

Waterford

Mrs. William Chase, who recently underwent surgery at Pontiac General Hospital, has recovered sufficiently to leave the hospital and convalesce at her home on Foley Street.

Mrs. Robert Taylor returned to her home on Tull Road on Saturday. She is convalescing following recent surgery.

Birthdays in Waterford for the remainder of the month include: Mrs. Marshall White of Lessing Street, August 26; Mrs. Roy Pammenter of Andersonville Road, August 28; Mrs. William Chase of Foley Street, August 30 and Mrs. William Cohoon of Dixie Highway, August 30.

Mr. and Mrs. Donald Beedle and family are spending a few days with Mr. and Mrs. August Jacober at their cabin near

Comins, Michigan.

Mr. and Mrs. Henry Mehler were guests of Reverend and Mrs. Wright VanPlew of Grand Rapids on Tuesday and Wednesday. On Thursday they went to Detroit where they visited their cousins, Mr. and Mrs. Homer VanAtta and Mrs. Vera Rowley.

Word has been received in Waterford of an auto accident in which the Reverend Charles Shock of Athens, Tennessee and his father-in-law, H. R. Gilmore of Camden, Mich., were hurt. Both sustained broken arms. Rev. Shock suffered a broken heel and Mr. Gilmore has a broken nose, several broken ribs and severe cuts. They were hospitalized at the Cameron Hospital in Angola, Indiana. The Shocks were visiting her parents at Camden, Mich. Reverend

Shock is a former minister of Waterford Community Church.

The Drayton Plains W. C. T. U. met for the August meeting at a picnic last Thursday at the home of Mr. and Mrs. John Watkins. Twenty-eight enjoyed the supper at 6:30 which was followed by the business meeting conducted by the president, Mrs. Russell Maybee. She announced that the September meeting would be held at the home of Mrs. John Martin on Walton Blvd at 1:30. Election of officers will take place at the September meeting. On the nominating committee are Mrs. Ina Hutchinson, Mrs. William Pelton and Mrs. Grant Beardslee. At the meeting last Thursday Dr. C. J. Sutton gave the devotions. Jack Peters favored the group with a solo and also told about part of his work at Moody Bible Institute during the past year. A film, "Cats and the People" was shown and explained by Mrs. L. G. Rowley.

Dr. and Mrs. C. J. Sutton of Martins Ferry, Ohio have been visiting in Drayton Plains and vicinity.

The Good Will Club meeting has been postponed until August 31 so that all members will be able to attend the picnic dinner at 12:30 at the home of Mrs. John Watchpocket.

Philip VanPlew of Grand Rapids spent last week at the home of Karl Kenyon on Williams Lake Road and his brother David, visited at the home of Jerry Ryan on Andersonville Road. The boys returned home on Saturday with their father, the Reverend Wright VanPlew when he returned from attending the I. F. C. A. meeting at Camp Good Hart in eastern Michigan.

Reverend Arvid Anderson and 17 young people from Christ Lutheran Church left last Sunday, after Sunday School, to attend the Luther League Bible Camp at Bass Lake near Gowen, Michigan. This camp is sponsored by the Eastern and Western Michigan Districts. Rev. Anderson is the director this year and he will be assisted by a number of pastors and leaders from these districts. Plans are made for 45 children, youth and counselors from the local congregation to attend the camp

during the three-weeks period. Mr. and Mrs. Elmer Davis and Mr. and Mrs. Henry Mehler spent Sunday night at the Starr Commonwealth which is located near Albion. They were guests of Reverend and Mrs. Edwin DuBois. Monday morning was spent on the grounds becoming acquainted with what Starr Commonwealth does for boys who need guidance.

Seventeen young people of Waterford Community Church and their three sponsors, Mrs. Stephen Phetteplace, Mrs. Louise Banghart and Miss Elizabeth Jencks returned home Monday after enjoying a week at the Maranatha Bible Conference on the shore of Lake Michigan near Muskegon.

The Gospel Fellowship Class of the Community Church has scheduled its August meeting at the Klein Powell home next Tuesday evening.

A Fellowship Hour followed the evening service at the Community Church last Sunday. Rev. Charles Sine of Traverse City was the guest preacher at both morning and evening services. The "Sing" was led by Alton Goll. Mrs. Klein Powell, Mrs. Carl Millward, Mrs. Carl Kenyon and Mrs. Ed. Hills were in charge of refreshments. The Ladies Auxiliary sponsor the Singers.

Mr. and Mrs. Elmer Davis of Andersonville Road celebrated their 45th wedding anniversary on August 14th. They were dinner guests of their son and daughter-in-law, Mr. and Mrs. Allan Davis.

This past week was a most enjoyable week for Mrs. Henri Buck when she entertained her granddaughters, Donna Poland of Detroit, Joan Harris of Lansing and Kristin Lindquist of Maceeday Lake, at her home on Andersonville Road.

When Rev. Charles Sine of

INVITING THE UNDERTAKER-

Visitors to the dairy bar will have a choice between milk and buttermilk, according to Charles Stone, chairman of the Michigan State Fair Dairy Committee which has arranged the mammoth dairy exhibit in gala colors. It will run 103 feet along the south and east walls of the Agriculture Building.

