CLARKSTON, MICHIGAN, THURSDAY, SEPTEMBER 29, 1955

WOLVES WIN FIRST LEAGUE GAME 31-0

by Ira Pence

Clarkston celebrated Dad's night and the official opening of their new lighted football field with a 31-0 victory over Brighton. This, the first league game, was played on an excellent field before a good sized crowd. The Wolves seemed inspired and out-hustled the Brighton team from the opening kick-off.

Nate Riffle's kick-off carried to the Brighton 2 where Larry Raub, Brighton's starting right half, picked it up and returned it to the 32. The next three plays only netted the Brighton team 2 yards and Brighton kicked from their own 34. Jim Eldis was rushed and got away a poor kick which rolled out on Brighton's 45. Clarkston then, with a sustained drive featuring 2 long runs by Clyde Kizer, moved to the 6 from which Lang scored. Leroy Parks' pass try for the extra point was incomplete.

Nate Riffle again kicked off for Clarkston who regained the ball when Brighton was forced to punt on the 4th down. On the first play Clyde Kizer made another first down on an off-tackle play good for 12 yards. Then it

was George's turn and he ran around the other side to the 10, a gain of 30 yards. Clyde Kizer carried to the one and then wormed over for Clarkston's second touchdown of the quarter. Clarkston again failed to add the extra point.

Clarkston kicked off but regained the ball when Brighton fumbled 2 plays later. Clarkston had driven from Brighton's 45 to the 32 when the 1st quarter ended.

The 1st play of the 2nd quarter was a 20 yard touchdown pass from Lang to Passage. Parks passed to Kizer for the extra point.

Riffle again kicked off and then nailed Morgan before he had gone 7 yards from where he received the kick on the 10. Brighton then tried to pass, but Lang intercepted the 2nd attempt a foot from the ground after it had bounced off the hands of the intended receiver, and raced into the end zone. But even before the cheers of the crowd had died, Brighton accepted a clipping penalty against Clarkston which nullified the touchdown and placed the ball on Brighton's 27. Only 2 plays later Lang scored with an 18 yard drive over the left side of Brighton's line. The extra point attempt by Fred Vess was blocked. Score: 25 - 0, Clarkston.

Clarkston's kick-off was run back to the 30 by Eldis who was forced to kick 4 plays later. Clarkston took possession on the Brighton 47. On the 1st play Parks, who did most of the quarterbacking for Clarkston, threw a 47 yard touchdown pass to Passage which was called back by a personal foul penalty against Clarkston. Doug Fortin, who did quite a bit of punting for the Wolves on the previous Friday, was called upon for the first time to display his talents. His high 20 yard kick was put into play by Brighton on their own 30 yard line. Brighton re-arranged 4 plays later with a 30 yard kick which Clarkston put into play on their 27 yard line. Clarkston then started another drive, sparked by Kizer's 30 yard run, but Brighton was able to hold off the Wolves just long enough, and the half ended before Clarkston could score.

Brighton kicked off to open the second half and Kizer immediately drove 15 yards for a first down. Then came the play of the game, Lang received a hand off from Parks and ran out to his right. Looking down field he saw his right end, Passage, in the open and fired a perfect strike, good for 60 yards! Then for an anticlimax the officials, Hal Buerge of Wayne High, Bob Craig of Leigh High, and Maury Levine of Western Michigan, ruled that Clarkston's backfield was in motion which not only nullified the gain but set Clarkston back 5 yards. Lang was then caught behind the line of scrimmage for a loss of 10 yards. And again Clarkston called upon Fortin to kick. Brighton then had a chance to score as Fortin was tackled in the end zone while trying to recover Bill Mackson's bad center. This time Mackson's center was good, and Brighton put the ball into play on their own 45. Four plays later Clarkston again took possession of the ball as Brighton failed to make a 1st down. Lang, now playing quarterback, tossed one over the center to Passage, good for 6 yards. Then after an incomplete pass Swayne playing fullback, ran through the middle of the line and crossed the goal line 53 yards away. The nearest player was 10 feet behind him. This was the longest running play of the game and ended the scoring as the try for the extra point failed.

