Local Teachers Sorority Officers

On Tuesday of last week Alpha Delta Kappa, an educational honorary sorority, new to Michigan, instituted two Oakland County chapters, Epsilon and Zeta, at a ceremony held at Dearborn Inn. Forty pledges were initiated at this meeting.

Alpha Delta Kappa was formed for the purpose of stressing recognition for outstanding teachers. Its national headquarters are at Kansas City, Missouri.

Clarkston school faculty was well represented at this impressive ceremony. Mrs. Genevieve VanRoer, principal at Andersonville elementary school, was elected president of the Epsilon chapter and Mrs. John Landon, a member of the Andersonville teaching staff, was named one of the chaplains of the same chapter. Mrs. Gerald Burley and Mrs. Ethel Rowley of the Sashabaw elementary school staff were also pledges.

So Much And So Little

So much of all that matters most, Still stands here unmolested. God spread His wonders coast to coast, And nature's uncontested.

So much of things for man to see, That he might long remember, And all of these God gave for free In simple, natural splendor.

So much to learn of love and right, To make man's life worth living, The wondrous glory of the night And peace that God is giving.

So little thought on part of man, To all of nature's beauty, So much we cannot understand, Of righteousness and duty.

So little time to set aside For things of soul and spirit, So much we find we try to hide, Then hold it there, and fear it.

God, give us understanding, please, Thy blessing we might treasure, The Godliness of leafy trees, And such a world of pleasure.

Oh! let our souls their values sense, These simple things are precious, Let's free ourselves from problems tense, Enjoy the world about us.

Vows Spoken Saturday Evening

Last Saturday evening at seven-thirty Ellen Ann Snader and Richard Blackwood BeGole spoke their nuptial vows before about three hundred guests in Christ Church, Cranbrook, to the Reverend Perry R. Williams.

The bride is the daughter of Mr. and Mrs. Ira J. Snader of Clarkston and parents of the bridegroom are Mr. and Mrs. Ari M. BeGole of Birmingham.

The bride's gown of frosty white, embroidered organza featured a fitted bodice with a gallerie neckline of pleated tulle and tiny sleeves. The three-tiered skirt ended in a chapel-length train. Her three-tiered veil of silk illusion fell from a shell of matching embroidery. She carried a bouquet of white orchids and stephanotis.

Janet Ruth Snader was her sister's maid of honor and the bridesmaids were Mary E. Hellthaler of Flint, Patricia H. Parnell of Chandler, Arizona, Sara A. McBride of Scarsdale, New York, and Mary E. Vanker of Detroit. Their ballerina-length gowns of white organza were checked with blue and they wore blue headbands and blue shoes and carried rubrum lilies.

Peter Woodruff BeGole assisted his brother as best man and seating the guests were Robert D. Kerns of Utica, Michael Redfield of Birmingham, Charles F. Wise of Detroit and Richard L. Sanderson of Oak Park, Illinois.

Following the ceremony a reception was held in the Guild Hall of the church.

For her daughter's wedding Mrs. Snader chose a waltz-length gown of gray Chantilly lace over pale pink peau de soie, a small jeweled hat of gray and pink and to her gray purse she pinned a pink cymbidium orchid. Mrs. BeGole was in leaf green silk marquisette with matching green velvet accessories. She too had a pink cymbidium orchid on her purse. The groom's paternal grandmother, Mrs. Grace BeGole, wore a waltz-length gown of gray chiffon, a gray hat trimmed with pink roses and on her gray purse was a purple-pink glabella.

When the newlyweds left for their honeymoon to the Homestead, Hot Springs, Va., the bride was attired in beige tweed with beige hat and brown accessories. At her shoulder was a corsage of cymbidium orchids.

The young couple will make their home in Boston for one year while Mr. BeGole continues his studies for his master's degree in Business Administration at Harvard.

Word comes from Arcadia, California, of the marriage of Marianne Hildebrand and Charles Morrison of Alhambra, California, on Sunday, June 19th. The bride is the daughter of Mr. and Mrs. Otto Carl Hildebrand of Arcadia. Many in the Clarkston area will remember the Hildebrands when they lived on the Waldron farm a few years ago. As soon as the bride and groom returned from their wedding trip to Michigan Mr. and Mrs. Hildebrand left for Germany to visit relatives, some of whom they hadn't seen for 24 years.

State Fair 'Old Timer'

At age 8, Dan McInnes of Hadley, Michigan, is an "old timer" as far as exhibiting at the Michigan State Fair is concerned. The youngster has been showing rabbits for five years—since age 3. Here he is getting ready for this year's State Fair, Sept. 2 through 11.

