## CLARKSTON TO OBSERVE MEMORIAL DAY

### Citizens Committee Has Final Meeting

The Citizens Committee will hold its closing meeting at the Clarkston Elementary School on Thursday, May 27, (tonight), at 8:00 P. M.

This meeting will close our activities and we will receive a report on the receipt of bids for the school building and changes or alterations in plans that were necessary to stay within the budget set aside for construction.

Please come and bring along any other members or friends interested in the Clarkston Community Schools.

Howard Kieft, Chairman

### S. S. Class Sees Ball Game

Last Saturday afternoon Mrs. Gray Robertson, a teacher in the Sunday School of the Clarkston Methodist Church, took her class of boys to Detroit to see the baseball game. The game was thoroughly enjoyed although the boys would have been pleased to see the Tigers win.

Looking after the transportation and being kind enough to do the driving were Messrs William Mansfield, Ed. Gunter, and Ronald Walter.

Members of the Sunday School class are: James Gunter, James and Tom Kreger, Dennis Galligan, Ronald Jyleen, Philip Smith, Ronald Walter, Harold Weston, John Willoughby, Sam Miller, Fred Warrick, Donald Harris and Jack McCall.

The regular meeting of the Joseph C. Bird Chapter, O. E. S., will be held in the Masonic Temple in Clarkston on Monday evening, June 7th.

### Linking Time

The clock on the shelf ticks the minutes away, As it speaks of the passing time. It has measured the hours thru many long days, And recorded their number by chime.

Before I was born, it was ticking all night, When the world was different than this. It drummed out the hours from sundown 'til light, To folks in their leisurely bliss.

On the face there are stains put on thru the years; The brass is quite tarnished from wear. It speaks of life's laughter, and some of life's tears, And many tense moments of care.

But it, like our lives, has been given to change. Its ticking is nervous and fast; It is doing its best, in a world that is strange,

To link the new days with the past. It loses or gains a few minutes or so; Not knowing of any great need For man to go racing all day to and fro,

With minutes as masters to heed. It strikes with a scorn, as it eyes on the shelf, A clock of the day that's at hand; The silent successor of its noisy self.

Electrically driven and grand. In the hearts of mankind, it still holds a place, Though it is not perfect we know. It tells of the years of more beauty and grace, When the world was peaceful and slow.

### R. L. Jones Heads Bankers Group

At the regular monthly meeting of the Oakland County Bankers Association held at Kingsley Inn, Bloomfield Hills, on Thursday evening, May 20th, the following officers were elected for the ensuing year: president, Robert L. Jones, vice-president and cashier of The Clarkston State Bank, Clarkston; vice-president, Sydney Q. Ennis, assistant cashier of The Rochester National Bank, Rochester; secretary-treasurer, Edward S. Ladd, assistant cashier, Community National Bank, Pontiac.

This is a very active group and includes the executive officers of all of the banks in Oakland County. Its program emphasizes sound practices and efficiency in banking and development of banking in the county; 2. It sponsors the Oakland County Chapter "American Institute of Banking" which is a school for employees of Oakland County Banks; 3. Legislative matters pertaining to banking; 4. Actively participates in the Michigan and American Bankers Associations.

### Poppy Days This Week

The local Legion Post will sell Poppies this Friday and Saturday. The News was misinformed as to the date consequently the wrong dates were published. However, the poppies mean the same thing regardless of when they are sold and the sale means a great deal to the disabled veterans.

Be generous and wear your poppy in memory of those who put America first.

### Extension Group To Tour Cranbrook

On Tuesday, June 1, the Clarkston Extension Group will have a luncheon at Devon Gables and then tour the grounds and the museum at Cranbrook. This event will take the place of the annual picnic.

The group is asked to assemble at the Township Community Center at 11:00 A. M., and transportation will be arranged.

### B. & P. W. Club Has Program Night

On Tuesday evening the members of the Waterford Township Business and Professional Women's Club met at the home of Mrs. Robert Kingsbury at Watkins Lake for their Program Night. This closed an attendance and membership contest that had been going on for the past two months. The losing team furnished the entertainment.

A "Parade of By-Gone Days" was the main feature of the evening. Dresses and accessories from as far back as 1876 were worn. Songs of each era were sung and movies were taken of the women as they paraded. Representing the present day was little Dorothy Ansil Thibault of Highland Park who appeared in costume in a Hawaiian dance while Mrs. Harry (Ansil) Ault accompanied on the uke. "Dottie An" also favored the group with a tap dance.

