ROTARIANS HOLD ANNUAL FARMERS' NIGHT

School Bond Issue Approved Monday

The electors of the Clarkston Community School District approved the bond issue at the special election held February 27, 1956, by an overwhelming majority of 80%.

There were 447 votes cast. 354 affirmative votes, and 93 negative votes.

The schools wish to express their appreciation to the electors for supporting a building program that will make possible the erection of necessary school facilities.

The district is fortunate that it can provide facilities as they are needed and not be in the position of many other districts in which children that are now graduating have never experienced a full day of school.

The Board of Education will, on the basis of the best information available, provide the facilities as they are needed and in the quantity that they are needed.

The present plans are to provide an elementary school on Sashabaw Road, an addition of the Clarkston Elementary School and additions on the high school.

According to the schedule, construction on these facilities should begin early in April and should be completed by early fall.

The buildings will generally follow the same architectural design that has been employed in previous building projects, because cost analysis proves that they are the most economical.

One story structures will be constructed of cinder block and brick facing. Floors will be poured concrete covered with asphalt tile. Roofs will consist of steel deck covered by pitch and gravel. Painted cinder block interior walls will provide the color and warmth that is necessary in the classroom. A combination of glass block, window sash and plastic bubbles will provide the natural light while incandescent ring fixtures will provide the necessary artificial lighting.

Honest Labor

Great men like little children play
With devious methods, scheming.
With little seriousness they pray
Of winning, always dreaming.

We're shocked to see how little thought,
To righteousness is given.
Each day a thousand souls are bought,
And into darkness driven.

Why are life's standards put so low,
Emblazoned with the dollar?
Of questioned practice you must know,
To be an able scholar.

Where have our mortal precepts gone,
When man thought well of honor,
While now wealth strikes it like a fawn
Devoured by a condor?

Too little trust perhaps in God?
Too little thought to giving?
Too much suspicion where we tread?
Too fond of easy living?

Let's put our childish thoughts away,
Let's love our friend and neighbor,
Let's mean each word when we pray,
And do some honest labor.

Rotary Anns See Library Film

On Tuesday evening the Rotary Anns met at the home of Mrs. Robert L. Jones on Robertson Court. Mrs. Charles Rockwell was the assisting hostess.

Mrs. Leslie Greene, president, conducted the business meeting at which time it was voted to hold a Rummage Sale in April. Mrs. Don Stackable was named chairman of the sale. It was reported that six of the members and a few guests went to the Crippled Children's Home in Pontiac one evening last week and helped prepare the envelopes for the Easter Seal mailing.

After the business meeting the group retired to the recreation room where Mrs. Stackable presented a film "The Impressionable Years". This film, loaned by the Michigan State Library Association, showed the great influence a good library has on small children as well as adolescents. The story was quite interesting and made the members realize how much the local library could help the young people if only they would get the habit of using it.

Dainty refreshments were served from a table centered with an arrangement of spring flowers and candles. Mrs. Leslie Greene presided at the silver service.

The March meeting will be at the home of Mrs. Charles Lippincott when a Girl Scout program will be presented.

Pioneers Celebrate 2nd Anniversary

The Clarkston Pioneer Club met last Thursday at the Community Center for the regular monthly get-together. It was the club's second anniversary and there was a large attendance.

Luncheon was served at 12:30 and the February birthdays were recognized. Following a short business meeting the guest speaker, Miss Ernestine Davidson, a consulting specialist with the Detroit Society for the Prevention of Blindness, gave an interesting and informative talk which was well received.

The club is grateful to Mrs. J. D. Powell, Mrs. Ira Snader and Mrs. Jack Wignall for furnishing transportation; Mrs. Joseph Hubbard who decorated the luncheon tables so attractively; Mrs. Clarence Drake for the coffee cream; the Clarkston Bakery for the cake; Mrs. Louis F. Walter for the delicious home-made biscuits; and the service committee who served the luncheon—Mrs. Floyd Hammond, Mrs. Glenn Boner, Mrs. Frank Stauter, Mrs. Arnold Mann and Mrs. Frederick Warwick.

The members are asked to watch for the announcement of an important program in March.

Girl Scout News

Girl Scout Troop 379 met at the Methodist Church on Wednesday, February 22. We sang Happy Birthday to Dawn Joseph. Dawn treated us to ice cream and cupcakes. Mrs. Hursfall, our leader, taught us two new games which included singing and dancing. We closed with our Goodnight Circle and our Girl Scout song.

Patty Terry, Scribe

On February 15th Troop 379 observed "International Friendship Week". They entertained Girl Scout Troop 252 of Holly. Their speaker, Kimmy Bennett, a native of Tokyo, Japan, was exceptionally interesting. She told about life in Japan and showed the girls her collection of dolls. Mrs. Bennett also showed her beautiful kimono and wore it to the delight of the Girl Scouts. She stressed "International Friendship" and how much it means in building world peace.

Brownie News

Brownie Troop 223 met at the home of Mrs. Kriss on Wednesday, February 22. We had a treat of cherry tarts from Linda Backus and Peggy Norris. Susanne Allen was invested in our troop. "Thinking Day" was discussed by Mrs. Backus and a word was given to our scribe, Connie Buzzell. We played games and had our Goodnight Circle.

Clarkston's History Now In Library

If you are interested in the early history of Clarkston and the surrounding townships, you will be happy to learn that the Independence Township Library has recently purchased the "History of Oakland County" from 1817 to 1877. This valuable addition to our library has many wonderful illustrations of the farms and people of the county, together with some fascinating reading about the early settlers here.

Clarkston is fortunate indeed to have the paintings of famous West Coast artist Henry Vander Velde now on display in the Independence Township Library. These paintings are on loan and may be seen during library hours: Monday, 7 until 9 P. M.; Tuesday and Thursday, from 4 to 6 and Saturday mornings from 9 until 12 noon.

