs. Keith Leak for a planned luncheon. Mrs. E. Spohn will assist the hostess. The Dorcas Circle also meets this afternoon at the home of Mrs. Howard Sage for a pot-luck luncheon at 12:30.

The Mary Circle will meet at the home of Mrs. Paul Henry on Orion Road on Thursday afternoon, January 14th. A dessert will be served at one o'clock.

Extension Group **Meets Tuesday**

The Charkston Home Extension Group will meet at the Township Community Center on Tuesday, Januany 12tih at 10:00 A. M. Bring your own table service for the children of Clarkston. Mr. and planned oven meal at noon. Mrs. Jack Jyleen and Mrs. Keith Lowrie will be in charge of the lesson. Robbins' home.

Rudy's Moves To New Store

Monday, after moving from his old location over the weekend. Rudy's Market opened in its new location as a super-market.

The building formerly occupied by the Kroger Market is now Rudy's.

Many new fixtures, a larger stock and enough room to properly display the stock makes the store the proud culmination of a dream stanted twenty years ago when the owner, Rudy Schwarze, purchased the Hagele Market at the corner of N. Main and W. Washington.

The grand opening is set for Thursday, Friday and Saturday of this week. Rudy's, as the store is now konwn, advertisement will be found on page 5 of this issue.

North Adventure Due Next Tuesday

Want to go on an exploration into the North Pole—through the Yukon by dog sled and to the Pole by snow shoes?

Such a trip is available to you next Tuesday night, January 12, at the Waterford Township High School Auditorium. Adults as well as children will enjoy this adven-

Commander MacMillan will present his 90 minute travelogue, enittled "North-Far North", with color film and personal narration. starting at 8:00 P. M. Some good seats are still availlable at a nominal price.

As capitain of his own ship, the Bowdoin, MacMillan traveled over 250,000 miles of Arctic waters; also thousands of miles by dog team and by plane to film his travelogue. He has extensively explored Labrador, Ungava Bay, Foxe Basin, Baffin Land, Ellesmere Land, Greenland, Hudson Bay and the Polar Sea for other recording purposes. "If you want an interesting

speaker, a man with unusual pictures, don't miss Commr. MacMillan! Every organization in the country should book him. His new picture, "North-Far North" is marvelous. And MacMillan, one of the foremost living explorers. is a grand story teller, and one of the most fascinating personalities on the platform. I would go many miles to hear MacMillan, any day." -Lowell Thomas

The remaining travelogues on schedule are: Feb. 9 - "Atoms and Atolls" by Col. J. D. Craig; Mar. 9 - "Harwaiian Islands" by James P. Morse Erwin: Apr. 13 - "European Playgrounds" by George Perkins

Clarkston Locals

Mr. and Mrs. Ward Robbins entertained their family at dinner on New Year's Day. Guests included Mr and Mrs. Clayton Emerson and three children of Inkster, Mr. and Mrs. Kenneth Ricks and three children of Bath and Mr. and Mrs. Walton Robbins and three Mrs. Ricks and children remained for the weekend at the Walton B.

Local Team Tied For First

enford Township

Teams in this league are: Briggs Sporting Goods, Drayton Drug, Clarkston Merchanits, Davis Machine, Waterford Township High School Faculty, Beattie Motor Ringside Bar.

The Cliarkston Merchants managed by Edward Hintz and largely composed of high school faculty members have won all their games to date and are currently playing in the stride that won them the league championship last year.

Game time is at 7:30 p. m. and spectiators are wellcome (no charge). It would surely add to this league to have a large group of spectators on the sidelines. Anyone liking basketball and wishing to attend all or some of these games is urged to come out any Monday night -- the league will be playing throughout the winter.

CAFETERIA PROGRAM

In the school year of 1952-53. the total receipts were \$35,811.39. of lunch tickets and 5,272.64 from State reimbursement. Total expendi/tures were \$33,613.09 (labor. \$11,985.25; floodistufff, \$21,627.84)

The net gain of \$2,198.30 is being used to amortize the capital outlay of \$6,462.61 for the original equipment. The program provides for the omplete amortization of the in-

itial investment before any major

replacements will become necess-

There were 430 type A lunches complete lunches) and 225 type C lunches (milk only) served daily or a total of 135,561 lunches served during the school year of 1952-53

This year there is an average of 936 lunches being served daily or there will be an approximate total of 178,480 lumches served during the 1953-54 school year. This represents an increase of over 30% in the number of children panticipating daily in the program and in the number of lunches being served.

