RAPID INCREASE IN SCHOOL ENROLLMENT

Ground Observers Meet Tuesday

The Ground Observers Corps will meet at the Clarkston High School on Tuesday evening, Sept. 20, at 7:30 o'clock. All members and others who are interested are not only invited to attend but are urged to do so.

One of the state officers will be present to award wings to those who have served 25 hours at the Observers Post on Miller Road. Special awards will be given to two who have served 250 hours.

Job's Daughters Hold Initiation

Job's Daughters of Bethel No. 25 held initiation on Monday evening, September 12th at the Masonic Temple in Clarkston. Jacqueline Powell was the candidate.

In the absence of the Honored Queen, Laura Ruggles who is attending Eastern Michigan College in Ypsilanti, Pat Wagonjack, Past Honored Queen, officiated. She was assisted by Nancy Lambertson as Senior Princess, who acted for Alberta Thornburg who is a student nurse in Detroit.

The girls were pleased to know that their former Guardian, Mrs. Percy Lowery, who underwent surgery recently, was recovering nicely and was now at her home on Maybee Road.

The next regular business meeting of the Bethel will be on Monday, September 26, at 7:00 P. M. at the Masonic Temple.

Pioneers To Meet Thursday, Sept. 22

The Clarkston Pioneers will meet at the Township Community Center on Thursday, September 22. There will be a luncheon at 12:30 followed by a business meeting and election of officers. Several names of those whose birthdays will be honored at the meeting were omitted last week. They are: Michael Farley, Mrs. Guy Hart and Mrs. Floyd Terry.

Mrs. Marguerite Miller who has been a patient in St. Joseph's Mercy Hospital for the past three weeks returned to her home last Friday and is convalescing at her home. She is getting about the house and is gaining strength each day.

Today - Tomorrow

Today I failed in many ways To do a job of living. I have no patience with the days That take instead of giving.

I didn't give one blessed part Of me, to make life better. I felt a shrinking in my heart. To all I am a debtor.

It isn't fun to always take With thoughts intent on pleasure. A man has things he must create That all the world might treasure.

A thousand things I could have done To make surroundings brighter. I could have spread a little fun, And made some burdens lighter.

But, ere the sun comes up at dawn, There buds a new tomorrow. The failures of today are gone. I leave them without sorrow.

I have a chance to change my course. And do as God has bidden. I'll work with love instead of force, And keep the darkness hidden.

Rev. George Halk Leaves Clarkston

The Reverend George Halk who has been the pastor at the Clarkston Baptist Church for the past five years preached his farewell sermon last Sunday. He explained to his parishioners that he felt he had served as best he could and that his service in this area was completed. He stated that he had need for further education and it was his intention to study at the Detroit Bible Institute.

Mr. and Mrs. Halk and family are living in Pontiac.

Notice

There will be a Girl Scout Leader meeting at the Township Community Center on Tuesday, September 27th at 1:30 P. M.

Leaders are needed. If you are interested please attend this important meeting. You will be happy if you offer to serve as a Girl Scout Leader.

Get Ready For Rummage Sale

The Clarkston Farm and Garden Club will hold its annual Rummage Sale on Friday and Saturday, October 14 and 15. Any person who has rummage they would like to donate is asked to call Mrs. Arnold Barrett, MAple 5-6051.

In donating your rummage remember that you are helping a local girl get an education. The money from the sale is used for a scholarship for Marilyn Taylor, an outstanding student, who starts her second year at Michigan State University this month.

ROBERT S. ROSE AT STEWART AFB

2d Lt. Robert S. Rose of Clarkston is presently undergoing processing and orientation with the Air Force's 12th Weather Squadron at Stewart Air Force Base near Newburgh, New York.

Lt. Rose was commissioned in the Air Force on August 15 after completing R. O. T. C. training at Hobart College in Geneva, N. Y. He reported to Stewart AFB immediately following his commission, for assignment with the 12th Weather Squadron, along with 22 other ROTC graduates.

A two week program has been set up at Stewart AFB to indoctrinate new 2d lieutenants into the Air Weather Service. The program calls for the accomplishment of all records, identification cards, lectures; and the showing of various indoctrination films. Lt. Rose will be reassigned to the New York University, N. Y., within the next few days, where he will undergo a one year Meteorology Course. Upon graduation, he will be assigned as a weather forecaster in the Air Force.

Pack Meeting Wednesday, Sept. 21

The Clarkston Cub Scout Pack Meeting will be held on Wednesday, September 21st at 7:30 P. M. in the High School Gym.

This is the first Pack Meeting this year and it is hoped that all Cubs and parents will attend. All new Cubs—this is the time for you to bring your parents and get your application in.

We expect to have the largest group this year we have ever had. We need men to work on the committee and also Den Mothers. No new Cubs will be accepted unless we have a den to assign them to. For information call Bernard Parrott, MAple 5-7336 or Paul DeLongchamp, MAple 5-7631.

Farm Women Met Last Week

The Oakland County Farm Bureau Women's Committee met at the home of Mrs. Hildred Hunt in Novi last Tuesday, Sept. 6. After a cooperative luncheon the vice-chairman, Mrs. Alfred Randall called the meeting to order.

