Work Progresses On Athletic Field

The lighted athletic field could wait no longer for the long overdue rain, so on Monday afternoon some of the firemen came up and soaked the seeded and graded field to start the grass germinating.

Last week several men from around town and some students came up in the evening and gave the field a final going over.

In addition to the names listed last week, Fred Turek and Max Souby should have been included. They have contributed a great deal in working on the lighting plans. Jim Gardiner donated his time and a trenching machine to do the necessary ditching. Many other people, too numerous to list, have contributed in some way. The committee wishes to thank all of these people for their fine support to date.

The steel fence posts have been set, and the fencing should be completed early next week.

This project will allow football games to be played at home where our people have the privilege of seeing the boys in action. It will provide a colorful opportunity for the local and visiting bands to display their talents. It will provide entertainment for worthy youngsters and provide a means where parents and friends can enter into the fun with the young people.

Almost every other community already has such a facility, even though many of the communities are smaller than ours. It is not too large a project. All we need is the support of the people in the area. The money raising committee will begin canvassing the area on Tuesday evening, May 24, for the purpose of raising the necessary funds to complete the project. Let's all get behind and become contributors to a worthy community improvement project.

The Committee

Mother At Eighty

She thought when she was thirty-five the time was short, she'd be alive. The doctor said her days were few. She should not plan new things to do.

But God had made a greater plan, Defying rules conceived of man, And gave her strength to live each day Her role in life she might well play.

She raised her family on the farm; She never lost her poise or charm; She loved the meadows green with sod; She loved her fellow man and God.

She carried water from the well; She helped with crops we had to sell; She baked our bread and made our clothes; She scrubbed each face and wiped each nose.

I've seen her from her duties torn To help her neighbor's baby born. I've seen her sew the long night through That I might have a shirt or two.

Those who've not known how much she prays For greater things and better days, Will never know what she has done To shed a light on everyone.

So God was kind and gave her strength To live her life to greater length Than man had thought could ever be. We know she'll live eternally.

21 Club Has Last Dance

The Twenty-One Club held its last dance for the season on Saturday night in the gym at the Clarkston High School. Fenton Weaver and his orchestra furnished the music.

The young people were quite happy and surprised when they found they did not have to pay any admission and they were treated to pop and potato chips without charge.

The committee in charge of the dance was composed of: Mrs. Robert Osgood, Mr. and Mrs. Paul Davidson, Mrs. Fred Turek, Mrs. Walter Wilberg, Mr. and Mrs. L. V. Cushman, Ed. Gunter, Howard Kieft and Walton Robbins.

These dances are sponsored by the Youth Committee of the Clarkston Community Women's Club. The committee expects to start the dances again in the fall.

Birthday Dinner At Masonic Temple

The Joseph C. Bird Chapter, O. E. S., will serve a Birthday Dinner at the Masonic Temple in Clarkston on Saturday, May 21st, at 6:30 P. M.

The public is invited and tickets will be available at the door.

Clarkston Local

Mr. and Mrs. Frederick Hemingway of 121 N. Main Street, Clarkston are the parents of a 6 lb 12 oz son, Gordon Ross, born Tuesday, May 10, at St. Joseph's Mercy Hospital. Grandparents are Mr. and Mrs. Clarence Ridgeway of Leonard, Mrs. Doris Bozek of Waterford and L. D. Hemingway of Clarkston.

MICHIGAN QUEENS ADVERTISE STATE

Four Michigan queens are spreading the word about the state's farm products this week in a tour which includes stops at Charlottesville, Virginia; Washington; New York; West Point and Boston.

Participating in the seven-day Michigan Week trip are Marlene Burch, 17, of Brant, the Michigan Bean Queen; Gail Krahnke, 19, of Charlevoix, the National Cherry Queen; Patricia Hanley, 18, of Dowagiac, the Michigan Blossom Queen; and Joanne Barrett, 18, of Lum, Michigan Dairy Queen.

They are being escorted by Joe E. Wells, administrative assistant of the Michigan Department of Agriculture, and Mrs. Wells, editor of the Coloma Courier.