BACK TO SCHOOL?

We are anxious to extend to the adults and out-of-school youth in our school district the facilities of the school. Evening classes are to be offer-

ed in typing and business machines and driver training. If you are interested in these courses or if you have some other interest in which vou would like to receive instruction, notify us and we will attempt to provide the course. The courses will all operate on

non-profit, basis. Therefore tuition will be kept at the minimum and will only be for actual expenses incurred in operating the First class in Business and Typ-

ing meets Thursday, January 7th,

at the High School Building, Room

21. at 7:30 P. M.

The regular meeting of the Board of Education has been changed from Monday, January 11 to Tuesday, January 12 at 7:30 P. M. at the Clarkston Elementary School.

The Waterford Township Business and Professional Women's Club will meet at the Community Tenn., and Mrs. Hinz and Lanny Activities Building, 5640 Williams | are in Erlinger Hospital in Chatt-Lake Road on Tuesday evening, amooga, Tenn. Mr. Hinz' condition Jamuary 12th. Dinner will be serv- is not as serious as that of Mrs. in the mechanical functioning of ed at 7 o'clock. All members are Hinz and Lanny. Announcing for '54 NEW FORD TRUCKS

with TRIPLE ECONOMY!

NOW! 5 Ford engines offer the mightiest concentration of power per cubic inch ever in any truck line! V-8 and SIX!

For the power they develop, the engines in the 1954 Ford Truck line have less cubic inch displacement than engines in other-make lines. For example, Ford's 239 cu. in. Power King V-8 develops its 130 h.p. on as much as 43 cu. in. less displacement. Smaller-displacement engines normally need less gas! That's one big reason why Ford concentrated power offers greater economy!

ford takes the lead in ALLS vital factors that make for lower-cost trucking! Now, only in Ford Trucks—gas-saving, LOW-FRICTION,

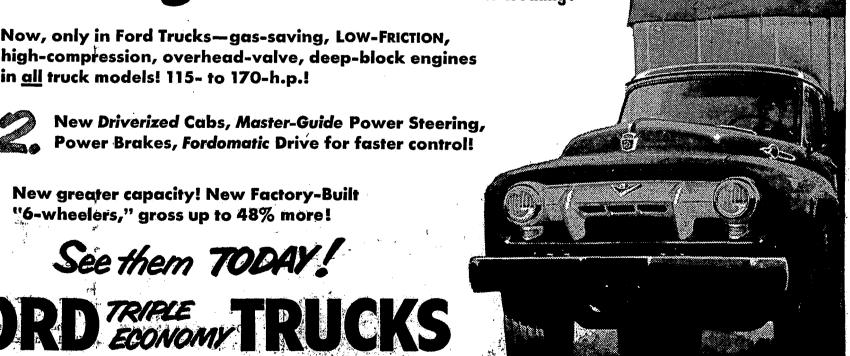

New Driverized Cabs, Master-Guide Power Steering, Power Brakes, Fordomatic Drive for faster control!

New greater capacity! New Factory-Built "6-wheelers," gross up to 48% more!

See them TODAY!

PERRY COMO TELLS HIS LIFE STORY

For the first time, Perry Como tells his life story! Live with Perry Como on his long climb to startlom. . . meet his folks, his friends, his wife and children, Read "My Story", by Perry Como, starting in The American Weekly, with this Sunday's (Jan. 10) issue of The Detroit Sunday Times.

"Protective" foods - including grapefruit, tangerines, pears, cabbage, onions and potatoes-are emphasized in the U.S. Department of Agriculture's listing of plentiful foods. These fresh fruits and vegetables are especially valuable nutrition-wise this time of year because of their high vittamin and mineral content.

Milk prices during 1954 will depend upon the level at which they are supported by government purchases. If support prices are maintained at 90 per cent of parity, there will be little price change, Secretary of Agriculture Ezra T. Benson is empowered to set the support level anywhere between 75 and 90 per cent of

Mason's crew around to a height of three or four handed the University of Western feet Ontario a 103 to 64 defeat last sea- added above, it brought on the apson, but in 1918-19 the score of pearance of a cage. Hence, the Wayne's hard fought victory over term cagers. Assumption College was 12 to 9.

often less than 20 points.

