Hopes Are High For Local Library

The Public Library Committee of the Clarkston Community Women's Club is happy to report that the small building next to the Community Center has been offered for a Public Library. This is an ideal spot for such a project and there will be plenty of space for library equipment.

The committee announces that a campaign will be started very money for books, lumber for shelves, labor, and needed supplies to get the library underway.

This is one project that seems to be heartily received in the community and with so many interested it should be a complete

There is also a swimming beach with life guard and swimming instructor. The park is busy most of the season and Mr. and Mrs. Jones enjoy the life at the lake a graet deal.

Plans To Train For Teaching Jobs

The special teacher education plan whereby Oakland County men and women with Liberal Arts college backgrounds can become certificated schoolteachers will be continued this fall, it was announced today by L. F. Greene, in Detroit on Tuesday afternoon Superintendent of Schools in Clarkston.

This is the cooperative southeastern Michigan plan which won country-wide attention when it was explained to a group of outstanding educators who met in Washington last month to discuss methods of solving the national teacher shortage. The Wayne University cooperative plan was named the most practical and the Jack and Hattie Pelkey. She had United States Office of Education and other national and state agencies are urging that its format be adopted elsewhere.

The program offers men and women with bachelor degrees or at least three years of successed college an opportunity to complete the required courses, workshops, and in-school teaching needed for a Michigan teaching certificate in less time than is ordinarily needed.

An Intensive Teacher Education Program in Royal Oak has already been authorized. The workshop will be located in the Longfellow Elementary School, Eleven Mile Road and Maxwell, near Woodward Avenue.

If the number of interested teacher candidates is large enough, centers will be established elsewhere in the greater metropolitan area.

"We believe this program will appeal to housewives with college backgrounds and other qualified Also featured on the program adults who recognize the challenge that teaching can offer", L. F. Greene said. "No previous acaeducation is required but those must possess basic teaching qualifications, the ability to learn contemporary teaching methods, and be sincerely interested in

the education of children." This program received its impetus from a number of southeastern Michigan superintendents who indicated their belief that there were many civic-minded, intelligent women residing in had not had the professional preparation needed for employment

in this field. Residents of Oakland County prizes. interested in participating in this ntensive program can get application forms and further information from Dr. J. Frank Campbell, Coordinator of Off-Campus Pro- and the Small Business Clinic grams, in Room 121, Main Build- at Kellogg Center in East Lansing ing, College of Education, Wayne University, Detroit 1, Michigan. The Home Extension Club has accepted an invitation to have a display of their finished work at the Flower, Fruit and Vegetable Show on Friday at the Community Center in Clarkston.

Farm Women Hold September Meeting

The Oakland County Farm Bureau Women's Committee met at the home of Mrs. L. C. Duncan on Jossman Rd., and enjoyed a delicious pot-luck dinner with 20 present and 9 groups represented.

The business meeting was called to order by Thelma Jones, Chairman. The secretary's and treasurer's reports were heard.

Final plans were made for "The Luncheon is Served" program at the benefit of the polio fund, at noon on September 29th. There will also be a flower arrangement demonstration by a Pontiac florist. Extra tickets are to be returned to Mrs. Mallory Stickney. Each Farm Bureau group is responsible for 1 centerpiece for the tables, tea towels and the dish washing.

It was voted to hold a miscellaneous auction for the Laura Jean Stover memorial. The revolving fund is to help student nurses. All donations are to be sent to Mrs. Earl Braid, 515 E. 5th St., Royal Oak. Articles for the auction are to be taken to the luncheon on Sept. 29th-baked goods, plants, aprons, needle work, etc.

It is possible that the Farm Bureau camp may be changed to March next year at St. Mary's Lake near Battle Creek. The speaking contest elimination was held between Mrs. M. Stickney and Mrs. James Joslin. Mrs. Joslin will represent the district on Oct. 12th, at the district meeting in Muttonville, near Mt. Clemens.

