School Fair Saturday, Nov. 20

Plans are being made for the Annual School Fair to be held in the Clarkston Elementary School on Saturday, November 20th from 5:00 until 9:00 P. M. Everyone in the area and their friends are invited to share in the fun. This will be an evening of entertainment for young and old and a good time for you to enjoy the fun with your family. Donations are being asked for. It would help if you could donate old jewelry, articles for the fish pond, supplies for the country store such as canned fruit, sewing, baked goods, etc. Also white elephants will be quite acceptable. Donations can be left at the school or at Rudy's Market. If you would like to have your donation picked up call M. A. Perry 5-7357; M. A. Perry 4-3621 or M. A. Perry 5-4151. For any information contact Mrs. Fred Warrick, Mrs. Frank Strother, Mrs. Ralph Kreger or Mrs. Rudy Schwarze. Further details will be published in next week's paper. Plan to keep the evening of November 20th for the School Fair in Clarkston.

B. & P. W. Club Met Tuesday

On Tuesday evening the Waterford Township Business and Professional Women's Club held its regular monthly dinner meeting at the Old Mill Tavern. Following the dinner Miss Mary Pauli of Pontiac Visiting Nurse Association was introduced. Miss Pauli outlined briefly the work of the visiting nurse and told who are eligible for nursing service. She mentioned cases that had been handled by the nurses and the good that had been accomplished. Mrs. F. M. LeRoy of Pontiac was welcomed into the club as a new member. The next meeting will be a social night at the Hangar Restaurant at the Pontiac Airport on Tuesday, November 30, at 8:15 P. M.

Complex
There didn't use to be much fuss when babies came to folks like us. We called the Doc the month before, and said the stork was near our door. We went about our life each day; and felt, somehow, there'd be a way for God to bring into our home this precious babe to be our own. Unscientific, innocent, we leaned on God and were content. Belonging to the old time school, that let the laws of nature rule. If, when it came, it was a him, we took a name from Uncle Jim; and gave it to our pride and joy. It mattered little to a boy. But, if it chanced to be a she, her grandma's name fit to a tee. We felt she'd proudly bear the name. And someday bring it strength and fame. But life's not simple anymore when father stork flits past the door. The wheels of science goes in motion. To bring to life a weird commotion. And babies names must rhyme or jingle; must be complex, not old and simple; must be like none, you've ever heard; some new concoction called a word. Great books are printed, listing names, and given to expecting dames; without concern for Uncle Jim, or grandma, and how good she's been.

Local Team Heads League

HINTZ PUTS THE WOLVES IN THE WINNER'S CIRCLE
Friday night the Clarkston football team brought home the League Championship from Holly by winning with a score of 18 to 7. Clarkston won the toss of the coin and elected to receive to begin the game. After running the kick back, Clarkston plunged their way near Holly's goal line where they received a penalty forcing them to give up the ball on the fourth down to Holly. The mighty Wolves managed to hold Holly back near their own goal line forcing them to kick, which landed on Holly's 25 yard line. Clarkston then dug the short distance and pushed Clyde Kizer into the end zone for the first TD of the game. The attempt for the extra point was missed. After the ball exchanged hands numerous times, the first quarter ended with the score standing at 6 - 0. In the second quarter the fighting Holly team did not give up by a long way. Their quarterback completed a pass to one of his ends, who was far out behind the Wolves. The end raced down the field in front of the pursuing Clarkston players to go over Clarkston's line for Holly's first touchdown. The extra point was made putting them ahead 7 - 6. Shortly after Holly's kick to Clarkston, the Wolves' Clyde Kizer rammed his way into Holly's end zone for his second touchdown of the game, putting the Wolves out ahead again. Once more the ball failed to go between the uprights for the extra point. After many exciting plays between the two teams the first half ended. In the third quarter Pat Thompson ran over Holly's line for Clarkston's third and final score. Also for the third time the extra point was missed setting the score at 18 - 7. In the last of the fourth quarter Lanny Leak, a line-man, switched to the back field and ran a total of 81 yards in four consecutive plays to put the Wolves on the three-yard line. Before the Wolves could complete another play the gun sounded to give the Wayne-Oakland County's League Championship to the triumphant Clarkston players.

In the write-up for the Pioneers Masquerade Party last week Powell's Village Market was not given credit for furnishing the coffee and cream. It was an oversight and the Pioneers and the Service Committee wish to say "Thankyou" to Mr. and Mrs. Powell for their generosity.

