NUMBER 38

# SANDUSKY MAYOR TO VISIT CLARKSTON

## Ground Breaking Takes Place Sunday

Climax to the third great step in the development of St. Andrew's Episcopal Mission, Drayton Plains, came Monday night when All Saints Parish Vestry, the sponsoring religious corporation for the mission, okayed the financing and building plans for the first unit of St. Andrew's new church home.

Ground-breaking ceremonies have been set for Whitsunday afternoon, May 20, at 3 o'clock. The Very Reverend William C. Norvell, Dean of Oakland Convocation of Episcopal Parishes and Missions, together with Rev. C. George Widdifield, Rector of All Saints Church, Pontiac, will lead in the traditional rites of asking God's blessing on the building project as the first shovels of dirt are turned.

It is anticipated that by the time of the ceremonies the actual contracts will have been signed and that actual construction of the 84 foot, two-story building will begin during the ensuing week.

The new site of the church where the ceremonies will take place is on the south side of Hatcher Road, approximately midway between Crescent Lake and Airport Roads. The new \$2 million Junior High School of Waterford Township, when built, will be immediately adjacent to the new church.

Reverend Waldo R. Hunt, Vicar of St. Andrew's, on behalf of the Chapel Committee and Congregation, cordially invites all interested friends and citizens of Clarkston, Waterford Township, and northeast Pontiac, the area served by the church, to be present to rejoice with them, and to ask God's continuing blessings on the building and on the work and worship of this congregation.

## The Call

There are gardens to plant and houses to clean,  
And a million odd jobs are tucked in between.  
There are screens to put up and fresh lawns to mow,  
And weeds by the million have started to grow.

The house will need painting and so will the fence;  
Boy, we have got problems as well as expense.  
There's need for attention to each bush and tree,  
And the roof doesn't look too solid for me.

Were you ever able to figure just why  
These jobs fall upon you like rain from the sky.  
All things were so peaceful, so quiet, serene,  
When all of a sudden you woke from a dream.

You felt such a thrill, the warm weather had come.  
You gave little thought to the work to be done.  
You loll-i-gagged round with your head in the air,  
With never a thought of the earth needing care.

A voice in your conscience kept seeming to say,  
Don't let the spring fairies allure you away;  
For, Bub, mother nature is needing a hand,  
To help her in bringing the best from the land.

The work is so hard and the days are so long,  
But there is a bird just singing a song.  
The reason he sings so sweet by the hour,  
He is but obeying his innermost power.

## Men's Club To Hear History Of County

On Thursday evening, tonight, the Men's Club will meet at the Methodist Church for the regular monthly dinner-meeting. The dinner will be served at 6:30. All men in the area are invited.

The men are very fortunate to have Joe Haas of Holly as the guest speaker. Mr. Haas is on the staff of the Pontiac Daily Press.

He is an authority on the history of Oakland County, having traced the building up of the area from the days of the early settlers. Mr. Haas will tell about pioneering days in Clarkston and bring to memory many of the old-timers.

This will be the last meeting of the Men's Club for the season and so at this time election of officers will be held.

## RECEPTION SUNDAY AT METHODIST CHURCH

On Sunday, May 20, a reception will be held at the Clarkston Methodist Church from 2 until 5 o'clock, honoring the Reverend and Mrs. Robert M. Atkins who will be leaving Clarkston in a few weeks to make their home in California.

Everyone in the area is invited to attend the reception.

## Rotary To Hold Intercity Meeting

An intercity meeting is being planned by the Clarkston Rotary Club for next Monday evening when the Lake Orion Club will join them for dinner at 6:30 and the meeting at the Community Center.

The guest speaker will be Joe Haas of Holly who is well known in this section.

## BUFFET DINNER AT ST. ANDREW'S

The Woman's Auxiliary of St. Andrew's Episcopal Church is sponsoring a buffet dinner at the church on Saturday, May 26th from 5:30 until 7:30 p.m. in the evening. A very fine menu is being planned by the women and they are inviting everyone in the area to attend. There will be no set charge, but a free-will offering will be collected. The proceeds will be placed in the Building Fund.

## Family Picnic At Waterford School

The P. T. A., of the Waterford Village School is planning a "Family Night Pot-luck Picnic" on Thursday evening, May 24, at 6:00 o'clock. A short business meeting will follow the picnic.

There will be the presentation of awards to Safety Patrol boys and to Service Squad girls.

This affair is for every family in the community. The picnic will be held on the grounds at the village school. If it rains tables will be set up inside. Each family is asked to provide two dishes of food to pass, table service for each member of the family, bread and butter or rolls. Coffee, tea and milk will be furnished.

There will be parking facilities on the playground south of the school.

If you are planning to attend contact your P. T. A. President, Mrs. Ralph Marble by Friday, May 18.

## Plans Underway For Girl Scout Roundup

Adult members of the North-Oakland Girl Scout Council were brought up to date on the 1956 Senior Roundup when they met Tuesday evening, May 15, at the C. A. I. Building in Waterford Township.

Mrs. Lee Beckhart, National Camping Director of Girl Scouts, was on hand to explain in detail this first country-wide encampment to be held here in the Highland Recreation Area between June 29 and July 11. The site will include Haven Hill Lodge.

With enthusiasm, Mrs. Beckhart talked about the primitive life the 5000 girls and their counselors will lead during their two weeks here. There will be no steam heat, no electricity, no hot running water. They will live in tents—2400 of them; they will sleep in sleeping bags and they will cook on charcoal stoves.

It will be the most dramatic demonstration, since covered-wagon days, of American girls and women creating comfortable homes in the midst of primitive conditions with a minimum of equipment.

There will be a babble of dialects, drawls, accents, twangs. Each troop will consist of 4 patrols (8 girls in a patrol) each from a different state. Each troop will have an adult leader and assistant, both from different regions. Each camp of ten troops will have representatives from at least 22 different states or territories.

The U. S. Army and the state conservation department are busy laying out the "city" now, according to the speaker.

The patrol of eight girls who will represent the Northern Oakland Girl Scout Council also took part in Tuesday's program. They participated in the flag ceremony, demonstrated the American Girl Polka, and gave a choral reading on Indian folklore.

Among the 8 girls was Dorothy Staley, daughter of Mr. and Mrs. Horace Staley of 5001 Pine Knob Road.

