CLARKSTON, MICHIGAN, THURSDAY, FEBRUARY 25, 1954

NUMBER 25

Old Timers Hear Clarkston's History

The Clarkston Old Timers gathered at the Township Community Center on Thursday afternoon of last week for their first party. There were about 35 present. The women of Clarkston are planning to sponsor one of these parties each month. The committee in charge last Thursday included Mrs. Ralph Kreger, Mrs. Joseph Hubbard, Mrs. Walter Barrows, Mrs. Arnold Mann, Mrs. George Perry and Mrs. Fred Warrick.

Transportation was provided for those who needed it and the party got underway at one o'clock. Mrs. Lee M. Clark led the devotions. Mrs. Milan Vliet acted as chairman for the afternoon. Mrs. Louis F. Walter led the group singing with Mrs. Jack Wignall presiding at the piano. Mrs. Wignall also sang some of the old familiar songs.

The guest speaker was Clarence M. Vliet of Birmingham, formerly of Clarkston. Mr. Vliet told the history of Clarkston and a great part of the county and many of the incidents that he recalled were remembered by many of his listeners. His talk gave the rest of the group a desire to reminisce and for about an hour the 'old timers' had fun telling about when they came to Clarkston and relating interesting incidents of their early days in this community.

All of the Old Timers present at this first party will automatically be charter members of the Old Timers Club.

The refreshment table decorations carried out a patriotic theme. The cover was red; the centerpiece was a cherry tree and alongside of this stood statuettes of Martha and George Washington and on the other side of the tree was a chocolate log cake. Flanking this attractive center arrangement were red, white and blue candles in crystal holders. Mrs. Joseph Hubbard was responsible for the very pretty table. As most folks in Clarkston know Mrs. Hubbard's ability for beautiful table arrangements, it is to be expected that she received many favorable comments for her work last week.

Mrs. Milan Vliet and Mrs. Jack Wignall presided at the silver services.

The date and program for next month's party will be announced later.

My Brother

My brother is a real swell guy
As far as I can see.
He has a kindness in his eye
That sure appeals to me.

True honesty is in his heart,
Compassion in his soul;
He always plans to do his part
To reach a higher goal.

He never asks for favors great.
He hesitates to call
For help, to bear life's crushing weight,
He makes it seem so small.

My brother's always close at hand,
Whenever I'm in need.
My problems he can understand,
He knows each act and deed.

My brother does not criticize
Each little thing I do.
Somehow he seems to realize
I'm just a guy like you.

All souls who live upon the earth,
Are brothers real of mine.
I love them for their priceless worth
And spirits true and fine.

That they love me is shown each day
A thousand ways or more,
By things they do and things they say,
And kindnesses galore.

Evening Classes For Adults

Once again an evening art class is being offered at the Clarkston High School. You don't have to have any talent—just the desire to work with your hands. Everyone is welcome.

You may have a free trial to see if you would like to continue the course. The course will run for 10 weeks beginning Tuesday, March 2nd.

Tuition cost will be \$5.00 per person and each individual will purchase their own special supplies through the school or any other source at their discretion.

People interested are asked to contact Miss Aber at the High School between 8:30 and 11:30 Friday morning or from 2:00 to 3:00 any afternoon prior to the opening of the course in order that she may plan a program that will meet your particular needs.

Former Localite Receives Honor

Miss Mary Jane Beattie, daughter of Mr. and Mrs. Robert C. Beattie of 3557 Walton Blvd., Drayton Plains, formerly of Clarkston, was placed on the Dean's List for academic achievement for the first semester, 1953-54, at Kalamazoo College, Kalamazoo, Michigan. Miss Beattie, a junior, is secretary of the Student Senate and vice-president of the Women's League.

Kalamazoo College is a small liberal arts college and is the oldest college in Michigan.

Clarkston Locals

Mr. and Mrs. Robert L. Jones and family are vacationing in Florida.

Mrs. Herman Austin of Grand Haven, who spent the past two weeks with her sister, Mrs. Emma Young, returned to her home on Friday. Mrs. Young accompanied her and spent the weekend in Grand Haven.

The annual midyear promotion list at Culver Military Academy, announced here today, named Charles W. Lippincott of Clarkston, a lance corporal in Battery B of the Field Artillery. A member of the First (Senior) Class, he is the son of Mr. and Mrs. Charles H. Lippincott, 89 Holcomb St.

Legion and Ladies Meet March 2

The Campbell-Richmond Post, American Legion, of Clarkston and its Ladies' Auxiliary will hold a joint meeting at the Township Community Center on Tuesday evening, March 2nd, at 7:00 o'clock.

A pot-luck supper will be enjoyed and this will be followed by a hunting trip. Jack Jyleen will take the group on an elk hunting trip. He took the trip last year and obtained colored pictures all along the way. The pictures are well worth seeing.

Increase in Building Looked For

The Township is looking for a large increase in building this year. The Building Department is on a part-time basis—the hours are from 1:00 p. m. to 5:00 p. m. Tuesday afternoons and from 9:00 a. m. to 12:00 noon on Saturdays. The Electrical Inspector's hours are from 9:00 a. m. to 12 o'clock noon on Wednesdays and from 9:00 a. m. to 12 o'clock noon on Saturdays.

Permits can be secured however at the Township Hall all during the week. Our Building Inspector asks all new home owners to secure a final inspection and a Certificate of Occupancy before moving into their new home.

Also a word of caution from the Electrical Inspector: Make sure that your home, farm or place of business is Electrically safe. Fires and accidents do happen from defective and unsafe wiring. Before doing electrical work, secure an electrical permit and have the work inspected according to the ordinance. If in doubt regarding your present wiring the electrical inspector will be glad to inspect your present wiring at no charge. As time will permit the department will make a yearly re-inspection of all public and business places in the township in keeping within the policy of Safe Building and Wiring.

