# SCHOOL BOND ELECTION MONDAY, FEB. 27

## Day of Prayer Friday, February 17

The Women of the world will meet in groups for the World Day of Prayer on Friday, Feb. 17. In Clarkston the women of the whole district will meet in the Methodist Church at 1:30 P. M. for this very special service. Following the service there will be a Tea with the women of the church as hostesses. All women of all churches are cordially invited to attend.

## Awards Given At Church Service

During the worship service at the Methodist Church last Sunday morning three local lads received their "God and Country" Boy Scout awards. Mr. Philip Smith, Sunday School Superintendent, in behalf of the Board of Education of the Church made the awards. He presented the pins to the boys' mothers and they pinned them on their sons. The boys receiving the honors were Richard Mansfield, son of Mr. and Mrs. William Mansfield; Frank Strother, Jr., son of Mr. and Mrs. Frank Strother; and Edwin Glennie, son of Mr. and Mrs. James Glennie.

## Cub Scout News

The Cubs of Den 8 met at the home of Mrs. Walton Robbins on Wednesday, February 8. Jerry McGill brought the treat of cupcakes. We finished our table favors for the Blue and Gold Banquet tomorrow night. Jon Parrott entertained with a puppet show.

## Down But Not Out

Somewhere there lies within the soul of man  
The will to fight the most opposing force;  
And man, himself, does never understand  
Why he maintains his guided dauntless course.  
Each hardship wakes a giant from his sleep  
To view antagonists with wild dismay.  
He has no time to sympathize or weep.  
He must make plans to drive the force away.

At first the task might seem to be too great.  
Reluctant, he might choose to wait it out.  
He might accept defeat to be his fate,  
Not wishing to engage in such a bout.

But, something deep within will not accept  
Defeat without a foray with the foe.  
The warrior leaves the niche where he has slept,  
Prepared to slug it out with blow for blow.

When everyone concedes that he is licked;  
Then man will pull together all his might,  
Ignoring all reports that he is sick,  
To show the world he's just begun to fight.

When all the world believes the cause is lost,  
Determination puts all fear to rout;  
And strength is spent unmindful of the cost,  
Man may be down, but he is never out.

## Twenty-One Club Has Valentine Party

The Youth Committee of the Clarkston Community Women's Club entertained 190 students at the Twenty-One Club Saturday night in the high school gym. Fenton Weaver's orchestra furnished the music. This was a Valentine's Party and the gym was beautifully decorated. The Junior Class held their dance the night before and thoughtfully left the decorations for the younger group. Twenty-One Club added a Valentine box. Those attending the party dropped into the box their favorite dance tune. "See You Later, Alligator" came in first place, with "Rock and Roll Waltz" running a close second. A large valentine, showing the dance program for the evening, was placed in the middle of the stage.

Chaperons for the party included Mr. Delmont Walter, Mr. and Mrs. L. V. Cushman, Mr. and Mrs. Harold Bauer, Mr. and Mrs. Edmond Gunter, Mr. and Mrs. Jack Jyleen, Mr. and Mrs. F. D. Larkin, Mr. and Mrs. Ronald Walter, Mr. James Moore, Mrs. Floyd Nelsey, Mr. and Mrs. James C. Jennings and Mrs. Walton Robbins.

The next dance for the sixth, seventh and eighth graders will be held on Saturday evening, March 10.

## Extension Group Met Tuesday

The Clarkston Home Extension Group met at the Community Center on Tuesday for an interesting lesson on "Line and Design in Dress" presented by Mrs. William Porritt and Mrs. William Howland. These young women handled the subject very capably and gave many good hints for spring and summer wear.

Mrs. George Keelean and Mrs. Frank Stolzman will represent the local group at the Cancer Center in Pontiac on Tuesday, February 21st.

Women are reminded of the "Work Simplification" lessons being conducted at the West Bloomfield Township Hall every Tuesday morning during February from 9:30 to 11:30. All women are invited.

