CLARKSTON, MICHIGAN, THURSDAY, FEBRUARY 10, 1955

NUMBER 24

New Library Opens Feb. 16

An important event to take place in Clarkston on Wednesday, February 16th, will be the opening of the new Independence Township Library. The Clarkston Community Women's Club will hold an Open House in the Library from one until four p. m., for both men and women in this area.

A Silver Tea will be featured and any donation will be appreciated. Mrs. Don Stackable, head of the Library Committee, will also accept books for the library on that day.

A point of interest will be the presentation of pictures depicting life in the early days in Clarkston, by Mrs. Howard Lord. If anyone has any pictures of that era which could be used, please contact Mrs. Lord by calling Maple 5-6781.

Mrs. Arthur L. Rose, Jr., is opening her Nursery School on that day for mothers of preschool children. This will be under the careful supervision of Mrs. Emma Young. The address is 7902 Dixie Highway.

The Clarkston Community Women's Club wishes to extend a cordial invitation to everyone.

Ground Observers Meet Tonight

Folks—don't sit back and say "Let George do my share and his too". Let's all help. It only takes about two hours of your time each week.

Disaster? Destruction? It can happen to us if an all-out war comes. When you consider the Formosa deal, you would think more people would be interested in their own protection and would be glad to be a Ground Observer.

This group meets tonight in the High School with Mr. Bromley, Director of Oakland County Civil Defense as the speaker. Everyone should be interested in what Mr. Bromley has to say. Let's have a good crowd out to greet him.

Ted Hennig,
G. O. C. Supervisor

Alone

I've sat all alone by the side of a lake
And heard the waves slap on the shore
I've watched a duck paddle around in its wake
In search of a natural food store.

I've walked in the forest admiring the trees,
As squirrels went scampering about
Providing a nest for their young in the leaves
With branches and fibers made stout.

I've worked in the fields when the grain had turned gold
With nary a human around.
My love for the earth, my God I have told,
And reverently tilled in His ground.

I never once felt that I was alone
Whenever I wandered astray,
For when I communed with my God and His own
All loneliness hastened away.

Then, too, I have walked in the big city's streets
And mingled with thousands of men.
I've seen how mankind so insamely competes
For the wealth or favor of friend.

I've felt 'all alone in the midst of the throngs
Like puppets on ends of great strings;
Who work or who dance or sing a few songs,
Induced by the dollar it brings.

Did You Give To March of Dimes?

Preliminary figures on the March of Dimes campaign were announced today by Carl W. Donelson, Oakland County Chapter Chairman. To date \$103,750.00 has been received through the mail campaign and the Mothers March. Outstanding are the returns from the canners, special events and school collections.

All Community Campaign Directors extend their thanks to all who assisted in the campaign and especially to the general public who so generously contributed funds to advance the fight on polio.

The March of Dimes is the sole support of the National Foundation for Infantile Paralysis which finances both scientific research on polio and also treatment for polio patients.

Mrs. Everett Dennis of 5021 Waldon Road was chairman in the Clarkston area and she reports that the amount realized in this territory was approximately \$847.00. Mrs. M. Montreuil was the co-chairman. The night of the Mother's March there were about 25 mothers who did the collecting. Mrs. R. Bullard was the District Captain in Clarkston; Mrs. H. Staley was in charge in the Sashabaw area and Mrs. Sam Miller was the Captain in the Andersonville district.

P. T. A. Council Meets Tuesday

The February meeting of the Oakland County Council P. T. A. will be held on Tuesday, Feb. 15, at the Orchard Lake Community Church on Commerce Road. Registration will be from 8:45 A. M. until 9:15 A. M.

Theme for the morning will be "Planning and Promoting a Discussion Program". Miss Frieda Huggert, visiting teacher for Waterford Township Schools, will be consultant for the day. A drama, "Random Target" written by Nora Sterling and directed by Mrs. Harold Zimmerman will be presented by a group from the Donelson School.

There will be 3 workshops held in the P. M.: Health and Summer Round-up by Miss Evelyn Kidnigh; Presidents and Parliamentarian by Mrs. Edwin Johnson and Mrs. Iva O'Dell and Home and Family Living by Miss Frieda Huggert.

There will be a reservation luncheon at noon, at which time Mrs. R. N. Hickson, past president will give a brief review of Council history. Rev. B. Roepcke will give the invocation and Mrs. Harold Welch will lead group singing during the luncheon. Reservations may be made by calling FE 2-3277; MA 5-4806 or EM 3-2481. The deadline for reservations is Friday, Feb. 11.

Evelyn McCrum, JOSN, USN, who has been stationed at the U. S. Naval Air Station in Alameda, California, informs us that she has received orders to report at the U. S. Naval Photographic Center in Washington, D. C. She says her new assignment is tentatively scheduled as script writer for Navy Training films, and although she will still do some flying, it will not be as an orderly but in conjunction with her work. Evelyn expects to be in this territory for a few days enroute to her new post.