Davisburg Grange Has Anniversary

Davisburg Grange No. 245 celebrated its 80th Anniversary on Thursday evening, February 18th, at the Davisburg Methodist Church with a banquet at 7:30 served to 40 members.

The table was attractive with green centerpieces and frosted heart-shaped cookies centered with a candy heart served as place settings. Miss Louise Parker of Davisburg made an anniversary cake inscribed with "80th Anniversary".

The lecture hour was devoted to readings: Organization and History of the Grange given by Mr. Frank Howard from a book written by Jennie Buell, Secretary and Past Lecturer of Michigan State Grange and notes from "The Grange-Friend of the Farmer" by the Reverend Marshall Sanders of Davisburg.

Mr. and Mrs. D. Garner, who have been members for 50 consecutive years were awarded honorary memberships and entitled to the "Gold Sheaf". Mrs. Garner gave some very interesting notes of the Organization and the early Grange days. Mr. Garner favored the group with some good readings which he memorized many years ago.

Mrs. Grace of Pontiac, who joined 50 years ago, gave an interesting report of her early Grange days and offices held during that time.

Mrs. Nellie King, a member for nearly 40 years, also contributed to the program. She held the office of Lecturer for many years.

Mr. and Mrs. Percy King of Waterford, present Master and Secretary respectively, formerly of the Pontiac Grange, presented the Charter and had some very interesting incidents to relate, having joined the Grange in 1902 and held this same office several years ago.

Others who reported on Grange activities in earlier days, some having membership for 20 years or more, were William, Mary and Nellie VanZandt, Mrs. Gertrude Poole, Howard Hillman, Ida Stewart, Lloyd Ingamells and Mrs. C. K. Phillips.

The most interesting feature of the evening was the attire worn by some of the members.

The outfits were very appropriate for an 80th anniversary. The lovely, long full skirts, the leg-o-mutton sleeves, the high collars and the tiny hats or bonnets tied under the chin, worn by some of the women, helped to tell the story of Grange folk in the horse and buggy days. The men were really togged with their winged collars, swallow-tailed coats and stove-pipe hats. It was amazing how well preserved these old-time costumes were. It showed they were treasured by their owners.

Rotarians Hear "Tax" Talk

Taxes are the cost of running government. How they are raised, equally distributed, billed and what happens if you ignore the bill was the topic of Lloyd Sibley, Village Assessor and Deputy Oakland County Treasurer, at the Clarkston Rotary Club on Monday. The meeting was held at the Community Center.

One hears of losing his property through taxes but the safeguards to protect the taxpayer, even if added interest and penalties may and do raise the final cost, is an interesting topic, and was ably presented by Lloyd.

Due to the regular song leader, R. L. Jones, being in Florida and the necessary absence of the piano accompanist, Charles Robinson, the group opened the meeting in acapella style, led by Ronald A. Walter.

A fine dinner was served by the ladies of the Royal Neighbors.

Art Display in Local Store

A very interesting art display will be seen in the Ainsley-Henry Appliance Store from Thursday, February 28 to March 4th. This art work is an example of what was accomplished in the evening art classes held at the Clarkston High School.

When you admire the objects on display, remember you too can do craft work just like those you see. You don't have to possess great talent—just the will to try.

Coffee Social Sunday Evening

An accordion band from the Gallagher School of Music will furnish the major portion of the program next Sunday evening, Feb. 28, at the Sashabaw Presbyterian Church, beginning at 7:30 when the second coffee social will be held.

The young musicians, under the direction of Miss Arlene Smith, are offering a splendid program for the benefit of the Sashabaw Organ Fund. Their numbers will include both sacred and secular arrangements. Other musical renditions will be provided by the Sashabaw Women's Quartet and the congregation will be asked to join in a good, old-fashioned sing-spiration, accompanied by both piano and organ.

If you like to sing the old songs, be at the Sashabaw Presbyterian Church, 5381 Maybree Road, on Sunday evening, February 28th. Enjoy the music and after the program join your neighbors over a cup of hot coffee and other light refreshments.

Waterford Choir Presents Program

A program of Gospel music will be presented on Sunday evening, Feb. 28, at the Waterford Community Church, Andersonville Road near U. S. 10, under the auspices of the Senior Choir of the church. The program, which begins at 7:30 P. M., will feature the demonstration of a Hammond Electric Organ, as well as various arrangements of choral and instrumental music.

The choir, under the direction of Charles Jehle, with Mrs. Cameron Coventry as pianist, will sing several beautiful selections. Vocal duets will be sung by Betty VanPlew and Harriett Johnson, Jack and Jerry Peter, and Charles Jehle and Alan Coventry. Trio numbers will be presented by Mary Powell, Henrietta Ender and Doris Jehle. A trumpet solo will be given by Klein Powell, and Robert Granger will play the double bell euphonium, accompanied by Mrs. Granger.

The organ will be played by Mrs. Millward, demonstrator for Grinnell's.

A grand piano, recently presented to the church by Mr. and Mrs. Granger will be dedicated during the program.

The offering of the evening will be placed in the church organ fund.

All are invited to attend and to enjoy the music of the evening.

Brownie News

Brownie Troop No. 194 met on Wednesday of last week with their leader, Mrs. Howard Kieft. Paula Parker furnished the treat. We went for a walk in the woods and then walked down to the swamp where we found some moss.

Friends Taken On Scenic Tour

Last Saturday evening Miss Phyllis Beardsley entertained a number of her friends at a delightful supper and an interesting gathering at her home.

Besides visiting, singing and some card playing the guests enjoyed going on a colorful trip through many of the States from New York to California. Tom Herman who had taken a trip from coast to coast last year shared some of the scenic beauty and interesting places with the group by showing them the colored slides he had taken along the way.

