#### CLARKSTON, MICHIGAN, THURSDAY, APRIL 21, 1955

#### **Cancer Fund Drive Next Week**

Did you know that cancer as a killer has risen from eighth place in 1900 to second place today? There is one cancer death approximately every two minutes in the United States.

Something must be done about it. This month, April, is Cancer Crusade Month, and the American Society is striving to teach everyone that there is a way to "Strike Back at Cancer".

First—learn the seven danger signals of cancer and secondperiodic examinations by your physician.

In order to continue the unceasing fight against this disease more funds are needed. In some areas the United Fund provided a portion of the contributions for the Cancer Fund. However, in Annual School Fair not done—so an effort is being At Andersonville made to ask you and you and you to contribute to the 1955 Cancer Crusade. This is really an investment in your health.

On Monday a group of women gathered at the home of Mrs. Howard Huttenlocher for an organizational meeting. Attending were Mrs. Ronald Touscany, Mrs. Leslie Greene, Mrs. Garnet E. Poulton, Mrs. Earl Terry, Mrs. Howard Lord, Mrs. L. D. Riley, Mrs. Ronald Weber, Mrs. Milton Cooney and Mrs. John Stageman. Mrs. Huttenlocher and Mrs. Stageman will be chairmen of the

The Drive will take place April 25 through April 29. On Monday morning, April 25, at 9:00 o'clock there will be a kickoff breakfast at the Clarkston Cafe. All who would like to help with this work are asked to attend. There will be a Tag Day on Friday, April 29.

At the meeting was John G. Norris, Field Representative for the American Cancer Society, master of ceremonies. Inc., of New York. Mr. Norris gave many helpful suggestions as to organizing the Cancer Drive. He told briefly about the work being done by the American Cancer Society and stated that there are 633 cancer clinics in operation in the United States and many more are needed.

#### **Priceless**

Eight little white pigs on trail of The earth slipping past the share

The buds on the trees all waxy and tight; The frogs are in voice in, the

swamp every night; The lambs gambol gaily beside of the hill

Defying restriction, and getting a thrill Of being released from the pen

in the barn

And feeling they've conquered the spanse of the farm.

The pastures and meadows in new coats of green Will answer the cattles' fond last

winter's dream. The calm of each night and the rush of each day;

The smell of the sulphur in dormant fruit spray; The roar of the tractor; the scent

of burned oil As the farmer is tilling the pun-

gent spring soil; Reluctance of children who ploc off to school,

Contrary to nature, obeying a rule.

Husbands seem wary when day's work is through, For the tasks that the woman

has planned he must do. No price is too high, or the wait ing too long

To trod the fresh soil, or hear the spring's song. The coming to life of all things

of the earth Exceeds our conception of value and worth.

#### Men's Club To Hear 21 Dance Club Talk On India

The Men's Club of the Clarkston Methodist Church has been Detroit. Mrs. Hanavan will take the group on a trip to India, a country the average person knows little about. She will highlight her talk with colored slides.

Mrs. Hanavan has traveled extensively and has visited most of pleasing personality and her ability as a speaker have been admired by many audiences.

The meeting is tonight, April 21, at the church with dinner served at 6:30. All men in the area are invited to attend.

The P. T. A. Fair Committee of a big night for April 30 starting at 7:00 p. m.

There will be games, pony rides, cake walk, fun house, silhouettes, fancy work, general store, movies, concessions and refreshments.

One of the highlights of the evening will be the crowning of the King and Queen.

There will be plenty of fun

for young and old. Everyone is cordially invited. There is no admission charge.

#### Hall Crowded For Club Round-Up

About 400 attended the Merry Mixers Round-Up Party at the C. A. I. Building last Friday evening.

Ed. Dingler of WWJ, famed for his western style calling, was

The hall was decorated with kerosene lanterns and balloons. The Merry Mixers will hold their last club dance of the year Friday, April 29.

#### Clarkston Local

Mrs. Amanda Alsbach has owned and operated Caribou Inn for the past three and a half years, has sold the Inn and will make her home in Pontiac. Mrs. Alsbach says she has spent about 12 years in Clarkston and in that time has made many warm friends. While here she has been interested in all civic affairs and third quarter in which she has has tried to serve whenever possconvalescent home on N. Main Street for almost 4 years and at Green Acres for 4½ years. She says she will always think of the happy years spent in Clark-

#### **Seymour Lake News**

Olive Taylor has returned from Pontiac General Hospital and is gaining some each day.