Seymour Lake News
The Seymour Lake W. S. C. S. will sponsor a fried chicken dinner in the Church House on Wednesday evening, November 17th. Serving will start at 5:30. Born to Mr. and Mrs. Robert Williams of Gingellville, a 9 lb 3 oz son, David Lynn, on October 28th. Mrs. Williams was Flora Toles before her marriage. She is well known in this community. Wilma Doebler returned to her home on Pine Knob Road last Thursday after spending three weeks in St. Joseph's Mercy Hospital in Pontiac. Mrs. Elroy Scott has been called to the home of her parents in Meaford, Ontario, by the illness of her mother. Mr. and Mrs. Clifford Taylor of Oxford, were Friday callers in the home of Mrs. Belle Sherwood.

Women's Group Has Christmas Lesson

On Tuesday the Clarkston Home Demonstration Club met at the Community Center for an all-day meeting. Twenty-eight members and guests were present. Mrs. Keith Lowrie and Mrs. Walter Barrows gave a very interesting Christmas Workshop lesson. Many recipes were given and gifts to make were demonstrated. Of special interest was a snowman centerpiece which each member made at the meeting. On Tuesday, November 16th, at 10:00 A. M., there will be a special lesson on Italian hemstitching at the home of Mrs. George Perry, 5650 White Lake Road. For information on materials needed call Mrs. Perry at MA 5-9874. Each member is asked to furnish her own sack lunch. The next regular meeting will be on December 14th.

Clarkston Locals
The Township Offices will be closed Thursday, November 11th, Veterans' Day. Last Saturday night Mr. and Mrs. Sam Miller were hosts to their Dance Club from Pontiac at a hayride and dance. There were 48 present. After the hayride the group enjoyed dancing and a delicious lunch at the Miller home on Bridge Lake Road. Mr. and Mrs. Russell Blackett celebrated their twenty-fifth wedding anniversary on Tuesday, November 2nd. They entertained sixty guests at their home in the evening. Guests were from Dryden, Williams Lake, Detroit, Pontiac, Rochester and Holly. Carolyn Blackett was home from Designers' School in Chicago for the weekend, but she was unable to stay until Tuesday to help her parents celebrate.

Notice
The next meeting of the Clarkston Pioneers will be held on Thursday, November 18th, one week earlier than usual on account of Thanksgiving. The Home Demonstration Group will be in charge of the afternoon. There will be a Christmas Workshop with Mrs. W. S. Barrows instructing the men's group and Mrs. Keith Lowrie, the ladies' group.

Hints For Hunters
Deer hunters who kill their buck near Clarkston or elsewhere in southern Michigan during the November 15 - 30 season are urged to phone the Rose Lake wildlife experiment station near Lansing. The Clarkston hunter can call the conservation department station collect at Lansing, FE 9-8638. A game biologist will go to the hunter's residence or locker plant, weigh the deer, measure its antlers and determine its age. Even if the deer has been cut up before the biologist arrives, he can still obtain valuable information from the head alone. "Last hunting season we checked 145 deer taken mostly within 50 miles of Lansing", Dr. C. T. Black, Rose Lake station chief says. "Credit for the remarkable job must go first of all to the whole-hearted cooperation of the hunters who reported." These studies have been made since the fall of 1951. Hunters have learned that they can expect southern Michigan deer to weigh more and have larger antlers on the average than northern deer of the same age. Well-fed yearling bucks from southern Michigan farmland weigh 30 lbs more and average about twice as many antler points as yearlings from northern Michigan poor food areas.

But life's not simple anymore when father stork flits past the door. The wheels of science goes in motion. To bring to life a weird commotion. And babies names must rhyme or jingle; must be complex, not old and simple; must be like none, you've ever heard; some new concoction called a word. Great books are printed, listing names, and given to expecting dames; without concern for Uncle Jim, or grandma, and how good she's been.

Complex
There didn't use to be much fuss when babies came to folks like us. We called the Doc the month before, and said the stork was near our door. We went about our life each day; and felt, somehow, there'd be a way for God to bring into our home this precious babe to be our own. Unscientific, innocent, we leaned on God and were content. Belonging to the old time school, that let the laws of nature rule. If, when it came, it was a him, we took a name from Uncle Jim; and gave it to our pride and joy. It mattered little to a boy. But, if it chanced to be a she, her grandma's name fit to a tee. We felt she'd proudly bear the name. And someday bring it strength and fame. But life's not simple anymore when father stork flits past the door. The wheels of science goes in motion. To bring to life a weird commotion. Have Waste Paper Ready Saturday

The Junior Class of the Clarkston High School is all ready to pick up all of the waste paper in the area on Saturday, Nov. 13, provided everyone has cooperated and has the paper banded and at the curb early. This drive means much to the Juniors as they are working hard to put money in their treasury for their trip that will close their high school days. A bundle or two from every home in the district would be a big help. If you have an extra large amount of waste paper please call Maple 5-3831 and some of the Juniors will make the pick-up on Friday evening. Get your waste paper ready now.