The girls left Detroit last Saturday aboard the C & O Sportsman and arrived in Charlottesville Sunday morning. After touring by bus the University of Virginia, Monticello, and the home of President James Monroe, they left for the nation's capital.

The queens were guests of honor at a Monday luncheon sponsored by the Michigan Club of Washington. Among those attending were the state's senators and representatives, the Michigan press corps, and various notables.

George McIntyre, director of the Michigan Department of Agriculture, delivered the main address and Col. I. B. Brent, president of the Michigan Club of Washington, acted as toastmaster.

Those attending received a package of Michigan beans, donated by the Michigan Bean Shippers Association, and a bottle of maraschino cherries, donated by the Michigan Cherry Commission.

On Tuesday the queens participated in a tree-planting ceremony at the southeast corner of the Capitol lawn. A white pine, the official state tree, was planted. It was donated by the Michigan Nurserymen's Association.

Present were Col. Brent, serving as master of ceremonies, and Michigan legislators.

That afternoon the entourage traveled to New York City and the following day to West Point.

On Thursday, the queens will bring beans to the home of the bean when they pay Boston a brief visit. A pot of Michigan beans will be presented to a city or state government official as part of the Hub City activities.

The week's eastern tour will be climaxed Friday noon in New York with a special Michigan luncheon sponsored by the Advertising Club of New York. Mr. Wells, serving as principal speaker will introduce the four queens to the New Yorkers.

The four queens will return to Michigan by plane Saturday morning.

Special Service At St. Andrews

The Sunday after Ascension Day, May 22, two days before what would have been her thirty-first birthday, the many friends, relatives and fellow Chapel members of Ann Jossman Doremus (Mrs. Harold Doremus) will gather at St. Andrew's Episcopal Church for a service of dedication.

A beautiful, miniature altar, fashioned in blonde birch finish, complete with inscribed brass cross, vases and candlesticks, and a white silk dossal hanging, will be given to St. Andrew's Chapel at the 10:30 a. m. service, and dedicated for a Church School altar, to the glory of God and in loving memory of Ann Jossman Doremus.

The altar is the fruit of the craftsmanship of Mr. John N. Thompson, head of the Manual Arts Department at Waterford Township High School. Those who have seen it compare it favorably with professional church furnishing products of the finest sort.

The memorial began when many of her friends and relatives sent contributions in lieu of an overabundance of flowers at the time of Mrs. Doremus' tragic death from polio on September 21, 1954, after only three days illness.

She was serving at that time as President of St. Catherine's Guild of St. Andrew's Church. This Guild has as its objective the furtherance of work among children especially through the church school. Mrs. Doremus had taken a lead in widening the scope of the Guild program to include study and discussion groups on Religious Education.

The Memorial Committee, Mrs. C. E. Granfors and Mrs. William Baer, co-chairmen, early shaped their recommendations to the Guild, to provide for some way of perpetuating this interest in children and their christian education. The resulting Church School Altar, together with furnishings, housed in a sturdy, blond finish cabinet, will be something designed to last as long as there is a St. Andrew's Episcopal Church in Drayton Plains, or Waterford Township.

At the Service of Morning Prayer and Sermon, Sunday, May 22, when the dedication will take place, St. Andrew's 30-voice choir will sing "Lift Up Your Heads" by Dr. John L. Hopkins, under direction of Miss Yvonne L. McKenney, Choir Director and Organist.

Girl Scout News

Girl Scout Troop 390 met at the Methodist Church on Monday. We said our Pledge, Promise, and Laws. We had our business meeting. Our treat was popcorn and candy from Barbara Buzzell and Maureen O'Mara. We went on a hike to Green Acres for nature plants and other things for their scrapbooks.

Annual Dinner For Foster Parents

On May 25 the Annual Dinner which is given by the Board of Directors of the Michigan Children's Aid Society for the Foster Parents of the children under the care of the Society, will be held at the Waldron Hotel in Pontiac. An enjoyable program has been planned. The speaker will be Mrs. Myrtle Reul of Lansing. Mrs. Reul is a former member of the Department of Social Work of Michigan State College; was formerly with Michigan Children's Aid Society and besides teaching school she has been a visiting teacher and has been a Research Consultant in field of Child Welfare for Michigan United Fund.