Seymour Lake

Mrs. Ethel Barnett and Mrs. Grant Beardslee, both of Pine Knob Road, attended the Lincoln Banquet, February 9th.

Mrs. Grant Beardslee will leave February 12th on an eastern trip. She will visit a niece, Mrs. Leslie Hyde and husband in Toronto and another niece, Mrs. Clarence Partelle in Burdette, Canada. Her destination will be White Plains, New York, where she will be a guest of her son-in-law and daughter, Mr. and Mrs. Ansen Raymond.

Mrs. Norah Lessiter of Baldwin Road, had the misfortune to fall at Lake Orion, Tuesday afternoon, injuring a knee badly.

Mrs. Russell Maybee entertained the Drayton Plains W. C. T. U. Sewing Circle on Tuesday afternoon.

The following dinner guests were entertained in the home of Mrs. Russell Maybee on Friday: Mrs. George Perry of Lake Orion, Mrs. Charles Beardslee, of Drayton Plains; Mrs. Wade Harris, of Galloway Lake; Mrs. Iva Miller, of Clarkston; Mrs. Tina Nelsey, of White Lake; and Mrs. Lloyd Fisk, of Walled Lake.

Mrs. Frederick P. Warrick goes to the Rackham Building in Detroit tonight to start an eight weeks course on "Activities Programming for Older People". These courses are offered by a Joint Committee on Inter-institutional projects.

Men's Club To Hear Noted Engineer

The Methodist Men's Club will meet at the church for the regular monthly meeting on Thursday, February 17th. Dinner will be served at 6:30 and will be followed by a business meeting and a very fine program.

Frederick P. Warrick, president of the club, has been very fortunate in securing, as the guest speaker for the evening, Richard O. Painter, Assistant Chief of the Experimental Engineering Department of the General Motors Proving Ground. Mr. Painter has traveled extensively and is National Chairman of the Society of Motion Picture and Television Engineers, High Speed Photography Group. His subject will be "High Speed Photography in Industry".

Chevrolet Agency Changes Ownership

The Chevrolet Agency in this area is now known as Haskins Chevrolet, Inc., with Roy Haskins of Detroit as president. Leo J. Torney, also of Detroit, is the General Manager.

Don Pringle gave up the agency due to the pressure of other business.

The Chevrolet and Oldsmobile will be sold and serviced by the new owners.

Smorgasbord At Sashabaw

The Sashabaw Presbyterian Women's Organization is holding its monthly smorgasbord Saturday, February 12, beginning at 5:30 p. m.

The menu will be varied and bountiful, offering delicious salads and relishes, meats and cheese spreads, as well as the homemade desserts and hot breads.

A free-will offering will be taken and proceeds will go to the church building fund.

Girl Scout News

Girl Scout Troop 390 met at the Methodist Church. We said our Pledge, Promise and Laws. Mrs. Kieft said we might go to the Ice River.

We went to the Pontiac Motors on January 28th and we had lots of fun. We want to thank the mothers who drove us—Mrs. Federspiel, Mrs. Kieft, Mrs. Waggener and Mrs. O'Mara.

Barbara Buzzel and Carolyn Ruggles served the treat of cookies and fudge.

We had an investiture ceremony when Shirley Bauer, Paula Parker, Carol Decker, Mary Lee Wilt and Susan Walter received their pins.

Sally Morgan, Scribe Troop 79 met at the Methodist Church with our leader, Mrs. Collick and our assistant leader, Mrs. Rhyndress. There were eleven members present, including a new member, Mary Lou Steele.

Square Dancers Met Last Friday

Forty couples gathered at the C. A. I. Building for a Merry Mixer Square Dance Party on Friday, Feb. 4.

The members were pleasantly surprised with new draperies in their Club Room.

Callers for the evening were Paul Bond, Hal Brown, George Sweazy, Bob Bunce and Lee Kaines.

Guests for the evening were Mr. and Mrs. Jack Costa, Mr. and Mrs. Charles Callahan, Mr. and Mrs. Virgil Farnham, Mr. and Mrs. Royal Wooder, Mr. and Mrs. Clayton Hibbals, Mr. and Mrs. Roy Smith, inactive members were also present.

Claude McKinnon, the new president, assisted with the party.

Plans Completed For Scout Banquet

Annual Cub Scout Blue and Gold Banquet will be held Wednesday, February 16, at 6:30 P. M. The cub scouts in Clarkston are sponsored by the P. T. A. who are also preparing the banquet that is to be held in the High School cafeteria. A fine program has been planned which we think will be interesting to everyone.

This promises to be the largest banquet we have ever held. We hope all cub scouts and their families will be there. We also extend an invitation to anyone who wishes to attend. Tickets can be bought from any cub scout. No charge for children 4 years or under. All families are requested to bring their own table service.

For any other information call: Bernard Parrott, MA 5-7336, or Paul DeLongchamp, MA 5-7631.