To close the parade the club's delegates to the State Convention appeared in the costumes they wore at "Fun Night" in the Statler in Detroit last Friday night.

To close a very fine evening refreshments were served from a table covered with a lace cloth and centered with an arrangement of lilacs, red tulips and lighted candles.

The next meeting of the Club will be on Tuesday evening, June 8th, at the C. A. I. Building on Williams Lake Road. Installation of officers will take place at this meeting.

### Clarkston Locals

Mrs. Hawley Skarritt and infant daughter, Linda Ann, returned home on Saturday from St. Joseph's Mercy Hospital.

Mrs. Anna Atkins and Mr. and Mrs. James Atkins and sons of Detroit called on relatives in Clarkston on Sunday.

### Oldtimers Meet For May Party

The Clarkston Oldtimers will be treated to a round-the-world tour via the Hammond organ when they meet at the home of Mrs. Fred Warrick on Allen Road this afternoon.

A light lunch will be served at 12:30, and the remainder of the afternoon will be spent with Mrs. Norman Smith, a well-known musician.

The telephone numbers for transportation were listed in last week's paper.

### Methodist Circles Meet Next Week

The Priscilla Circle of the Methodist W. S. C. S., will meet at the home of Mrs. Harold Bauer on Thursday evening, June 3rd, at 8 o'clock, for the purpose of organizing the new group.

The Dorcas Circle will meet on Thursday, June 3rd, at the home of Mrs. David Stewart, 177 N. Main Street. There will be a pot-luck picnic at 12:30. The hostess will furnish the rolls, butter and beverage. Each member will provide food and her own table service.

As pot-luck picnics seem to be the order of the day on Thursday, June 3rd, the Martha Circle will have its picnic at the home of Mrs. Wm. Johnston and the Mary Group will have a picnic at the home of Mrs. Philip Smith. Both groups will meet at 12:30. The hostesses will furnish rolls, butter and beverages and the members will provide food and table service.

The Young Women's Circle will meet on Thursday evening, June 3rd, at 8 o'clock at the home of Mrs. Robert M. Atkins.

### Clarkston Locals

Robert S. Rose of Clarkston has been promoted to Cadet First Lieutenant in the Hobart College Air Force, ROTC. A junior at Hobart, Rose is a member of the Schola Cantorum, Hobart Band, and Sigma Phi fraternity. He is the son of Arthur L. Rose, Rte. 1, Clarkston.

He is now completing his sophomore year at the Sault and plans to continue his studies on the Houghton campus of Michigan Tech next year.

### NOTICE

The Independence Township Offices will be closed all day Monday, May 31, on account of Memorial Day.

### YOUNG MUSICIANS ENROLL FOR MSC SUMMER WORK

About 250 young musicians in Michigan will attend the ninth annual Summer Youth Music Program June 28-July 17 at Michigan State College.

The three-week program will provide both classroom and private instruction, according to Oscar Stover, M. S. C., music instructor who is in charge of the program. This instruction will include band, orchestra, choir, ensemble, music theory, composition, and solo instruments.

A highlight of the course of study will be the "Festival Concert" on July 17 at 3:00 P. M. in the band shell.

Stover said the summer music department staff will include several members of the regular staff, as well as a number of Michigan and out-of-state teachers.

Those eligible to enroll in the summer program, he said, are students in grades 7 through 12 who have been recommended by their music teachers and principals.

In addition to the youth program, a six-week course of graduate studies for teachers will be offered June 22-July 30.

### Holiday Travel Will Be Heavy

With Memorial week end travel expected to reach an all-time high for that holiday, State Police Commissioner Joseph A. Childs has issued a warning that the increase in highway accidents since the first of the year indicates what drivers may expect unless they observe every safety precaution.

He also reminded that pass days of all State Police officers, including detectives and others on special assignment, have been canceled from Friday to Monday, inclusive, to use the full strength of the department on traffic law enforcement. It will be the equivalent of a 20 per cent addition in officers assigned to patrol activity.

"Accidents during the first three months of this year increased 14 per cent over the same period in 1953," Childs said.

"There has also been an increase in travel which, given good weather, indicates that Memorial holiday traffic will be the heaviest on record for that week end. This means a much greater exposure to accidents.

"We are going to do everything possible to assure the safety of careful drivers by canceling pass days and using every available man on traffic law enforcement to apprehend those who are or may endanger others by their recklessness. And we are following a policy of strict and rigid enforcement. But police can't do it all. The primary responsibility is the driver's to use common sense and avoid bloodshed and tragedy. We hope that they do."

