CLARKSTON, MICHIGAN, THURSDAY, OCTOBER 14, 1954

Congressman **Addresses Rotary**

On Monday the Clarkston Rotary Club was honored by the the Honorable Clark J. Adams. Member of the Michigan Supreme Court.

The speaker of the evening was Honorable George A. Dondero, Congressman from this district who spoke on the St. Lawrence Waterway.

In introducing Mr. Dondero W. H. Stamp stated that he had done more than any other person in Congress to secure this project.

Mr. Dondero explained four things that had helped aid him in his task. 1. The Russians were against it, so many Congressman believed it must be right; 2. Southern states along the Mississippi, realizing the whole country had helped with flood control, decided they should have their Congressman vote for this northfinding of huge quantities of iron in Labrador; 4. Canada was going to build anyway and right away.

Mr. Dondero's belief is that the waterway will be of great value and will add to the commerce in the states adjoining the Great Lakes.

A fine dinner was served by the ladies of Seymour Lake Methodist Church.

JUNIORS SPONSOR DANCE FRIDAY, OCTOBER 22

Beware of witches and goblins on the night of October 22. This is the night to really have a ball at the "Witch Whirl" being sponsored by the Jonior Class of the Clarkston High School.

There will be dancing from 8:00 until 11:30 to music by Paul Pantel and his orchestra, from Pontiac.

Refreshments will be served during the evening and prizes will be awarded for the best costumes.

We wish to extend a special welcome to the parents and adults in the community. Remember the old saying "The More, The Merrier". So come on out and join with your kids to really have a grand time at the Masquerade Ball, October 22. A Junior

United Fund Drive Starts Next Week

On Monday, October 18, at 8:00 P. M., in the dining room presence of Chief Straley of the at the Clarkston Community Pontiac Police Department and Center the "kick-off" meeting for Independence Township's 1954 United Fund Drive will get underway. All of the workers and solicitors are urged to attend. Light refreshments will be serv-

In this year's campaign Independence Township's goal is \$3,553.05. Included in this year's drive are Michigan Children's Aid Society, Sister Kenny Foundation, Leader Dogs for the Blind to list a few of the state agencies benefiting, plus all national participating agencies, and the American Red Cross.

Each United Fund agency provides services which benefit you as a citizen directly or indirectly. These are not charity agencies but service agencies. Charity, as it was practiced years ago, ern waterway; 3. The depletion does not exist today. With modof iron ore in Minnesota and the ern agencies we seek to handle the problem of helping those in difficulty in a more efficient manner and with greater respect for the dignity of the individual

Today, public agencies, supported through taxes, provide necessities of life to those who are experiencing difficult circumstances. Private agencies, supported through voluntary contributions such as United campaigns work a great deal in the world of research and prevention, trying to discover problems early, before they become too serious to those concerned and to the community. Private agencies play the role of the social pioneer, discovering human needs and ways of meeting them.

By giving the "United Way" you give once instead of two dozen times and you know that the money you are asked to give Bowling Scores is needed and that it will be spent wisely.

Next week you will be given a chance to give your "fair share" to help all of the agencies lending | Clarkston Coal-Oil 11 assistance where it is needed. Be as generous as possible.

Mr. and Mrs. Sam Miller and family and Mrs. Marguerite Miller went to Wilmont, Mich., or Sunday to help Mrs. Sam Miller's parents celebrate their 57th wedding anniversary.

The ladies of Seymour Lake Methodist Church have decided to serve hunters meals in the Seymour Lake Community House on Wednesday, October 20, and on Saturday, October 23, from 9:00 A. M. until 6:00 P. M. Every hunter in this area is invited to enjoy these home cooked meals.

The State Safety Commisson has again launched its annual fall state-wide program aimed at pedestrian protection, State Highway Commissioner, Charles M. Ziegler announced today.

