Starts Season

On September 19th the Clarkston Home Extension Group ston Community Women's Club attended Rally Day and the met for the first meeting of the season and held a Fashion Show and Tea. Eighty women attended and by all indications the afternoon was enjoyed by every-

> The models in the show were Mrs. Don Pringle, Mrs. A. W. Hawke, Mrs. Dean Smith, Mrs. R. M. Atkins, Mrs. Cornelius Migan, and Mrs. Owen Payne. Mrs. Keith Hallman was in

charge of the Tea. Preceding the show Mrs. Russell Coltson gave a brief resume ant issue is raising funds for the maintenance of the Independence Township Library. To begin doing this the club is holding a Bake Sale in the library on Friday, October 14th, from 9 a. m. until 12 noon. Any contributions will be fully appreciated.

PONTIAC SYMPHONY TO START CONCERT SERIES

Encouraged by the enthusiastic response to last season's concerts, Pontiac Symphony Orchestra, Francesco DiBlasi conducting, is announcing a five concert

Soloist for the opening concert, Oct. 19, will be Georges Miquelle, who has been called the outstanding cellist of our time. Club, has dairy, sheep, electrical Miquelle has played on CBS and NBC radio networks, on the National Dairy Congress in Chi- Ford Hour, and with all the major symphony orchestras in the United States and Canada.

He will play Haydn's Concerto for Cello and Bruch's Kol Nidrei. The orchestra will play Eine Kleine Nachtmusik by Mozart, Introduction to Act III of Lohengrin by Wagner, Berceuse and Finale from the Firebird Suite by Stravinsky. Prelude for Orchestra by Clark Eastham of Royal Oak, commissioned by the Symphony Orchestra, will have its first American performance at the opening concert.

Dec. 7, soprano Frances Greer will appear as soloist. Jan. 25 Edward Druzinsky, harpist, and career in Pontiac, will be heard. For the final concert, April 25. Celia Merrill Turner's A Chippewa Symphony will be heard for the first time. Mrs. Turner, who is associate conductor of the orchestra, will conduct her own composition. Francesco DiBlasi will be heard as soloist the same evening in Concerto for Trumpet by Saint-Saens.

Due in great part to their experience with Pontiac Symphony three former amateur musicians have turned professional with positions in major symphony orchestras. Barbara Wilson of Ferndale, who plays double bass, auditioned for Leopold Stokowski in New York last summer and has been accepted for his Houston Symphony Orchestra. Don Roth, Jr., French horn player, of Royal Oak, has joined the Detroit Symphony. Isador Saslov. Detroit, violinist, has also signed a Detroit Symphony contract.

Genesee, Pontiac.

Season tickets may be ordered from Mrs. E. D. Foley, 2852 Old Clarenceville Orchard Drive, Pontiac.

School News Saturday, Oct. 8 WOLVES RETAIN

W-O LEAD 13 - 0 Clarkston defeated West Bloomfield 13-0 in their second league game Clarkston's line although badly outweighed, fought gamely and prevented the Lakers from scoring. The win put Clarkston all alone in first place as Clarenceville played a non-league game with Garden mission charge.

The game started off with a bang as Clarkston led 6-0 at the end of only 5 plays. Clarkston had lost the toss and Nate Riffle had kicked off to start the game. The Lakers put the ball into play on their own 22 but a fumof the Club's past and future ble on the first play gave Clarkprojects. A major and import- ston the ball on the 20. Clarkston's right half, Clyde Kizer, scored three plays later to give Clarkston the lead they never relinguished.

> Nate Riffle kicked off again and after several futile attempts West Bloomfield started a drive on their 40. Working their big half back, Larry Hollister, almost every play they worked the ball to Clarkston's 18 only to lose the ball when an official's penalty and Clyde Kizer's driving tackle on an end run attempt deprived them of a first down. Clarkston then took over and had driven to Bloomfield's 12 when the quarter ended.

Clarkston continued the drive with a pass over the center from Leroy Parks to Chuck Passage good for 7 put the ball on the 1. On the next play George Lang wormed across to score Clarkston's second touchdown of the game. Clyde Kizer received George Lang's pass in the end zone to add the extra point. This play ended the scoring and climaxed Clarskton's longest drive of the game. The drive was highlighted by another of Clyde Kizer's long runs and Doug ston last year can undoubtedly of the season.

seemed to lose that magic some- school activities. thing and only bad luck prevented the Lakers from scoring, as thty ran over, around, and nated by local merchants and inthrough the Wolves from their own 20 to the Clarkston 2. There districts along with members of you will get all you can eat. a penalty called back a first down the student body. James Pellerite, flutist, will be on the one and gave the ball to guest artists. March 14, Vivian Clarkston. The half ended 3 plays Scott, pianist, who began her later with the ball on Clarks-

Don Bradley kicked off for the Lakers to open the second half and Clarkston put the ball into play on the 20. Several plays 18 NEW MAGAZINES ADDED later George Lang made his longest run in the game, from his own 34 to the Bloomfield 33 a gain of 39 yards. But the drive this sparked ended abruptly when Gene Neeley recovered a fumble in Clarkston's backfield.