Among the guests were Mr. and Mrs. Ed. Gunter, Mr. and Mrs. Max Souby, Mr. and Mrs. William Parker, Mr. and Mrs. Bartlett Mann, Mr. and Mrs. William Mansfield, Mr. and Mrs. Keith Lowrie, Mr. and Mrs. Floyd Gordon, all of Clarkston; Mr. and Mrs. Basil Tucker of Pontiac and Mr. and Mrs. Milo McClintock and Mr. and Mrs. Lawrence MacKay of Birmingham.

Clarkston Locals

The World Day of Prayer will be observed on Friday afternoon, March 5th, at two o'clock at the Clarkston Methodist Church. Details will be announced next week.

Last Sunday Mrs. Elizabeth Bonk entertained at a family dinner honoring the birthday of Miss Ada Serace which occurred on Monday, Feb. 22nd.

The mumps seem to be on the move in this area. Mrs. Herbert Beach and children are suffering from the painful disease at the present time.

The Clarkston Farm and Garden Club will meet at the home of Mrs. Ronald Walter on Monday March 1st. A salad will be served at one o'clock. Mr. J. G. Hayes of Michigan State College will speak on "Believe It or Not."

By The Way ...

In a constant attempt to put into a weekly paper what the publisher thinks his readers want to read, it is easy to take for granted that everything is read. Seldom then do we call your attention to some special item but may we ask you to read the poem "My Brother" published this week and written by Robert C. Beattie. We consider it worthy of what probably inspired it—"Brotherhood Week". . . . One of the world shaking events we could gladly avoid, and we knew where we could borrow sufficient to buy a ticket, is the ice skating show now on at Olympia in Detroit. We had heard of its virtues since the first announcement of its appearance in the big city. In fact I would rather work than attend. So tonight I am writing this as the Editor, with a group of friends, witnesses the grand spectacle. Incidentally, Barbara Ann Scott, the star of the exhibition, is the granddaughter of the pastor who married Reverend and Mrs. Robert M. Atkins of the Methodist Church in our village.

Financial note of the week: It is our understanding that Roger W. Babson predicts very good times in the immediate future. We agree with his reasoning even if we don't quite like the logic. The idea seems to be that people still have money and as long as they have it—it will burn a hole in their pocket until it is spent. . . . It is our understanding that people this side of the Rockies are prone to accept Florida as a home when they retire while the other side contains citizens who are more than content with California. There may be some exceptions but this is about true. Is it any wonder then that real estate business should be good in both states as each year more and more people reach retirement age and move to the warmer climates.

... Sunday being the last day of February, we suppose a day of "Grace" will be allowed but the time is getting short when it will be necessary to purchase a new license plate for the old family bus. . . . The preceding note was just a free service reminder of The News. It is also the last day to pay Township taxes and get Fido a tag so he can be with you for another year. . . . Remember the old remark that carries such sage advice: "Never worry about what is said about you. Your friends won't believe it and your enemies will believe much worse".

Quarterly Meeting Next Wednesday

The Woman's Society of Christian Service of the Clarkston Methodist Church will hold its quarterly meeting at the church on Wednesday, March 3rd. The Mary Circle will have charge of the luncheon at 12:30.

A very fine program is planned to follow the business meeting. Mrs. Paul Eliason and Mrs. Jack Wignall will be heard in several musical numbers. The guest speaker will be Mrs. John Garrison of Pontiac, first vice-president of the Detroit Conference of the W. S. C. S.

Clarkston Locals

Born to Mr. and Mrs. Charles Miller an 8 lb son, Robert Walter, on Saturday, February 20th, at St. Joseph's Mercy Hospital in Pontiac. Grandparents are Mr. and Mrs. Calvin Root and Mrs. Mary Miller of Clarkston.

Mr. and Mrs. Fred Warrick and family spent the weekend tripping to a few places in the upper part of Michigan's lower peninsula. Ted Benecoter accompanied them as far as Ewart where he spent the weekend with his family and came back to Clarkston when the Warricks made their return trip.

Clarion Farms Has Open House

Mr. and Mrs. Bartheld Zeunen of Clarion Farms on Walters Lake held an 'open house' on Sunday, Feb. 21st, from 2 until 5 o'clock, to meet their daughter, Kathy's "Gay Beau", a registered Morgan stud.

Thirty-eight guests from one Ohio and ten Michigan cities were on hand for the 'introduction'.

Gay Beau, 10995, is sired by a well-known New England Morgan, Townsend Gaymeade, out of an equally well-known Illinois mare, Triconga, whose sire is the three-times Grand Champion Congo.

Kathy now owns three registered Morgans, Joanne, Gay Beau and Coralee recently purchased from Fred L. Hubbard of Oxford; also a thoroughbred named Folly who has made quite a name for himself in local and out-of-town horse shows.

Clarkston Locals

Mr. and Mrs. Rolfe Smith and son, Craig, returned last week from a ten day business trip to Rome, Georgia. While there they visited Mr. Smith's parents, Mr. and Mrs. Walter J. Smith.

Several from Clarkston attended the Antique Show at the All Saints Church in Pontiac on Tuesday and Wednesday. They claim the show is well worth seeing and they were amazed at not only the large amount of antiques but at the large variety of displays. The show is continuing through today. Go in the morning and browse all day. Get your luncheon or snack right there at the show.

United Fund Inc. Has Annual Meeting

Vern Willard of Farmington was re-elected president of the Oakland County Townships United Fund, Inc., at the annual meeting held Thursday evening, February 18, at the Hotel Waldron in Pontiac.

