21 Club Learns Dance Steps

Over 120 students from the Clarkston Community Schools enjoyed dancing to Fenton Weaver's orchestra at The 21 Club Saturday evening, November 12, in the high school gym.

Mrs. L. V. Cushman taught those present, the steps in the Virginia Reel. Mr. Delmont Walter, master of ceremonies, guided the students through the circle, round and square dances planned for the evening. The Broom Dance, a novelty number, was one of the favorite selections on the program.

Chaperons for the evening included Mr. and Mrs. Carl Anthony, Jr., Mr. and Mrs. Robert Beaumont, Mr. and Mrs. Russell Blackett, Mrs. Orville Nelsey and Mr. and Mrs. Walton Robbins.

The 21 Club, sponsored by the Clarkston Community Women's Club, will hold a Christmas Dance on Saturday, December 10. Weaver's orchestra will again furnish the music. All 6, 7 and 8 graders, save the date, and come to the high school for an evening packed full of fun and sociability.

KITCHEN COMPLETED AT BAPTIST CHURCH

Fourteen members of the Baptist Women's Auxiliary met in the church kitchen on Tuesday evening. After a brief business meeting a kitchen shower was held and many, lovely and useful gifts were given for the new kitchen. The color scheme is pink and charcoal.

The women of the church invite friends and neighbors to visit the new church kitchen which is very attractive and so practical.

Girl Scout News

Girl Scout Troop 390 met at the Clarkston Elementary School on Tuesday and from there we went to the Pontiac Fire Station. We saw how they slide down the fire pole. We saw the life net and stretchers and how they receive the fire calls. We want to thank Mrs. Wagnell, Mrs. O'Mara and Mrs. Wagnell for taking us to the fire station.

This Land Of Ours

A week ago, across the way, There stood an empty plain. Few weeds, the morning breeze would sway, Upon the bleak terrain.

A few years back, it was a farm, Where days were spent in toil. The farmer worked with sinewed arm To clear and till the soil.

The farmer viewed his buildings trim, And felt an inward pride. They seemed to be a part of him. His work was justified.

With changing times, the farm has changed. The plow has left the scene. The contour has been rearranged And all is not serene.

Where all was calm a week ago, A city now is planned. Great scrapers lumber to and fro To mutilate the land.

Two houses loom across the way, Where once the farmer trod. The farm is changing every day, I hope by will of God.

Two Clarkston Men Hunt In Pennsylvania

A week ago last Friday Walter Barrows and Herbert Baynes returned from a successful hunting trip in Pennsylvania. They each bagged a wild turkey. Walt's weighed 17 pounds and Herb's 12 pounds.

They were guests of Mr. and Mrs. Blaine Cunningham of Kitting, Pa. and had a wonderful time. They enjoyed the mountainous country and the coloring in the woods was breathtaking.

BILLY GRAHAM FILM "OILTOWN, U. S. A." TO BE SHOWN IN WATERFORD

"Oiltown, U. S. A." released by Billy Graham Evangelistic Films, will be shown in Waterford on Saturday, November 19. Local arrangements are in charge of Rev. W. VanPlew, pastor of Waterford Community Church where the showing will be held. The church is located on Andersonville Rd., near Dixie Highway.

Evangelist Graham amazed the entertainment and religious world with the world's first Christian western film, "Mr. Texas". More than 5,000,000 persons have seen the film in its first two years of showings, and the Graham organization reported that over 135,000 persons have made "decisions for Christ" through the ministry of the picture during the first twelve months of showings.

"Oiltown, U. S. A.", was filmed during Graham's crusade in Houston, Texas, and features the young evangelist and his team in their meetings in Rice Stadium where the attendance was as high as 60,000 for a single service.

Featured in the 94 minute, full color film, are Colleen Townsend Evans, Paul Power, Robert Clarke, Georgia Lee, Ralph Hoopes, and the stars of "Mr. Texas", Redd Harper and Cindy Walker.