Basement Tiled At Community Center

On Wednesday evening, Feb. 2nd, the Independence Township Community Center Board met. The group was well pleased with the work of tiling that had been completed in the basement of the building. The work was done by individuals and organizations. The Board wishes to extend thanks to all who helped with the work of installing the tile and especially to Carl Anthony, Jr., who gave so much of his time. They are also grateful to Mr. Keasey of the Keasey Electrical Shop, who was instrumental in getting the new electric refrigerator for the kitchen.

Farm Women Meet In Holly

The Farm Bureau Women's Committee met in Holly on Tuesday of last week with Mrs. Bertson Brendel. There were thirty-two present, including twelve delegates.

Mrs. Fred Upcraft presided at the meeting. Mrs. Earl Braid of the East Orion Group gave a report on safety rules in the home. Mrs. Allen Parker, legislative chairman, outlined some of the measures that are under consideration in the legislature. She reported that the Farm Bureau are opposed to changing the terms of county public officials from two to four years; they are willing to support a 5 cent gas tax or more for new roads; they want a pay as you go basis; and they favor the repeal of the chain store tax.

It was reported that the Committee had cleared \$76.28 on the Soil Conservation dinner. Mrs. Thelma Jones of Walled Lake was appointed to contact Dr. Calhoun at the Farmington Polio Hospital to see if some of this money could be used for vaccine research in Oakland County. The group voted to give \$50 of this money to the March of Dimes if it can go for this work.

Lyle Abel, Oakland County Agricultural Agent, told the group about the Dairy Festival, February 7-12, and asked all delegates to place posters in all grocery store windows to encourage the sale of dairy products.

On March 21st there will be an extension dinner at the Waldron Hotel in Pontiac. One woman from each group will attend.

Mrs. Earl Braid moved "that the group write an article for the State Bureau paper about Mrs. Mallory Stickney of Clarkston who started women's activities in the Farm Bureau which is now a national organization."

The Michigan Rangers will sponsor a Box Social and Dance in the Davisburg Town Hall on Saturday night, February 12th. The public is invited.

Motion Picture In Natural Color

The pick of years of work with color motion pictures will be brought to Pontiac High School Auditorium on Wednesday, Feb. 16, at 7:30 P. M. when Jack VanCoevering, Wildlife Editor for the Detroit Free Press, will come in person to present his picture, "Outdoors in Michigan". This event is sponsored by the Oakland County UAW-CIO Recreation Council and is open to the entire community, free of charge.

John F. Curry, electrician's mate seaman, USN, of 5904 M-15, Clarkston, was among the 242 men to report aboard the attack aircraft carrier USS Coral Sea in January. The ship is scheduled to operate off the Atlantic Coast, testing experimental Navy aircraft.

Rotary Hears Talk On Water Plants

On Monday Jim Price introduced Mr. R. L. Weber of the Deming Pump Co., to the members of the Clarkston Rotary Club, at their regular meeting at the Community Center. Because of Clarkston's interest in a central water plant the Village President Russell Colton, was a guest.

Mr. Weber reviewed the history of pumps, from before the time of Christ, and explained how centuries ago our forefathers managed to pump water and traced the process down to the modern pumps of today. He then explained that pumps are used for many purposes, such as compressing air and even forcing molten metals from one point to another.

From a sanitation standpoint, as areas build up and become densely populated, the proximity of water supply to septic tanks becomes a problem. Clarkston should begin to consider the merits of a central water system—hence the interest of the village president.

Magician Thrills Clarkston Pioneers

There was a splendid attendance at the January meeting of the Clarkston Pioneers held at the Community Center. A lovely luncheon was served at 12:30. The birthdays of the following were honored: Mrs. George Hills, Mrs. Winifred Porritt and Mrs. Margaret Denton. One of the women on the service committee, Mrs. Harry Waggener, who was celebrating her birthday, was included in the birthday song.

The door prizes donated by the J. H. Alger Hardware went to Mrs. Ella Gregg and Mrs. George Hills. The coffee and cream were donated by Paul's Good Food.

The business meeting was conducted by the president, Mrs. Milan Vliet. Owing to the absence of the secretary, Mrs. Albert Lawson, the minutes of the meeting were taken by Mrs. Winifred Porritt and Mrs. L. F. Walter read the correspondence. The devotions were given by Mrs. Winifred Porritt.

A bouquet of flowers was sent to Mrs. Thomas Parker at the Twin Lakes Convalescent Home on Highland Road.

Two of the pioneers, Mrs. Bertha Terry and Mrs. Ella Gregg, expressed their desire to do baby sitting -- Mrs. Terry in the evenings and Mrs. Gregg in the daytime.

The big moment came when the entertainer for the afternoon was introduced. The group was so pleased to meet the 84-year-old magician Augustus A. Rapp from Colon, Michigan. Mr. Rapp was presented with a boutonniere, a white carnation and Miss Audrey Williams of Pontiac who was responsible for transporting Mr. Rapp to and from Colon, was presented with a corsage of cymbidium orchids.