The next meeting will be with Mrs. Randall and Mrs. Rexin at West Bloomfield Township Hall.

B. & P. W. Club

On Tuesday evening the Waterford Township Business and Professional Women's Club openthe fall season with a dinnermeeting at the C. A. I. Building on Williams Lake Road. A turkey dinner was served at seven o'clock by the Waterford Women's Club at tables attractive with fall flowers and green candles in crystal holders. The invocation

was given by Mrs. W. H. Stamp. Following the dinner the group was entertained by a girl's quartet from the Waterford Township High School. The girls were Deanna Mielke, Anna Mae Secan, Jeanette Pierce and Anna Marie Thomas, all seniors. They sang

several pleasing numbers. The meeting was called to order by the president, Mrs. Harry Ault. Mrs. Royal Pazik, past president who participate in this program installed Mrs. Raymond Swaney as second vice-president and Mrs. Elizabeth Ronk as corresponding secretary. Mrs. Pazik also presented Mrs. Stamp with a past president's pin.

Several new members were velcomed into the club.

During the business meeting the club adopted the 1954-55 budget as presented by the Finance Committee. The Annual Card or near their school district, who Party was announced by Mrs. had already had three or more Fred Allyn. It will be held at the years of college work but who C. A. I. School Enrollment Increases Rapidly

Total School Enrollment, 1839 Total School Enrollment opening day: 1951 - 1295; 1952 - 1480: 1953 - 1607; 1954 - 1839.

Initial enrollment, September 13, 1954 was 232 children more than the initial enrollment last The enrollment by grades:

Kdg., 172; 1st, 204; 2nd, 217; 3rd,

147; 4th, 157; 5th, 141; 6th, 157;

- 12, 644. This is an average of 14.5% over last year. The percentage gain is interspersed throughout the enrollment rather than being concentrated in the kindergarten and first grades as has been the general pattern in previous years. There has been over 42% ingrease in school population since

September, 1953. Indications are that it will be 50% by January. The present housing construction and migration will probably increase the enrollment to over 1900 during this school year.

It is hoped that the elementary buildings will be completed within a month and that the children will be able to then attend full day sessions with an average enrollment of about 32 children to a classroom. This will be a considerable improvement over last year when our class load averaged 42 pupils with some rooms having as many as 55 children.

The high school is operating under very crowded conditions and has some sections meeting in the corridor. This condition will be corrected about January when the high school should be completed.

The enrollment in high school last year at this time was 494 today it is 644. The high school will continue to increase at the rate of a hundred a year (for the next 3 years) according to present enrollments.

The rapid acceleration of home construction in this district however will cause this estimate to be exceeded. There are now approximately

900 children in your schools on a half-day basis, this condition will exist for only a month, thanks to your support. Many school districts will have

and for years to come because the people have not foreseen the need. The people of the Clarkston Community School District are

to be commended for the way in which they have supported their schools. Through the assistance and support of the people facilities are being provided to house and educate their children with acceptable program. L. F. Greene, Superintendent

O. E. S. Doings

Announced

Joseph C. Bird Chapter, No. 294, O. E. S., will hold Advanced Officers Night on Monday, September 20th, at 8:00 P. M. in the

Clarkston Masonic Temple. The Annual Meeting of the Chapter will be held on Monday night, October 4th. A pot-luck dinner will be served at 6:30. Each member is asked to furnish her own table service and a dish of food to pass.

Installation of new officers will take place in the Clarkston High School Auditorium on Saturday evening, October 16th, at 8:00 o'clock. This meeting is open to the public.

Meetings Planned In Davisburg

Austin Lodge, No. 48, F. & A M., announces that there will be the Master Masons Degree and supper at the Masonic Temple in Davisburg on Saturday, Sept. 18th. Lodge will open at 2:00 P.M. and the supper will be served at 6:30 P. M.

The E. A. Degree will be conferred on Tuesday, Sept. 21st, at the Temple at 7:30 P. M.