Pioneers Meet For Picnic Today

The Clarkston Pioneers meet this afternoon for their August picnic on the spacious grounds at the Jack Chisholm home on Miller Road. A picnic luncheon will be served at noon. Birthdays of the following will be recognized: Miss Floss Hubbard, Mrs. Guy Allen, Miss Myrtle Skinner, Mrs. Ella Profrock, Mrs. R. Vliet, Fred Kile, George Elliott, Homer Lowrie and Lemuel VanSyckle.

There will be no News Letter sent to the Pioneers in August, so everyone should be at the picnic to hear what is going on in the Pioneer circle.

The September meeting will be held at the Township Community Center and election of officers will take place.

Friends of William Gassick will be sorry to learn that he is quite ill and is confined in Pontiac General Hospital. He is in room 222. The shoe repair shop is closed and anyone having shoes in the shop are asked to call for them after 8:00 P. M. at the Gassick home which adjoins the shop, or phone Maple 5-7461 after 8:00 P. M.

Vets' Day At State Fair

The Michigan State Fair has designated Veterans Day to be Saturday, September 10, when the State's veterans will cooperate in the largest program of events and ceremonies ever offered at the State Fair.

All veterans will be admitted free of charge by identifying themselves or wearing their service caps, according to State Fair General Manager Donald L. Swanson.

The program features will include: the American Legion Zouaves, the internationally famous precision drill team from Jackson Michigan; an exhibition by the WAVES drill team from the Great Lakes Naval Training Station; a demonstration by outstanding drum and bugle corps; and a great Veterans Day parade.

Memorial services will be held at 5:00 p. m. at the Veterans' Monument on the fairgrounds. The ceremony at the monument will be followed by a formal retreat ceremony.

Featured attractions for the evening program will be band concerts by the Red Arrow Legion Band, Post 361, and the Charles Young Legion Band, Post 77.

As a part of its activities at this year's Fair, the Allied Veterans Council of Wayne County will operate a booth at which handicraft items made by the hospitalized and disabled will be on sale.

Veterans having items which might be offered for sale are asked to get in touch with the Allied Veterans Council, 311 Veterans Memorial Building, Detroit, Woodward 3-9449. Complete details for submitting articles for sale will be given.

The State Fair, which opens Friday, September 2, with an Opening Day Parade in downtown Detroit at 11:00 a. m., will run through Sunday, September 11.

Football Practice Begins Monday

Football practice at the Clarkston High School will start on Monday, August 29th at 8:00 A. M. There will be another practice at 4:00 P. M. These practices will continue at 8:00 and 4:00 each day until school starts September 8th.

Any students, not at Clarkston last year, who will attend this year, and are interested in football are asked to report at the High School between 8:00 and 10:00 A. M. on Monday, August 29th.

News To Publish Pict-O-Facts

The Oakland County Planning Commission has prepared a series of fifty-two "Oakland County Pict-O-Facts" for weekly publication beginning September 1st in this paper. These are illustrated and briefly worded facts about the physical, economic, social, and historic aspects of county life.

"We hope," said George N. Skrubbe, Director of the Commission, "that Oakland County citizens will enjoy reading these facts about their county and will perhaps acquire an added interest and pride in their county's history, present and future."

The Planning Commission, established by the Board of Supervisors on August 9, 1949 because of public concern with the problems of rapid and uncontrolled growth of Oakland County, has offices on the fifth floor of the County Office Building, 1 Lafayette Street, Pontiac.

Members of the Commission, eleven in number, are appointed by the Board of Supervisors to be individually representative of important segments of the economic, governmental and social life of the community. Present members are: J. Robert F. Swanson, chairman; Roy F. Goodspeed, vice-chairman; Ralph A. Main, secretary; Leon V. Belnap, Lloyd Anderson, R. Clare Cummings, Roger Oberg, Elmer R. Pettengill, Ernest W. Seaholm, Richard A. Ware, and Howard C. Decker.

Watch for the Pict-O-Facts starting next week.

Get Ready Now For Big Parade

Plans are almost completed for the Rotary-sponsored Labor Day Parade. The general chairman and committee have been working on the preliminaries and they are in hopes that adults and children are getting their costumes ready.

There will be floats, pets, cars, farm machinery, story-book characters, horses, clowns, and just everything that goes to making a worthwhile parade.

This will perhaps be the last big community event for the season, so let as many as possible take part.

Golf Tournament A Sure Thing

If you play golf and intend to be in the golf tournament being sponsored by the Rotary Club be sure to sign up at Ronk's Barber Emporium to be in on the play and dinner next Wednesday. Reservations must be by Saturday, August 27th.

Dining Room Open At Caribou Inn

Caribou Inn is now operating under new management. The dining room has been opened and Ernest Felice is in charge of the kitchen. He is well known in this area and he is anxious to cater to your needs. Good, home-cooked food is his specialty.

Mrs. Rose Felice, Ernie's mother, is noted for her recipe for spaghetti sauce, which can be your choice with the Italian spaghetti dinner now being served as an introductory special in the dining room. See the adv on page 4.