Mr. Rapp thrilled his audience with tricks and with playing on his musical glasses. He also did a ventriloquist act which amused everyone. Those who thumbed through his scrapbook were amazed at the things he had done, the places he had been and the systematic way he had everything on record. The Pioneers were quite happy over the whole program and could have listened to and watched the gentleman of magic for a much longer time.

The women who worked on the service committee included Mrs. Howard Lord, Mrs. Harold Weston, Mrs. Arnold Mann, Mrs. Joseph Hubbard, Mrs. Walter Barrows, Mrs. William Dunston, Mrs. Robert Jones, Mrs. Harry Waggener and Mrs. Fred Warrick.

Clarkston Locals

The Youth Group of the Clarkston Community Women's Club is holding a dance for the 6th, 7th, and 8th graders in the High School on Saturday, February 26th from 7 until 10 p. m.

Guests in the home of Mr. and Mrs. Leslie F. Greene for the past week have been his parents, Mr. and Mrs. John L. Greene of Newport Beach, Calif. They flew here on Wednesday of last week and left on Wednesday of this week, with their new car, to make several other stops in Michigan before heading west.

Everyone in the area will be sorry to learn that Charles H. (Chad) Lippincott had the misfortune to fall from the roof of his home last week and fracture his leg. By all reports he did a good job of it and we learn that the one leg and foot had approximately sixteen breaks and the other foot has two breaks. Mr. Lippincott is in Pontiac General Hospital, room 215.

39th Anniversary Honored Friday

Last Friday evening Mr. and Mrs. Joseph Hubbard whose 39th wedding anniversary occurred on Wednesday, February 2nd, were honored at a surprise, co-operative dinner at the home of Mr. and Mrs. O. C. Adams on Maybee Road.

Mr. and Mrs. Hubbard enjoyed the surprise and were presented with an anniversary gift.

Others enjoying the happy event were Mr. and Mrs. Arnold Mann and Mr. and Mrs. George Perry.

High School Girls Honored By D. A. R.

Senior girls from Pontiac area High Schools, chosen as D. A. R. Good Citizens, were guests of General Richardson Chapter, D. A. R., recently at the home of Mrs. Allan Monroe of Pontiac. The girls were accompanied by their mothers who were commended by Mrs. Lloyd Porter, committee chairman, for having daughters who had the qualifications of citizenship.

Laura Ruggles represented Clarkston High School and received from the chapter a Good Citizenship pin which was pinned on her blouse by her mother, Mrs. Raymond Ruggles of Reese Road. Other girls receiving pins Nancy Sweeney of Oxford; Helen Axelrod of Rochester; Nancy Harlevetch of Crooks Road; Phyllis Law of Pontiac; Joanne Thomas of Waterford and Virginia Baer of Keego Harbor.

The Good Citizen pin is identified with D. A. R., by 13 stars on the outer rim. In the center are 4 books which represent the qualifications for citizenship, leadership, service, dependability and patriotism; beneath is the torch of understanding and an encircling wreath of honor.

March 30 the Good Citizens from this area will meet other girls from High Schools throughout Michigan, at the D. A. R. state conference convened at the Sheraton-Cadillac hotel in Detroit. Following a Good Citizen professional, Michigan D. A. R. has provided a program and luncheon when the state winner will be announced. The state winner, who will be presented with a \$100 United States Savings Bond, is chosen by a committee of representative Michigan citizens upon examination of questionnaires answered by each girl. During the past year 7,625 outstanding senior girls in accredited public High Schools received these awards, with 49 state winners receiving \$100 Savings Bonds.

Hear Howard Shelly At Sashabaw P. T. A.

The February P. T. A., meeting at the Sashabaw School on Monday, February 14, will feature lecturer Howard Shelly, who is widely known as a writer, conservationist and outdoor photographer.

Mr. Shelly will present an all-color, 45 minute motion picture of the Algoma bush country. The picture called "Algoma Outdoors" was filmed in the unforgettable virgin country of Canada, where one may enjoy sparkling rivers and lakes, tumbling waterfalls, deep canyons, extraordinary fishing, outpost camps—a real retreat from civilization.

This particular meeting is also Father's night, and will begin at 7:30 promptly. It is greatly hoped that the "dads" will come out in large numbers to view the sportsman film.

Athletic Banquet Monday, March 14

March 14th has been set as the date for the Clarkston High School Athletic Banquet. This annual affair is being sponsored by the Clarkston Rotary Club.

In addition to the presentation of letters and athletic awards, the banquet committee has engaged the services of a "Mystery Celebrity". This "Mystery Celebrity" has amazing ability and appeal for all age groups. The committee assures us it will be an evening we will not soon forget.

Watch The Clarkston News for additional information.

Brownie News

Brownie Troop 200 met on February 1st at the home of our leader, Mrs. Clark W. Lynn. We are glad to know that Mrs. Lynn is over hilled cold. We practiced songs for the February P. T. A. meeting and then we colored doilies and everyone decided that Linda Hallman colored her doily the best. Linda Hallman brought the treat.