During the remaining part of the 3rd and all of the 4th quarter neither team really threatened and most of the game was fought between the 30 yard lines. West Bloomfield was hampered by several injuries for, although no one was hurt seriously, 2 men had to be helped off the field; and by an inability to complete passes, Clarkston intercepted 2 and knocked down 5 in the 4th quarter alone.

This game broke a jinx that West Bloomfield had on Mr. Hintz's crew who up to this time had been unable to score on their field and had lost to them at every encounter in the past 3

Although it is too early to tell anything of the way the league race will end, the Wayne-Oakland League standings are now: Clarkston 1-0

Northville Brighton Holly West Bloomfield

NEW FOOTBALL FIELD HEIGHTENS SCHOOL SPIRIT

Previous to the first game of the season, the spirit of Clarkston High was enlightened greatly by the thought of our first game being played on our newly illuminated football field.

Although the first game was won by our opponents, the enthusiasm of the spectators proved that the ardent efforts of the team were not wasted.

Junior High Dance

The first Junior High Dance for the season will be held in the High School Gym on Saturday night, Oct. 8th, from 8 until 10 o'clock. These / dances are sponsored by the Clarkston Community Women's Club. This will be a 'record' dance and there will be a very small ad-

Persons in the livestock business who have not obtained their licenses before Oct. 1 to do business during the next 12 months are in violation of state laws, according to Director G. S. McIntyre, of the Michigan Department of Agriculture. The yearly licenses are renewable each Oct. 1.

The term "in the livestock business" covers a lot of persons. Those required to purchase a license before Oct. 1 of each year are those who engage in or carry on the business of buying, receiving, selling, exchanging, transporting, negotiating or soliciting the sale, resale, exfer of any animals within the state.

Last year 10 of such licenses were issued. The licenses are \$10 and \$5. The former are for those who operate a livestock yard where animals are kept and sold at public or private sale.

Importance of licensing dealers in livestock was recognized as early as 1937 when the livestock law now in use was passed

NEW 202-h.p. Thunderbird Y-8 engine

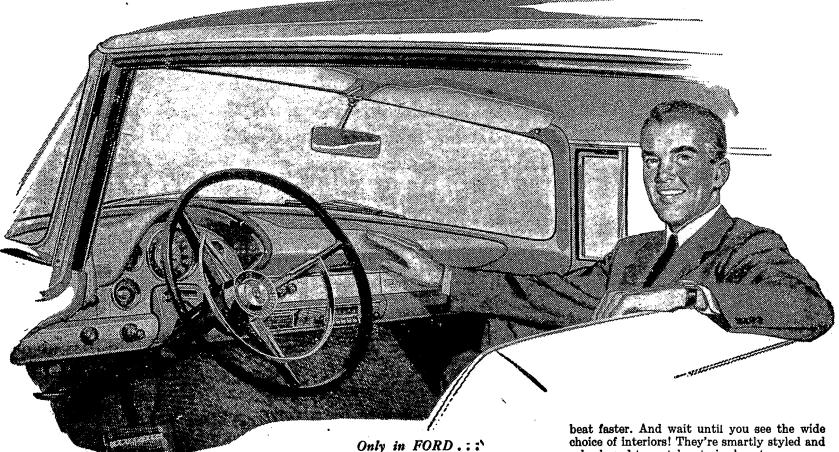

Its Thunderbird-like "GO" is yours in all Fordomatic Fairlane and Station Wagon models. In Fordomatic Mainline and Customline models you may have the

NEW Thunderbird Styling

In the Fairlane Victoria (left)—as in all 18 new Fords -you find the same long, low, exciting lines that won America's heart in the Thunderbird (above).

The '56 FORD with new LIFEGUARD DESIGN

For '56, Ford brings you the most exciting safety news in car history. It is Lifeguard Design-developed after more than two years of research to help protect you against the major causes of car-accident injuries. A deepcenter Lifeguard steering wheel has a cushioning effect in accidents. Lifeguard double-grip door latches resist springing open under shock. Optional safety belts are designed to keep passengers in their seats. And optional Lifeguard cushioning for instrument panel and sun visors gives you extra protection if you are thrown against them.

ORlando 3-1925

At last you can have fun like the Thunderbird's in a family-size car! The '56 Ford's mighty 202-h.p. Thunderbird Y-8 engine gives you instant response at all driving speeds. And deep-block design means that you get this tremendous Thunderbird-like "GO," smooth as cream, whisper-quiet.

new 202-h.p. Thunderbird Y-8

Only in FORD ... new Thunderbird Styling

All 18 new Fords have the dramatic, gogetting lines of the fabulous Ford Thunderbird. Decked out in the flashing brilliance of the very latest colors, they'll make your heart color-keyed to match exterior beauty.

Only in FORD . . . so many worth-more features

Feature after feature marks the new Ford as truly a fine car . . . a fine car at half the fine-car price! With Lifeguard Design, Thunderbird style and Thunderbird power, the '56 Ford offers an unequaled host of worth-more features. These include a sturdy K-bar frame, a welded, sound-insulated steel body, kingsize brakes and many more features that combine to make this new Ford the outstanding car buy for '56.

just what kind of policy to get.