Dorothy has been in Girl Scouting for 6 years and has been active in camping, both at Camp Sherwood, near Lapeer, and at local day camps. In February she represented the Senior Planning Board at a conference in Chicago.

Dorothy wants to be an algebra teacher. She is active in The Future Teachers Club and in G.A.A., also a young people's group at the church. She is planning to specialize in folk dancing for her contribution to the Americana theme of the Roundup.

The public is invited to visit Roundup any day from 10:00 A. M. to sundown and to attend special events on July 4-7-9. There will be formal and impromptu demonstrations of Scouting and Americana every day.

**O. E. S. TO HOLD FRIENDSHIP NIGHT**  
The O. E. S. Oakland County Association officers will be honored at Friendship Night on Monday evening, May 21st, in the Clarkston High School.

Those being honored will be Mrs. Lloyd Sibley, President of the Association and her officers, Mrs. Walter Vitzel of Birmingham, Mrs. Frank Woll of Rochester, Mrs. Harry Long of South Lyon, Miss Wilma Bendle of Holly, Mrs. Pauline Tomke of Franklin Village and Keith Agy of Walled Lake. Another officer to be honored on this occasion will be Mrs. Roy Conrad, Grand Representative of Idaho and Michigan.

The meeting will get underway at 8:00 o'clock.

## Twenty-One Club Closes Season

The Twenty-One Club closed a successful season on Saturday evening, in the Clarkston High School Gym. In spite of the threatening tornadoes, 142 sixth, seventh and eighth graders enjoyed dancing to record music.

Among the chaperons for the evening were Mr. and Mrs. Jule Berg, Mrs. L. V. Cushman, Mr. and Mrs. George Gray, James Moore, Mrs. Blaine Smith, Fred Turek and Mr. and Mrs. Walton Robbins.

The Clarkston Community Women's Club sponsors this young club. The Youth Committee wishes to thank the parents for their fine cooperation throughout the school year.

## Goodwill Trucks Here Wednesday

National Goodwill Industries Week which was observed May 6-12 through this area brought many discards for the handicapped people at Goodwill to insure employment.

"It must be remembered, however," said Harold H. McKinnon, Executive Secretary, "that any excess material taken in during spring cleaning time or a special week like Goodwill Industries Week is stored to keep the production line working during the slower months which will come in the summer time."

It is unfortunate that the nature of Goodwill's business, that of taking discards and renovating them for sale, is a seasonal enterprise and many times through no fault of the organization, collections are not made on time because everyone is housecleaning at the same time.

These discards, however, are invaluable to Goodwill's handicapped employees for future months when calls are at a low ebb. To keep the workers on the job without cut-backs, Goodwill Industries must have a back-log to draw from.

"It is heartening," said McKinnon, that the majority of the public understands our problems and are willing to wait past the day that we are supposed to make the pick-up. The discards that the contributor wishes to give are all important and are the lifeline for the handicapped worker," he said.

The Goodwill truck will be in Clarkston on Wednesday, May 23. For pick-up information, call Mrs. Alfred Lee at Maple 5-3381.

7:30 P. M. Evening Service. Thursday evening, Youth Jam-boree.

## Junior-Senior Prom Saturday Night

The Junior — Senior Prom, "Oriental Gardens" will be Saturday night from 9 'til 12. The cafeteria will be decorated like a garden with Oriental Ideas. There will be a stream with a bridge over it and flowering trees along its bank. Musicians, Neil Kimler and his Kim-Tones, will be seated in a pagoda. The outdoor court will be decorated providing the weatherman goes along with the plans. Refreshments of punch and cookies will be served throughout the dance.

Tickets are on sale and can be purchased from any junior or senior or they can be purchased at the door.

The prom committee is promising a wonderful prom that will be remembered by all.

## Showers Honors June Bride

On Tuesday evening Mrs. Martin Johnson entertained at a kitchen shower at her home at 6531 Fleming Lake Road, honoring her sister, Mary Dean, who will be a June bride. Co-hostesses were Mrs. William Howland and Mrs. William Porritt.

The sixteen guests enjoyed an evening of games and they had a good time presenting Mary with many lovely gifts. To close a lovely evening dainty refreshments were served.

Mary will become the bride of Thomas Miller of Walled Lake on June 9th at the Clarkston Methodist Church.

## NINTH ANNUAL C. A. I. FAIR

Plans for the ninth annual C. A. I. Fair are well underway announces Lee Kaines, this year's General Chairman. Committees and chairmen are already making plans for what they hope will be the biggest and best Fair yet.

Dates for the Fair are June 22-23-24.

General Chairman Kaines will be assisted by co-chairman, Robert J. Beattie. Other committees and chairmen include: finance and records, Jerry Root; building and construction, George McClanahan; traffic, Waterford Township Police; building maintenance, Jack Goshen; civic and cultural displays, Waterford Township Jaycee Auxiliary; Fair Queen, Mrs. George Dean; Fair prizes, Al Beebe; commercial exhibits, Robert C. Beattie; rides and midway, Robert Aiken; booths and sales, Margaret Beattie; cafeteria and refreshments, Merry Mixers and Women's Club; entertainment, Mrs. Patrick Wolf.

Merchants wishing floor space should call Robert C. Beattie at Orlando 3-1925.

All single girls between the ages of 15 and 21 are eligible for the Queen contest. Again this year there are wonderful prizes.

Door prizes, donated by the merchants, will be given away every hour the Fair is in progress. Three big door prizes will be donated by C. A. I. First prize is a Whirlpool Automatic Washer and Dryer; second is a 21 inch Admiral Television; and the 3rd is a Duo-Therm Power Mower.

Aside from the interesting commercial, civic and cultural displays and inside activities, Cote Amusements are making a return engagement. Rides, booths and games of skill are only a few of the attractions they have to offer.

Again this year there will be a 'Kids Afternoon' when rides for children will be 10 cents. This will be Saturday afternoon, June 23. A drawing will be held and a bicycle will go to some lucky boy and girl. These bicycles have been donated by Cote Amusement, Warden Cycle Shop and C. A. I.

## Interesting Letter From Heidelberg

An interesting letter was received this week from Sylvia Petersen who is studying in Heidelberg, Germany. Sylvia is the daughter of Mr. and Mrs. Albert Petersen of Orion Road. She graduated from the Clarkston High School and the University of Michigan and then decided she would like to spend some time abroad. We share Sylvia's letter with our readers.