Bonnie Gannon, Scribe Brownie Troop 194 met and had a short business meeting at the home of Mrs. Andrew Sanford, with their leader, Mrs. Bruce Embrey, assisted by Mrs. Roger Galligan.

We made plans for a Valentine party which we will have next Tuesday. We discussed our project for the Scoutarama which will be held on March 12th at the Webster School.

A delicious treat of ice cream bars was passed out by Carol Storm.

Thursday we will meet after school and practice on the stage at the High School.

Marilyn Gregory, Scribe Brownie Troop 379 met at the Methodist Church on February 8. We practiced our dances. We thank Mrs. William Parker for playing the piano for us. Joan Mansfield brought the treat which was raspberry sherbet. Everyone enjoyed it. We hope to see all of our parents at the P. T. A., meeting on Thursday evening, Feb. 10th.

The Annual Membership meeting of the Community Activities, Inc., will be held on Thursday evening (tonight) beginning at 8 o'clock. New board members and officers for the year will be elected at this time.

There will be a dance at the C. A. I. this Saturday evening with music by a string "hill-billy" band from Pontiac. These dances will be held each Saturday evening and the public is invited.

Christ Couriers will meet at the Waterford Community Church this Saturday evening at 7:30 and weather permitting will enjoy a skating party. Mrs. Carl Kenyon and Mrs. Floyd Holden are on the committee for the evening.

The Ladies' Auxiliary of the Waterford Community Church met last Thursday at the home of Mrs. Carl Hulett. Following the pot-luck luncheon and business meeting the ladies worked on cancer pads with 176 finished during the afternoon. More material is needed for this work and anyone having any to donate may contact Mrs. Don Williams, the chairman of the work, or any of the ladies in the Auxiliary.

The group has been invited to join with the Ladies' Guild of Christ Lutheran Church for their March meeting.

On Saturday evening, February 12th, at 6:30 the Pontiac Gideon and Auxiliary Rally banquet will be held at the First Methodist Church in Pontiac. On Sunday the men will present the Gideon work in the various churches.

The Gideon Auxiliary Prayer Luncheon will be held on Wednesday, February 16th, at the home of Mrs. A. D. Stimer. Mrs. Harry Godsell and Mrs. David Gee will assist.

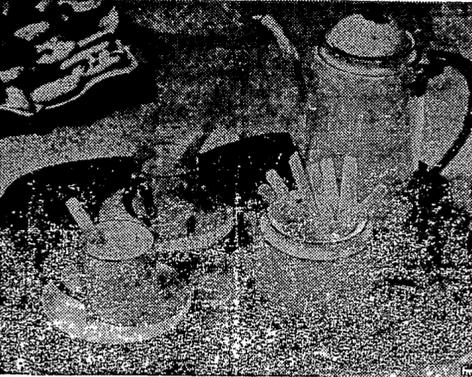

FARM BUREAU HOLDS FIRST INSTITUTE

The first Farm Bureau Institute to be held in Oakland County was called by Carlos Long, Farm Bureau president, at the Clarkston Community Building for Monday, January 31. The purpose of the Institute was to permit the various committees of the Farm Bureau to organize their program for the year. Over 70 Farm Bureau members were present, representing 10 of the organizations committees. The morning was spent in discussing committee activities. Following the noon luncheon which was served by the Farm Bureau women, each committee reported its findings and there was a general discussion by the entire group. Assisting the local Farm Bureau folks from the state organization were Marley Drew, regional representative; Eldon Smith, coordinator of farm supplies; Don Kinsey, coordinator of education and research; and Marshall Warren, area representative of Farm Bureau supplies. The Farm Bureau in Oakland County has a membership of over 1,000 in 20 community groups throughout Oakland County.

At the annual meeting of the Oakland County Farm Bureau the following were elected to the board of directors.

Ray Alt, Lake Orion; Edward Bourns, Wixom; Mrs. Alfred Randall, Walled Lake; Clare Voorheis, Davisburg; George Sutton, Holly and Walter Welberry, Milford.

Chocolate in the Grand Manner!

When Napoleon called for refreshment, he meant hot chocolate his favorite brew. And the little general liked it very hot, very smooth, medium sweet and teasingly spiced with a stick of cinnamon candy. Inspired by Napoleon, the whole of Europe took to hot chocolate in the 18th century and the chocolate pot was the symbol of gracious entertaining straight down to the turn of the 20th century.

Steaming cups of hot chocolate are still a gracious and luscious refreshment for young and old. And there's no trick nowadays in preparing a chocolate cup suitable for the evening party. Chocolate drink, just for mid-morning, afternoon or evening party. Chocolate drink, just as it comes from dairy delivery or the corner store, is ready to be heated at a moment's notice. It's smooth chocolate full-flavored.