Larsh-Letson Rites Read In Holly

Jean Ann Letson became the bride of A/2c Richard Max Larsh on February 6th in the parsonage at the Calvary Methodist Church in Holly.

The Reverend Louis Sutton performed the eight o'clock service in the presence of the immediate families.

The only attendants were Jo Ann Gavette and Robert Letson, brother of the bride.

The bride is the daughter of Mr. and Mrs. George Heppi of Holly and the bridegroom is the son of Mr. and Mrs. Max Larsh of Clarkston.

A/2c Larsh is stationed at Langley Air Force Base in Virginia.

1949 - 1956 MERRY MIXERS PLAN 7TH ANNIVERSARY DANCE

The Merry Mixers 7th Anniversary Dance will be held on Friday evening, March 2nd from 9 until 12 o'clock at the Waterford C. A. I. Building, in the main ball room.

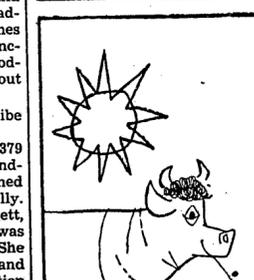

Music will be furnished by Haan's orchestra and Lee Kaines will be master of ceremonies. Callers representing some of the clubs in and around Pontiac and vicinity will call the quadrilles.

All square dance clubs, their relatives and friends are cordially invited to attend. Tickets may be obtained from Merry Mixers members; from the presidents of other clubs and at the door on Friday evening.

The committee for the dance includes: chairman, George McCleanahan; tickets, Mrs. Stig Danjelsson; decorations, Mrs. Ed. Rockwell.

Notice

Patients who have received their first polio shots at the office of Drs. Bullard and Naz are requested to come in before Saturday for the second shot.

Value of Oakland County farm products sold in 1949 was \$9,338,000, of which \$5,078,000 was livestock and dairy products, reports the Oakland County Planning Commission.

Clarkston's History Now In Library

Clarkston is fortunate indeed to have the paintings of famous West Coast artist Henry Vander Velde now on display in the Independence Township Library. These paintings are on loan and may be seen during library hours: Monday, 7 until 9 P. M.; Tuesday and Thursday, from 4 to 6 and Saturday mornings from 9 until 12 noon.

P. T. A. To Hear Special Speaker

All parents, teachers and friends of the school are invited and urged to attend the Clarkston P. T. A. meeting in the elementary school on Wednesday evening, March 8, at 8:00 P. M.

This meeting should be of special interest to everyone in the community as there will be a double-feature program. The president of the local organization has been fortunate enough to get the consent of Mrs. Charles Neldrett of Pontiac, 1st vice-president of the Parent-Teacher Congress, to speak at this meeting. Mrs. Neldrett has been active in Parent-Teacher work for the past twenty years and during these many years she has learned about the problems that must be solved in order to have a successful P. T. A. Mrs. Neldrett is an understanding person, ready to give help to all groups. She will be ready to answer any questions. It is hoped that as many as possible will strive to hear this worthwhile speaker.

Another highlight of the evening will be the presentations made by the Girl Scout and Brownie Troops in this area. They have been preparing for their part in the program for the past few weeks and they are looking forward to a large audience.

At the close of the evening refreshments will be served by the third grade room mothers.

W. S. C. S. To Have Quarterly Meeting

The Executive Board of the Methodist W. S. C. S. will meet at the church on Thursday, March 1 (today), at 11:00 A. M.

Following the meeting of the Board the regular Quarterly meeting will be held, starting with a luncheon at 12:30. The Mary Circle will be host for the luncheon.

In the afternoon a business meeting will be held and a program presented.

The guest speaker will be Mrs. Arthur Beaudy of Flint, district president of the Woman's Society of Christian Service.

Clarkston Loses To Clarenceville

by Ira Pence

Clarkston dropped into a tie with Brighton for 4th place by losing a close game with Clarenceville. The game was one of the best Clarkston has played this year and wasn't decided until the final seconds.

The Trojans jumped off to an early lead, 4 - 0, which the Wolves slowly cut down finally to 11 - 8, with only 25 seconds left in the period. Just before the final horn, Hanaford sunk two free throws to pull Clarenceville up at the period, 11 - 10.

The Trojans came back in the second period and for the first half matched the Wolves basket for basket, then George Lang put in a string of baskets to put the Trojans 5 points down at the half, 30 - 25.

In the third period Lang again put in a string of baskets which coupled with one by Dick Lippert kept Clarkston ahead by 5 points, 40 - 35. With only two minutes remaining Darrel Riddling upped his head and put in 2 quick jump shots to cut Clarkston's lead to 3 points, 42 - 39, at the three-quarter mark.

Clarkston came back in the 4th and led by 7 points midway through the period, but here Clarenceville put in the stops and slowly overtook Clarkston, 54 - 54. Then with only 5 seconds to play Darrel Riddling hit on a jump shot to give Clarenceville the game and the 3rd place in the Wayne-Oakland League, 56 - 54.

Game honors went to George Lang with 27, while Darrel Riddling was high for the Trojans. Next week Clarkston will fight for its life in the Wayne-Oakland League. If Clarkston defeats Brighton they will remain in 4th place but if they lose they will end up in 5th or 6th place. Clarkston won the last encounter, but since then, Snyder and their sophomore Brian Watson have been clicking. The Brighton Bulldogs defeated the Bloomfield Lakers handily while Clarkston lost by quite a margin.

Mr. and Mrs. Charles O. Lanning of 145 N. Holcomb Street entertained at a birthday dinner on Sunday honoring Mrs. William Miller of Elizabeth Lake Road, Pontiac. The occasion also honored Mr. Lanning's birthday. Guests included Mrs. Marguerite Miller, Mr. and Mrs. Sam Miller and Charlene and Sammy of Clarkston; Sidney Miller, Olevia McLean, and Mr. and Mrs. William Miller of Pontiac and Mr. and Mrs. Harvey Lanning of Dearborn.