Clarkston then substituted and Gary Nelson kicked off for Clarkston. In the rest of the 3rd and all of the 4th neither teams scored although both threatened. Brighton might have scored but their center made 5 bad moves which cost the Bulldogs 60 yards. The game ended with the ball in Brighton's possession on their own 38. Final score, Clarkston 31 - Brighton 0. With this win Clarkston moved into 1st place in the Wayne-Oakland league. Sharing the berth is Clarenceville who defeated Milford 26-0.

Attention! Garden Club

There will be no meeting of The Clarkston Farm and Garden Club on Monday. The next meeting will be on Wednesday, October 19, at the Community Center when the Farm and Garden Club will meet with the Clarkston Community Women's Club to hear a special speaker, Mrs. Alice Wessels Burlingame.

R. J. SEETERLIN NAMED MACK PURCHASING AIDE

R. J. Seeterlin has been named assistant to J. M. Steffe, vice-president and director of purchases for Mack Trucks, it was announced by P. O. Peterson, president.

Mr. Seeterlin came to Mack from the Studebaker-Packard Corporation. He joined Studebaker nine years ago and for the past five years headed their purchasing department at New Brunswick, N. J.

During World War II he served successively with the U. S. Army Quartermaster Corps at Detroit, Mich., and with the Army Ordnance Department at South Bend, Indiana.

Mr. Seeterlin is a native of Clarkston.

Democrats Plan Annual Dinner

Oakland County Democrats are busy planning their first Annual Eighteenth Congressional District Dinner. The dinner, which will be held at Northwood Inn, Berkley, on October 27, will be a fund-raising affair to give financial support to the 18th District's Democratic Congressional candidate in 1956.

The chairman of the dinner is Mrs. Robert Phillips of Huntington Woods. Chairmen of the committees are: Mrs. Paul Sutton, program; Donald Adams, eating; Mrs. Zigmund Niparko, decorations; Martin Meyer and Carl Pirsher, program book; Mrs. Margaret Kroesing, Mrs. Ray Rango, State Representative Leslie Hudson and State Representative Walter MacMason, arrangements; Mrs. Hiram Terry and Mrs. Cynthia Nelsey, reception; Mrs. Fred Elias and Mrs. Donald Swanson, publicity and John Tracey, tickets.

Mr. Tracey, who is faced with the problem of limiting the gathering to 400 people, has requested that Oakland County Democrats send their reservations to him at 2100 N. Wilson, Royal Oak. In order to assure reserved tables for city and township clubs, it will be necessary for club chairmen to make their reservations as soon as possible.

Reminder

The Annual Rummage Sale sponsored by the Clarkston Farm and Garden Club will be held at the Community Center on Friday and Saturday, October 14 and 15. If you have any rummage to donate call Mrs. Arnold Barrett, chairman, or Mrs. N. E. Maytag, co-chairman.

Clarkston Locals

Richard K. Foster, twelve year old son of Mr. and Mrs. O. F. Foster of Route 1, Clarkston, is one of 350 boys from all corners of the United States as well as South America now attending Cranbrook School in Bloomfield Hills. "Dick" who is entering the seventh grade, will be a boarding student throughout the coming academic year.

Mrs. Basil Taylor and daughter, Barbara, left on Tuesday morning for Chicago where they boarded the California Zephyr and headed west. They will visit Mrs. Taylor's parents, Mr. and Mrs. William Alexander, in Oroville and two sisters, Mrs. Ralph Clark, also in Oroville and Mrs. George Hauptman in Hollywood. They expect to be gone about a month.

Folks will be glad to know that Garnet Poulton, who underwent surgery at St. Joseph's Mercy Hospital on Tuesday is doing nicely. His room number is 306. Also Richard-L. Thornburg of Maybee Road, who is a patient in the same hospital is getting along fine following surgery on Tuesday. Joseph P. Hubbard returned to his home on Allen Road on Tuesday evening where he is convalescing after an operation at St. Joseph's Mercy Hospital several days ago.

Waterford

Family Day was observed last Sunday at the Community Church with the Sunday School attendance going to 382. Following the morning service the Ladies Auxiliary and Adult Bible Class were hosts at a dinner served to 115 people. A group of 5 young ladies of the Sunday School helped in the dining room.

The Adult Bible Class of the Community Church will meet Tuesday, October 4th, at 7:30 p. m., at the home of Mr. and Mrs. Alton Goff. The Ladies Auxiliary will have a cooperative luncheon on Thursday at the home of Mrs. Henri Buck.