The doors to Waterford Community Church will be opened at 7:00 P. M. with the picture beginning at 7:30. All seats are on a "first come" basis, with no admission charge.

Advantages Told Police Recruits

New higher pay scales will be explained in detail by the Michigan State Police recruiting team which will visit Clarkston on Thursday, November 17, to answer questions and assist in filling out application forms of young men interested in becoming troopers.

A drive is now being conducted to obtain 200 more troopers authorized at the special session of the legislature to fight the highway accident toll.

Applications close November 30. Those sent by mail to the State Civil Service Commission in Lansing and postmarked by midnight of that date will be accepted.

Although men interested may call at a State Police post at any time or talk to any State Police officer, the recruiting team visit has been arranged for their convenience. The team will be at the Independence Township Hall from 9:00 A. M. to 5:00 P. M. Its members will be Cpl. Emmett Bradley and Tpr. Joseph Kendzienski of the Pontiac Post.

Of importance to prospective applicants is a substantial increase in pay in all brackets. In addition, the pay while in training school, has been raised to equal that received the first year by a trooper.

The former training school pay was \$116 every two weeks. It is now \$151 and ranges up to \$192 in the trooper rank. The maximum may be reached at the end of four years, or a year less than formerly.

Troopers also receive approximately \$75 a month subsistence pay, their traveling expenses and their uniforms.

The State Police is a career service and members are eligible to retire on a pension of half pay at the end of 25 years. The pension also goes to widows.

Applicants must be between the ages of 21 and 29, inclusive, not less than 5 feet, nine inches in height, and have a high school education or its equivalent. Married men as well as single are accepted.

"Here is an opportunity for young men to enter a career that gives them and their families security," said Sgt. Charles Mulick, commanding officer of the Pontiac Post. "It is a fine profession and young men concerned with their future should not overlook inquiring about it. This is a real chance for them."

Sunday School 11:00 A. M.

What purposeful living and intelligent consecration to God can mean for mankind will be explained at Christian Science services this Sunday.

Scriptural selections in the Lesson-Sermon "Soul and Body" will include the following from I Peter (1:22, 23): "Seeing ye have purified your souls in obeying the truth through the Spirit unto unfeigned love of the brethren, see that ye love one another with a pure heart fervently: Being born again, not of corruptible seed, but of incorruptible, by the word of God, which liveth and abideth for ever."

Rotarians Tell Of Hunting Incidents

When President Ronald A. Walker turned the program of the Clarkston Rotary Club over to Program Chairman Fred Warrick, at the weekly meeting held Monday at the Community Center, some strange hunting incidents came to light.

From the one member who related his experiences of traveling to the hunting grounds by train and team in the days before Ford proved that horses were not needed; through the period when some pious hunters carried tea in a liquor bottle to fool others in the party; by the member who did not hunt deer or "deer" because his wife would not let him; on to the present (which is about the level of the Indian—or where we started) great sport of hunting deer with bow and arrow. A refreshing sidelight was given by Jess Berg who told of traveling to Minnesota with Richard Bullen to hunt pheasant, and the system used to get their limit of birds.

Dinner was served by the ladies of the Seymour Lake Methodist Church. There may have been something else on the table, but all the writer saw were the delicious, home made biscuits and chicken gravy.

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy the following passage will be among those read (428:15-19): "We should consecrate existence, not to the unknown God whom we 'ignorantly worship', but to the eternal Father, the everlasting Father, to the Life which mortal sense cannot impair nor mortal belief destroy."

The candy comes in one pound cans. Because it is in such tightly covered cans it keeps indefinitely. Be sure to get some from any of the Cub Scouts.

FUNERAL MONDAY FOR RAY COLE

Ray Cole, 80, of Davisburg Road, Springfield Township, was found dead in his home last Friday night by Mr. and Mrs. Sam Miller. Mr. Cole, who lived alone, had been ailing for some time and the Miller family had cared for him in a neighborly way. Mr. and Mrs. Miller had gone to a party last Friday night and when they returned home about midnight they noticed a light in Mr. Cole's house. They went to see the reason for the light and found Mr. Cole. His only relative is a nephew, Howard Cole, of Brighton. The funeral service was held in Northville on Monday with burial in Plymouth.