Easter Seal Sale Begins March 10

A white lily, symbol of the Easter Seal Society, and a crippled child with the words "EASTER SEALS HELP CRIPPLED CHILDREN", stylized on a blue background is the design for the 1956 Easter Seal. The campaign is being conducted simultaneously with all other states beginning March 10th and ending April 10th, Manistee, President of the Michigan Society for Crippled Children & Adults, Inc., the statewide Easter Seal Society, announced today. In fact, this period is designated Easter Seal Month, and a special day, March 24 is nationally designated as Crippled Children's Day. The Easter Seal Appeal harmonizes with the Easter Season. It carries with it the practical application of Hope and Resurrection for thousands of physically handicapped persons in need.

This is the 23rd annual Easter Seal appeal conducted by the Michigan Society, now 36 years old, and is expected to be the most extensive campaign in the Society's history. Over 2,000 volunteers have been working day and night to prepare a million and a half letters and sheets of Easter Seals for mailing.

Costs for all services, aids and equipment have sky-rocketed like everything else in our daily living. Consequently, the public is urged to be as generous as possible. It is quite natural to assume that some may have been overlooked, but Easter Seals are available. Those who may not have been given the opportunity to contribute are asked to make their wants known by contacting the Crippled Children's Society at 152 W. Lawrence in Pontiac.

Plans Being Made For Michigan Week

Gordon Sabine, dean of the College of Communication Arts, Michigan State University, has been named chairman of the School Press Committee for Michigan Week, May 20-26, Kenneth Youel, Michigan Week public relations chairman, announced today. Mr. Sabine and his committee will work with the high school and college newspapers in promoting the third annual Michigan Week observance.

Other committee members are Professor John Marston, school of journalism, Michigan State University; Mrs. Earl Rich, high school newspaper adviser, Eaton Rapids; Miss Mattie Crump, high school newspaper adviser, Arthur Hill high school, Saginaw; and Miss Kathryn Merriott, high school newspaper adviser, Neogaue.

Dean Sabine's committee plans to ask all high school papers to largely devote one issue in advance of Michigan Week to the subject "Why It's Great to Live in Michigan". The School Press Committee is one of fifteen being organized by Mr. Youel, who is director of divisional public relations of General Motors, to handle the various public relations tasks of Michigan Week.

Cub Scout News

Cub Scouts of Den 8 met at the home of Mrs. Walton Robbins on Wednesday, February 22. Peter Wilford called the meeting to order because Terry Miller, our president, was ill. A treat of cookies was served by Mrs. Robbins. We played out of doors. We played Fox and Geese. Flag-bearers were Peter Wilford and David DeLongchamp.

Deep-Water Harvest in Winter

Smelt by the ton swell the commercial fisherman's nets in many Great Lakes waters of Michigan during winter months. These boxes of the tiny little fish were taken recently from Big Bay de Noc off Escanaba and will add to the annual 4,500,000 pounds taken from Michigan waters.

Garden Club Meets Monday

The Clarkston Branch of Women's National Farm and Garden Club will meet at the home of Mrs. Rolfe Smith on Monday, March 5th, at one o'clock. Mrs. Howard Huttenlocher and Mrs. F. E. Davies will be the assisting hostesses. An interesting program has been planned, with Mrs. Joseph T. Woolfenden speaking on "My Bird Friends".

Members of the Garden Club have just completed a two-day workshop in Landscape Design conducted by Mrs. W. J. Ullenchurch of Dimondale and Professor Cox of the Extension Service of Michigan State University.

Tickets for the Michigan Flower and Arts Exhibition which will be held from March 17 to 25 at the State Fair Grounds in Detroit are now on sale at special pre-show prices. The tickets may be purchased at a reduced price any time before March 16th through the Clarkston Garden Club. Anyone interested may contact Mrs. R. E. Spohn, Maple 5-5411.

The Men's Athletic Club will meet Monday evening, March 5, at 7:30 at the high school. All local men over 25 years are invited to attend. The only equipment required is a pair of gym shoes.

Clarkston Local

The Byron Nolans are spending a short vacation in Florida.

Once a year the Clarkston Rotary Club entertains the farmers and former farmers of the surrounding territory at one of its weekly meetings. The meeting this year was held last Monday at the Community Center.

President Ronald A. Walter called the group to dinner and Al Lee gave the invocation.

Following a fine dinner served by the ladies of the Clarkston Baptist Church, Frank Ronk led the group in community singing.

William Sharpe was the chairman of the committee on arrangements. "Bill" stated that he was born and brought up on a farm and had farmed some himself. He expressed pleasure that he had been on such a committee and then welcomed the farmers.

Alex Solley responded for the guests. Before going ahead with his remarks he made two presentations. One gift was given to Roy A. Alger, whom Mr. Solley said had always appreciated his jokes and always had a hearty laugh for them. W. H. Stamp (and indirectly Mrs. Stamp) received the other gift for favors Mr. Solley said, had been done for him in the past and he felt should be publicly recognized. Both gifts were two pounds of creamery butter.

Watson Kenney of Detroit was introduced and he told a number of stories, some in dialect. The meeting closed with the singing of the last stanza of "America".

It was mentioned that this year's meeting was perhaps the largest the club had had.

Waterford

Mr. and Mrs. Louis Dorman have returned home from an enjoyable vacation trip which took them to New Orleans and then to Hollywood, Florida, where they spent several weeks.

Mr. and Mrs. Louis Hillman have rented their home on Waterloo Street and are moving, this week, to their new home on Big Lake Road.