## Brownie News

Whipple Lake Brownie Troop 223 met at the home of Mrs. Kriss on Wednesday, February 8th. We picked our new officers as follows: president, Diane Davidson; secretary, Judy Leach; treasurer, Connie Buzzell; chairman, Peggy Norris; treats, Rhonda Barger.

We had a surprise birthday party for Rhonda Barger. The treat was ice cream and birthday cake. Mrs. Barger, Mrs. Bentley and Mrs. Backus attended the party.

We sewed and wove some valentines. We sang songs and played games and were dismissed.

Connie Buzzell, Scribe

Brownie Troop 200 met at the Methodist Church. We had a Valentine Party and we made valentines and gave them to each other. Mrs. Walter and Mrs. Lynn were our leaders. We had ice cream and candy for our treat. We had a good time. We closed our meeting with the Brownie song.

Linda Wilson, Scribe

Brownie Troop 194 met at the Methodist Church on Monday after school. We started to make our puppets for the P. T. A. meeting. Mrs. Kieft brought the treat of jello and cookies. We closed with our Goodnight Circle.

## Notice

This week The Clarkston News was printed in the new building at 5818 M-15, near Dixie Highway. The equipment, office and shop, is being arranged as quickly as possible. If you have news items for publication, wish to pay a bill, leave an adv. or subscribe, stop in at the new address. There will be a formal opening soon. Watch for the announcement.

## Special Program For Pioneers

The Clarkston Pioneer Club will meet on Thursday, February 23rd, in the Community Center at 12:30. A luncheon will be served prior to the business meeting and afternoon program. Those whose birthdays will be recognized include: Guy Allen, Miss Jean Dawson, George Harris, Mrs. Chloe Hickmott, Frank Howland, Mrs. Ivan Rouse, Henry Scrace and Mrs. Emma Young.

The guest speaker will be Miss Ernestine Davidson, a consulting specialist with the Detroit Society for the Prevention of Blindness, Inc. Her discussion will be based on "Hindsight versus Foresight". It is claimed that 60 Americans become blind every day, more than half of them needlessly. A large per cent of unnecessary blindness is due to "hindsight". The Detroit Society for the Prevention of Blindness in which Miss Davidson is active, has only one purpose: To inform every citizen of the ways in which unnecessary blindness can be prevented.

Miss Davidson holds a B. Sc. degree from the University of Iowa; an M. A. degree in Education from the University of Michigan and an M. S. W. (Master of Social Work) degree, also from Michigan. For 11 1/2 years Miss Davidson was a secondary school teacher in Iowa and Michigan and she served as a medical social worker at Harper Hospital in Detroit for 3 years. She has been the Consulting Specialist of the Detroit Society for the Prevention of Blindness since the founding of the organization in August, 1946.

## P. T. A. Observes Founders' Day

Oakland County Council of Parent Teacher Associations will hold its Founders' Day meeting at the Grace Lutheran Church in Pontiac on Tuesday, February 21.

Approximately sixteen past presidents will be honored. Mrs. R. N. Hickson will give the Founders' Day message.

The all-day meeting will open with registration at 9 A. M. followed by a brief business meeting. Included on the morning's program will be a panel discussion on the "Meaning of Adolescence". Miss Frieda Huggert will be moderator, and there will be a mother, a teacher and a student on the panel.

In the afternoon there will be four workshops. Instructors and workshops will be as follows: Mrs. William Kelley and Mrs. Iva O'Dell, presidents and by-laws; Miss Evelyn Kidneigh, health and summer round-up; Mrs. John Warren, civil defense and home protection; and Miss Madeline Half, parent education.

Reservations for the luncheon must be made before Thursday, February 16, to Mrs. Ralph Bergemann, Federal 5-9935 or Mrs. George Hedding, ORlando 3-7157.