School Gets Milk At Lower Rate

Due to changes in the regulations of the special milk program by U. S. D. A., there will be a reduction in the price of school milk.

Children previously have been charged 25 cents per week for milk or 5 cents per half pint.

Beginning Monday, September 26, milk will cost 25 cents per two weeks or 2 1/2 cents per half pint.

This reduction in milk cost does not apply to Type A lunches (hot lunches). It is applicable only to the extra milk consumption. For example: children purchasing only milk can obtain it at the rate of 2 1/2 cents per bottle, or children purchasing an extra 1/2 pint of milk over and beyond that furnished with Type A lunches can purchase it at 2 1/2 cents per bottle.

G. O. C. Tower To Be Built

Sufficient money has been appropriated by Springfield Township Board to cover the cost of building a G. O. C. Tower in Davisburg.

Erection of the tower is to take place very soon under the direction of Don Chamberlain and volunteer helpers. Anyone interested in 'sky-scanning' please contact William Cullen, phone ME 7-1895, as volunteers are badly needed.

William Cullen is the Ground Observer Corps Supervisor.

Charlotte Ann Maybee, Daughter of Mr. and Mrs. Russell Maybee of Maybee Road, has returned to Flint to resume her teaching duties.

Love On The Road

Remember my love in the year '23?
I had only you and an old Model T.
We cared very little for pomp or for style.
Our honeymoon trip was a trip to Belle Isle.

The love in our hearts gave us reason to live
In a world where we planned our utmost to give;
In hopes that some day we'd look back in pride,
And feel that our efforts had been justified.

Many's the path where the Model T led
That was bumpy and jagged and rough on the tread.
Darkness and detours have altered our course,
Yet always we followed God's great guiding force.

In 32 years, taking turns at the wheel,
I am sure that our blessings are many and real.
The byways we traveled were rough in their day,
But always they led to a super highway.

The back seat was filled with kids we adored,
And brought on a need for the Model A Ford.
Great changes were made since the old Model T,
And a few I have noticed in you and in me.

New drivers are putting their hands to the wheel,
And trying the motor for power and feel.
May God's angel of love, ever, be standing near
As she has on the roads that we've traveled here.

Rotary Anns Start Season

The Clarkston Rotary Anns met at the home of their president, Mrs. Leslie F. Greene, on Tuesday evening. Mrs. Charles Rockwell and Mrs. Ronald Walter were co-hostesses. There was a splendid attendance.

A. L. (Pete) Rose attended the meeting long enough to tell briefly about the United Fund Campaign which starts in Independence Township on October 15th. Mrs. Charles Rockwell accepted the chairmanship of the Drive and several of the group volunteered as workers. They will meet some time next week to outline their program.

Mrs. Ira Snader gave a report on the Crippled Children's Society meeting held in September when L. C. (Slip) Mege was re-elected president.

A walker for adults has been donated to the Rotary Anns and they will have it to loan to anyone who needs a walking aid.

After the business meeting Mrs. Rolfe Smith, program chairman for the evening called upon new members, Mrs. William Race, Mrs. Frank Ronk and Mrs. Robert Wilkinson, and several of the older members to give a short resume of their lives. This was very interesting.

Delightful refreshments were served from a table attractive with a dark green cloth, a center arrangement of fall flowers and lighted candles.

The next meeting will be on October 25th at the home of Mrs. Allen W. Hawke, 2890 Dixie Highway.

Clarkston Pioneers Elect Officers

The Clarkston Pioneer Club met at the Community Center on Thursday of last week. At the luncheon which was provided by the Pioneers, and served at 12:30, Mrs. Ruby Bradford gave the invocation. Birthdays were recognized.

The Women's Club is anxious for everyone, young and old, to use the library. The women have given many hours of work to give the library "appeal". That is they are making the reading room interesting and comfortable, and are lining the shelves with books that are worth while.

The children's shelves are being filled with new books that every child should see and read. Some of these are: The Plain Princess by Phyllis McGinley and The Most Wonderful Doll in the World by the same author; The Emerald City of Oz by L. Frank Baum; Sawdust in His Shoes by Eloise Jarvis McGraw; Dolly Madison by Helen A. Monsell and Quaker Girl also by Helen A. Monsell; Abraham Lincoln by Genevieve Foster and George Washington by the same author.

