## Clarkston Team Happy Victors

On Tuesday night the Clarkston baseball team came home victorious from Durand after defeating Gaines by a score of 11-10, in a Durand Invitational Tournament game.

Gaines leaped into the lead in the first inning by getting 3 runs. Clarkston tied the score and went ahead in the third inning making the score 7 to 3. Gaines tied the score at 7 all in the 4th and went ahead in the 8th with 3 runs.

Johnson and LePard each singled and Grazelek got on base on an error to fill the bases. Pat Hughes sacrificed bringing home Johnson. Jim Allen got on base on an error and LePard reached home plate. Hanzek walked. Goulet squeezed in Grazelek by putting down a bunt. Hughes scored on a long out by Doug Dreski.

Clarkston had 11 runs, 9 hits and no errors. McAndrews was the starting pitcher and was relieved by Kruskie in the 4th and he was relieved by LePard in the 7th. Winning battery for Clarkston was LePard and Johnson.

Gaines had 10 runs, 10 hits and 4 errors. Their battery was Caines and Sheppard.

Clarkston will play a double-header in league competition at Gaines on Saturday starting at 2:00 P. M. On Sunday they will play a single game in New Lothrop and on Wednesday, August 22, they will meet Fenton in tournament play under the lights at Durand starting at 7:30 P. M.

Last Sunday Clarkston played Montrose on Clarkston's diamond and won by a score of 6 to 4.

## Clarkston Locals

Reverend and Mrs. William Richards and family are spending a short vacation at their cottage at Port Elgin, Ontario.

A 2/c Vaun Walton who is stationed in Alaska with the Air Force at Elson Base was a member of a rifle team which competed in the National Rifle Association meet at Anchorage. He and the members of his team won the second place.

## Convention Daze

Oh God! that you would so inspire  
The souls of those who gather there  
That they might feel an inward fire  
Directing them to choose with care.

That paying debts and politics  
Would have no place with such a trust;  
That men would not make up a fix;  
That motives might be right and just.

So many millions, home await  
Decisions made by such a few  
They guide our destiny and fate  
By everything they say and do.

No power-hungry group with greed  
Should ever find a welcome ear,  
That they might fill some selfish need  
And leave the masses high and clear.

We pray that you might pick the man  
With motives good and hands untied,  
For you alone can understand  
Just where success is justified.

Please clear away all clouds of doubt,  
Please brush aside the murky haze.  
Let all that's right and just come out.  
Let there not be convention daze.

## Fire Fighters Host Association

On Tuesday, August 21, the Independence Township Fire Department will be host at a meeting of the recently organized North East Oakland County Fire Fighters Association. This will be a joint business and social meeting.

The purpose of this Association is to coordinate these fire departments in time of disaster and to get acquainted with each department's equipment.

## Parties Honor Prospective Bride

Many lovely occasions have honored Phyllis Beardsley who will be a September 8th bride. Recently she was feted at Forest Lake Country Club at a luncheon. The group presented her with a beautiful gift.

The guest list included, besides the honoree, Mrs. Edmund Gunter, Mrs. William Parker, Mrs. Max Souby, Mrs. Robert Morris, Mrs. Clark Souby, Mrs. William Mansfield, Mrs. Duane Hursfall, Mrs. Bartlett Mann, Mrs. Floyd Gordon, Mrs. Milo McLintock, Mrs. Lawrence MacKay and Mrs. George Beardsley.

On Friday evening of last week Phyllis was the honored guest at a dinner and miscellaneous shower at the home of Mrs. Leonard Johnson in Lake Orion. Mrs. Marjorie Kilgore was co-hostess.

Dinner was served at seven o'clock. During the evening the guests compiled a bride's book, played games and presented the bride-to-be with many lovely gifts.

Among the guests were Mrs. George Perry and Mrs. Marilyn Ward of Lake Orion, Mrs. Dorothy Getzen and Mrs. Bruce Thompson of Pontiac, Mrs. Ray Frink of Waterford, Mrs. Philip Wardlow of Milford, Mrs. Ellen Beardsley of Ortonville and Miss LeNoel Brendel of Rochester.

## Seymour Lake News

This community has been saddened by the death of William Rose which occurred at his home on Thursday afternoon of last week after several months illness. Prayer service was held Friday afternoon at the Sherman Funeral Home in Ortonville and the body was taken to Paterson, New Jersey, for the funeral and burial.

