#### Township Responds Vaccine Clinics **To Cancer Fund** Running Smoothly

Independence Township opened its heart and its purse last week and gave the gratifying sum of \$1,536.77 to help in the fight against cancer. April was the month chosen by the American Cancer Society for its drive to raise funds and to teach sound facts about this disease through free literature, films, speakers, radio and TV, posters and programs.

Over forty earnest women in their work and went out to help accomplish this nationwide task.

' It isn't fun to go to your friends and neighbors and ask for money! But, not only did they ask for money, they also collected old, white materials-sheets, white shirts, &c-to be made into bed jackets and pads for distribution by the Cancer Center. And most important of all they gave information that may save lives.

the whole community.

Several people have suggested that we open a workroom here in the Community Center where women can go to sew pads, jackets. &c. If enough are interested this can be done. Phone or drop a card to Mrs. Robert Waters or Mrs. John Stageman if you are interested.

## **Rotary Club News**

The Clarkston Rotary Club held its regular business meeting on Monday evening. Circumstances prevented the special speaker being present. However, the members were glad to hear a short resume of the lives of Birtsas, son of Mr. and Mrs. Nich-Fred Gettel and Frederick P. Warrick as told by them.

The Rotary Anns served a delicious dinner.

# The Birds **And The Bees**

on the go. The weed and the flower are

fighting to grow. We look at each blossom and visualize there

How God in His greatness with

love and with care Created their beauty and fra-

grance for trees To attract to their branches the

birds and the bees.

Few of us will give any time to the thought

Of the miracle planning the Master has wrought,

But few can be bothered to study the plan

That God has created for nature and man. If man believes life should be

comfort and ease,

He should study the lives of the

birds and the bees. There is work to be done and the

hours are few, While the buds on the trees are fragrant and new.

There are nests to be built and babies to hatch,

Worms that need eating and heetles to catch.

Each day is a challenge for life in the trees

As God sets in motion the birds and the bees.

**Local Club** 

During the year the program second grades, together with the ed by the leader, Mrs. W. S. Barrows, assisted by members, Cooley and Mrs. Ralph Walton.

The lessons included: Crafts learned at summer camp. The women enjoyed painting wooden trays, etching aluminum trays, doing Italian hemstitching and putting rush seats in chairs. Facts, Fads and Frauds about foods was presented by Miss Roberta Hershey of Michigan State College. This lesson was also presented to the Rochester group. Several workshops were especially favored by the women—the Christmas workshop offered many suggestions for gifts, table arrangements and gift wrapping ation, Dr. Heustis said that when and this was so appealing that one county unexpectedly started the lesson was given at a meeting of the Clarkston Pioneers and at Rotary Anns. The other workshop covered gifts and small details to make the home more attractive and various youth clubs were guests at each work-

The district had an opportunity to take advantage of the Cardiac essons given at the Clarkston Methodist Church and taught by Miss Florence Rann of Michigan State College.

Other interesting lessons were: hat remodeling, sewing new fabrics and cleaning rugs and up-

Mrs. George Perry, Mrs. Joseph Hubbard and Mrs. Glenn Boner were among the women who displayed rgus at the Hooked Rug Show at West Bloomfield Community Center on April 6.

The Slip Cover Workshop was held at the Clarkston Community Center under the supervision of Miss Jessie Marion of Michigan State College, with many of the Clarkston members participating. A gift was presented to the Center to show appreciation for the

use of the building. The club also helped with the Bloodmobile, the Mobile Chest X-Ray and other civic activities.

Today, May 5, is Achievement Day. The program takes place where in this paper.

The next meeting of the local group will be on May 10 at the Community Center at 10:00 a. m. when Mrs. Walton who has just returned from visiting the United Nations in New York will present "Know Your United Nations". There will be a sack lunch at noon. In the afternoon the group will visit Mrs. Ira Snader's studio where they will learn something about ceramics and china painting. Guests are welcome at this tice

meeting. The final get-together for the year will be a TV party at one of the Detroit studios.

The club is planning to send Rev. Marshall Saunders, Minister two members to camp at Waldenwoods June 5 through 7.

The Clarkston Home Demonstration Club wishes to thank the Plan on being there, there is a Community Center Board for the use of the downstair rooms, Kelleys Hardware, McNeil's Garden Center, the Cemetery Association. The Clarkston News and all who have helped to make

the club year a success. Mrs. Merritt Cooley, who has is grateful for the cooperation P. M. of the members, the leaders and problems and in making her term of office a happy and profitable one.