Brownie News
The Brownie Troop met on Tuesday of last week and had a short business meeting at the home of Mrs. Bruce Embrey. We had our Halloween party. Everyone dressed in costume. Beverly Galligan served the refreshments. Games were enjoyed. The party was over at 4:30. Rebecca Hubbard, Scribe

Mrs. Kieft's Brownie Troop met last Monday at the Methodist Church. We played games. The following officers were elected: president, Susan Walter; vice-president, Kay Federspiel; secretary, Marie Mara; treasurer, Cheryl Waggener; scribe, Paula Parker. Susan Walter and Shirley Beach served the treat. Paula Parker, Scribe

Program Features Conservation
The October meeting of the General Richardson chapter, Daughters of the American Revolution, featured nature conservation under the leadership of Mrs. Harry Chapman, a member. Mrs. Chapman, Michigan D. A. R. chairman of nature conservation, gave a talk illustrated with colored slides of beauty spots in Michigan, centered around the conservation pledge. The pledge worthy of the attention of all citizens reads: "I give my pledge as an American to save and faithfully defend from waste, the natural resources of my country, its land and minerals, its forests, waters and wild life." Mrs. Chapman introduced Mrs. Virginia Hangee, a teacher in the Waterford village schools, who, this summer, attended the Michigan Conservation Department's training school at Higgins Lake. Mrs. Hangee received a scholarship from the chapter, given to teachers by various organizations for training in conservation practices and who in turn pass it on to their pupils. Mrs. Hangee related how she instills love for nature and knowledge of plants and animals as well as conservation practices in her pupils. The program followed luncheon at the Michigan Conservation department center, Haven Hill Lodge, in the Highland Area. Arrangements for the meeting were made by Mrs. Lloyd Porter, Mrs. E. V. Howlett, Mary Green, Mrs. Fred Lee, Mrs. Robert Meikle, Mrs. George Waller and Mrs. Porter Francis. At the business meeting with Mrs. Frank B. Gerls, regent, presiding, money gifts were voted for the Needlework Guild, the United Fund and the Michigan D. A. R. project at Kate Duncan Smith D. A. R. School at Grant, Alabama. Mrs. Bradley L. Scott of Whiteford Road was accepted as a new member.

Waterford

The Adult Bible Class of the Waterford Community Church met last week Tuesday at the

home of Mr. and Mrs. Elmer Davis. Plans were made for a combined Christmas Meeting and party with the Ladies' Auxiliary to be held at the Church, Decem-

ber 14th. There will be an exchange of gifts suitable for use in the nursery church.

The Ladies Auxiliary met on Thursday at the home of Mrs. Don Williams. Following the pot-luck luncheon work was done on cancer pads with 150 completed in the afternoon. The group will sponsor a Thanksgiving Breakfast at the Church.

The ladies met at the church Monday and completed their Christmas work for the Miland Home in Kentucky.

Cookies, candy, quilts, canned goods, fruit, vegetables, clothing and gifts are all ready for the truck to pick them up this week. The Christ Couriers were instrumental in getting over 2 tons of potatoes to be sent.

Mrs. William Chase assisted Mrs. Williams at the Thursday meeting of the group.

The Book Review Group will meet Monday, November 15th at the home of Mrs. A. C. Arnold, 6756 Desmond Drive, Williams Lake. Mrs. Eugene Cleland will review "The Real Americans" by A. Hyatt Verrill. The second book "The Light in the Forest" by Conrad Richter will be given by Mrs. James White. Assistant hostesses for the afternoon will be Mrs. John Naz and Mrs. Carl W. Carr, Jr. The time is one o'clock and all interested ladies in the community are cordially invited.

Mr. and Mrs. Fred Mitchell came down from Atlanta last

Keeping house for a family of twelve on the sidewalks of the British port of Hongkong is no easy task for these refugees from communist China. A major problem is to find food. CROP gifts help these families and others resettled by Church World Service in housing developments.

week and will remain here until December when they will leave for the south for the winter months.