Twenty friends and relatives of Patricia Stites were at her home on Saturday evening for a party honoring her "leap year" birthday. Her birthday fell on the 29th and her sister, Corrine (Mrs. Paul Fair) observed her birthday on the 28th. The party given by her mother, was attended by guests from Detroit, Traverse City, East Lansing and Holly.

Mrs. Bernard Haeney of Waterfront Drive surprised her husband on Saturday evening with a birthday party at their home. The ten couples present were teachers and their wives or husbands from the Isaac Cray Junior High School where Mr. Haeney is assistant principal.

Mrs. Russell Weil and two

sons, Tommy and Brian, flew to Florida Sunday for a visit with her parents, Mr. and Mrs. Fred Owen who are spending the winter in Orlando.

Dr. and Mrs. William Cohoon left on Wednesday of last week for a Florida vacation trip.

Leland Bunyan left Thursday for Florida to join his family who have been there for some time. They will all return home, together, the last of March.

Mr. and Mrs. Don White and daughters arrived home Saturday after a Florida vacation.

Mr. and Mrs. Jack Hall, Mrs. Elmer Going and Mrs. Ben Byrns had dinner in Detroit last Friday evening and later attended the Hollywood Ice Revue at the Olympia.

Mrs. Bessie Owen has gone to Florida and is visiting her brother, Cleve Chamberlain in Bradenton.

March birthdays are numerous and friends in the vicinity observing them this month are: David VanPlew, March 1; Mrs. Ruth Purcell, March 2; Mrs. William Thomas and Mrs. Floyd Fullerton, March 3; Mrs. Loyal Lumby, the 7th; Mrs. Howard Mortimore, the 10th; Mrs. Helen

Coventry, the 11th; Mrs. Bert Dryden and Mrs. Phil Stites, the 12th; Earl Schwalm, the 13th; JoAnn Beedle, the 15th; Mrs. James Stites, March 18; Mrs. Ethel Munro, Dale Beedle, Mrs. William Hunt and A. L. Purcell, the 19th; Mrs. Hazel McLaughlin, March 22. Mrs. Roy Pammenter has a birthday and wedding anniversary on the 24th. Rev. Wright VanPlew's birthday is the 24th; Mrs. George H. Kimball and William Chase, the 25th; Mrs. Oscar Virgin, the 26th; Jack McCaffrey, the 30th and Mrs. Stephen Phetteplace the 31st.

The Adult Bible Class of the Waterford Community Church will meet at the home of Mrs. Henri Buck on Tuesday evening, March 6, at 7:30. Co-hostesses will be Mrs. Roy Pammenter and Mrs. Wallace Brown.

On Monday night, March 5, the Sunday School teachers of Waterford Community Church Sunday School will meet at 7:30 for the regular Visitation.

On Thursday night, March 8, at 7:30 the Trustees, Church Council and Missionary Board of the Community Church will meet at the church for Workers' Night.

On Sunday, March 4, the Sunday School Board of the Waterford Community Church will meet at 5:30 P. M. at the church. All teachers and officers are asked to be present.

CALORIE COUNTING

by Mrs. Mary A. Hixon
Home Demonstration Agent

For the calories in one four-inch wedge of pie, you can have a pint of whole milk or almost a quart of skim milk. Whether you are battling to gain weight or to lose weight, milk is your ally, declares Mary Hixon, County Home Demonstration Agent. When reducing weight is the goal, milk adds generous amounts of protein, calcium, and other needed nutrients along with a very moderate number of calories. When you choose skim milk (fluid or dry) or buttermilk, you get all of the nutrients in whole milk except fat and vitamin A.

Research has shown that you get along best during slimming when there's more protein than usual in the diet. This is an added reason, points out Mrs. Hixon, for including a lot of milk, especially skim milk or buttermilk.

For those counting calories, Mrs. Hixon gives approximate amounts of calories in milk and milk products: Fresh fluid whole milk, 1 cup, 165 calories; half and half, 1 cup, 330 calories; fresh fluid skim milk, 1 cup, 85 calories; buttermilk, 1 cup, 85 calories; chocolate-flavored milk

drink, 1 cup, 185 calories; malted milk beverage, 1 cup, 280 calories; evaporated milk diluted with equal water, 1 cup, 175 calories; non-fat dry milk (not reconstituted), 4 tablespoons, 110 calories; ice cream, 1/2 cup, 150 calories; milk sherbet, 1/2 cup, 120 calories; and cottage cheese (not creamed) 1/2 cup, 110 calories.

LOCAL GUARDSMEN TO STAND INSPECTION

Natural GAS
YOUR SILENT SERVANT

'Lung' Checkups Keep Gas Meters Accurate

Your gas meter is similar to a healthy lung. It actually goes through the motions of breathing—inhaling and exhaling gas by means of little diaphragms of leather or plastic. At each intake of "breath," the meter registers how much gas is consumed.

The "lung" and other vital parts of your gas meter are regularly inspected to insure accurate measurement of gas consumption. More than 300 gas meters a day go through the scientific test and repair cycle at Consumers' General Meter Building in Jackson.

Here gas meters are tested, adjusted and repainted. Even new meters, fresh from the manufacturer, must undergo rigid tests before going into service. Only a meter of demonstrated accuracy is permitted to measure the gas that serves you.

Only GAS does so much, so well... the modern fuel for automatic cooking... refrigeration... water-heating... house-heating... air conditioning... clothes-drying... incineration.

Larry Justin Aldred

Funeral services were held on Saturday afternoon for Barry Wallace and Larry Justin Aldred, ages 6 and 7. The two little brothers, sons of Mr. and Mrs. Clarence Aldred, 4282 Lotus Drive, were drowned Wednesday afternoon when they fell through the ice on Lester Lake near their home.

The funeral service was held in the Waterford Community Church with the Rev. Wright VanPlew officiating. Burial was in Ottawa Park cemetery.