#### WELFARE SOCIETY SPONSORS THRIFT SALE

#### SOIL STEWARDSHIP SUNDAY, May 15

The Oakland County Soil Conservation District is encouraging all priests, ministers, and rabbis to observe Soil Stewardship Sunday, May 15, in their parishes so that people throughout the county will recognize the importance of one of God's great gifts

to man-Our Soil.

Keith Middleton, chairman of the Board of Directors of the District, states that "The Oakland County Soil Conservation District was formed to aid Oakland County landowners and operators in conserving their soil and water resources. This year for the second consecutive year we are enlisting the aid of the church officials and church members in this vital job of stopping erosion and waste of our soil and

water." Throughout history the rise and fall of various civilizations can be reflected back to the care taken of the land. The progress of our nation requires that the stewards of our land recognize the need for controlling erosion and water wastage, for from our soil all life is physically nourish-

The Oakland County Soil Con-

servation District has obtained and delivered to clergymen throughout the county copies of booklet entitled "Soil Stewardship Sunday". This booklet contains comments from leading clergymen through the nation explaining the value that their organizations put on soil stewardship. Clergymen who did not receive copies of this booklet, but who desire to have one, should (continued on page 6)

ments of the middle-aged woman. Middle age has been designated as starting at various ages, but all women over 35 will be vitally interested in the discussions. Mrs. Mary Hixon and Mrs. Frieda Bennett, home demonstration agents for Oakland County are

# NEIGHBORING DISTRICT

Voters in the Lake Orion Community School District will go to the polls next Monday, May 9, to vote on two Propositions made necessary by rapid expansion of school-age population in the area. The district includes portions of Independence and Brandon

Townships. One proposition will approve the issue of \$1,500,000 in 25-year bonds to finance a new high school and eight additional elementary rooms. The other will authorize a 3-mill tax increase for school operation for a sixyear period. The combined increases will not materially raise taxes in the district, because money has already been accumulated to retire the bonds on the Blanche Sims elementary school built six

vears ago. In Independence Township, the total increase in taxes per \$1,000 of assessed valuation will be \$5.62 per year; in Brandon Township, \$5.93 per year; and in Orion Township, \$7.16 per year. This is on the State Equalized Valuation basis.

The polling place is at the Orion Township Hall, 571 South Broadway, Lake Orion (Highway M-24), and polls will be open from 7:00 A. M. to 8:00 P. M. Orion Township voters west of Joslyn Road will vote at Gingellville fire hall. All voters may cast ballots on the tax increase, while only property owners (including husbands and wives) may vote on the bond issue.

place. Her declamation was 'T Speak for Democracy".

Following the declamation, extempore speech was held. Dick Brayton spoke about the AFL-CIO merger and its probable effect on our economy. He placed first. The second place winner was Ron Johnson of Clarkston. His speech was, "Does the United States have an Obligation to Defend Formosa?"

Clarkston didn't have any contestants in interpretative reading. Rosalie McDermott from Shrine High School took honors in that division.

Northville placed the top two spots in oratory. Fraute Shaefer. Barbara Lounsbury took fourth a German exchange student, won

first place, and Ken Kregel fin- science hall and it was in here ished in second

After lunch in the school cafeteria, the humorous readings were held. Leanna Doensen, Northville, took first place, Laura Ruggles from Clarkston finished in third. Her selection was, "So Long, Brother".

The schools participating in the contest were: Clarkston, Clarenceville, Farmington, Lake Orion, Northville, Shrine, Southfield, Walled Lake and Waterford High Schools.

#### GOLF MEET

On Tuesday, April 26th, the Clarkston Golf team met the Keego Harbor Golf team. The meet was held at Pontiac Country Club. Carkston was defeated by approximately 20 strokes. The Wolves team is seriously affected by the less of its number one man, due to illness.

The next meet is scheduled for May 6th with Holly.

#### SPRING HOP

The dance was held in the Clarkston High School Gym on Friday night, April 22. It was a record dance that quite a few people attended. The Freshman class made \$24.00 profit.

#### CLARKSTON DROPS MEET TO MILFORD

Clarkston lost its third meet of the season to Milford High School in Birmingham and returned

The Wolves were at a big disadvantage as many of the track members were playing a baseball man speak on narcotics.

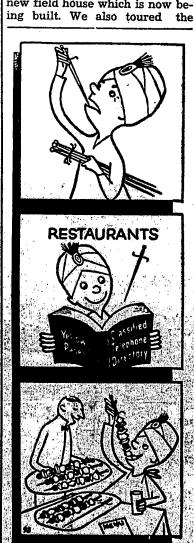

Here are some of the statistics on the few races we did win: 3rd; 100 yd.—Swayne, 2nd - Pelham, 3rd; low hurdles—Bentley, 2nd; high hurdles—Campbell, 1st-70 yds.-time, 9.9; mile-Fortin, 2nd; broad jump-Johnson, 2nd; high jump—Campbell tied for 2nd; 440—Landon, 3rd; 880— Vess, 3rd; pole vault—Campbell tied 4 ways for 2nd.