That evil cannot withstand spiritual understanding of God's goodness and all-power will be brought out at the Christian Science service on Sunday.

The subject of the Lesson-Sermon is "Ancient and Modern Necromancy, alias Mesmerism and Hypnotism, Denounced". Biblical selections include Christ Jesus' warning about the mental nature of evil: "For out of the heart proceed evil thoughts, murders, adulteries, fornications, thefts, false witness, blasphemies. These are the things which defile a man." (Matthew 15:19,20 to:)

The following passage will be among those read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Passions, selfishness, false appetites, hatred, fear, all sensuality, yield to spirituality, and the super-abundance of being is on the side of God, good" (201:9).

The Golden Text is from Romans: "Be not overcome of evil, but overcome evil with good" (12:21).

### State Leader At St. Andrew's

"The Book of Ruth" which has been called the greatest love story ever put into any language, is the basis for a new biblical novel by that increasingly well-known interpreter of Bible scenes and characters, Dr. Frank Slaughter.

This new literary publication, under the title "The Story of Ruth" is being looked upon as an important event in both the literary and the religious realms. "The Story of Ruth" will be reviewed at a Book Review Luncheon on Friday, June 4th, at one o'clock at St. Andrew's Episcopal Church Hall, 4386 Dixie Hwy, near Sashabaw, Drayton Plains.

Mrs. Charles R. Dengler of Jackson, who is known throughout the Midwest as a leader among the women in church, civic, music and literary fields of endeavor has promised to come to the local church event at the urgent request of some of St. Andrew's ladies who have become acquainted with her charm, wit and sound Christian wisdom in serving under her presidency in the Episcopal Diocesan Woman's Auxiliary where she is now in her second year of top leadership.

Mrs. Dengler has served as President of The Michigan Council of Church Women and in many other church, civic and musical groups. As a hobby, and as a personal project of Christian service, whereby she has helped innumerable mission and other church groups to raise money for needed projects Mrs. Dengler has developed the art of book review into a fine vehicle for humorous entertainment, Christian teaching, and incidentally money raising.

St. Martha's Guild of St. Andrew's Church will serve a plate luncheon beginning at 1:00 P. M. Tickets at a reasonable price, or bonafide telephone reservations may be secured from Mrs. W. R. Hahn, 4269 Steffens, Waterford, ORlando 3-1250; Mrs. W. R. Hunt, 5845 Rowley Road, Drayton Plains, ORlando 3-7074 or at the church office, ORlando 3-7635 on Thursdays.

### League To Discuss Traffic Burdens

Plans to relieve Oakland County of increasing traffic burdens will be discussed at the annual meeting of the Oakland Citizens League by J. Carl McMonagle of the Michigan State Highway Department June 3, in the Birmingham Community House, at 8:00 P. M.

With construction and planning of arterial highways leading north out of Detroit well under way, fear that traffic loads will merely be dumped at the county line has prompted the 16-year old Oakland Citizens League to conduct a continuing survey of the problem this year.

"Few problems affecting Oakland County's future are as important as planning for increased traffic," Joseph D. Savery, Royal Oak, president of Oakland County Citizens League, said. "We have been trying for several years to find out what the State Highway Department plans to do in constructing new arterial highways north from Detroit. The Oakland County Road Commission, the Detroit Traffic Engineering Department, and the State Highway Commission are all involved in this, as well as the taxpayers who will have to share the bill. As yet, we have not been able to pin down any specific thinking on the problem. We have invited Mr. McMonagle to tell us what planning is in mind."

Mr. McMonagle served as highway engineer for the St. Clair County Road Commission from 1927-29; was engineer with the Federal Emergency Relief Administration 1934-35; and has been in the field of traffic engineering with the State Highway Department since. He has written many technical articles on traffic planning.

Preceding his speech a brief business session of the Oakland County League will be held, at which directors for the next year will be elected. The meeting is open to the public.

### Athletes Feted At Annual Banquet

The Clarkston Rotary Club honored the Athletes of the Clarkston High School at its fourteenth annual banquet in the High School Gymnasium on Monday evening. There were approximately 150 in attendance to enjoy a very delicious chicken and biscuit dinner served by Mrs. R. E. Norton. The evening's program opened with the singing of "America" and the invocation by the Reverend Mr. R. M. Atkins. Dinner music by Janet Sue Willoughby was greatly appreciated.