The Rural-Urban Luncheon was one of the most important things discussed. This luncheon is to be held at the West Bloomfield Community Hall on October 4 at 12:30. Each Farm Bureau woman is to ask a city friend to be her guest. Mrs. Carleton Ball, State Chairman of the Farm Bureau Women will be a speaker. The County Board of Directors is invited. Mrs. Alfred Randall is general chairman, assisted by Mrs. LeRoy Thompson of White Lake in charge of food; Mrs. Lawrence Duncan, F. B. I. group decorations and Mrs. Hildred Hunt, dining-room.

Mrs. Mallory Stickney presented questions asked by the Citizens League concerning draft and universal military training. Bang's disease testing has started in Oakland County. It was suggested by one of the women of the Farm Bureau last winter.

The question of inadequate laws and inadequate enforcement of laws concerning sex deviates was discussed. It was decided to draft a resolution concerning the same and send it to the county board.

Mrs. H. Hunt, Mrs. M. Stickney and Mrs. Otto Rexin were appointed as a nominating committee.

Clarkston Locals

Miss Janet Miller, granddaughter of Mrs. Raymond Miller entered Junior College in Jackson, Michigan, last week.

At the Naval Training Center at Great Lakes, Illinois, attending Machinist's Mate School are Ernest N. Helsel, machinist's mate fireman apprentice, USN and Charles J. Helsel, machinist's mate fireman apprentice, USN, sons of Mr. and Mrs. Rosco J. Helsel of 4954 Whipple Lake Rd., Clarkston.

Mr. and Mrs. Duane Anderson returned to their home in Valley City, North Dakota, last Thursday after spending about ten days with her parents, Mr. and Mrs. Herbert Baynes.

The friends of Mrs. Frank Jewell will be glad to hear that she is improving some each day. Mrs. Jewell is confined at Oakland County TB Sanatorium. She would be happy to hear from her many friends in Clarkston and a visit from some of them would be a real inspiration.

Word has been received here of the marriage of A/3c Gerald Adams, son of Mr. and Mrs. Frank Adams of Andersonville Road, to Shirley June Martin, on July 18th in Wichita Falls, Texas. Shirley is from East Peoria, Ill. The young people met while Jerry was stationed at Chanute Air Force Base in Illinois. He is now serving at Sheppard Field, Wichita Falls.

Many times you hear—What-ever became of so-and-so. Our young people graduate from high school, get into some branch of the Service, go to college, get married and settle in some place away from Clarkston and then the home folk lose track of them. Perhaps many are wondering where Howard Boyns is now. Well, he and Mrs. Boyns (Carmen Clark) and family are making their home in Osego. Howard is

Clarkston P. T. A. Plans Supper

Everyone is asked to attend the Clarkston P. T. A. pot-luck supper on Thursday, September 22nd, at 6:45 P. M. at the Elementary School. Please bring your own card table, table service and two dishes of food to pass (the size depending on number in family). Meat and beverage will be furnished.

The Clarkston P. T. A. is grateful to the Andersonville P. T. A., for serving the Coffee Hour for the Clarkston teachers on September 6th.

Brownie News

Brownie Troop 200 held its first meeting of the year at the Methodist Church. Flagbearers for the Pledge and Promise were Marie Carlson and Reta Curtis. We had a short business meeting and held election of officers. Those elected are: president, Suzen Hampshire; vice-president, Marilyn Miller; secretary, Lucy Ann Embrey; treasurer, Carol Sage. We ended the meeting by singing our Good Night song.

Lake Orion Plays Clarkston

On Friday evening the Lake Orion High School will play football at Clarkston to start the football season.

This will be the first game played on Clarkston's lighted field.

Rotary Club News

Honorable George A. Dondero, Representative in Congress from this district, was present and addressed the Clarkston Rotary Club at its regular weekly meeting on Monday at the Township Community Center.

Mr. Dondero who was introduced by Lloyd C. Megee at the request of the President, Ronald A. Walter, gave the latest developments of the St. Lawrence Waterway as well as the ideas being followed by the Federal Government in planning to improve our highway system.

A fine dinner was served by the ladies of the Seymour Lake Methodist Church.

Plans are being laid for Rotary's part in giving Clarkston a safe and sane Halloween.

Coming Events

Thursday, September 15, Men's Club dinner at the Methodist Church at 6:30 P. M.

On Tuesday, September 20th, at 3:45 P. M. the Clarkston Brownies will have a "Fly-Up" Tea at the Methodist Church. All Girl Scouts and Brownies are invited to attend.

The Girl Scouts of Troop 390 will meet at the Clarkston Methodist Church on Tuesday, September 20th, immediately after school.

Tuesday, September 27, at 8:00 P. M. the Ladies Auxiliary of the Clarkston Baptist Church will meet with Mrs. Henry DeVar.

Friday, October 7, from 5 until 7:30 P. M. the ladies of the Clarkston Methodist Church will serve a smorgasbord dinner at the church. Be sure to keep this date for this extra fine dinner.

teaching history in the Osego High School and enjoys his work very much.

Mr. and Mrs. C. O. Lanning of N. Holcomb Street returned to their home last Friday afternoon after an enjoyable and interesting trip through some of the western states. From here they went to Chicago where they boarded the California Zephyr and traveled to Springville, Utah, where they were the guests of Mr. and Mrs. Bert West and family. Then on to southern Utah through the uranium country. A trip to Mesa Verde National Park in southern Colorado and a visit with friends in Salt Lake City all helped to add up to one of the most enjoyable trips, the Lannings have ever had.

They say the weather was ideal and the trip on the Zephyr was most relaxing.