Dear Mrs. Stamp:

Heidelberg is a very old town and ugly in a comfortable sort of way. Plastered brick houses line the streets with a tiresome, rhythmic monotony that pauses only at intersections. Some streets seem nothing more than narrow ribbons binding the town together, just wide enough for one-way traffic, and the sidewalks on these streets are so narrow that one person wishing to pass another must walk in the street to do so.

Every year in the summer Heidelberg draws hundreds of tourists. People don't come to see the town, with its moulding buildings, its damp, drafty houses that are cold in the winter and never quite warm in the summer, its narrow streets crowded with automobiles and U. S. Army trucks. They come to look at the scenery, to walk in the jutting hills that frame the valley in which the town lies and through which the Neckar river flows. People come to admire the view from these hills. And that view is worth coming for; it's a wonderfully controlled composition of plains, valleys, hills, town and river, wherein all nature looks harmoniously ordered and serene.

The focal point of tourist interest and civic pride is the old Heidelberg castle. It stands above the town, crumbling and proud, a powerful symbol of solidarity and stability. Two or three evenings a month in the summer, the castle is illuminated with red flares and a splendid display of fireworks are discharged from the old bridge in the town. In the light of those smoking flares, the castle looks as though it's burning, the town and the river glow red. Then the sky becomes a confusion of red and green and gold and white lights as the fireworks explode. Heidelberg echoes to the whine of rockets and the thunder which they explode.

Summertime is the best time to see Heidelberg. Everything is at its best, and that best is impressively lovely.

Sincerely, Sylvia Petersen

## Reminder

The ladies of the Belle Sherwood Circle of the Seymour Lake Methodist Church are reminding you that they are sponsoring a Rummage Sale in the basement of the church on Friday and Saturday, May 18-19. The hours on Friday will be from 9:00 A. M. to 9:00 P. M. and on Saturday from 9:00 A. M. to 6:00 P. M.

## CAPT. E. R. RUPPELT COMES TO DETROIT

The Interplanetary Foundation of Detroit will present Captain Edward R. Ruppelt (AF Retired), author of the recent best seller, "The Report on Unidentified Flying Objects", at The Detroit Institute of Arts, Sunday, May 20, at 8:15 P.M. Capt. Ruppelt is the former chief investigator for the A. F. Project Blue Book (a special A. F. Flying Saucer investigation). Hear the inside facts beyond what has been told by other researchers from the man who personally investigated thousands of flying saucer reports in an official capacity for the A. F. and is in a position to know, better than anyone else, what went on behind closed doors at the Pentagon when official analysis of these reports were made.

This is the nearest thing yet to an official explanation of the A. F.'s attitude concerning saucers. Capt. Ruppelt is presently employed in a civilian capacity as an aeronautical engineer for an aircraft manufacturer, working on a guided missile project. He will fly from California for the weekend to give this lecture, the only one in the East this spring.

## Special Clinic For Palsied Children

Parents of cerebral palsied children who want to learn the proper treatment for their children will have the opportunity June 6-7 when one of the country's six specialists conducts a clinic here.

A diagnostic clinic, free to parents, will be conducted by Dr. Meyer A. Perlstein of Chicago on the scheduled dates, Wednesday and Thursday from 9 A. M. to 4 P. M. Stevens Hall in All Saints Episcopal Church has been set as the clinic center.

Oakland County Society for Crippled Children, the Easter Seal Agency, in cooperation with the Michigan Society for Crippled Children and Disabled Adults will sponsor the clinic.

Any child in the county is welcome, but parents must have a written request or referral from their family doctor in order to undergo examination.

Mrs. Elizabeth Kirkby, executive director for the Crippled Children's Society here, has announced that she will arrange transportation to the clinic for those who need it. However, she reminded, persons must call and make arrangements for this before the deadline date, May 29.

Dr. Perlstein's findings will be referred back to the family physician of each patient he examines for final decision on what actions to follow in treatment of the cerebral palsied child.

Dr. Perlstein is a charter member and was first secretary in the Academy for Cerebral Palsy; a member of the Medical Advisory Council on Cerebral Palsy to the National Society for Crippled Children; a consultant to the Division of Services for Crippled Children at the University of Illinois; chairman of the Michael Reese CP Therapeutic Hospital School; medical director of the Children's Neurological Clinic of Cook County, and on the pediatrics staff of Northwestern University.

Thursday night will be their first free night.  
A guide will escort the group on tours again Friday. That night they have reservations at a night club for dinner and a floor show.

They will return Saturday afternoon, arriving in Detroit about 8 o'clock Sunday morning. Greyhound buses will bring them back safely to Clarkston.

The rules are as follows:  
1. The use of alcoholic beverages is forbidden.  
2. Smoking will not be permitted on the train except in smoking rooms and lavatories. No smoking on buses, in hotel lobby, or dining rooms. If you must smoke please confine it to your hotel room.  
3. Boys will not enter girls' rooms. Girls will not enter boys' rooms.  
4. No student shall leave the hotel unless accompanied by at least one other student from our own school. No students shall leave the hotel after midnight.  
5. All students will take all tours.  
6. Students should be in their hotel rooms not later than 1:00 A. M., on Thursday and Friday nights. You will not enjoy the tours unless you get sufficient rest.  
7. Anyone who violates the above rules will not be allowed to graduate with the rest of the class. In case of serious infractions the persons involved will be sent home immediately.

**Library Tea Next Wednesday**  
The library board of the Clarkston Elementary School is planning a Silver Tea for Wednesday, May 23, at 2:00 P. M. in the Community Building. Mrs. Edward Williams, an authority on children's books, from Rochester, will be the speaker.

All mothers and friends interested in the school library are cordially invited to attend.

## Localite Graduates At Naval Center

Merle Spencer, son of Mrs. George W. Moore of 9965 Sashabaw Road, Clarkston, is scheduled to graduate from recruit training May 12 at the Naval Training Center, Great Lakes, Ill.

The nine weeks of "Boot Camp" includes drill and instruction in seamanship, gunnery, life saving, sea survival, boat handling, and the use of small arms.  
Following two weeks leave, graduates will be assigned to schools depending on the qualifications each has demonstrated.