"CIVIC PRIDE"

There are countless men and women in Independence Township who unselfishly donate their time and efforts to the improvement of general relations and conditions locally. At present there are a score of these same people who are devoting countless hours to the realization of a lighted athletic field. This is certainly a collective effort and success depends upon so many.

Have you done your part?

May Festival At Andersonville

The children of Andersonville Elementary School will present a program of folk dancing and games, assisted by the Junior Band, Friday afternoon, May 20, at 1:30 p. m. on the lawn at the school.

Folk dances from many countries will be highlighted by the native costumes of each country.

The Junior Band, under the direction of Mr. Bart Conners, will play two numbers. Participating members will come from Clarkston Elementary and Junior High and Sashabaw Elementary Schools. This is one of the few opportunities to hear this group perform.

It is hoped that you will plan to see the colorful costumes to be worn during the program. The children would like to have all of their parents and friends see them.

The program is under the direction of Miss Yvonne McKenney with the help of all of the room teachers.

Extension Club Goes To Hartland

The Clarkston Home Extension Club will meet at 12:00 noon on June 7th, at the Community Building for a pot-luck-luncheon. Each one is to furnish her own table service and a dish of food to pass.

Following the luncheon the group will visit the Hartland Craft Center.

Women's Chorus At Sashabaw

A treat is in store for folks in this area when the Pontiac Women's Chorus comes to the Sashabaw Presbyterian Church on Tuesday evening, May 24th.

The concert will start at 7:30. The director, Charles E. Hutton, is well known in the Clarkston area as he, at one time, directed the Clarkston Community Chorus which presented concerts in several areas. The accompanist for the Pontiac Women's Chorus is Dorothy McKibben.

The program at the Sashabaw Church will include sacred, secular, popular and comic numbers. The members of the chorus will be in formal attire.

There is no set charge for the concert, but a free-will offering will be taken with the proceeds going into the organ fund.

The public is cordially invited to attend.

Clarkston Locals

Mrs. Mabel VanHorn spent a few days last week in Clarkston visiting Mrs. Ira Jones and other friends.

Mr. and Mrs. Herbert Baynes of Clarkston and Mr. and Mrs. Charles McClelland of Grand Blanc arrived home last week after a visit in Valley City, N. Dakota, with Mr. and Mrs. Duane Anderson (Lois Baynes). After a week in Dakota the two couples started the trip homeward. They visited Porcupine Mountain, Victoria Dam, Rockland and other places of interest. They arrived at Hubbard Lake and spent a few days there before returning to their homes.

Rotary Anns To Elect Officers

The Clarkston Rotary Anns will meet at the home of Mrs. Earl Terry, 49 S. Holcomb St., on Tuesday evening, May 24, at 8:00 p. m. Election of officers will be held and all members are urged to be present.

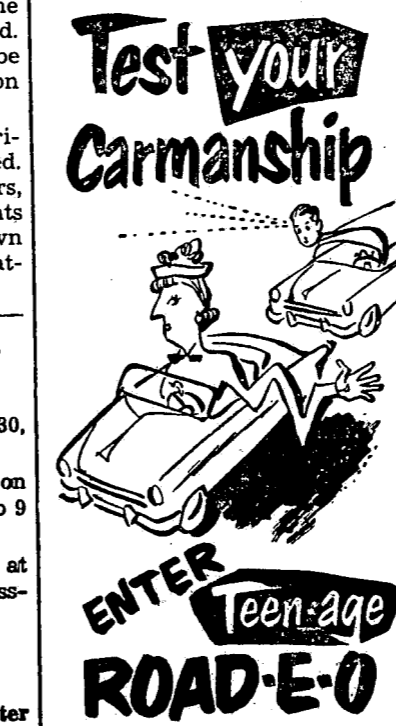

"REWARD"

Yes—a reward of achievement can be yours. Final arrangements must be made for a lighted athletic field for the Clarkston High School and your contribution can complete this noteworthy project.

Local Road-E-O Sunday, May 22

May 22 is the date set for the Waterford Teen-age Road-e-o to be held in Drayton Plains, Robert Klingman, chairman of the Junior Chamber of Commerce event, said today.