Mrs. Gladys Saari and her daughter, Mrs. Wayne Santilla are both ill and in hospitals. Mrs. Saari will undergo surgery this week at Pontiac General Hospital and Mrs. Santilla is in St. Joseph's Hospital.

Mrs. Irene Trunk has had to return to St. Joseph's Hospital and is quite ill. She spent three months there this summer and has been out only a short time, staying with neighbors who have been caring for her.

A letter from Bill Jacober, Jr., tells of his arrival in the Canal Zone on Wednesday of last week. He is stationed about four miles from Panama City, at Fort Clayton. His address is: Pvt William C. Jacober, U. S. 16394168 7461 A. U. (Signal), Fort Clayton, Canal Zone.

Mr. and Mrs. A. W. Mertens of Airport Road will observe their 56th wedding anniversary on November 23rd.

Mrs. Henri Buck is visiting her daughter and family, the Emerson Mitchells in New Jersey, where she will spend Thanksgiving.

The O. D. O. Cub met on Tuesday afternoon at the C. A. I. Building and completed plans for a Cafeteria Supper and Bazaar to be held Saturday, December 4th at the C. A. I. Building. The dinner will be for the general public and items for Christmas giving will be on sale by the ladies of the club.

Family night at Community Activities will be held this coming Tuesday evening, November 16th, beginning with a pot-luck supper at 6:30. Mrs. George Dean has charge of the entertainment for the evening and a cordial invitation is extended to all families in the community to join their friends and neighbors for the evening. A special invitation goes out to all newcomers in the vicinity to attend and get acquainted. Those attending are asked to furnish their own table service and a dish of food to pass. Coffee, milk and rolls will be provided.

The Drayton Plains W. C. T. U. will have its annual Roll Call meeting at the home of Mrs. J. R. Maybee on November 18th at 1:30 P. M.

The Christ Couriers of the Community Church will meet

Saturday evening at the parsonage and then go to the Banghart home for a hayride. Later they will return to the parsonage for refreshments.

"GOLD" CHEVROLETS WILL GO ON DISPLAY

In a salute to the General Motors Golden CARnival, 5,000 "gold" Chevrolets will go on display at dealer showrooms across the country November 23.

Appearance of the especially finished car is planned concurrent with the assembly of the corporation's 50,000,000th vehicle. The milestone model will be a Chevrolet sport coupe and form the basis for a celebration in GM's "home town" of Flint, Mich., and other plant cities which have contributed to the amazing production record.

Additionally to commemorate the day, Chevrolet has scheduled "open houses" at 24 of Chevrolet's assembly and manufacturing plants across the country. Visiting hours have been set from 1 to 9 p. m. with groups to be directed on guided tours. Souvenir booklets and gold-colored medallions are to be distributed.

Showing the gold medals at dealer establishments will be accompanied by special decorations and the distribution of booklets to visitors.

It's got a "V" in its bonnet—
 or your choice of two new sixes!

The motoramic Chevrolet for '55

Great new **8**

It's the valve-in-head V8 as only the valve-in-head leader can build it!

You'd expect Chevrolet to out-V8 the field—and it has! Chevrolet's new "Turbo-Fire V8" puts a brand-new kind of excitement under your foot. The excitement of 162 horsepower! The excitement of an 8 to 1 ultra-high compression ratio that squeezes more pure fun out of a gallon of gas than you ever dreamed possible! The new "Turbo-Fire V8" is so efficient that it requires only four quarts of oil instead of the usual five or more. And it has the shortest piston stroke in the low-price field, for longer engine life. But we can't even begin to give you the whole story here. Come in and drive the new "Turbo-Fire V8!"

Two new 6's **6**

With enough new advances to fill a book!

Chevrolet offers two new highstepping sixes for 1955! There's the new "Blue-Flame 136" (teamed with Powerglide as an extra-cost option) and the new "Blue-Flame 123." Both bring you new, higher-rated power—the zippy, thrifty high-compression kind. Both have new, more efficient cooling and lubrication systems . . . new engine mounts that result in almost unbelievable smoothness. And, like the new "Turbo-Fire V8," both are sparked by a new 12-volt electrical system for finer performance and faster cold-weather starting. They're the liveliest, smoothest sixes Chevrolet ever put into a passenger car!

The Bel Air 2-Door Sedan—one of 14 new Fisher Body beauties in three new series.

More than a new car . . . a new **CONCEPT** of low-cost motoring (and much too good to miss driving!)

BIOLOGY CLUB MEETS

The Biology Club met in room 24B on Thursday, November 3rd, from 3 until 3:30. President Sally Joiner opened the meeting. The club will work with microscopes, bisect small animals, investigate and study local conservation problems such as water shortages, farm conservation, and etc. Dues will be 25 cents per semester.