The home-like atmosphere in the dining room prevails throughout the Inn because the Felice family is ready to welcome you and to see that you get prompt and courteous service.

Seymour Lake

The Seymour Lake Annual Homecoming was held last Saturday with the usual number of people attending. The W. S. C. S. served a fried chicken dinner in the Church House at noon. At 2:00 P. M. a program was presented in the church and was conducted by the chairman, Mrs. Joan Miller. The program numbers were: organ prelude, Sally Miller, daughter of Mr. and Mrs. Clark Miller; selected songs were directed by Mrs. Ralph Curtis with Mrs. Clark Miller at the organ; invocation, Rev. Leonard Kemp of Lake Fenton; welcome, Rev. Edward Pumphrey; response, Joe Haas of Holly; memorial in honor of the following members who departed this life in the past two years: Earl VanGordon, Mary Losch, Nelle Bailley, John Cahill, Ella Taylor Travis, Stewart Hower, Winifred St. Clair, Belle Sherwood and Charles Cline. This was given by Mrs. Henrietta Cortright of Birmingham; two organ selections by Sally Miller.

District Superintendent Dr. W. O. Moulton was present and gave a brief address. Guests who received tokens of appreciation were: Mr. and Mrs. Delmas Faye Bailey, who drove 240 miles from Akron, Ohio; Henry Hower, the oldest member and Mrs. De Vere Scott of Stoney Lake, the youngest mother attending.

The minutes of the last meeting were read by Mrs. Winifred Porritt.

The following were named as the 1956 committee: chairman, Millicent Solley; secretary, Mrs. Wallace Guile; Mrs. Lena Johnson, Mrs. David LaLone, Roy Hoyt, Fred Beardsley and the pastor.

Mr. and Mrs. Wallace Guile attended the Titsworth reunion at Goodrich on Wednesday.

Walter Ash is in St. Joseph's Hospital for observation.

Carrie Buckindale of Ramsey Road has been ill the past week.

Mrs. Iva Miller is gradually recovering from a recent illness.

Large Crowd At Horse Show

More than 500 attended the Michigan Rangers Saddle Club's Ninth Annual Horse Show last Sunday on the grounds on Davisburg Road. There were about one hundred horses paraded in the Grand Entry with five clubs displaying flags.

Following the Grand Entry a very colorful exhibition was presented by the drill team of the Michigan Rangers. Each rider wore a blue shirt and a yellow scarf, the club's colors. Color bearers were Duke Brunson and Rex Aboney and the drill master was Bob Broegman.

At the close of each event blue ribbons were given to the riders with the compliments of the Michigan Rangers Saddle Club.

The winners in the several events were:

Musical Stalls (1-15 years): 1st, Sandy Wells; 2nd, Gerry Richards; 3rd, Connie Cummings; 4th, Carl Bower;

Musical Stalls (up to 10 years): 1st, Tom Wells; 2nd, Christine Broegman; 3rd, Stanley Feldman; 4th, Ruth Holcomb;

Adult Speed and Action: 1st, Dick Richards; 2nd, Del Munson; 3rd, Viola Weber; 4th, Gary Stallard;

Junior Speed and Action (up to 10 years): 1st, Nancy Stanquits; 2nd, Larry Littlejohn; 3rd, Richard Becker; 4th, Bonnie Book;

Bending Pick-up Race (adults, 2): 1st, Barbara Fredette and Viola Weber; 2nd, Gerry Richards and Stanley Feldman; 3rd, Viola Weber and Gary Hawkins; 4th, Jack Richards;

Junior Bending (up to 10 years): 1st, Larry Feldman; 2nd, Christine Broegman; 3rd, Angie Nelson; 4th, Janet Stallard;

Adult Bending: 1st, Dick Richards; 2nd, Stan Feldman; 3rd, Joyce Boyns; 4th, Lida Killeen;

Musical Barrels (adults): 1st, Dick Richards; 2nd, Gary Stallard; 3rd, Kathleen SLEEPER; 4th, Del Munson;

Junior Flag Race (up to 10 years): 1st, Ruth Holcomb; 2nd, Angie Nelson; 3rd, Nancy Stanquits; 4th, Stanley Feldman.

Although the temperature soared high in the nineties everybody seemed to have a good time and the riders were all enthusiastic.

The Michigan Rangers Saddle Club is grateful to all of the merchants who donated trophies for this event and to all of the participants and onlookers for their part in making the show a grand success.

Rotarians Hear Talk On Finance

Frederick P. Warrick, program chairman for the Clarkston Rotary Club, presented one of the most interesting speakers the club has heard in some time, at the weekly meeting on Monday in the Township Community Center.

The speaker was Leon Sampson of the Fiduciary Associates, a financial forecasting association of Detroit.