In addition to the parents the boys are survived by a sister, Phyllis Ann and a brother, Gary Robert.

WOODLOT PROFITS
by John K. Trocke
Ass't County Agricultural Agent

Material from Oakland County woods is too often sold for much less than its real value, points out John K. Trocke, Assistant County Agricultural Agent. That is because woodlot owners don't have enough experience in estimating and selling timber, he contends.

The county extension office or local farm foresters can give helpful advice in determining the value of standing timber and in deciding which trees to sell and which to keep for improving the stand, Trocke indicates.

He passes along this advice from Lee M. James, a Michigan State University forestry specialist.

Remember to study the markets and sell timber by measured volume, not on the basis of a tract. Get prices from as many sawmills and wood industries as possible. Local markets sometimes pay better than those outside because of transportation costs. Advertise in papers to get prices from outside buyers. Use a written timber-sale agreement, particularly where cutting is done by the purchaser. Market the high grades of timber instead of using them on the farm where cheaper material will serve as well. Markets that pay good prices usually pay on grade. Standing timber doesn't deteriorate rapidly, so it pays to wait for favorable market conditions.

Two Editorials on Michigan Blue Cross

Featured below are the full texts of two editorials which appeared in The DETROIT TIMES on February 26, 1956 and in The DETROIT FREE PRESS on February 27, 1956. Because they present the considered editorial judgment of two of Michigan's great newspapers, we are reprinting them in full as a public service for the information of our 3,600,000 Blue Cross members and all the people of Michigan.

From The Detroit Times, February 26

BLUE CROSS FUSS

We didn't suspect a week ago today, when we started a series of articles on Blue Cross, that the fuss over hospital prepayment would attain the intensity it has now reached.

The amount of hullabaloo, frankly, is getting out of hand.

Rep. Allison Green has a bill for the Legislature, which he fondly hopes will solve everything. It won't.

Insurance Commissioner Joseph A. Navarre has been quoted with some remarks which we suspect he will regret when he begins to realize what he has said.

A group of unions in Detroit and Flint is proposing to set up a rival "Blue Cross plan," which is entirely within their rights, even though we doubt it will look as simple to them once they have gotten into what is a very complicated problem.

Of the three—Rep. Allison, Commissioner Navarre, and the unions—we think the unions are behaving most reasonably. We differ with them only in our opinion as to whether they CAN produce what they think they can.

But of the whole lot, we think Blue Cross and its present managers are the most capable of providing what we want. We think Blue Cross is getting a vicious and needless pushing around.

In our news stories we have tried to tell what was happening without letting our opinions sway us.

But this is the editorial page, and this is our opinion, and we are saying what we think.

First of all, a series of articles which began concurrently in another Detroit paper is, for all we know at this moment, still running. We don't have any quarrel with the facts in it.

We do believe it has placed too much emphasis on "over-utilization"—that is, the complaint that some people either stay too long in the hospital, or get in under Blue Cross when they shouldn't—when they aren't really sick.

The Times reported that. We can take you back in the files a couple of years and show we were the first newspaper to report there was some of this chiseling going on. It should be halted. We think it is being halted.

But it makes a rather sensational subject to write about—and some people talk too much about it. This "over-utilization" while it does happen, is not occurring to the extent that it makes any vast difference in premium payments.

And that is the most important issue in this whole problem.

Why do we think "over-utilization" is not as great as some people try to suggest?

First, because a Blue Cross study group itself was the first to dig into the matter. No attempt to hide anything. Just an effort to correct the situation, since chiseling by one subscriber is paid for by all the honest ones.

Second, Blue Cross, by subsequent and continuous inquiry, thinks that this evil is under good control, even though there is still an occasional violation.

Third, because Michigan isn't the only Blue Cross plan. The same general plan exists in all the states, each under its own laws and its own management.

If the plan here happened to be at fault, in some way, it is hardly possible that all the states would be at fault in the same way.

Somewhere in the country we would find that Blue Cross rates were markedly lower—we would find it, that is, if Michigan's Blue Cross were letting the customers get away with murder.

Somebody would have found a solution, and would be bragging about it. But no, rates are pretty comparable anywhere you go.

Therefore, we suspect this "over-utilization" has been publicized into a bigger fault than it really is. We don't think very many people get much fun out of going to, or staying in, a hospital.

Now Rep. Green thinks he could bring about lower rates, and thwart all the chiselers (such as there are—most people are honest) by a law making Blue Cross change its policy.

He would make everyone who uses Blue Cross pay the whole cost of the first day in the hospital (the most expensive day, because then you have all the tests, and usually the operation if you need one) and also pay 15 per cent of the cost after the seventh day.

Of course that would reduce the premium you pay for Blue Cross—but you'd soon find it didn't save any money. Furthermore, it would put the biggest burden on the people who are most seriously ill. Who wants that?

Rep. Green, with the best of intentions, has oversimplified the situation. Besides, he wants to make this compulsory for everybody—doesn't even want to give subscribers a choice of which way they'd rather do it.

Commissioner Navarre, for reasons which escape us, has endorsed Rep. Green's notion. We suspect some politics somewhere, because we think Navarre ought to know better.

We wonder, too, why Navarre has questioned the sincerity of the Blue Cross in offering a so-called "deductible" policy.

People have been able, if they chose, to buy such a policy from Blue Cross for upwards of the last year. Blue Cross made no secret of the fact that such a policy was being offered. People could have it, at a lower price, if they wanted it. They didn't want it.

To get back to the unions, now. They'd like a policy which gives more benefits at lower cost. Who doesn't like the idea? Who doesn't want the good five-cent cigar back, or the \$700 automobile, or the three-cent newspaper, for that matter? We'd like them all back.

But you can't slap economics in the face. You can't legislate Utopia.