Horse Show Attracts Crowd

What a glorious day for a Horse Show was Sunday, September 11th, when the Dixie Saddle Club held its Annual (the seventh) Horse Show on the grounds of Glenn Ellis on the Dixie Highway. A good, soaking rain the night before had laid the dust, and the day itself had the crisp air of a perfect autumn day. Sun shining; white clouds sailing in a blue sky; wind whipping the flags; temperature just right for riders and horses.

With the participation of so many horses, both in English and Western events, coming from all points in the state, it was no wonder that the show was a spanking and solid success. Counting all the events, a grand total of 387 horses participated.

Following is the list of winners in the various events: Ponies, under 12 hands: 1st prize to Champ, with Larry Blackett; 2nd: Sonny with Lona Nelson; 3rd: King with Bonnie Bowers; 4th: Peat with Sam Wells.

Ponies, 12 - 14½ hands: 1st to Tony with John Braid; 2nd to Charlotte Zorner; 3rd to Beauty with Larry Littleton; 4th to Princess with Mary Jane Shampine.

In the Junior Horsemanship, Western, 1-10 yrs. Virginia Flanklin topped 1st prize on Golden Nugget; Bonnie Bowers 2nd on Prince; Tom Wells 3rd on Jill; Charlotte Zorner 4th. Junior Horsemanship, Western, 11-15 yrs.: 1st prize to Christy Clark on Bess; 2nd to Sandy Wells on San-Min; 3rd to Pat Bernhard on Doc's Little Teaser; 4th to Alan Vance on Champ. Then followed Junior Horsemanship, English, 1-15 yrs., in which Patricia Nowlin carried off the 1st prize with her Quaker Jane; Nancy Kusebell 2nd with Tutti Frutti; Skeeter Wiltse 3rd with Crissy Peavine; Pat Burke 4th with Billy.

Bending races are always very popular, and there was almost as many entries in the class for 1-10 yr. olds as in that for 11-15 yrs. The results: Charlotte Zorner, 1st; Larry Littleton, 2nd; Bonnie Bowers, 3rd; Nancy Stanquits, 4th. In the older class: Sandy Wells, 1st; Lona Nelson, 2nd; Alan Vance, 3rd; Kathleen Roberts, 4th. This year there was an unusually large class of colts shown, evidence of the growing interest in horseback riding. Colts, up to 12 months: Larry Blackett carried off first prize for his Dan; Elmer Jaynes 2nd for Pedro; Dick Scramlin 3rd for an as yet unnamed colt; Larry Blackett 4th for Blue Boy.

Later in the day there was also an event, Colts, English, 13-36 months, in which Ted O'Rourke won first with his Honey Pal; Glenn Ellis second with his Boots; L. M. Garnett, 3rd with his Reveries. Colts, Western, 13 - 36 months: 1st, Fay Brendell with Beauty; 2nd, Dorm Allen with Tulsa King; 3rd, Ward Carpenter, with Smoky; 4th, Lola Bliss with Maiki.

One of the largest classes is always Pleasure Horse, English and also Western. In the first Jay Jensen carried off first prize on 5 o'clock Shadow; Nancy Kuschell 2nd on Tutti Frutti; Dallas Dort 3rd on Lady; Judy Collins 4th on Royal Rhythm Allen. Of the 44 participants in the Western class, the judge awarded, after long deliberation, first prize to Pat Bernhard on Doc's Little Teaser; 2nd to Glen Walter on Miss K; 3rd to Sue Sempliner on Nugget; 4th to Lottie Hill on Ron's Penn. Some very beautiful horses were shown in the Three-Gaited class, open, in which D. T. Dort on Annie won first; L. M. Garnett 2nd with General Bourbon; Carolyn Mitchell 3rd with McDonald's Meteor; Bob Hauxwell 4th with Crissy Peavine.

In the Working Stock Horse, open, Glen Walter won first with Miss K; Jan Culley 2nd with Lucky Joe; Kathleen Roberts 3rd with Who; Sandy Wells 4th.

The Grand Parade was "staged" next. With the American Flags and Club Flags flying, the riders filed into the ring while the loudspeaker gave forth with a lively march. The colors were brought forward and the National Anthem had everybody's attention. Then each club followed their leader, and after circling the ring, they dispersed in order

The total enrollment the first day of the 1955-56 school year in the Clarkston Community School was 2168 pupils.

The initial enrollment in: 1951 - 1295; 1952 - 1480; 1953 - 1607; 1954 - 1839; 1955 - 2168.

Enrollment the first day exceeded last year's by 329 enrollees. This is an increase of 18% over last year and 67.4% over 1951.

There are currently 223 in the kindergarten, 215 in the first, 238 in the second, 258 in the third, 171 in the fourth, 173 in the fifth, 155 in the sixth, 187 in the seventh, 166 in the eighth, 122 in the ninth, 112 in the tenth, 76 in the 11th and 72 Seniors. 402 students are housed in Andersonville, 407 in Clarkston Elementary, 624 in Sashabaw, and 735 in the high school.

The high school enrollment was 494 in 1953, 644 in 1954 and 735 this year. It will continue to gain approximately one hundred per year for the next two years without any additional move-ins.

In addition to this growth it is reasonable to assume that the enrollment will increase steadily throughout the year and in the immediate future. There are many houses under construction as well as homes not yet begun. There are also subdivisions not yet started that will undoubtedly materialize shortly.

The present increase of 329 pupils does not appear to be numerically enormous, but, based on an average class room enrollment of thirty pupils, it represents an increased load of eleven class rooms.