The group, guided by Mr. Thomas, will sponsor social activities to raise money for their club projects.

The following trips were announced to the club for approval: a trip to Cranbrook, The Cascades, Irish Hills, local farms, mental hospitals, fish hatcheries, Hillsdale College, Michigan State College, Belle Isle Aquarium and hiking.

Club projects for consideration are: taxidermy, conservation, landscaping and special movies. Students who have had a year of biology or who are taking the course are eligible for membership in the club.

The group met again on Monday, November 8th, at 3:00 o'clock to discuss a field trip to Pontiac State Hospital.

EDUCATOR STRESSES IMPORTANCE OF FULL EFFORT BY CHILDREN

An insistence that children do their best, and that they not be allowed to work only half well, was the challenge issued by Dr. Harry Newburn to delegates of the Michigan School Board Conference at Michigan State.

Dr. Newburn, president of the Ford Foundation Fund for Adult Education, Educational Television and Radio Center at Ann Arbor, discussed "The Citizen and the Community" at the conference.

It's his contention that "any task worth accomplishing is worth doing at the highest possible standard."

He declared that the school is the most important element in the world outside the home and pointed out that "all great men are the products of their schools, their churches, and their local communities."

Dr. Newburn said that in order to have good communities and good nations, there must be good men. "There is little hope for the world, if we are not convinced that man can be improved", he said.

Among the good qualities he stressed were the willingness to accept responsibility, ability to communicate, and the recognition that spiritual, moral and ethic values are the most important in life.

COMMUNITIES READY FOR DEER HUNTERS

This year, more than ever before, Michigan's communities are going all out to entertain visiting deer hunters during the big game hunting season opening November 15, according to the Michigan Tourist Council.

Robert J. Furlong, Executive Secretary of the Council, urges hunters to take advantage of this hospitality. "In whatever part of the state he hunts, the sports-

man will find a nearby community offering a royal welcome," said Furlong. These communities in the heart of Michigan's famed deer country are ready and eager to play the perfect host, he added. Many will feature special welcoming festivities on opening day.

Typical are "Round the Clock" hunters' welcomes during which local merchants stay open all night to serve visiting sportsmen. Banquets, hunting award dinners and similar social events have also been scheduled. Particulars on celebrations and events may be obtained from local Chambers of Commerce.

TOM NOT JUST HOLIDAY MEAL; PRICES DOWN

The Michigan family's breadwinner is finding it easier to put turkey on the table. More people are using the traditional holiday meat for other

Smokey Says:

Human beings start nine of every ten forest fires!

meals. The reason, Turkey is the best bargain in three years. Henry E. Larzelere, a Michigan State extension poultry marketing specialist, supplies these facts. He says growers are putting more lightweight birds than ever on the market to whet the appetite of more families.

A recent M. S. C. survey of 250 families in urban Michigan showed what growers have long suspected: That three-fourths of the money spent for turkey is preceding Thanksgiving and just

before Christmas.

So, poultrymen with a larger supply of turkeys, are beating the drums for business at other times of the year. And, Larzelere points out, the turkey raisers have an untapped market they can hit: Those families who don't even eat turkey on holidays.

Growers are also boosting a special market that has been declining. That market is in business firms—those can be persuaded to give their employees turkeys for Christmas gifts.

The world's greatest builder of V-8's presents

THE TOTALLY NEW '55 FORD!

ON DISPLAY FRIDAY!

with styling inspired by the Ford THUNDERBIRD

New FAIRLANE Series . . . The new Club Sedan, like all six models in Ford's new Fairlane Series, features the new wrap-around windshield, new luxurious interiors and wide choice of stunningly new, single and two-tone exterior colors.

Longest, Lowest, Roomiest...most Powerful ever built!

New CUSTOMLINE Series . . . The Tudor Sedan (above) and Fordor offer a wide selection of new color and upholstery combinations. Like all '55 Fords, they have a new wider grille, new visored headlights and sturdier, extra-narrow pillar-posts for better visibility.

New STATION WAGON Series . . . The new 6-passenger, 4-door Country Sedan (above) is one of five new do-it-all beauties. There's also an 8-passenger Country Sedan, an 8-passenger Country Squire and a 2-door, 6-passenger Ranch Wagon and Custom Ranch Wagon.

We invite you to see for yourself. And we tell you in advance you'll be amazed. For this new Ford is totally new—outside, inside, and in thrillingly different performance.