Mr. Sampson was not one to say what you wanted to hear but rather willing to say what perhaps one would rather not hear. The members gave him perfect attention—possibly with the old American idea that even if we do not agree we will be polite enough to give the other fellow a right to speak his mind.

Mr. Sampson's first calm, studied statement that being a financial analyst everyone expected him to be a millionaire—and that while he was not a millionaire he was well fixed, sufficiently to take care of his needs for the rest of his life, lent dignity to the balance of his remarks.

Dinner was served by the ladies of the Clarkston Baptist Church.

Ed's note: It is our opinion that out of possibly 40 members and guests from other clubs, three members agreed with the speaker and the balance disagreed. But this is America and everyone can think as he wishes.

Referees Named For Skeet Shoot

Activity around the Oakland County Sportsmen's Club grounds is at full momentum in preparing for the National Skeet Shoot which gets underway next Sunday, August 28, and continues through Sunday, September 4. With the hundreds of shooters coming from every section of North America, local hotel and motel accommodations are becoming quite scarce.

The internationally famous marksman, Ken Beegle, will open the week-long shoot at 3:00 Sunday with a demonstration of trick and fancy shooting. Club members and friends, as well as the general public, are cordially invited to witness this outstanding demonstration. Beegle and his wife, Blanche, are looked upon as one of the finest shooting exhibition teams in America.

They have toured the country appearing before millions of G. I.'s at the army and navy camps. Also throughout the day of August 28, many of the shooters will be utilizing the local fields for practice, readying themselves for the official shooting which will get underway at 9:00 Monday morning, August 29.

President Chester Crites of the National Skeet Shooting Association announced today the names of the official referees. Pike P. Meade of Palm City, California, long one of skeet's top officials will be chief referee. Assistant chief referees chosen are Earl H. Gardner of Lamesa, California, Raymond Williams, Chicago, Illinois, Gordon Bullard, Encinitas, California, and James W. Adkisson of Dallas, Texas.

Among the sixteen field referees is Homer Coss of Pontiac. Inaugurating a new policy, this year's event will have George Deyoe, Washington, D. C., as general manager of the seven-day shoot. Deyoe, long a highly respected arbiter in national skeet shooting circles, will supervise all field activity.

Several times during the week the athletic field has been lighted. Those living in the school area were thrilled with the brightness. Many made the remark that now they would have to attend some of the football games this fall. It is quite possible that the lighted field will be a good morale builder for the teams.

Kirk and Vance Jacober are spending this week in northern Michigan with their aunt, Arlene Newcombe of Pontiac. They plan to see many points of interest.

Judy Materna is spending a few days this week in northern Michigan with relatives.

Mrs. Jack Hall has been confined to her home for several days this week because of illness.

THIRD CINERAMA PICTURE BEING FILMED NOW

Lowell Thomas and Merian C. Cooper, the producers of the third Cinerama production "Seven Wonders of the World" are now filming what amounts to the 70 wonders of modern times.

Already they have shot the pyramids of Egypt, the only one of the original wonders of the ancient world left by the ravages of time and war, so instead the Cinerama cameras will bring to its audiences 70 modern wonders, from which each viewer can pick his own seven wonders.

To accomplish the filming task of a round-the-world airplane ride, Thomas and Cooper have skirted the earth, and taken their viewers to see such sights

as the Taj Mahal, things in India, behind the Iron Curtain in China, into the crater of Italy's volcanic Mount Vesuvius and many other lands.

Walter Thompson who is directing the American sequences has just filmed Boulder Dam, the Grand Canyon and Yosemite and at present is filming the oil fields of Kilgore, Texas.

With Thompson next scheduling the international locks at Sault Ste. Marie, several of Detroit's automobile executives sprung into action by urging Mayor Albert E. Cobo and the City Council to use their good offices to prevail upon Thomas and Cooper to include a sequence of Detroit's automotive assembly lines.

It was their feeling that inasmuch as Detroit is responsible for "putting the world on wheels" the third Cinerama presentation would not be complete unless

such a sequence was included in "Seven Wonders of the World".

Accordingly this week the Detroit City Council passed appropriate resolutions requesting Lowell Thomas and Merian C. Cooper to consider the inclusion of a Detroit automotive sequence. The resolutions have been sent to Thomas at his New York office and city officials expect to hear from him within the week as to his decision.

Thomas and Cooper also produced the first Cinerama production "This Is Cinerama" which ran nearly two years at the Music Hall in Detroit and was attended by over 1,200,000 persons.

Currently at the Music Hall is Louis de Rochemont's "Cinerama Holiday" now in its 28th week.

The American Red Cross conducted 318 disaster relief operations last year in 47 states and territories, and gave emergency

mass care to 62,000 persons and assisted 7,100 families with individual financial aid.