Frank Ronk made a very capable toastmaster and Harold Schmidt of the Ortonville Rotary Club led group singing with Charles W. Robinson at the piano.

Rudolf Schwarze, president of the Rotary Club, welcomed the assembly especially the athletes who were seated at tables for the honored guests.

The newly elected president of Clarkston Rotary, Charles Rockwell, was introduced and he received a hearty round of applause.

Robert Klingman, the school's athletic director, introduced the coaching staff: Edward Hintz, Head Coach of Football and Assistant in Basketball and Baseball; Dom Mauti, Head Coach of Basketball and Track and Assistant in Football; Gus Birtas, Head Coach of Baseball and Assistant in Basketball and Football; Ralph Thayer, Head Coach of Golf. Then Mr. Klingman presented the awards to: Darrell Abare, Glen Abbott, Roger Allen, James Alexander, Don Alexander, Douglas Alexander, Darrell Blackett, Jack Brooks, Gordon Campbell, Vern Carmean, Gordon Cascaddan, Don Colston, Ed. Campbell, John Campbell, Harry DeVar, Ronald Dubats, Doug Dunlop, Bill Dunston, Doug Fortin, Bob Furman, John Holser, Roger Johnson, Richard Johnston, Ronald Johnson, Clyde Kizer, Henry Keel, George Lang, Lanny Leak, Marvin Menzies, Clifford Miner, Bill Mackson, Gary Nelson, Max Ostrander, James Phelan, Charles Passage, Gary Robertson, Larry Ruggles, Bob Rader, Joe Rembach, Jim Rudduck, Ron Schebor, Bill Shanks, T. Shedlowsky, Robert Summers, Richard Tebo, Michael Thayer, Pat Thompson, Pete Thompson, Don Turek, Jerry Urlick, Fred Vess, Al Warman, Bill Wilds, Fred Robinson and Bob Yahnke.

The cheer leaders were asked to take a bow. In the line-up were: Jeanne Porritt, Laura Ruggles, Kay Robinson, Mary Dean, Judy Walker, Joyce McMullen, Pat Thayer, Sharon Glennie, Judy Abare, Barbara Walker and Betty Schiele.

Leslie F. Greene, superintendent of the Clarkston Community Schools, introduced the speaker for the evening, Dr. Clyde M. Campbell, a professor from Michigan State College. Dr. Campbell gave an interesting talk and gave the young men who were about to complete their high school days something to think about in the days ahead.

The benediction was given by the Reverend Mr. Atkins.

**THOUSANDS TO VISIT U-M THIS JUNE**

The line in the song that says June is bustin' out all over just about describes the many activities scheduled at the University of Michigan next month which will bring thousands of visitors to Ann Arbor.

Highlight, of course, will be the 110th Commencement, June 12, when some 2,700 students are expected to join the ranks of the University's estimated 156,000 living alumni.

Earlier in the month, on June 7, Emperor Haile Selassie of Ethiopia is to be honored at a special convocation. Then June 11-12, the National Collegiate Athletic Association track and field championships will be held.

June 15, high school girls from throughout the state will gather for the annual Wolverine Girls' State, an eight-day event. An International Congress on Nuclear Engineering, June 20-25, will draw scientists from all over the world, except from behind the Iron Curtain. Simultaneously, a national conference on mass communications will be going on.

As in former years Memorial Day will be observed in Clarkston with a parade and services at Lakeview Cemetery on Monday, May 31st. The Campbell-Richmond Post, American Legion will have charge of the day's program.

The parade will form at the corner of Church and Buffalo Streets at 10:00 A. M. and headed by the Clarkston School Band will march to the cemetery. All veterans, Boy Scouts, Girl Scouts, Cubs and Brownies and any others who have the desire to march are invited to get in line.

The speaker at the cemetery will be the Reverend Mr. George Halk. The Gettysburg Address will be given by A. E. Butters and the calling of the roll of deceased veterans will be done by Ed. Gunter. Orlo Willoughby will direct a men's group in several vocal numbers and the School Band will play.

As is usual a wreath will be placed in memory of those who have given their all for liberty in America. The program will close with the customary rifle volley and "Taps".

### Andersonville

The Andersonville Cemetery Association has announced that Memorial Day services will be held on May 30th, at 2:30 P. M. in the Andersonville Community Church. A short service will follow at the cemetery. The public is cordially invited to attend.