The long, low lines of the Thunderbird were its styling inspiration. Inside, you'll be greeted by rich, roomy luxury . . . by fabrics never before offered in a motorcar.

Mighty engines, mightier than in any Ford before—supply its exciting power. And each of Ford's three new engines offers the safe, split-second response of Trigger-Torque Power.

Your ride will be up to 15% smoother. Best of all, you'll find your kind of car, for there are 16 body styles in four fresh new lines.

When you come in, don't be surprised if you tell yourself: why look farther—why delay—you just can't buy better than Ford.

New MAINLINE Series . . . Each of the three Mainline beauties offers the same engineering advancements, the same graceful contours and clean lines that distinguish all '55 Fords. Fordor Sedan is illustrated above.

EXCLUSIVE TRIGGER-TORQUE POWER IN 3 MIGHTY ENGINES

1. 162-h.p. Y-block V-8
2. 182-h.p. Y-block Special V-8
3. 120-h.p. I-block Six

(1) The new 162-h.p. Y-block V-8 has a higher (7.6 to 1) compression ratio, greater displacement. And, like all '55 Ford engines, it has Ford's famous deep-block build . . . short-stroke design.

(2) The new 182-h.p. Y-block Special V-8 (offered in combination with Speed-Trigger Fordomatic on Fairlane and Station Wagon models) features 4-barrel carburetion, dual exhausts and extra-high (8.5 to 1) compression ratio.

(3) The new 120-h.p. I-block Six has a new higher (7.5 to 1) compression ratio. It's the most advanced six-cylinder power plant in the industry.

ALL WITH TRADITIONAL FORD ECONOMY

PLUS ALL THESE OTHER BRAND-NEW WORTH-MORE FEATURES

- ★ New Speed-Trigger Fordomatic Drive
- ★ New Turbo-Action Spark Plugs
- ★ New 10% Larger Brakes
- ★ New Tubeless Tires
- ★ New Angle-Poised Ball-Joint Suspension (Fordomatic Drive optional.)

SOUVENIR LICENSE PLATES PRESENTED TO MICHIGAN STATE

A set of souvenir auto license plates has been presented to Michigan State College in commemoration of its Centennial year in 1955 as the nation's oldest land-grant college.

The plates are replicas of Michigan's 1955 auto license plates, which are colored green

and white to honor M. S. C.'s 100th birthday. The souvenir plates are lettered: MS 1855, MS 1955, and MS 100th.

They were presented to Michigan State President John A. Hannah by Ralph T. Wills, deputy secretary of state, acting on behalf of Owen J. Cleary, secretary of state.

MENU PROBLEMS AT U-M HOSPITAL ARE GIGANTIC

It takes a dietetics team of 200 full-time employees and 35 part-time employees to prepare the 1,151,583 meals served during a year at the University of Michigan Hospital.

The hospital has filed its annual report, and the figures from the dietetics department alone are enough to inspire respect, as well as a sigh of relief, in any housewife.

For example, it took 80,370 pounds of coffee (at today's high prices!) to serve the hospital's

patients last year.

On the dairy side of this fantastically gargantuan menu, observe the following consumption: 376,366 quarts of milk, 28,710 quarts of cream, 32,260 pounds of butter, 7,356 gallons of ice cream and 50,400 dozens of eggs.

The 234,792 pounds of meat consumed by patients is a tribute to the morale of everyone associated with the hospital, from employee up to patient. The average consumption of meat in this country per person is approximately 280 pounds per year.

To round out this monstrous 61,570 pounds of sugar, and 43,680 pounds of flour were consumed at the U - M Hospital.

With this amount of food consumption it is easier for the housewife at least to understand why hospital rates are where they are today.

WASH DACRON, ORLON, NYLON BY THE RULE

Orlon, nylon and dacron may be the so-called "miracle fabrics" but they, too, require special care in your washer.

Questions are often asked of Evelyn Zwemer of the home management department at Michigan State about washing of curtains made from man-made fabrics. Here is the way she answers these queries:

Is it safe to put nylon, orlon and dacron curtains in the washing machine? Miss Zwemer says, Yes, but only wash them a few minutes—not as long as your regular wash.

Can these curtains be put in hot water? Again the answer is Yes, but with an added thought. For white materials you can use very hot water (140 degrees) and for colored materials, use hot (100 degrees) water.