The Clarkston School system is highly rated by the universities and throughout the state, because Clarkston area has foreseen and provided for its children. Clarkston does not have, to date, any children on half-day schedules, although this year Clarkston will have to utilize structures other than schools to house its current enrollment.

The current growth plus visual potential growth will necessitate the erection of additional facilities immediately if the children are to be housed, and if Clarkston Schools are to maintain their present status.

Congratulations!

Congratulations are in order for Maxine E. Sage, daughter of Mr. and Mrs. Howard E. Sage of 17 N. Holcomb Street. When Maxine graduated from the Harper School of Nursing in Detroit last week she received the Lucy D. Germain award for being the outstanding student in her class and for her dependability. The award was made by Dr. Lawrence Reynolds at the graduation exercises held in the Rackham Memorial Building last Thursday evening.

To get ready for the coming events.

Musical Stalls is a lot of fun, both to participate in and to watch; 2 classes for Juniors: from 1-10 yrs., and from 11-15 yrs. In the first Christine Broegman rode away with her trophy winning the first prize with Cracker Jack; Bonnie Book 2nd with Valentine; Nancy Stanquits 3rd with Trigger; Larry Littleton 4th with Dixie. In the second class, with 28 entries, Sandy Wells won 1st; Kathleen Roberts 2nd; Skip Book 3rd and Judy Miller 4th.

The Palominos, under Saddle class, always seem to evoke the desire to own such a beautiful creature; Sharon Horne carried off first prize with her Perfecto's Golden Son; Nancy Sullivan 2nd with Peggy Ann; Price Kelson 3rd with Swoopers Bamby; Glenn Ellis 4th with Rex.

Tennessee Walking Horse: Dottie Ellis won first with Makers Star; Sue Braid 2nd with Midnight Lady Moon; John Hornbeck 3rd with Royal Python Alan; Jim Ellis 4th with Flash.

Stallions, Western: as usual Dr. Book won 1st with his Arabian, Amata; Larry Bowers 2nd with Tony; Jimmy Vance 3rd; Nancy VanLeuven 4th with Goldie. In the English class: here, too, as usual Glenn Ellis carried off the 1st prize with his Ingomar; 2nd went to Sharon Horne with Perfecto Golden Horne.

LESS CALORIES, MORE PRODUCE EATEN TODAY

Today's average American eats about the same amount of food,

measured in pounds, as an average American ate 50 years ago. But the kind of food he eats is the big change.

According to research done by the U. S. Department of Agriculture, there were increases in dairy products (except butter), eggs, meats, fish, poultry, citrus fruits, tomatoes, vegetables (leafy green, and yellow) and sugars and syrups. In contrast, only half as many potatoes and sweet potatoes and half as much flour and corn meal are eaten now as compared to 1909.

Increases in the eating of fresh fruits and vegetables is probably due to the advances in transportation, refrigeration, merchandising and geography of production. Fifty years ago available food changed with the seasons because perishables had to come from nearby due to slow transportation.

It seems today's average American has replaced the high calorie counts of potatoes with those of fats. Although the food supply today is eight per cent lower in calories, a large portion of the calories comes from the use of fats and oils in salads and cooking and from the so-called in-

visible fats in whole-milk dairy products, meat, poultry and fish.

More of the carbohydrate supply comes from sugars and less from potatoes and grain foods.

And, the report continues, many of the diet changes are shifts from the lower priced to the higher priced foods. Some of these higher prices result from increased processing of many foods. Even though they are more costly, they save the homemaker many long hours in the kitchen.

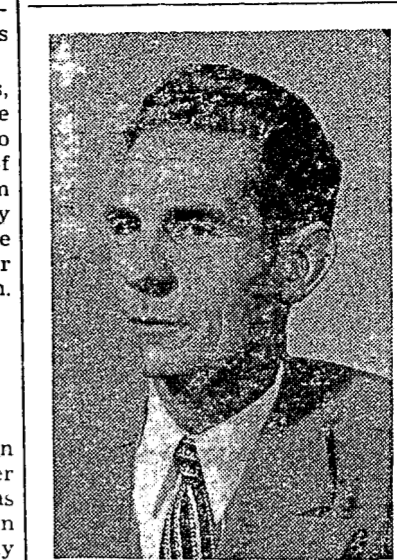

TRAFFIC DEATH UPWARD TREND BROKEN IN JULY

The upward trend in Michigan traffic deaths that extended over four consecutive months was broken in July with a reduction of eleven per cent under July of last year, according to the Michigan State Police monthly report. Injuries and the total number of reported accidents, however, again increased.

There were 162 persons who lost their lives in July, 20 less than a year ago.

Injuries increased 13 per cent or from 5,054 to 5,732, while accidents went up 5 per cent from 14,455 to 15,111. Nearly all of the

increase in accidents occurred in rural areas.

LESLIE L. KULLENBERG, Director of Emergency Operations for the Federal Civil Defense Administration, would be the first official at FCDA headquarters to get word of impending attack on America. He would evaluate the information, and determine whether top FCDA officials should be called in for a decision on placing the Federal civil defense system on a war footing.

FOOD SCOOP

by Marjorie G. Gibbs and Josephine H. Lawyer

Cooler weather has improved the quality of several locally grown fruits and vegetables, and retarded the quality of others.

