MERRY CHRISTMAS

Glory To God In The Highest

"And she brought forth her firstborn son, and wrapped him in swaddling clothes, and laid him in a manger; because there was no room for them in the inn. And there were in the same country shepherds abiding in the field, keeping watch over their flock by night. And Lo, the angel of the Lord came upon them, and the glory of the Lord shone round about them; and they were sore afraid. And the angel said unto them, Fear not; for, behold I bring you good tidings of great joy, which shall be to all people. For unto you is born this day in the city of David a Savior, which is Christ the Lord. And this shall be a sign unto you; Ye shall find the babe wrapped in swaddling clothes, lying in a manger. And suddenly there was with the angel a multitude of the heavenly host praising God and saying, "Glory to God in the highest, and on earth peace, and good will toward men". Gospel of Luke 2: Verses 7 to 14.

When serious men through the centuries have written the story of the human race they have used as the focal point of history the birth of Jesus Christ, the Savior of the Race. The events in the history of the ancients have been designated Before Christ. Since His birth the wars, the treaties, the rise and fall of nations, the poets, the educators, the religious leaders, the scientists have all been listed in their respective centuries as have lived and witnessed to the world IN THE YEAR OF OUR LORD.

In this lovely village of Clarkston in the year ONE THOUSAND NINE HUNDRED AND FIFTY-FIVE there will be rejoicing like that of the shepherds and the wise men who came to pay tribute to the new born Babe of Bethlehem.

The only hope that mankind has is in Jesus Christ, who in addition to being the Savior of persons, creates an atmosphere in the world that turns the thoughts and ideals of men to Him who is the Way, the Truth, and the Life. It will be a common experience in our community and throughout Christendom that little children will lisp the prayer "Thy kingdom come, Thy will be done, on earth as it is in Heaven". The strongest men, the fondest mothers, the vibrant vital youth, and those who have come toward the evening of life, will find no higher spiritual insight, in the traditions of the human race, than to join with the prayers of the little children for the doing of the will of God and the coming of His kingdom on earth.

The tragedy of this Christmas time that threatens the world with its own destruction has been clearly phrased by Mr. Harold Stassen, an assistant to the President of the United States, with cabinet rank to represent our na-

tion at home and abroad, in securing the disarmament of the nations. Shortly after his appointment Mr. Stassen made a significant declaration: "We are mindful that there are two sets of circumstances which, in history, surround the tragic outbreak of war; one is the crescendo climax of a race of armaments".

Those, of the Christian faith who hope in God and believe in Jesus Christ to be the "Prince of Peace" will join with the Heavenly Host who sang at the birth of Jesus "Glory to God in the Highest, and on earth peace and good will toward men". This Christmas comes on the Lord's day; you are cordially invited to attend the churches of your choosing, with your families, and give expression of your faith that He who came as the Babe of Bethlehem shall "Reign for ever and ever, King of Kings, and Lord of Lords."

Letter To Santa

Santa Claus,
North Pole

Dear Santa:

The Clarkston Rotary Club is busy making plans for its annual CHRISTMAS EVE PARTY for the boys and girls of our community.

This year's party will be held in Clarkston, in front of The Clarkston State Bank, and will start at seven o'clock sharp.

We extend you a very warm invitation to be present and meet the boys and girls of our community Of course, each will expect a gift from Santa.

We want this to be a very joyful occasion and will expect you. Please write me at once giving the approximate time of your arrival.

Yours sincerely,
Ronald A. Walter, President
Clarkston Rotary Club
Clarkston, Michigan

Season's Greetings From Clarkston Rotary Club

The Christmas season with its wonderful message of "Glory to God in the highest, and on earth peace, good will toward men" is again with us. This message of hope and joy, brought to us nearly two thousand years ago with the birth of the Christ Child, is still the most important concept of the Christmas season.