And so far as we are concerned, you can't say that Blue Cross hasn't been doing a good job.

Its prices haven't gone up any faster than factory wages. It has been so good that it now has 3,600,000 people, or half of the whole state, using Blue Cross and liking it.

Trying to make out, all of a sudden, that something is "wrong," or that some simple little bill in the Legislature can turn time backward and make things cost less—that's nonsense.

We don't think this union group can do it, either, but we'll concede their right to try. At least they aren't trying to tell everybody else how to do it. They're undertaking to show how to do it.

We think, flatly, that Blue Cross is a fine thing, and we hope all the noise won't fool the people and unduly alarm them.

Blue Cross is merely a victim of our rising economy just as everybody else is.

Hospital Insurance Costs

TRYING TO SPOT THE REAL VILLAIN

Old melodramas had their advantages. It was easy to identify the villain. This is not so in the current uproar about hospitalization insurance. Rates have skyrocketed. Many think Blue Cross has thrust its hand too deeply into the pockets of its 3,600,000 Michigan subscribers. Investigations are being made, bills are being submitted to the legislature, and the air is blue with charges.

Much is still being learned, but we think some observations can be made now.

The public's demand in the last decade for better medical and hospital care has been great. Therefore, on top of inflation must be added the cost of this improved care. An increase in Blue Cross rates might, then, be considered automatic.

The question is: Do the allegedly excessive rates reflect only inflation and improved care?

Ample proof to the contrary appears in surveys of hospital cases covered by hospitalization insurance. The studies indicate clearly that alarming abuses have cropped up. These take the form of unnecessary hospitalization, prolonged stays for convenience or comfort and excessive use of drugs and laboratory facilities.

The problem remains the same. Whom do we hit and how?

Is it hospitals for operating inefficiently? Is it physicians who find it convenient to group patients in hospitals for quick and lucrative rounds of call that require only an hour or so each morning? Is it patients who unnecessarily demand and get from their doctors a hospital bed and costly care? Is it Blue Cross for permitting such known abuses to continue?

Frankly, we suspect the answer to all such questions may be "Yes!"

At least one offered solution appears to be precipitous and short-sighted. A bill introduced in the Michigan Legislature suggests a deductible plan similar to auto insurance. The proposal to make subscribers pay for the first day of hospitalization and 15 per cent after seven days no doubt would cut rates. It also would greatly reduce the value of the service. It would not, we believe, strike hard enough at the abuses.

It would, however, seem logical to offer optional plans. Blue Cross has such a plan, in which the patient pays the cost of the first two days and \$2 a day for the remainder of the hospital stay. The saving of but 16 per cent in premiums does not seem adequate, considering that the average stay is seven days. Blue Cross also is readying a "catastrophe" policy, but if the saving is no greater than offered under the year-old deductible plan it too probably will not be widely popular.

One additional thought stands out prominently. Physicians, through their dealings with patients and because they control both the hospitals and the Blue Cross organization, have failed, in our estimation, to take an active public stand on the abuses under the voluntary hospitalization insurance plans.

Because they are so closely involved in the abuses and because voluntary plans were their answer in a period when socialized medicine appeared around the corner, they should be available to counsel the public. The public wholeheartedly accepted the voluntary plans and should have the wise advice of doctors.

Since Blue Cross is a \$100,000,000-a-year business, the entire problem should be thoroughly examined, calmly, circumspectly and publicly.

PLANS IN PROGRESS FOR '56 PROM

The seniors and juniors of the Clarkston High School are making plans for the biggest event in May, the junior-senior Prom. A beautiful setting of the Orient is being planned. The Prom will be May 19, a few days before the seniors leave on their trip to Washington, D. C.

NOON HOUR MOVIES

The Hi-Y has been showing

movies from one to three times a week to the students. The fee has been 15 cents. The movies are from the Walt Disney's Films. One of the movies presented was "Beaver Valley". These films are in color.

VOLLEYBALL TOURNAMENTS NOON HOUR PROGRAM

Monday was the beginning of the noon hour volleyball tournaments. Each class president chose both boys and girls teams. Each grade will have a chance to play one another.

G. A. A. DEFEATS ST. MIKE'S

On Tuesday, February 21, the G. A. A. of Clarkston High School defeated St. Mike's of Pontiac. The Varsity game started at 8:00 P. M. and from the time the game started, Clarkston was ahead. Betty Lou Gardner held high honors with 21 points. This was the highest scoring game the girls have played this year. The varsity rating is 6 wins and 2 losses, while the J. V. has won 4 and lost none. The J. V. game was called off.

FLINT JUNIOR COLLEGE ENROLLS CLARKSTON ALUMNI

The office of the registrar of Flint Junior College has in its enrollment as of February 1, the following graduates of Clarkston High School: Roger P. Thompson, Eva Underwood, Val Gene Younger, Roger Jay Johnson and George Mann.

DEBATERS END SEASON IN SECOND PLACE

Our debate team this year had one of its most successful seasons. Besides having a record of 6 wins and 2 losses, they were also runner-up in the Regional Contest held in Pontiac on February 18, defeating Flint Mandeville, in the first round. This team had had no previous defeats. Clarkston was defeated by Hazel Park in the final round. Our team consists of: Affirmative - Ron Johnson, Pat Hart and Sue Keith; Negative - Ira Pence and Barbara Lounsbury. The team was coached this year by Mrs. Barbara Gibson.

The topic for debate this year was: "Resolved: The Federal Government Should Guarantee Higher Education to Qualified High Schools Through Grants to Colleges and Universities."

