Flower Show Being Planned

At the regular meeting of the Clarkston Branch of the Women's National Farm and Garden Association on Monday at the home of Mrs. John Carey, plans were discussed for the Fall Flower Show which will be held this year on September 17th at the Clarkston Community Center. Supervisors' Action Appreciated

The following letter received by Floyd Andrews is self explanatory.

Dear Floyd: This letter is to express, in language which I know will be inadequate, my thanks, deep appreciation, and gratitude to you, as Chairman of the Oakland County Board of Supervisors, and through you to each and every individual Member of the Board for the gracious and generous expressions contained in the Resolution of Appreciation passed by the Board on May 19, 1954, regarding myself in connection with the St. Lawrence Seaway.

I shall always treasure this resolution in grateful memory of a constituency which made it possible and presented the opportunity to me to accomplish something for their benefit.

kindest and best wishes,
GEO. A. DONDERO, M. C.

The report today is that he is doing as well as can be expected. His room no. is 318, in case you would like to send him a message of cheer.

Nip And Tuck

The lives we live are much too fast,
Of this we are complaining.
The days and months go flitting past
And naught are we retaining.

We know our lives are geared too high
For mortal bone and muscle.
We can't have others pass us by,
So we get down and hustle.

Each time we try to increase speed,
That we might pass our neighbors;
We find that he is in the lead,
In thinking and in labor.

The endless cycle spins around
With us caught in the center.
It seems that no one's ever found
A way to leave or enter.

The more we earn, the more it costs
To keep us in position.
If we would falter, all is lost
To keener competition.

It matters not what we desire
In ways of daily living,
The ruthless grind of life requires
That man, his all, be giving.

Graduates Hear T. Luther Purdom

Monday evening, Commencement exercises were held for fifty-eight members of the graduating class. Eight couples from the Junior Class escorted the Seniors into the auditorium. Rev. Robert M. Atkins gave the invocation. Elinor Allison and Harold Cameron, who tied for honors, gave Salutatory addresses. The High School Chorus, under the direction of Mr. Leichtung, sang three musical numbers. Charlene Barber and Mary Dean, who also tied for honors, delivered the Valedictory addresses.

Mr. T. Luther Purdom, the speaker of the evening, was then introduced by Superintendent L. F. Greene. Mr. Greene listed the many positions Dr. Purdom has held and the many contributions he has made in the educational field. At the present time Dr. Purdom is at the head of the Placement Bureau for the University of Michigan.

In his address, Dr. Purdom stressed the need of courtesy and respect on the part of the young people if they expect to get ahead. He said that each individual should strive to do his part regardless of what the other fellow does. He also stated that the individual should continue to develop the spiritual side of life and that the home is the foundation of civilization. In conclusion he said that each individual should be thoroughly prepared so that when an opportunity presents itself he can take advantage of it.

Mr. Greene then mentioned the sacrifices made and the encouragement given by many of the parents in aiding their sons and daughters to reach this point in life. He presented the class to Mr. Walton T. Robbins, a member of the Board of Education. As Mr. Ralph Thayer called the class roll Mr. Robbins congratulated each graduate and presented each one with a diploma as he passed by. CHRISTIAN SCIENTISTS MEET IN BOSTON

Spiritual understanding alone can heal today's widespread dis-

trust and discord and assure universal freedom and security, The Christian Science Board of Directors said today in a special statement.

About 7,500 Christian Scientists from many parts of the world heard the Director's message at the Annual Meeting of The Mother Church, The First Church of Christ, Scientist, in Boston, Massachusetts.

Stressing the universal nature of spiritual understanding, the Directors said that the healing promises of practical Christianity apply "to every human being and every group and nation."

"When we look at the world and its problems, we cannot fail

to be grateful that the teaching of Jesus Christ has so broadly and deeply registered in it," the Directors said. This teaching, they declared, offers a lasting solution to confusion in government, conflicting national interests, and world tension.

Named President of The Mother Church for the coming year was Mr. William R. Knox of Boston, Massachusetts, a Christian Science practitioner active in the healing work of the denomination for almost 50 years. His term of office is one year.

Mr. Knox emphasized the conviction of Christian Scientists that God's law and power are scientifically applicable to human problems and available to all. He

said they base this conviction on the practical results of "the simple power of prayer" in their own lives and in the healing of others.

Emphasizing the significance of spiritual healing in the work of Christianity as understood in

WILLIAM R. KNOX

Christian Science, Mr. Knox said, "Christian healing is the lifeblood of our Cause. . . That branch church is most prosperous and blessed where the healing work flourishes and the lives of its members overflow with the Christ influence."

Bearing witness to this were accounts of Christian Science healing read at the meeting which included total recovery from a case of multiple sclerosis diagnosed as incurable, appendicitis and peritonitis diagnosed as beyond help, brain tumor pronounced fatal, and a case of internal injuries and crushed pelvis medically pronounced as crippling if not fatal.

Reports on the world-wide activities of the denomination, which has branches throughout the United States and in some 40 other countries, were made by other key officials.

Growing acceptance of spiritual healing by young people was noted by Gordon V. Comer, Clerk of The Mother Church. Pointing out that Sunday School pupils are shown how to rely successfully on prayer, he told of some of the clear-cut healings by the pupils themselves that came to his attention during the past year.