Besides his widow, Josephine, two sisters, Mrs. Al Richardson, and Mrs. William Geisert, and one nephew, William Richardson, survive.

The deceased was self retiring but ready to volunteer with his services as a painter when an occasion arose. He is going to be missed by the people of the church, especially due to the fact that when the church bulletin board has been in need of painting and re-letting they looked to "Billy Rose".

Mrs. Rose has the sympathy of the entire community.

Mrs. Iva Miller and Mrs. Russell Maybee entertained forty relatives from Columbiaville and Mayville, Sunday. It was the Strowbridge Reunion.

Mrs. Charles Green of Fennelle and Miss Edith Vincent of Saginaw were callers in this vicinity Wednesday.

Mrs. Iva Miller, accompanied by Mrs. Jessie McIntyre and Mrs. Pearl Urch, called on Miss Lucile Brown who is ill at her home in Flint, Monday.

Mr. and Mrs. Harry Burr and family called on Mr. and Mrs. Ralph Paterson in Linden, Sunday.

Mr. and Mrs. Walter Ash attended a gathering of his brothers and sisters at Harrison over the weekend and the special feature was a trip to the Ash birthplace which can only be reached by walking, at the present time.

Mrs. Wallace Guile received a letter from her friend, Mrs. Lavina Barrows, formerly of Clarkston, stating she has recently entered the Oddfellow and Rebekah Home at Jackson.

The Seymour Lake Homecoming will be held Saturday, August 18th. Dinner will be served in the basement of the church at noon by the Woman's Society of Christian Service. Rev. Leonard Kemp of Lake Fenton will give the address in the afternoon.

## Guest Speaker At Local Church

The guest preacher at the 11:00 A. M. Worship Service at the First Methodist Church in Clarkston, next Sunday, August 19, will be Mr. Stanley White who will speak on the theme, "Be ye doers of the Word" from the book of James.

Mr. White is a member of the Official Board of the church and a resident of Clarkston. Prior to coming to Clarkston he frequently would fill the pulpit of the Seymour Lake Methodist Church in the pastor's absence. His boyhood was spent in Elm-hurst, New York where he attended the Baptist Church. It was customary for him to come to Clarkston to visit his uncles, Alex and Stanley Solley, and upon one visit met Martha Miller who became his wife.

During the war Mr. White was with the First Army and served on the War Crimes Team in Europe visiting several of the Concentration Camps. He is at present employed in the Coach Sales Department of the G. M. C. Truck and Coach Division of General Motors in Pontiac.

## Localite Attends Study Trip

Mrs. Beth Siddall of 3575 Teggerdine Road is attending a two-week study trip of natural resources in Michigan's Upper Peninsula.

A total of 27 are enrolled in the intensive study course offered by Michigan State University for teachers.

The study started at M. S. U.'s conservation training school at Higgins Lake in the lower peninsula. From there the students will trek to forests, mines, farms, industries, state parks, camping grounds, a fish and wildlife sanctuary and outstanding recreation features throughout the upper peninsula.

Each enrollee provides his own camping equipment and food. Camp work is done communally, with advice from experienced camp leaders.

Staff members include Paul M. Barrett, M. S. U. extension specialist; John R. Hood, of the regional conservation office, Roscommon, Mich.; Robert W. Kelley, of the geological survey division of the Michigan Department of Conservation; George S. McIntire of the forestry division of the Michigan Department of Conservation, and Wakelin McNeel of Central Michigan College.

## Flower Show In Oxford

The 22nd, annual Flower and Vegetable Show sponsored by the Oxford Garden Club will be held in the Oxford High School Auditorium from 3:00 P. M. to 10:00 P. M. on Saturday, August 25th and from 12 noon to 9:00 P. M. Sunday, August 26th.

The Club will be pleased to have those who have any flowers, vegetables, fruit or anything unusual in the horticultural line make an entry, same to be in by 11:00 A. M. the 25th. Admission free.

Your help in making the show a success will be greatly appreciated.

## TURNPIKE AUTHORITY MEETS MONDAY

The August meeting of the Michigan Turnpike Authority will be held Monday, August 20, at 1:30 P. M. at the Michigan Turnpike Office, 401 First National Building, Ann Arbor, Michigan.