Other officers are Ray D. Baker, of West Bloomfield, vice-president; Mrs. Eugene Rogers, Groveland, recording secretary; C. Bales, Commerce, treasurer; Lester Slauter, Lyon, admissions and budget chairman; Mrs. William Dildine, Milford, public relations chairman; Francis L. Ammerman, West Bloomfield, Campaign chairman.

Members at large, elected to serve on the executive committee with the officers, included Mrs. J. Valentine, Oxford; Joseph Koehler, Farmington; Arthur Rose, Jr., Independence; William VanderVen, Dublin; and Al Weinburger, Lyon Township.

The board of directors re-elected eight members and named 25 new ones. A number of changes in the constitution were voted and included deleting the word "Twenty" from the name of the organization. This was done since there are not now twenty townships in the organization, and since the number of townships may vary from time to time.

The directors decided to maintain a permanent office which is now located in the Huron Building, Pontiac, and keep a permanent office secretary.

Directors re-elected were Mrs. B. L. Hamilton, Brandon; Mrs. Wilbur Fox, Groveland; Mrs. William Dildine and Sanford Burton, Milford; Mrs. Lowell A. Yost, Rose; and Ray D. Baker and Francis Ammerman, West Bloomfield.

New directors include Louis C. Lundstrom and Mrs. George Hubbell, Milford; Clifford McIntyre and Mrs. LaVerne Boutell, Brandon; Mrs. James H. Gregg, Mr. and Mrs. Don Steinbrecher, and Nelson E. Nedeau of Commerce; and Mrs. Harold Vollink, Groveland.

Others are Mrs. Burton Jones, Mrs. James Stinson and Mrs. Harold Sutton, Rose; Mrs. J. Valentine, Charles Webster, Jr., Harold Campbell, Mrs. Floyd Harrison and Mrs. Brace Beemer, Oxford. Independence Township's new members are Robert L. Jones and Herbert Beach; and from Lyon Township, Hugh Arms and Mrs. Arthur Simmons. Dublin school district area joined the group and will be represented on the board of directors by William VanderVen, Hugh Findlay, Rex Fair and Mrs. Fred Corliss.

The Good Will Industries truck will be in Clarkston on Tuesday, March 9th. If you have anything for the pick-up please call Mrs. Alfred Lee, Maple 5-3381.

Several members of the Waterford Township Business and Professional Women's Club joined the Keego Harbor Club and went by chartered bus to the Olympia in Detroit where they enjoyed seeing the Hollywood Ice Revue.

Must Vote Again On Tax Limitation

Due to an error in the printing of the ballots it will be necessary to hold a new election on the portion of the School Building Program covered by the "Tax Limitation Proposition".

The following is the portion of the ballot in which the error was made:

"If in any year it shall be necessary to levy all of such increase for the above purposes . . ."

Should have read:

"If in any year it shall NOT be necessary to levy all of such increase for the above purposes . . ."

This error makes it necessary to vote again on the one issue. This does not in any way change the intent of the ballot. According to legal opinion it is necessary that the error be corrected to legalize the Sale of Bonds.

This election will be held on Thursday, March 4, 1954, at the Clarkston Elementary School. Polls will open at 7:00 A. M. and remain open until 8:00 P. M. on this day.

The Board of Education will appreciate your continued interest.

NO CHILD NEED HAVE DIPHTHERIA TODAY

In years past diphtheria was greatly feared as "a killer of children". The prevalence of the disease made it a constant threat to every child and when it was contracted it was almost invariably a very serious illness. Indeed many did not survive the experience.

With the development of anti-toxin a potent weapon was at hand with which to fight and control the severity of the disease once it developed. It also served to provide temporary protection for those recently exposed and before the disease had time to develop. However, this was still far from an ideal method of controlling the disease and it wasn't until we further developed immunizing substances that stimulated the individual to form in his own body natural active protective antibodies that the prevalence of the disease was cut down. Today through applying widespread immunization procedures we can practically eliminate the disease in our communities—at least epidemics will not occur. This protective substance can be combined with other substance which will protect from whooping cough and tetanus so that on series of treatments will immunize all three. This series together with vaccination against small pox should be provided to every child in the first year of life.

Interestingly enough, however, while the protection attained at a high level for a period of time following the immunization treatments, it lapses to a low level in time and should be renewed at intervals until the child is past the age of ten years. The fact that as individuals we come in contact with either cases or carriers of diphtheria so rarely now since the disease is so well controlled, we do not encounter enough stimulation to keep our immunity at a high level. Hence as individuals we need "booster shots" to restore the high level of immunity and the continuing protection it affords.

Poacher's Predicament

Conservation officer Robert Ball, Rosecommon, uses a comparison microscope to check ballistics of two shell casings involved in a recent deer poaching case. In this case, the two shells were alike and the evidence was used in court to help law officers end illegal activities of the poacher. The microscope also helps the innocent; the suspect could have been cleared had the two shells not compared.

Waterford

Mrs. Earl Weber is convalescing in St. Josephs Hospital where she underwent an operation on her back last week.

Little Nadine Boss, baby daughter of Mr. and Mrs. Fred

Boss of Airport Road, is ill with pneumonia and is confined in Pontiac General Hospital.

Mrs. August Jacober honored her son, Kirk, on his 9th birthday last Saturday. Four boys and four girls enjoyed a party during the afternoon and helped him celebrate.

Mr. and Mrs. Robert Granger returned home over the weekend from a two weeks vacation in Florida.

Mrs. Leon Thornton (Marjorie Anderson) who has been ill in the Contagious Hospital is now at her home.

Mr. and Mrs. William Heltman are home from an extended trip through the south and west. His parents, Mr. and Mrs. Fred Heltman who have been staying with their grandchildren have gone back to their home in Manistique, Michigan.

Mrs. Jack Jacober (Dorothy Harding) came from Phoenix, Arizona on Saturday to be with her father who was seriously ill in Pontiac General Hospital. Mr. Harding passed away on Tuesday morning. Another daughter is Mrs. Harold Kruger of Drayton Plains.