They will receive a plaque from the University of Michigan for finishing second in the Wayne-Oakland League. The seasons record for the Wayne-Oakland League is:

	Won	Lost
Northville	8	0
CLARKSTON	6	2
Holly	4	4
Clarenceville	0	6

JUNIORS SELLING PLAQUES

The junior class of Clarkston High School is right in the middle of a big money making project of selling wall plaques. The plaques are light weight so that you do not have to hammer tacks or nails into your walls. They can be put up with regular wall stickers. The frame is of plastic material painted black. Inside the picture are different silhouettes. The plaques are sold

by the box and are quite reasonable.

YEARBOOK STAFF REDUCES PRICE OF YEARBOOK

The yearbook staff at Clarkston High School is happy to announce that the price of the yearbook has been reduced. See the members of the staff for the new price.

CLASS RINGS

The sophomore class has just received their rings. Of course all of the students were in a hurry to see them. If a student was not satisfied with his ring he could return and have it adjusted.

GOODWILL INDUSTRIES CELEBRATES TODAY

Nearly 1500 guests, friends and contributors of Goodwill Industries will attend an invitational dinner, Thursday evening, March 1st, in celebration of Goodwill's 35th Anniversary in Detroit.

Judge Ned H. Smith of the Common Pleas Court, who lost his sight while attending the University of Michigan Law School, will present an award to the Goodwill Worker of the Year and give a short address on The Importance of a Job to a Handicapped Person. Other awards will include one to the handicapped driver with the best safety record and an award to the employee with the longest record of continuous employment.

The Detroit Schoolmen's Chorus, under the direction of Robert Jones, will furnish music for the

program, with organ interludes by Vera Richardson of the Tuesday Musicals.

"There are many things that will receive the spotlight during Goodwill's 35th Anniversary, but none more important than the remarkable record made during 1955 which shattered all records both as to wages paid and total business done", said Harold H. McKinnon, Executive Secretary.

2,600,000 TAXPAYERS IN MICHIGAN

In the state of Michigan alone, 2,600,000 people are expected to file income tax returns this year by April 16, 1956, according to District Director A. M. Menninger of the Internal Revenue Service.

An estimated minimum of 30 million gallons of water is drawn daily from Oakland County wells reports the Oakland County Planning Commission.

At the half way mark, the Detroit office has received approximately 800,000 returns. The returns are coming in at a faster rate than 1954 by about 15 percent. However, there are still at least 1,800,000 people who have not filed their returns as yet. The Internal Revenue Service wants to file as early as possible, thereby avoiding mistakes and last-minute questions in order to complete your return. Mr. Menninger also stated, refunds are now going out to those taxpayers who have filed early and have overpaid their tax. Over 58,000 refund checks, amounting to more than \$4,700,000 have been sent so far.

Michigan has an estimated 120 wood products mills, other than sawmills, which produce veneer, shingles, excelsior, and rustic products from raw forest timber.

New Features for Detroit Sports Show

THE ALL NEW 1956 Detroit Sports, Boat and Travel Show—sponsored jointly by the Detroit Sportsmen's Congress and The Detroit News—will open at the Michigan State Fairgrounds March 3, and will continue through March 11. Highlighting the spectacular tank and stage show will be renowned distance swimmer Florence Chadwick; Pogo, the boxing kangaroo; the incredible Erks; Russ Dotson and his mad Collegians; Bruce Sidlinger, star trampoline performer; and Charles Frank and his talking duck. Talented NBC television star Boyd Heath, an American Indian, will emcee the exciting and entertaining program.

RHUBARB FESTIVAL SATURDAY, MARCH 3

Michigan is celebrating its first Hothouse Rhubarb Festival, Saturday, March 3, in Utica, at the American Leyion Hall. Hothouse rhubarb is big business in Macomb county and the surrounding area. About five million pounds, representing over a million dollars worth of business, will be harvested in this area this year. The festival will acquaint everyone with the importance of this local agricultural crop.

The Michigan Hothouse Rhubarb Festival sponsored through efforts of the Utica Rotary Club, rhubarb growers and distributors, and the Michigan State University Cooperative Extension Service have planned an attractive program that will appeal to all ages.

The festival opens at 10:30 A. M. The 300 growers will display some of their best rhubarb for judging. Pies, sauce, and other rhubarb dishes will also be judged. At 11:00 the Hothouse Rhubarb Queen will be crowned by Governor G. Mennen Williams. A miniature hothouse will display

play rhubarb in all stages of its growth. Colored slides will also show growth and development of the plant. At 2:00 a special cooking school will be presented by home economists of a local utility company. Rhubarb dishes will be featured. The festival will close with an amateur show in the evening at the local high school auditorium. For fun and educational value the rhubarb festival will be a treat for the entire family.

Those wishing to enter the rhubarb baking contest can get the rules from their home demonstration agent or the Michigan Hothouse Rhubarb Festival, 45163 Cass Ave., Utica, Michigan.

Lake Gogebic is the largest inland body of water in Michigan's upper peninsula, covering 23 square miles.

The total land area of Michigan is about 36½ million acres. Originally, nearly all was covered by dense forest, but the needs of civilization have reduced the total forest area to 19 million acres.

D. 1952 in Liber 2333 Oakland County Register of Deeds Records on pages 183 to 185 both inclusive, on which mortgage there is claimed to be due at the date of this notice, for principal and interest, and taxes paid by the Mortgagee the sum of Six Thousand Four Hundred Seventy Two and 53/100 (\$6,472.53) Dollars, and an attorney's fee of Seventy Five (\$75.00) dollars, as provided for in said mortgage, and no suit or proceedings at law or in equity having been instituted to recover the moneys secured by said mortgage, or any part thereof.