In 1891 Dr. James Naismith of the Springfield College physical department tacked a beach basket on the gym wall From that day on basketball was on its way to become the top sport of the indoor winter season.

By 1905 the game was popular on the college scene, but rules and regulations had yet to be developed. The dribble of the early days was so controversial that often it was necessary to play periods by different rules. Some games consisted of two 15-minute periods with a fiveminute break. Others were as long as three 15-minute periods. It

> term cagers. There were no free throws. A point was added for every three personal fouls. Then came the decision to have one man shoot the foul shots from 20 feet out. Later this was changed to today's 15 feet with the shooting to be made by the man who was fouled. Stalling in the backcourt did much to lower early day scores until a 10-second

line was installed. Modern fans think of the center jump as outmoded, but it did not completely disappear from the college scene until 1937.

As rules, officiating and playing as three 15-minute periods. It conditions improved, the uniforms wasn't until 1930 that rules became reflected the changes. Bulky knee pads and other padding used when The first goals were peach bas-kets or iron rims attached to the In their place is the modern, light-

MICHIGAN PEOPLE HEALTHY MY STORY IN 1953 RECORDS SHOW

Favorable trends in the health

More babies were born than during any other year in the state's history It appears almost certain that over 180,000 batoies will have been born in 1953, topping the previous high of 177,835 registered in 1952.

The death rate reached an allime low of less than 9 per 1,000. Maternal deaths were at their lowest point, dropping below .5 per 1,000 live births. The infant death rate remained about the same as in 1952

The marriage rate declined slightly, but divorces declined, also, the two maintaining about the same balance during the last three

ONLY POLIO WAS EPIDEMIC

Poliomyelitis was the only comnunicable disease epidemic durng the year. Approximately 2,500 persons were reported to have had the disease, considerably less than the 3,909 cases reported in 1952 but still the third worst polio year in the state's history.

GAMMA GLOBULIN USED EXTENSIVELY

For the first time a new weapon was available to physicians of the state for the prevention or modification of the paralytic manifestations of polio. Gamma globulin was distributed by the state health department to physicians for members of a family in which a polio case occurred. A total of 27,559 average doses of the product were distributed by the state health department during the polio "season".

HAND-CRAFTED

IMPERIAL CANDLEWICK

TABLE CRYSTAL

CANDLEWICK is an American made, hand-crafted crystal table-ware designed to add beauty and gracious charm to your dining-table. It is clear, brilliant, light in weight, almost delicate in appearance, yet amazingly sturdy and durable for day-in, day-out dining. Candlewick's 'round the edge, always visible design was inspired by the hand-tufting needlework so greatly loved by our pioneer women. The idea of applied design in needlework, combined with skill in hand crafting glass produced a pattern of inimitable simplicity. A pattern so versatile it is compatible with any period of decoration . . . Provincial, Regency, Victorian, Modern. We are proud to offer this complete, open stock line of Candlewick . . . America's most wanted table-crystal, hand-crafted at the Imperial Glass Corporation. Bellaire, Ohio, U. S. A. This beautiful crystal available at new low prices.

THOUSANDS PREPARE FOR FISHING DERBY

Fourteen trophies will be given for perch catches at the Second Annual Ice Fishing Derby on Saturday, January 9, at the Metropolitian Beach on Lake St. Clair.

In addition, there will be shree special trophies, for the oldest man and the oldest woman participating, and for the most original fishing tackle in use.

have been widely distributed and will flar exceed the 8,000 who at- equipment which may be pur-

There are three classifications in the contest, for men, for women and for children 16 years of age and under. Trophies will be given in each classification for the longest perch and for the poundage

the legal limit of 50.

In the men's class, there will be first, second and third place trophies, and in women's and junior classes, first and second place Contest rules and entry tickets trophies will be awarded.

The Ice Fishing Derby is entirely Indications are that participation free of charge, except for fishing

Top Vegetables With Cheese

Here are two hints to make vegetables look their best, taste their best: plan unusual platter arrangements and serve with cheese sauce for color, flavor and good nutrition. As the highlight of a luncheon plate, a whole cooked cauliflower looks inviting with a golden cheese topping. Provide contrast with whole green beans and broiled tomatoes. You can make a quick cheese sauce by melting pasteurized process cheese food with a little milk. Or use a new pasteurized process cheese spread which needs only to be heated and it becomes a sauce.

