

Waterford

Mrs. Cleo Going is convalescing in St. Joseph's Hospital following a goiter operation last Saturday morning.

Jerry Huntley entertained 15 young friends at an outdoor party last Saturday when he observed his 8th birthday. He is the son of Mr. and Mrs. Gail Huntley.

Mr. and Mrs. Gerald Craft and son of Richmond, California, are spending two weeks with their

parents, Mr. and Mrs. Stanley Craft of Williams Lake.

Mrs. Earl Schwalm was pleasantly surprised on her birthday last Wednesday evening when several of her neighbors and friends arrived at her home for a party in honor of the occasion.

Mr. and Mrs. Jack HaH attended the 25th anniversary party held Sunday at the home of Mr. and Mrs. Lewis Arscott in Rochester. The affair was given by the daughter and two sons of the Arscotts and was a

complete surprise to the honorees.

Mrs. Ellis Studebaker entertained 12 friends of her daughter, Margaret, last Saturday at a birthday picnic and party held at Dodge Park near Commerce.

The Ladies Auxiliary of the Waterford Community Church will hold an outdoor picnic at the home of Mrs. Arthur Davis on Thursday, July 7, at 12:30.

Chevrolet's special hill-flatteners!

162 H.P. V8
180 H.P. V8

See that fine fat mountain yonder? You can iron it out, flat as a flounder . . . and easy as whistling!

Just point one of Chevrolet's special hill-flatteners at it (either the 162-h.p. "Turbo-Fire V8" or the 180-h.p. "Super Turbo-Fire") . . . and pull the trigger!

Barr-r-r-r-o-o-o-oom!

Mister, you got you a flat mountain! . . . At least it feels flat. For these Chevrolet V8's gobble up the toughest grades you can ladle out. And holler for more. They love to climb, because that's just about the only time the throttle ever comes near the floorboard.

And that's a pity. For here are engines that sing as sweetly as a dynamo . . . built to pour out a torrent of pure, vibrationless power. Big-bore V8's with the shortest stroke in the industry, designed to gulp huge breaths of fresh air and transmute it into blazing acceleration.

So most of the time they loaf. Even at the speed limit they just dream along, light and easy as a zephyr, purring out an effortless fraction of their strength.

An engineer instantly understands why these V8's are so hyper-efficient . . . how friction is held so low they need just four quarts of oil instead of the usual five or more . . . how big valves let them "breathe" deeply for maximum power.

But you don't have to be an engineer to know that these are the sweetest running V8's you ever piloted. Just come in, slip behind the wheel, and point the nose at the nearest hill. These V8's can do their own talking . . . and nobody argues with them!

Keith Leak
Walton Robbins

Notice is further given, that the following propositions will be submitted at said annual meeting:

1. Shall the 20-year building and site sinking fund levy of 3 mills, which was voted by the Clarkston Community School District, Oakland County, Michigan, on September 6, 1951, be rescinded?

2. Shall the 20-year tax limitation increase of 3 mills, which was voted on September 6, 1951, by the Clarkston Community School District, Oakland County, Michigan, for the purpose of raising money for the building and site sinking fund, be made available during the remaining years from 1955 thru 1970 for the purpose of paying operating expenses of the school district, in the event that the electors of said school district vote to rescind the 20-year building and site sinking fund levy of 3 mills, which was likewise voted on September 6, 1951.

Notice is further given, that the polls will be open at said annual meeting, for voting for members of the Board of Education and for voting upon the propositions set forth above, from 7:00 o'clock A. M. to 8:00 o'clock P. M., Eastern Standard Time.

Notice is further given, that the general business of the school district will be conducted immediately following the closing of the polls at 8:00 o'clock P. M., Eastern Standard Time.

This notice is given by order of the Board of Education of said school district.

Dated June 28, 1955.

Attention New Home Owners:

Yours being an average American family, you will undoubtedly own a television set. Your used antenna or new one should therefore be properly installed by experts on your new home to necessitate a good installation that will add to the beauty of your new home. Custom installed antennas have a practical advantage as well as being neat appearing. We can install a COLOR-READY antenna of the highest quality, properly grounded, at a fair price, which we know will give the best service the year round.

Another feature available of custom-installed antennas is that we can install two or more down leads in the walls of your home that are attached to plug-in outlets. This means hidden wire, unexposed to the eye, ice and snow, which in turn lessens the possibilities of broken leads, and makes T. V. and furniture rearranging a simple task without the need of technical help and loosely strewn wire behind the set.

We have seven years' experience in the field of quality service and installations and can proudly boast of no fallen antennas, so have your antenna ready for use when you move in. Call us before you plaster if possible.

In hopes that we may be of service to you, we are,

From where I sit... by Joe Marsh

If You Can't Lick 'em - Join 'em

Just back from visiting with my daughter's family - and playing Grandpop to two of the cutest kids you ever saw. While there, I picked up a couple of new ideas on child raising:

If your child's learning to use a pen, provide an old fountain pen - filled with bluing. Looks and writes like ink, but won't stain clothes or furniture.

Maybe you have a boy, like my grandson, who thinks he's too old for a bib - but isn't. A big cowboy bandana works just as well, and looks he-man to boot.

From where I sit, getting along with children is like getting along with grownups - it requires an effort to see things from the other person's point of view. At any age, there's no accounting for tastes. Take my neighbor who keeps a parakeet and drinks hot coffee in the summertime. That seems strange to me... a man who's partial to hound dogs and a cooling glass of beer. But I'd be "childish" to say it was wrong.

THANKS

To all who patronized Morgan's Service Station at 28 S. Main Street since it was established January 5, 1932. We have appreciated your confidence and we hope that our service over these many years has given you satisfaction.

We congratulate the new station operator, Charles C. Rockwell and extend to him our best wishes in his new venture.

May all of our customers who made a habit of driving in at Morgan's Cities Service continue to do so. We are quite sure you will receive efficient and courteous service.