### 4-H Club Meets Wednesday

The first meeting of the Clarkston 4-H Livestock group will be held on Wednesday evening, June 2nd at 8 o'clock, at the Township Community Building on North Main Street. All young folks interested are invited to attend.

### Clarkston Locals

Mrs. Augusta Steumke is visiting in Royal Oak and Romeo for the next three weeks.

Mr. and Mrs. H. Theriot and family and Mr. and Mrs. Clarence Drake are leaving on Tuesday morning for a vacation in Arizona.

### By The Way . . .

With all due praise to the presidents of the Village who have served and made this village the nice community it is, this week we ran across a message that should be "must" reading for every citizen. Trustee Butters considered it worth spreading on the minutes of the Council. Trustee Jones seconded the motion and the trustees supported the motion. Upon entering office the new president, Russell Colston, made a statement of policy, a plan of what he thought should be done for the good of the community, all based upon the fact that he considered it an honor to be president—that is an honor to be won by forward thinking. Turn to page four and read his message in the council proceedings. The writer congratulates the new president, praises him for making a statement of policy, and trusts that with the thought so far shown the village will move on to a better and better place. The precedent is good. . . . Another Memorial Day is upon us. A day originally set apart for the men and women who served in the armed service and today a general memorial day for all who have preceded us in that great adventure. We will not attempt to add anything to the praise of the idea of Memorial Day more than to repeat the words of a small community editor, written in Howell when I was a youngster. Somehow it was a sermon that has remained with me throughout the years. "Memorial Day is a day to remember those who have gone on. It is not a holiday, as we think of holidays—just another day to have a grand time" written by the late A. Riley Crittenden, publisher of a paper called "The Livingston Tidings". Children like canoes, are more easily controlled if paddled from the rear.

Waterford

S. ROY LANGS

S. Roy Langs, 69, co-owner of the Waterford Hotel, died Friday morning at the Hotel.

Surviving, besides his wife, Nellie, are a daughter, Mrs. Mary Argo of Los Alamos, N. M.; one son, Stanton R. Jr., of Highland Park, and a brother, Frank of Waterford Township.

Stamp; the newly elected president, Mrs. Harry Ault; the junior past president, Mrs. Royal Pazik; the incoming recording secretary, Mrs. R. F. Hoag; the 1953-54 chairman of the Education and Vocations Committee, Mrs. Florence

RED CROSS SPEEDS MOTHER TO STRICKEN SON

When Mrs. Helen Sinicki of Bay City, Michigan, received word of the Army that her son, Cpl. Richard Sinicki, was seriously wounded by a land mine explosion in Germany, she turned to the Red Cross for help. The Army offered to fly Mrs. Sinicki from Westover Air Force Base, Massachusetts, to Germany, and the Bay County Red Cross Home provided funds and made arrangements for her to fly to Massachusetts. Here, Mrs. Sinicki, left, and Mrs. E. J. Donoghue, Red Cross Social Welfare Aide confer over travel schedules. Within four days of learning of her son's condition, the mother was at his bedside — half way around the world.

SOME PERSONS EASILY HARMED BY SUN'S RAYS

Even before the invention of the atom bomb, people suffered annoying forms of radiation sickness. The cause, skin specialists maintain, is over-zealous use of the sun's rays while lounging on the beach or in a deck chair.

Therefore, Dr. Suel A. Sheldon, University of Michigan dermatologist, warns persons not to go overboard in their sun bathing this summer. It is possible, he declared, for some folks to "drown" themselves in too much sunlight.

Some people are especially "photosensitive", that is, easily fried.

This may be due to: 1. a histamine-like substance in the skin; 2. a local infection in a tooth or tonsil; 3. male sex hormones which appear to cause pigmentation; 4. manufactured products such as perfume oils, plant extracts, even sulfa drugs; 5. unknown causes.

The diseases caused by exposure to sunlight run from ordinary sunburn, senile skin (sometimes called sailor's skin or farmer's skin), hive-like swellings, to cancer.

But, assures Dr. Sheldon, cancer of the skin does not arise from casual sunbathing. Cancer usually results from years of baking.

Some doctors, said Dr. Sheldon, attempt to desensitize patients who are photosensitive by giving

them small amounts of sunlight until their skin is able to take it. In other words, a patient becomes tolerant of sunlight.

Others try hormone treatments. And recently doctors are trying certain antimalarial drugs, with success, on persons who are especially sensitive to the sun.