Any question settled by force invariably comes up for settlement.

THIS IS MICHIGAN PEACH WEEK

With Michigan's excellent crop of peaches in peak harvest this week, Governor G. Mennen Williams has proclaimed the week of August 22 to 27 as Michigan Peach Week. The state's crop is estimated at 2 1/4 million bushels, one of the nation's larger peach crops.

The harvest is nearly two weeks ahead of normal so housewives will process peaches before Labor Day rather than after as is usually the case, according to the Michigan Department of Agriculture.

Try beating the train to a railroad crossing if you want to put a real lasting finish on your car.

Last year, 122,783 high school students received Red Cross Nursing certificates through 6,575 classes held in high schools throughout the country and the U. S. territories.

The more you lean on others the leaner your chances are for success.

THIS IS THE CAR TO TRY FOR SURE!

Great Features back up Chevrolet Performance: Anti-Dive Braking—Ball-Race Steering—Outtrigger Rear Springs—Body by Fisher—12-Volt Electrical System—Nine Engine-Drive Choices in all models.

This is the Chevrolet that's rewriting the record books—that's making all the other low-priced cars eat its dust . . . and most of the high-priced cars, too! Be sure to try this new champ before you buy anything.

When we say that Chevrolet's the car to drive, the official record books of stock car competition back us up all the way.

Listen to this—as just one example:

Daytona Beach—NASCAR* Acceleration Tests Over Measured Mile From Standing Start. Chevrolet captured the four top positions in its class—and beat every high-price car but one!

Come in—the weather's so nice these days that we love to get out in it too! And giving you a demonstration drive is all the excuse we need!

MICHIGAN SALT CAN LAST WORLD 50 MILLION YEARS

Pass the salt, please! There's no shortage in sight.

That's the word from Russell C. Hussey, University of Michigan professor of geology.

By actual measurement there is enough salt in Michigan to last the entire world, at the present rate of consumption, for 50 million years, he declares.

"As large as any in the world, Michigan's salt beds provide the source for all the salt used in this area. The great deposits, which underlie almost all of the southern peninsula of Michigan, are known to reach a thickness of over 600 feet in some places", Professor Hussey says.

Commenting on the origin of these beds, the geologist explains that during the Silurian period—about 300 million years ago—there was a great desert here, something like the region around

Great Salt Lake today. This was formed by drying up of a great sea which once covered the desert. During the drying process, salt was precipitated through excessive evaporation, while a small trickle of sea water coming into the Michigan rock basin through a shallow ocean channel, renewed the supply of brine. This along with a certain amount of slow subsidence of the rocks, brought about the enormous thickness of salt found in many places.

"Originally", Professor Hussey says, "the great salt basin extended from the lower peninsula of Michigan eastward through northeastern Ohio, northwestern Pennsylvania and up as far as Syracuse, N. Y."

"As arid conditions developed, the sea which occupied the region grew salty through excessive evaporation and salt and gypsum were deposited over an area of about 100,000 square miles.

"In Detroit, where salt has been mined for many years, layers and layers of tunnels have been driven in solid rock salt. These tunnels extend for many miles under the city", he says.

He describes the Detroit salt deposits as beginning at a depth of 1,000 feet below the surface and then continuing horizontally. "Blasting is the method used to obtain the salt here. One unusual feature of the Detroit mines is that, in place of the usual timbering, great pillars of salt are left standing to support the rocks."

In Wyandotte, Manistee, Midland and St. Clair, on the other hand, drill methods are in use. Professor Hussey explains that water is pumped down a well drilled into the salt. "When the water dissolves the salt, the brine is pumped out and the salt is then recovered through evaporation."

"Brine", he goes on to say, "is found wherever water has trickled down into the salt bed, dissolved it, and then has worked its way up again through cracks and fractures of the overlying rock."

People who wake up famous haven't been asleep.

Success is just a good idea coupled with hard work.

Experience is something you have left when all else is gone.

Easy Fruit Salad Platter

A practical way to highlight salad platters is with a bowl of mayonnaise which also serves as the dressing for the salad. For a salad tray that can be arranged quickly, use an assortment of your favorite canned fruits, garnishing with nuts and fresh berries for that luxurious look. Fruits should be drained well before they are arranged on a bed of lettuce.

The salad platter makes salad preparation easier for you, and family and guests can compose a salad of the fruits that please them most.

Fruit Salad Platter

- Mayonnaise
- Lettuce
- Canned pineapple rings
- Walnut halves
- Canned apricot halves
- Canned peach halves
- Whole fresh unstemmed strawberries

Place a bowl of mayonnaise in the center of a large lettuce-lined salad plate. Arrange pineapple rings topped with walnuts, apricot halves, peach halves and peach halves, in groups, around the bowl. Garnish with strawberries.

IT'S PEACHY!