Oldtimers To Elect Officers

The Clarkston Oldtimers will meet at the Community Center Cat, Super Circus, Super Duck on Thursday, September 23rd. Th usual snack will be served at 12:30 and a program is being planned. Election of officers will take place at this meeting and also at this time the members will decide on a new name for the club.

Apologies to Mrs. R. T. Vliet for omitting her name from the Bells, Wendy Parker, Wilbur Youth for HIM, Saturday, 7:00 list of parade participants last Comics, Woody Woodpecker, Zoo week.

Men's Club **Meets Tonight**

The Clarkston Methodist Men's Club will meet at the church tonight, Sept. 16. Dinner will be served at 6:30 by the Dorcas Circle of the W. S. C. S.

The speaker for the evening will be Ralph Thayer of the Clarkston High School faculty. All men in the area are invited.

Notice

All Scout Leaders, Girl Scouts, Brownies and those interested in Scout work please be at the Clarkston Community Center on Tuesday, September 21st at one o'clock.

Comics Suggested By Committee

In lieu of the fact that some day in the near future Clarkston will have a library thoughts turn to what constitutes good reading. In turn parents think of suitable reading for children, especially juniors and adolescents.

This seems like a pertinent time to present to parents the annual rating of comic magazines by the Cincinnati Committee on the Evaluation of Comic Booksa committee whose opinions are recognized by educational institutions, Parent-Teacher Associations, churches and practically all of the English speaking coun-

The Committee's ratings for this year's comic books are identified by A - no objection; B - some objection; C - objectionable and

D - very objectionable. The following list of comics rated "A" might help parents to some extent in selecting books for children: Abbott and Costello, Adventures of Bob Hope, Adventures of Mighty Mouse, Andy Hardy, Andy Panda, Animal Adventures, Animal Antics, Archie Comics, Archie's Girls Betty and Veronica, Archie's Rival Reggie, Archie's Joke Book, Atomic

Mouse. Beany and Cecil, Ben and Me, Billy Bunny, Blondie Comics Monthly, Boy Loves Girl, The Brownies, Bugs Bunny, Buster

Candy, Casper the Friendly Ghost, Classics Illustrated, Comic Cavalcade, Comics on Parade, Cookie.

Daffy, Dagwood Comics, Daisy and Her Pups, Date With Judy, Dean Martin and Jerry Lewis, Dennis the Menace, Dinky Duck, Donald Duck, Duck Album,

Everything Happens to Harvey. Felix and His Friends, Felix the Cat, Flat-top, The Flying A's Gasoline (19.5 per gal.) Range Rider, The Fox and the Oil & Lubrication Crow, Fritzi Ritz, Funny Animals, Gabby, G I Jane, G I Sweethearts, Giggle Comics, Girl's Life,

Girl's Love Stories, Heckle and Jeckle, Henry, Hollywood Funny Folks, Horace and Dotty Dripple, Howdy Doody, Intimate Love, Jiggs and Magge, Katy Keene Comics, The Katzenjammer Kids, Knights of the Round Table,

Lassie, Leave It To Binky, Linla, Little Audrey, Little Dot, Little Eva, Little Iodine, Little Lulu, Little Max Comics, Li'l Bad Wolf, Looney Tunes, Love Diary, Love Doctor, Love Letters, Love Romances, Love Secrets, Lucy,

1953-54 School Bus P. T. A. Council **Transportation**

The following report is submitted to the residents of the Clarkston Community School District for their perusal. It may answer some of the questions relative to the cost of transportation in the school district.

Last year it cost 17 cents per was 14.7 cents per day.

The average cost per bus per mile of operation in 1952-53 was 27.5 cents while in 1953-54 school year it climbed to 31 cents. This increase was caused by increased driver salaries, by the gradual changing over from 48 to 60 passenger buses, and by the general increase in the national cost index.

However, in spite of an increase of 3.5 cents per mile operation cost, the cost of transportation per youngster per mile was .001 cents less than the preceding year.