In our community each year the Clarkston Rotary Club spreads the "Good Will" of this joyful season by its service to our children, our sick and our needy. This program truly exemplifies Rotary's

object of "Service above Self" and He profits most who serves best" which is the heart of Rotary.

To you who buy a "Good Fellow" paper this year, the Clarkston Rotary Club extends a heartfelt "thankyou". Your helpfulness and your generosity enable us to carry on this program of community service. We know that your gift will bring joy and hope to the hearts of many amongst us; we trust that it will also bring you closer to the true meaning of Christmas.

Ronald A. Walter, President
Clarkston Rotary Club
Clarkston, Michigan

The Wassail bowl, which today is Christmas punch, is said to have come to us from the ancient Saxons. It was a word of greeting.

OBJECT OF ROTARY

To encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST—The development of acquaintance as an opportunity for service;

SECOND—High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying by each Rotarian of his occupation as an opportunity to serve society;

THIRD—The application of the ideal of service by every Rotarian to his personal, business and community life;

FOURTH—The advancement of International understanding, good will, and peace through a world fellowship of business and professional men united in the ideal of service.

Thank You

Another year has rolled around and Christmas is almost here again. As always, we are having a party this year and Santa has never yet failed to come. Every child in the village will be invited. The tree will be as wonderful as ever; the sick will have a remembrance—perhaps a rose; the poor will have a basket of Christmas Cheer, and all because you, one and all, helped so generously.

Rotary Clubs, everywhere, have one basic ideal—the "Ideal of Service", which is thoughtfulness and helpfulness to others.

The slogan of Rotary is "SERVICE ABOVE SELF" and "HE PROFITS MOST WHO SERVES BEST". We who are members of the Clarkston Rotary Club, have accepted this slogan wholeheartedly and are trying to plan and introduce to our

community, programs and activities that are benefits to all of us. We have worked with our young people, with many projects and have plans for many more. Our members want nothing more from their membership in CLARKSTON ROTARY but the privilege of serving their community with the best.

Charles W. Robinson
Secretary, Rotary Club
Clarkston, Michigan

On October 25 there were 8,864 Rotary Clubs and an estimated 419,000 Rotarians in 93 countries and geographical regions. New Clubs since July 1, 1955, totalled 87.

The holly bush, long associated with Christmas, and with many legends was once called the holy-bush, because in its natural state the berries ripen at Christmas time.

Warmth Of Soul And Peace Of Mind

Lives there a man with soul so dead,
Who to himself has often said, "No Christmas"?
Lives there a man with heart so small,
Who feels no thrill of life at all, at Christmas?
Lives there a man, who can deny
Appeals for help as children cry at Christmas.
Lives there a man, who's full of hate;
And finds his soul will not vibrate with Christmas.
Yes, there are some who cannot feel
The Christmas Spirit's great appeal at Christmas
For those, who cannot join the fun
Of seeing loving kindness done, I sorrow.
I grieve to think there are a few,
Who have no will, some good to do at Christmas.
Thank God the rank and file can find
A warmth of soul and peace of mind on Christmas.
They thrill to answer each request,
And serve their God where they serve best at Christmas.

JUNIOR CLASS NEWS

During the past few weeks the Juniors have been planning a Christmas Dance. It is to be held on December 22. Arrangements for an orchestra and the decoration committee has made plans. The tickets went on sale Tuesday, December 6.

Telephone jotters are still being sold. They will be sold until December 22. The money for dues should be in at the same date.

Plans have been made for the selling of refreshments for the home basketball games.

SOPHOMORE NEWS

The sophomores have planned a dance on Friday, January 14. They are also having an old-fashioned Box Supper on Saturday, February 25. There will be more announced about the supper later.

The name and address labels will be delivered before Christmas. They wish to thank everyone who bought labels.

There was a basketball game the gym on Wednesday, Nov. 30. The sophomore 10A girls won their game with the 11th grade girls. The score was 20 - 16.

GIRLS BASKETBALL

The girls basketball team, the

game with Waterford December 5.