For the Napoleon touch—a wonderfully delicious and unusual flavor—serve a small dish of vari-flavored candy sticks with the cups of chocolate, so that each guest may add his favorite flavor to the cup. Cinnamon peppermint, lemon orange, sassafras, taffy—any assortment of candy sticks lends piquant flavor and delight to this gracious dining custom.

Also holding over from present terms or reelected are: Carlos Long, Milford; Carlton Crawford; Paul Sutton, Farmington; Bernard Carver, South Lyon; Clarence Porritt, Pontiac; Seeley Tinsman, Ponton and Ronald Voorheis, Davisburg.

OLDSMOBILE'S TELECAST - PRE-VUES MOVIE AWARDS

Contenders for this year's Motion Picture Academy Awards will learn for the first time of their nomination to receive Hollywood's coveted "Oscars", on an unusual telecast to be sponsored by the Oldsmobile Dealers of America on NBC-TV Saturday night, Feb. 12, from 9 to 10:30 Eastern Standard Time.

Sealed envelopes containing the names of each nominee will be opened and read from the NBC Studios in Hollywood. Meanwhile, dozens of carefully cataloged film clips from movies, in which possible nominees have appeared, will be in readiness in a studio projection room so that the proper one may be selected and shown on the air the moment a nominee is announced.

At the same time a number of parties will be held in the more glamorous night spots along Sunset Boulevard at which most of the film colony's ranking stars - including all of those considered in the running for an award - will be in attendance.

Numerous mobile TV units will be in operation at the scene of all the parties and, while the film clip of each nominee is being shown the cameras will have time to move to the table where each particular nominee is sitting and an announcer with a hand, microphone will interview each star as he, or she, receives the first inkling of possible selection as an "Oscar" winner.

Bob Hope will conclude the

show by telling of the plans to televise the actual Academy Award ceremonies, on Thursday night, March 31, which will be sponsored by Oldsmobile.

JUNIOR CLASS MEETING

The meeting was called to order Wednesday, February 2, at 11:50 A. M. by Clyde Kizer, Class President.

The topic most discussed was the coming Valentines Dance (Cupid Capers). Reports were heard from the Publicity and Decorating Committees. A refreshments committee for the dance was also chosen.

It was decided to sell candy at Tuesday's home game with West Bloomfield. Three committees were chosen for the game; a program committee, and candy committee, and a clean-up committee.

CLARKSTON VS HOLLY

The Clarkston's Wolves managed to stay tied for first place in the league with Milford Friday the 4th, when they triumphed over Holly by a score of 68-44.

In the first quarter the game was pretty well neck and neck, but after the first quarter the Wolves with the help of Gordon Campbell's 15 points had built their score to a safe margin so they could put their second string in without much worry. The second string managed to hold their own to win over Holly by a large margin of 68-44.

Clarkston's next game will be held on the home floor with Kee-

go Harbor on the 8th of February.

LIBRARY HAS MORE ROOM

Since the study halls have been changed to the cafeteria, there have been some changes in the way the library is being operated.

The library is being used as a library. The only reason a student should be there is to get a book to read or to use the encyclopedias or reference books.

Now, instead of giving the librarian the name of the book and the author, you can go in and pick out the book you want.

The librarians would appreciate it, if when you are looking at the books, you put them back in the same place you got them.

DEBATERS TIE FOR CHAMPIONSHIP

By Ron Johnson
Clarkston debaters finished the Wayne Oakland season in first place tie with Northville.

The final league tournament was held at Holly, Tuesday, February 1st. Clarkston's affirmative was defeated by the Holly negative, but our negative won over the affirmative of Brighton.

This was probably the best season that Clarkston ever had in debate. The affirmative and negative teams had identical won-lost records of 3-1 each. As a result of the total record of six wins, and two losses, the school will receive a league trophy, a large wall plaque from the Detroit Free Press, and also a berth in the regional tournaments.

Following are the final Wayne-Oakland standings for the debate season 1954-1955:

Team	Won	Lost
CLARKSTON	6	2
Northville	6	2
Holly	5	3
Milford	2	6
Brighton	1	7

SADIE HAWKINS DANCE

Sadie Hawkins week got off to a good start at Clarkston High when the boys took the week off to rest their muscles and put girls to work carrying books. Many were the girls that stumbled into class late because of this task. The week was climaxed by the Sophomore Sadie Hawkins Dance. An election was held to determine Lil Abner and Daisy Mae. After much confusion over the results Jerry Urick was chosen Lil Abner and Daisy Mae was Alice St. Aman. They made an appearance at the dance, dressed for their parts.

The dance itself was a success. The dance, held on January 29, was sponsored by Mr. Johnson. The attendance was very good. This was remarkable since it was in competition with a Square Dance at the Community Center.

CUPID CAPERS

The next dance to be held is Valentine's Dance, titled "Cupid Capers." This dance is sponsored by the Junior Class and will be the biggest dance of the year next to the Prom.

The class has found a very good five piece orchestra under the direction of Mr. Harold Krohu. He has been recommended very highly to the class.