Michigan potatoes rank number one on the value list this

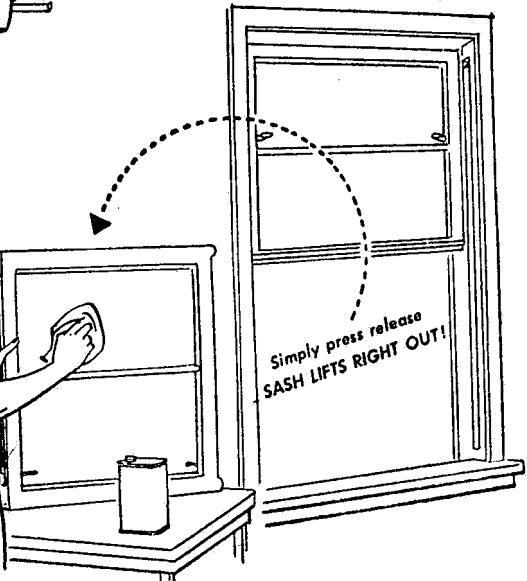

week with low prices and improved quality to satisfy every food shopper.

The season for good tomatoes is rapidly drawing to an end. This will probably be the last week for canning ripe tomatoes.

Butternut and acorn squash of excellent quality represent a treat in good eating for little

HALF MILLION 1955 PONTIACS — The 500,000th 1955 Pontiac, a Star Chief Safari, Custom Station Wagon, gets final inspection approval from Buel E. Starr, (right) General Manufacturing Manager, as he turns the inspection card over to R. M. Critchfield, Pontiac General Manager. The historic Pontiac came off the assembly line August 11th. It is the first time Pontiac has produced a half-million cars in a single model year. Critchfield predicted the Pontiac Division will build more than 550,000 passenger cars during the 1955 model run.

cost. The Zucchini and other summer varieties are gradually declining in quality.

Cooler weather has helped fall cabbage, celery, and cauliflower. Quality is improving, and prices are reasonable. Michigan eggplant of medium size, dark purple color, and shiny appearance is a wise choice for the market basket. Cucumbers and green peppers continue at low prices for consumers.

Practically all Michigan fruits are finished except apples and pears. There are only a few Elberta peaches and blueberries left. Cooler nights have retarded good flavor development in Michigan cantaloup, but those same cool nights have brought better color to Michigan apples. The Wealthy variety is most popular now for general use, with Wolf River and Greening best used for baking.

Supplies of seedless grapes are increasing and prices are lower. A few Concord grapes are available at farmers markets and roadside stands.

Smaller supplies, due to a short kill following Labor Day, have caused a rise in wholesale meat prices. This is reflected in retail markets this week.

Good supplies of pork have kept pork prices lower than a year ago at this time. Smoked picnics, loin roasts, bacon, and Boston butt are given most emphasis and represent good values for the pocketbook.

Cooler days make chuck roast more inviting and prices are very reasonable compared to most beef cuts. Ground beef at about 40 cents a pound is one of the most versatile meats.

Both veal and lamb prices have risen slightly with most economical buys in the forequarter cuts.

Small eggs of Grade A quality remain the best egg value. There is a gradual seasonal increase in small and medium sizes.

CINERAMA HOLIDAY NOW IN 30TH WEEK

According to manager George Santer of Music Hall the oldest visitor to see "Cinerama Holiday" was Milton Mozart Marble of Detroit.

Marble celebrated his 100th birthday last week and claims longevity is due to his daily regimen of three bowls of apple-sauce and a good bath.

Marble headed a celebration party at the theatre that included his 87-year old niece, Mrs. Zella Gargill of Marshall, Michigan, son Bryant, grandson Douglas and a granddaughter, Mrs. Enid Richardson.

After the performance of "Cinerama Holiday," now in its 30th week, Marble and his party were escorted behind the scenes upon his request to see how "Cinerama works".

Attention New Home Owners:

Yours being an average American family, you will undoubtedly own a television set. Your used antenna or new one should therefore be properly installed by experts on your new home to necessitate a good installation that will add to the beauty of your new home. Custom installed antennas have a practical advantage as well as being neat appearing. We can install a COLOR-READY antenna of the highest quality, properly grounded, at a fair price, which we know will give the best service the year round.

Another feature available of custom-installed antennas is that we can install two or more down leads in the walls of your home that are attached to plug-in outlets. This means hidden wire, unexposed to the eye, ice and snow, which in turn lessens the possibilities of broken leads, and makes T. V. and furniture rearranging a simple task without the need of technical help and loosely strewn wire behind the set.

We have seven years' experience in the field of quality service and installations and can proudly boast of no fallen antennas, so have your antenna ready for use when you move in. Call us before you plaster if possible.

In hopes that we may be of service to you, we are,

TREE ORDER LISTS NOW AVAILABLE

Michigan farmers can get a special packet of forest seedlings adapted to windbreak use. The new packet along with the order list for other trees has been announced by the conservation nursery at Michigan State University.

The seedlings are for delivery in the fall of 1955 and the spring of 1956 according to W. Ira Bull, M. S. U. forester in charge of the nursery.

The windbreak packet includes 100 red pine, 100 Norway spruce and 100 white spruce transplants. Transplants of red pine, Jack pine and white spruce along with seedlings of white pine, Jack pine, Austrian pine and Scotch pine are available for reforestation use. Hardwood seedlings on the list include black locust, American elm and red oak.

Douglas fir transplants appear on the list for the first time in several years, according to Bull. Black walnut stratified for spring planting will also be available for purchase during the winter and spring. Early purchasers can get small numbers of Norway spruce and tulip poplar.