Mr. and Mrs. E. V. Bailey entertained the O'Berry and Miller families for Easter dinner.

Miss Carrie Buckindale is ill in the home of her brother-inlaw and sister, Mr. and Mrs. George Scott.

Clyde Cox has sold his farm on Burris Road and the family will return to Livonia.

Mr. and Mrs. Ronald White of Clarkston-Orion Road were called to Cincinnati on Tuesday by the death of his aunt, Mrs. Maude

King. The Belle Sherwood Circle will sponsor a Mother and Daughter Banquet in the Seymour Lake Church House on Thursday eve-

ning, April 28. A good size group attended the W. S. C. S., meeting in the Church House Wednesday evening when the Belle Sherwood Circle entertained the Sally Bailey Circle. The tables were prettily decorated. The president, Millicent Solley gave the message of "welcome". A piano solo "The Spinning Song" was well rendered by Betty Solley. Several hymns were sung by the group. An appropriate poem, pertaining to the life of Mrs. E. V. Bailey, was read by the writer, Mrs. Walter Ash. Much credit is due Mrs. Ash for her untiring effort in developing the story in its ing with The Promise and Pledge completeness. Moving pictures of Mr. and Mrs. Ash's trip in the games. John Lynn furnished the West and Alaska were shown treat because the girls have al-

a success.

## Draws Large Crowd Dies In Florida

The 21 Dance Club had an unusually good time when they very fortunate in securing as met in the Clarkston High School meeting, Mrs. Lola Hanavan of were approximately 130 attended. A highlight of the evening

was a dance demonstration presented by Miss Peters and Mr. Bysack of the Arthur Murray Dance Studio in Pontiac. Special thanks go to the follow-

ing for their generous help: Jack the countries on the globe. Her Jyleen, Howard Kieft, Mr. and Mrs. Walter Wilberg, Mrs. Robert Osgood, Mrs. Vincent Cushman, and James Moore. Mr. and Mrs. Fred Turek were general chairmen of the dance.

The last dance of the season will be at the High School on May 14.

#### Reminder

The Clarkston High School Band under the direction of Mr. Andersonville School is planning Connors will present its Spring Concert on Thursday evening, April 21, at 8:00 p. m. The admission is only forty cents and ston. the proceeds will go toward purchasing uniforms for the new band members.

The public is invited.

#### **April Meeting** For Pioneers

The April meeting for the Clarkston Pioneers will be held at the Community Center next Thursday, the 28th, at 12:30. A lunch will be served and a business meeting and program will follow.

The birthdays of the following will be honored: Mrs. Raymond Miller, Mrs. Anna Gundry, Mrs. Kate Whitfield and Mrs. Lola Mann.

#### Clarkston Graduate **Receives Honors**

Mrs. Walter Cunningham, the former Ann Barrows, daughter of Mr. and Mrs. W. S. Barrows, 6100 Overlook Drive, has been elected treasurer of the Student Council at Tri-State College, Angola, Indiana. Other offices to Primary and Nursery Departwhich Mrs. Cunningham has been | ments of the Church School (up elected include those of secretary of the Booster Club, and secretary-treasurer of the Rifle and Pistol Association, Mrs. Cunningham was also listed on the scholastic honor roll for the winter quarter, with all A's and B's, the been cited for scholastic achieve- Littleson, sponsors.

Her husband, Walter Cunningham, has been elected president of the Financial and Legal Society.

Mr. and Mrs. Cunningham are both students in the Department of Commerce, majoring in Accounting.

#### **Reception Held** For Newlyweds

A reception was held on April 4 at the V. F. W. Hall in Water-ford for Mr. and Mrs. Jack Thompson whose marriage took place in Angola, Indiana, on March 11. Mrs. Thompson is the former Sylvia Hemingway.

Entertainment at the reception was furnished by William Terry Jr., at the organ and Ralph Cole of Detroit at the piano. Guests were from Detroit, Pon-

tiac, Flint, Rochester, Waterford, Drayton Plains and Clarkston. The newlyweds are residing at 51 Buffalo Street, Clarkston.

### **Brownie News**

Brownie Troop 379 met Tuesday at the Methodist Church. We finished our dance and we learned our Girl Scout Law. Blair Bullard served the treat of candy

Marlene Smith, Scribe

Brownie Troop 194 met this week and had a short business meeting. Flagbearers were Suzen Hampshire and Cricket Embrey. Rebecca Hubbard served a delicious treat of chocolate cupcakes and black cherry soda. #### **School News**

The Clarkston Wolves dropped their first baseball game Tuesday as they lost to Fenton. The game was played at Fenton, and started at 3:30.