PIONEERS TO HAVE TURKEY DINNER TODAY

The Clarkston Pioneers will meet this afternoon at the Community Center. A turkey dinner will be served at 12:30. Added to the list, in last week's paper, of those whose birthdays will be recognized is Mrs. Lillian McAbooy.

A business meeting will follow the dinner and the program "A Christmas Workshop" will make a full afternoon.

NINTH GRADE NEWS

The freshman class has been busy planning their activities for the year. They have been selling programs for the J. V. games and are planning to have a few dances during basketball season. The class will also be selling pins and pennants during the basketball season.

STUDENT COUNCIL NEWS

The Student Council attended the 11th annual Student Council Conference at University of Michigan October 25. They also attended the League Student Council meeting where election of officers took place. Valerie Hoyt was elected secretary.

The Student Council is making plans regarding the carnival. The Council is in favor of Friday night and getting students out of class Friday afternoon. The administration, headed by Mr. Klingman is in favor of holding the carnival Saturday night. The administrations main objection is to the number of students getting out of class and not working. The Council is working on a plan whereby this problem could be remedied.

The Council, after discussing the Halloween party and the problems that arose, believes that next year a party on the Saturday night before Halloween would be better for all concerned. This party would probably be a costume ball with round dance music supplied by a local orchestra. The only requirement for admission would be that one is completely disguised.

The Council has just bought 11 new records for our dancing pleasure. They are continuing the practice started last year of buying 2 new records a month.

EVER THINK about extension telephones as Christmas gifts? Almost anyone on your list would appreciate these *unusual* gifts—they make things so much easier around the home. And they will be appreciated every day of the year. They make unique gifts—not likely to be duplicated by others. An extension phone costs just \$1.21 a month including tax, plus a one-time installation charge. We'll install them just before Christmas or we'll attractively gift wrap them—free of charge—to place under the Christmas tree, to be installed after Christmas. To order your gift telephones, call our Business Office.

30 YEARS OF RESEARCH at the Bell Telephone Laboratories have resulted in a new type of cable that is actually a copper spring coiled inside a flexible covering. The new cable is called a "wave guide" and it can be run uphill or down and be bent around corners. Its most remarkable feature is the number of Long Distance conversations it can carry. In the future we may have "wave guides" no thicker than a fountain pen that will carry tens of thousands of Long Distance calls and many television programs at one time. Research such as this keeps Long Distance rates low. Call tonight and see!

THE OTHER DAY we heard of a little girl who wanted to call up and invite a playmate to come over. But Mary wasn't home, so she called June. She wasn't home either, so her mother suggested calling Phyllis. "Yes," said the little girl, "but first I'll wait a while because somebody else on the line might want to make a call."

Isn't it surprising how wonderful kids can be!

Advice for deer hunters on the way to care for killed game and the best ways to cook it is contained in a Michigan State University extension bulletin. A single copy is free at the county extension office.
Written by Paul M. Barrett, extension specialist, the booklet tells how to bleed the deer after the fatal shot, how to dress the carcass, how to cut it up and the venison cuts you can expect.
The booklet concludes with 15 recipes on how venison can be prepared for the table so it will be the most tasty.

Hope to see you there!