The annual Mayor's Exchange Day, Monday May 21st, sends us Mayor Finkbeiner of Sandusky. The mayor will be accompanied by his wife and three other members of the Council with their wives. Present plans call for the party to be met by Councilman, Robert L. Jones, at 10:30 Monday morning. Weather permitting, they will tour the village and vicinity on Motor Scooters provided by the Hawke Tool & Engineering Company. At 12:00 noon, the Village Council will entertain the men at luncheon at Bob Parker's Clarkston Cafe, with all local businessmen present. An afternoon tour of the Pontiac Motor Company has then been arranged.

The ladies of the visiting party will be entertained by Mrs. R. L. Jones at luncheon, followed by a visit to interesting spots in the vicinity.

Clarkston is being represented in Sandusky by Councilman A. E. Butters, substituting for Mayor Russell Colton, who is ill. Mrs. Butters and Mr. and Mrs. Ralph Thayer are accompanying him for the program there.

## EXTENSION GROUP ELECTS OFFICERS

On Tuesday of last week the Clarkston Home Extension Group met at the Community Building for the regular meeting. The lesson on "Meeting the Meat Bill" was interesting and informative and was in charge of Mrs. Ralph Walton, Mrs. George Keelan and Mrs. Glenn Kerton. In connection with the lesson the leaders prepared the luncheon which was served at noon.

The following officers were elected for the new year: chairman, Mrs. Frank Williamson; vice-chairman, Mrs. Joseph Hubbard; secretary-treasurer, Mrs. Glenn Kerton; leaders, Mrs. William Howland and Mrs. William Porritt. Alternate leader is Mrs. Martin Johnson.

The group voted to assess each member 35 cents to help in buying two wheel chairs for use at the Cancer Center in Pontiac.

## SENIORS TO LEAVE FOR WASHINGTON

The seniors of Clarkston High are leaving for their trip May 23rd at noon. Two chartered Greyhound buses will take them to the New York Central station in Detroit. There they will leave by train at about five o'clock. Free dinner and breakfast will be served while traveling.

They will arrive at eight o'clock Thursday morning in Washington, D. C. The seniors will go to the Martinique Hotel, put their luggage in their rooms and start the tours immediately. They will see the Capitol, White House, Mint, Washington Monument and many other interesting sights.

Thursday night will be their first free night.  
A guide will escort the group on tours again Friday. That night they have reservations at a night club for dinner and a floor show.

They will return Saturday afternoon, arriving in Detroit about 8 o'clock Sunday morning. Greyhound buses will bring them back safely to Clarkston.

The rules are as follows:  
1. The use of alcoholic beverages is forbidden.  
2. Smoking will not be permitted on the train except in smoking rooms and lavatories. No smoking on buses, in hotel lobby, or dining rooms. If you must smoke please confine it to your hotel room.  
3. Boys will not enter girls' rooms. Girls will not enter boys' rooms.  
4. No student shall leave the hotel unless accompanied by at least one other student from our own school. No students shall leave the hotel after midnight.  
5. All students will take all tours.  
6. Students should be in their hotel rooms not later than 1:00 A. M., on Thursday and Friday nights. You will not enjoy the tours unless you get sufficient rest.  
7. Anyone who violates the above rules will not be allowed to graduate with the rest of the class. In case of serious infractions the persons involved will be sent home immediately.

Mrs. Frank Lambert has returned to her home on N. Main Street after enjoying a European trip and spending some time in Little Rock, Arkansas.

Book Review Group will be held at the home of Mrs. Paul Herbst, 2913 Landsdowne, at Williams Lake.

Mrs. Percy Hunt will entertain the ladies of the Good Will Club next Thursday afternoon at one o'clock at her home in Pontiac. Mrs. George Whitfield is assisting her.

Last Thursday at the church officers meeting at the Waterford Community Church Charles Jehle was chosen chairman of the Council and Klein Powell, secretary. Other officers are: Mrs. Frank Schultz, Mission Board Chairman; Mrs. Hugo Magnuson, secretary and Mrs. William Banghart, treasurer.

At the Waterford Community Church election held last Tuesday at the church the following were elected: Trustee, Albert Kray; Council, Klein Powell and Elmer Davis; Mission Board, Mrs. W. B. Banghart and Mrs. Hugo Magnuson; Clerk, Elna Banghart; Ladies Auxiliary, Mrs. Henry Mehler; General Superintendent, Wallace Brown.

Lee Smith of Chicago will be the speaker Sunday at both services at the Waterford Community Church.

### APPLICATIONS FOR STATE POLICE OFFICERS TO BE IN BY MAY 30

Sergeant Charles Mulick, commanding officer of the Pontiac Post of the Michigan State Police, has issued a reminder that young men desiring to become State Police officers have only until midnight of May 30 to file applications for the next training school.

Recruits are being sought to fill 168 new positions authorized at the 1956 session of the state legislature.

"A career in the Michigan State Police is now especial."

attractive because of higher pay and other benefits as well as occupation" Sgt Mulick said. "Recruits begin earning a good salary right from the time they enter training school and increases follow regularly thereafter, with a high in the trooper rank alone of \$5,800 a year. In addition troopers receive \$900 a year in subsistence pay, longevity pay, their uniforms, paid vacations and sick leave.

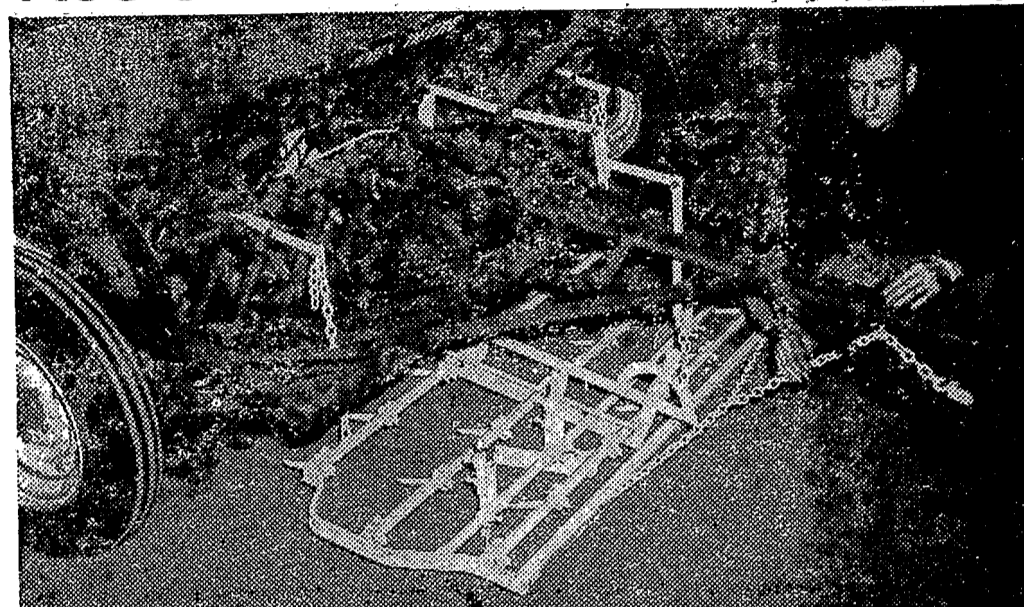

"Promotions carry substantial increases in pay and at the end of 25 years of service an officer is eligible for a pension of half his pay which goes to his widow in event of his death. She also receives the pension should he die because of a duty incurred illness or accident before he completes his 25 years.