Michigan peaches are early! If your mouth is watering for peach pie, or peach preserves, your supply started about 10 days earlier than usual, around August 1. Picking of peaches may be concluded by Labor Day or shortly thereafter. This means many homemakers will be processing peaches before the youngsters have returned to school after the summer vacation instead of afterward.

The Michigan peach crop is only one-eighth less than that of 1954, and places Michigan among the leading peach states this year. Freezes took almost all of the crop in the southern states.

This year the early varieties survived the May freeze better than the Elberta variety. The South Haven, Redhaven, Kalhaven and Halehaven varieties are beginning to appear on the market. All have excellent flavor either fresh or processed; they are fine shippers, and resist browning. Less Elbertas are used today than in former years because of mediocre flavor and texture, and because such great other varieties have been developed. Buy your peaches early—for superior quality and greater choice!

Actually peaches must look good to be good! Pick the ones with a fresh appearance, no withering; a good color—sometimes a blush, depending upon the variety; free of blemishes; and firm.

Use mature peaches immediately for they bruise easily. Shipping peaches in the firm ripe stage is ideal, for most of you prefer to buy them either firm ripe or ripe. Green peaches may be allowed to ripen at room temperature away from direct sunlight.

Peaches taste good and they are good for you! Providing both Vitamin A and Vitamin C they are an ideal summertime menu suggestion for those eager to cut calories. One medium peach contains only 46 calories, and although canned and frozen peaches contain twice as many, this still is a very low caloric count.

When thinking of cost, there are several things which cause

something peachy, it is available! Fresh peaches are good now just to eat; they're good in pies and other desserts; and they're good canned or frozen next winter; and they're good anytime as preserves.

CHRISTMAS SEALS TO PROVIDE X-RAY UNIT

A Christmas Seal sponsored X-ray unit carrying the emblem of the Michigan Tuberculosis Association will soon be making its appearance on Michigan's highways, according to action taken Thursday afternoon, August

18, at the quarterly meeting of the MTA board of trustees.

Approved by a unanimous vote, the chest x-ray unit will be used to demonstrate the value of prompt follow-up work following an x-ray or tuberculin testing survey.

The need for Christmas Seal funds to be used for an x-ray unit has arisen because of the failure of Michigan's legislature to provide sufficient funds for the state health department to conduct an adequate program of TB case-finding, board members brought out.

Here's why we say New Chevrolet *Task-Force* Trucks are the most **Modern** trucks for any job today!

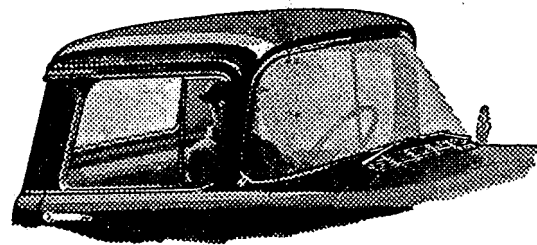

WORK-STYLED LIGHT- AND MEDIUM-DUTY MODELS have their own fresh, functional appearance.

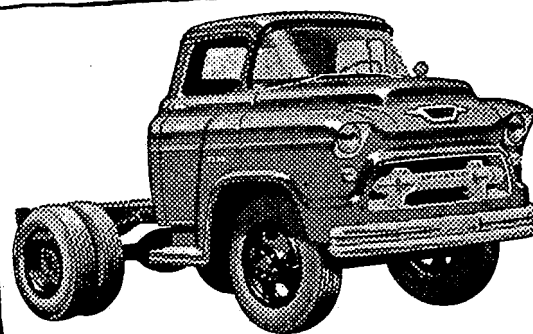

WORK-STYLED HEAVY-DUTY MODELS look every bit as husky, efficient and modern as they are.

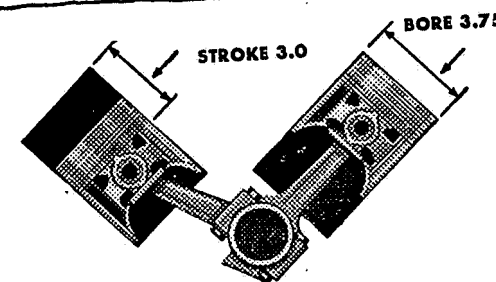

MOST MODERN V8's in the industry. Standard in Low Cab Forward models, an extra-cost option in all others except Forward Control models.

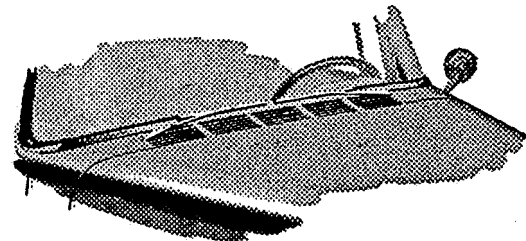

PANORAMIC WINDSHIELD sweeps around the corners to give you a wider, safer view of the road ahead.