Business to come before the meeting will include a discussion of the effect of the new Federal Highway Aid Bill on turnpike prospects in Michigan.

## THIRD CINERAMA STARTS IN DETROIT

At a reception celebrating completion of the third Cinerama adventure, "Seven Wonders of the World", producer Lowell Thomas points out some of the places visited by the three-eyed Cinerama camera. Surrounded by representatives of a few of the countries photographed, Mr. Thomas, in a brief speech, stated that the new Cinerama production traveled over 100,000 miles via two planes to film highlights of "this modern Odyssey in search of the wonders of today". The third Cinerama production "Seven Wonders of the World" started a long run engagement at the Music Hall in Detroit on Tuesday, August 14.

## 1957 Committee Named For Reunion

The Clarkston School Reunion held August 11, at the Community Center was attended by 34 former pupils. There were guests from New York, Detroit, Royal Oak, Flint, Pontiac, Lake Orion and Clarkston.

A delicious pot-luck dinner was enjoyed at 12:30.

The group voted unanimously to meet again the second Saturday of August, 1957 at the Community Center. The committee for 1957 is Mrs. Iva Miller, Chairman, Bert Drake, Clifford Waterbury and Mrs. Geraldine Grate.

It is hoped the Reunion will be bigger and better in 1957.

## Obituaries

### Mrs. Margaret Seeterlin

Mrs. Margaret Seeterlin, 71, passed away suddenly at her home, 115 N. Holcomb Street, on Tuesday evening. She was born in Bay City, Michigan, on February 20, 1885.

## Get Ready For Bowling Season

Yes, the summer will soon be closing and this means that indoor sports will be starting. The bowling leagues are getting ready for a big season. However, women bowlers are wanted for the Howe's Jets, the Thursday afternoon league. They start play at 1:00 P. M. If you would like to have recreation on Thursday afternoons during the bowling season then plan to join Howe's Jets. More women are needed for Howe's Lanes Community League, the league that plays on Wednesday evening at 9:00 o'clock. Bowling is good exercise and the women have plenty of fun.

If you would like to bowl in either of these leagues just call MApple 5-5261.

Jack Emery of Dixie Highway has returned from a month's vacation in the west. He visited California and places of interest along the way.

## CHURCH IN HOLLY SPONSORS COUNTRY FAIR

Bagwell of Lansing.

Tickets may be obtained from members of the Pontiac Committee or at the door.

## School Tax Explained

The State Tax Commission approval of Independence Township's appeal for a greater share of the allocated 15 mill tax, limited the Clarkston Schools to the lowest school operating tax rate (\$8.40) in Oakland County while granting Independence Township the highest tax rate (1.92) of any township in the county.

The results are as follows:

1. A cut back in educational expenditures of \$7.00 per student in a program already seriously handicapped by lack of funds.

2. The Clarkston schools will lose approximately \$9,000 in State Distressed School Aid plus an additional \$10,600 in local tax revenue while the township gains only \$8,400.

3. The net loss of approximately \$9,000 (to the taxpayer) in State revenues must be eventually recovered by increased local taxes.

4. Residents of Springfield township levies no tax within the 15 mills. The tax levy in Independence township will remain the same.

5. The reduction in operating millage from 9.63 in 1955 to 8.40 in 1956 in effect wipes out a large portion of the 3 mills special tax voted by the people for school operation.

## Clarkston Locals

Word comes from the Frederick Warricks that they are having a grand time in California.

Mrs. Carrie Walter, who has been in St. Joseph's Mercy Hospital for several weeks, is recovering nicely. She was brought to the home of her daughter, Mrs. Verne Williams, in Drayton Plains, on Thursday of last week.

COOL, MAN, COOL—When the temperature hits 95 outside, Ernie Mikus, a graduate student at the University of Michigan, has a way to beat the heat. The metallurgical engineer steps into his frosty research laboratory where the mercury is held at zero. He is studying the properties of frigid metal samples twisted until they snap in the fatigue machine center.

## Many Winners In Local 4-H

The Clarkston 4-H Club made a splendid showing at the 4-H Fair last week. The leader, Mrs. Ralph Walton, was proud of the boys and girls from this area who won many ribbons for their fine exhibits.