## Girl Scout News

## C. H. S. Faculty Defeats Holly

### RETURN MATCH SATURDAY

The Clarkston High School Faculty played and defeated the Holly High School Faculty Monday night at Holly by a score of 92 to 82. Ed Hintz led the winners with 25 points and Bob Pence, the losers with 26 points.

There will be a return match this Saturday night, February 18, at the Clarkston High School beginning at 8:15. The junior high school preliminary will start at 7:00 and a small admission will be charged.

## Clarkston Loses To Milford

Clarkston lost a thrilling game to Milford, 79 - 58, in Milford's gym. The game saw three players foul out and 29 fouls committed in the first half.

Milford got the first basket but Clarkston jumped back and led 7 - 4 at one point. Milford's height advantage took it back and they led mid-way through the period 11 - 7 and continued to lead the quarter 21 - 17.

Clarkston came back in the second and on a series of fouls took the lead 25 - 23. Davison took the lead back for Milford 26 - 25. Faster than you can say "Jack Robinson" the lead changed back and forth until Clarkston retook the lead and extended it to 7 points, 34 - 27, with 4:00 left in the 2nd period the lead grew to 10 points, 43 - 33, only to shrink to 55 - 45 as Milford's Davison, Baker and McFarland each put in a quick basket in the final 30 seconds of the half.

The one point lead held for 1:30, for 3:00, for 3:40 seconds before Milford regained the lead. Clarkston fought back stubbornly and were rewarded with the lead midway through the quarter. This soon was changed and with 40 left in the 3rd period Milford led 58 - 51. Two free throws by George Lang in the final seconds made the score 58 - 53 at the three-quarter mark.

Milford's Jim Davison started the 4th period off with a bang and Clarkston soon fell behind 53 - 65. Milford continued to hit and ran the score to 72 - 55. Here they levelled off and Clarkston scored a few points but were unable to catch up and the game ended Milford 79, Clarkston 58.

High point man was Jim Davison with 27. Close behind him was Clarkston's Dick Lippert with 18, and George Lang with 17.

The Oakland district meeting for livestock producers has been slated for Thursday, February 23, at 8:00 P. M., and is to be held in the Juvenile Judges Quarters, Social Welfare Building, 1260 West Boulevard, in Pontiac.

## RUN OF MAPLE SAP SIGN OF SPRING

Robins may be the traditional bell-ringers of approaching Spring, but maple sap usually, beats them to the draw. As Michigan farmers await the first run of sap, Michigan State University maple trees await a strange fate.

While sap collectors will be hoping for a long run, M. S. U. scientists will be inoculating trees in an attempt to stop the flow. M. S. U. is not going out of the business of producing maple syrup, but it is trying to find what it is that causes isolated trees in a sugar bush to stop flowing prematurely.

There are about 15 suspects in the rogues' gallery. The 15 are micro-organisms, complex animal or plant structures so tiny that they can only be seen through a microscope. They were found in the vicinity of the clogged tap holes by Prof. Ralph N. Costlow and John M. Seheman, graduate assistant of the microbiology department.

Under the direction of Prof. Pitham W. Robbins of the forestry department, project leader, and his assistant, Bobbie F. Mc-Lemore, the tap holes will be inoculated to see which of the micro-organisms affect the flow. Controlled conditions will be maintained on all inoculated.

## Women's Club Sponsors Party

The members of the Clarkston Community Women's Club and their husbands are planning a bridge party on Saturday, February 18th in the Library. The affair which begins at 8:30 promises to be fun for everyone attending.

Thirteen tables have been reserved and donations received will be used for the library.

Mrs. Don Stackable has arranged for refreshments to be served and three door prizes will be given away.

## GOODWILL INDUSTRIES SOON 35 YEARS OLD

The Detroit Goodwill Industries will be thirty-five years old on March 1st, 1956.