REVOLUTIONARY NEW L.C.F. (Low Cab Forward) is much lower than former C.O.E. models yet it offers C.O.E. maneuverability.

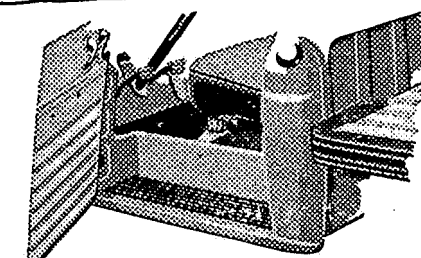

OVERSQUARE DESIGN means less piston travel . . . longer V8 engine life.

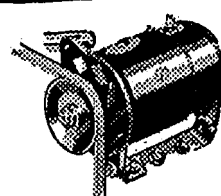

HIGH-LEVEL VENTILATION provides a more constant supply of outside air.

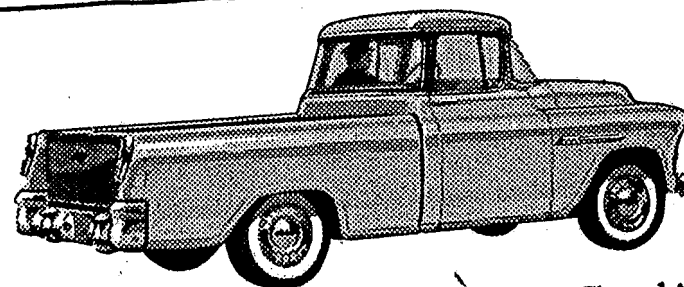

Plus . . . Five new high-compression valve-in-head sixes—the most advanced sixes in the industry! New, roomy Flite-Ride De Luxe cab—the truck driver's "dream cab!" Huge new Full View rear window (optional at extra cost).

NEW CONCEALED SAFETY STEP stays clear of snow, ice and mud for greater safety regardless of the weather.

NEW 12-VOLT SYSTEM delivers double the punch for quicker starting and finer performance.

NEW CAMEO CARRIER is the flagship of the Chevrolet truck fleet! It's the first truly beautiful truck ever built!

These are just a few of the reasons why new Chevrolet trucks are the most modern trucks for any job today. Come on in and see why these great new trucks will save hours and dollars on the job! Come see why anything less is an old-fashioned truck!

READ FINE PRINT ON FOOD LABELS AND SAVE
To conserve the family food dollar when buying pre-packaged meat it is well always to read the fine print on the container and it is also profitable to do some comparative figuring.

This is the advice to cost-conscious housewives from G. S. McIntyre, director of the Michigan Department of Agriculture. The responsibility of food sanitation, proper labeling of ed-

ibles, grading and marketing is entrusted to the Bureau of Foods & Standards within the Department.

Department inspectors are currently encountering a brash of cases where ground beef or hamburger is being pre-packaged and sold as "steaks". Often fanciful descriptions and coined names crop out on the labels.

The Michigan Department of Agriculture is demanding proper identification of the pre-packaged product and proper labeling. But the housewife can do something about this herself. She can carefully read all the print on the package. Declaration of contents plus net weight or numerical count must show.

Under the general food laws of Michigan, the use of any statement, design or device that is false or misleading in any particular is illegal, according to Miles A. Nelson, chief of the Department's Bureau of Foods & Standards.

Sometimes an attractive picture of a steak is used on a package when actually the contents are ground beef or hamburger. Occasionally the word "steak" on the label is preceded by some glowing adjective or ritzy word. Read the fine print, advise McIntyre and Nelson.

Attention New Home Owners:

Yours being an average American family, you will undoubtedly own a television set. Your used antenna or new one should therefore be properly installed by experts on your new home to necessitate a good installation that will add to the beauty of your new home. Custom installed antennas have a practical advantage as well as being neat appearing. We can install a COLOR-READY antenna of the highest quality, properly grounded, at a fair price, which we know will give the best service the year round.

Another feature available of custom-installed antennas is that we can install two or more down leads in the walls of your home that are attached to plug-in outlets. This means hidden wire, unexposed to the eye, ice and snow, which in turn lessens the possibilities of broken leads, and makes T. V. and furniture rearranging a simple task without the need of technical help and loosely strewn wire behind the set.

We have seven years' experience in the field of quality service and installations and can proudly boast of no fallen antennas, so have your antenna ready for use when you move in. Call us before you plaster if possible.

In hopes that we may be of service to you, we are,

After-Dinner Speaker Gets His "Deserts"

"Red" Thomas tells about a dinner party he and his Missus went to in Center City last week. He said it was a wonderful party—except for one guest who was a real "know-it-all," right from the start.