CLARKSTON CONCLUDES SEASON WITH 12-7 WIN SEASON RECORD 7-2

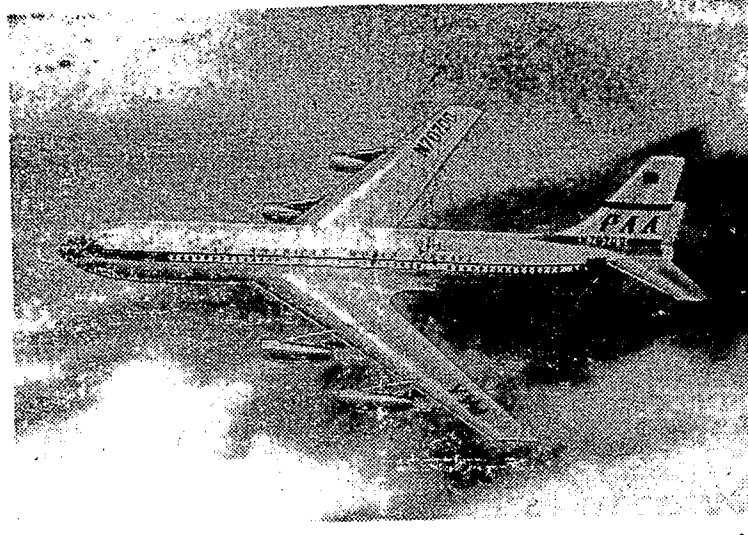

Clarkston ended its 1955 football season with a thrilling 12-7 win over a stubborn St. Freds team. The win concluded Clarkston's football season with a 7 won and 2 loss record. This is the best season that Clarkston has had under the present coaching staff of Ed. Hintz, head coach; Dominic Mauti, Gus Birtas and Bob Wilkinson, assistant coaches. Although last year this staff produced a championship team, it won only 5 while losing 3.

Clarkston played most of the game without its regular left guard, Gary Nelson, who received a head injury early in the game and was later taken to a hospital.

St. Freds kicked off to start the game but took possession of the ball 4 plays later when Doug Fortin kicked off for Clarkston. St. Freds also was unable to move the ball and Doyon kicked to Clarkston's 38. On the first play Clyde Kizer ripped off 7 and Dave Swayne plunged for 5 more and the first down of the game. Kizer made another 5, Lang dove for 2 and Swayne added 4 for a first down on the Ram 39. Then in the play of the series, Kizer went off tackle and pounded 28 yards to the Ram 11 before he was brought down by Landry. Lang added 1 and Kizer picked up 9 to give Clarkston a first down on the 1. Kizer dove off tackle for the TD. Nelson's conversion try was wide and Clarkston led 6-0.

Clarkston kicked off but received the ball 4 plays later on

New Jet Airliner Age

Ushering in a new age in transoceanic air travel is this new jet airliner, one of 45 ordered by Pan American World Airways for delivery starting in 1956. It will cut world travel time in half.

For example, it now takes Pan American 13½ hours on its direct flights from Detroit Wayne Major Airport to London. Soon the jetliners will fly Michigan passengers to London in 6½ hours.

Propellers are missing on these new all-jet, vibrationless airliners which will carry from 125 to 131 passengers at 600 miles per hour. They will have a non-stop range of 5,000 miles flying at the 10 miles-per-minute speed.

the Ram 48 when the Rams could not make the needed yardage. Eight plays later Clarkston had possession of the ball on the Ram 7. But on the next play Duren, St. Freds left guard broke through the Clarkston line and dropped Swayne behind the line for an 8 yard loss. Too much time in the huddle cost the Wolves 5 more and an incomplete pass at tempt from Lang to Passage gave the Rams the ball on their own 20. Nelson was hurt on the next play and had to be helped off of the field.

Seven plays and a 1st down later the Rams crossed the mid-field strip and into the Wolves territory for the first time on a 12 yard run by St. Freds quarter back, Derocher. Clarkston's line stiffened and the next 3 yards netted the Rams only 5 yards. Fourth down and the ball resting on the Clarkston 35, Derocher went back to pass. He fired complete to Doyon on the 21 who is dropped immediately by Don Alexander. The next two plays netted the Rams only 2 yards and again Derocher drops back to pass, again he threw to

Doyon who made a beautiful catch and jumped over the head of Don Alexander who had him by the feet and fell into the end zone. Doyon added the extra point and the Rams led 7-6.

On the following kickoff Clarkston started a drive that carried them well into Ram territory before a fumble gave the Rams the ball. The Rams were unable to move the ball and the half ended, St. Freds 7; Clarkston 6.