Although the game was not a win, the Wolves showed promise which may lead to victories in future games. Vern Carmean was leading batter for the Wolves. He averaged 750 for the day, getting 3 out of 4 hits, 2 of them being doubles. Garry Nelson had a good day as he got 3 R. B. I's. Lang was the leading pitcher. He pitched 5 innings and only allowed 2 runs.

The other pitchers were Jim Rudduck, who didn't have much luck as he gave up 7 runs in one inning, and Bob Yahnke who age Sale on Saturday, April 23, pitched to two batters. Even with the combination of

from 8:00 a. m. until 1:00 p. m. Carmean's hitting and Lang's pitching the Wolves could not hold out as they lost their first game 9 to 5.

#### HI-Y DRIVE BEGINS

Gary Robertson has announced that the Hi-Y will consider membership to any Sophomore, Junior or Senior boy.

The club, affiliated with the Y. M. C. A., has a meeting each Tuesday. Along with a business meeting there is a recreation period. Trips to the Y in Pontiac for some swimming and playing basketball in the C. H. S. gym. The club also has many pro-

jects to help their school and community. Any boys who believe they can meet the qualifications of the Hi-Y are invited to attend the next meeting.

U-M POLIO REPORT

BRIGHTENS HEALTH FUTURE The University of Michigan was unquestionably the medical center of the world last week. Every parent who for the past few years worried all summer long whether his child would be the next polio victim waited for the first official report from Dr. Thomas Francis Jr., U-M professor of epidemiology, on the value

of the Salk Polio Vaccine. When the word came, it rang throughout the world. Newsmen went wild, mothers and fathers actually wept, and physicians felt as if a boulder had been lifted from their hearts.

"The vaccine works . . . it is safe, effective, and potent." This lytic poliomyelitis." was the message, and it was as

Throughout the week tours of clear as a swiftly running trout

The meat of the Francis Report on the polio vaccine is found in a few paragraphs at the end. These paragraphs are undoubtedly the most widely quoted in all of scientific literature.

"From these data it is not possible to select a single value giving numerical expression in a complete sense to the effectiveness of vaccine as a total experience. . . (But) if the results from the observed areas are employed, the vaccine could be considered to have been 60-80 per cent effective against paralytic poliomyelitis."

The Report continued: "There is, however, greater confidence in the results obtained from the strictly controlled study areas."

"On this basis, it may be suggested that vaccination was 80-90 per cent effective against para-

That was it. This meant that

known medical experts on epi- lamp, Miss Zwemer explains that demic diseases, the University's the more light is diffused, the own Dr. Francis had decided that better the quality of light. The a child given the vaccine could "white" light bulb also has less expect an excellent protection a, glare when looking at it directly gainst paralytic polio.

The 80-90 per cent really means that 8 to 9 youngsters out of every 10 could be inoculated safely the metal support for the shade and effectively against the dread- and replace it with a broad harp

than an ordinary bulb.

To use the new "white" light

watts and a 50-100-150 watt

three-way bulb. They can also

be used in pin-to-the-wall lamps

and the small floor type lamps.

Including production of sand

and gravel, Michigan has mineral

bottom diameter of 16 inches.

Now that the Francis Report medical history, not soon to be forgotten, the future is something to wonder about. The Report nowhere said polio has been licked; it merely stated that paralysis from polio may become a thing of the past.

But like a sudden shift of wind, the frenzied enthusiasm over the report shifted to Washington, D. C. The question now is, "Will there be a black-market in the vaccine?" The problem weighs heavily on the Federal Government, the family physicians, and local health officials.

The National Foundation for Infantile Paralysis, having purchased nine million dollars worth of the vaccine in advance as "a calculated risk", has promised to inoculate all children free who participted in the field trials but who received "dummy shots".

The University of Michigan, however, through Dr. Francis and his staff, has done its job. And citizens of Michigan can be very proud.

#### LAMP SHOULD GIVE ENOUGH LIGHT, CHARM

A table lamp may add charm to your living room, but if it does not give enough light, it does not serve its real purpose.

To remedy this light problem. Eyelyn Zwemer, of the home management and child development department at Michigan State College, suggests using the new R-40 "white" light bulb.

She explains that it is more expensive than ordinary bulbs because of an extra coating of powder on the inside and so is worth the extra cost.