Whatever the subject, this fellow considered himself an "expert." Wasn't quiet about it, either. He told different people what automobile to buy, what books to read—even told some who they "just had" to vote for.

When it came time to leave, this fellow must've felt a pang of conscience. He turned to the host-

ess and said: "I suppose I was a bit outspoken tonight." Quickly she replied, "Of course not. No one could have out-spoken you."

From where I sit, it's all right to have opinions as long as you don't try to force them on neighbors. Take those who would deny me an occasional glass of beer simply because they prefer something else. They're welcome to their choice but shouldn't try to force me to be a "party" to it!

The way of health and holiness, of dominion over fear and sin which Christ Jesus came to teach, will be emphasized at Christian Science services Sunday.

Scriptural selections in the Lesson-Sermon entitled "Christ Jesus" will include the Master's healing of the servant of the high priest as recorded in Luke's Gospel (22:50,51): "And one of them smote the servant of the high priest, and cut off his right ear. And Jesus answered and said, Suffer ye thus far. And he touched his ear, and healed him."

Correlative passages to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include the following (54:10-17): "That he might liberally pour his dear-bought treasures into empty or sin-filled human storehouses, was the inspiration of Jesus' intense human sacrifice. In witness of his divine commission he presented the proof that Life, Truth, and Love heal the sick and the sinning, and triumph over death through Mind, not matter. This was the highest proof he could have offered of divine Love."

Super Summer Supper

Isn't it wonderful to be able to serve a quick-easy meal these hot humid nights. Especially one that is balanced, nutritious and as delicious as this Crabmeat Rice Salad. Made with packaged precooked rice it requires no real "cooking" at all — good news which means you're out of the kitchen in no time at all.
Serve this hearty, flavorful salad meal to your family tonight. They'll love it, and you'll make it again and again.

Crabmeat Rice Salad
¾ cup packaged pre-cooked rice
1 teaspoon salt
¾ cup boiling water
1 cup mayonnaise
1½ tablespoons dried pimento
1½ teaspoons lemon juice
1 teaspoon salt
¼ teaspoon pepper
1 cup (6- to 7-ounce can) crab meat, drained and flaked
1½ cups diced celery
1½ cups cooked peas
Add packaged pre-cooked rice and ¾ teaspoon salt to boiling water in saucepan. Mix just to moisten all rice. Cover and remove from heat. Let stand 13 minutes. Then uncover and let cool to room temperature.
About 1 hour before serving,
combine mayonnaise, pimento, lemon juice, 1 teaspoon salt, and the pepper, mixing well. Combine crab meat, celery, and peas in a bowl. Stir in the mayonnaise mixture. Then add the rice and mix lightly with a fork. Chill. Serve on crisp lettuce. Makes 5 or 6 servings.

4-H GROUP GETS \$5000 FROM FIRM

Michigan's 60,000 4-H Club girls and boys will reap fun and education from the \$5000 contribution of The Detroit Edison Company to the Michigan 4-H Club Foundation.

The contribution, explains Howard Worthington, executive director of the foundation, "will help us reach our 10-year goal of \$5 million." This money will

be used to expand the present 4-H Club program in Michigan. Funds will go toward the promotion of urban 4-H Club work, establishment of a state 4-H Club center somewhere in the north-central part of the state, aiding the International Farm Youth Exchange program and the support of the awards program of 4-H Clubs.

Worthington said The Detroit Edison Company has offered the services of their offices and public relations staff to aid in the fund raising requests of the foundation. In the past they have sponsored electrical projects in the counties they serve. The company also has furnished men to act as leaders in the electrical training program, and local area men to help individual 4-H Clubs.

The University of Michigan Press has just completed the publication of a guide to one of the most important publications in Russia. During the period from 1922 to 1941, the Central Archive Department of the Union of Soviet Socialist Republics issued 108 volumes of The "Krasnyi Arkhiv" or Red Archives. This historical journal contains personal diaries and correspondence, reports of government ministries and off-

The best deal you can get is the deal built into a Pontiac!

The Spectacular Star Chief Custom Sedan

There's something you ought to know before you sign up for a new car—something half a million owners of the '55 Pontiac have already learned to their profit. You actually get two important money-saving deals when you buy a future-fashioned Pontiac. You get the kind of trade-in allowance you'd expect from Pontiac's volume sales. The biggest year in our history pays off for you in appraisals that won't be topped! That's deal number one—and the second is even better! We're talking now of the terrific deal that is built right into the car itself. Compare Pontiac's modest cost with that of any other car combining such fine-car size (124 inches of road-leveling, road-hugging wheelbase), such blazing horsepower (200* eager "horses") and such luxury-car stability—and here's what you'll find: That combination anywhere else will cost you hundreds of dollars more! Get the proof that the big, high-styled, high-powered Pontiac you really want to own is actually your easiest buy. Come in and talk trading—now!