The school district is reimbursed the purchase price, as well as the cost of operation by the state on a delayed basis, that is, the 1953-54 costs are paid to the a reunion of his family in the school district during the 1954- home of his son, Stanley White, 55 school year. The bus purchase price is refunded to the district at the rate of 14.3 per cent per year. In effect then, the school district is reimbursed its capital evening after spending ten days outlay for equipment over a period of seven years.

No monies received in local tax collections are expended for transportation except for such expenses as are over and beyond 18th. There will be homemade the limitations as defined by the State of Michigan.

Because the transportation is paid by the people of the State of Michigan certain transportation regulations and limitations are set up by the state school laws and all school districts must adhere to these regulations. These regulations cover such items as the backtracting on routes; the distances children should walk; the use of buses other than to and from school, etc.

The complete analysis of expenditures for transportation in 1953-54 is as follows:

BUS FLEET Operation Cost 1953-54

Number of buses Original cost of buses \$69.058.71 Total miles traveled last year Total miles traveled

each school day Total number of children 1358 transported each day Drivers Salaries \$19,432.45 Clerical & Supervision \$1,750.00 \$380.84 l Tires Repair Parts \$3,884.70 Labor \$3,080.00 Driver training school

for bus drivers

Depreciation of buses \$9,865.53 (one-seventh of cost) \$588.72 Interest charge Insurance \$969.44 Total Cost \$45,332.97 The total cost may be broken down into fixed and variable charges. The fixed costs are those

charges per day that are charged

against the fleet whether it oper-

ated or not. The variable are

\$153.00

those charges that result from actual operation of the buses BUS COST SHEET **FLEET**

Fixed Charges

Days per year 1385 No. of Passengers \$969.44 Insurance per year License (& titles each) \$20.00 \$9,865.53 Depreciation \$19,432.45 Drivers Salaries Total Fixed Charges \$30,287.42 Fixed charge per operation day \$166.40 Variable Charges Operating miles per day

65 Gal. gas per 1,000 miles cost at 19.5 per gal. \$32.17 Oil & Grease per 1000 miles \$2.03 Tires per 1000 miles \$5.70 Maintenance per 1000 miles \$50.00 Total variable cost per 1000 miles \$89.90 **Potal** variable cost per mile Variable cost per day \$66.80 Recapitulation Fixed charges per day

Vafiable charges per day

"To the unknown Operator who saved my life..." That's how the letter began. It was sent to Michigan Bell by Mrs. Ida Vaughn of Ann Arbor. Here's why. One evening, Mrs. Vaughn, who then lived alone, suffered a severe heart attack. She was able to reach her telephone but was choking so badly the operator could hardly understand her. The operator checked the address and notified the hospital. Then she learned the family doctor's name from Mrs. Vaughn and telephoned him. She asked if there were any relatives she should call. Mrs. Vaughn gave the name of her daughter. The operator called her and soon she was on the way to the hospital with her mother. Mrs. Vaughn's letter ended this way, "I frankly do not think I would be living today if that operator had not been on the job that evening. Many, many thanks for wonderful service at a time when most needed." The "unknown" operator is no longer unknown to Mrs. Vaughn, of course. She is Mrs. Bonnie Walker. For her alertness, presence of mind and resourcefulness she has been awarded a Vail Citation, a telephone company award for outstanding service. Mrs. Bonnie Walker, the "unknown" operator It's people who make telephone service good Michigan Bell Telephone Company

CREED FOR TEACHERS WRITTEN BY THREE U-M-PROFESSORS

Every good teacher will ask himself, from time to time, how clearly he is aware of the principles on which he is acting.

One of the best ways for him to find out is to state his beliefs in such a way as to point up contemporary issues in education. Recently three professors of English at the University of Michigan, Warner G. Rice, A. K. Stevens, and Bennett Weaver, tried this exercise and produced the

I believe that:

1. The teacher is not one who heads exploring parties wandering over strange lands; rather, dents to realize that self-expresshe is a guide who knows the ion demands discipline, and that trails and leads travelers to a advantage is indissolubly linked lice, the funds having been prosure destination.