NOTICE IS HEREBY GIVEN, that by virtue of the power of sale contained in said mortgage, and the statute in such case made and provided, on Monday, the 28th day of March, A. D. 1956, at 10:00 o'clock in the forenoon, Eastern Standard Time, the undersigned will, at the Saginaw Street entrance of the Court House in the city of Pontiac, Michigan, (that being the place where the Circuit Court for the County of Oakland is held), sell at public auction, to the highest bidder, the premises described in said mortgage, or so much thereof as may be necessary to pay the amount so as aforesaid due on said mortgage, with Six per cent interest, and all legal costs, charges and expenses, together with said attorney's fee, and also any sum or sums which may be paid by the undersigned necessary to protect their interest in the premises. Which premises are described as follows, to-wit:

Situated in the City of Royal Oak, Oakland County, Michigan, and particularly described as Lot 183, except that part taken for the widening of Woodward Avenue, of "Woodward Grove Land Company's Subdivision", of part of the Northwest 1/4 of Section 8, and part of the Northeast 1/4 of Section 7, Town 1 North, Range 11 East, according to the plat thereof recorded in Liber 12 of Plats on page 40, Oakland County Records; also a strip of land eight (8) feet in width located adjacent to and immediately south of the premises above described.

From where I sit ... by Joe Marsh

Do-It-Whose-Self?

Monk McCarthy's almost as good at publicity stunts as he is at servicing and repairing cars—which is pretty darned good.

His latest gimmick is a hand-bill titled: "Do-It-Yourselfers! Why Not Grease Your Own Car?" Then he follows with two paragraphs about all the greases you'll need—the full set of wrenches, spray gun, grease gun, four jacks—the ability to work flat on your back with a face full of goo. And at the very end there's this line: "Or, if that's too much trouble, we'll do the job for 75¢."

Man's God-given strength, assurance, and ability will be emphasized at Christian Science services this Sunday.

Keynoting the Lesson-Sermon entitled "Man" is the Golden Text from Daniel (10:19): "O man greatly beloved, fear not: peace be unto thee, be strong, yea, be strong."

Among the selections to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy is the following (203:13): "Spiritual perception brings out the possibilities of being, destroys reliance on aught but God, and so makes man the image of his Maker in deed and in truth."

FREEZE MORE FOOD; BRING COSTS DOWN There's no economy in an empty freezer. The more turnover of frozen foods in your home freezer, the greater the economy in using this appliance. It costs more than twice as much per pound to store 360 pounds of food for a year in a home freezer than to store and use 900 pounds from the same freezer during the year.

This excludes the cost of the food itself, say researchers at the U. S. Department of Agriculture. As more food is used and replaced in a freezer, storage costs are spread over a larger number of pounds, and cost per pound decreases.

Household equipment specialists point out that certain fixed costs of freezer operation are relatively large compared to other costs—such as that for wrapping—which vary with the amount of food handled by the freezer. Whether the freezer is empty or full, researchers have found that the electricity required to hold zero F. remains the same.

Besides amount of frozen food, the cost of electrical energy to operate a home freezer depends on the amount and effectiveness of its insulation, room temperature, size of the unit, temperature at which the freezer is operated, and of course, the cost of electricity.

when the Sun enters what is called the "vernal equinox", the time when it crosses the equator on its way north in its apparent yearly "journey", she explains. On the day of the equinox the Sun will rise and set almost exactly at the east and west points of the horizon, and day and night will be of equal length.

March 28 will bring a full moon of special significance, says Professor Losh. It is the first full moon after the vernal equinox which determines when Easter will be. "Easter falls on the first Sunday after the first full moon after the vernal equinox", Professor Losh describes. Venus continues as the conspicuous "Evening Star" in the southwest. It is steadily growing brighter and is visible for a long-

Elegant Fish Loaf

A fish loaf can be smart... it can have food style—of course! Just look at this golden crusted one with its interesting texture! When a homemaker finds a recipe which tells her to use leftover cooked fish, for convenience sake as well as economy, she should fasten it firmly in her book of favorite and special recipes. Especially one which recommends corn flakes as a particularly *flavorful* extender. For while she may be confident of the nutritional value of fish loaf as a family standby, she will also discover that guests will enjoy it, in-or-out-of Lent.

Toasties Fish Loaf

3 cups corn flakes, finely crushed
1 1/2 cups milk
2 cups flaked cooked fish*
1/2 cup sour cream
1/2 cup minced onion
1 tablespoon chopped parsley
1 tablespoon lemon juice
1/2 teaspoon Worcestershire sauce
1/2 teaspoon thyme
1 teaspoon salt
Dash of pepper
2 eggs, well beaten
Combine corn flakes and milk; let stand 10 minutes. Then add remaining ingredients, except eggs, and beat thoroughly. Fold in beaten eggs. Turn into well-greased 1-quart loaf pan and bake in moderate oven (375° F.) 1 hour. Serve with white sauce seasoned with small amount of mustard. Makes 6 to 8 servings.
*Fresh or quick-frozen cooked perch, haddock, cod, or flounder may be used. Or use canned tuna or salmon.

as Virgo, the Virgin. It is a long constellation, its stars roughly outlining a human figure, astronomer Losh notes. Its brightest star is Spica, easily located by continuing the sweep of the Big Dipper's handle through Arcturus on to this star, only bright one in the area. We see Arcturus as it was in 1920 and Spica as it was in the year 1880, she declares. The light has taken the time between these years and 1956 to reach us.

er time after sunset. On the evening of March 15, the crescent moon will pass about a degree above Venus, the astronomer points out. Jupiter, another bright planet, rises in the east around sunset and remains close to the bright star, Regulus, in the Sickle of Leo, the Lion. Two interesting Spring constellations will begin coming up soon after sunset in March, Professor Losh observes. The first to look for is Bootes, the giant "Bear Driver". This constellation is easily recognized by the kite-like outline formed by its principal stars, and by the presence of the bright orange star, Arcturus, in the tail of the kite. "Arcturus is one of the bright gems in the heavens during the Spring and early Summer evenings. It rises about twenty-five degrees north of the east point of the horizon", she says. Rising at about the same time as Bootes but farther toward the south is the star group known