"You can't beat this proposition, for it solves the security problem."

To be eligible to apply, a man must be between 21 and 29 years of age, inclusive, not less than five feet, nine inches in height, in good health and of good character. He can be either married or single.

Applicants should go to the nearest State Police post, or talk to any State Police officer. They may also write to the State Civil Service Commission or the Michigan State Police in Lansing.

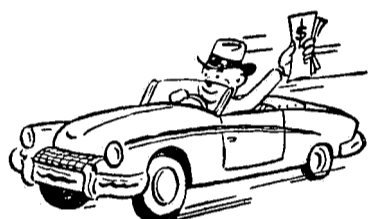

### MSU Drill-Harrow Saves Time, Money

Here's the way to plant small grain after plowing—without disking. This three-bar, spike-tooth harrow under the drill hitch saves one time over the harrow fall in the tractor wheel marks and the entire harrow is raised by the drill's power lift. A soil packer is hitched tandem on the drill to firm the soil and finish covering the seed. This leaves the field smooth for combining. The combination machine has attracted nationwide attention since it was developed at Michigan State University by Ray Cook, head of the soil science department, and H. F. McColly of the agricultural engineering department. Charles Bruffy, a graduate student who helped build the machine, shows how the combination operates. Plans for attaching the harrow to the drill are available by writing the agricultural engineering department, Michigan State University, East Lansing. (M.S.U. Photo)

## OVER 175 HORSEPOWER IN RESERVE!

...when you're cruising at everyday speeds!

### THE ROCKET'S EXTRA MARGIN OF POWER MEANS AN EXTRA MARGIN OF SAFETY!

**HIGH HORSEPOWER** . . . high torque . . . high compression. It takes all three to describe Oldsmobile's Rocket! But there's still another important side to the picture.

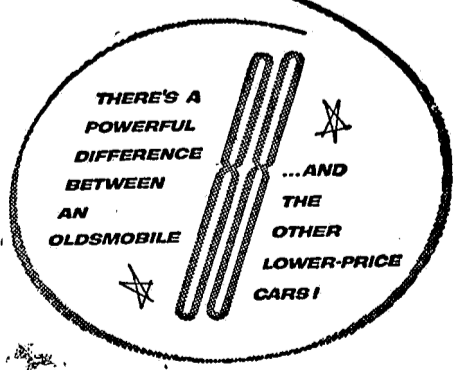

It's reserve power—in abundance! In fact, at normal cruising speeds the Rocket still has more than 175 horsepower left . . . beyond what it takes to propel the car! It's this reserve that whips you through a passing situation so quickly, so effortlessly.

That means economy, too! The Rocket just eases along, when lesser engines are

straining. You can see the result in Oldsmobile's double victory in the Mobilgas Economy Run!

The modern "big bore—short stroke" design cuts friction and power loss. The Rocket's design made high compression practical . . . and today's Rocket hits a high 9.25 to 1 compression!

Come take the wheel of a Rocket Oldsmobile. You will feel a distinct difference in performance, in riding and handling qualities . . . just as you see a glamorous difference in Oldsmobile's beauty. We'll be looking for you soon!

**FUTURE TEACHERS ELECT NEW OFFICERS**

On Wednesday, May 9, the Future Teachers Club had the installation of new officers who were as follows: president, Judy Weaver; vice-president, Carolyn Biber; secretary, Alice Lounsbury; treasurer, Janice Mickle. The new historian is Frances Hancock and Dorothy Staley is librarian.

**SENIOR ASSEMBLY DAY TO BE MAY 21**

The senior assembly which is held in honor of the senior class will be May 21. All students attending Clarkston High School will be attending.

The senior award will be given to the outstanding boy or girl. The Class Will and Prophecy will be read, and there will be the giftatory when each senior will receive a small gift from the junior class.

**YEAR BOOKS TO ARRIVE THE LAST OF MAY**

Perhaps you have been wondering when our C. H. S. year-books will arrive.

The yearbooks have been sent from Edwards Brothers to Grand Rapids to have the covers put on and to add the finishing touches. They will be sent to Clarkston by truck and are expected during the last week of May.

**ANNUAL ROAD-E-O TO BE HELD MAY 27**

On Sunday, May 27, at 1 o'clock the annual Car Road-e-o will be held on the A & P parking lot in Drayton Plains.

It is open to students who would like to demonstrate their ability to drive a car. They will be put through a series of complex tests to prove their skill in handling a car in difficult places. Weaving in and out among a line of poles, then backing through them, seeing how close you can stop with your bumper on a white line, will be among several of the events.

The students participating will have a choice of either standard shift or a hydramatic.

Entry blanks may be obtained from Mr. Thayer or from the office.

**CLARKSTON DEFEATS BRIGHTON**

Clarkston defeated Brighton May 7, by a score of 10 to 8. Dave Gaddis pitched the first five innings striking out 8 batters. Gary Nelson then came in and pitched the last two innings and

allowed only one hit.

The Wolves collected 8 hits. Gary Nelson was credited for 3 and chuck Passage 2.

**CHORUS ISN'T SINGING ANY MORE**

What's this? The Chorus isn't singing any more! Yes, it is true. Due to the full schedule at the first of the year with the Christmas Concert and the League Chorus try outs, the Chorus class, under the direction of Mr. Connors, was not able to spend much time on the theory of music.

This semester emphasis is being placed on theory so the students will gain a better understanding and appreciation of music.

**MICHIGAN STATE ASSEMBLY PLANNED**

Friday, May 18, 1956, an hour and a half movie will be shown at the Clarkston High School for the students.