The dance will be held Saturday, February 12, from 9:00 to 12:00 P. M.

Remind your parents and friends that this dance is open to them. It will be worth their while to attend.

HOLSTEIN ASSOCIATION ELECTS OFFICERS

Carlos Long, dairyman from Milford, will be president of the Oakland County Holstein Breeder's Association for the coming year as a result of an election held recently at the Holstein Association's annual meeting at Commerce. Long owns a purebred herd which is graded very highly among the county Holsteins. Other officers elected in the meeting included Richard Lister of Oxford who is secretary-treasurer; Elmore Ruggles of Milford, vice-president; Jack Foster of Davisburg and Fred Schultz of Rte. 1, Pontiac as trustees. The Holstein folks heard Woodrow Snyder, Professor of Dairy at Michigan State College, talk on the work which he has carried on in Columbia under the Point 4 Program. Efforts were made in Columbia to assist the local dairymen to improve their herds and their dairy practices.

CORN ADVICE BY COUNTY AGENT

Select your corn hybrids by their record rather than by what the seed costs or how it looks, advises Lyle Abel, county agricultural agent.

The record is easy to get—you

can pick it up at the county Extension Office at 1260 West Blvd., Pontiac or during Farmers' Week at Michigan State College. Extension Folder F-67, "Corn Hybrids Compared, 1955", gives the results of hybrid corn trials at 10 locations in Michigan for the past three years. The results show how each hybrid yielded, how much lodging resistance it has and when it matures.

F. C. Rossman, M. S. C. farm crops researcher, claims that corn yields can be boosted 5 to 20 percent merely by growing high yielding hybrids.

Rossman suggests hybrids that are early to medium in maturity. Each maturing corn usually gives better quality grain, less spoilage in storage and earlier harvest.

For silage, he insists, it's just as important to choose hybrids with a high grain yield. Choose two or three hybrids that differ slightly in maturity, he suggests. They may give a better total yield than growing all your acreage to the same variety.

And try new hybrids that have good records for your area, he advises. You can probably improve your corn crop by trying some of the outstanding ones.

RESOLUTION OF THE BOARD OF DIRECTORS OF CLARKSTON STATE BANK, UPON THE DEATH OF J. LIONEL WATERBURY, ONE OF ITS MEMBERS

J. LIONEL WATERBURY, a stockholder of this Bank for several years, and a member of the Board of Directors since January, 1951, was taken by death on January 23, 1955, at the Ford Hospital in Detroit. Mr. Waterbury was born in Springfield Township on December 4, 1903, and spent his entire life in this community. He graduated from the Clarkston High School in 1919, and afterwards attended Ferris Institute in Big Rapids. For several years, Mr. Waterbury was associated with his brother in the operation of service stations and restaurants in Springfield Township, and also operated a market in Clarkston, and served as a rural mail carrier.

Mr. Waterbury gave generously of his time to civic affairs in the community, and spent many years of his life on the School Board of the Springfield Township school. He spent much of his leisure time in hunting and fishing, and was always considered an expert marksman. Mr. Waterbury was always devoted to members of his family, and was always interested in their welfare.

BE IT RESOLVED THEREFORE, that through the death of J. Lionel Waterbury, this Bank has lost a loyal booster, the mature and sound judgment of a punctual and faithful director and stockholder; the community, a civic-minded and helpful neighbor; and his family, a devoted and kindly husband and father.

BE IT FURTHER RESOLVED that a copy of this Resolution be spread upon the records of this Bank, and a copy sent to the remaining members of his family as an expression of sympathy in their bereavement.

How many "horses" would you like?

Every driver has different requirements. Chevrolet, with four ultra-efficient new engines, offers the widest range in the entire industry. Whatever you want—acceleration, thrift, effortless cruising—you'll find it here in a valve-in-head engine built by the valve-in-head leader!

Created for drivers who put a premium on blazing acceleration, the "Super Turbo-Fire V8" has all the advanced engineering features of Chevrolet's V8 design... plus dual exhaust system and a four-barrel carburetor. Optional at extra cost.

A silk-lined cyclone of power, the "Turbo-Fire V8" boasts the shortest stroke in the low-price field. More compact than other V8's, it has the highest compression ratio (8 to 1) in its class... and the exclusive Chevrolet 12-volt electrical system.

The "Blue-Flame 136" takes advantage of the cushioning effect of Powerglide* to set the standard of six-cylinder valve-in-head efficiency, gives the ease of automatic shifting at lowest price. It, too, has 12 volts... and quiet hydraulic valve lifters.