Plans are underway for the largest celebration in Goodwill's history with an Open House and Smorgasbord Dinner featuring the program. Several awards will be given, including one to the "Goodwill Worker of the Year" which last year was won by Evelyn Herrala. She went on to win the national competition against those selected from 108 Goodwill Industries throughout the country. Other awards will include those to the oldest employee, to the truck driver with the best safety record and to the founder of the Detroit Goodwill Industries, Dr. John Martin, retired.

Goodwill Industries of Detroit, which started in the basement of a church in Delray with an annual payroll of little over \$1,000.00, has grown with the city and today has an annual payroll of well over three-quarters of a million dollars and does a gross business of over one million dollars.

Detroit Goodwill, although starting out as a church-sponsored charity, has developed into a non-sectarian organization. It is a paradox, being a charity that is not a charity. The people are not asked for money or time, merely discards which would otherwise be wasted.

These discards are renovated by handicapped employees and sold in six Goodwill retail stores. Store sales go toward paying the salaries of over 400 handicapped employees.

During the past five years, the Detroit Goodwill Industries has made the most remarkable record in growth of any Goodwill in the country, doing two and a half times the business today that they did in 1951.

During 1955, Goodwill employed 634 people, 425 of whom were on the payroll during the month of December. The others had received rehabilitation and job tolerance and had gone into private industry as efficient self-supporting workers.

Goodwill Industries' primary purpose is the rehabilitation of the handicapped person. Unlike the majority of private industries, where profit is the primary aim, Goodwill as a non-profit organization, has the individual's interest as an indicator of a successful operation.

MICHIGAN FEATURE SERIES ANNOUNCED BY MICHIGAN TOURIST COUNCIL No. 83

The Clarkston Board of education proposes a \$1,200,000 bond issue election to be held on February 27, 1956, for the purpose of providing the necessary facilities to house increasing school enrollments.

The bond issue will provide a new elementary school located on Sashabaw Road, additions to existing elementary schools and the high school.

The bond issue can be financed with no increase in the tax rate. The school debt rate last year was \$13.00 per thousand dollars of state equalized valuation, and it would still be \$13.00 with the passing of the bond issue. The ability of the Clarkston Schools to float an additional bond issue without raising the tax rate is the result of (1) increased total valuation, (2) the 1955 state constitutional amendment providing for unlimited and qualified bond issues, (3) retiring the Sashabaw debt, (4) reduction of outstanding debt by retiring callable bonds as rapidly as possible.

The additional facilities are necessary because the school population continues to increase. In 1951, the enrollment was 1200 pupils. In 1954 it was 1700, in 1956 it was 2270, and by fall of 1956 it will approximate 3000 enrollees.

There are currently 355 new homes in some stage of completion, and 300 in the initial stages. Sources such as Detroit Edison, Consumers Power, Kieft Engineering, Township Board, and the Planning Commission, indicate that at least an additional 1,000 homes will be started within the immediate future.

This accelerated growth in housing, with an empirical average of 1.7 children per house, may force half day sessions for some groups of children before this school year is completed.

The Board of Education urges the school electors to support this bond issue, that they may continue to provide reasonable educational opportunity for the children of the Clarkston Community School District.

## B. & P. W. Club Has Special Speaker

On Tuesday evening the Waterford Township Business and Professional Women's Club met at the Hotel Waldron for a business meeting.

Mrs. W. H. Stamp gave the invocation. Mrs. Everett Reese, president, called on Mrs. Mae Foote to introduce the speaker of the evening, W. F. Kalwitz of the Planning Commission, who spoke on the merging of Waterford Township and the City of Pontiac. He was unbiased in his remarks and he was very gracious in answering questions following his talk.

At the business meeting the group was reminded of International Night in Windsor, Ontario on Saturday, February 25. Several projects were discussed and Mrs. Gerald Craig was appointed chairman of the Ways and Means Committee to serve for the remainder of the club year, filling the vacancy caused by the resignation of Mrs. F. M. LeRoy.

The Club will have a social night at the home of Mrs. W. H. Stamp in Clarkston on Thursday, February 23rd.