A member of the faculty of Michigan State University will be there to show the movie titled: "West of the River". This movie is in full color taken in the North Dakota bad lands. It is promised to be interesting, informative and entertaining.

**CLARKSTON THIRD IN WAYNE-OAKLAND TRACT**

On May 8, all the track teams in the Wayne-Oakland League went to Milford for a track meet under the lights.

Preliminary running events were run first. All boys taking a first or second were eligible for the finals.

The field events were started as soon as possible with no preliminary events before hand.

The winners of the different events were: High Jump—Green, Milford; Pole Vault—Van Rosen, Milford; Broad Jump—Lavoy, Milford; Shot Put—Green, Milford; High Hurdles—Davidson, Milford; Low Hurdles—Kauppi, Milford; 1/2 mile—Shultz, Keego; 1/4 Mile—Milford; Mile—Moran, Brighton; 100 yd Dash—Averille, Milford; 220 yd Dash—Averille, Milford; Medley Relay—Milford; 880 Relay—Milford;

The Clarkston team did not take any firsts. They did place in the following: High Jump—T. J. Shedlowsky, Fourth; Pole Vault—John Campbell, Wally Fusilier, Fourth; Broad Jump—George Lang, Fourth; Shot Put—Nate Riffle, Third; High Hurdles—Bob Bentley, Third; Low Hurdles—Bob Bentley, Fourth; 1 Mile—Doug Fortin, Third; 100 yd Dash—Dave Swayne, Fourth; 220 yd Dash—Hal Pelham, Third;

**Medley Relay—Second.**

In the league running C. H. S. came out in third place with a total of 22 points.

**C. H. S. HONOR ROLL**

Honor students at Clarkston for the 5th marking period maintaining an "A" average for the present semester were: JUNIOR—Joyce Shuler; 8TH GRADE—June Brewer, Mary Brewer, Stella Crosby, Andrea Jenks, John Kieft, Robert Lawson, Robert Mansfield, Norman Masters, Gay Talmage, and Sally Taylor;

Those attaining a "B" or better average received honorable mention: SENIORS—Marie Barber, Darrell Blackett, Edna Brewer, Robert Hall, Ron Johnson, Clyde Kizer, Jeanette McKee, Jim Mickle, Bill Milam, Buzz Neubaucher, Gary Robertson, and Joan Shuler; JUNIORS—Barbara Hayes, Lola Johnson, Bill Mackson, Suellen O'Dell, Carolyn Pine, Pat Thayer, and Glen Underwood;

SOPHOMORES—Bonnie Abbott, Sally Bauer, Carolyn Biber, Nancy Curtis, Lucille Gibson, Alice Lounsbury, Barbara Lounsbury, and Garrett Marks; FRESHMEN—Dan Campbell, Dixie Cojocar, Sandra Gresham, Carolyn Hutchinson, Karen Jennings, Donald Jockwig, Susan Johnson, Sharlene Miller, Nancy Mosier, Larry Powell, Lucy Rader, Larry Saiz, Barbara Shadowen, Perry Smith, Pat Sommers, Barbara Stierstorfer, Kay Wepler and Charlene Wilson;

EIGHTH GRADE—Gary Allen, Pat Asher, Mary Baumunk, Mary Beatty, Paulette Etter, Diane Hursfall, Nancy Jennings, James Laajala, Larry Morgan, Rosemary Nelson, Nancy Peters, Bob Porritt, Jacqueline Powell, Marleen Rayne, David Sanford, Douglas St. Clair, Frank Strother, Doris Underwood and Jody Wilford;

SEVENTH GRADE—Sandra Asher, Joan Bailey, Judy Booth, Dick Buettel, Diane Campbell, Thespo Christides, Sharon Dawley, Delores DeNise, Suzanne Cushman, Joyce Galligan, James Gunter, Carol Horton, Ronald Jyleen, James Kreger, Susanne Larkin, Rosalie Lippert, Kathy McDermott, Charles Ott, Earl Pearson, Gary Pike, Elizabeth Roedeger, Robert Sage, Betty Sarvis, Karen Spohn, Carolyn Talmage, Susan Turek, Linda Unger, Ronald Walter, Fred Warrick, Jeanette Whitlock and Ronald Woodworth.

**SAFEST SPOTS IN TORNADO ARE OUTLINES**

Although there's no absolute protection against tornadoes except properly built storm shelters, chances are you'll survive

the blast if you have worked out your safety measures in advance.

That's the word from Richard G. Pfister, farm safety specialist at Michigan State University. He bases these recommendations on the experience of the U. S. Weather Bureau in many tornado-hit areas:

On warm, humid days with southerly winds and threatening sky, keep the radio tuned in for tornado warnings. If the alert is sounded, be ready to take cover when the electricity fails, if you see hail or hear unusual sounds like a train or roar of airplanes.

People usually can't see a tornado in time to outrun it.

If you have time, shut off the electricity and fuel heating lines to prevent fire. Open the windows on the north and east side of the house to reduce damage from differences in air pressure on the inside and outside.

People generally, asserts Pfister, will be safer in the southwest corner of their basement than in any other place in the house—if they protect themselves from falling debris.

That applies to brick and stone homes as well as frame houses. This is contrary to some other recommendations that advise taking cover on the first floor of brick homes, admits the engineer. But he reasons this way: In order to be safe on the first floor, the floor has to stay in place.

But, he insists, when you seek cover in the basement, be sure to get under a stout workbench, table or door to protect yourself from debris. Otherwise the basement might be a death trap.

If your home doesn't have a basement, crouch under a sturdy object in the southwest corner of the first floor. Make sure you are away from windows. That will offer some protection if your home isn't completely destroyed.

If you have time to lie flat in a six-foot-deep ditch, in a well pump pit, in a large culvert or

**"Best Publication"**

Conservation Department cartoonist Oscar Warbach and biologist Ralph A. MacMullan take a long second look at their publication "The Life and Times of Michigan Pheasants," recently given the national award of "best publication by a state agency for 1955." Warbach produced all the cartoons and art work and MacMullan, now in charge of the Houghton Lake wildlife experiment station, wrote the material from an extensive Pittman-Robertson field study completed under his direction. The national Wildlife Society made the award recently at its annual North American Wildlife Conference meeting in New Orleans, Louisiana.

some other depression, you'll be safer than in the house.