M pound pasteurized process cheese food 14 cup milk

Vegetable Luncheon Plate Broiled tomato halves Hot buttered whole green beans Pimento strips

1 cauliflower Melt the cheese food in the top of a double boiler. Add the milk gradtally, stirring constantly until the sauce is smooth. Cook the whole cauliflower, drain well and place it in the center of a round chop plate. Pour the hot cheese sauce over it and surround it with broiled tomato halves, and green beans garnished with pimento strips.

Presenting the mighty aristocrat of light - duty trucks -The 1954 GMC

GMC's HUSKY NEW STANDARD PICKUP, powered with 125-horsepower engine-most powerful standard six in the field. A de luxe model with chrome grille and trim, two-tone exterior paint and cab rear corner windows is available at extra cost.

Here is the most extraordinary light-duty truck

It has the smart styling of a fine passenger car to give its owners distinction and prestige.

A sweeping grille of modern design—a panoramic one-piece windshield-two-tone interiors with harmonizing upholstery—these are some of the luxury features that will make you proud to be seen in it.

But its practical side – its capacity for work – is even more exceptional.

It hasn't just more power than any truck in its class. It has a whopping 125-horsepower engine - more powerful than many trucks with a two-ton rating.

The Pickup—one of 19 models—has a box that holds up to 11 more cubic feet than last year's capacious model. Its tail gate is grain-tight—and sand-tight.

The dials on its handsome instrument panel are clustered. They can be read at one swift glance through the open top-half of a smart tri-spoke

And—a truck feature pioneered by GMC—it offers the driversaving, moneysaving advantages of Truck Hydra-Matic Drive*.

One final and surprising point. The price of the GMC, value for value, is unsurpassed anywhere on the truck market.

That's the story. The next move is yours. Come in and see "the world's most modern truck." Andmake it soon. *Optional at extra cost.

Get a modern truck!

the "worth more" car declares a dividend

3 distinctive lines -14 brilliant body style

You'll find that each new feature in the '54 Ford is an extra dividend in driving enjoyment . . . establishes Ford, even more in '54, as the "Worth More" car. You get a special dividend in styling with Ford's distinctive new appearance. You get sparkling new interiors, too, that are a dividend in themselves. And each of the new Fords gives you special dividends in ride and performance . . . with new Ball-Joint Front Suspension, the greatest advance in chassis design in 20 years . . . with your choice of Ford's new low-friction Y-block V-8 or I-block Six, the most modern engines in any car today! With 28 brilliant new models to choose from, you'll find the exact car to suit your tastes and requirements. Come in . . . See and Test Drive the '54 Ford.

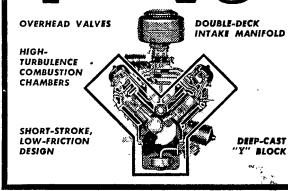

New Ball-Joint Front Suspension

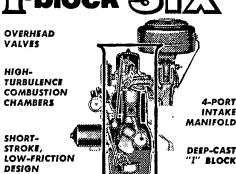

This revolutionary new suspension is exclusive to Ford in its field. It allows greater up and down wheel travel for a smoother ride. And it helps keep wheels in true alignment for consistently easy handling.

Movement of wheels is on ball in the whether is you and joints, whether in up and down motion or in steering motion—right or left.

The new 130-h.p. **∵block**

The new 115-h.p. **∏**-block **⑤**□∑<

DEEP-CAST

The greatest engine advances since the original FORD V-8

BOTH NEW 1954 Ford engines . . . the Y-block V-8 and the I-block Six . . . have overhead valves for most efficient high-compression operation on today's fuels. Valves are free-breathing to give you the most GO . . . freeturning to seat tightly and maintain high compression. Both engines have a deep-cast block with skirt that extends well below the crankshaft for greater strength and rigidity . . . smoother, quieter performance and

extra-long engine life. Their modern short-stroke, lowfriction design cuts friction losses . . . gives you more usable horsepower, more miles per gallon of gasoline. New high-turbulence combustion chambers assure a more thorough mixing of fuel and air for faster, more efficient combustion. Plan to Test Drive a '54 Ford. You'll find these new Ford power plants are the greatest engine advances since the original Ford V-8.

Plus five optional power assists* you might find only in America's costllest cars