From where I sit, to be a good

salesman-or a good citizen-it

always helps to "put yourself in

the other man's place." He may

have a different sort of job with

different problems ... he may pre-

fer to close a deal over, say, a

friendly glass of beer while you

might prefer something else. But

both of you can co-operate if you

make it a "policy" to try.

Hack Willis had just stopped the tractor so's he could cool off at the pump, when a young insurance salesman came up the drive.

Hack was tired of plowing, and needed insurance on his new barn. But he also needed to get that winter rye in fast. The salesman, an eager kid, noticed hesitation. "I come from a farm," he said. "Why don't you look at these booklets-get all the dope-and I'll take that plow a couple of rounds for you.'

Young fellow laid off a pretty straight furrow, too. It was almost dark before Hack-sitting

LOOK AT ALL THE CHECKERED FLAGS CHEVROLET'S COLLECTED!

Drive with care ... EVERYWHERE!

Great Features back up Chevrolet Performance: Body by Fisher-Ball-Race Steering-Outrigger Rear Springs - Anti-Dive Braking - 12-Volt Electrical System - Nine Engine-Drive Choices.

Every checkered flag signals a Chevrolet victory in official 1955 stock car competition—not only against its own field but against many American and foreign high-priced cars, too!

Let's translate these Chevrolet victories into your kind of driving.

You've got to have faster acceleration to win on the tracks. And that means safer passing on the highways. You've got to have better springing and suspension. Again, safer and happier motoring for you. You've got to have big brakes that act fast and smooth . . . and easy, accurate steering. More things that make your driving safer.

But it's more fun to try these things out than just to talk about them. So come in and let's take a ride.

Attention New Home Owners:

Yours being an average American family, you will undoubtedly own a television set. Your used antenna or new one should therefore be properly installed by experts on your new home to necessitate a good installation that will add to the beauty of your new home. Custom installed antennas have a practical advantage as well as being neat appearing. We can install a COLOR-READY antenna of the highest quality, properly grounded, at a fair price, which we know will give the best service the year round.

Another feature available of custom-installed antennas is that we can install two or more down leads in the walls of your home that are attached to plug-in outlets. This means hidden wire, unexposed to the eye, ice and snow, which in turn lessens the possibilities of broken leads, and makes T. V. and furniture rearranging a simple task without the need of technical help and loosely strewn wire behind the set.

We have seven years' experience in the field of quality service and installations and can proudly boast of no fallen antennas, so have your antenna ready for use when you move in. Call us before you plaster if possible.

In hopes that we may be of service to you, we are,

FIRST CHURCH OF CHRIST, SCIENTIST

Oxford, Michigan Sunday School 11:00 A. M. Sunday Service 11:00 A. M.

How spiritual understanding of divine law brings freedom from discord of every kind will be explained at Christian Science services Sunday.

Keynoting the Lesson-Sermon 'Are Sin, Disease, and Death Real?" is the Golden Text from Romans (8:2): "The law of the Spirit of Life in Christ Jesus hath made me free from the law of sin and death.'

The importance of coping with sin is emphasized in selections to be read from "Science and Health with Key to the Scriptures' by Mary Baker Eddy including the following (315:16): "The likeness of God we lose sight of through sin, which beclouds the spiritual sense of Truth; and we realize this likeness only when we subdue sin and prove man's heritage, the liberty of the sons of God."

Readings from the Old and New Testaments of the Bible will include Christ Jesus' parable of the prodigal son (Luke 15).

Gas Serves BEST . Costs LESS

Get the Facts ... MODERN GAS SERVICE IS AVAILABLE IN THIS AREA BEFORE YOU BUILD, BUY, OR REMODEL CALL CONSUMERS POWER COMPANY, FEDERAL 5-8151 FOR INFORMATION AND SERVICE.

Remember

YOUR HOME NEWSPAPER

All matters handled through the Prebate Court require a certain amount of legal publication in one of the county papers. Foreclosing a mortgage entails publication of the foreclosure notice in a county paper. .

Either the probate court officers or your attorney will have your legal publication carried in The Clarkston News if you request it.

We solicit the privilege of carrying such legal publications. This form of advertising is valuable to us. When you support us in this way we are able to give you a better paper each week.

Mr. L. James Bulkley, Chairman of the Institute's Board of Trustees officiated, introducing Dr. Alexander G. Ruthven, President Emeritus of the University of Michigan, who gave the dedication, and Mr. Armand Spitz of Elkton, Md., inventor of the planetarium installed at Cranbrook, who was guest speaker and demonstrator before a small group of invited guests representing the donors: 10 business firms, 11 associations and clubs, four

foundations and 150 families. This is the first time the public nas contributed to the cost of constructing a building in the Cranbrook group of six institutions. William E. Kapp, Detroit architect and designer of the new building, donated his ser-

Public demonstrations will not be given until November as some of the interior equipment is not yet installed.