Clarkston J. V. Defeated 19-0

Clarkston J. V. was defeated by Brighton in their first game of the season. The J. V. team is light and inexperienced as only 6 of 14 returning J. V. lettermen remained after the first 2 weeks of football practice.

Brighton scored on the opening kickoff and scored twice later in the game on double reverses. Bob Knight was Clarkston's main ground gainer while Dave Montrieul and Jerry Snover formed the main bulwark of defense.

Girl Scout News

Girl Scout troop 390 met at the Methodist Church. Our leaders this year are Mrs. DeLongchamp and Mrs. O'Marra. We had election of officers and Paula Parker was elected president; Maureen O'Marra, vice-president; scribe, Diane DeLongchamp; treasurer, Kay Felspiel; color guards, Jean Powell, Ann Wignall, Shirley Beach and Sally Morgan.

Visit Your Library For Good Reading

If you haven't visited your library on N. Main Street, then you have missed a real treat. The display of good books is really amazing. There is what is termed 'light' reading as well as 'heavy' and reference books galore.

The Women's Club is anxious for everyone, young and old, to use the library. The women have given many hours of work to give the library "appeal". That is they are making the reading room interesting and comfortable, and are lining the shelves with books that are worth while.

Two leagues were formed from Junior High and Senior High School boys and will run for six weeks.

From 9:30 to 11:00 A. M. boys in grades 6, 7 and 8 will play and from 11:00 to 12:30 boys in grades 9, 10, 11 and 12 will play. Varsity players are ineligible.

"Registrations can be made at the field at no charge. Neighborhood and school class teams will be accepted, otherwise teams will be chosen at the field", announces Superintendent of Recreation, Thomas Belton.

FUN PROGRAM

The Community Center on Williams Lake Road is again the site for the recreation department sponsored Saturday Morning Play Program.

This program started Sept. 24 and will be conducted weekly from 10:00 a. m. to 12:00 noon for boys and girls ages 7 to 14.

Activities will consist of gym games, arts and crafts, table games and quiet games. There is no charge with the exception of costs of crafts materials which is nominal.

**TRAVEL ADVENTURE
SERIES TICKETS ON SALE**

Family season tickets for the recreation department sponsored Travel Adventure Series went on sale last week at all township drug stores.

"Belgium & Holland", presented in person by Robert Friars will cast off six world adventure films in natural color.

The purchase of a season ticket will enable people living in the immediate household to attend each of the six monthly programs.

"Ticket price rate has been determined at the lowest possible rate in an effort to make available programs to all community families", announces Superintendent of Recreation, Tom Belton.

BALLET

The Waterford Township Recreation Department sponsored ballet classes started Saturday with an enrollment of 150 pupils. An enrollment of approximately 50 more youngsters is expected by next Saturday. There is room for more students in each of the beginners classes, registrations are still being taken, please read over the following schedule and call the recreation office, OR 3-9152 and enroll your child in the class designated for his age.

Saturdays: 9:00-10:00 a. m. Beginners, 5-6 and 7 years of age; 10:00-11:00, advanced; 11:00-12:00 noon, advanced; 12:00-1:00 p. m. advanced; 1:00-2:00 beginners, 8,

9 and 10 years of age. Thursdays: 4:15 to 5:15 p. m. advanced; 2:00 to 3:00 p. m. preschool children, ages 3-5.

All classes are held at the Community Activities Building on Williams Lake Road. Classes are under the direction of Carol Wolfe and accompanied by the piano music of Mrs. Ralph Haan.

The name Michigan comes from the word Mishigamaw, meaning "Great Water".

Gitche Gumee, the locale of Longfellow's "The Song of Hiawatha", is the Lake Superior area of northern Michigan. Longfellow drew his information for the poem from Henry Schoolcraft, an Indian historian and scientist who lived at Sault Ste. Marie.

An important point about stock car racing that may not have occurred to you:

**The safer car wins...
and Chevrolet is the big winner**

Auto races aren't won by brute horsepower. Roadability, acceleration, precision steering and stamina—the very qualities that make a car safer for you—are the keys to victory on the track! And that's why Chevrolet is top car, by far, on the NASCAR (National Association for Stock Car Auto Racing) Short Track circuit.