This coating makes for greater diffusion of light and often elim-

one of the world's most widely instea the need for a bowl in the industries in all but 4 of its 83 counties.

Elsie M. Smith, Notary Public.

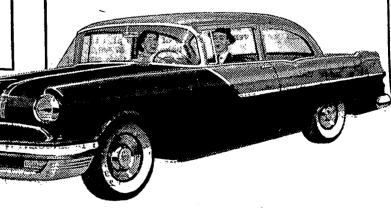

My Commission Expires February 1, 1957

Here are the Three Greatest New-Car Values in America!

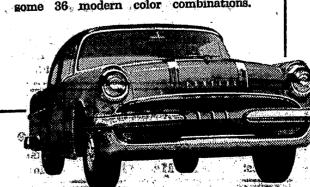

THE FABULOUS STAR CHIEF-It's luxurysized. The roomy body is mounted on a 124" wheelbase. It's luxury-powered. The Strato-Streak V-8 puts 200 horsepower up front. It's luxury-styled. Fabrics and interior appointments match those of the highestpriced cars. It's beautifully distinctive-way out front for future-fashioned smartness. And it's a Pontiac-which means topmost reliability, thrift and resale value.

THE FUTURE-FASHIONED 870-Here's a car outstanding in every way. Outstanding in performance with exclusive Strato-Streak power. Outstanding riding ease with a long wheelbase unmatched at the price. Especially outstanding in the wonderful way it handles and responds with passing power. For luxurious driving at modest cost you simply can't do better.

THE SPECTACULAR 860 Here's a king-sized car with a 122'

wheelbase, and 200 horsepower, for less than many models of the lowest-priced lines and much less than stripped economy models of higher-priced makes. Beauty? Just look! And remember-you can choose from 4 luxurious interiors and some 36 modern color combinations.

All with the history-making 200-H.P. Strato-Streak V-8 Engine!

Every Pontiac has the Strato-Streak V-8, one of the most efficient power plants ever developed. Here's more take-off punch, more passing drive and more years of smooth performance than you have ever enjoyed in any car within hundreds of dollars of Pontiac's low price range. And that applies whether you decide on 180 horsepower or specify the optional power-package for 200 horsepower. Either way you get topmost power per dollar.

CHALLENGE FACING RURAL, CHURCHES

The place of the laymen is significant if we are to save the church in rural America, declared a national church officer at the third annual Michigan Methodist Men Leadership Conference at Michigan State College, April. 16. WILLIAM HOWARD STAMP, The conference attracted 1,025

delegates. Dr. Glenn F. Sanford, of New York, superintendent, Town and Country Methodist Church, decared also that "the challenge of the Rural Church is great".

Know the difference between spice and an herb? Spices are the roots, bark, stems, leaves, buds or fruit of plants which grow in the tropics. Herbs are leaves of plants which grow only in temperate zones.

A large egg is not necessarily grade A, explain Michigan State College food specialists. Grade indicates the quality of the yolk and the white; whereas large, medium and small tell the weight of the egg.

## ELECTRIC COOKING difference makes the

And what a difference! Bottoms of pots and pans are never blackened, so they never have to be laboriously scoured. You see, electric heat is clean as light. Become a carefree electric cook!

# FACTS PROVE IT!

GET THE FACTS ON "ALL 3" LOW-PRICE CARS AND YOU'LL HAVE PROOF PLYMOUTH IS FIRST:

FIRST IN SIZE—By actual measurement, the 1955 Plymouth is the longest car of the low-price 3. (It's even bigger than some medium-price cars.) Plymouth is truly a big car ... 17 feet long!

FIRST IN ROOMINESS-Plymouth is also the biggest car inside, with the greatest hip room and leg room. More comfort for you! And Plymouth's trunk, by far the largest in its field, lets you pack practically everything.

FIRST IN VISIBILITY—Comparison proves that Plymouth's glamorous new Full-View windshield—with cornerposts swept back both top and bottom-gives you the greatest visibility of "all 3."

FIRST IN BEAUTY—Compare styling and see why Charm, a leading fashion magazine, chose Plymouth "Beauty Buy of the Year." Plymouth's long, sleek Forward Look wins over the hand-me-down styling of the "other 2." FIRST IN ECONOMY-Smoothest and

thriftiest engine of all! That's Plymouth's fast-stepping new 6-cylinder PowerFlow 117. Its Chrome-Sealed Action gives you extra thousands of trouble-free miles. FIRST IN COMFORT—Plymouth offers

you the most comfortable ride you ever experienced in a low-price ear. Only the biggest car in the lowest-price field can give you true big-car riding comfort.