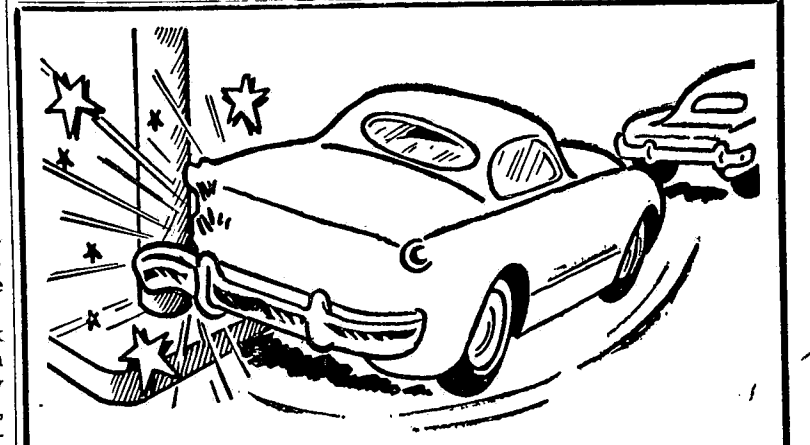

Clarkston kicked off to open the second half but received the ball 4 plays later on the Rams 35. The Wolves marched down field to the 9 using line plunges for short gains only to lose the ball on downs.

The Rams moved the ball back up field to Clarkston 43 on a fake kick and 20 yard run by Doyon. The effort was wasted, however, when their offense failed. Clarkston took possession of the ball on their own 37 as the 3rd quarter ended. Clarkston in turn lost the ball when Fortin kicked to the Rams who put the ball in play on their own 38. Three plays later Derocher attempted another pass. This time Dave Swayne intercepted on about the 45. Running behind fine interference Swayne galloped the 55 yards to score and give Clarkston the lead 12-7.

But the Rams were not giving up. They took possession of the ball late in the 4th quarter and with Derocher in the stellar role drove 61 yards in 10 plays and were down over the ball on Clarkston's 10 yard line when the final gun sounded.

Clarkston finished second in the Wayne-Oakland League behind Clarenceville. Following are Northville, Holly, Milford, Brighton and W. Bloomfield, in that order.

FOOD SCOOP

by Marjorie G. Gibbs and Josephine H. Lawyer

MEATS—Hearty appetites can be easily satisfied with the variety of economical meat cuts offered the shopper this week.

Pork—Although a few pork cuts have advanced on the wholesale market, shoppers will find retail prices to fit their food budgets. Both smoked and canned hams vie for attention as the near holiday approaches. Center cut pork chops, regarded an extravagant cut, are priced at a

seasonal low for elegant eating. Loin roast, Boston butt, spare-ribs, bacon, sausage, and the popular picnic cut wear low to medium price tags.

Beef—Top grades of beef are in good supply, and the market on fed cattle has dropped slightly. Some retailers have lowered prices of round, sirloin, and T-bone steaks as much as 10 cents per pound.

Poultry—With many other meats in the limelight, fryer prices offer competition for the shopper's choice. Fryers serving 1½ portions per pound rate

high among the nutritious, economical protein foods. There are plenty of hen turkeys now selling at reasonable prices.

Eggs—Increasing supplies are responsible for the decrease in egg prices. Medium sizes are most ample, and represent the

wisest egg choice.

Fruit—Each day brings bigger better supplies of citrus to fruit counters. Most of the juice oranges are about 30 to 35 cents per dozen for the 216 size. Cortland, Jonathan, McIntosh, Spy, Red and Golden Delicious apples offer a wide variety of uses at 13 to 25 cents per pound. Grapes,

seasonal fruits for fall menus.

Vegetables—Irish and sweet potatoes, squash, dry onions, and cabbage are penny savers at the vegetable counter. Head lettuce and celery prices have decreased slightly, and shoppers will find plenty of green broccoli and Brussels sprouts at reasonable prices.