Clarkston only took one first. They didn't place in the shot put and lost both relays. Clarkston couldn't overcome Milford's big lead as they dropped a league meet to Milford by a large margin of 81 to 28.

#### FUTURE TEACHERS CONFERENCE AT MSNC

On April 28, 1955, Michigan State Nomral College held a conference for the Future Teachers Clubs of Southeastern Michigan. There were clubs there from as far north as Almont and as far west as Pottersville. There were about 975 future teachers and club sponsors there for the

The program was as follows: Registration at McKenny Hall followed by a mid morning snack in the Home Economics Department at Welch Hall; 9:45 meet the Normal Lites in Pease Auditorium. The Normal Lites were important people at the college such as President of the College, Mr. Elliott; the Dean of Women, Miss Susan Hill; the Dean of Men, Mr. Brown; the Registrar, Mr. Marshall, and many others. 10:15, tour of the campus. Each group had a guide to take them on tours of the campus. Some of the interesting things we toured were the dormitories, library, gyms, and the new field house which is now be-

where we saw a tropical garden. n this garden was the famous banana tree and some Spanish moss and many other tropical 12:15, lunch—dormitories and McKenny Hall: We had fortyfive minutes for lunch. 1:00, visit

classes. They gave us a choice of classes to visit. We could visit classes from one to two o'clock. 2:00 Future teachers quiz the

Department Faculty - Student Representatives. This was the ending of the conference.

We all had a good time and enjoyed it very much.

#### BIOLOGY CLUB

The Clarkston Biology Club sponsored by Mr. Thomas, went on a trip to Cranbrook on Wednesday, April 27. The group of ten students and Mr. Thomas left school at the end of 2nd hour and returned during sixth hour. Following a tour of the various school buildings, one of the schoolmasters told us about their work in the science field. He The Freshman class sponsored showed us the chickens that they dance called the Spring Hop. had been experimenting with. They had been working with the same strain of chickens for 28 years. During this time they have perfected a downless chick and have taken the brooding instinct out of the chickens. At this time they are working with hormones and are having success in desexing the chickens. After an extremely interesting tour of the Science Institute, we ate lunch home

> The Biology Club is planning many field trips this spring. Next week they are going to have a

LIONS SPONSOR

The first Home Show ever held in Rochester is being planned for Friday, Saturday, and on good soil.
Sunday, June 3, 4, and 5, under 5. Plant early, (May 5-10). the sponsorship of the Rochester Lions Club. The show will be housed in a huge tent erected

200 lbs. of 5-20-20 at planting. on Halbach Field in Rochester. Side dress 40 lbs Nitrogen to acre Enthusiastic response to date at last cultivation. If no legume sod or manure is used, side dress from local business places indicates that almost every line in 80 lbs. Nitrogen per acre. the Home Furnishing and Home Building Materials fields will be represented.

The gigantic tent which will house the exhibits and the refreshment stand will be 340 feet long and 40 feet wide. In addition local automobile dealers are contracting for outside show space.

The Rochester Lions Club is sponsoring the show and will use any income to continue its various charitable, community and civic enterprises.

#### CORN CONTEST TO BE HELD

Oakland County's most important field crop is corn. According to the latest figures available, the average yield is only 42 bushels per acre. The Oakland County Agricultural Extension Service feels that most farmers using improved practices should be shooting for 75 bushels per acre. If farmers can come close to this average, over 1 million dollars additional income will be produced in Oakland County. Some farmers in Oakland County are now raising over 100 bushels per acre. To stimulate interest in higher corn yields a corn growing contest is being sponsored jointly by the Pontiac Junior Chamber of Commerce and the Oakland County Agricultural Extension Service. Those who enter the contest will be honored by a tour of Pontiac Motor Company followed by a luncheon at which time a cup will be presented to the winning grower This is to be presented by the Junior Chamber of Commerce. The afternoon will feature a tour of corn growers.

Entry blanks and rules are available at 1260 West Boulevard, Pontiag. Those entering the contest will plant 1 acre of corn for the contest and follow recommended practices by the Oakland County Extension Service. It is felt that when farmers can see what higher levels of fertilizer and other improved practices can do for one acre, they will be wiling to try it on their whole corn acreage the following year. A recipe for good corn yield is as follows:

1. The fall before planting use a field cultivator on sod to be

2. Use 8 to 10 loads of manure per acre. (If no manure, plow down 400 lbs. of 12-12-12 per

# BASIC REASONS FOR PONTIAC'S RECORD-BREAKING SALES

## PONTIAC COSTS LESS THAN ANY CAR **EQUALLING ITS 200 HORSEPOWER**

If you delight in flashing performance, here's all the reason you need to join the record-breaking sands who are swinging to Pontiac. The 200 horsepower delivered by the economical Strato-Streak V-8 with the four-barrel carburetor, optional at extra cost, is the highest power ever delivered by a car at Pontiac's price - higher than that of cars costing considerably more. For thrift and thrills it's Pontiac all the way!