Again this year the milk will be served by young ladies who are members of the Junior Farm Bureau of Michigan.

Stone said the purpose of the bargain offer is to emphasize that adults should drink at least

Ask us about Standard's Fuel Oil Budget Plan

Cut down the mid-winter payment peak. No interest, no carrying charge.

This is how you use your heat. Dotted line shows how you can pay for it.

Standard will help you estimate your entire year's heating costs and divide the amount into equal monthly payments. You make 9 equal monthly payments to cover a full heating season. You never pay more than the agreed amount monthly. At the end of the heating season, any slight difference in amount paid or payable will be adjusted.

No record or payment book to keep. You'll receive a statement of your account each month. The plan applies to STANDARD Furnace Oil with STA-CLEAN, STANDARD Heater Oil, and to PERFECTION Kerosene. Call today for full details.

SECOND 4-H CLUB AGENT IN OAKLAND COUNTY

Howard Reid, Chairman of the Oakland County Agricultural Extension Committee, announces the recent approval of Miss Suzanne E. Sturgis as the second 4-H Club Agent to be assigned to the Oakland County staff of the Cooperative Extension Service.

Miss Sturgis is a graduate of the Class of 1956 from Michigan State University.

Suzanne E. Sturgis

Michigan State University in the field of Home Economics. Her record as a 4-H Club girl is outstanding in St. Joseph County. She will work with Jack Worthington, Oakland County's other 4-H Club Agent, in organizing new clubs and carrying on the activities of the 4-H Club Department.

Nearly \$28,000 is a lot of money, but that's the amount to be given in premiums to Michigan's outstanding 4-H boys and girls during their annual competitive event, the 4-H Club Show,

Goin' Fishing

Fishing in Michigan continues to become more of a family recreation as more areas are developed for outdoor activities. This father and son are going to test their angling skill at one of the state's 650 public fishing sites. More than 1,000,000 persons enjoy fishing in Michigan lakes and streams each year.

held August 28 - 31 on the Michigan State University campus. The money is provided primarily by the State Department of Agriculture with some firms and organizations also contributing.

These boys and girls - 2,000 of them - will consume 15,000 meals during this big three-day event which they have been preparing for all summer. This show is the culmination of project competition and is a time when boys and girls from 80 of Michigan's 83 counties will take over the East Lansing campus. Livestock will be judged; demonstrations will be given on every subject from bread baking to electrical wiring; and young judging teams will be testing their abilities to evaluate.

For all friends of 4-H Club work who are planning to attend the annual State 4-H Club Show, here's a word of advice: be sure you see all the exhibits in the Auditorium and Demonstration Hall before Thursday night. They will be taken down on Friday and only livestock can be seen the final day of the show in the livestock pavilion and the stadium concourse.

STATE FAIR SCHEDULES COLISEUM FARM SHOWS

The 1956 Michigan State Fair has its coliseum reserved for 3 complete days and evenings of livestock judging and Farm Fun Frolics for which there will be no admission charge.

The dates are Tuesday, Wednesday and Thursday, Sept. 4, 5 and 6, in the middle of the ten day State Fair which opens Friday, August 31 and closes Sunday, September 9.

This will be the fifth consecutive year that theatrical entertainment is adjourned while the farm events take over for the three days and nights. Approximately 10,000 spectators, many of them city dwellers who became acquainted with the events for the first time, witnessed each of the night shows last year. A similar attendance is expected this year.

Each morning and afternoon will see regular State Fair judging of champion livestock with the grand auction scheduled for 1 p. m. Wednesday, September 5.

The evening shows, called Farm Fun Frolics, again will be emceed by John Merrifield, WWJ and WWJ-TV farm editor. There will be more than a dozen events each evening beginning at 6:45.

These events include Kiltie Band music, livestock parades, Detroit Mounted Police Drill, sheep shearing, and judging of Morgan, Arabian, Western and English Pleasure Classes, four and six horse hitch, dressage acts and others.

CO-OP HOUSING PLANNED FOR MSU COEDS

Plans to construct a cooperative residence hall for women at Michigan State University have been approved by the State Board of Agriculture.

The housing project would provide facilities for women students to prepare their own meals and do their own house-keeping to reduce the cost of

attending school. The project is to begin with 32 apartments, housing six coeds each, with completion possibly by fall term, 1957.

Mrs. THELMA ADAMS did her part in World War II working in a factory while raising two teen-age daughters. Now a grandmother, she is an excellent cook and enjoys dancing, bowling and fishing with her husband, Harvey. They live in Lake Orion.

One of the Smiles behind Clarkston's Dials

While you dial a telephone call as casually as any other daily routine, what if you were blind?

Blind people either memorize the dial and telephone numbers, or depend on an operator.

Mrs. Thelma Adams, Pontiac operator, especially enjoys handling calls for guests staying at the famous school, Leader Dogs for the Blind, Inc., at Rochester. Blind people often call home while they're "getting acquainted" with the dogs that are to be their leaders.