The following were rewarded for their work during the year: POULTRY—for their chicken exhibits, Teresa Moran received a blue ribbon; Victor Ison, a red; Norma Isom, a white; Pat Hart, 2 whites; Ann Wright, a red; Larry Smith, won a blue ribbon on his ducks.

DAIRY: Don Moran, a first blue and reserved champion on his Jersey heifer; Rose Moran, first blue on Jersey cow; Lela Wilt, a red on her Guernsey and Mary Wilt received a red on her Guernsey.

SHEEP: Lee Perry captured two first blues and grand champion on his aged ram and he also took first place in sheep showmanship; Bill Brian won two first blues and grand champion on ewes and also took second in showmanship; Alan Walton won a first blue and grand champion on his ram lamb; he took third in showmanship; Lynn Walton received a second blue on her ewe lamb and a third blue on a ram lamb.

HORSES: Bette Wright took second place in the model class; third place in pleasure class and third place in showmanship.

GARDEN: Bill Ison won a first blue and State Show on his vegetable basket.

Although the farms in the Clarkston area seem to be gradually disappearing it is interesting to note that there are many young people in this district who are interested in farm animals and farm produce.

## Doll Club Reads New Book

We added three new members to our Club this week. We welcome anyone else who wishes to join.

We made more costumes for our dolls and tried to have something to take home to finish. We started reading our new book: "Hetty—Her First Hundred Years".

The treat this week was furnished by Ruthie Addis and Mary Hinkley.

## Pioneers Meet Next Week

The Clarkston Pioneers are looking forward to their Box Social at the home of Mrs. Pearl Urch on Holcomb Street, on Thursday, August 23rd. This will be an extra special day for the men and each man will receive a souvenir.

## Clarkston Local

Friends of Clarence Drake will be happy to learn that he is at his home and is recovering nicely from recent eye surgery.

## Edison Opens New Building

Dedication ceremonies Tuesday, August 14, marked the completion of Detroit Edison's new combined Oakland district headquarters and local customer office. The modern one-story office building, located at West Huron and Pine Streets in Pontiac, opens for business on August 15th.

Howard L. Canfield, manager of Edison's Oakland district, said the new building will house district headquarters offices as well as a customer office to serve the Pontiac area.

Canfield said the new office had been designed to provide a maximum of comfort and convenience for Edison customers and employees. He noted that the most unusual feature was the installation of five heat pumps which cool the building in summer without water and warm it in winter without fuel.

Canfield explained that the heat pump requires no combustion but uses the principles of electric refrigeration to provide year-round air conditioning. In winter, outside air—which contains heat even in freezing weather—is circulated over an outdoor coil of the unit. The heat is absorbed by a refrigerant in the coil and its temperature is raised as it passes through the unit. In a second coil, the heat is released to the indoor air.

For cooling the building in warm weather, the flow of refrigerant is automatically reversed—heat is absorbed by the indoor coil and released through the outdoor coil.

Other features of the new 5,400 square-foot building include extensive use of glass and aluminum on the front; specially designed interior lighting; decorative photo murals; and the latest in office furniture and fixtures.

The new office, which has been under construction since January, replaces the white frame building which the company occupied for 26 years. When Edison opened its first Pontiac office in 1923 there were about 5,000 Detroit Edison electric meters in the county. Today, the company has about 200,000 meters and serves 577,000 people. By 1970, the company will be serving nearly 850,000 Oakland County people, according to Edison forecasts.

## Rotary Club Has Annual Picnic

On Monday evening the Clarkston Rotary Club held its annual family picnic at Davisburg Park. Although the sky was cloudy most of the day the sun shone brightly about six-thirty as the crowd started to assemble. There were about 65 in attendance.

There was food—and more food and no one went hungry. The committee headed by Robert L. Jones and Howard Kieft did a splendid job. A few words of welcome were given by the president of the club Wm. H. Stamp.

A great deal of visiting was done and following the meal Charles W. Robinson took charge of the sports for the young people while Ed. Rummins managed the sports for the adults.

## Clarkston Locals

Mr. and Mrs. John Ronk and family and Mrs. Elizabeth Ronk enjoyed a few days this week in the north.

Jerry Callahan returned to his home on Airport Road last Friday from Higgins Lake where he had been visiting his sister and brother-in-law, Mr. and Mrs. Ross Kerton and their young son. The previous weekend Jerry was a crew member

when he and two friends, Al and Jerry Grey, took part in a regatta up there. Jerry Callahan plans to return to Miami University at Oxford, Ohio, this fall.