# PONTIAC COSTS LESS THAN ANY CAR Z. EQUALLING ITS LONG WHEELBASE

Model for model, Pontiac has a longer wheelbase than any car at its price, or any car delivering 200 horsepower . . . 122" or 124", depending on the Pontiac you select. That's size where it really counts-and it's important because a long wheelbase is the reason for Pontiac's smooth, roadleveling ride and the roomy comfort of Pontiac's large, luxurious Body by Fisher-advantages that put Pontiac on a level with far costlier cars for sheer riding pleasure.

# PONTIAC COSTS LESS THAN ANY CAR J. EQUALLING ITS LUXURY-CAR STABILITY

The big, husky Pontiac with rugged X-member frame gives you the safe, solid feel at cruising speeds that motorists have formerly paid high prices to enjoy. And it links this road-holding comfort with ease of control like that of costly sports cars. You travel in superlative comfort in a Pontiac for the lowest price ever placed on such big-car stability.

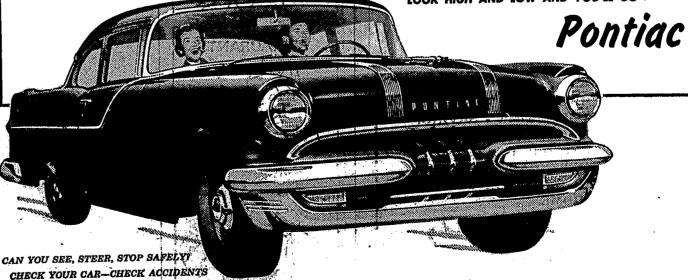

# PONTIAC'S DISTINCTIVE BEAUTY IS UNMATCHED AT ANY PRICE

Pontiac's style and beauty are a perfect match for its colorful performance. Future-fashioned lines, Vogue Two-Toning and Twin-Streaked hood provide dash and glamour unsurpassed by any other car at any price.

You can buy a big, powerful Pontiac for **J.** less than many models of the lowest-priced cars and much less than stripped economy models of higher-priced makes

Come in and let us fill you in on all the facts and figures. We know you'll be pleased to see how little it costs to enjoy the pride and pleasure of fine-car ownership!

Punch-line to the year's hottest power story-

# Chevrolet "Turbo-Fire V8"!

This is the engine that's writing a whole new chapter in the book of automobile performance records. This is the engine that has stock car timers doing a "double take" at their stop-watches wherever experts gather to compare the abilities of the 1955 cars.

For example, in the recent NASCAR\* stock car competition at Daytona Beach, Florida, Chevrolet literally ran away from every other car in its class—and a raft of others besides. In the one-mile straightaway run for low-priced cars, the first two places—and six of the first ten—went to Chevrolets. And in acceleration runs from a standing start against all

comers, Chevrolet beat all other low-priced cars-and every highpriced car except one!

What's behind this blazing performance? A compact honey of a V8 that only the world's leading producer of valve-in-head engines can build. Chevrolet's new "Tur-bo-Fire V8" has the shortest piston stroke in the industry (that means less piston travel...longer

engine life)! And it delivers the highest power per pound of any V8 in the low-priced field. It's so efficient that it requires only four quarts of oil instead of the usual five ... needs less radiator cool-

ant, too. It's the most modern V8 under anybody's hood!

It puts a new kind of fun in your driving life. You're in charge of 162 high-spirited horsepower-or if you're looking for even more excitement, the new "Super Turbo-Fire V8" (optional at extra cost) puts 180 h.p. under your toe!

Pick the one you'd rather have fun with, then come in and get behind the wheel. You'll see why the Motoramic Chevrolet is showing its heels to everyone else on the road!

No other low-priced car has any—no high-priced car has all—of these great Chevrolet features!

#### ADVICE TO TROUT FISHERMEN

The State Health Department today had a word of advice for trout fishermen. If you run into poison ivy, the health department said, lather with strong laundry soap, let the lather dry and then rinse. This often helps curb the poison. If irritation and discomfort continue, "be sure to get in touch with your doctor", the health department added.

Vegetable salads can be garnished with watercress, mint, parsley, pimento, grated raw carrot or sliced olives.