## Be Unafraid

O, heavy Heart!  
That beats so fast, yet true,  
How can you keep from bursting?  
Knowing what you do.

O, borrowed Time!  
Make more precious—Today's  
glow

As yesterdays have really died,  
In the breathless waiting—for a  
Tomorrow.

O, loving Father!  
I thank Thee; giver of revives,  
In the giving of Yourself, to me  
By faith, Thy mercies are mine  
to cleave  
Now, this my Future, and into  
Eternity.

his daughter, Mrs. Adolf Brunke of 3810 Iris Drive, Maceday Lake. He was a retired farmer and a member of the Maccabees.

Besides his daughter, Mrs. Brunke, he is survived by a son, John T. Shelton, of Lapeer; four grandchildren and six great grandchildren.

The funeral service was held at the Donelson-Johns Funeral Home in Pontiac on Tuesday afternoon with the Reverend Eugene Ryding, pastor of the Cedar Crest Lutheran Church at Oxbow Lake, officiating. Interment was in Forest Lawn Cemetery in Detroit.

### LENTEN SERVICES AT CHRIST LUTHERAN CHURCH

The special services during the Lenten season at Christ Lutheran Church, Airport and Williams Lake Roads, have been announced by the Board of Deacons of the Church and the Pastor, the Reverend Arvid E. Anderson. On Ash Wednesday, February 15th there was a Communion Service at 8:00 P. M. Each Wednesday

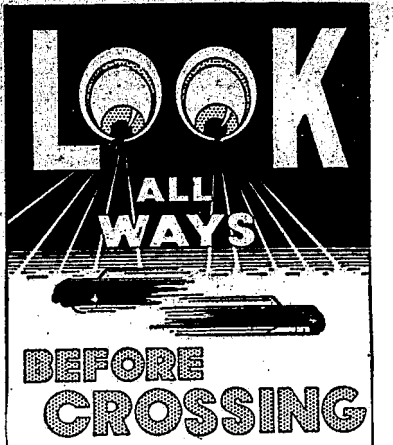

of the Lenten Season at 8:00 P. M. there will be a "Service of the Lighted Cross" that will include a quiet time of prayer and meditation, and a message by the Pastor on the general theme, "The Cross is the Answer". There will be special music at each service.

### ADULT CLASSES START AT LUTHERAN CHURCH

Two adult inquiry and discussion classes will be started at Christ Lutheran Church next week, according to the pastor, Reverend Arvid E. Anderson. One will be held at 4:00 P. M. each Sunday beginning February 19th, and the other will be held on Wednesdays, beginning February 22nd, at 9:15 P. M. following the Wednesday Lenten service. Each class will run for six or seven weeks. The teachings and practices of the Church are discussed on an adult level, and questions are answered by the pastor. The classes are intended for those who may be seeking a church home for themselves and family, and desire to know exactly what the church is and what is taught. They are also intended for those who desire to review, on an adult level, the basic teachings received in childhood. The two classes will be identical. For those who desire to become members of the Church, new members will be received at the festive service on Easter Sunday, April 1. The Church is located at Airport and Williams Lake Roads.

Icy February makes streets and highways dangerously slippery. Cars often need seven times as much stopping distance as they do on dry pavement. Therefore, Automobile Club of Michigan urges pedestrians to be extra cautious when crossing streets. Firstly, they should Look All Ways Before Crossing and then make sure they have plenty of time to reach the other side of the street. To bring this message to Michigan children, Auto Club has distributed almost 11,000 full-size copies of this poster to schools throughout the state.

**JUNIOR DANCE SUCCESSFUL**

The "Sweetheart Swirl" sponsored by the junior class of Clarkston High School was held Friday, February 10, with Russ Garcia and his orchestra in the spotlight. The gym was decorated in tune with Valentine's Day.