The Reverend Charles W. Sine of Traverse City will be a candidate speaker at the Community Church this Sunday. All members are urged to be present.

Miss Grace McVittie of Pontiac was the house guest of Mrs. Henri Buck last Wednesday. Mrs. Henry Mehler and Mrs. Nellie King were also luncheon guests of Mrs. Buck on the same day.

Sue Ellen Hall is visiting friends at Paducah, Kentucky. Sue Ellen is the daughter of the Robert Halls.

Mr. and Mrs. Robert Materna and family spent the weekend at their cabin on Platte Lake, near Honor. Mrs. Materna along with Buzz and Judy are spending all this week at the cabin and Mr. Materna will return there for this coming weekend.

Ross Wyckoff is spending this week at Fife Lake with his mother's uncle and aunt, Mr. and Mrs. Lorenz Kennel. Ross and Mrs. Kennel are enjoying the fishing.

Mr. and Mrs. Glen Davison returned home last week from a two weeks trip to Florida. They also stopped at Dugger, Indiana for a short visit with Mrs. Davison's grandmother, Mrs. Della Neal, who is spending the summer in her home

there.

William Jacober made a trip to Mountain Iron, Minnesota, last week. Mrs. Jacober has been there for a couple of weeks with her mother, Mrs. Gladys Saari, who recently underwent major surgery. Mrs. Saari's many friends here will be glad to know that she is doing very well.

Mrs. Lynn Wyckoff underwent an emergency appendix operation at St. Joseph's Mercy Hospital on Monday of last week. She has returned home and was royally welcomed by little Jeffrey and Debra.

Mrs. Albert Mertens was ill last week. She is feeling much better now.

Mrs. Arthur Davis observed

her 85th birthday on August 11.

Several "old timers" of Waterford attended the birthday party for Lemuel VanSyckle at his daughter's home in Pontiac on August 9.

Dr. and Mrs. A. W. Emery made a business trip to New-castle, Pennsylvania, over the weekend.

Claude Hoadley was recently called to the home of his father in Daytona Beach, Florida, due to the death of another son, Howard Hoadley.

Fourteen girls from the Community Church are spending this week at the Maranatha Bible Camp near Grand Rapids. The girls were accompanied by Mrs. Louise Banghart, Mrs. Stephen Phetteplace and Betty Jencks. The group stayed at the home of the Reverend and Mrs.

Wright VanPlew in Grand Rapids on Sunday night.

Raymond Attwater was the house guest of Dick Helman for a few days last week. Dick is returning the visit at Raymond's home in Sylvan Village this week. Raymond is the young son of Mr. and Mrs. George Attwater, former Waterford residents. Attwater's oldest son, Rodney, is now in the Navy, attending Drafting School.

Mr. and Mrs. James Lamberton and daughters, Karlene and Kathy Sue, are spending this week at their cabin at Atlanta.

Fifteen of the younger boys of Christ Lutheran Church are spending this week at the Lutheran Bible Camp on Bass Lake near Gowen. A group of girls from here attended the Camp last week and 17 confirmed youth are registered to spend next week there. Rev. Arvid Anderson of the local church will also be at the Camp next week.

Mr. and Mrs. Frank Towers (Martha Davidson) are receiving congratulations on the birth of a son, Robert James, at St. Joseph's Mercy Hospital in Pon-

tiac on August 7. He weighed 9 lbs 2 oz, and is the brother of four year old Sue.

**TO MEET THE NEEDS OF A VIGOROUS COMMUNITY**

Growth is a contagious thing. As you in Oakland County thrive, we must grow, too, to keep pace with your ever-increasing needs. That's why we built this brand-new Oakland District office . . . to serve you better.

Naturally, we're proud of our new facilities. But we're prouder still to be a part of this fine, vigorous community. We hope you'll stop in and visit us in our new building, as soon as you can.

FOR THE CONVENIENCE OF EDISON CUSTOMERS WE WILL:

- furnish new light bulbs for your old burned-out ones—any sizes on our list.