In all cases, concludes Pfister, the best general safety rule for tornado conditions is to follow the fireman's standard procedure: Keep calm, alert, and know your safety measures so you can act

the right way at a moment's notice.

**UNIVERSITY SOLVES TEACHER SHORTAGE PROBLEM**

Wayne University has proven there is a workable plan for

solving the critical teacher shortage problem.

"There is a substantial reservoir of potential educators in many Detroit and suburban homes," said Dr. J. Frank Campbell, associate professor of education at Wayne in announcing the June 25 registration date for the summer session of the Post Degree Teachers' Certification Program.

Wayne College of Education officials believed that the strongest encouragement for getting more teachers was to move classes closer to their homes.

Time has proven this was a good theory.

By August, 280 candidates will have completed this program in Royal Oak, Grosse Pointe and Dearborn workshops. All have accepted teaching posts in southeastern Michigan schools. Records show that 20 per cent have been men.

Men and women under 50 years of age with bachelors degrees interested in teaching are urged to investigate now this certification program. Original name of this plan was Intensive Teachers Education Program (ITEP). It was started in 1954.

Included in the summer portion will be courses in history, philosophy of education, survey of public education and literature, art and science materials for elementary schools.

The program will resume early in September when participants will begin an 18-week semester which includes practice teaching in the mornings and workshops three afternoons a week. Practice teaching can be done in the student's home community.

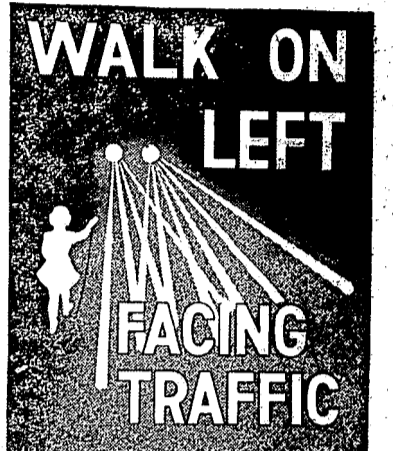

After successfully completing the 24-week program, candidates will qualify for a Michigan Provisional Teaching Certificate. This qualifies them for teaching in Michigan schools.

At present, 91 principals and 37 superintendents have completed an evaluation of the pro-

gram. The specific competency which teachers have received the highest rating is "warmth toward and acceptance of children."

Administrators indicate that graduates of this program have more poise, maturity and confidence than other beginning teachers. They say that these graduates seem to possess greater understanding and insight concerning children's needs and problems.

Take good care of those summer linen suits and dresses. Linen is 20 per cent stronger when wet than dry, so it is machine washable using soap or syndet in water that is 160 degrees F. for white and 120 to 140 degrees for colored. Use no bleach. Iron linens on the wrong side with a hot iron.

The meaningful emblem of Body by Fisher

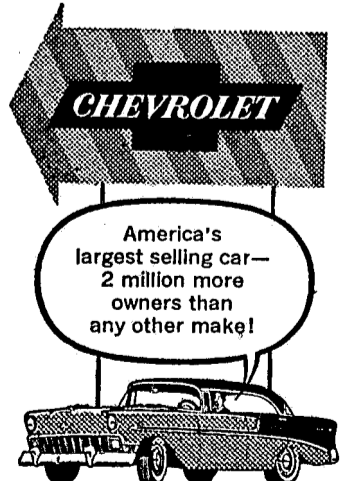

When you see "sterling" on silver you know what it means—solid silver, all the way through.

And when you see the medallion "Body by Fisher" on an automobile it means much the same thing—quality all the way through, in things unseen as well as on the visible, gleaming surface.

The significance of this emblem cannot be tested on the showroom floor. Its meaning was not built up in a day but only after

long years in which owners learned that "Body by Fisher" was a veritable symbol of solid, enduring satisfaction.

Only one who has owned a Chevrolet for several years can fully know the deep sense of satisfaction this emblem pledges. It is the warranty of an inner soundness that your eye or your touch cannot test. And only Chevrolet in the low-price field is entitled to wear the small, proud plaque that proclaims "Body by Fisher."

**AGRICULTURAL QUEENS TOUR THE EAST**

Michigan and the nation will learn the importance of Michigan's agricultural industry during Michigan Week, May 20 to 26, when four of the state's loveliest agricultural queens tour the east on a busy schedule of speaking engagements and television and radio appearances.

Making the Michigan Week trip will be Apple Queen Judy Reichman, 18, of Eau Claire; Bean Queen Janet Thiel, 18, of Elkton; Cherry Queen Sharon Dolan, 19, of Central Lake; and Dairy Princess Louise Lagoy, 19, of Albion. In charge will be Joe E. Wells, administrative assistant in the Michigan Department of Agriculture and his wife, Marjorie S. Wells, Coloma weekly editor.

The party will leave Detroit on the Chesapeake & Ohio railroad's "Sportsman" next Saturday arriving in Washington the

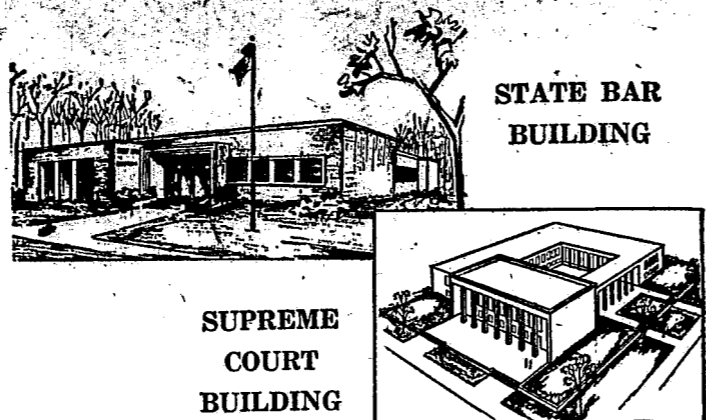

following day in time for a tea in the Senate Office building sponsored for them by the Michigan Society of Washington.

On Monday, May 21, the visiting Michigan royalty will be hosts at a luncheon for Michigan Senators Potter and McNamara, the state's representatives in Congress, and members of the Capitol press corps. Each girl will explain the importance of her product in the state's economy. The main talk will be given by Director G. S. McIntyre of the Michigan Department of Agriculture.

At each place at the luncheon there will be an apple, a pound of Navy beans, a jar of cherries, and a half pound of cheddar cheese, all Michigan products shipped by agricultural commodity groups to Washington for the occasion.