The first half showed the Rascals in the lead. However, the first half was slow moving.

The second half got quite exciting when Waterford caught up with the Rascals, then went ahead. The Rascals did not give up and finally won 20 - 19.

The girls who played were: Dixie Parks, Janet Stallard, Betty Lou Gardner, Mary Lou Prevost, and Lola Johnson as forwards. The guards: Pat Thayer, Suellen O'Dell, Jeanette Miner, Onalee Morgan, Carolyn Biber and Myra Woodall.

ASSEMBLY

On the morning of December 7, Mr. Klingman called an assembly to announce the new schedule program.

Starting the new semester on January 30, the new schedule will be as follows: School begins at 8:15. There will be 4 hours in the morning and lunch hour will be at 12:00. After a 49 minute lunch period, school will resume at 1:00 and continue until 3:00.

The three reasons for this change are: 1. Our boys can get out of school earlier if they are in track or sports, and they won't be missing school work so much. 2. The buses can take the high

The sportsmanship of the students during the games and assemblies was taken up. "Booing" will not be tolerated at games or assemblies. CHRISTMAS BALL On December 22 at 8:00 the Junior Class will sponsor a Christmas Ball. Free refreshments of cookies and punch will be made by the junior girls and will be given out at intermission.

The decorations will be made by the junior girls. The "Esquires" will be featured as the orchestra for the dance. FUTURE TEACHERS CLUB The Future Teachers Club has held about six meetings this year, and would welcome anyone who would like to join. They went to Wayne University in Detroit to meet other Future Teachers Clubs and had a very nice time. They hope to be on more trips this year, and also plan on having speakers come and talk to them about teaching. STUDENT COUNCIL The student council is again at work. They are arranging a

Christmas party. For the party the seniors will sell ice cream and the juniors will sell pop in room 3. The Junior High teachers will take care of the Junior High parties. Jerry Urlick was asked to see Mr. Vincent about Christmas trees and Mr. Connors about the band's participations in the assembly. On December 9, 14 and 21 exchange students from C. H. S. will be attending Holly. The Rotary Club presented the Student Council with a check for \$100.00 for the Halloween Party. More slow records are going to be bought for the school instead of so many fast ones. They will be kept in a permanent place.

led by 10 points for most of the 3rd quarter, was exciting right down to the wire. In the J. V. game Clarkston jumped off to an early lead which they extended to 27-20 at the half. Clarkston added another 3 points to their lead in the 3rd quarter to lead 39-29. During the 4th quarter Waterford started creeping up but Clarkston staved off a final attack and chalked up their first win of the season. The varsity game started the same way with Clarkston jumping off to a 1st quarter lead 10-8. Clarkston still maintained their lead midway through the 2nd quarter by a score of 16-14. At this point the Clarkston coaches apparently thought that Waterford's defense needed loosening up as they had Leroy Parks stand at about mid-court and dribble the ball waist high. After a little less than a minute of this Parks passed over to Lang who repeated the maneuver. By this time the crowd was going wild and the Waterford team, having gotten over their bewilderment, sent Jerry Kruskis out to relieve

Lang of the ball. Kruskis fouled, and although Lang was unable to make the basket, Clarkston regained possession of the ball. This time Lang and Parks stood at mid-court about 20 feet apart and tossed the ball back and forth until Waterford again sent a man out to relieve Lang of the ball. This time Lang dribbled past him and in under the basket where he was fouled by George Bersche. Lang again missed the basket and Waterford took possession of the ball and led when the half ended shortly after 17-16. Waterford jumped off to a lead of 25-18 early in the 3rd period and extended it to 31-23 at the 3/4 mark. 9 points by Parks and 5 by Lang in the final quarter narrowed the gap to 4 points.