The sophomore class had two class meetings this week to discuss what kind of dance they should have. They settled on hav-

ing a Pie Social. After the Pie Social there will be a square dance and then some modern dancing. The date is February 25, Saturday. See you all there!

**THE UPSTART OF THE BIOLOGY CLUB**

The biology club's movements for spring consist of field trips to Cranbrook Institute of Science and University of Michigan Museums. Also they plan to have more speakers, movies, bird study, conservation study, local water problems, more detailed

laboratory work and study, and more discussion of current events. The biology club has not been too active in the past because of lack of time. On February 14, after school, the club discussed the spring exhibit that consists of insect collections, the epic of man and a conservation plan.

The game with St. Mike's which was scheduled for Thursday, February 2, for both the Varsity and Junior Varsity teams was cancelled.

The game with St. Freds was played after school on Tuesday, February 7, in Pontiac.

The Junior Varsity played first with a winning score of 21 to 16. The high point player was Sandra Gresham with 16 points; Charlene Miller made 7 and Sharon Glennie 1 point. In the first quarter, 9 points were scored, the second quarter, 2 points, the third 7 points and in the 4th quarter there were none scored.

The Varsity then played a hard game with the score St. Freds 35, Clarkston 23. Dixie Parks was high point girl with 13 points. Betty Lou Gardner scored 7; Mary Lou Prevost, 2 and Lola Johnson, 1.

In the first quarter 6 points were made; in the second, 8 and in the third, 4 and in the fourth, 5 points.

The Varsity, so far this year has lost one, and the Junior Varsity has won four and lost one.

Many students will have the opportunity to attend college after graduation as many recommended colleges are offering scholarships. Among them are: Central Michigan College, Technical Institute in Detroit, Harper's School of Nursing and many others.

The Journalism Class is selling subscriptions for the 1955-56 Yearbook. The class is working very hard to make this yearbook a big success. Plans are to have many more pictures and pages than before, as well as other improvements and changes.

The High School Library has purchased about 100 new books. Among the 100 are sports stories, mysteries, career, science, and some non-fiction stories. The books have been processed and are now on the shelves and available to the students.

The Betty Crocker Homemaker of Tomorrow in Clarkston High School is Barbara Rupp. She received the highest score in a written examination which tested the homemaking knowl-

edge and attitudes of senior girls in the graduating class. She will be entered in competition to name this state's candidate for the title of All-American Homemaker of Tomorrow will also be considered for the runner-up award in the state. She has received a golden award pin designed by Trifari and the school has received a "Betty Crocker Good and Easy Cook Book". The national winner in the search conducted among 256,534 young women in 10,222 of the nation's public, private and parochial high schools will be named April 12 at the American Table banquet in Philadelphia.

General Mills is the sponsor of the program designed to assist schools in building young women a deeper appreciation and understanding of the American home and to emphasize through a sound scholarship award program the personal qualities and sense of values necessary to successful homemaking. More than \$100,000 in scholarships will be awarded.

Each state Betty Crocker Homemaker of Tomorrow will receive a \$1,500 scholarship and an educational trip with her school advisor to Washington, D. C., colonial Williamsburg, Va., and Philadelphia. A \$500 scholarship will be awarded the runner-up girl in each state. The school of the state winner will receive a set of the encyclopedia Britannica.

The scholarship of the young woman named All-American Homemaker of Tomorrow will be increased to \$5000.

The 50-minute written examination, designed and judged by Science Research Associates of Chicago, which was given to all participants in this national search, consisted of questions which tested the students' attitude and knowledge in the major areas of homemaking.

Each girl who took the test received a homemaking guide that will assist her in pursuing the career of homemaking.

**CINERAMA HOLIDAY STARTS SECOND YEAR IN DETROIT**

Wednesday, February 15, the Music Hall Theatre in Detroit celebrated the first year's exhibition of "Cinerama Holiday" where more than 750,000 persons will have seen the Louis de Rochemont adventure film, which was made in Europe and America.