All teen-agers, boys and girls, who hold a driving permit or a

license are eligible to enter this safe-driving event. The local winner will go on to the state contest in East Lansing on June 4 to compete for a place in the national contest.

One youngster from each state will take part in the National Road-e-o July 25-29 in Washington, D. C., to compete for \$3,000 in scholarships. The national contest is sponsored by the U. S. Jaycees, Liberty Mutual Insurance Companies, and the American Trucking Association, Inc. Robert Klingman said application blanks for the local Road-e-o can be obtained at the Waterford, Clarkston, Keego Harbor and Ortonville High Schools. Entries can be turned in at these points or brought to The Clarkston News Office.

Local Engineer Talks To Rotarians

Real estate in this area is gaining in value and interest. Property is being developed and subdivided. Therefore the speaker at Rotary on Monday was a registered engineer who is busy preparing the engineer's work on these developments, Rotarian Howard M. Kieft of our own Clarkston. Presented in a factual manner, the steps taken to reach the final approval of the Veterans Administration (VA) and the Federal Housing Authority (FHA) were far more complicated than placing a subdivision on record in the days gone by.

The land is now tested for seepage to see if septic tanks are feasible. And now the streets are blacktopped and a central water supply is included to make the property more liveable. It was a fine subject, ably presented, and of timely interest.

The dinner was served by the Mary Circle of the W. S. C. S. of the Methodist Church.

Pioneers Observe Michigan Week

Because of Michigan Week the members of the Clarkston Pioneers Club will receive a special edition of their monthly newsletter with one page devoted to the early history of Clarkston.

The regular meeting on May 26 will be at the Community Center at 12:30. Following the noonday snack, a special guest, Mrs. Ira Snader will exhibit some of her china painting and ceramics. She will also hold a workshop and be assisted by some of her pupils—Mrs. Fred Steiner, who is a new Pioneer member, will exhibit some of her ceramics and Mrs. L. D. Riley will show some of her art work.

Those having birthdays during May will be honored at the luncheon.

By The Way . . .

Perhaps the largest part of Independence Township lies east of Clarkston. Hence the greatest building activities are on the east side of the Township. The property being developed is being brought up to the FHA and VA standards which include a central water system and blacktopped streets. Fire protection is secured by numerous hydrants. Even the soil is tested for seepage. As Red Buttons would say: "Great things are happening" . . . A salute this week to brother publishers Henry Congdon and his good wife, Myrtle. At the age of 77 he steps down after 57 years of managing and owning The Oxford Leader. Henry believed in work and a ten to fourteen hour day was nothing for him, and his week was always six days. May the golden years be kind to Henry and Myrtle. . . . Even our conservative Clarkston State Bank is bursting at the seams and is forced to expand to meet growing conditions. The addition is going to be built on the rear of the Bank. . . . How many know that most of the septic tanks used in this territory are being built by Lytell and Colegrove on White Lake Road. It probably takes thirty thousand dollars to buy the hydraulic machinery, tractor and shovel, trucks to haul away excess dirt and the other heavy equipment to put in a septic system, but with this machinery the complete job can be done in two days. This is called progress. . . . Incidentally the Day Sanitary Service starts their adv. in The News this week. . . . Although our nose may have been inquiring a little (just a little because there is some hush-hush) it is expected a permit will be issued to build a small factory on White Lake Road near the Grand Trunk Railroad for the Frank D. Saylor & Son, Co. We hope we can give more news about this addition to the Clarkston area. . . . These pony motor bikes you see being driven about town are a product of the Hawk Tool and Engineering Co., of Clarkston. . . . Independence Township now has an active Justice Court, the first for some years. . . . A little needling might include a good meeting of smalltown merchants trying to encourage people to trade at home and then sending important hometown news items to the city paper rather than the home paper.

Firemen Get Badges And Diplomas

Last Thursday evening at Fire Hall No. 2 Dr. Tucker, representing the Township Board, presented 24 members of the Independence Township Fire Department with badges and University of Michigan Extension Service diplomas. These members had just completed a 30-hour course in Firemanship conducted by Captain Victor Bodamer of the Pontiac Fire Department.

