It was pointed out that salaries for teachers used to take about 60% of the cost of operating but due to raises would take about 80% the coming year.

Ed Spohn and Ronald Weber were elected to the Board for the three year terms and Kenneth Thayer for the two year term.

Keith Leak was named President of the Board; Walton Robbins, secretary and Ronald Weber, treasurer.

U-M DOCTOR SEES ULTIMATE VICTORY

"I cannot help but feel that within the foreseeable future, poliomyelitis will become as rare as small pox and the plague", said Dr. David G. Dickinson, Director of the University of Michigan's Respirator Center.

Decisive scientific evaluation of the polio vaccine now under way at the University at the Polio Evaluation Center will not be available until sometime in 1955.

Yet Dr. Dickinson strongly feels that two campaigns in the battle against the disease have been won: Now there is a vaccine, and now parents can be reasonably certain that it is a safe vaccine.

On the matter of safety. Dr. call The News Office and tell Dickinson said: "It would seem about it. The bomber sprayed a large portion of Lansing to control an infestation of the gypsy moth, an insect that can wreak havoc with nearly every type of green growth. The infestation was discovered in the Lansing area only recently and unless con-trolled quickly could spread rapidly. Here the bomber flies low past the Capitol building to spray the entire area.

do more work per day . . . more work per dollar!

You save on operating costs. The "Thriftmaster 235" engine, the "Loadmaster 235," and the "Jobmaster 261" (optional on 2-ton models at extra cost), deliver greater horsepower plus increased operating economy.

You save extra trips. That's because of extra load space. New pickup bodies are deeper . . . new stake and platform bodies are wider and longer.

You save time on deliveries. New truck Hydra-Matic transmission saves time and effort at every stop. Op-tional at extra cost on $\frac{1}{2}$ -, $\frac{3}{4}$ - and 1-ton models.

You save with lower upkeep, too. There are heavier

axle shafts in two-ton models, bigger clutches in lightand heavy-duty models, stronger frames in all models.

You save hours on the road. Thanks to new highcompression engine power, you can maintain faster schedules without driving at higher maximum road speeds.

And your savings start the day you buy. Chevrolet, you know, is America's lowest-priced line of trucks.

Catching up on my reading, I noticed three news items you might like to know about.

First, a farmer whose milk had trace of garlic flavor is feeding his cows chlorophyll to sweeten their breaths.

Next, a college agricultural starained a herd to get milked when they are called by number. Seems 75 out of 80 cows learned their numbers in a few days. Guess the "dumb" five couldn't count that high. Final item -- cows are getting "noseprinted" for identification.

No. 2 Within said Township on TUESDAY, AUGUST 3, 1954

(3093) Section 1. On the day TO THE QUALIFIED ELECTORS OF THE COUNTY OF OAK-LAND, STATE OF MICHIGAN:

NOTICE IS HEREBY GIVEN, that a Special Election will be held noon, and shall be continued in the County of Oakland, State of Michigan, on Tuesday, the 3rd day of August, 1954, from 7:00 o'clock in the forenoon until 8:00 ternoon and no longer. Every o'clock in the afternoon, Eastern Standard Time, to vote upon the propositions set forth in the following resolution adopted by the Board of Supervisors of said County on the 18th day of January, 1954, to-wit:

"BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF THE COUNTY OF OAKLAND, MICHIGAN, AS FOLLOWS:

1. That said Board of Supervisors deems it expedient and necessary for the said County to erect a County Building in the City of Pontiac, Michigan, to house the Courts and general county offices (sometimes hereinafter referred to as the "improvement"). That said Board of Supervisors does hereby declare the said improvement to be a permanent improvement, and hereby determines to make the same and to defray the cost thereof by the issuance and sale of Bonds, as hereinafter provided.

2. That said Board of Supervisors does hereby adopt the estimate of Four Million Five Hundred Thousand Dollars (\$4,500,000) made by the Special County Building Committee, as the amount needed to pay the cost of said improvement and does hereby determine to finance such cost by the issuance of bonds in the principal sum of Four Million Five Hundred Thousand Dollars, (\$4,500,000). The said Board of Supervisors does hereby determine that the estimated period of usefulness of said improvement is thirty (30) years and upwards.