Dr. Sheldon warns that even

though suntan oils are popular, they do not actually protect the user or prevent sunburn. Actually, he said, plain or carbolated vaseline is the best protection, although the doctor admits that such is probably not "cosmetically acceptable". Sunbathers will find plain talcum powder the best "bouncer" for the sun's rays. Calamine lotion is good, too.

But, said Dr. Sheldon, the best treatment for light-sensitive diseases lies in preventing over-exposure to the summer sun in the first place.

GAMMA GLOBULIN AVAILABLE FOR POLIO

Gamma Globulin, the blood derivative containing polio antibodies, will be available in Michigan again this year for the prevention or modification of paralytic polio.

Dr. F. S. Leeder, director of the state health department's disease control division, said that he "anticipates enough globulin to meet the needs of the state for the year".

This year the globulin will not be given to single family units, since there is no evidence that its use in this way last year either prevented any cases of paralytic polio or modified their severity if they did occur.

The globulin will be used for "group" inoculations. A group is defined as being larger than a single family, such as a neighborhood, an apartment house, a camp, an area or a district within a community.

It will be up to the full-time health officer to determine who will receive inoculations in this area.

Before an entire community can receive inoculations, approval must be obtained from the Michigan Department of Health.

Dr. Leeder stated that the dose had been made a little larger this year to provide a few extra antibodies for a better chance of protection.

Gamma globulin provides a degree of polio protection for about five weeks if given to groups of persons who are not in the incubation period of the disease in a community where polio is

occurring. Its effectiveness in family contacts where the disease is already present has not been proven.

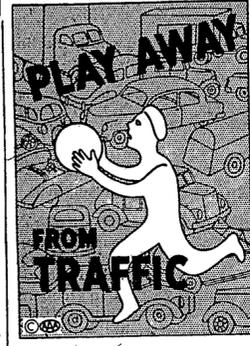

The globulin to be used for prevention of paralytic polio is obtained from the National Foundation for Infantile Paralysis through the Office of Defense Mobilization.

Additional supplies for the prevention or modification of measles and infectious jaundice are also available from the state health department.

**CLARKSTON ELEMENTARY ROOM MOTHERS ENTERTAINED**

On Friday evening, May 21, the Clarkston Elementary Teachers entertained their room mothers to a dessert. During the evening the teachers presented a skit which depicted a typical school day. Mrs. Connelly was the teacher, with Mrs. Zenke, Mrs. Grover, Miss Clauss, Miss Metzger, Miss Campbell, Miss Tosich and Mrs. Forsyth being the students. This program was enjoyed by all. Approximately 30 mothers attended.

Last week was a busy week

for the sixth grade. On Monday the patrols went to the ball game in Detroit when we were guests of the management. We had lots of fun although Detroit lost. We want to thank the P. T. A., who made it possible for us to go.

Tuesday morning we went over to observe the seventh grade. Mr. Klingman spoke to us and seventh graders acted as guides and showed us around the building.

On Tuesday afternoon at 1:30 we had a tea for our mothers. At the tea we gave a program with children in our room acting as if they were from all over the world. We hope our mothers enjoyed it. Each mother was presented with a corsage.

On Wednesday morning the fifth grade from the Anderson-

By Ed Alchin  
County Agricultural Agent

Over the past few weeks our contacts on farmers have pointed up the fact that they are more concerned with the present problem of falling agricultural prices. No matter where you turn you can find many suggestions as to the proper solution. Some farmers believe that we should have rigid supports and strict controls of farm products all across the board. Others take the more moderate attitude that a real emergency should exist and flexible supports is the answer. Others believe a real emergency does exist and that agricultural decline in prices may have an adverse effect on the entire economy of the country.

Certainly all these farmers express one desire. That being security and a chance to make a profit from the business of farming. Just what the answer might

be to the many complex problems is beyond our conception, but one thing is certain, that is, that farm leadership must express itself with a unified voice which represents the true feeling of agriculture. For that purpose individual farmers should take an active interest in their farm organizations and cooperatives, learn all they can about the problems facing them, and express themselves in such a manner that leaders in these organizations understand and act for them.

Of all the expressions that I have heard, probably the one that best sums up the farmers' problem is, "The future of agriculture can be as sound as any other business only when farmers themselves take a real interest in their business and express that interest in actions".

From where I sit... by Joe Marsh

**"High-Priced" Mistake**

Maybe you noticed the big "ad" Red Smith's Furniture Store ran in *The Clarion* last week.