Is it safe to put these curtains into an automatic dryer? Because these synthetic fabrics cannot stand very hot temperatures

and because their biggest asset is how fast they dry, Miss Zwemer recommends this drying method: Take them from the washing machine, shake each curtain gently, and hang them individually on drying rods. Put one rod in the upper casing and one in the lower hem. If pressing is necessary to get out wrinkles, do it only after the curtain is entirely dry.

To make your washing easy and safe it is always the best rule to read the label on the curtains and follow directions exactly. Miss Zwemer says to keep the washing directions in a safe place so they will be handy for your next washing day.

For a handsome, golden brown crust on fried chicken, try rolling the pieces in a flour mixture with a generous supply of paprika.

Keep your eye on the price of lettuce. The U. S. Dept. of Agriculture says wholesale prices are dropping rapidly and soon should give the consumer lower retail prices.

A SAFETY MEASURE

Night comes earlier in November, so Ernest P. Davis, director of safety and traffic for Automobile Club of Michigan, advises youngsters and adults to remember to wear white after dark when walking on streets and highways. Auto Club has distributed 10,000 copies of a safety poster, shown elsewhere in this paper, to Michigan schools for bulletin board use.

OUR SERVICE MAKES WARM FRIENDS

Come in and See the All-New '55 Pontiac

with the 180-HP Strato-Streak V-8!

INCOMPARABLE ALL-NEW ROADABILITY

Pontiac's all-new roadability starts with a long wheelbase. Its all-new chassis provides a heavier, more rigid frame; all-new front suspension and new wider-spaced parallel rear springs provide road-hugging stability so greatly advanced you'll notice the welcome difference the moment you take your first drive. You'll get a lullaby ride on any road in this big, solid car with every worthwhile comfort advancement of the year.

SENSATIONAL ALL-NEW STRATO-STREAK V-8 PERFORMANCE

Here's an engine so responsive, so alert it almost anticipates your demands for getaway and passing power. But most important, here's an engine so thoroughly proved that it will make even more enviable Pontiac's famed reputation for dependability, long life and economy. Three and a half million miles of testing stand back of Pontiac's all-new perfected 180-horsepower Strato-Streak V-8.

DARING ALL-NEW FUTURE-FASHIONED STYLING

Pontiac's brilliant new styling steps you years ahead in a single bold move. From its "dream car" front end with its twin silver streaks to the new upswep rear fenders, Pontiac for 1955 is far and away the most distinctive car on the road. Its long, low lines are a visual complement to its spectacular performance.

BEAUTIFUL ALL-NEW PANORAMIC BODY

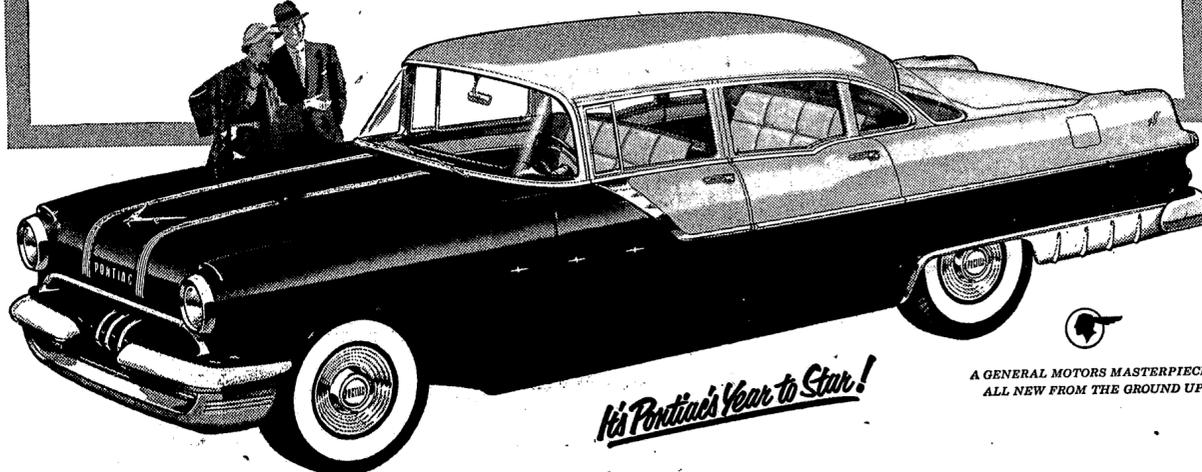

Lower, wider, roomier, Pontiac's new panoramic body provides sweeping vision all around, with new panoramic windshield and extra-wide rear window. Front seats are three inches wider and, despite a roof line almost three inches lower, there is no sacrifice of head room. Underneath this dramatic new beauty and comfort is the rugged safety and quiet of incomparable Fisher Body construction.