2. We teach that which we are; through the character of the in- fine the practical in terms of mastructor the manners and morals terial and corruptible treasures, of students are influenced and the teacher dares to define it

3. Education should help students to distinguish between right

4. Unless the teacher triumphs that morals are a matter of stat- habits and in public deeds, in istics, that environment domin- ethics and in eitizenship he knows ates will, that the normal is preferable to the excellent, and that self-interest is man's master motive, the efforts of schools to train character will come to noth-

5. The one is more important than the many, the permanent more precious than the changing; wherefore, as a teacher I must help individuals to find and to adopt those values which are lasting.

6. The teacher must bring stu-

with duty. 7. Although many people deonly in terms of life's highest Pictures, Inc., of Dallas, Texas. and most enduring satisfactions.

The picture depicts both careful and reckless drivers and is woven ato use about one-fourth to onebout a story. A typical accident third of a cup of softener in an and its tragic results has been selected as the theme.

It is expected that the film will be ready for distribution by the middle of October.

NO SUCH THING AS "BLUEBIRD". SAYS U-M PROF.

A bluebird? There's no such thing, according to Olin S. Pettingill, Jr., professor of ornithology at the University of Michigan's Biological Station on Douglas

According to the professor, a bluebird's really brown, its feathers just reflect light so as to give the effect of blue coloring. As periment until you find what proof, he wet a blue feather and it came out brown!

"Actually", he adds, "the only true color in bird feathers are red, yellow and brown-all the many different hues come from combinations and reflections."

These bright impressions are used by the males as "a means of advertising their availability," the professor says.

For example, he points to the Costa Rican hummingbird, one of the world's smallest birds. It appears to be all dressed up in sequins due to its many iridescent patches of feathers.

Following this fashion is the Ruby - Throated Hummingbird, found only in the East and the smallest bird in these parts. Its seemingly ruby-colored throat makes the male look like he just walked out of a jewelry store.

"A turnabout comes with the Northern Phalarope, found in the Arctic, after its migratory flight," Professor Pettingill explains. In this case the colorful female does the courting and then leaves the male to incubate the eggs and raise the family, a kind of per petual leap year.

SOFFTENED WATER HARD ON PLANTS

If your home water supply has been softened, don't use it on your house plants.

That's advice from C. E. Wildon, a horticulturist at Michigan State College. When water is softened, he explains, its calcium has been taken out and sodium has been added. Most plants can't tolerate much sodium.

Wildon suggsts catching rainwater for watering plants if your water has been softened, or you can buy distilled water.

The same advice is good if your water supply contains salt, according to Wildon,

CUT FLOWERS SUFFER SHOCK IF NOT BABIED

Cut flowers on your table are out of their natural environment just as captured wild animals

Just as we go to much trouble to give animals a "just like home" atmosphere, we ought to do the same for cut flowers. Create the same conditions as they had in the garden, advises C. E. Wildon. M. S. C. horticulturist.

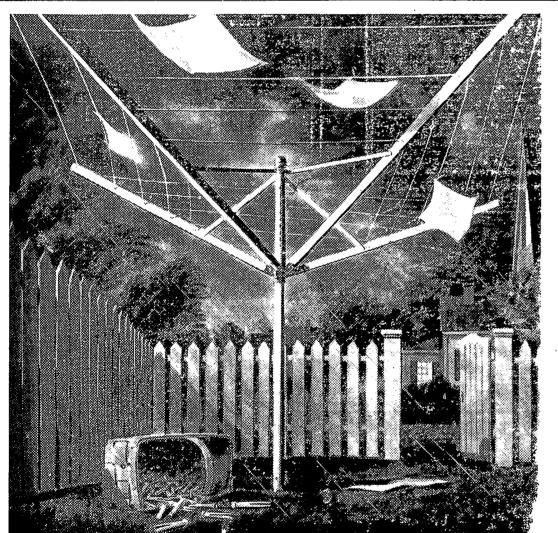

He lists these pointers: Flowers should be cut after sunset when their food supply is highest. After the flowers are cut, they should be plunged into warm water-90-degree-up to within a few inches from the bloom and kept there for four to eight hours. After they are taken out of water, the ends should be cut off again to start a new water column.