Faster acceleration means safer passing
Chevrolet's cannonball acceleration has punched past many a bigger car to victory. But the same blazing surge is a vital safety factor on the highway—one that can whisk you more safely around other cars and out of critical situations.

Easier, super accurate steering
Nimble is the word for Chevrolet. But you don't have to see them in action on a tight quarter-mile track

to judge how they make other cars seem clumsy. You can feel that yourself in the press of traffic, and sense the feather-light precision of Ball-Race steering in every curve. There's extra safety, too, in Glide-Ride front suspension that sops up the harshest bumps—that lets your car "keep its feet under it" for maximum traction on the roughest roads.

More stability on curves
Chevrolet's famous stability means money in the bank to the race driver—it lets him broadside through turns faster and smoother. But it means peace of mind to you on the road—more comfort in every curve and less body-roll with broad-based Outrigger rear springs, extra security if you have to swerve sharply to meet an emergency, a solid "one-piece" feel that is a delight to any driver.

The ability to slow down and stop quickly and smoothly

Those big 11-inch brakes have averted many a disaster in the close-packed battle of racing. But they weren't designed for that; they were made to give you "heads-up" stops and extra stopping power in traffic, on mountain grades, on high-speed expressways. Competition has merely proved their margin of superiority!
Come in and try out this new winner yourself... and see how easy we're making it to buy a Chevrolet right now!

Attention New Home Owners:
 Yours being an average American family, you will undoubtedly own a television set. Your used antenna or new one should therefore be properly installed by experts on your new home to necessitate a good installation that will add to the beauty of your new home. Custom installed antennas have a practical advantage as well as being neat appearing. We can install a COLOR-READY antenna of the highest quality, properly grounded, at a fair price, which we know will give the best service the year round.
 Another feature available of custom-installed antennas is that we can install two or more down leads in the walls of your home that are attached to plug-in outlets. This means hidden wire, unexposed to the eye, ice and snow, which in turn lessens the possibilities of broken leads, and makes T. V. and furniture rearranging a simple task without the need of technical help and loosely strewn wire behind the set.
 We have seven years' experience in the field of quality service and installations and can proudly boast of no fallen antennas, so have your antenna ready for use when you move in. Call us before you plaster if possible.
 In hopes that we may be of service to you, we are,

 The perfection and supremacy of God's infinitely good creation will be emphasized at Christian Science services this Sunday.
 Readings from the King James Version of the Bible and correlative selections from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will comprise the Lesson-Sermon on the topic "Unreality."
 From Ecclesiastes (3:14) will be read the following verse: "I know that, whatsoever God doeth, it shall be for ever: nothing can be put to it, nor any thing taken from it: and God doeth it, that men should fear before him."
 Among the correlative passages to be read from Science and Health is the following (525:20-22): "Everything good or worthy, God made. Whatever is valueless or baneful, He did not make,—hence its unreality."

SOCIAL SECURITY OFFICE TRIES TO LOCATE 200,000 PEOPLE
 The Social Security Administration is trying to locate 200,000 people before the end of September, says Rex A. C. Atwood, Manager of the Pontiac Social Security Office.
 The 200,000 are survivors of wage earners who died between June 1940 and September 1950. Many of these persons have had previous claims for social security benefits disallowed because the worker did not work enough under the Social Security Law as it then stood.
 The 1954 Amendments to the Social Security Law make possible monthly payments for eligible survivors if a worker worked as little as a year and a half under social security. "The 1954 Amendments became effective a year ago and since benefits can't go back more than a year, some people may lose money if they don't get in touch with us soon", says Atwood.
 The following survivors of deceased workers may be eligible:
 1. Widow over 65.
 2. Widow under 65 if she has children under 18.
 3. Children under 18.
 4. Aged, dependent parents.
 The Social Security Office in Pontiac is located at 18 South Perry Street, Room 322 Hubbard Building. Their office hours are from 8:45 A. M. to 4:45 P. M., Monday through Friday.