Hundreds of thousands of lessons, and radio and television announcements will be used to warn motorists and pedestrians of the special hazards of the season-greater hours of darkness, slippery pavements, danger-

ing crowds", Ziegler said.
"During the last 16 years 7,823
pedestrians were killed in Michigan and with traffic steadily increasing the hazards are great

er every day", he warned. The Commission is emphasizing the following safety tips to motorists: 1. Watch a pedestriar caught in the midde of the street between two lanes of moving traffic; 2. Let a pedestrian finish crossing the street on a red signal if he started on the green; 3. Look out for a pedestrian when startled by another car; meet at one o'clock on Monday, 4. Beware of a pedestrian getting off a bus and walking around the front of it; 5. Be alert for a pedestrian who may step from a wet highway shoulder onto the dry pavement; 6. Keep your eyes open for pedestrians getting out of parked cars; 7. Expect occasional "jay-walkers" between intersections; 8. Slow way down when passing crowds of shoppers waiting to cross at an intersection; 9. Don't skid into a pedestrian on wet pavement. 10. Don't turn left into a pedesi

> the "right-of-way". The pedestrian has no physical defense against a ton and a half of steel. While he should obey the law the motorist must accept the major responsibilty of looking out for him. Once he is struck and his head hits the pavement, it's all over for him.

In the second half the two Alexander twins started running the end, with Gary Martin leading the interference. Leroy Parks completed a couple of nice passes to Chuck Passage to land the Reserves inside the Keego 15 yard line. Clarkston lost the ball on downs on Keego's 12 yard line. Clarkston's fine defense spear-headed by Fred Vess, Glen Ostrum, Nate Riffle, and Bill Maxson backing up the line, held Keego for the rest of the night. When the final whistle had blown the score was 0 - 0. Both teams played their hearts out, but they were too evenly matched for either team to come out on top.

Public showings of Consumers Power Company's mobile display, the "Easy Does It" Kitchen, will be held Tuesday through Thursday, October 19-21, from 2:00 P. M. - 4:00 P. M., and from 7:00 P. M. - 9:00 P. M., at Tel-Huron Shopping Center, corner of Telegraph Road and West Huron Street, Pontiac.

The public will be admitted free to the exhibit during those hours.

Designed to give the homemaker a wealth of ideas on how her kitchen and homemaking problems can be simplified with improved cabinet and appliance design, the "Easy Does It" van claim of homemaking experts introduction last Autumn at Michigan State College.

Actually a traveling van, the big exhibit holds special interest for homemakers with some physical handicap or disability. APIARY LAW UPHELD

Shpiment into Michigan of bees on honeycombs or shipment of used apiary equipment into the state is illegal.

This was upheld by the Michigan Supreme court last week in a test case brought by an Ohio honey producer. The decision reverses one given by the Ingham circuit court in 1953 in which that part of the Michigan for the first and last time. Their apiary law was held unconstitutional.

The intent of the law, which is enforced by the Michigan Department of Agriculture, is to prevent introduction of bee diseases into the state. It does not affect package bees. Last year has received the unanimous ac- sales of honey and beeswax brought \$11/2 million to Michigan from all over America since its bee men. The worth of bees in the pollination of fruits and field crops is worth many times the value of honey and beeswax.

Through rigid inspection of bee colonies the extent of disease was brought to the lowest point the Michigan Department of Agriculture. Several producing counties are entirely free of American foulbrood, one of the most common and most destructive of bee diseases.

THE VERDICT IS BEING DELIVERED

Reports from Hydra-Matic* GMC owners clinch the all-around superiority of "Hydra-Matic Hauling"

HYDRA-MATIC* GMC's are rounding out their first two years in service. And the experiences of owners in every field of truck use seem to leave no doubt about this:

"Hydra-Matic Hauling" is obsoleting the slower, harder, more costly ways of the manual-shift truck!

Hydra-Matic GMC trucks are

earning more for professional haulers. They are slashing deeply the costs of delivery operations. They are speeding schedules; saving time, money and trouble for owners in all kinds of businesses.

These proved economies are waiting for you in light-, medium- and heavyduty GMC's. Why don't you come in and see what we can do for you?

*GMC's Truck Hydra-Matic Drive new has been proved by more than half a billien miles of use in civilian and military vehicles. It is standard equipment on many GMC models; opitonal at extra cost on some others.