- exchange wornout standard appliance cords for new ones. Special cords repaired, if possible.
- replace burned-out fuses.
- repair the operating parts of your electric range, clothes dryer, water heater or incinerator without charge. Most of the small appliances—toaster, coffeemaker, iron, for example—we will repair, just charging for the parts.
- send a specialist out to check your lighting requirements.
- give you expert advice on electric cooking and home freezing—give you tested, easy-to-prepare recipes.
- check your building or remodeling plans to see if you have full HOUSEPOWER.
- give you emergency service, day or night, in case of electrical trouble.

**SCHOLARSHIP FOR NURSES AT WAYNE UNIVERSITY**

To help alleviate the acute shortage of nurses needed for hospital administration and supervision, as well as for teaching in colleges of nursing, the United States Public Health Service has granted scholarship funds to Wayne State University for 14 scholarships it was announced today.

Each scholarship, under Law 911, Title II, covers full tuition and fees, a living allowance of \$200-\$250 a month and an allowance for legal dependents.

While nurse shortages are great in all branches of nursing, the lack of nurses qualified for advanced positions affects the work of all other nurses and therefore is the most hampering and serious. Congress appropriated funds before adjourning to carry out the Health Amendments Act of

1956 in order to increase, as rapidly as possible, the number of nurse leaders available for the hundreds of vacancies which exist in hospitals and health agencies throughout the country.

Another section of this act, Title I, also provides funds to encourage nurses to study full time for preparation for staff positions in public health nursing, in order to attract more nurses into the public health field and to fill the many vacancies which exist in health departments and visiting nurse services throughout the nation.

In addition to these new grants, the College also has available similar scholarships for nurses who wish to prepare for positions in pediatric nursing. Graduate nurses who are interested in these study opportunities should get in touch at once with the Dean, College

**A Feed Bunk For Michigan**

Here is a mechanical silage bunk that can be built in 10-foot lengths from 20 to 80 feet long. The drag chain bunk features self-cleaning and permits feeding from both sides. Power unit could be the drive unit from an unloading wagon. The plan, designed by Michigan State University agricultural engineers, is complete with details and bill of materials. Copies of the plan can be obtained at cost from the local county extension office. Ask for Plan No. 772-C1-29.

the top vacation month in Michigan.

This fact naturally affects the contributions given to Goodwill Industries, which depends on usable discards to keep nearly 400 handicapped people gainfully employed.

In a district that is so dependent on the automobile industry, which has its ups and downs as far as production is concerned, it is not hard for the average housewife to know what a slow period in industry means to any individual or family.

For these reasons Goodwill Industries of Detroit has asked its friends and contributors, who are not on vacation, to make an added effort in contributing their discards between now and Labor Day.

Harold H. McKinnon, Executive Secretary, in an open letter to all those who have supported the Industries here, said today: "Because contributors have given more during the first seven months in 1956 than in any other previous

year. Goodwill has been able to keep on a more even keel, has been able to give better service to its employees, and has been able to keep more employees steadily employed than ever before."

While thanking the public for its generosity and thoughtfulness, McKinnon at the same time made an appeal for more discards to keep the production line moving steadily for the benefit of the handicapped.

**LEADING CHURCHMAN AT STATE FAIR SUNRISE SERVICE**

One of the outstanding Christian leaders in the world, Dr.

Eugene Carson Blake, president of The National Council of Churches of Christ in the United States, will be the speaker for the sixth annual Sunrise Service to be held Sunday, September 2, at 8:00 A. M. at the Michigan State Fair.

For the past five years, the Sunrise Service has been sponsored by the State Fair in cooperation with the Detroit Council of Churches.

—Since 1951 Dr. Blake has been Stated Clerk of the General Assembly of the Presbyterian Church in the U. S. A. As Stated Clerk he holds the position of permanent executive officer of the General Assembly which is the supreme governing body of the church.

Dr. Blake was elected president of the National Council of Churches of Christ in the United States on December 2, 1951, for a three-year term.

Participants in the Sunrise Service will be ministers of various denominations. Held in conjunction with the State Fair, the service will be held from 7:00 A. M. until no admission will be charged until 8:00 A. M. when the service begins.

and 10,000 persons last year. Donald L. Swanson, State Fair manager, announced that admission to the grounds again will be free to those attending the Sunrise Service. He said that gates will open at 7:00 A. M. and no admission will be charged until 8:00 A. M. when the service begins.