Mr. and Mrs. Lawrence Giddings, Jr., of Lake Orion were Sunday guests of his parents, the Lawrence Giddings of VanSycle Street.

Mr. and Mrs. Robert Siever (Charlene Pammenter) are the parents of an 8 lb daughter, born February 22nd at Pontiac General Hospital. The baby has been named Michele Anne.

Mr. and Mrs. Robert Shelley (Twylla Giddings) and children have moved to Flushing, Michigan.

Jim Helman, son of the Joseph Helmans left on Tuesday morning for the service.

Mrs. Winford Rogers entertained a number of friends at a pink and blue shower on Friday evening honoring Mrs. Jack Selberg (Joyce Amos). Assisting her were Mrs. Selberg's sisters, Sheila Amos and Delores Brown.

Rosemary Irwin, daughter of the Harry Irwins, is recovering from the chicken pox.

The Waterford Township Goodfellows are sponsoring a pancake supper this Saturday, February 27th, at the Community Activities Building. Serving will begin at 5 o'clock and it is open to the public. Proceeds from the supper will offset the deficit in their funds incurred by their Christmas work.

The Men's Beacon Club of the Waterford Community Church will hold their pot-luck supper and meeting at the church this Saturday, February 26th, beginning at 6:30. All men are welcome.

Other Community Church announcements for the coming week

include the Adult Bible Class meeting on Tuesday, March 2nd, at the home of Mr. and Mrs. Wallace Brown, Mrs. Henri Buck and Mrs. Roy Pammenter are co-hostesses.

The Ladies Auxiliary will meet at the home of Mrs. Kline Powell on Thursday, March 4th. This will be a dessert luncheon at 12:30. Mrs. Carl Ender and Mrs. Wright VanPlew will assist the hostess.

The teachers and officers of the Community Church Sunday School will have a pot-luck supper and visitation program on Monday, March 1st, at 6 o'clock at the church.

The Singerspiration following the evening service at the Waterford Community Church on Sunday night was in honor of Mrs. Wright VanPlew. A group of 75 people wished her many more birthdays as they sang "Happy Birthday" and "God Bless You". A beautiful azalea plant, a birthday cake and a purse of money were among the well wishes. Mrs. William Granger made the cake which was very lovely. She was assisted by Mrs. Ella Shook and Mrs. Hugo Magnuson on the arrangements for the refreshments. Mrs. Floyd Holden and Mrs. W. K. Powell had a part in the evening's enjoyment. The three dozen chairs that the Sunday School Council voted for use in the church and Sunday School work were used. They were purchased under the direction of Albert Kray. The chairs were needed badly and will be appreciated by all who use the church rooms.

The Sword of the Spirit Club will hold open house on February 26th at 7:30 P. M. at the Waterford Community Church. All Junior and Senior High Youth, their parents and friends are welcome.

The Extension Service News by Mrs. Josephine Lawyer Home Demonstration Agent

CHOOSE THE RIGHT FOOD A nutritionally well balanced diet is needed by people of all ages, points out Mrs. Josephine H. Lawyer, home demonstration agent for Oakland County.

As people live longer these days, nutritionists are urging men and women to give more consideration to diets that will make those extra years healthier, thus happier and more useful.

"Meals for the Middle Years", a Michigan State College extension folder, is designed to help individuals make a strong ally of food.

Features of the folder include a food check list to help in selecting a balanced diet. There are suggestions for low-calorie snacks to serve when people drop by. And you'll be interested

in the 10-point guide, "toward a cooperative digestion". The folder also includes information on calories, protein and milk and water requirements for the "middle" years. For your copy of "Meals for the Middle Years", write to the Extension Service Office, 1260 West Bouleyard, Pontiac, Mich.

ZOOFFEE GROWERS PREFER TEA

Coffee has never been the favorite beverage in the coffee-growing nations of South America, according to Dr. Marion T. Hall, botanist at Cranbrook Institute of Science at Bloomfield Hills.

Today more than 15 million Latin Americans, following the practice of their ancestors for 2000 years, prefer to drink a kind of tea called "yerba mate" (pronounced mah-tay), he says.

In Argentina every gaucho carries a gourd or hollow horn filled with dried mate to be made into a drink wherever water is found. The dried leaves are placed in a hand-sized gourd which is filled with boiling water. A metal straw, called a "bomilla", with a sieve-like strainer fixed to one end, is used to sip the beverage.

When a group of gauchos crouch around a campfire, the mate is often brewed in a large gourd and passed around for each to take a sip through a common straw.

A species of holly, yerba mate is found growing wild or culti-

ated in southern Brazil, Paraguay, and northern Argentina.

Before the Spanish conquest, the tea was used commonly by the Guarani Indians, but is now more popular than coffee among all groups.

Mate leaves, which contain caffeine, are trimmed from the growing plant and toasted over fires to reduce the moisture content. When thoroughly dry, the leaves are separated from twigs and broken for packaging.

Nearly 200 thousand tons of mate are produced annually, about half in Argentina and the

other half in Brazil and Paraguay. Brazil is the greatest exporter. The tea can be purchased in most food stores in the United States and Europe.

The most modern SIX

The new 115-h.p. I-block Six is the only completely modern six-cylinder engine in the industry... the only low-priced Six with all these features!

FREE-TURNING OVERHEAD VALVES make possible greater high-compression power, longer valve life.

SHORT STROKE, LOW-FRICTION DESIGN gives you more usable horsepower, with less engine wear.

HIGH-TURBULENCE COMBUSTION CHAMBERS thoroughly mix fuel and air for faster, more efficient combustion.

FOUR-PORT INTAKE MANIFOLD feeds fuel fast and uniformly for quick starts and smooth "GO."