ALL-NEW HANDLING EASE

New vertical king-pin front suspension and new recirculating ball steering let you take corners and curves almost effortlessly—cushion road shock so effectively you experience a new driving sensation. Bigger brakes stop you surely and quickly.

EXCITING ALL-NEW INTERIORS

Never has a car priced so low extended so exciting an invitation to relax amid so much luxury. Pontiac's all-new interiors—with fabrics and leather keyed to the Vogue Two-Tone body colors—are unsurpassed for beauty at any price.

It's Pontiac's Year to Star!

A GENERAL MOTORS MASTERPIECE—ALL NEW FROM THE GROUND UP!

HOW TO SLEEP SOUNDLY . . .

AUTOMATIC BED COVERINGS

It's as simple as 1-2-3 to drift into the most refreshing winter night's sleep you've ever had!

1. Just set your automatic bed covering's temperature control to the warmth you want.
2. Zip into bed.
3. Dream away relaxed, unhampered by umpteen heavy blankets over you.

An automatic bed covering gives you light-as-a-feather, warm-as-toast comfort regardless of room temperature changes. And for only a tiny fraction more than 2c worth of electricity a night.

Oxford, Michigan
 Sunday School 11:00 A. M.
 Sunday Service 11:00 A. M.
 Reading Room, rear of Church, open Wednesday from 2 to 4 and 7 to 8 P. M.

The spiritual basis for healthful, happy, abundant living will be dealt with at Christian Science services Sunday.

Keynoting the Lesson-Sermon entitled "Mortals and Immortals" is the Golden Text from John (3:6): "That which is born of the flesh is flesh; and that which is born of the Spirit is spirit."

Selections to be read from "Science and Health with Key to the Scriptures", by Mary Baker Eddy include the following: (76:22-26): "The sinless joy,—the perfect harmony and immortality of life, possessing unlimited divine beauty and goodness without a single bodily pleasure or pain,—constitutes the only veritable, indestructible man, whose being is spiritual."

From the Bible the following passage will be among those read (Romans 8:6): "For to be carnally minded is death; but to be spiritually minded is life and peace."

Announcing new FORD TRUCKS for '55... the Money Makers!

Money-making **POWER!** Important longer-life engine advancements! The only full line of proved, modern short-stroke engines in any trucks! New work-saving, money-saving **CONVENIENCE!** New money-making **CAPACITIES!** New reasons why Ford Trucks are gaining new buyers faster than any other trucks!

POWER STEERING is standard at no extra cost in this new Ford T-800 tandem-axle BIG JOB. Modern, short-stroke, 170-hp. Cargo King V-8. GVW 40,000 lbs., GCW 60,000 lbs.

NEW savings in all three areas! TRIPLE ECONOMY!

① **Money-Making power saves gas!**

ONLY FORD gives you the gas-saving efficiency of proved, modern short-stroke design for every engine! Ford's ultra-modern, overhead-valve engines—four V-8's and one Six—cut piston travel, cut internal friction, save gas. And new engineering in valves, heads, crankshafts, electrical systems and cooling, results in still greater durability!

② **Money-Making convenience saves work!**

FORD'S Driverized Cab sets new comfort standards for '55! New full foam-rubber seat and seat back in the Custom Cab*. Work-savers . . . like smoother *Fordomatic** with new faster starting, low-gear "step-down" for all light duty series . . . Power Brakes* even for half-tonners . . . Power Steering* for most BIG JOBS—make driving easier.

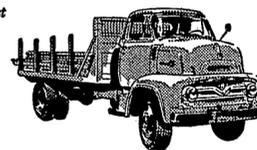

*Modest extra cost

③ **Money-Making capacity saves trips!**

NEW axle capacities and new springs, coupled with Ford's high-payload construction, make Ford Trucks better load carriers than ever. Ford's new 1/2-ton Pickup, for example, has one of the biggest payload capacities of any Pickup: 1,718 lbs. Ford gives you top payload capacities in over 190 models, ranging up to 60,000-lb. GCW tandem-axle giants.

NEW Payload Champ of the Pickup! New Ford F-100 6 1/2-ft. Pickup, GVW 5,000 lbs., now takes payloads up to 1,718 lbs. 132-hp. V-8 or 118-hp. Six engine.

NEW higher power and compression in all light and heavy duty series Ford Trucks! Show: C-600 Cab Forward, GVW 16,000 lbs. Choice of two proven V-8's.

See the 1955 Money Makers Friday!