**Ask us about Standard's Fuel Oil Budget Plan**

Cut down the mid-winter payment peak. No interest, no carrying charge.

This is how you use your heat. Dotted line shows how you can pay for it.

Standard will help you estimate your entire year's heating costs and divide the amount into equal monthly payments. You make 9 equal monthly payments to cover a full heating season. You never pay more than the agreed amount monthly. At the end of the heating season, any slight difference in amount paid or payable will be adjusted.

No record or payment book to keep. You'll receive a statement of your account each month. The plan applies to STANDARD Furnace Oil with STA-CLEAN, STANDARD Heater Oil, and to PERFECTION Kerosene. Call today for full details.

You get more car when you buy it... more dollars when you sell it! Chevy has the highest resale value of the leading low-priced models!

**Why people who used to buy higher priced cars are changing to Chevrolet**

Sales and official registration figures show that the higher priced cars are losing more and more buyers to Chevrolet. And it isn't just because a Chevrolet costs less, either!

If you buy a higher priced car instead of a Chevrolet, what do you get in return for those extra hundreds of dollars?

More room? No, because the difference in room is usually measured in fractions of

inches—often in Chevrolet's favor! Better roadability? Not with Chevy's wedded-to-the-road stability and sure-footed cornering ability. Better performance? Well, Tom McCahill, automotive expert for Mechanix Illustrated, called Chevrolet "the greatest performance buy ever offered at any time in America!" Result: more buyers are deciding they'd rather drive a sweet-handling Chevrolet even if it *didn't* cost less! Wouldn't you?

America's largest selling car—2 million more owners than any other make!

**From where I sit... by Joe Marsh**  
**Turned Out To Be a Good Break**  
 We had a water main break last Thursday. Happened early in the morning—about two a.m.—and the first thing most of us knew about it was when we tried to turn on the faucets and nothing came out but a hissing noise.  
 Nobody was inconvenienced much though. Repair crew went right to work—and things were fixed up in jig time.  
 Incidentally, the water company got a flood of payments on overdue bills that day. Lots of "forgetful" folks must have figured they were being warned!

From where I sit, sometimes our obligations slip our minds. Like the responsibility we all have to our communities... to see that our neighbors enjoy the right to decide for themselves how to work, how to vote, whether or not to enjoy a bottle of beer. Any time we "forget" we owe this right to others, we take a chance on stopping the flow of tolerance that makes this country such a grand place for us to live in.

**Montana Cattle Go Into Relief**  
 Governor J. Hugo Aronson officially inaugurates the Christian cross as a cattle brand for the Christian Rural Overseas Program drive in Montana by affixing the first "cross" to a calf donated to CROP. At round-up time, calves wearing the brand will be used to combat hunger overseas through the Church World Service program. Watching the branding, left, is the Reverend Donald A. Scanlin of Red Lodge, state CROP director. Directly behind Mr. Scanlin is William R. Mackay, state senator and owner of the Lazy EL ranch near Roscoe where the CROP drive for meat animals was opened. Close-up of new brand is circled in picture at right.

**DRUM MAJOR CONTEST DEADLINE AUGUST 24**

Talented drum majors and majorettes from every section of Michigan will compete in the Drum Major Contest for State Championships at the 1956 Michigan State Fair, August 31 through September 9.

Entries must be made on official blanks which may be obtained by writing to the Michigan State Fair, Detroit 3, Michigan, by Monday, August 27.

Contestants will be required to appear in uniform, and twirl through a 10-inch record of their own selection. There also will be team twirling competition.

All contestants will be divided into age groups, and each age group will be graded or judged into five divisions. Medals will be awarded to winners of the first three places in all events.

Every effort will be made

**PATROL CARS EQUIPPED WITH CAMERAS**

Two Michigan state police unmarked patrol cars have been put into operation equipped with cameras with which pictures will be taken of more flagrant traffic violations to prove that they occurred. They are presently assigned to Brighton and East Lansing posts.

The Brighton car is equipped with a Polaroid camera, which develops a picture instantly. The finished print can be shown to a violator even while the officer is issuing the ticket.

The other car has a movie camera, with which one picture or frame, can be taken at a time or a moving sequence. In this case, however, the film must be developed and printed later.

The cars will be used only in the daytime, which is also

the policy with respect to other unmarked patrol vehicles operated by the department. The cameras are so set up that only one officer in a car is necessary.