For the rest of the summer the men will have practice sessions on Thursday evenings with monthly reviews and refresher courses by Captain Bodamer.

A new siren control has been installed which will blow the siren four times for fires and eight times for air raids.

The Clarkston Golf team traveled to Flint's Kersly Park on Friday, May 13, to participate in the Regional Golf Tournament. This was the first year Clarkston has played as a Class B school. Clarkston found out that the competition was a lot greater than it has been before. The team wasn't quite good enough to qualify for the state meet. Here is a list of the boys scores for the 18 hole tournament: Bill Shanks, 101; Bob Hall, 100; Roger Dubats, 112, Bill Junglas, 114.

The Clarkston Wolves met Milford High on Thursday, May 12. The game was very close up until the sixth inning when we got the winning runs in the seventh inning.

Yahnke pitched for Clarkston. He struck out nine and walked two. Lancaster, a sophomore, struck out six, walked nine and he allowed three hits. All of the Clarkston runs were unearned.

In the seventh inning Dick Johnston hit a single and Nelson walked. Johnston scored from second with two throwing errors. The three boys who got hits for Clarkston were Johnston, Yahnke and Lang.

Clarkston plays Holly on Monday and Clarenceville here on Thursday. The game with Clarenceville will determine the Wayne-Oakland Champions. We want to see a lot of kids at the game yelling for our team.

CLARKSTON QUALIFIES 3 FOR STATE MEET

The Regional track meet was held at Flint Central High School at 10:30 on May 14th. Three boys from Clarkston qualified for the State Finals. They were Bob Yahnke (pole vault); Doug Rortin, (mile) and Gordon Casscaddan (880). Here are the names, times and points taken at the meet.

Shot Put, Tebo, 40' 11", 1 point; High Jump, Yahnke, 5' 8 1/2", 3pts; Pole vault, Yahnke & Campbell, 10' 3" & 10' 0", 5 & 2 points; High hurdle, Campbell, 16.8, 1 pt; Mile, Fortin, 4:52.8, 5 points; 440, Holser, 87.1, 1 point; 880, Casscaddan, 2:08.5, 5 points.

Clarkston took 4th in the meet represented by 15 schools. The first four schools were as follows: Davison, 47 points; Fenton 31 points; Grand Banc, 26 points and Clarkston, 23 points.

The appearance of the school was improved on May 11th with a very successful clean-up day. It started 4th hour on Thursday and ended at 3:30. Within the short time, much was accomplished by the participating grades, which were the 10th, 11th, and 12th grades. The 10th grade was assigned to the general appearance of the grounds which included digging around the shrubs and mowing the lawns. The Juniors were to pick up rocks, papers and haul excess dirt from the grounds.

The Seniors were to paint everything not alive on the grounds. The Hi-Y Club accomplished a very successful achievement by putting poles around the parking lot.

CLARKSTON TAKES 2ND IN LEAGUE MEET

May 10, at 5:30 at Milford, the league track meet was run off. Milford had the most contestants and proved to have the strongest team. The other schools contending were Clarkston, Clarenceville, Keego, Brighton, Holly, and Northville.

Here are the statistics of what events Clarkston took: Shot put, Tebo, 4th place; high jump, Campbell, 3-way tie for 2nd, Tebo and Yahnke tied 5th; pole vault, Yahnke, 1st, 10' 3", Campbell tied for 2nd; broad jump, Casscaddan, 3rd, Carmean, 5th; high hurdles, Campbell, 2nd; medley, R. Johnston, G. Lang, L. Johnson, V. Carmean—we took 2nd; mile, D. Fortin, 1st; Bob Yahnke, 5th;

440, Holser, 3rd; 220, Swayne, 4th; 880, Casscaddan, 1st.

Clarkston couldn't overcome Milford, as they were greatly outnumbered. The final event left the scores at Milford 73, Clarkston 41 9/10, Clarenceville, 38 1/2, Keego, 23 1/5, Brighton 8 1/5, Holly 5 1/5 and Northville 0.

MICHIGAN WEEK MAY 15-21

The second annual Michigan Week, to be observed throughout the state, from May 15 to May 21, this year will spotlight the state's cultural life. The Michigan Week Cultural Committee is headed by President Harlan Hatcher of the University of Michigan.