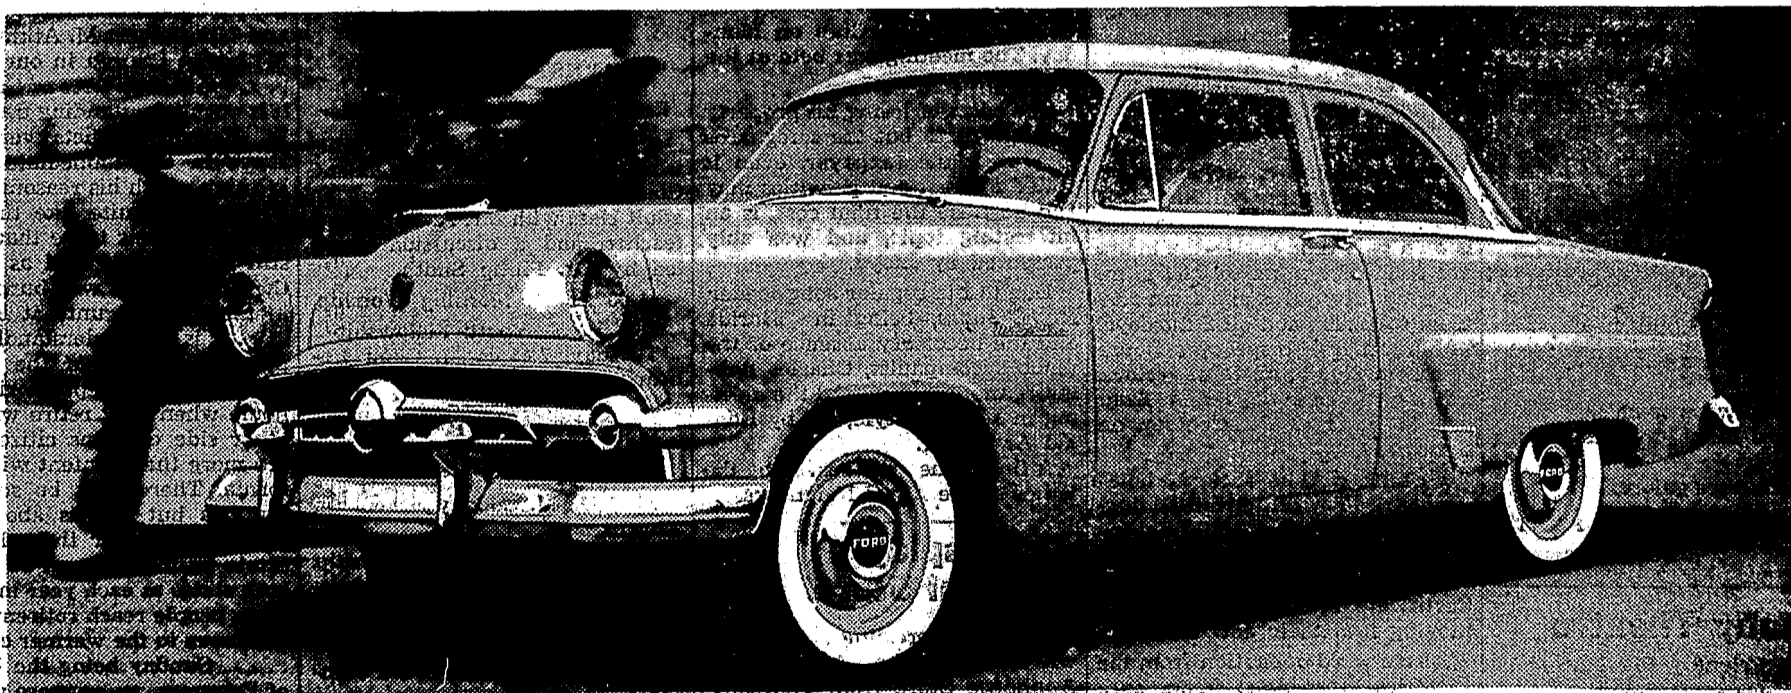

FOUR-BEARING CRANKSHAFT is cast rather than forged for more precise balance and smoother operation.

DEEP-CAST I-BLOCK with skirt that extends below the crankshaft, provides the great strength and rigidity needed for smooth, quiet engine performance and extra long engine life.

The savingest SIX

No other six in America offers the short-stroke, low-friction economy designed into this new Ford engine!

Ford's new Overhead-Valve I-block Six, with its completely modern high-compression, low-friction design, brings you even better gas economy than last year's Ford Six... the Six (with Overdrive) that beat all other cars, regardless of size and make, in the 1953 Mobilgas Economy Run Sweepstakes. And this year's Six also gives you a dividend of 14% more horsepower!

Ford Overdrive optional at extra cost.

Come in and Test Drive the

Barber, Harold Cameron, Mary Dean, Ronald Dubats, Solvej Petersen, Jim Shedlowsky, and Maxine Wheatley.

RESORT MEN FROM 'LAKES' AT INSTITUTE

Representatives from sister Great Lakes states are expected to join Michigan tourist and resort folks in the second annual Resort and Motel Institute, March 3 to 5, Michigan State College.

Action on the new Mackinac Straits bridge linking Michigan's two peninsulas will increase traffic also in Wisconsin, Minnesota, Illinois, Indiana and Ohio, leaders predict. More tourist facilities will result also in these states and in Canada, which is looking forward to another northern link via a new bridge or tunnel at the St. Mary's river crossing at Sault Ste. Marie.

Resort, restaurant and motel operators are cooperating with the college in the institute, according to Frank Suggitt, head of the land and water conservation department. The college tourist and resort service is a part of his department.