While use of the cameras is somewhat experimental, the pictures will not only be of value as evidence when drivers protest that they did not commit the offenses, but will also provide a record of how violations occur and how they can and do cause accidents.

After a period at Brighton and East Lansing, the cars will be rotated among all the posts.

**LATEST DOLLS AT STATE FAIR**

Ever hear of a corset for a doll?

Well, doll corsets and other doll accessories, will be part of a free Doll Show exhibit at this year's Michigan State Fair.

There will be more than 200 late model dolls, ranging in height from 8 to 31 inches.

Besides the miniature corsets, there'll be sun glasses, hats, shoes, necklaces and purses—demonstrating what the well-dressed doll will be wearing this Christmas.

The fact that mankind can turn to the divine Mind, God, for intelligence and ability will be brought out at Christian Science services this Sunday.

Keynoting the Lesson-Sermon entitled "Mind" is the Golden Text from Psalms (147:5): "Great is our Lord, and of great power: his understanding is infinite."

The practical value of understanding God as divine Mind will be emphasized in readings from "Science and Health with Key to the Scriptures" by Mary Baker Eddy, including the following (258:21): "The human

capacities are enlarged and perfected in proportion as humanity gains the true conception of man and God."

Included in the Bible readings will be the following advice of Paul to the Philippians (2:5): "Let this mind be in you, which was also in Christ Jesus."

Picnic Perfect Banana Cake

Going on a picnic? Here's the cake for you—luscious, moist banana spice, with the simplest-ever broiled frosting. Bake, broil and carry your cake in its 9-inch square pan. It is convenient to pack and just right for hearty outdoor appetites.

Convenient, too, is the double-rich evaporated milk which gives this cake its tender light texture. Used just as it pours from the can, evaporated milk blends perfectly with the smooth bananas and spices to produce the delicious result.

Note: Include a can of evaporated milk in your picnic basket for the coffee drinkers in the crowd—no need to worry about spilling or spilling!

Banana Spice Cake

1/2 cup butter, Add sugar; cream until light and fluffy. Beat in egg whites with soda, salt and spices. Stir lemon juice into egg whites. Add milk alternately to the egg mixture with the dry ingredients, beginning and ending with dry ingredients. Add mashed banana and mix thoroughly. Turn into greased 9-inch square baking pan. Bake in moderate oven, (350°F.) 40 minutes or until toothpick, inserted in center, comes out clean. Remove from oven and spread with frosting mixture. Place under broiler until mixture is bubbly. It takes but a minute for frosting to broil, so watch cake carefully so frosting does not scorch. Cool cake in pan on a cooling rack. YIELD: 9 generous servings.

Broiled Frosting:

1/2 cup chopped nuts 1/2 cup firmly packed brown sugar
3 tablespoons butter, melted 1 tablespoon evaporated milk
Combine all ingredients. Spread and broil as directed above.

Other low-price cars can't possibly give you these 7 big Plymouth extras!

Do you own a '53, '54 or '55 model of one of the low-price 3? Then here's what you're missing—look how much more the all-new Plymouth offers:

- 1 Tomorrow's styling today: You can easily see Plymouth is all new, while other low-price cars haven't changed much in the last two years.
2 Biggest, inside and outside: Plymouth's the biggest, longest, roomiest car of the low-price three. A smoother ride and more room to enjoy it!

- 3 Exclusive Push-Button Driving: With a mere finger touch, you select your driving range—as you'd ring a doorbell. On left, out of children's reach. Positive, mechanical linkage.
4 Choice of two superb engines: Pick either Plymouth's sensational Hy-Fire V-8 (up to 200 hp —240 hp in the Fury) or the PowerFlow 6.
5 Top take-off and passing power across the board: Plymouth's 90-90 Turbo-Torque provides

- the greatest breakaway and passing power in all models of any low-price car.
6 Greatest attention to safety: Plymouth gives you many more standard equipment safety features—Safety-Rim wheels, electric windshield wipers, SafeGuard door latches, dozens more.
7 Far more extra-value features: Plymouth's low price includes many exclusive luxury features. Compare at your Plymouth dealer's today!

PLYMOUTH costs less

From the day you buy it...through all the years you own it...you'll spend less on a Plymouth. That's one reason more Plymouths are used as taxis than all other cars combined.