One item caused some embarrassment around here. It read: "4-piece Bedroom Suite, regular price \$119.50, bargain price \$149.50." Guess I didn't "proof-read" too well, and when our pressman asked for the go-ahead, I yelled, "Let 'er go."

All kinds of jokes about the mistake. One fellow asked if Smith's was holding the price line so tight it just snapped. Turned out fine in the end—Red

sold that suite for the real sale price, of course.

From where I sit, it's lucky my carelessness didn't cost Red any business. I'm the one who's always "experting" on being careful—careful of our responsibilities, careful of our neighbors' rights. Even careful to respect the other fellow's preference for a glass of beer. Let's all make a bargain to be more careful in the future.

*Joe Marsh*

Now that lawns are growing—and whirring lawnmowers offer proof—it is a good idea to treat fertilizer like fire. You could burn your grass.

Put fertilizer on when the grass is dry, advises M. S. C. specialist. That way, most of it will shake down on the soil where it does its work. Then, get out the hose and wash the rest off the leaves to prevent possible "scorching" of your turf.

Legal Notice

Regular meeting of Clarkston Village Council held April 11, 1954.

Meeting called to order by President Colton.

Roll: Butters, Jones, O'Roark, Stewart, Thomson, present; Megee, absent.

Moved by Butters that the following statement to the Council by President Colton be written into the minutes:

Gentlemen: I know a speech by a new Village President is not customary in Clarkston, but I do wish to make a few remarks so that you will have a better understanding of my thoughts in relation to this position.

I consider it a very great honor to have been elected President of the Village of Clarkston. I appreciate the responsibilities of the position and assure you I will fulfill those responsibilities to the best of my ability.

I realize that a great challenge lies ahead of me in attempting to serve this office in as capable a manner as did our immediate past president, Charles Rockwell and past presidents, Robert Waters, Roy Alger, Howard Huttenlocher and many other capable men before them.

To me, Clarkston is the best place in the world to live. We have everything it takes to make a good community, good American people, good churches, good schools, good business and professional men and an abundance of the good things that nature provides.

However, with all our good things let's not be a community "That time forgot", but rather be a community that keeps up with time.

I am sure we all have several

ideas for improving our village and I hope each one of you will express them at our meetings and that during the year we can put as many of them into practice as is possible. A little later, I wish to present several things I feel are worthy of consideration for the improvement of Clarkston.

In relation to the office of president I am definitely opposed to presidents of any organization or unit of government having, assuming or requesting a lot of authority. I pledge to you now that I will not assume responsibilities not given me by our Village Charter nor will I make any commitments in the name of the village without specific approval of you gentlemen. This policy of mine may mean more meetings, but you are the persons who adopt the budget and pay the bills, and therefore are entitled to all credit for the job well done and likewise must accept the criticism for any job not done well. I feel that my main duty is to preside at your meetings, make recommendations and suggestions for your consideration and to serve as a guide on Village Administration.

As you know, our meetings are all public meetings and as chairman I will see that any person attending any meeting is given ample time to speak, however, I will insist that only elected officials enter into discussions without first obtaining permission from the chair, as I feel that in the past considerable time has been lost by others entering into our discussions. Reports and requests from appointive officials should be submitted to the council through the committee chairman.

In fairness to all trustees, meetings will be called to order on time and I hope, adjourned at an early hour.

Following are some of the things I hope the Council will give some thought during the coming months:

1. The possibility of Clarkston obtaining a municipal water system and municipal sewer system.

2. I feel the Village should own and/or control the water right of the mill pond.

3. I would like to see the Village provide garbage and re-

fuse collection service through a contract with some individual or firm.

4. There is a definite need for additional parking facilities in the business district. I strongly recommend that the Council and business men hold a meeting at a very early date to consider this item.

5. There is a definite need for a review of all Village Ordinances.

6. I feel the Village should sell the vacant lands it now owns or make some definite plans for their use.

7. I feel the Village should enter into a new contract with the Township for fire protection and that the Village should be relieved from its operation.

8. I am convinced that the Village should either provide more local police protection or else admit that we do not desire and cannot afford police protection and save what money we have been spending. Personally I feel we need more local traffic control and feel we should have an officer-on duty especially during period of heavy traffic and during the early evenings.

9. I think we should continue our street program and hope that during the coming year we can complete the improvements to Waldon Road.

10. There is a definite need for a sidewalk improvement program and I trust some provisions for it will be made in our new budget.