Immediately after the luncheon the queens will go to a Washington television station for a tele-

**NEW HEADQUARTERS FOR JUSTICE**

Lansing—A new headquarters for lawyers and proper housing for the judicial branch of Michigan government will be adding much-needed facilities and new beauty to the capitol city. The State Bar of Michigan currently is raising funds for its permanent home. The legislature has appropriated funds to erect the new supreme court building which will provide a court room, offices for the justices and others connected with the judicial department, as well as a state law library.

cast. On Tuesday the party will plant a Michigan white pine in Arlington National Cemetery where a ceremony has been planned by the Michigan Society.

REGULAR MEETING OF THE VILLAGE COUNCIL HELD APRIL 9, 1956

Meeting called to order by President Colton. Roll: Beach, Butters, O'Roark, Thomson, present; Jones, Megee, absent. Minutes of the last meeting were read and approved. Moved by Butters, "That Thomson be elected President Pro Tem". Seconded by O'Roark. Motion carried.

Moved by Thomson "That the Clarkston State Bank be designated as depository for all Village funds". Seconded by Beach. Motion carried.

**NATIONAL FOUNDATION FOR INFANTILE PARALYSIS PLANS ANNUAL MEETING**

The Annual Meeting of the Oakland County Chapter, The National Foundation for Infantile Paralysis will be held on Thursday, May 24. Dr. David G. Dickinson, Medical Director of the Poliomyelitis Respirator Center, University Hospital, Ann Arbor, will be the speaker for the dinner meeting at 8:30 P. M. at the Waldron Hotel in Pontiac.

Moved by Thomson "That the Clarkston State Bank be designated as depository for all Village funds". Seconded by Beach. Motion carried.

Carl W. Donelson, Pontiac Chairman of the Chapter, will preside at the meeting at which the Annual Report for 1955 will be given and members of the Executive Committee for the ensuing year elected. The Nominating Committee chairmaned by T. W. Jackson of Pontiac; Ernest Goldsworthy, Ferndale; Mrs. S. B. Danto, Huntington Woods; Mrs. Mel Stevens, Farmington; Mrs. Harry Martin, Troy Township, and Mrs. Howard W. Riemann, Birmingham, will present the slate.

Moved by O'Roark, "That the treasurer's bond in the amount of \$6,000 be renewed with Lee Clark". Seconded by Butters. Roll: Beach, yea; Butters, yea; O'Roark, yea; Thomson, yea; Yea, 4; Nays, 0. Motion carried. Moved by Butters, "That the following appointments be con-

firmed". Fire Chief, Don Beach; Building Inspector, Ralph Thayer; Deputy Clerk, Charles Robinson; Deputy Treasurer, Kathleen Waters; Attorney, Milton Cooney; Health Oakland County Department of Health; Chief of Police, Frank Green; Ass't Police, L. D. Hemingway; Ass't Police, John Ronk. Motion seconded by O'Roark. Motion carried.

Moved by Butters, "That the following accounts be paid:

**From where I sit... by Joe Marsh.**  
**Doc Nurses a Daydream**  
It's a treat when I get together with Doc Sherman. The Clarion keeps me much too busy—and Doc, well I think he puts in sixteen hours a day at the hospital.  
But Tuesday—a beautiful day—he and I slipped away for a ride around Turtle Lake. Doc's driving a 1956 humdinger—it's like riding on a cloud.  
Anyway, at one point, Doc slowed almost to a halt. "Used to fish there as a boy, Joe," he said. "Used to sit and imagine myself up on the highway driving a high-powered car. Nowadays, I just sit here and wish I were down there again."  
From where I sit, few of us are ever content with the way things are at any given moment. It's human nature. On the other hand, I've been rooting for years that someday everybody will show enough good American tolerance to respect his neighbor's right to enjoy a friendly glass of beer. When that day comes I assure you that I'll never want to change back.

*Here's Where the New Ideas Come From...*

General Motors' new Technical Center—largest of its kind in the world—employs 4,000 engineers, scientists and stylists. These vast resources combine with Pontiac's own ultramodern engineering facilities to bring you America's greatest automobile value—Pontiac, a General Motors Masterpiece.  
 Watch "Wide, Wide World"—NBC-TV, Sunday, May 20—report on GM's new Technical Center.

*...and Here's Where they GO!*

"CAN YOU SEE, STEER, STOP SAFELY?... CHECK YOUR CAR—CHECK ACCIDENTS."

You'll know the engineers have been up to something special the first time you ask this long, low beauty for action, for here's "go", you can't get anywhere else.

The "go" of the newest in high-compression, high-torque engines—Pontiac's Strato-Streak V-8, so advanced and so efficient it delivered more actual miles per gallon than any other "eight" in the Mobilgas Economy Run!

The "go" of the newest in automatic transmissions—Pontiac's Strato-Flight Hydramatic\*, specially engineered for Strato-Streak power and smooth as silk at any speed!

Come on in and bring yourself up to date fast!  
 \*An extra-cost option.

### Clarkston Local

Stepping into the spotlight with the Flint Junior College baseball team are Pete Thompson and Roger Johnson, both graduates of the Clarkston High School. Pete was in the class of '54 and Roger in '55. They were both active in sports while in high school.

### Girl Scout News

Girl Scout Troop 390 met at the Methodist Church on May 15th. We played "Poor Pussy" and "Gossip". In the first game we could not make our leaders laugh. Carolyn Ruggles, Mary Wilt, Diane DeLongchamp and Cheryl Waggener conducted the flag ceremony. Then the girls working on their second class badges did the ceremony in order to pass their second class badge test.

Carolyn Ruggles, Scribe

## CHRYSLER HAS WON EVERY MAJOR COMPETITION ENTERED IN 1956!

And don't confuse Chrysler's grand slam wins in all the big events with those "in their class" wins the others shout about so much. When Chrysler competes it competes against all comers—in performance and economy!

### THE 1956 RECORD

- Winner—Daytona Beach Flying Mile
- Winner—Grand National, 160 miles—Daytona Beach
- Winner—Women's Flying Mile—Daytona Beach
- Winner—Grand National—Phoenix, Arizona
- Winner—Grand National—Atlanta, Georgia
- Winner—Mobilgas Economy Run

And in 1955 Chrysler won 4 times more contests than the "next best"

"PowerStyle" CHRYSLER...the year-ahead car!