to the success of "Cinerama Holiday" now entering its 33rd week at the Music Hall, Detroit, is that it has become a great favorite with groups and organizations throughout the Michigan and Ohio area.
 The demand for theatre parties from fraternal, social, civic and industrial groups has been so great that a special group sales department was formed to handle just this phase of ticket selling.
 Conventions also are finding Cinerama a way to solve their entertainment problem. Just last week, the Michigan Probate Judges Conference, one of the largest state meetings ever held selected "Cinerama Holiday" as the No. 1 entertainment attraction for their delegates.
 Further indication of Cinerama's drawing power are the 1200 members of the 4-H Clubs of Central Ohio who chartered a special train starting from Lima to Detroit to see a morning performance put on exclusively for them.
 Actual attendance by groups runs into the hundreds of thousands. Some of the more recent ones are: Grant Reform Church, 150 from Grant, Michigan; Vickers, Inc., 150; Massey-Harris-Ferguson, Inc., had 200 from Indiana; Adams County Home Demonstration Club chartered a Wabash train and 148 came from Berne, Indiana; Toledo Y. M. C. A. sent a group of 172 and The Champion Spark Plug Co. of Windsor, Ontario had 120 employees attend in a group.

Anything less is an old-fashioned truck!

New Chevrolet Task-Force Trucks

They're the most modern trucks on the road. If you don't get all the advantages they offer, you stand to lose money on the job today... and again at trade-in-time!

Most modern power—V8 or 6
 In most new Chevrolet truck models, you have your choice of V8* or 6. Chevrolet's new truck V8's have the shortest stroke of any V8 in any leading truck! That means less friction and wear per mile. The valve-in-head sixes are new editions of the engines that have long been famous as the "work horses" of the truck world! And all Chevrolet truck engines have a modern 12-volt electrical system for quicker starting, better ignition and a greater electrical reserve.
 The truck driver's "dream cab"
 That's the closest we can come to describing the new Flite-Ride De Luxe cab. What truck driver wouldn't go for features like these: panoramic windshield for wider, safer vision; concealed Safety Step that stays clear of snow, mud and ice; High-Level ventilation that provides a more constant supply of outside air in all kinds of weather.
 Most modern truck styling
 We call it Work Styling—and you get it only in new Chevrolet trucks! Two fresh, functional styling treatments are offered—one for light- and medium-duty models, another for heavy-duty models. Your Chevrolet truck will do your job better—and look better doing it!
 Most modern features throughout
 Advanced suspensions, more rigid, ladder-type frames! Tubeless tires standard on 1/2-ton models! Come in and see all the ways you're way ahead with new Chevrolet trucks!
 *V8 standard in L.C.P. models, an extra-cost option in all others except Forward Control models.

So That None Shall Be In The Dark

capped people, the week has a secondary purpose, that of making everyone in the Detroit area conscious of the worth of the handicapped person as a part of society.

"As an individual, the householder cannot hire a handicapped person, it is true, but they are able to aid immeasurably in keeping 400 handicapped people gainfully employed at Goodwill Industries. These workers renovate useable discards which would otherwise be wasted. They sell them in 6 Goodwill Industries' stores. During this week, it would be a nice gesture if everyone who was able to do so would fill a Goodwill bag.

"It must also be remembered that this National Employment of the Physically Handicapped Week is merely meant to draw attention to a growing problem in our community. The problem exists throughout the year and there is no easier way for the average person to help his less fortunate neighbor than to remember Goodwill Industries, when discarding materials."

NATIONAL EMPLOYMENT OF THE PHYSICALLY HANDICAPPED WEEK, OCT. 2-8

President Dwight D. Eisenhower urged everyone to observe National Employment of the Physically Handicapped Week, October 2-8. Adding impetus to the campaign, he asked that a fourth "equality of opportunity" be added in our hearts to these of race, color and religion.

opportunities", the president urged, "the equality of opportunity for anyone who may be physically handicapped so long as that person can be made a useful member of society".

Many of the physically handicapped who have found jobs in Detroit industry were first conditioned and trained at Detroit Goodwill Industries.

Last year alone Goodwill Industries sent over 300 handicapped people into private firms and

since 1921 when Goodwill was founded in Detroit, over 20,000 handicapped men and women were trained at Goodwill before industry hired them.

Harold H. McKinnon, executive secretary of Detroit Goodwill Industries, pointed out that everyone could help hire the Handicapped. He said: "Although Employment of the Physically Handicapped Week is primarily aimed at employers to acquaint them with the abilities of handi-