3. That for the purpose of paying the cost of said improvement there shall be borrowed on the faith and credit of the County of Oakland, the sum of Four Million Five Hundred Thousand Dollars, (\$4,500,000) and the bonds of the County issued therefor, which bonds shall be sold at not less than par, shall bear interest at not to exceed 31/2 % per annum payable semi-annually, and shall be payable serially as shall be determined by the County Board of Supervisors, the first maturity to be not more than two (2) years and the last not more than twenty (20) years from the date of issuance, provided, that the said Board of Supervisors shall adopt such supplemental and/or additional resolutions as shall be necessary to effect the issuance and sale of said Bonds, when and if the issuance of said Bonds shall be approved by the electors.

4. That the proposition of the issuance and sale of said bonds shall be submitted to the electors of the County of Oakland, qualified to vote thereon, at a special election to be held on the 3rd day of August, 1954, (the same being a date coincident with county-wide primary election within said County of Oakland) from 7:00 o'clock A. M. to 8:00 o'clock P. M. Eastern Standard Time, which proposition shall appear upon the ballots or voting machines in the following form:

"Shall the County of Oakland, State of Michigan, borrow the sum of Four Million Five Hundred Thousand Dollars (\$4,500,000) and issue and sell its full faith and credit bonds therefor, for the purpose of paying the cost of erecting a county building in the City of Pontiac Michigan, to house the courts and the general county offices, said bonds to bear interest at a rate not to exceed 31/2 % per annum payable semi-annually and to mature serially as shall be determined by the County Board of Supervisors, the first maturity to be not more than 2 years and the last not more than 20 years from the date of issuance?"

5. That nothing contained in this resolution shall be construed to permit the making of said improvement or the borrowing of said sum of \$4,500,000 and the issuing of the bonds of the county therefor, until the foregoing proposition shall have been approved by a majority of the electors of the county, qualified to vote thereon and voting at said special election.

6. That for the purpose of paying the principal and interest on said bonds and providing a reserve therefor, it is necessary that the tax rate limitation in the County of Oakland be increased by ½ of 1 mill for a period of twenty (20) years from 1954 to 1973, both inclusive, and that the proposition of such increase shall be submitted to the electors of the County of Oakland qualified to vote thereon, at said special election, which proposition shall appear upon the ballots in the following form:

County of Oakland; State of Michigan, for all purposes except taxes for the payment of interest and principal on obligations incurred prior to December 8, 1932, be increased as provided in Section 21 of Article X of the Constitution of Michigan, for a period of 20 years from 1954 to 1973, both inclusive, by 1/20th of 1% (50c per \$1,000) of the assessed valuation as equalized, for the purpose of paying principal and interest on, and establishing a reserve for, bonds aggregating not to exceed \$4,500,000 in principal amount, to be issued to pay the cost of erecting a county building in the City of Pontiac, Michigan, to house the courts and the general county offices?"

The Clarkston News, Clarkston, Michigan

Harold J. Doebler,

7. That the County Clerk shall call said special election in accordance with the terms of this resolution and any resolution supplementary thereto.

8. That this resolution is adopted pursuant to the provisions of Act No. 118, Michigan Public Acts of 1923, as amended, and acts supplementary thereto.

9. That all resolutions and parts of resolutions, insofar as the ame may be in conflict herewith, are hereby rescinded.

MR. CHAIRMAN, I move the adoption of the foregoing resolution.

Motion was seconded by Supervisor Barnard. VOTING: AYES: 64. NAYS: 3. CARRIED.

The following statement has been received by the County Clerk from the County Treasurer as to previously voted increases in the total tax rate limitation affecting taxable property in the County of Oakland,

For three years, Harold Greme, Huron County farmer, searched for a better way to dry his beans and small grains. Then, with some help from Edison Farm Service Advisors, he successfully developed this electrically powered system that enables him to dry six to seven thousand bushels of beans and grain per season. Result: He can harvest when his crops are ready and cut down weather losses. This means higher

prices on the market.

Mr. Gremel farms 370 acres of land - 100 in beans, 80 in small grain, 35 in beets and milks a herd of 13 cows. As do many Michigan farmers, he is each year finding new ways to put electricity to work to lighten his load and give him greater security. For further information on farm electrical equipments see your Edison Farm Service Advisor.