FIRST IN EXTRA VALUE-Plymouth gives you many extra-value features that the "other 2" low-price cars don't have. Come in today and let us show you why Plymouth is first for value!

Why pay up to \$500 more for'a car

smaller than Plymouth?

Don't be fooled by the claims of so-called medium-price cars that they cost practically the same as Plymouth. When you compare price tags you'll find that, model for model, Plymouth sells for much, much less than mediumprice cars, and gives you more car for your money!

BEST BUY NEW; BETTER TRADE-IN, TOO!

FIRST CHURCH OF CHRIST, SCIENTIST

Oxford, Michigan Sunday School 11:00 A. M. Sunday Service 11:00 A. M.

Man's God-given dominion over the bondage of fear will be brought out at Christian Science services Sunday.

The Lesson-Sermon entitled 'Probation After Death", will include the following from the King James Version of the Bible (Hebrews (2:9,15): "But we see Jesus who was made a little lower than the angels for the suffering of death, crowned with glory and honour; that he by the grace of God should taste death for every man. . . And deliver them who through fear of death were all their lifetime subject to bondage."

Among the correlative passages to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy is the following (426:16): "When it is learned that disease cannot destroy life, and that mortals are not saved from sin or sickness by death, this understanding will quicken into newness of life. It will master either a desire to die or a dread of the grave, and thus

destroy the great fear that besets mortal existence.

> time-saver lists the following ingredients: 9 cups sifted all purpose flour or 10 cups sifted cake flour, % cup double acting baking powder, 1 tablespoon salt, 2 teaspoons cream of tartar, ¼ cup sugar and 2 cups shortening. Stir the baking powder, salt, cream of tartar and sugar into the flour and sift them three times together. Cut in the fat until the mix is the consistency of cornmeal. Store the master mix in a covered container at room temperature.

To measure the master mix for use pile it lightly into a measuring cup and level it with a spatula. Miss MacDougall recommends using cake flour and an emulsified fat if you use the mix for cake baking. Read the labels on the shortening cans to be sure it is emulsified. Cake flour and this type of fat are musts when making cakes.

Many of the recent commercial cook books give directions for variations of commercial or homemade mixes, says Miss Mac-Dougall.

# Here's why Chevrolet out-V8's everybody!

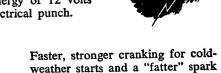

These features and advantages are the measure of a truly modern V8 engine . . . and only Chevrolet has them in the low-price field. Most aren't even found in high-priced cars. That's why Chevrolet is stealing everybody's thunder with the most modern V8 on the road!

motoramic

#### Modern 12-volt electrical system! The only car in the low-price field

with the extra energy of 12 volts ... twice the electrical punch.

for faultless high-speed operation.

Highest standard compression ratio in its field! Chevrolet's compression ratio is 8 to 1, to wring every possible ounce of power and extra miles out of every gallon.

oil change!

Requires only four quarts of oil! Chevrolet's V8 engines are so efficient they need only four quarts of oil . . . so you save money on every

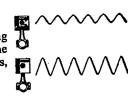

Highest horsepower per pound! These great V8's weigh far less than any similar engine in America, top the low-cost field in power per pound!

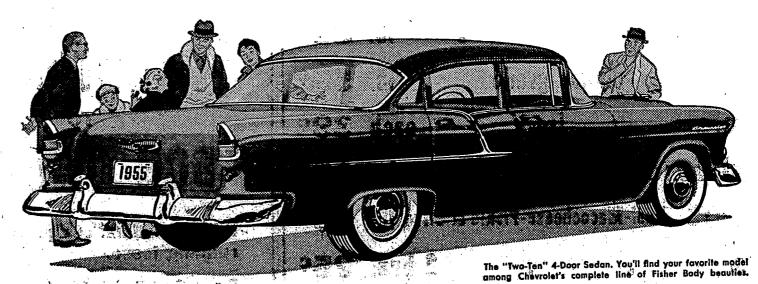

Shortest piston stroke in the industry! Three-inch stroke reduces cylinderwall friction, generates less heat, permits more compact design.

The pistons do far less traveling per mile . . . that means less engine wear, lighter loads on bearings, longer life.

It's the valve-in-head V8 as only the valve-in-head leader can build it!

ANY V8 Until You've Tried Chevrolet's Record-Smashing "Turbo-Fire V8"

Most Modern in Design - Lowest in Price