In another field, Richard H. Chase, Manager of Christian Science Activities for the Armed Services disclosed that some 365 civilian field workers were ministering to hospitalized veterans and members of the armed ser-

VICES. In addition, eighteen Christian Science chaplains—three of them in Korea—were on active duty with troops.

New records for circulation and advertising were noted in the report on The Christian Science Publishing Society.

The health reporter will be Sally Cox; recreational leaders are Shirley Cox, Janet Rader and Brenda Miller. Plans for a summer trip were discussed.

Lace dresses are the headlines in the season's fashion picture. If you decide to make your own, remember that the beauty of a lace dress lies in the design of the lace itself—not in the design of the dress. For this reason, you'll be wise to choose a pattern that is designed especially for lace, or else select one that has few seams, advise clothing specialists at Michigan State College.

Lowest Price

Big-Car Luxury and Performance at the Lowest Price of all

The closer you compare values the more certainly you'll see that Pontiac is far and away the standout buy on automobile row.

In size and weight alone Pontiac offers you more car per dollar than a like amount ever bought before. And that's important, because that long wheelbase is the reason for comfort, riding ease and roadability unapproached within hundreds of dollars of its modest price. On the road a Pontiac is always restfully smooth, steady and quiet. Your hands on the wheel are free of jarring road shocks. You round corners on an even keel... cruise without using too much gas.

And along with these big-car features you get remarkable savings. Economy is, of course, exceptional. First cost is the least for any big, luxury automobile—within a few dollars of the lowest-priced cars. Our trade-in appraisals are notably large and Pontiac's resale value ranks with the highest in the industry. Come in for the facts about today's most startling value.

MARSH - BECKMAN

Douglas Marsh, son of Mr. and Mrs. Lester Marsh of 5865 Clarkston Road claimed Sharon Beckman, daughter of Mr. and Mrs. Warner Beckman, 8552 Clarridge Road, as his bride last Saturday evening at a double ring ceremony at 8:30 o'clock. The nuptial vows were spoken to the Reverend Walter Ballagh in the Lake Orion Baptist Church.

The bride was gowned in white lace over taffeta. A pearl tiara held her fingertip veil and she carried white roses on a white satin covered Bible.

Donna Mae Hubble, aunt of the bride, of Roscommon, was Maid of Honor. She was gowned in yellow net over taffeta and she wore a matching head band. Her bouquet was a cascade of yellow roses and carnations.

Bridesmaids were Shirley Marsh, sister of the groom, gowned in pink net over taffeta with matching head band, and Mrs. Frank Leach of Waterford, sister of the groom, wore blue net with matching head band. Both maids carried cascade bouquets of pink and white carnations.

Assisting Mr. Marsh as best man was his brother, Lester and seating the guests were Junior Beckman, brother of the bride and Thornton King, uncle of the bride.

Mrs. Thornton King, aunt of the bride, sang "Because" and "I Love You Truly".

After a reception in the church parlors, the bride changed to a pink dress with matching accessories for her wedding trip in Upper Michigan and to Niagara Falls. The newlyweds will make their home in Cecil, Ohio.

For her daughter's wedding Mrs. Beckman wore a gown of light blue nylon and Mrs. Marsh was gowned in light blue taffeta. Both mothers wore corsages of pink carnations.

Mrs. Lavina Furman, Ree Roy and Martin Krech of Pidgeon, Mich., spent Saturday at the Stanley Furman home.

Last Wednesday the two small children of Mr. and Mrs. Andy Hinson came home from a Pontiac hospital where they had been confined with bronchial pneumonia.

Mrs. Stephen Jantz has returned home from Pontiac General Hospital where she has been confined for observation.

Last Friday evening Mrs. Francis Moore was honored at a shower for her babies, Donald and Donna. The affair took place at the home of Mrs. Rollin Vess.

The infant son of Mr. and Mrs. Charles Miller has been brought home after being ill and confined to the hospital.

Mrs. Harold Jarvis entertain-

ed the Bunco Club at her home on Tuesday evening. The first prize was won by Mrs. Beckman; second by Sharon Beckman; third by Mrs. Jarvis and the door prize went to Mrs. F. Gritinger. The next party will be at the Martin home.

On Wednesday of last week Mrs. T. King was hostess at a teen age bridal shower honoring Sharon Beckman. There were 15 present. After games refreshments were served.

There were forty present at the bridal shower at the home of Mrs. Stanley Furman last Thursday evening honoring Doris Ridgeway. Bingo was played and refreshments were served. Doris will become the bride of Bernard Blain on June 11.

Mr. and Mrs. Stanley Furman and Mr. and Mrs. Glenn Robinson spent Sunday at the Algonac State Park.

Gordon Black had the misfortune, while driving down Elizabeth Lake Road on Sunday morning to collide with another car, throwing Johnny to the floor spraining his shoulder.

Mr. and Mrs. Byrd have returned home after about ten days spent in Arkansas and Missouri.

Mr. and Mrs. Arthur Towne left Sunday morning on an extended trip through the west. They will visit relatives in California.