The "Cinerama Holiday" engagement will have exceeded any entertainment run in Detroit's amusement history, with the exception of the first Cinerama presentation which ran nearly two years.

For the birthday party the program included band music in front of the theatre, Hollywood searchlights cutting into the sky, radio broadcasts from the Music Hall lobby and Swiss entertainment, including Paula Holden, "the Swiss songbird" and yodelers and instrumentalists Rose and Joseph Sues. The Detroit Swiss Society turned out in native costume for the occasion, led by president Edward

Maeder. The success of Cinerama is without precedent in the annals of screen history. It launched a technological revolution in Hollywood; and Cinemascope, VistaVision, Todd-A-O and the other new mediums can be traced directly to its door. But perhaps the most significant of all is the effect it has had on individuals and industries far beyond the compass of the amusement world.

The travel bureaus were the first to experience the reaction. The Swiss National Tourist Office was flooded with inquiries about skiing and other sport resorts. The Detroit airline offices also received countless calls about scenes in "Cinerama Holiday" in New Orleans, Las Vegas and San Francisco. Swissair established a record for passenger flights to Switzerland, based on Americans wanting to see the scenic wonders of that country for themselves after being introduced to them in the De-

Get a record-breaking run for your money!

Only Chevrolet puts you in charge of the dynamite action and sure-fire handling qualities it takes to break the Pikes Peak record! Better try it before you plank down your dollars for any car at any price.

Almost everybody likes a real road car. And nowadays you no longer have to pay a king's ransom to own one. They're going at Chevrolet prices!

plus other things that make for more driving pleasure and safety on the road. Come on in and try the record-breaker!

For the new Chevrolet is one of the few truly great road cars being built today! It has to be to hold the stock car record for the Pikes Peak climb. It has to have cannonball acceleration (horsepower now ranges up to 225!) and nailed-down stability on turns. It has to have easy, super-accurate steering, too—

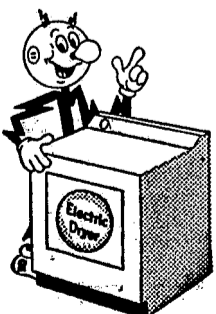

The Bel Air Sport Sedan—one of 19 new Chevrolet beauties. All have directional signals as standard equipment.

**INDUSTRY PROVIDES FORESTRY KIT FOR BOY SCOUTS**

America's 1,500,000 Boy Scouts and Explorer Scouts will practice the arts, science and business of forestry and timber use this spring with the guidance of a special forestry kit prepared by the nation's wood-using industries.

American Forest Products Industries, Inc., national sponsor of the American Tree Farm program and publisher of the special forestry kit, said orders already had come from each of the nation's 542 Boy Scout Councils. Demand for a conservation item of this type by the Boy Scouts, leaders said, is without precedent.

While April has been designated as Forestry Month in Boy Scout activities, the 12-item kit will be usable in conservation activities through the year.

In the free kit are how-to-do-it facts, directions, and drawings for a day-long Loggers Field Day; troop and patrol projects, such as planting seedlings on a Tree Farm, fighting a mock forest fire, and visiting plants where wood is milled, pulped, fabricated or marketed; data on conservation merit badges and individual and troop Conservation Awards of Merit, especially established by AFPI; a one-act play, "Reunion on the Fire-Line"; television and radio forums on forestry; foresters' and woodsmen's games for troop meetings and campfires; and other ideas for learning-while-doing work and recreation. No extra kits will be available.

Urban as well as suburban and rural troops can carry out the forestry program as drawn up by AFPI's education and forestry divisions in cooperation with the Conservation Activities Department of the Boy Scouts of America.

The new kits, now being sent to BSA councils, will be explained and demonstrated to Scout-

masters and other Scouts at local roundtable conferences in February and March. Only as many kits as councils needed for their troops were produced, and extras are not available, BSA and AFPI jointly stated.