MICHIGAN BELL TELEPHONE lines

OLD MAN SUN powers rural telephone system! That's the news from Americus, Ga., where successful experiments using the Bell Solar Battery were recently conducted. The Solar Battery, an invention of Bell Telephone Laboratories, is the first successful device to convert the sun's energy directly into a substantial amount of electricity. While it is still too early to predict the future role of the Solar Battery, its development is part of continuing research to help bring more and better telephone service to rural areas.

DID YOU KNOW that Michigan Bell is the largest single taxpayer to the State primary school fund? This year over 8 million dollars was paid by Michigan Bell to the fund. The fund is allocated to school districts throughout Michigan in proportion to the number of pupils in each.

TRYING TO SOLVE that Christmas shopping question, "What can I give that's different?" How's this for an answer-EXTENSION TELEPHONES. They make a unique gift-not likely to be duplicated by others. And they'll be appreciated every day of the year-save countless hours-take the "run" out of running the home. The cost-just \$1.21 a month, including tax, plus a one-time installation charge. Order your gift telephones from our business office today-gift-wrapped free to be installed after Christmas.

"Best car manufactured in America today" That's what Floyd Clymer, famous automobile authority, said about Chrysler in Popular Mechanics (October) "I have tested many fine automobiles over all kinds of terrain," writes Mr. Clymer, "and in my judgment Chrysler is the best automobile manufactured in America today." You push the "D" on the Pushbutton PowerLite Drive and a mighty airplane-type engine whisks you away in an instant. There's a new, wonderfully easy feel-of-the-road with full-time PowerPilot Steering - a straight, sure, velvety sense of safety in the stops you get with PowerSmooth Brakes - a world of authority in the tremendous response of Chrysler's exclusive airplane-type Fire-Power V-8 engine! Just one look at this car tells you the power's there. You see it in the flaring "PowerStyle" lines... in the flight-swept look of its rear deck and fenders. Let us put you behind the wheel-of the "PowerStyle" Chrysler for just 15 minutes this week. Compare its all-around performance with its two price competitors. Then you'll know why "the best" car manufactured in America" is your best buy! Come in or call us today! "PowerStyle" CHRYSLER NOW MORE THAN EVER... WHAT A DEAL!

It's **OLDSMOBILE**
SEE YOUR NEAREST OLDSMOBILE DEALER

Two things that make for SAFER driving!

The first and most important thing is you—the driver. As the highway safety organizations and law enforcement agencies point out, the courtesy, care, and common sense you show count more than anything else. You can drive any car safely—or foolishly.

The second thing is the car itself. All cars are safer today. That's shown by the number of accidents in relation to the number of miles passenger cars are driven. The figure's been going down steadily and sharply.

Chevrolet engineers and designers have always made your safety a major consideration, introducing many such features as the all-steel top, safety plate glass all around, and windshield-wide defrosters into the low-price field. And this '56 Chevrolet is the safest one ever built.

Its lively new power means safer passing. Its special Ball-Race steering—the oversize brakes with Anti-Dive control—the Unisteel construction and safety door latches of its Fisher Body—the nailed-to-the-road stability that comes from outrigger rear springs, an advanced suspension system and better balance—the sweeping panoramic windshield—all these things add to your safety.

Seat belts with or without shoulder harness? Instrument panel padding? Of course, they're available at extra cost on your new Chevrolet. But the best protection of all is to keep out of accidents in the first place. And that depends mostly on you and the built-in safety of your car.

As your Chevrolet dealer, we'll be glad to show you the many safety features of the '56 Chevrolet.

Michigan is the only state which permits a manufacturer the option of paying personal property tax on either the inventory value as of December 31, or on the average value throughout the year.
 The Pontiac office of the Social Security Administration is

now under the direction of a new district manager, L. Wesley Dorr assumed the post on December 5, 1955. He is the former assistant manager of the Detroit downtown office and has been with the Social Security Administration since its inception in 1937. He is a resident of Clawson. Rex At-

wood, whom Mr. Dorr replaces has accepted the assignment in the Marquette, Mich., office.