Trees sold by Michigan State cannot be used for ornamental plantings, warn Bull. They cannot be planted within corporate limits of towns or cities, nor can

they be planted on building lots in residential sub-divisions outside of cities.

Orders can be made now for both fall and winter planting. Price lists and order blanks are available at county extension offices and soil conservation district offices. They may also be obtained by writing to the Conservation Nursery, Michigan State University, East Lansing.

CHIEFS OF POLICE BOARD ENDORSES LICENSE TRANSFER

The executive committee of the Michigan Association of Chiefs of Police, meeting at State Police headquarters in East Lansing, approved a resolution recom-

ending that driver license examinations be turned over entirely to the department of secretary of state, but will poll the association membership to determine their opinions.

The action was taken following the appearance before the committee of Lee C. Richardson, director of the driver and vehicle services division of the department, and George M. Newman, chief examiner of the driver services section.

They explained the proposal that the department take over the examinations, which would be conducted by a special staff of trained employees who would be under state civil service.

Examinations are now conduct-

ed by police and sheriff departments. Because committee members said they were expressing only their own views in passing the resolution, they decided to send a questionnaire to the association members to obtain their comments.

Committee members felt that the transfer of the examining function would result in more centralized control of driver licenses, closer supervision and greater efficiency. They also said that it costs police departments more money to conduct the examinations than they receive from the state as their part of the fee and the transfer would relieve them of this extra expense.

CLUBS, GROUPS MAY OBTAIN MANY U-M FILMS

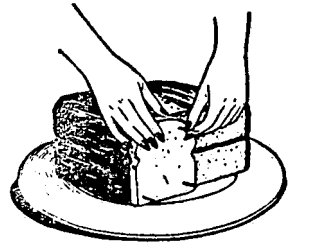

Any club, church or school group looking for something different for future meetings might consider borrowing motion picture films from the Audio-Visual Education Center at The University of Michigan.

Most recently produced by the center is a color-sound film, The Locks of Sault Ste. Marie, which commemorates the Soo Locks centennial.

Inquiries should be addressed to the center at 4028 Administration Building, Ann Arbor.

Drive with care... EVERYWHERE!

Great Features back up Chevrolet Performance: Anti-Dive Braking—Ball-Race Steering—Out-rigger Rear Springs—Body by Fisher—12-Volt Electrical System—Nine Engine-Drive Choices.

When you need a quick sprint for safer passing, this V8 delivers!
It's pure dynamite, and you have to go way, way up the price ladder before you ever find its equal.

Chevrolet's new "Turbo-Fire V8" packs a Sunday punch for safer passing that no car in Chevrolet's field can match!

The proof was burned into the sands of Daytona Beach at the NASCAR* trials earlier this year. In acceleration tests, Chevrolet simply walked away from everything else in its field. Plus—and get this—all the high-priced cars except one!

Surprising? Not when you consider that this beauty's been cleaning up on all comers in short track stock car events this season. That's where acceleration really pays off, as well as handling ease and cornering ability—things that mean safer, happier highway driving. Come on in and let a new Chevrolet show you what we mean.

GIANT ANIMALS ONCE LIVED IN MICHIGAN

The Giant Beaver, who lived in Michigan ten thousand years ago at the end of the Ice Age, was as large as the modern black bear, according to University of Michigan geologist Russell C. Hussey.

How the prehistoric forest must have reverberated when he slapped his tail! Plainly the beaver that toils in Michigan today would have been no match for that giant creature.

The house of one of those oversized beavers measured nine feet across.

"The Giant Beaver was just one of an amazing assemblage of animals, completely unknown to our state today, which came to live here with the return of the forests and grass lands after the ice retreated", he states.

"Skeletons of the Woolly mammoth have been found in Michigan and the condition of the bones indicates that they are only a few thousand years old. This elephant came to North America by way of a land bridge that connected Siberia and Alaska. He was well equipped to withstand low temperatures since he was protected by a heavy growth of woolly hair next to the skin and several inches of fat just beneath his shaggy hide", Professor Hussey says.

"Skeletons of the American Mastodon are more common here than are those of the Mammoth. They have been found in a number of places throughout the state commonly in swamps, and buried to depths of only a few feet", he states.

An unusually well preserved skeleton, found near the town of Owosso, has been mounted in a standing position in the U-M Museum and is one of the University's finest and most spectacular exhibits.

The professor calls attention to the fact that many of the Mastodon bones from the swamps of Michigan are so recent and fresh that they still contain some of the original organic material, and even pieces of cartilage are found fastened to certain parts of the skeleton.

"Such discoveries mean that Mastodons survived in our state until comparatively recent times, and they must have been common all through the forests of Michigan. But nobody has been able to explain why the elephants and mastodons survived the worst conditions of the Ice Age and then, when living conditions were apparently getting better,

Ornery Youngster

This young osprey gave the Conservation Department photographer fair warning and stood his ground on a nest of sticks built by his parents atop a swamp stump. Ospreys are by nature wary. Hard to find and few in number, the big birds are not often seen outside of museums. This unusual closeup shows the distinctive black and white coloration, sharp beak and piercing eyes of the species.

disappeared completely from North America."