Michigan Week is an annual event during which our citizens turn their attention to, and reflect upon the industrial, cultural and natural resources of the state, and examine thoroughly those assets which make Michigan a good place to live and work. In every community and county across the state, the Michigan Week program will be brought to the attention of everyone.

Some of Michigan's cultural firsts are: Tulip Festival in Holland; Cherry Festival in Traverse City; A tourist empire. Michigan boasts 4 national forests, 22 state forests, 57 state parks and recreation areas, 4,500 resorts and an annual tourist industry of over \$500,000,000. Michigan workers have put Michigan at the top in skills and productivity, and in this state are found 365 of the 451 different kinds of manufacturing in the United States.

Michigan has 12 Federal highways, 8 north and south, and 4 east and west in the lower peninsula. In the upper peninsula there are 4 Federal highways, 3 north and south and 1 east and west. We have 161 paved State Roads and network of improved county and township roads overspread both peninsulas.

Our highways are patrolled by the Michigan State Police. The State of Michigan has many colleges. Some are known throughout the United States, such as University of Michigan and Michigan State College. Altogether there are thirty colleges and nine Junior Colleges in Michigan.

Michigan has many more cultural firsts but listed are some of the more important ones. We live in a great state, rich in art and culture as well as in economic opportunities and great natural resources. It is fitting that

Michigan Week this year should celebrate our artistic resources along with the more material ones.

The fact that lasting beauty
is gained through spiritual un-
derstanding of God's radiance
and strength will be stressed at
Christian Science services Sun-
day.

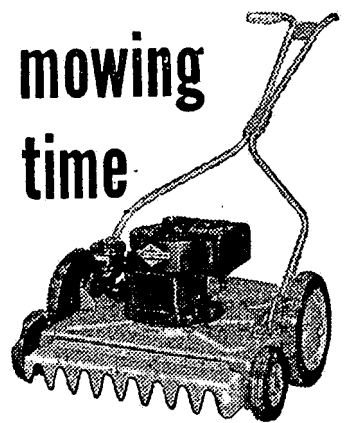

The Lesson-Sermon entitled
"Soul and Body" includes the
following verse from the Bible
(Psalms 96:6): "Honour and
majesty are before him: strength
and beauty are in his sanctuary."
Among the correlative passages
to be read from "Science and
Health with Key to the Scrip-
tures" by Mary Baker Eddy will
be the following (247:10-12, 13-
15): "Beauty, as well as truth, is
eternal; but the beauty of mater-
ial things passes away, fading
and fleeting as mortal belief. . .
Immortality, exempt from age or
decay, has a glory of its own,—
the radiance of Soul."

The Golden Text is from
Psalms (104:1): "Bless the Lord,
O my soul. O Lord my God, thou
art very great; thou art clothed
with honour and majesty."

"So your OK Used Car is terrific—
but do you have to sleep in it, too?"
You'll make all kinds of excuses to spend more
time in your OK Used Car. It's the kind of car
you'll drive with pride and confidence because
it combines handsome appearance and reliable
performance. Thoroughly inspected and recondi-
tioned, it's warranted in writing by the dealer.

Jacobsen
21" Lawn Queen
with "Tip-Toe"
ELECTRIC STARTER *

At last! A home power mower that starts as easily as your car!

Simply step on the new "Tip-Toe" starter — that's all there is to it — and the famous Jacobsen "Hi-Torque" engine purrs into action. Then move off to the smoothest, easiest mowing you've ever known. Yes, with this new starter, Jacobsen's popular Lawn Queen is more than ever "America's favorite power mower." Ask us for a free home demonstration, soon!

*Optional at extra cost. On the Lawn Queen only.

Remember

YOUR HOME NEWSPAPER

All matters handled through the Probate Court require a certain amount of legal publication in one of the county papers. Foreclosing a mortgage entails publication of the foreclosure notice in a county paper.

Either the probate court officers or your attorney will have your legal publication carried in The Clarkston News if you request it.

We solicit the privilege of carrying such legal publications. This form of advertising is valuable to us. When you support us in this way we are able to give you a better paper each week.