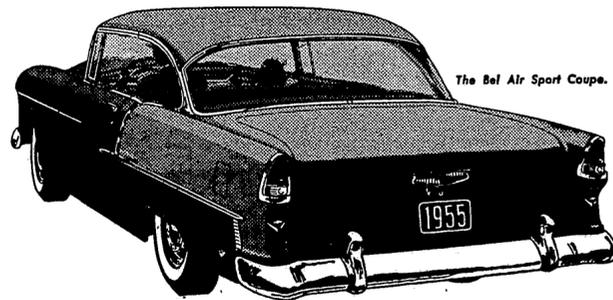

The ultimate development of Chevrolet's 26 years' experience with the valve-in-head six, the "Blue-Flame 123" is the world's yardstick for automotive value. And its thrifty 7.5 to 1 compression offers performance that is gratifyingly smooth and lively.

All with the style that's stealing the thunder from the high-priced cars

No matter which engine you choose, you get Chevrolet's sparkling-new body design, the smartest styling on the road. You get that commanding view through the Sweep-Sight windshield, visibility that lets you see all four fenders. You get a velvety ride you never expected from a low-priced car... a "big-car" way of going that stems from the flexing ease of Glide-Ride front suspension, the stability of outrigger rear springs. You get your pick of three modern drives, a full range of power assists... and you get all this with Chevrolet's well-known thrifty ways. Come drive a Chevrolet and discover the whole story!

*How far are we from
Atoms for Peace?*

Here's an up-to-the-minute progress report:

Just what is the potential of Atoms for Peace?

Well, a three-pound rod of uranium, no larger than a small flashlight, offers a power-potential equivalent to 60 carloads (4,000 tons) of coal. Of course, it takes a great deal of special equipment to produce and deliver this power. But three pounds of uranium can furnish, for a period of eight hours, enough electric power for all of the homes, stores, farms and factories—served by Detroit Edison in Southeastern Michigan.

ONE HAND HOLDS 60 CARLOADS OF POWER!
Detroit Edison President Walker L. Ciser exhibits a rod of uranium which is the equivalent of 60 carloads (4,000 tons) of coal.

heat exchangers and other devices for handling liquid metals at extremely high temperatures. As the simplified diagram below shows, the problem is to bring heat energy from a reactor, or atomic furnace, to the turbine generator. Enough equipment will be installed to test the liquid metal section of the plant.

• As another key part of this program, the Associates authorized development of a special boiler, or steam generator, to operate under nuclear heat conditions.

• To accomplish these major advances in their long-range program, the Associates will spend \$3,815,000 in 1955, and all are sharing the costs.

The project is a striking example of the effectiveness of industrial teamwork in doing things that have never been done before on this scale.

Member companies of the Atomic Power Development Associates hasten results by pooling the special talents of their personnel. Company-owned research and development facilities also have been made available.

All 33 Associates share the same kind of vision—the vision of a better world.

Several years of work still lie ahead, yet, thanks to this kind of cooperation, hope for atomic energy for peace is a dream that can come true in our time!

LAST WEEK, in Detroit, representatives of the 33 member companies of the Atomic Power Development Associates announced their research and development program for 1955.

The submarine U.S.S. Nautilus has recently demonstrated that atomic electric power can be produced. Commercially, however, the cost is too high. The resources of the Associates, therefore, are mobilized to discover an economically practical way to harness uranium, a source of energy that can benefit mankind for thousands of years. These 1955 plans are important forward steps toward the goal of using atomic energy to produce electric power.

• Major target in the 1955 program is to build a whole new system of pumps, piping,

Card Of Thanks

Friends are precious... and you realize this fact more and more when you are confined to bed. Words fail to express my gratitude to all who remembered me while I was in the hospital and since returning home. The many kindnesses, cards, flowers, gifts and calls from friends in this area and from the Methodist Sunday School and Choirs and other groups were greatly appreciated.

Only Car at its Price... So Smart! So Big! So Powerful!

*You can buy a big, powerful Pontiac for less than many models of the lowest-priced cars!

Whatever you want most in a car—beauty, size or performance—you get it in extra measure in a Pontiac. In fact, when you choose Pontiac the decision comes very easily—because Pontiac alone, at its price, gives you everything!

For example, take Pontiac's distinctive smartness. Certainly there is no question on this point. Pontiac is the one car that stands apart from all the others.

If it's size and big-car sure-footedness you want—Pontiac's your car! Pontiac's long wheelbase—124 inches in the Star

Chief, shown here, and 122 inches in the 860 and 870 series—is the plus wheelbase that provides the roominess, the comfort, the satisfying road-hugging security that only a big car can supply.

As for performance—once you get behind the wheel you have all the proof you need that Pontiac is way ahead in this department, too. Pontiac's spectacular performance starts with the most modern engine of all—the powerful new Strato-Streak V-8—specifically designed for Pontiac's all-new chassis to give you balanced

performance. That means smooth, eager getaway in traffic; power to spare on the open road; and even more of Pontiac's traditional economy, dependability and long life.

All this adds up to a wonderful car and—with Pontiac's remarkably low price tag—a very wonderful buy. Come in soon and talk dollars and cents. If you're in the market for any new car, you'll discover you can easily afford all the pride and pleasure of a big, powerful, luxury-loaded Pontiac.