Describing still another animal, now vanished from the scene, Professor Hussey remarks that the Musk Ox lives today in Greenland and the northernmost parts of Canada. "When the great glacier occupied most of the Canadian region these animals were forced to retreat southward before the slowly advancing ice front and then when the climate grew warmer, they migrated northward, since their natural habitat was in the colder parts of the continent. Skulls of the musk ox have been found in Michigan and there is a well preserved skull of one of these animals in the University Museum.

"Some of these long-vanished animals may have been seen by the advance guard of Indians who once lived in this region. But they are all gone today and the cause of their disappearance is a profound mystery", Professor Hussey concludes.

FORGET-ME-NOT CAMPAIGN SEPTEMBER 16 - 17

A permanent slogan has been adopted by the Disabled American Veterans for its annual Forget-Me-Not campaign—"Give a little for those who gave a lot!"

This year's drive will be held on September 16 and 17 when volunteers will offer little blue flowers of remembrance on street corners.

Morris W. Cucksey, Commander of D. A. V. Chapter 16 said today "We have used a number of slogans during the years for our Forget-Me-Not campaigns, but "Give a little for those who gave a lot" has been adopted as our permanent slogan because it best tells the story of disabled veteran needs.

"Our official slogan is the best way we have of expressing in as few words as possible our need for help for the war disabled of this community".

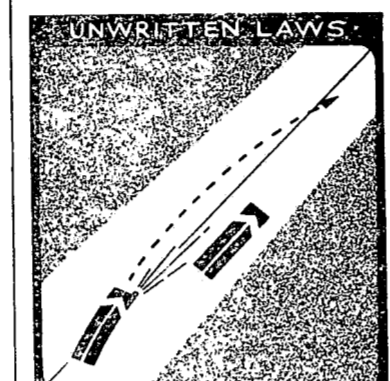

He said the Forget-Me-Not campaign each year makes it

possible for the DAV to help disabled veterans without charge. The contributions for the little blue flowers of remembrance provide funds for the chapter to carry on its rehabilitation and service work.

The DAV Commander pointed out that all funds raised during the campaign will be used to aid disabled veterans in this community. In addition to emergency assistance, the DAV also helps the wartime handicapped in obtaining adequate disability compensation, hospitalization, employment as well as with other disabled veteran problems.

The Forget-Me-Not has been the official blue flower of remembrance of the DAV since it was founded in 1920.

If the driver ahead knows he is about to be passed he is less likely to unintentionally swing to the left while day dreaming—or to speed up because he suddenly realizes it's his turn and he knows he must hurry up.

Smart drivers tap their horn gently just to let him know they are coming. Don't blast too hard or you may scare some nervous driver right over in front of you—and certainly annoy any motorist.

**FIRST CHURCH OF CHRIST,
 SCIENTIST**
 Oxford, Michigan
 Sunday School 11:00 A. M.
 Sunday Service 11:00 A. M.
 The fact that understanding the
 allness of God, Spirit, frees man
 from the idolatry of materialism

will be set forth at Christian
 Science services this Sunday.

Keynoting the Lesson-Sermon
 entitled "Matter" is the Golden
 Text from I Corinthians (10:14):
 "My dearly beloved, flee from
 idolatry."
 From "Science and Health with
 Key to the Scriptures" by Mary
 Baker Eddy the following pas-
 sage will be read (475:3): "To in-
 finite Spirit there is no matter—
 all is Spirit, divine Principle and
 its idea."

Scriptural selections will in-
 clude the following from Isaiah
 (42:5,8): "Thus saith God the
 Lord, he that created the heavens
 and stretched them out; he that
 spread forth the earth, and that
 which cometh out of it; he that
 giveth breath unto the people
 upon it, and spirit to them that
 walk therein: . . . I am the Lord;
 that is my name: and my glory

will I not give to another, neither
 my praise to graven images."