11. To me, our shade trees are one of our greatest assets and I strongly recommend that we make provision for some tree trimming, repairing, and replacing in our future budgets.

12. I recommend that the Properties Committee give some consideration to redecorate the Village Hall, erecting a sign on it, replacing the heating system, and obtaining new furniture for the Council Room.

13. The Properties Committee should also make some recommendations as to Deer Lake Beach. I personally feel that adequate sanitary facilities should be provided, that facilities for diving should be provided and some precautions should be made in relation to the existing hazards.

14. It has been suggested that we need new street signs and I feel the Street Committee could well give this some consideration.

During the year I undoubtedly will offer additional suggestions for your consideration, and sincerely hope that each one of you will make suggestions as to those things you feel would improve our village.

I hereby appoint the following committees: FIRE: O'Roark, Stewart, Thomson; POLICE: Stewart, Jones, Megee; STREETS & SIDEWALKS: Butters, O'Roark, Jones; BUDGET & AUDIT: Jones, Megee, Thomson; VILLAGE PROPERTIES: Megee, Butters, O'Roark; ORDINANCES: Thomson, Stewart, Butters.

I hereby appoint people to the following positions: FIRE CHIEF, Don Beach; ASST. FIRE CHIEF, Richard Morgan; POLICE CHIEF, Frank Green; ASST. POLICE CHIEF, L. D. Hemingway; BUILDING INSPECTOR, Ralph Thayer; HEALTH OFFICER: Oakland County Department of Health; DEPUTY CLERK, C. W. Robinson; DEPUTY TREASURER: Kathleen Waters; VILLAGE ATTORNEY: William Ewart.

Signed: Russell Colton, President

Moved by Jones, "That the following resolution be adopted: Whereas, Charles C. Rockwell—who has served on the Village Council as a member for 3 years, elected Village President for the past 2 years, is now retiring from public office.

Whereas, during his term as a councilman he was very active on the Street Committee and was ever willing to help on any other committee when needed.

Whereas, during his term as President of the Village of Clarkston, he was instrumental in completing the following projects:

1. A new bridge across Main Street between the Mill Pond and Parke Lake.

2. New sidewalks on both sides of the business district.

3. A new black-top pavement on Main Street from Village limits to Village limits.

4. A new bridge on Waldon Road and a new black-top road from Main Street to Village limits on Waldon Road.

5. Other projects too numerous to mention.

BE IT RESOLVED THEREFORE: that through the retirement of Charles C. Rockwell, the Village Council has lost one of its outstanding members, has lost his valuable advice, judgment and understanding, has lost a faithful and competent officer, and the community will always remember this ever civic minded and always helpful citizen.

Therefore, the members of the Council through the adoption of this resolution express to Charles C. Rockwell, their sincere appreciation of his many years of loyal and valuable service to the Council.

Therefore, be it further resolved, that this resolution be spread up on the minute book of the Village Council of Clarkston, Michigan, and a copy mailed to Mr. Rockwell.

Motion seconded by Stewart. Roll: Butters, Jones, O'Roark, Stewart, Thomson, yea; 5; nays, 0; one absent. Motion carried.

Moved by Butters, "That the meeting be adjourned". Motion seconded by Stewart. Motion carried.

**DAIRY MONTH FOCUSES EYES ON MICHIGAN**

Just how important is the dairy business in Michigan? Will dairy-men have something to be proud of during June, Dairy Month?

The 846,000 dairy cows on 101,000 Michigan farms produce nearly six billion pounds of milk a year. The value is nearly 150

million dollars. The sale of veal and beef from dairy herds totals another 50 million dollars.

That brings the total cash dairy income to approximately 200 million dollars, the largest source of farm income in Michigan. And it helps maintain business in every Michigan city.

There are more than 600 dairy plants in Michigan which process the state's milk supply into var-

ious dairy products—bottled milk, butter, evaporated and condensed milk, ice cream, cheese and others.

The dairy business also involves much labor in getting the milk from the dairy cow into a product in the family's refrigerator—hauling from the farm to the dairy plant, the dairy plant processing and delivery to the stores and homes. That doesn't include the labor to manufacture equipment for the dairy farm and plants.

Michigan ranks high among states in the dairy business. The Wolverine state is eighth in total milk production, seventh in the

amount of milk bottled, fourth in the processing of non-fat dry milk solids, ninth in cheese production, fifth in cottage cheese making, sixth in butter, sixth in ice cream and second in sherbet production.