Wildon says it makes little

does not help. Putting ice cubes

After the flowers have been "hardened off" by deep plunging in warm water, they may be placed less deeply in cooler water and then put in a cool location free from draughts until you are ready to use them.

Many people have the idea that placing wilted flowers in the refrigerator will revive them. Wildon disagrees with this, noting that wilted flowers have been put in a refrigerator for weeks and never have become fresh.

Cottage Cheese Ring Dresses Harvest Salad

A salad as gay and flourishing as the prettiest garden is this handsome addition to buffet tables. Cottage cheese molded in your favorite ring mold augments the flavor and color harmony of the plate. It's a simple trick to serve cottage cheese in this new and attractive manner. Completely fill a one quart ring mold with well chilled cottage cheese, about 2 pounds. Run knife around inside edges of mold to loosen cheese. Then unmold immediately on a chop plate or low salad bowl. Fill the ring center with cucumber slices cut flower-style, or with parsley, lettuce or other greens. Surround the ring with a pleasing arrangement of favorite summer vegetables—tomatoes, cucumbers, onions, green beans

GNG. TRUCK OWNERS REPORT

"Far better gas mileage-"

"Not 5¢ for repairs in 34,400 miles-"

"Only Hydra-Matic GMC's for me—"

in service-the pay-off is looming large on the books of their costconscious owners. Reports are pouring in from farmers and florists, from diaper services and milk companies, from wholesale butchers and bakers and paper box makers, from owners and rental operators all over the land. They sum up to one conclusion:

Now-as mileage piles up on Hydra-Matic GMC's are doing more work for far lower operating and maintenance costs saving time-keeping drivers happier - improving safety records.

Why handicap yourself with outmoded equipment? There's a Hydra-Matic GMC to fit your need, in every size truck from a Pickup to a heavy-duty tractor. Come in and let's talk it over-Be careful-drive safely

Standard on many models; optional at extra cost on some others

they arrive and leave the same day. However she claims that the weather is warm and the islands are beautiful.

The Clarkston Rotary Club was well represented at "Charter Night" in Rochester on Wednesday night.

Mrs. C. A. Waterbury of New York City, formerly of Clarkston, is spending a few days in the Clarkston area. Ellen Snader, daughter of Mr.

and Mrs. Ira Snader, returned to Ann Arbor this week to resume her studies at the University of Michigan.

Mr. and Mrs. T. R. Boyns arrived home early Wednesday morning from a wonderful trip to England. They made the trip over on the Queen Elizabeth and returned on the Queen Mary. It was their first visit to their native land in thirty years. They were gone almost six weeks.

Mrs. Elmer Schoentag of Saxonburg, Pa., treturned to her home on Friday after spending a few days here with her uncle, J. Thompson Miller. Mr. Miller left on Tuesday of this week to visit relatives in Kittanning and Saxonburg, Pa. He expects to be gone about a week.

Miss Mary Jane Beattie, daughter of Mr. and Mrs. Robert C. Beattie, 3557 Walton Blvd., has returned this week to the campus of Kalamazoo College, Kalamazoo, Michigan, to continue her studies. Although classes do not begin until September 21, Miss Beattie returned early to take part as a student counsellor, in a special week set aside for the orientation of new students. Miss Beattie is in her senior year at

Each brush paints a different color! No mixing...no dipping...

no water pan to spill...no brush to clean. Just pick up and paint! Brilliant, narmless, pure food colors.