UNWRITTEN LAWS

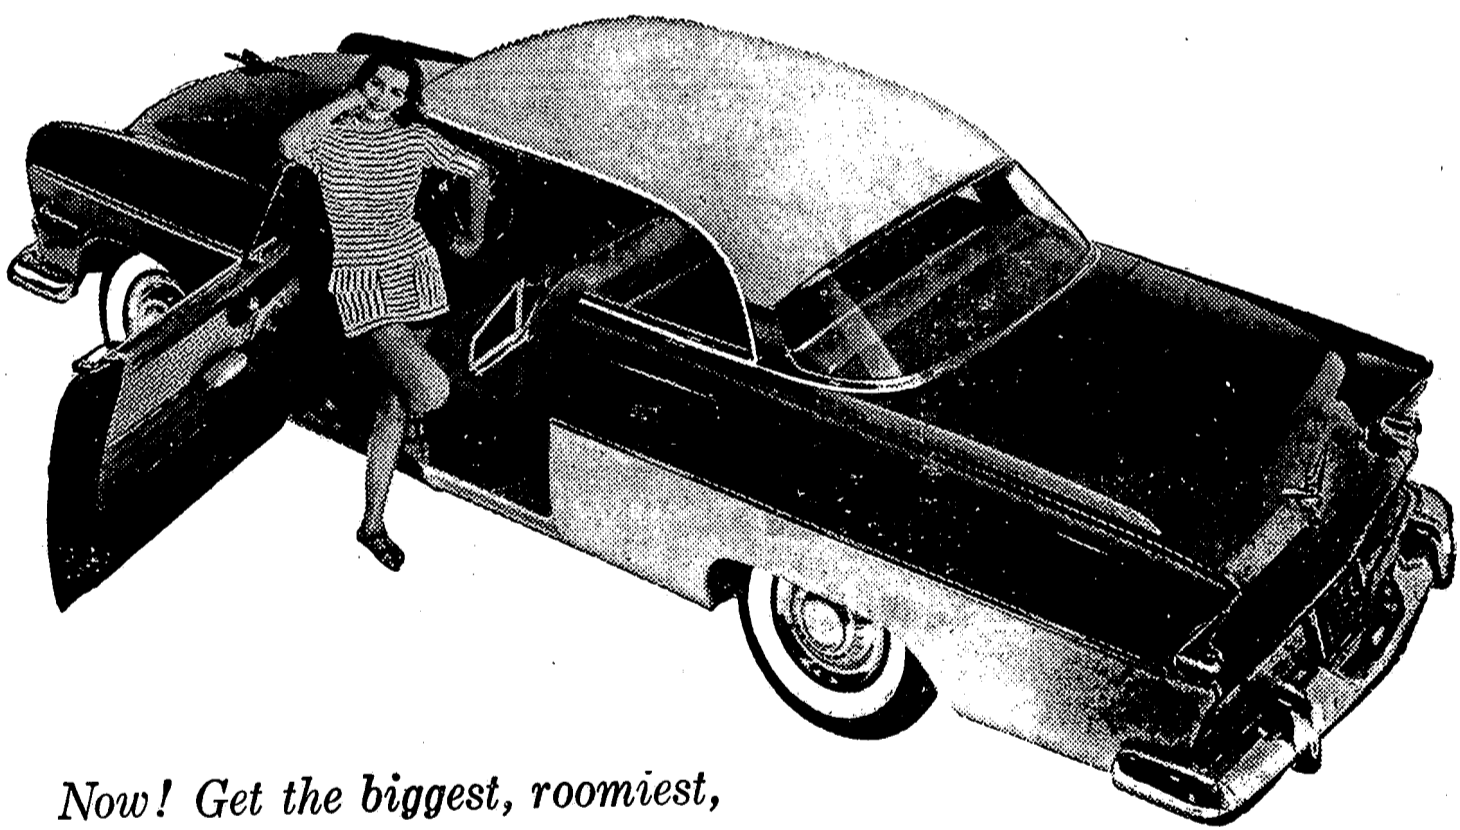

Sometimes trucks are hard
 to pass, or it just seems that
 way. You follow one and
 when it is moving at high-
 way speed there is fre-
 quently oncoming traffic so
 you can't pass.

One of the smart things
 to do is to catch the truck
 just after it has stopped at a
 traffic signal. When it starts
 up it will pick up speed
 slowly. You can accelerate
 rapidly. So this is frequently
 your best chance to pass a
 truck safely.

Another opportunity is
 when trucks have slowed
 down for a 25 or 35 speed
 limit. Overtake them before
 they reach higher speed
 limit areas. The bigger they
 are the slower they start.
 But, remember the slogan,
 "SLOW DOWN AND LIVE".

Laines 1st on Cheyenne; Connie Cummings 2nd on Captain; Fred Breiling 3rd on Chief; Del Munson 4th on Penney. Three-Gaited, Amateur: Lyle Garnett 1st and a round of applause to boot, with General Bourbon; Pat Namlin 2nd with Quaker Jane; Carolyn Mitchell 3rd with McDonald's Meteor; Skeeter Wiltsie 4th with Malik. Spotted and Painted Horses: Robert Walls 1st with Slipper; Elaine Parrish 2nd with Sandy; Wm. Sutton 3rd with Lucie; Marilyn Hyland 4th with Hyland's Tex.

The Dixie Saddle Club's own Square Dance Team, consisting of: Frank Minton with Leone McDonald, Alan Vance with Janet Stallard, Gary Stallard with Ruby Bliss, Del Rush with Inez Holcomb and Harry Waggener and Ardie Grubaugh acting as standard bearers, performed square dances on horseback, with Harold Vance as caller. The horses, at a steady canter, performed beautifully under the guidance of their excellent riders. With the multi-colored serapis behind the saddles, it was a sparkling and colorful spectacle to see the various couples go through their intricate turns and not miss a single one. Finally the line grew and grew, with the standard bearers joining in, weaving like a ribbon through the very last couple, and then, with the greatest speed and whooping yippies, it left the ring under the well-earned applause of the spectators.

The Parade Class was the showiest class of them all. Charles Champagne took 1st with Golden Pal; Dottie Ellis 2nd with Rainbow's End; Sharon Horne 3rd with Dr. Jubilee; Carol Curran 4th with Golden Clown. In the Harness Class Ebbie Nethaway won 1st with Guiding Star; Glenn Ellis 2nd with Ingomar; L. M. Garnett 3rd with McDonald's Mercury.

The Relay Race between the neighboring clubs was run off. Since the Shiawassee Boots & Saddle Club didn't have all of their fastest riders present, they did not participate this time. So it was between the Huron Valley Saddle Club, the Michigan Rangers Saddle Club and the Dixie Saddle Club that the decision was to be made who would win the trophy. The Dixie Saddle Club team, consisting of Harry Waggener, Frank Minton and Leone McDonald ran the course in 51.7 seconds. The Huron Valley Club team, Jerry Stanley, Sharon Con-

ing brightly by the time everybody packed up and went home. Mrs. Harold Vance, did a rushing business and was sold out by the end of the show. Many others, too many to name, gave freely of their time and efforts to make this Annual Horse Show again a whopping success.