Mrs. Adams is one of the gracious, capable, helpful people on the telephone team handling many of your out-of-town calls.

It's people who make your telephone service good.

HEALTH DEPARTMENT TELLS OF HAY FEVER

It isn't a fever and it isn't caused by hay, but by any other name it would be just as miserable. Hay fever, according to the Michigan Department of Health, is a general term which includes all kinds of allergies to various pollens, dusts, and other offenders.

Some people, the health department explains, suffer from perennial hay fever which may occur at any time of the year. It is caused by sensitivity to house dusts, animal hair, feathers or other substances. Then there is summer hay fever which is caused by pollen from grasses such as timothy and redtop. Spring hay fever is a result of tree pollens.

Something New in Racing

Michigan State Fair officials think there are some really talented drivers of farm pickup trucks throughout the State. So they have arranged a 10 mile "Farm Pickup Derby" with \$500 in prizes to be raced at 1 p.m. just before the big 250 Mile Stock Car Race on Sunday afternoon, Sept. 9 at Detroit.

Above (left to right) Pete Spencer of Saginaw, promoter for the State Fair races, explains the easy installations of seat belt and roll bar required for the "Farm Pickup Derby" to James England of Warren Township, an early entrant.

Most common, however, is fall hay fever usually due to ragweed pollen. Ragweed is one of the most common Michigan weeds, growing wild in fields, vacant lots, and along highways. The pollen is produced in large quantities by mid-August and may travel great distances over land and water, carried by the wind.

A good defense against hay fever, according to the health department, is retreat. Fortunately Michigan offers areas sufficiently free from ragweed pollen to be comfortable for the average hay fever sufferer. These include most of the upper peninsula and the northern third of the lower peninsula.

For those unable to get away during the hay fever season, the family doctor may suggest injections to reduce sensitivity, or prescribe certain medicines to relieve symptoms. There is also the possibility of removing pollens through the use of an air filter or electric pollen remover.

If none of these is successful the only thing to do is suffer through the season. Although it is most uncomfortable, there is a consolation . . . fall hay fever is one malady with a sure cure, for winter always comes.

Since September 1955, more than \$3 million in assistance has been given by 60 national Red Cross societies in response to 12 international relief appeals from disaster-stricken countries throughout the world.

THE REDDY RECOVERY RATE
A brand new service in electric water heating . . .

If you're thinking about installing a new water heater—think electric! And now's the time to do it.

Under the Reddy Recovery Rate, which went into effect July 1st, you can banish hot water shortages the minute you switch your new electric water heater on.

Two major advances in hot water service do it.)

- 20 hours of heating out of every 24—for a flat rate heating charge that's surprisingly low.
- Two completely automatic, high wattage heating units for fast hot water recovery!

For more information about the new Reddy Recovery Rate, call your Edison office.

P.S. Special word for those who already enjoy the advantages of electric water heating: your Edison office has interesting information for you, too. A way for you to take advantage of the new Reddy Recovery Rate. Stop in and learn the details.

why CHRYSLER is your Biggest August Buy!

Let's assume you're one of those smart traders who has waited for August as the best month to buy. You know your present car will be worth much less in a few months, and you know that now is the time to get the biggest deal. Now it's a question of which car to buy.
The box on the right tells you why Chrysler is far and away your greatest value. It has the styling and engineering that many new car buyers won't enjoy even next year.
Motorists are trading in other makes of cars for new Chryslers at a record rate. Come in and let us show you why. You'll like the deal we have ready for you. You'll like the treatment you get. Come in while we still have a variety of models.

- Right now Chrysler offers you these year-ahead values that most cars won't have even next year!
1. New Flight-Sweep styling... the look that will have most influence on tomorrow's cars.
 2. Pushbutton Driving... watch the Johnny-come-latenes on this one.
 3. Revolutionary new centerplane Brake system (we predict it will still be brand-new next year).
 4. Full-time power steering... only power steering that takes all the work out of driving.
 5. Airplane-type V-8 engine with the famous high efficiency hemispherical combustion chamber.

Robert J. Stiles, Manager

This GMC has "muscles" unsurpassed in its class!

The facts speak for themselves. This new GMC 250-8 has 180 V8 horsepower standard. No other truck in its class comes even close.

The extra power delivers 276 foot-pounds of truck-propelling torque. Over-the-road truckers call it "guts" — and this GMC's got up to 33% more than the others.

It's at the top of the heap in frame-strength, too. There's as much as 10% more "muscle" in its chassis than in comparable trucks.

And there's more. For this rugged

GMC has 3500 lb. front axles and 7200 lb. rear — unsurpassed in its weight-bracket. It has extra-size brakes and springs.

Add it all up and you can see what GMC Blue Chip stamina really means. Especially when you team it with a GMC's dependable performance and Hydra-Matic* savings.

For here's a truck that not only delivers the goods at lowest cost — but keeps delivering long after an ordinary truck would have faded out. Come in and talk it over!

*Optional at extra cost

See us, too, for Triple-Checked used trucks