OBEY TRAFFIC LAWS! KEEP YOUR LICENSE

Owen J. Cleary, Secretary of State and Chairman of the State Safety Commission, today announced a state-wide traffic accident prevention program aimed at encouraging motorists to live up to the responsibilities of their driver licenses.

With the number of traffic accidents at an all-time peak last year thousands of motorists chose to ignore the requirement of the license that they must obey the traffic laws and committed violations which caused the 180,000 accidents. And, in addition the law enforcement agencies apprehended and the courts punished about a half a million violators. The state driver licensing machinery caught up with about 50,000 who had their licenses suspended or revoked.

Law abiding motorists and pedestrians deserve protection against those who abuse the privilege of driving, flout the obligations of their licenses, and commit the violations which endanger life and property. The most immediate method of curbing violations and death on the highway is firmer action by the police, the courts and the state driver licensing authority. Those who won't learn by public education must learn the hard way—by being punished in court and by losing their license.

As long as death on the highway is increasing motorists must expect the traffic authorities to bear down harder and harder on

traffic violators. This is unpleasant for both the authorities and the offenders but it is far less unpleasant than permitting more traffic casualties each year.

I am calling upon all law enforcement agencies throughout the state to make a special effort to apprehend traffic violators. I am requesting all judges to consider using firmer penalties in all cases in which motorists in violation of the traffic law endangered or threatened to endanger persons or property. And I am asking both the police and the courts to recommend that my Driver License Division cite for re-examination and possible suspension of license any person who, by his violation, shows an inability to drive safely or by whose repeated offenses or statements to officials displays an attitude likely to result in unsafe driving.

The Division of Driver and Vehicle Services of the Department of State which is responsible for issuing licenses and for suspending those of persons who demon-

strate they are not good safe driving risks is tightening up its driver license control policies. As long as the accident curve is increasing it will be necessary to gradually make driver licenses harder to get through harder examinations and to make licenses harder to keep through citing more violators into hearings for re-examination and possible suspension. This policy of increasing firmness will have to continue until we can point to a downward trend in accidents in Michigan.

I call upon all motorists in Michigan to cooperate in this program. The continued increase in accidents requires this reminder that the driver's license is not a right, it is a privilege extended only to those who qualify by examination and is extended to them only so long as they obey the traffic laws. There is no other way to make the license serve as a protection to good drivers except to take it away from bad drivers. To violate the traffic law must mean to lose the privilege of driving.

The safety slogan for the program is "OBEY TRAFFIC LAWS; KEEP YOUR LICENSE". This will be displayed on thousands of roadside posterboards, in newspapers, and will be used by radio.

The program is sponsored by the State Safety Commission and the Michigan Safety Federation, composed of over 130 organizations interested in safety.

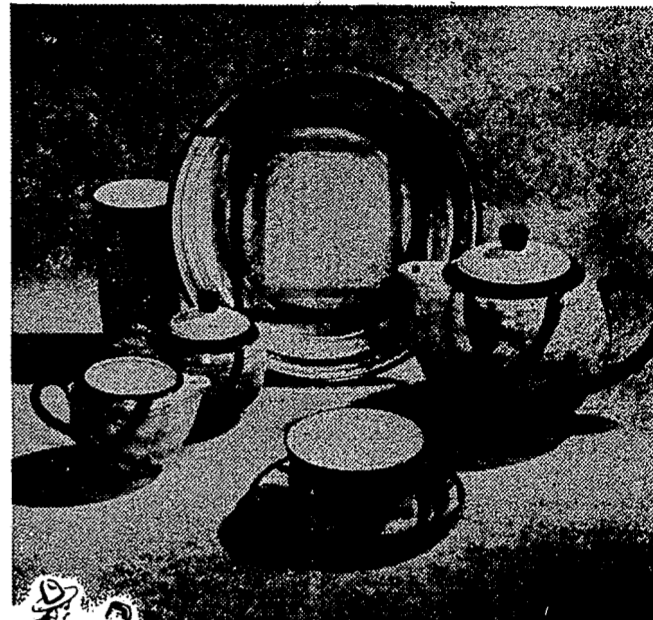

WEED SEEDS LIVE 70 YEARS

How long will weed seeds live? Michigan State College scientists don't have the answer to that question because an experiment designed to give the facts hasn't been completed yet. It has 80 more years to run.

The seeds in the tests are dug up from the ground every 10 years to determine their viability. G. P. Steinbauer of the botany and plant pathology department reports that the last time they were dug there was a small percentage of viable seeds from 20 species buried 70 years ago. In disturbed soil, however, seeds would have shorter periods of dormancy. But they may persist in a dormant but viable state through several crop rotations. Steinbauer suggests that more information is needed on the most

effective ways to speed up germination of the more persistent and harmful weed pests so they can be eradicated easier.

gay plaid...for your table! VERNON'S Gingham

A charming plaid pattern in colors that blend with everything... diffused, deep green, chartreuse, and gay yellow stripes on a creamy ivory background... colors hand-painted under the glaze so they will never wear off or fade. GINGHAM is delightful any time...anywhere. The fine Vernon long lasting glaze never crazes or cracks.

**NATION ATTACKS
AUTOMOBILE ACCIDENTS**

Rural areas of the United States will be major proving grounds for a nationwide attack on automobile accidents, it has become evident in the discussions at the White House Conference on Highway Safety.

President Eisenhower opened the Conference sessions, stressing the need for urgent action, and for effective citizen leadership.

An estimated 3,000 people, representing every state in the Union, are here for sessions lasting through Friday. Their aim is to develop a program aimed at reducing the traffic accident toll by 40 per cent during 1954. On the basis of the 1952 and 1953 death totals of more than 38,000 per year, this would mean a saving of nearly 15,000 lives.

Reports to the delegates, based upon carefully-conducted studies, indicated that more than two of every three highway deaths are occurring on rural roads, and in small towns and villages.