**1955 LICENSE PLATES EXPIRE FEBRUARY 29**

A confusion of dates in the minds of many Michigan motorists this year may result in their being ticketed for driving with expired license plates on their cars, according to Automobile Club of Michigan.

Phone calls and letters to the Auto Club indicate a large number of drivers are still confusing the April 15 income tax return deadline with the February 29 expiration date for 1955 licenses.

"The sale of new license plates is lagging far behind last year despite increased car registrations in the state," the Club's license department manager reports. "Unless a large number of plates are sold within the next two weeks, we'll have the longest lines we ever had in the last few days before the deadline."

Motorists are reminded that a "Certificate of Title" is needed to secure new plates and that anyone needing a duplicate of a lost title should apply for it immediately to avoid the last minute rush. The motorist is also warned that 1955 plates should not be discarded before the deadline where they might be picked up and used on a car involved in a criminal action.

The Lesson-Sermon entitled "Mind" will include the following selection from "Science and Health with Key to the Scriptures" by Mary Baker Eddy (128:4-11): "The term Science, properly understood, refers only to the laws of God and to His government of the universe, inclusive of man. From this it follows that business men and cultured scholars have found that Christian Science enhances their endurance and mental powers, enlarges their perception of character, gives them acuteness and comprehensiveness and an ability to exceed their ordinary capacity."

Also emphasizing the divine source of wisdom is the Golden Text from the King James Version of the Bible (Proverbs 2:6): "The Lord giveth wisdom: out of his mouth cometh knowledge and understanding."

**YOUR HOME NEWSPAPER**

All matters handled through the Probate Court require a certain amount of legal publication in one of the county papers. Foreclosing a mortgage entails publication of the foreclosure notice in a county paper.

Either the probate court officers or your attorney will have your legal publication carried in The Clarkston News if you request it.

We solicit the privilege of carrying such legal publications. This form of advertising is valuable to us. When you support us in this way we are able to give you a better paper each week.

trees. The drills will be sterilized, and clean plastic tubing will carry the sap to plastic bags. These experimental trees will later be chopped down for science. This year, some 20 to 30 trees will find their way into the microscopes of Dr. Leo W. Mericle, professor of botany and plant pathology. About 10 trees were cut last year for the same purpose.

Mericle and Mrs. Ching will study the histological changes during the sap season, and the penetration of the various micro-organisms into the tree tissue. They are hopeful that this year's sample trees will point to the culprit.

According to Prof. Mericle, the

preliminary studies indicated that when tap holes are kept sterile they produce more sap than do non-sterile holes. However, some of the bacteriostatic agents, used to prevent bacteria from growing without actually killing them, made the sap taste like cough syrup.

In an earlier phase of the study the three departments studied the effect of micro-organisms on the quality and taste of the maple syrup. Mericle believes that some of these may make the finished maple product taste better. Tests last year, however, concentrated on the use of agents to inactivate some of the micro-organisms in an attempt to improve the flavor of maple syrup.

The studies of the three departments are supported by a grant from the U. S. Department of

Agriculture. Sugar bush experiments have been conducted at M. S. U. since 1915. Michigan was the fourth state in the United States in terms of production in 1954.

**Michigan's Farm Forests**

Hundreds of Michigan farmers are taking part each year in a program to improve timber management on small land holdings which make up about 28 percent of the state's forest land. Conservation Department foresters assist farmers and other landowners by recommending management practices for continuous forest production.

Pontiac, Algonquin Chief whose domain extended from Lake Superior to the Gulf of Mexico and from the Alleghenies to the Mississippi, chose the Oakland County area for his home, investigation of county history by the Oakland County Planning Commission revealed.

Brown-shell eggs may be just as high in quality as white-shell eggs, say food specialists at Michigan State. Quality is based on the interior condition of the egg, not the shell.

Potatoes need not be fattening. A medium-sized baked or boiled potato contains about 100 calories when served without added fat.