One of the seven basic groups holding panel sessions to determine what can be done to reduce accidents on the highways is the Agriculture Group, the chairman of which is Charles B. Shuman, president of the Illinois Agricultural Association, Chicago, and a director of the American Farm Bureau Federation.

Other groups are holding sessions concurrently.

In pledging support to the safety program, Secretary of Agriculture Ezra Taft Benson pointed out that no one has a bigger stake in highway safety than the farmer. He said:

"He must use the highway in all kinds of weather, in all kinds of traffic and in all kinds of vehicles—the automobile, the truck, the tractor. And I can't think of any business whose production and distribution is hampered or disrupted more by an accident than the farm industry. The farmer traditionally is almost always short of help. An accident to himself or to one of his helpers can really hurt.

"And yet farm residents suffer more fatal motor vehicle accidents than any other type of ac-

cident. Some of these tragedies are caused by farm people themselves. Many others are caused by non-farm residents who use the highways that go by farms.

"The huge waste of vital farm manpower and material resources caused by accidents must be stopped. I am sure I can pledge the active help of the farm people of America in stopping them."

The death toll of rural highway accidents, including those in suburban areas, is more than 27,000—more than 2½ times the number killed in urban sections, according to studies by safety organizations.

MICHIGAN WEEK TO BE OBSERVED IN MAY

A resolution urging the people of Michigan to take part in the observance of Michigan Week has been passed by the Michigan State Legislature.

The concurrent resolution, co-sponsored by Representatives Adrian deBoom of Shiawassee District and Arnell Engstrom of Grand Traverse District, was adopted Tuesday, February 16.

Purpose of the May 2-8 observance, as stated by the resolution, is to "help bring about a deeper pride in our state's many accomplishments and an increased feeling of unity among its peoples."

Currently being organized in each of the Michigan counties, the Michigan Week observance will be celebrated by schools, churches, businesses, clubs and other organizations.

STATE OF MICHIGAN—In the Circuit Court for the County of Oakland, in Chancery.

RENEE R. NELMS, Plaintiff vs. LOREN D. NELMS, Defendant.
No. D-32482

ORDER OF PUBLICATION
At a session of the said Court held at the courthouse in the City of Pontiac on the 27th day of January, A. D. 1954.

Present: Hon. George B. Hartrick, Circuit Judge.

Satisfactory proof appearing by affi-

davit of **RENEE R. NELMS, Plaintiff**, on file in this cause, that the said **LOREN D. NELMS, Defendant** herein, resides outside the State of Michigan.

On motion of **ROBERT O. BROWN, Attorney** for the plaintiff, IT IS ORDERED that **LOREN D. NELMS, the defendant** herein, appear and answer this bill of complaint filed in the above entitled cause, within three months from the date of this order, or the said bill of complaint will be taken as confessed by said defendant.

IT IS FURTHER ORDERED that this order be published in The Clarkston News, as required by law, and also that a copy of this order be sent by registered mail to the said defendant at 507 Fairview Avenue, Fulton, Kentucky.

GEORGE B. HARTRICK,
Circuit Judge

STATE OF MICHIGAN — The Probate Court for the County of Oakland.

At a session of said Court, held at the Court House in the City of Pontiac, in said County on the 15th day of February, A. D. 1954.

In the Matter of the Estate of **Mina M. Webber, Deceased.**

Elaine G. Gamble having filed in said court a petition praying that the administration of said estate be granted to **George E. Ryder** or to some other suitable person.

It is Ordered, That the 15th day of March, A. D. 1954, at nine o'clock in the forenoon, at the Court House in the City of Pontiac, Michigan, be and is hereby appointed as the time and place for hearing said petition.

It is Further Ordered, that public notice thereof be given by publication of a copy of this order, once each week, for three successive weeks previous to said day of hearing in The Clarkston News, a newspaper printed and circulated in said County, and that notice be given to the heirs-at-law named in the petition for administration filed in this cause by personal service of a copy of this order, or by serving the same by registered mail with return receipts demanded, addressed to their respective last known addresses, as shown by said petition.

ARTHUR E. MOORE,
Judge of Probate.

In the Matter of the Estate of **Bernice L. Chase, Deceased.**
Robert S. Chase having filed in said court a petition praying that the ad-

ministration of said estate be granted to **Robert S. Chase** or to some other suitable person.

It is Ordered, That the 15th day of March, A. D. 1954, at nine o'clock in the forenoon, at the Court House in the City of Pontiac, Michigan, be and is hereby appointed as the time and place for hearing said petition.

It is Further Ordered, that public notice thereof be given by publication of a copy of this order, once each week, for three successive weeks previous to said day of hearing in The Clarkston News, a newspaper printed and circulated in said County, and that notice be given to the heirs-at-law named in the petition for administration filed in this cause by personal service of a

copy of this order, or by serving the same by registered mail with return receipts demanded, addressed to their respective last known addresses, as shown by said petition.

That the remedy for hatred, selfishness and greed is found in the love of God, as taught by Christ Jesus, will be emphasized at Christian Science services on Sunday.
In the Lesson-Sermon entitled "Christ Jesus" passages read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will include:
"If we wish to follow Christ, Truth, it must be in the way of God's appointing. . . All nature teaches God's love to man, but man cannot love God supremely and set his whole affections on spiritual things, while loving the material or trusting in it more than in the spiritual."
"We must forsake the foundation of material systems, however time-honored, if we would gain the Christ as our only Saviour" (326:3-4, 8-14).
This passage from the Bible will also be among those read: "How beautiful upon the mountains are the feet of him that bringeth good tidings, that publisheth peace; that bringeth good tidings of good, that publisheth salvation; that saith unto Zion, Thy God reigneth" (Isaiah 52:7).
